From B. B. Smith, Esq., a prominent Merchant of Bouchette, Kent County, N. B., under date June 8th, 1877:—

Dear Sir, I have suffered for some years past with much from effects of the Liver and Stomach, and have tried many of the best remedies without any effect, whatever until I commenced using ROBINSON'S PROPRIOCEPTED EMULSION. I have now recovered my health, and I can cordially recommend it to all who are afflicted with any of the above complaints, and I feel it my duty to state that I feel it is going to be a perfect cure of me. I still continue it, and I feel that I have lost nothing equal to it. If you will make any use of this for the benefit of yourself and the world at large, you can do so, for I think it should be known.

I remain, yours truly,

(Signed) H. B. SMITH.

**Age of Enlightenment.**

In an age of enlightenment like the present, the value of electricity, and of compounds containing electric principle as remedial agents, is widely appreciated. Foremost among the latter, both as regards the thoroughness and safety of its effects, and the rapidity of its action, is "ROBINSON'S ELECTRIC OIL," a widely-popular external and internal remedy for coughs, colds, sore throats, asthma, croup, and all affections of the breathing organs, and an invaluable outward specific for lame back, soreness and contraction of the muscles, and every kind of neuralgia, sore or burn; a prompt source of relief for all aches and pains, upon which the public can also implicitly depend in cases of rheumatism, neuritis, piles and hemorrhoids, indigestion, inflammatory affections, dysentery, and many other ailments. Its persistent use eradicates the most obstinate of the disorders to which it is adapted. Physicians speak of it in the highest terms. Moreover, horsemen and stock raisers administer it with the greatest success for disease and lumps of horses and cattle. Sold by all medicine dealers. Price, 35 cents. Prepared solely by NORTHROP & LYMAN, Toronto, Ont.

**Can't Franch Good.**

No man can do a good job of work, preach a good sermon, try a law suit, doctor a patient, or write an article which he feels miserable and dull, with sluggish brain and untidy nerves and none should make the attempt, in such they know that they are not easily and cheaply relieved. Such, at last, is the testimony of those who have used it. The remedy is likewise successfully resorted to for throat and lung diseases, sprains, bruises, etc.

**Green's August Flower.**

It is natural for people suffering with Dyspepsia and Liver Complaint or any derangement of the digestive organs, such as Sour Stomach, Sick Headache, Flatulency, Constipation, palpitation of the Heart, Heart Burn, Water-brash, gnawing and burning pains, and all the other ailments of the stomach, tongue, and disagreeable taste in the mouth, coming up of food after eating, loss of appetite, to put off from day to day buying and taking a medicine which they know to be neighbor, friend, or relative, yet they have no faith in it until it is too late. But if you will go to learn that Green's August Flower is as certain as you live. Sample bottles are sent free of charge, and can be obtained for 10 cents to try its superior virtue. Regular size 75 cents. Try it, two doses will relieve any case. For sale by all Druggists.
