Invading Austro-German Column Partly Destroyed and Partly Captured--Heavy Fighting Continues on Save River--French Make Fresh Advance in Champagne--British Repulse Further Attacks on Loos.

BATTLE PLANES DEVELOPED FOR BIG OFFENSIVE

Aerial Army Comes to Pass in France--Great Fleet Ready.

CARRY LIGHT GUNS

Gigantic Squadron to Attack German Lines of Communication.

PARIS, Oct. 8.—An aerial army is no longer a dream of romance. Such an army formed in divisions and squadrons, with battle aeroplanes, cruiser aeroplanes, scouts and torpedo planes, all armored heavily, and carrying three-inch cannon and rapid-fire guns is a reality. It has been made possible thru the remarkable development of military aviation in France.

The French Government today permitted the first inspection of the new fleet of aeroplanes. Opportunity was given to inspect the large and small types of the new battle planes, and watch them as they were manoeuvring high in the air firing round after round from their three-inch rifles, while they soared, looped, and dived about.

The minister of war, Alexandre Millerand, assigned two military experts of the staff of the aviation service—Captain De La Faruge and Lieut. Paruf—to conduct the correspondents first to one point, the name of which may not be mentioned, where the new fleet of battle craft had been assembled, and later to the aviation school at B., where 100 military aviators were learning to navigate the new war craft.

Two Thousand Planes. The aviation field is a vast enclosure. Entering the field, a monster battle plane loomed up 30 feet high, with a number of planes stretching 120 feet across. Further back was ranged the fleet of battle cruisers and other war craft.

DIPLOMACY OF BRITAIN ACCUSED OF FAILURE

London Globe Says Record Has Been One of Tragic Weakness.

LONDON, Oct. 8.—Describing Great Britain's diplomatic failure in the Balkans as "ghastly" the Globe declares the foreign relations of the country cannot safely be left in the hands of the foreign office as it is at present constituted.

"Its record," says the Globe, "has been one of dismal, tragic weakness. It is a misfortune that Sir Edward Grey speaks no language but his own. It is a greater misfortune that he has been incapacitated thru ill health. The greatest of all is that his permanent under-secretary, whom he must chiefly depend, is sprung from a German woman."

"If the failure is not to culminate in disaster, the ill-omened partnership must be ended."

HATS FOR THANKSGIVING. Sunday and Monday will be great days for new hats. You'll see them everywhere—at church, the busy hat-on the street and at the stuffy stores, the soft felt and the ruffly hat. The autumn tints and the ruffly hat will attract many lids and lassies—but no matter where you go new hats will be in evidence. Your last chance before the holiday to retire the old one and secure a new and becoming hat is today. Dineen's, 140 Yonge street, is the one store where you can get the exact hat you have in mind, or a selection without wasting time shopping around. All the new shapes and colors in the best make of hats are here—today! Store open until 10 o'clock tonight to accommodate late shoppers. Extra clerks, no waiting. Store will be closed all day Monday—so come today and avoid disappointment. Dineen's, 140 Yonge street.

FRENCH CARRY BLOCKHOUSES AND TRENCHES IN CHAMPAGNE

Perceptible Progress in German Salient Before Second Teuton Line of Defence Recorded by General Joffre—Attack on British Repulsed.

PARIS, Oct. 8.—The gaining of a foothold in German positions and the capture of several trenches and two blockhouses in Champagne is recorded for the French in the official communication made public tonight.

The communication says: "After an intense bombardment with shells, gas, and machine guns, the Germans attempted today a very violent attack against Loos and its northern and southern approaches. This attack was completely repulsed, and the attackers suffered heavy losses. 'In Champagne, we have made new and perceptible progress to the southwest of Tulle. We have gained a foothold in the fortified work of 'Le Tranché' and carried several trenches and two blockhouses included in the salient still held by the enemy in front of his second line of defence. More than 200 prisoners, a bomb-thrower, and some machine guns were captured by us. 'Artillery actions have taken place on both sides in the western Argonne, in the wood of La Frette, in the Vosges at Braunkopf, and on the approaches to Sandervillot. 'The Belgian official communication issued today says: 'The night and day were quiet. Our front to the south of the Serry man's house was submitted to a rather violent shelling by means of bombs.'

MAILED FIST OF GERMANY BEING HELD BEFORE GREECE

Warning Given That Any Favor Shown to Entente's Military Preparations at Saloniki Will Be Deemed Breach of Neutrality.

LONDON, Oct. 8.—(10:05 p.m.)—The Amsterdam correspondent of Reuter's Telegram Company sends a despatch in which he quotes from the Frankfurter Zeitung as follows: "The Greek Government, even under new men, will not be able to oppose the illegal act in Saloniki otherwise than by formal protest. The protestation which Germany made to Athens does not ignore the difficult situation of Greece, but it is, at the same time, a warning that silent sufferance of further encroachments by the entente on the sovereignty of Greece would be a breach of neutrality by Greece herself. Any favor of the entente's military preparations at Saloniki by the Greek authorities would undoubtedly constitute a transgression of the limits which can be considered reasonable in view of Greece's emergency."

ARMY IS STRONG BULGARIA BOASTS

Continued Neutrality Allowed Time to Develop Full Strength.

LOOKING FOR SPIES MADE ESCAPE SAFELY

Bulgars Have Idea They Have Joined the Winning Side.

LONDON, Oct. 8.—The Amsterdam correspondent of Reuter's Telegram Company sends a despatch from the manifesto, said to have been issued by Bulgaria, as published by the Frankfurter Zeitung. The correspondent says the document, which purports to explain the decision of King Ferdinand and Premier Radolovoff to join the central powers, fills seven columns in the newspaper. It is stated that the manifesto has been widely circulated.

"Defending Bulgaria's adoption of a policy of 'strong and loyal neutrality,'" states the correspondent, "the document says: 'Bosforus Words. 'In the beginning none could foresee how events would develop and which side would be victorious. If the government had resolved to participate in the existence of the present Bulgarian Empire, Neutrality has enabled us to bring the military material and preparedness of our army to such a pitch as never before has been reached.'"

By figures the document proves that the trade interests and economic life of Bulgaria 'were inseparably bound up with Turkey, Germany and Austria, and adds that Serbia suffered economically by not preserving the good graces of Austria-Hungary owing to her following a pro-Russian policy.'

BULGAR WAR MINISTER IS TO HEAD FORCES

AMSTERDAM via London, Oct. 8, 2:12 a.m.—According to a despatch from Sofia, King Ferdinand, as commander-in-chief of all the Bulgarian forces, has entrusted command of the field forces to Gen. Jooeff, minister of war.

LEADERS IN SOFIA WERE HONORED

General Savoff and Representatives of Government Said Farewell.

AUDIENCE WITH KING

Bulgar Minister to France Has Been Given His Passports.

LONDON, Oct. 8, 11 p.m.—In a despatch from Sofia Reuters correspondent says: "The representatives of the entente powers left here by special trains this evening with the staffs of their respective legations and their nationals. The Rumanians are traveling by the Rusehnik route, which will take them across Bulgaria to the Rumanian frontier south of Bucharest. The other parties are proceeding home by way of Debresghateh. 'Gen. Savoff, commander-in-chief of the Bulgarian army, representing the king, and representatives of the government, were present at the station to bid farewell to the ministers before their departure. The king received the British and French ministers in audience. 'A Paris despatch says the Bulgarian minister to France has been given his transports.

BRIGHTENING SKIES FOR BUSINESS

Not business as usual, but business bigger and better than ever, should be the slogan of Canada. We have recovered from the first shock, and the great economic dislocation caused by the war. We have touched bottom, have found our feet, and are pushing forward with courage and confidence.

Finance Minister White is of a buoyant disposition, but he is at the same time a hard-headed, successful business man. He tells the people plainly that the country is richer than it was before the outbreak of the war, that business conditions are good, and that the outlook is excellent. "Production, production, and still more production," is the slogan that he repeats. He says that the country is now producing more than it consumes, and that it is beginning to export. "You can feel it in the air; you can hear it as you walk along the streets, and you can see it in the faces of the people."

"You can feel it in the air; you can hear it as you walk along the streets, and you can see it in the faces of the people."

CULVERT BLOWN UP ON TURK RAILWAY

Daring British Officer Swam Ashore With High Explosives.

Later Picked Up by Submarine on Verge of Exhaustion.

