The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\longrightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\longrightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

REPORT, 1888-89.

At the annual meeting of the Board, held on the 14th of May, 1889, the following report of the Executive Committee was received and adopted, and the Secretary was instructed to forward a copy of it to each of the Beneficiaries along with the usual financial statements.

INVESTMENTS.—One mortgage for \$4000 was discharged during the year.

Two hundred and nineteen shares of the Merchants' Bank of Canada were sold at an average price of \$134.60 per share, the net proceeds being \$29,478.25.

One new mortgage for \$15,000 was acquired at $5\frac{1}{2}$ per centum per annum.

The invested capital and other assets as shewn in Schedule A, amount to \$235,032.95 cash value—a reduction since this time last year of \$21,763.75. A considerable portion of this draft upon capital was used to pay certain instalments of arrears to ministers as authorized by the Board at a meeting held on the 13th of November last, and fully explained by the chairman in his circular of 31st December, at which time there was paid to each of the non-privileged ministers, or their representatives, the sum of \$125 in addition to the usual payments on account of arrears that had accumulated from December 1883 to December 1885, both inclusive, (during which time only 50 per cent of the claims of said annuitants had been paid). The arrears are consequently now reduced uniformly to 25 per cent per annum since December 1883.

While the Fund may in the future be sufficient to extinguish the arrears, yet in order fully to protect all vested interests, it is not deemed advisable in the meantime to increase the payments to the non-privileged ministers beyond the 75 per cent limit.

CHANGES IN THE ROLL.—Three ministers died during the past year—The Rev Samuel Porter at Barrie, on 30th December, 1888, in the 79th year of his age, and Rev. James Stuart, at Toronto, on the 19th of February last, aged 83. Rev. John Bennett, D.D., of St. Andrew's Church, Almonte, died on the 7th of November, 1888, aged 50 years.
