makes prepared, it is which it has been ascertained that the cost of construction will not exceed \$25,000 per mile.

The Legislature of New Brunswick and Quebec have granted in aid of the undertaking the munificient donation of 2,400,000 acres of Crown Lands, to be given to the Company as the Railway is proceeded with from the Counties through which it runs.

This aid is expected to be supplemented by subscriptions of Stock from the Counties along the route, as well as from the City of St. John.

The commercial advantages of this undertaking are as follows:

1 this (as declared by the Montreal Board of Trade) the shortest and cheapest rout: for freight from Western Canada to the Atlantic at Saint John where there is an open harbor all the year round.

All letters relative to the Literary Department must be addressed to the editor,