LONDON, Oct. 8.—How Lieut. d'Oyly Hughes, attached to a British submarine operating in the Sea of Marmora, swam from the craft, pushing ahead of him a raft bearing explosives with which he made a breach in the Turkish railway skirting the beach, is related in an official report given out here tonight. This statement, chronicling perhaps the strangest experience that has befallen any man during the war, says: "His weapons consisted of an automatic service revolver and a sharp-edged bayonet. He as well carried an electric torch and a whistle. The cliffs proved unscalable at the first point of landing. He therefore relinquished his raft till a less precipitous spot was reached—and after a stiff climb and a considerable march he reached the railway."

"Slighting a viaduct," continues the statement, "he planned to destroy it, but abandoned the idea because of the presence of enemy workmen. He then selected a brick culvert under which he placed a charge of explosive and lit a fuse. He effected his escape by running a mile down the railway, and plunged into the sea, just as the explosive went off. Debris was scattered near him, indicating that the explosion was effective."

"Having blown his whistle to summon the submarine, the lieutenant swam out to sea. However, on sighting the submarine, he mistook it for a group of Turkish rowboats whereupon he swam towards shore and began to ascend the cliff in hope of hiding. He then discovered his mistake and again entered the water. Subsequently he was rescued by the submarine when he was upon the verge of exhaustion."

SERBIANS REPULSE INVADERS

FOE'S LOSSES ARE ENORMOUS

ZAIMIS HAS NOT DECIDED ON ATTITUDE OF GREECE

Premier Tells Allies' Ministers That He Cannot Define Government's Policy at Present—Continuation of Neutrality Probable.

LONDON, Oct. 8.—(8:25 p.m.)—Premier Zaimis of Greece informed the British, French, Serbian and Italian ministers who visited him today that he could not define the government's policy until after a meeting of the cabinet, says a Reuter despatch from Athens. It is intimated that the government proposes to follow a purely Hellenic policy, without leaning either way, and that it will not abandon its neutrality until high national interests compel it to take such a step.

TEUTONS SATISFIED WITH ARABIC CASE

Wolff Bureau Representative Blamed for Premature Councils.

NOT VERY FLATTERING

German Foreign Office Gets Credit, But Country Not Well Served.

LONDON, Oct. 8, 10 p.m.—Reuter's Amsterdam correspondent tonight sends excerpts from the editorials of several of the German newspapers dealing with the negotiations between Count Von Bernstorff and Secretary of State Lansing concerning the sinking of the White Star liner Arabic by a German submarine boat. The Frankfurter Zeitung, on the whole, is satisfied with the solution of the Arabic affair, "tho," it adds, "it took a form which may more flatter American pride than our own."

The Hamburger Nachrichten says: "The representatives of the Wolff Bureau in the United States did not show a very happy hand in their treatment of the Arabic affair, and with their premature councils as to how the affair could be settled at Washington so as to make the best of the unpleasant business, did credit to our foreign office, but little service to our country."

"Now we learn from Washington that Secretary Lansing, after a conference with our ambassador, declared that Germany admits the submarine attack on the Arabic was not in accord with instructions given. It is hardly possible Mr. Lansing could make such a declaration."

LIEUT. DELCASSE SENT TO PRISON BY ENEMY

Spoke Abusively of Germany While Prisoner of War at Halle.

BERLIN, Oct. 8, via wireless to Tuckerton, N.J.—Lieut. Jacques Delcasse, son of the French foreign minister who is a prisoner of war at Halle, has been sentenced to detention for one year in the fortress for having spoken abusively of Germany and declining to obey orders, according to the Overseas News Agency.

MAJOR GAULT UNLIKELY TO RETURN TO FRONT

Wounds Received While With Princess Pats Have Incapacitated Him.

By a Staff Reporter. OTTAWA, Oct. 8.—Major Hamilton Gault of the Princess Patricia's, who is seeking a divorce from his wife, will not, it is thought, be able to go on active service again. He is at present recovering in London from his second wound, received while at the front with the Pats.

Austro-German Invasion Meets Severe Check on Danube and Save, Where Heavy Fighting is Still in Progress—Landing at Saloniki Continues.

LONDON, Oct. 8.—(4:30 p.m.)—The advance guard of the Austro-Germans who crossed the Danube at Belgrade has been partly destroyed and partly captured, and those who entered Serbian territory across the Save have met with enormous losses, according to an official despatch received tonight by the Serbian legation from Nish.

The despatch says: "On the northern frontier the enemy has crossed the Save at Yarak, the Isle of Prograska, at Zabrez, opposite Ostruznitsa, and at the great Isle of Ciagliana, and the Danube at the Belgrade fortress, at the Quay, and at Ram."

"The advance guard which crossed at the Belgrade fortress has been partly destroyed and partly captured. At Yarak, Zabrez, and the Isle of Prograska, after several fierce attacks, the enemy has been pinned to the very brink of the river, with enormous losses. At the other crossing points the struggle continues."

"At Belgrade, two officers and over 100 soldiers were captured, of whom 13 were from the 204th Infantry Regiment of the 43rd German division. Among the captured were also soldiers of a Prussian brigade belonging to the 15th army corps, who came here from the Italian front."

"The German mercantile marine in the Baltic is beginning to feel the effect of the submarine warfare there. Virtually all German shipping in that quarter is being held up by British and Russian underwater craft, and the ferry services between Germany and Scandinavia are being carried on by neutral vessels."

BRITISH COLUMBIA STILL BARS LABOR

Prohibition of Influx of Workers Renewed for Six Months.

By a Staff Reporter. OTTAWA, Oct. 8.—The government has extended for another period of six months the prohibition against the entry of artisans or laborers into British Columbia thru Pacific coast ports or across the American border. As in previous orders, the reason given is the lack of employment for workmen coming from outside.

QUEENSTON VICTIM SECURES DAMAGES

Six Hundred and Fifty Dollars in Court's Hands Until Child is of Age.

COMPANY IS WOUND UP

Vineland Canning Company Liquidated by Order of Court.

Mary Greisman, a minor, who was severely injured in the Queenston car crash on July 7, obtained judgment on October 7, 1914, for \$425 for medical nursing and other expenses.

Under the terms of a separation agreement Mr. J. Dunstan Sutherland was ordered to pay to Mrs. Edna Gordon to see two children aged 13 and 14 years.

An objection was made that the children's hours of play should be taken up by the mother, but his lordship retorted that they wouldn't bother about that for a couple of weeks.

Counsel for Mrs. McCutcheon of Malton secured an order from Justice Riddell for the return of the late James Goddell of Bolton.

A writ has been issued by Robert E. Kemmerer, a director of the Kenderdine Realty Company, against W. B. Kenderdine, who was once identified with the company.

Mr. Justice Riddell has granted an injunction in favor of the plaintiff restraining the defendant until the 18th from selling or in any way disposing of the shares.

The first appellate court list for Tuesday is: Ross v. Hamilton G. and B. Railway Company, Rex v. Canadian Transfer Company, Welch v. Toronto Police Benefit Fund, Re Windsor and Sedwich W. and B. Railway Company, Stevens v. Pearks.

MOUNTAIN TOWNSHIP RESPONDS Mountain Township of Dundas County, has sent in a cheque for \$100, the first in connection with the appeal made by the lieutenant-governor to all municipalities in the province for money for the British Red Cross Society.

RED CROSS HELPS TRAFALGAR DAY

Canadian Branch Will Clear Way for Big Collection Soon.

ANNUAL MEETING HELD

Toronto Branch Took in Over Hundred Thousand Dollars in Year.

Reports of the work done by the Toronto branch of the Canadian Red Cross Society were presented at the annual meeting yesterday, held in the city hall.

Cash receipts of the Toronto branch for the fiscal year were \$166,977, and \$75,290 pieces of goods were received, having a value of \$18,580.

At present the society has 876 life members, paying a fee of \$25.00, and 1533 annual members paying \$2.00, but the number of members is no indication of the number of subscribers as many firms subscribe where no membership certificate is given.

Announcement was made of the fact that the entire proceeds of the bicycle race being held at Exhibition park on Monday afternoon by the Dunlop and Rubber Company are to be given to the society.

PATRIOTIC FUND URGES PAYMENTS

Statement Up to End of September Shows How Matters Stand.

FUTURE INSTALMENTS

Appeal is Made That These Be Paid Before They Are Due.

The council of the Toronto and York County Patriotic Fund Association beg to report the following matters for the consideration of the subscribers:

The total subscriptions amount to \$1,007,088.55, to which is to be added interest earned by the fund \$6,820.28, making together \$1,013,908.83.

The total cash received on account of subscriptions and instalments up to September 30, 1915, amounts to \$452,128.82.

The total disbursements for all purposes up to the same date amount to \$456,976.19, leaving cash on hand on September 30, 1915, \$1,013,908.83.

