The changes in the Congregation and its work during the past year have not been such as to call for special comment. Some have come and others have gone, while a number of our young people entering into full communion with the church, our roll is now 492.

In regard to the old question of our offerings to Missions and the different schemes of the church, we have surprised neither ourselves nor the outside church; still, considering all things, we have done fairly well. Our Anniversary Offering was rather disappointing, but evidently many of our people were not in favor of the movement.

The number of deaths, we are glad to report, is not as large as last year. Among those who passed to their rest were some of our oldest and most respected members; some were just in the springtime of life and two were little children. We sorrow not as those without hope, but look forward to the reunion in the Church above.

We sincerely hope that in every family of the Congregation, use is

made of the Daily Readings, and that all enter into a systematic study of God's word. We would also urge every member during 1897 to daily appear before the throne of grace, that we may be blessed by a higher spiritual life, and that this life may be shown in our labors of love for the advancement of the Master's Kingdom.

MANAGERS' REPORT.

One more year has rolled around, and now it is our duty and privilege to look backward and see what has been done regarding our contributions toward the maintenance of the gospel amongst ourselves. As Managers, whose particular duty it is to look after the temporal affairs of the Congregation, we have sought, though no doubt imperfectly, to perform our work, not simply as secular functionaries, but as followers of Christ, with our own particular duties to perform in His church.

It has been a close year in money matters, and we have been at times rather short of funds, yet there is cause for thankfulness that the congregation is in a position to begin a new year without any of the past year's claims unpaid.

There have been reductions again, in the past year, in some of the larger contributions; and there has been considerable loss through removals from town; but we are pleased to say there have been increases in some cases, and here have been a goodly number of new names added to the contributors' list, yet the gain has not fully counterbalanced the loss. We earnestly press toward the mark where each member and adherent will realize his or her responsibility to the Church of Christ, and give towards its support freely from that point of view.

The balance on hand with which the past year was commenced has been pretty much exhausted, while the expenses have been kept as low as possible, yet so as to avoid penuriousness, which shows that there is need of a slight revival in money matters.

The small square envelopes in which the Weekly Offering is made (and on which contributors are respectfully requested to put amount and date, along with the name, especially amount) are on the table in vestibule of church, where each one may supply himself, or be supplied by speaking to ushers at the door.

Looking to God for His blessing, we hope for a year of true prosperity, more spirituality, and a generous supply of funds for the necessary expenses of the congregation.

Twelfth Annual Report of the Brampton Auxiliary to the W. F. M. S.

The record of our work during the past year is on the whole encouraging. Although the report may not show an increase in membership or contributions, we feel that the individual interest is greater.

Our total membership, including 22 "Scattered Helpers," is 76. The amount of money contributed during the year was \$102.32; and a bale of clothing valued at \$7 was sent to the Northwest Mission Schools. In April we had the pleasure of hearing an instructive paper on "Christian Giving" read by Mrs. Elliott, President of the Orangeville Presbyterial Society. Mrs. Gray, our former President, and Mrs. Grant, Home Secretary, were present at our Annual Thank Offering Meeting in October.

On November the 30th the Rev. Wm. Patterson, of Toronto, delivered an address on "Our Work" under the auspices of the Society.

May each member during the coming year show an increased devotion to the work for which as a society we are banded together.

HANNAH McCLURE, TREAS. FOR 1896.

Eighth Annual Report of McLaren Mission Band.

During the past year the Band has held seven een regular meetings. These meetings have been held on the first and third Fridays of every month, with the exception of the months July and August.

The total membership, including four "Scattered Helpers," was thirty-three, and the average attendance was 18.

The total amount of money contributed during the year was \$26.19; and a box valued at \$13.50 was sent to India.

Financially the Band has done much better than it did last year, and we hope that this fact may serve to encourage each member to more earnest effort during the coming year.

SABBATH SCHOOL REPORT FOR 1896.

The Sabbath School report this year is not characterized by any special item. We are glad to be able to assure the parents, however, that we are trying to teach the children of our church the truths of the Word of God. We trust we have the sympathy of the congregation in our work. In many instances the religious teaching of the children is left wholly to the Sabbath School; hence there is the greater need for God's blessing on our labors, that home neglect may be overcome. Yet the best results can never be obtained apart from the genuine assistance of those who remain at home. We plead with you who send children, whether little or big, to the Sabbath School, to give us your help; pray for your children and for us; instruct them at home in the lessons they study; encourage and direct them in the daily reading of God's Truth; be students of the Bible with the children; come often yourselves to the Sabbath School, and lend us all the aid you can in that branch of the church which helped you in your childhood, and which can bless your children for this life and for all eternity.

The average attendance for the year has exceeded that of the former year by only one. This is practically not a gain, yet it serves to show that the school is not going backward in point of attendance. In the matter of collections we are behind, and we are convinced that the falling off is due to carelessness and not to any other cause. Surely we might very reasonably expect a cent each Sabbath from every scholar, yet there are some who seldom or never have a cent to give. Our average attendance of pupils and teachers is 159; the average offering is \$1 63. Now, at the most modest calculation, we ought to have an average collection of \$2.50, which is 1 cent per scholar, and 5 cents from each teacher. We assure you who send children that we are sadly hampered in our efforts to make our school attractive and as helpful as it ought to be without a fair collection. Papers consume much money, and our library has not been replenished for a long time. We desire to give the children wholesome books and papers—the best is none too good for them—but we cannot do the best work without money. Will you kindly bear in mind this plea for a larger offering, and see that your children come each Sabbath with at least one cent.

Encourage, too, the little ones in their monthly offering for Missions, to make it freely and intelligently. Giving is a grace, and as such needs to be cultivated. The generous Christian is the happiest Christian, and the one most blessed by our Heavenly Father.

We have gained and lost teachers during the year. One of our most enthusiastic teachers is Mr. Bell, who came to the Sabbath School out of love for it, and who has shown in practical ways his interest in our work. The School is a gainer through his coming.

Our annual picnic was held in June to Stanley Park. We are glad to know that the days' outing was so enjoyable. The cost of the picnic this year was much less than that for several years past.

We regret to have to announce the resignation of Mr. James Dick and Mr. James Wilson, our Librarians. In referring to the Library we may report that several volumes have been presented to it by both individuals and classes. Such contributions are welcome from any source.

A new office—or rather, title—has been made; namely, that of Hon. Superintendent; and Mr. Robt. McClure, so long the Superintendent of the School, is the first to assume it. We are glad to have Mr. McClure still associated with us in active work.

All of which is respectfully submitted.

JOHN C. KIRKWOOD, SUPT.

SECRETARY'S REPORT, 1896.

During the past year the history of our Society has been uneventful ; and while we have progressed in some directions, yet we have been at a standstill in others. We have lost a number of members through their removal from the town, but the new members having made up this deficiency, we find ourselves in point of numbers about the same as last year, viz. : with 33 active members.

In the beginning of September it was decided that we should discontinue the study of the C. E. Topics, and take up the study of "Church Government and Doctrine," under the leadership of our pastor. Since the change there has been a marked increase in attendance and interest.

We regret that our Mission Funds are considerably less than they were last year, but trust that during the coming year, more of our members will contribute to this fund, and that every member will take a more active interest in the work that is being done "For Christ and the Church."
