gloss and freshness of youth. Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning grey or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and inju-rious to the hair, the Vigor can only benefit but not harm it. If wanted benefit but not harm it. If wanted merely for a HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, givit g it a rich, glossy lustre, and a grateful perfume. Prepared by Dr. J. C. Ayer & Go., Practical and Analytical Chemis H. L. SPENCER, Medical Warehouse, 20 NELSON STREET ST. JOHN, N. B.

Tassitude, Low Spirits and sinking Ser sation oured at once.

Kianey, Bladder and Urinary Derangement invariably cured. One bottle will convince the most skeptical.

Worms expelled from the system without the least difficulty. Patients suffering from this prevalent disease will see a marked change for the better in their condition after taking one bottle. Worm difficulties are more prevalent than is generally supposed in the young, and they will find the Quaker Bitters a sure remedy. Nervous Difficulties, Neuralgia, &c. speedily relieved. Rheumatism, Swelled Joints and all Scrofular Afflictions removed or greatly relieved by this invaluable medicine.

Bronchitis, Catarrh, Convulsions, and Hysterics cared or much relieved. Difficult Breathing, Pain in the Lungs Side and Chest almost invariably cured by taking a few bottles of the Quaker Bitters.