The total amount still owing on subscriptions is \$561,710.63. Of this sum \$24,406.55 is overdue and unpaid, some portions thereof being owing since the commencement of the fund.

With the increase in recruiting there has been a corresponding increase in the number of dependents entitled to relief from the fund, and the relief disbursements for the month of September just passed amounted to the sum of \$78,222.27.

Under the circumstances the council of the association has decided to appeal to subscribers, not to avail themselves of the time to which they are entitled under the terms of their subscription for payment of future instalments, but to pay the same at an earlier date, and it respectfully urges them to pay on November 1, 1915, the instalment due March 1, 1916, and to pay January 1, 1916, the instalment due September 1, 1916.

Leading Medical Men Always recommend Pure Wool as the only safe material to wear next the skin. "CEETEE" UNDERCLOTHING ALL PURE WOOL - GUARANTEED UNSHRINKABLE MEANS ECONOMY PLUS COMFORT. You cannot beat old Mother Nature—she has given every animal a covering of Wool—Fur—or Hair (all practically the same material) in varying degrees of fineness—wool being the finest and hair the coarsest.

NEWS OF SPECIAL INTEREST TO WOMEN

USE PINK VELVET FOR PARTY FROCK

Quaint Side Draperies of Chiffon Featured in Modish Gown.

BODICE IS VICTORIAN

Puff Sleeves and Pretty Bead Trimming Enhance Unique Dress.

Cascade and numerous other quaint ripple effects over the hips are featured in the newest and most approved models for evening wear which are conceived in the famed fashion centre of the world.

A decided dignity is prevalent in the designs of dance and dinner frocks being shown for the approaching season, and the artistic and fashion-able arrangement of draperies is a conspicuous note.

Laces continue to figure largely in all the tiered models, while the combination of several materials—chiefly chiffon, silk and embroidered gauze—is made use of by all exclusive designers.

With side draperies and panels come front panels and apron effects of unique arrangement, involving voluminous width of materials exquisite in texture, and weighted with exquisite bead trimming, oriental in color and unusual pattern.

Velvets are not tabooed from the realm of evening attire, some of the quaintest dance frocks being partly fashioned of this rich and effective material. One charming little model in palest of pink, with a deep silk pile, was extremely full skirted, the front and back panel sections were velvet with full gathered side tiers of embroidered chiffon built over a full net underskirt, ruffled and bound with satin baby ribbon.

The dainty little bodice was tightly fitted in the popular Victorian style and fashioned of the velvet. A ruche of chiffon outlined the low round neck and chiffon also constituted the short

puff sleeves, finished with narrow bands of bead embroidery. A long scarf of pink tulle, the same shade as this unusual costume, was worn in the approved style, draped about the neck. High boot slippers, strapped, and fashioned of white kid, trimmed with rhinestones, completed the toilet.

MANY REPORTS READ OF PATRIOTIC WORK

Mrs. Baker Receives Vote of Thanks at Meeting of Municipal Chapter, I. O. D. E.

Many reports were read, and much patriotic work done during the summer months was chronicled, at the meeting of the Municipal Chapter I. O. D. E., yesterday afternoon at 72 Bloor street west.

Mrs. R. S. Wilson presided and Miss Dixon gave an interesting report of the annual meeting in Halifax.

A vote of thanks was given Mrs. Baker for her assistance given the organization on "rosesday". The members of the press also received a very cordial vote of thanks for their advance notices and reports in connection with the event. Many interesting letters have been received in acknowledgment of the comforts sent to the men at the front, some by private members and others to the Chapter. Several of these were read.

Miss Marietta Gooderham was elected to the office of standard bearer. Samples of the pretty layettes and other useful and dainty articles given by the chapter to the children of the wives of soldiers were on exhibition.

A WOMAN'S MESSAGE TO WOMEN

If you are troubled with weak, tired feelings, headache, backache, bearing down sensations, bladder weakness, constipation, catarrhal conditions, pain in the sides regularly or irregularly, bloating or unnatural enlargements, sense of falling or misplacement of internal organs, nervousness, desire to cry, palpitation, hot flashes, dark rings under the eyes, or a loss of interest in life, I invite you to write and ask for my simple method of home treatment, with ten days' trial entirely free and postpaid, also references to Canadian ladies who gladly tell how they have regained health, strength and happiness by this method. Write today. Address: Mrs. M. Summers, Box 65, Windsor, Ont.

THE STERLING BANK OF CANADA

SAVE, Because— The saving man makes the valuable citizen.

ADDRESSES HEARD AT FIRST MEETING

Sir Henry Pellatt Chapter, I. O. D. E., Commenced Season Yesterday.

ARE LOYAL IN QUEBEC

Mrs. A. W. McDougald, Organizer, Gives Interesting Talk on Eastern Province.

Two very interesting addresses were given at the first meeting for the season of the Sir Henry Pellatt Chapter, I. O. D. E., held in Columbus Hall yesterday afternoon.

Mrs. A. W. McDougald, organizing secretary of the Daughters of the Empire for Quebec, told of the splendid patriotic work done by the women of that province. When the war broke out, the I. O. D. E. was at once ready, while other women had to come from Montreal, rooms were at once opened and from all parts of the province letters poured in asking "how can we help?" A thousand pounds of wool were given the I. O. D. E. and this was distributed mainly among the habitant women who worked so well that 7000 Saikava caps were sent in before the camp broke up at Valcartier. The women also wished to send to the 5000 men at Salisbury, from the beginning, 12,000 pairs in all have been sent, many made by the sisters of the different religious communities.

Mrs. McDougald stated that there were no more loyal citizens anywhere than the French-Canadian. They are, she declared, the same now as when they defended the country in 1812 against an overwhelming force. They were Canada's first citizens, and the descendants of men who made Canada a worth while.

History of Opera. The second address was given by Allan Dunn, of Oxford, England, now in Toronto preparing for the coming Boston Opera Company. Mr. Dunn briefly traced the history of opera from the days of mythological details about the personnel of those who will take part. All are either Italian or friendly neutrals, and Madame Butterfly is a little lady who really had her birth and bringing up in the "Land of the Rising Sun."

Reports of the chapter showed that during the summer, 250 quarts of milk, 1100 pounds of wheat, and 792 garments had been distributed. At summer camp, one member, Mrs. Salter, had raised \$40.80 and Mrs. T. F. Phelan, \$35.00 for patriotic work. The High and Circle had made \$70 by a tea and had raised \$180 in a branch organized by them in LeRoy, Ontario.

Mrs. Ambrose Small presided and the president of the Simons as standard bearer was accepted with regret. Mrs. Diamond was elected to the vacant office.

GIVE SACRED RECITAL. The first of a series of recitals of sacred music will be given at St. Augustine's Church, Parliament and Spruce streets, at the close of the evening service, the choir and orchestra of the church. Every Sunday morning there is a service of intercession for the country's forces on active service.

A Piano For 50c a Week. Here is a chance for a few people to get a fine square piano for 50c a week. Call at or write to Ye Heintzman and Co., Ltd., 149-151 St. George street, Toronto, for full particulars. Every instrument in fine condition and guaranteed.

THANKSGIVING RECITAL. At College Street Presbyterian Church on Monday evening, the Rev. Alexander will present several patriotic sketches, including a stirring sketch, "For Belgium" by J. F. Bell, which is a vivid portrayal of an epic little country, the invasion of the heroic Mrs. Fred Score, soprano; Mr. James Quarrington, baritone, and Mr. Harold Spencer, pianist.

PARISIAN FLIRTS AT STAR. At the Star Theatre a veritable treat is in store for local lovers of up-to-date burlesque and musical comedy. The attraction is Charles Robinson and his "Parisian Flirts," an organization which has long won its spurs as the best entertainment of its kind on the circuit. The company is composed of fifty people, mostly girls, and should find approval with the most blasphemous after tin de diecle and wholesome amusement.

OPERA SEASON AT ARENA. Like a snowball going down hill is the growing enthusiasm of the Toronto public for the forthcoming season at the Arena of the Boston Grand Opera Company and the Pavlova ballet Russe. The playhouses of Chicago have never known greater enthusiasm than that which greeted the opening performance of the company at the Auditorium on October 4. Auber's "Dumb Girl of Portici" which will also be the opening bill at Toronto on Oct. 21st, took the audience by storm.

THANKSGIVING CONCERT. At Mr. Campbell's annual Thanksgiving concert in Massey Hall, on Monday night, there will be presented the following splendid patriotic programme: Quartette, "The Mariners of England," the Adnan Quartette; read, "They Are on the Way," Miss Clara Spencer; song, "The Recessional," Miss Florence Mulholland; read, "The Cossack," the Adnan Quartette; reading, "Trifles," Miss Spencer; solo, "Dart Lochnagar," Miss Mulholland; piano solo, (a) Nocturne in F Sharp Major, (b) Tarantella, G Flat Major, Dr. Harvey Robb; quartette, "The Banks of Allan Water," the Adnan Quartette; martial song, "The Mulholland," reading, "The Green Paper" (a new version of the song of hate), Miss Spencer; Irish song, "The Rule Britannia," Miss Mulholland; quartette, "God Save the King," the Adnan Quartette.

The seat plan is now open at the hall and at the Bell Piano rooms, 146 Yonge street.

Boy is Missing. Edward Lyle, fifteen years of age, and son of John G. Lyle, 539 St. Andrew street, has been missing from home since Sept. 29. His parents are of the opinion that he may have gone to the country seeking work.

TORTURING SCIATICA A Severe Sufferer Cured Through the Use of Dr. Williams' Pink Pills.

Fierce darting pains—pains like red hot needles being driven through the flesh—in the thigh; perhaps down the legs to the ankles—that's sciatica. None but the victim can realize the torture. But the sufferer need not grow discouraged, for there is a cure in Dr. Williams' Pink Pills. These soothe and strengthen the nerves and thus free them from pain and restores the sufferer to cheerful activity. In proof we give the statement of Mr. Thomas D. Leinster, Waukegan, Ill., who says: "I was attacked with sciatica, which gradually grew worse until I was confined to my bed for three months. I had to be shifted and turned in my bed, as I was utterly unable to help myself. I feared, finally, that I was going to die. I consulted several doctors and took drugs and medicines, getting no benefit, and I began to believe I would be a contemner of fate. Finally, I was prevailed upon after taking them for about six weeks to try Dr. Williams' Pink Pills, and I was able to get out of bed. From that time I kept steadily improving until I was free from this terrible and painful malady."

The most stubborn cases of sciatica will yield to Dr. Williams' Pink Pills if the treatment is persisted in. These pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by addressing The Dr. Williams' Medicine Company, Brockville, Ont.

SHARP ATTACK REPULSED

Dangerous Condition Relieved Just in Time by "Fruit-a-tives"

MR. F. J. CAVEEN.
 632 Gerrard Street East, Toronto.
 For two years I was a victim of Acute Indigestion and Gas in the Stomach. It afterwards attacked my Heart and I had pains all over the body, so I could hardly move around. I tried all kinds of medicines but none of them did me any good. At last, acting on the advice of a friend, I decided to try "Fruit-a-tives". I bought the first box last June, and now I am well, after using only three boxes. I recommend "Fruit-a-tives" to anyone suffering from Indigestion, no matter how acute."
FRED J. CAVEEN.
 Simple Indigestion often leads to Heart Attacks, Catarrh of the Stomach and constant distress of mind and body. If you are bothered with any Stomach Trouble, and especially if Constipation troubles you, take "Fruit-a-tives."
 50c a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives, Limited, Ottawa.

SEPTEMBER REVENUE SHOWS AN INCREASE

War Outlay for Month Fourteen and One-Half Millions.

Mr. J. T. TAYLOR. Oct. 8.—War expenditure is the feature of the Dominion Government's statement for September named today. It shows that the expenditure for this purpose in the month was \$14,546,003. This is at a rate of \$484,000 per day.
 In the six months of the fiscal year the total war outlay was \$44,427,893. For the six months ended with September the aggregate revenue was \$73,243,514, an increase of three millions over last year.
 In the month of September the consolidated expenditure was \$7,400,910, and in the six months \$46,271,622, an increase respectively of six and nine million dollars. The capital outlay in the month was \$18,177,210, and for the six months \$61,962,760. The former is an increase of thirteen, and the latter of forty-three millions, compared with the periods corresponding.

SIXTY RECRUITS FULLY ATTESTED

Nearly Thousand Men Are on Active Service in Toronto Now.

SERUM TREATMENT

Eighty-First Men Will Hardly Be Able to Parade Sunday.

Sixty recruits for overseas service were attested at the Toronto Recruiting Depot at the armories yesterday. There are now 933 men on active service in Toronto. Of this number, 263 are from the Second Pioneers, and 173 from the Ninth Battery.
 Lieut.-Col. E. H. Nelson, commander of the 81st Battalion, stated last night that the members were not inoculated yesterday as reported. He added that the typhoid serum would be administered today and that in view of this fact the members of his battalion would not hold their church parade to St. George's Church Sunday.
 Under the command of Col. Duncan Donald, 666 members of the 48th Highlanders held their weekly parade last night.

Toronto Soldiers Return.
 Four Toronto soldiers who have been invalided home from the front arrived in Toronto yesterday morning. They are Sergeant A. L. Best of "D" Company of the 2nd Battalion; Private William Gough, 13 Taylor street, of the Princess Pats; Private A. F. Buzzycott, 49 Wright avenue, of the Princess Pats, and Private Richard Downey, 63 Parliament street, also of the Princess Patricia's Light Infantry.

Sergeant Best was gassed in the battle of St. Julien, but an enemy bullet got him in the right shoulder, going right thru his back and killing the man behind him. At Quebec he was discharged as medically unfit.
 Twenty-eight years ago, Private William Gough joined the colors, serving six years in India and eight in the South African campaign with the Royal Fusiliers. His fighting days are over, as his left hand was completely shattered by an exploding shell at Ypres. He was seriously wounded twice in this war. On Feb. 24, at St. Eloi, while in the trenches, he was hit in the hip and the right leg by a piece of a shell. He was taken to England where he was operated on at the Netley Hospital, and later returned to the trenches. On April 6, he was walking out of the trenches to get a cup of tea when an eight-pound shell burst within two feet of him. He said he had one hand in his pocket at the time and the fragments of the shell simply shattered his left hand, carrying the finger clean away and leaving no others absolutely useless.

Wounded at St. Eloi.
 Private Richard Downey was wounded at St. Eloi. He was shot in the right foot and during the same engagement a bullet passed thru his stomach and came out thru his arm. He was picked up by the Royal Engineers and carried to a Belgian barn where he lay for five days. In company with many other wounded soldiers, he was rushed across to England on the hospital ship St. Andrew and while crossing he said the ship came near being torpedoed.

Private A. F. Buzzycott is one of the few members of the Princess Pats who was lucky enough to escape injury, altho he has been invalided home with rheumatism from standing waist deep in water in the trenches. Private Buzzycott is at present on three months' furlough, when he will go before an invalid board of examiners, but he does not expect he will go back to the front. He left France for England last February and had been confined to different hospitals until he came home. He stated that he did not participate in the battle of St. Julien, but said that when he was with the regiment, they had a pretty hot time at St. Eloi.

Cunard Special Sailing.
 The Cunard Steamship Company announce that they will despatch as a special sailing the twin screw steamer Pannonia from New York to London direct on Saturday, 13th November. This steamer will carry cabin passengers only at a very moderate rate.
 For rates, plans, etc., apply to A. F. Webster & Son, General Agents, Cunard Line, 53 Yonge street.

TORONTO-HAMILTON HIGHWAY INSPECTED

Information Obtained for Use in Oshawa-Toronto Project.

Piles

That Dr. Chase's Ointment actually cures even the worst cases of itching, bleeding and protruding piles we know for a certainty, because of experience with thousands of cases. To prove this to you we shall send you a sample box free, if you enclose a two-cent stamp to pay postage, and mention this paper.

Edmanson, Bates & Co., Limited, Toronto.

Dr. Chase's Ointment

towns between Whitby and Toronto who are gathering information as to what will be necessary in the construction of the Oshawa-Toronto Highway.
 There is a fear in the mind of Dr. Hastings, M.O.H., that the extending of the work of school nurses, allowing them to visit children in the homes will cause an overlapping of the work

done by the nurses in his department. As a result, the doctor is agitating that all nurses be transferred to his department, where there are 40 already.
 According to Works Commissioner Harris, the plans of the new Union Station and those of the railway viaduct must be worked out together since the design of the station calls

for the construction of the viaduct. Dr. Hastings announced Friday morning that the abattoirs in West Toronto were installing machinery which will make them almost foulproof as far as odors are concerned. The smells have been kept down for the past two or three weeks and the M.O.H. says they can be kept down for two or three years, and that there

will be no smell at all except for a short distance around the plants. If there is the courts will be asked to close them up.
 Two more insurance cheques on the lives of Toronto soldiers were received yesterday by the city treasurer. They are for the deaths of Pte. Herbert Roberts and Driver V. I. Locky of the Canadian Field Artillery.

A civic luncheon will be tendered to the Marquis and Marchioness of Aberdeen and Temair and the delegates to the National Council of Women of Canada at Columbus Hall on Oct. 22.
 Street Commissioner Wilson announces that as Monday is a holiday there will be no collection of garbage.

SATURDAY MORNING, OCT. 9.

Twelve Millions of a Mud Wall?

It is stated that the whole of the new Union Station plans for the Bay and Front street side have been submitted and that construction will now proceed. The Globe editorially says that the station is an indispensable part of the viaduct scheme, and looks forward in the most unwonted way to the time, ten or twelve years hence, when the whole dream will be realized—harbor, viaduct and Union Station. A lot of things may happen in ten or twelve years.

The Telegram reports Commissioner Harris as having declared that the plans of the viaduct were bound up with those of the station, and that the station involved the viaduct. This deduction we take leave to think is gratuitous. The viaduct, or Mud Wall, as it is more popularly known, is to cost \$12,000,000, according to one outspoken authority. This estimate does not appear to include land damages, which are likely to rise to further millions.

We shall be accused of exaggeration, of course. We always are—before the event. Afterwards we are blamed for not having told the people what they were going in for. We have told the people, and particularly the board of trade, about the Mud Wall. They have had warning, and they must be prepared to pay thru the nose for the series of elegant tunnels 230 feet long, which are to pierce the Mud Wall and afford access to the waterfront from uptown.

The Union Station is to be built first, however, and when it is finished and the people have begun to get accustomed to going out to take the trains on the main level they will wonder why, having climbed downstairs, it will be necessary to build a Mud Wall so as to have them climb upstairs again to the trains. This switch-back arrangement is one of the features of the Mud Wall, in which Commissioner Harris takes particular delight.

We are not at all convinced that a Mud Wall is necessary to the perfection of the new Union Station. In fact, we believe that it will mar the utility of the new building. There are other elements in the problem connected with the electrification of the steam railways inside the city limits, and the approach of the hydro railways to the Esplanade, which we need not dwell upon, for they will force themselves upon attention long before the people with twelve million dollars begin to feel like putting it into a Mud Wall.

The Kings or the People?

A. G. Gardner's "The War Lords," of which the Upper Canada Tract Society is just now making a special display, is a perfect mine of information for those who are interested in the human side of the great war. The personal factor in politics is always of immense weight, but when the politics revolve on royal pivots, it is indispensable to know something of the royalties to understand what is going on. Of course, there are important royalties as well as pivotal ones, as in the case of the Crown Prince of Prussia, who reminds Mr. Gardner of Charles II's remark about Prince George: "I've tried him drunk and I've tried him sober, and there's nothing in him either way."

In the sketch of King Ferdinand of Bulgaria, one gathers in a few strokes how the attitude of the British embassy at Constantinople threw the "Young Turk" party into the arms of Germany. The Balkan powers, with Bulgaria, as head of the league, decisively defeated the Turk, but Russia was opposed to Ferdinand's rule at Constantinople.

Germany, says Mr. Gardner, has always done a large export trade in royalties, and whenever a throne was vacant, or a new one established, the new king was generally made in Germany. The Queen of Greece is the kaiser's sister. A Hohenzollern sits on the throne of Roumania. The King of Sweden is related to the kaiser by marriage. The Bulgarian tsar is a Coburg-Orleanist. The people in these countries would be with the ally; royal influence directs their influence towards Germany. Bulgaria owes its freedom to Russia, and since Gladstone, has regarded England as its political champion. Ferdinand has lined it up with Ger-

FREE WHEAT IN THE WEST

Argument in Support of the Demand of Manitoba Grain Growers' Association.

Winnipeg Free Press, Oct. 8.
 The demand by the executive committee of the Manitoba Grain Growers' Association upon the Dominion Government for immediate action towards securing the United States market for Canadian wheat is only the first sign of an increasing pressure that will be applied by the people of western Canada to the government as the situation in which the western farmer finds himself is more clearly defined by the development of events.

The grain growers, in their resolution, say that there are in western Canada considerable quantities of low-grade wheat due to August frost in certain localities, and of tough wheat, the result of the unreasonable weather in the latter part of September. They point out that there is a market in the United States for our low-grade wheat for feeding purposes; while the large mills in the United States, if given an opportunity, would absorb a considerable quantity of our tough, damp wheat at about two cents below straight grade.

It is equally true that we need the United States market for the disposal of our high-grade wheat. The premium on our high-grade wheat in comparison with the Canadian price for corresponding grades is in itself conclusive proof that there is a market across the line for a considerable quantity of our high-class wheat at prices better than those which can be realized at home. If wheat are merged there will result a common price, and that price, under ordinary circumstances, will be higher by several cents a bushel than the price in a purely Canadian market. Now that we are purely Canadian market, the price of our wheat shall never again see the two hundred million bushel mark.

The need for access to the United States market will be greater this year than ever before. Under the conditions of the European markets, in both the United States and the United Kingdom, there is a financial preference in his favor, due to the flotation of the half-billion-dollar loan in the United States by the British and French Governments. The advantages will have to meet these alone, and the spread will tend to widen, until it may absorb the entire United States duty—that the amount of a bushel. "Once this point is reached, Canadian wheat will be free access to the United States market, despite the duty against it."

Doctrinaire opponents of free wheat tell us that, while the United States is itself an exporting wheat nation, it is absurd to suppose that Canada can sell wheat in the United States. That assertion has a plausible sound, but in point of fact, it is not true. The more wheat the United States sells to Great Britain, or other European countries, the more wheat we can sell in the United States. The wheat purposes of exportation will go to Europe, while the huge domestic needs of this continent will be supplied from the remainder of the crop.

There are powerful special interests in Canada which, in the past, have blocked the movement for free wheat, and will, possibly, attempt once more to prevent it. The government and parliament from meeting the demands of the west. Their action is dictated by a fear that the opening of the United States market to Canadian wheat may injuriously affect them. This is a short view, but it has been the case of the last three years. The experience of it has not taught our great Canadian interests that they cannot prosper unless the Canadian farmer in the west first prospers. The western farmer cannot prosper unless he has free access to the United States market for his wheat.

SAMUEL P. WARREN DEAD.

Was Organist at Grace Church, New York, for Many Years.

The death of Samuel P. Warren, the eminent organist and composer, took place on Thursday in New York. His brother is C. S. Warren of Woodstock, the well-known organ builder. Frank Warren of Toronto, and A. P. Warren of Rochester, N.Y., are nephews. Mr. Warren was for many

years organist of Grace Church, New York, and was also the first dean of the American Guild of Organists.

DEPUTATION URGED LIQUOR REFORMS

Presbyterian Synod Representatives Interviewed Hon. W. H. Hearst Yesterday.

PREMIER IS NEUTRAL

Quotes Reply to Previous Deputations—Government Studies Question.

In replying to a deputation representative of the Presbyterians of Toronto and district, who waited on him at the parliament buildings yesterday morning to urge the necessity for more drastic restrictions in the sale of liquor, Premier Hearst referred to his reply to a deputation which was before him recently. He said that in his judgment it would not be advancing the cause of temperance to prohibit the traffic in the province. He pointed out that the government were studying the question, and they had the help of the license board a committee who were appointed at the last session, and who enjoyed the confidence of the community. He said there were certain limitations to the government's powers, and it had no right to stop the manufacture and the importation of liquor, as some people thought.

The Rev. A. B. Dobson spoke of the difficulties the government had to contend with, and said they were attempting to add the government in removing the difficulties which confronted them. In his opinion the people on the temperance side should be credited with as much intelligence and moral understanding as the representatives of the liquor forces.

Rev. Dr. Alex. MacGillivray pointed out that the deputation represented a very large constituency, but was not there after discrimination. He stated that if liquor impaired the efficiency of the soldiers then it was bound to impair the efficiency of the civilian. He said that the synod believed the government should be urged to stop the sale of liquor by giving the people a referendum on the question and in the meantime enacting measures curtailing the sale.

Prohibition, not discrimination, was wanted in the province, according to Rev. Frank Rae, moderator of the presbytery of Toronto. Rev. Dr. A. S. Grant was for prohibition first, last and all the time.

Match Specialties

We have been making matches for 64 years now—domestic matches and every other kind. Some of our specialties are "THE GASLIGHTER," with a 4 1/4-inch stick; "THE EDDYSTONE TORCH," for outdoor use (burns 35 seconds in any weather); "WAX VESTAS," for the smoker, and many other varieties. For home use the most popular match is

"THE SILENT 5"

REPORT ON HARBOR WILL BE PRESENTED

Committee Appointed to Investigate Work Foot of Cherry Street Goes to Ottawa.

The report of the commission appointed by the Dominion Government to investigate the work done by the Canadian Stewart Company, the subcontractors at the ship canal and turning basin at the foot of Cherry street, will be placed before the government Tuesday, as the commission leave for Ottawa tonight.

The commission was appointed last July at the instigation of Engineer Cousins, who stated that the quality of the material being used was not up to the standard. Other charges were that the work was being badly attended to, and that there were gaps in the piling which had to retain the filling.

E. T. P. Shewan, John Sweeney and Roger Miller form the commission.

"A Brew for Every Taste."

BASEBALL Phillies 3 Boston 1

PHILLIES GOT THE "BREAKS" FLUKE HITS BEAT BOSTON

Mediocre Ball in Opening Game of World Series When Soggy Infield Helped Alexander to Win—Errors of Commission and Omission Had a Lot to Do With the Result.

PHILADELPHIA, Pa., Oct. 8.—Grover Cleveland Alexander won his game from the Boston Red Sox today, but the victory was far from being the impressive one his team-mates of the Philadelphia Nationals had predicted. The breaks of the game were with the star pitcher of the National League. Thru a sequence of plays as unusual as ever seen on a ball field, the Phillies won by 3 to 1.

They made these three runs on five of the flukiest hits the series has ever known, a Texas leaguer, which developed into the first run of the seven, being the only one hit driven out of the diamond by a Philadelphia batsman. It had been predicted the short outfield would prove the winning factor for the locals; but, contrary to all expectations, it was the infield, wet and heavy from fifteen hours' rain, that turned the tide in their favor. It was a mediocre ball game, this first of the big series, for, despite the few errors of commission, there were several of omission and two or three plays which will go down in baseball history as tinged with ivory. Strangely enough, it was the Red Sox, veterans in battling for the highest honors of the game, who were guilty of the slips, although the offending individuals were new members of the team.

Hobby was Sound Aestep. Hoblitzel, the big first-baseman of the Sox, ignominiously ended a first-innings attempt by his team-mates when he calmly lapped into Slumberland off his home station and was caught almost flat-footed by a quick throw from Alexander to Luderus for the third out. Hooper was on third base at the time and Lewis was at bat. When Lewis batted, he delayed chance in the second innings, he shot a stinging single between short and third.

Again, in the eighth innings, the game was tossed away beyond all hope of recall when Scott, at short for the Sox, stood transfixed as he watched Barry make a wonderful throw from Bancroft, and was so completely overcome by the seemingly miraculous play that he forgot all about covering second base, allowing Stock, who had walked, to pull up safely at that station, and giving Bancroft one of the five extra bases scored off Ernest Shore. This young twirler, "Long" Shore, they call him in Boston, pitched a splendid game, but all the luck was against him. The "breaks," which went the way of the Phillies, seemed to upset him at times, and his fielding was very shaky.

But Shore had a fast ball with a hop on it that was on a par with the best Alexander had to offer. Against the five freak hits which Shore allowed, the Red Sox was hit safely eight times, each of the blows being a line drive to the outfield. There was not an extra base in any of them, however, and no two came in the same innings. Three times during the game the first Red Sox batter to face big "Alex" tore off a screaming single, only to remain stranded somewhere between first and third.

Alex the Great was Nervous. Alexander felt the strain that the confidence of the National League adherents had placed upon him, and during the first three innings of the game was plainly nervous. In two of these innings serious trouble threatened him. Shore gave the Phillies star a fight from the time play was called until the last man was out.

Four or five times the game hung in the balance. With the score a tie in the first half of the eighth, and with Lewis on second base, Gardner smashed in one of Alexander's fast-breaking out-courses for a drive which seemed far out of reach of any of the Philadelphia infield. But "Dodo" Paekert started after it from center field and made a spectacular catch while running at full speed. The play brought the big crowd to its feet, and undoubtedly saved the game for the National League contestants. This play and the wonderful stop by Barry back of second base which hypnotized young Scott long enough to pave the way for his two unassisted hits, were the fielding feats of the game.

That the game was regarded largely as a freak episode in world series baseball is shown tonight by the fact that the supporters of the defeated Red Sox have magnified the betting odds they are willing to give on that team for the remainder of the series.

Shore Made First Break. For three innings today the honors of the game were all with the tall young season winner, who had been sent in to oppose Alexander. In the half of the fourth, however, it was Shore himself who gave the Phillies an opportunity to score their first run. This run was typical of the runs which were to be made. Paekert dropped a Texas Leaguer back of first base, just out of reach of shortstop Luderus, who was sent in to sacrifice and sent a fast bunt directly at Paekert. The latter picked the ball up for an out, and Paekert had plenty of time to throw Paekert out at second. Much to the surprise of his teammates, however, he sent the ball to first, where Cravath was an easy out. Luderus went out from Barry to Hobby, as Paekert raced to third. Then Whitted batted me a fast one from shore and the ball went weakly bounding into the infield just over the pitcher's head. Barry made a great try half a step ahead of the throw, and Paekert was safely across with a run which seemed for several innings to be the only one that either team could put across.

Speaker was given a base on balls in Boston's half of the eighth after Scott was out, and went to second on Hobby's infield out. Lewis, who had fanned on his two previous trips to the plate, singled to left and Speaker advanced to second on the throw in. It was here that Paekert saved the game with his starting catch of Gardner's drive. Paekert has suffered much in his preliminary comparisons with Speaker, whom he opposes in centerfield, but that one catch today gave him a warm place in the hearts of the Philadelphia fans. The way shore and Alexander were working at the time indicated that the game might go into many extra innings, but in the Phillies' half of the eighth came the decision. Alexander had proved an easy out. Shore got a bit careless and passed Stock. Bancroft shot the hit over second which gave Barry the opportunity to make a miracle stop with his bare right hand. Barry recovering his balance, started to toss the ball so second to force Stock, but the ball was bare. Too late Scott realized his duty and started on a dead run for the key-stone. In a forlorn hope Barry shot the ball to him, but Stock was safe and there were two out instead of two out.

The Flight. At this critical juncture Shore became unsteady and passed Paekert. The bases were full and "Gavy" Cravath, the home run champion of the National League, with his peculiar fondness for the shop-fences of the Phillies' park, was at the bat. The crowd was shouting itself hoarse for "Gavy" to hit it "out of the lot." Shore proved that he was willing to take a chance, however, by breaking the first ball over the plate for a strike. The best Cravath eventually could do was to send a slow bouncer to Scott.

It seemed to many in the stand that Scott had time for the play at the plate, but he shot the ball to first instead and Stock raced over with the winning run. Then Luderus hit a weak line rounder toward Shore. The ball took a bad roll in the mud but as Shore was reaching for it and Bancroft came over for the third and last run of the game.

Manager Carrigan sent two pinch hitters to the plate in the ninth, but could not get a man to second.

Alexander outpitched Shore in every way except in the number of hits allowed. "Alex" gave up six runs, six hits and three errors, while Shore allowed six runs, six hits and nine errors. Total receipts \$51,065. National Commission's share, \$5,106.50; players' share, \$17,315.44; each club's share, \$19,183.06. There is much speculation tonight as to whether Carrigan will grant Alexander's choice for the Phillies will be either Chairman Meyer, who Carrigan will send either Foster or Leonard in for the Red Sox.

SHORE FALTERED IN EIGHTH PHILLIES BUNCHED BINGLES

First Innings. Boston—Hooper singled. Scott sacrificed. Alexander and Barry stepped together for a conference with two and three on bases. Speaker walked. Alexander worked hard with Tris. He had him in the hole with two strikes at the start, but lost the advantage. Luderus scored speaker, Bancroft to Niehoff, Hooper taking third. Hoblitzel out on first. Alexander to Luderus. No runs. One hit. No errors.

Hooper's hit on the second ball Alexander pitched to him was a clean smash into the box. Things looked bad for Alexander until he pulled his lightning throw which nailed Hoblitzel off first.

Philadelphia—took fouled to Cady. Bancroft tied to Barry. Paekert fouled to Hoblitzel. No runs. No hits. No errors.

Shore had it on Alexander in this inning. He disposed of the Phillies with eight pitched balls. The sun was shining brightly at this time and weather conditions were looking up.

Second Innings. Boston—Lewis fouled a screamer to left. Lewis singled to left. It was a good clean knock. Gardner sacrificed. Alexander to Luderus. Lewis taking second. Barry got a great hand from Philadelphia rooters when he came to bat. He forced Lewis between second and third. Alexander to Stock to Bancroft to Niehoff. Barry took second on the play and was called safe on a close decision. Cady fanned. No runs. One hit. No errors.

The Red Sox were keeping Alexander working hard. He cut off Lewis by taking his time when Barry bounced a hard one at him. It failed to feaze Alexander, and he pulled the forced play nicely.

Philadelphia—Cady walked on four pitched balls. Shore shot them at Cravath's feet. Luderus forced Cravath on a grounder to Barry, unassisted. Luderus out stealing. Cady to Barry. Whitted walked. Niehoff fanned. No runs. No hits. No errors.

Shore did not dispose of the Phillies

TECHNICAL RUNS UP RECORD RUGBY SCORE

Opening Games Decided in Interscholastic Rugby League—Notes and Gossip.

The opening High School Rugby game yesterday resulted as follows:

Senior—
Harbord.....18 Oakwood.....1
Parkdale.....18 Humberside.....7
Technical.....18 Jarvis.....2
Commerce.....18 Riverdale.....1

Junior—
Harbord.....14 Oakwood.....9
Parkdale.....18 Humberside.....1

At the opening of the Technical School's new grounds Technical School swamped Jarvis in the interscholastic Rugby League by 18 to 2, which establishes a new record for the league. The winners showed good line work and all round wood punting.

Line-up: Halves, M. Lock, R. Lock, Harrison; flying wing, Green; quarters, McKenzie, outside, Irwin, Haysaw; middle, Ford, McCammon; inside, Hall, Thacker; scrum-half, Aitken; scrum, Cook, Forsyth.

Referee: Burkart. Umpire: Bert Moore.

Parkdale opened the High School Rugby by season at Trinity campus yesterday by defeating Humberside, 18 to 7.

The game was never in doubt, although Humberside put up a decided resistance. Chulcott's kicking and the work of McCammon's scrum proved the key to the system of defensive attack won for Parkdale.

Parkdale's team: Flying wing, Winton; halves, Chilcott, McRoberts, Farrelly, quarter, Lalonde; outside, Varty and Menard; scrum, O'Connor and Murdoch; inside, Duncan and Walter; scrum-half, Firstbrook, Hanson and McKay.

Referee: Mr. Wren, Riverdale.

Parkdale Juniors also defeated Humberside Juniors by 18 to 1.

Commerce defaulted at Riverdale.

Harbord and Oakwood staged a rattling good senior fixture with Harbord winning 19 to 7. Good line work for Harbord.

Harbord Juniors had to score a try in the last half minute to down Oakwood, 14 to 9.

This was the Phillies' second hit of the game and the crowd went wild. Cravath sacrificed, Alexander to Luderus, Barry reaching second. Luderus out, Barry to Hobby. Paekert advancing to third. Whitted beat out an infield bunt. Paekert scoring. The crowd went wild with delight. Whitted's throw to the key-stone. After having two and three on him, Niehoff went out, Scott to Hobby. One run. Two outs. No errors.

On a dry field, Barry would probably have fielded a sharp Whitted's twirler, which scored Paekert. He could not reach it in time, however, with a ton of ground, when it took a bad bound.

Fifth Innings. Boston—Cady singled to Luderus. Shore singled to centre. It was a nice line over Alex's head. Hooper popped to Scott. Barry to Hobby. Paekert reaching second. Luderus out, Barry to Hobby. Paekert advancing to third. Whitted beat out an infield bunt. Paekert scoring. The crowd went wild with delight. Whitted's throw to the key-stone. After having two and three on him, Niehoff went out, Scott to Hobby. One run. Two outs. No errors.

Philadelphia—Burns fanned. Alexander fanned to Lewis. Stock safe on Shore's sacrifice. Alexander to Luderus. Niehoff out, Niehoff to Bancroft. No runs. One hit. No errors.

Philadelphia—Burns fanned. Alexander fanned to Lewis. Stock safe on Shore's sacrifice. Alexander to Luderus. Niehoff out, Niehoff to Bancroft. No runs. One hit. No errors.

Boston—Speaker fanned. Whitted singled to right. Lewis fanned. Hoblitzel stole second. Gardner popped to Burns. No runs. One hit. No errors.

With Hobby's terrific smash to right, the Red Sox had hit Alexander early once in each inning so far.

Tris Speaker fairly broke his back swinging at one of Alex's offerings in this inning, missing the delight of the crowd.

Philadelphia—Paekert out. Shore to Hobby. Cravath fanned. Paekert out, Barry to Hobby. No runs. No hits. No errors.

This was a busy inning for Shore. Cravath, the Philadelphia slugger, was an victim with a pop fly. The Boston rooters began to pull for some "Tessie" runs at the ball.

Sixth Innings. Boston—Speaker fanned. Whitted singled to right. Lewis fanned. Hoblitzel stole second. Gardner popped to Burns. No runs. One hit. No errors.

With Hobby's terrific smash to right, the Red Sox had hit Alexander early once in each inning so far.

Tris Speaker fairly broke his back swinging at one of Alex's offerings in this inning, missing the delight of the crowd.

Philadelphia—Paekert out. Shore to Hobby. Cravath fanned. Paekert out, Barry to Hobby. No runs. No hits. No errors.

This was a busy inning for Shore. Cravath, the Philadelphia slugger, was an victim with a pop fly. The Boston rooters began to pull for some "Tessie" runs at the ball.

Seventh Innings. Red Sox—Barry singled to left. Cady sacrificed. Alexander to Luderus. Barry on second. Shore fanned. Hooper fanned. Alexander out. Barry to Hobby. Paekert out, Barry to Hobby. No runs. One hit. No errors.

Alexander put over his fifth strike out when he fanned Hooper, nipping the Red Sox's threat to score. Lewis up to this time had twice fallen victim to Alexander's wild scoring. Luderus safe on an infield hot. Bancroft scoring. Whitted up. Luderus safe on a pop fly. Cady to Barry, who ran him down. Barry made a remarkable stop and throw on Bancroft's infield single, which set off the rally in this inning, but could not make it.

Ninth Innings. Boston—Barry fanned. Henricksen batting for Cady. Henricksen safe a first on Luderus' error. Ruth batting for Shore. Ruth out. Luderus unassisted. Henricksen taking second. Hooper fanned. Luderus. No runs. No hits. One error.

KEMERER IS BEST ATHLETE AT U.T.S.

Scores Most Points at Annual Field Day—New Broad Jump Record.

Chilly breezes did not lessen the ardor of the youthful contestants in the University of Toronto Schools games yesterday afternoon at Varsity Stadium, when each event was crowded with competitors, and when rivalry ran high until the championship was finally decided, with J. Kemerer securing 27 points, beating his nearest competitor out by the narrow margin of two points. Friends of the students turned out in fair numbers to cheer on their favorites, and cheerless yells relieved the tension at critical times in the races and helped the runners on to victory.

The performance of the "prep" school boys was particularly good in the jumps, and several records were set by the boys. In the jumps and weight events, Kemerer showed up very well, although he was closely pushed by E. Lindsay for the leadership, as far as points were concerned. To the latter fell the honor of setting a new record, with a leap of 19 feet 6 inches to his credit, and with his rival several inches behind. Kemerer trailed after J. Ridley in the open hop, step and jump event, and again a record was broken, with a mark of 40 feet.

The games started promptly at two o'clock, and were run off in quick order. There was a strong breeze blowing down the street, making the time slower in the runs, but even this did not seem to inconvenience the young athletes a great deal. The track was fairly fast. After training for several weeks, the U.T.S. boys showed good condition, and the new marks made in the jumps are an indication that the performances were fully as good, if not better than in previous years.

The junior events were closely contested, as well as the open contests, with the medals putting up a great fight for the tape in each of their events. Considering the weather conditions, Lindsay's showing in the open hundred was very good. He won handsily in 13 1/2 seconds, and his 220 yards win in 26 seconds was also fair. The distance runs were not quite up to the mark, but the strong wind prevented fast time. The results were:

Running broad jump—J. W. Collins; 2, R. Houston; 3, C. Myers. Distance 15 feet 7 inches (new record).
Hop, step and jump, open—J. W. Collins; 2, C. Myers; 3, L. Howell. Distance 31 feet 2 inches.

RUSSELL BOY WINS BLUE GRASS STAKE

Takes Lexington Feature in Straight Heats—New Record for the Race.

LEXINGTON, Oct. 8.—The Blue Grass stake, the chief event on the card of the Grand Circuit meeting here today, was captured in straight heats by Russell boy, driven by Pop Geers, Altawood being a contender in the first heat and Queen Abessa in the second and third. Russell boy won easily the best and had no difficulty in winning. The time in the first heat was 2:03 1/2, which is a record for the race.

After two heats of the 2:16 pace had been raced, the event went over until tomorrow, Charlie C. winning the opening heat and Peter Worthy the other. Summary:
The Turkey Trot, for three-year-old trotters, three in five, \$3000.

THE ELECTRIC SCOREBOARD.
There will be many Toronto baseball fans present in the reserved sections at Philadelphia when the Boston and Philadelphia teams fight it out for the world's championship. The stay-at-home fans who can't spare the time or pay the fancy prices to see the big series will enjoy themselves at Massey Hall, where a huge electrically-operated scoreboard is installed. Each play in the series at Boston and Philadelphia will be reproduced on the scoreboard at Massey Hall and fan plays will be shown. In fact, from the time the ball is put into play until the last man is out the fans who gather at Massey Hall will be able to follow the movements of the ball and the play. A direct wire from the scene of the battle will connect with Massey Hall in less than ten seconds after a play is made at Boston or Philadelphia, fans at Massey Hall will see the play reproduced on the big board.

AMATEUR BASEBALL

The inter-city championship baseball fixture, postponed from last Saturday, between Kendors of Toronto and 20th Century of Hamilton will be played on the holiday afternoon (Monday) at 3 o'clock at Broadview field. Final arrangements were made over the phone today with the Hamilton team regarding the date. The 20th Century team are bringing down their strongest line up, and promise to put up a stiff battle against the speedy Kendors from the Moose pennant. Mahoney of Toronto and Hennessy of Hamilton will handle the game.

Sporting Notices

Notices of any character relating to future events, where an admission fee is charged, are inserted in the advertising columns at fifteen cents a line display (minimum 10 lines).
Announcements for clubs or other organizations of future events, where no admission fee is charged, may be inserted in this column at two cents a word, with a minimum of fifty cents for each insertion.

Plenty of Officials For Big Dunlop Meet

The following is a list of the officials who will be on hand for the big Dunlop meet Thanksgiving afternoon, next Monday:
Honorary referee—J. Westren.
Referee—G. L. MacKay, J. M. Scott, J. H. Smith.
Starter—Robt. Falconer.
Clerk of the course—W. G. McClelland.
Assistant clerk of the course—W. Mann, J. D. Rea.
Judges—D. F. Boyson, E. Bufum, D. I.

DUNLOP DAY

—FOR—

RED CROSS

Monday October the Eleventh (Thanksgiving) 2 p.m., Exhibition Track

The starting of the 22nd Annual Dunlop Trophy Race will this year be linked up with a general programme of bicycle and motorcycle racing. The entire expenses of this Meet will be borne by the Dunlop Tire & Rubber Goods Co., Limited, thereby allowing all the proceeds to go to the Canadian Red Cross Society.

PROGRAMME

OHRT The big husky Californian who won the Amateur Cycle Championship at Newark a short time ago. He races Spencer in mile, 1/2 mile and (if necessary) 3/4 mile dashes for the virtual championship of the world.

The Toronto boy went to Newark unknown; lost the world's championship to Ohrt by inches and himself equaled two world's records. It is "Art's" home-coming match, and his first appearance in Canada with Ohrt.

SPENCER Champion of Canada.

VERRILL The Toledo Star who created a sensation in Toronto last year. Nicknamed "Krazy Horse" because he rides with an utter abandon; yet all the time it is accompanied with a big smattering of horse sense—the kind that knows where the finishing line is.

Ever since those days in Winnipeg when he rode with a flame of fire behind him and made a 100 mile record, Baribeau has been characterized for grit and can always be depended upon to fight for first place.

BARIBEAU Holder of the 100-mile Canadian record.

DUNLOP TROPHY RACE—22nd Annual. The oldest bicycle Road Race in America. 25 prizes and trophy, team shield and medals and 3 time prizes.

Those who remember the spectacular duels between Miles and Duff two years ago will look forward to a repetition when Miles and Morrison meet to virtually settle the City Championship.

MILES, MORRISON and others.

ALSO A BOYS' BICYCLE RACE FOR YOUNGSTERS UNDER 16. RESERVE AND AUTO TICKETS 50 CENTS, on sale at MOODEY'S, 33 KING ST. WEST GENERAL ADMISSION—25c.

DUNLOP TIRE AND RUBBER GOODS CO., LIMITED

Tickets now on sale at all Grand Trunk ticket offices, Toronto city ofc. ofc., northwest corner King and Yonge streets, phone Main 4209. 56

ST. THOMAS C.I. WINE RUGBY GAME

LONDON, Ont., Oct. 8.—In the first junior C.I.F.U. game of the season in this district, St. Thomas Collegiate swamped the local collegians, 19 to 0, at the annual field day of the London institution, held this afternoon. The locals were outplayed at every stage.
Captain Jack Maynard, who has organized a rugby team among the officers at Niagara camp, telephoned to Dr. Norman Allen of the Citizens' Recruiting League yesterday that he and his team would arrive in the city on Monday from the camp accompanied by the "Kilties" Band of forty pieces. He said he was bringing an exceptionally strong team and that the Argos would have to go some to down the militia. The game at Rosedale on Monday will be the feature sporting event of the day.

Properties For Sale

WHERE the constant sea breeze makes cool summers and warm winters?

WHERE there are no buzzards, nor snakes, nor mosquitoes, nor gnats?

WHERE the flowers bloom 12 months in the year?

WHERE the greatest variety of products can be found?

WHERE the farmer and gardener, whose seasons never end...

WHERE the taxes are so low that the amount is never missed?

WHERE public and private schools and churches of all denominations are plentiful?

WHERE peace, plenty and good-will prevail to such extent that the people sleep with their doors and windows open?

WHERE it is so healthy that people rarely die except from accident or old age?

WHERE something can be planted and harvested every month in the year?

WHERE the climate is so mild that the northern farmer here saves practically all his fuel bills and three-fourths the cost of clothing his family in the north?

WHERE the country is advancing and property values rapidly increasing?

Properties For Sale

WHERE, surrounded by fruits and vegetables, the living is better and less expensive than in the north?

WHERE the water is pure, soft and plentiful?

WHERE ten acres, judiciously planted in fruits, will soon make one independent, all varieties being wonderfully successful and profitable?

WHERE the natives work less and have more to show for what they do than in any country on earth?

WHERE houses, barns and fences can be built for less than half the cost in the north?

WHERE the average temperature is about 50 degrees, varying from 30 in winter to 80 in summer, which is rendered cool by constant sea breeze?

WHERE the average rainfall is 66 inches, and well distributed?

WHERE sunstrokes and heat prostrations are unknown?

WHERE the residents have charming lawns, surrounded by trees and flowers of a semi-tropical climate?

WHERE sufferers with rheumatism, asthma, bronchitis, catarrh, hay fever and throat troubles find relief?

WHERE one can work out of doors in the city, without inconvenience, 25 days out of every 30 days the year round?

WHERE the winter does not consume what the summer produces, and there are markets for all produced?

Chiropractors

ONLY X-RAY in Chiropractors' office in Canada. Chiropractors have recognized the benefit of having their patients' hands and arms photographed by the X-ray, and are sending their patients hundreds of miles to the Palmer School of Chiropractic, Davenport, Iowa, to have their work done. When deciding to take chiropractic spinal adjustments, be sure and have the usual hand palpations verified by the X-ray, thereby removing all doubt as to the condition of your spine. Why not start right where you are? Do not cost any more than the other method? We have installed one of the best X-ray machines made, and to demonstrate to you the benefit of using the X-ray in all cases, I am, for a limited time, going to give this service to my patients at no extra cost. Dr. George W. Dosse, Palmer graduate, president of the Canadian Chiropractors' Association, Ryrie Building, corner Shuter, Ryrie Building, Yonge street, 1st floor, 1st floor, telephone free. Telephone appointment. 67

WHEAT DEPRESSED BY HEAVY SELLING

U. S. Government Forecast of Billion Bushel Crop Down-Ed Prices.

LIVERPOOL BIDS OFF

Short Selling Added to Handicap of Bulls at Chicago.

CHICAGO, Oct. 8.—Heavy selling because of the government forecast of a billion bushel crop resulted in a nearly continuous decline in the price of wheat today. The market closed nervous 3 1-4 to 3 3-4 net lower, with December at \$1.01 7-8 and May at \$1.02 5-8. Corn lost 7-8 to 1 1-4 and oats 1-2 to 3-4. In provisions, the outcome ranged from 2 1-2 decline to a rise of 5c.
