Address of the Kirk Session.

Brethren,—As your servants in the work of the Lord, and your fellow-laborers, to whom has been committed the oversight of the congregation, we greet you, at the close of another year, with recognition of God's past goodness, rich, though undeserved, and with hopefulness as we look forward on the ever increasing work of our congregation.

That the spiritual life of the Church is far below that which we desire to see manifested in all our lives, we are compelled to confess, and yet we rejoice in evidences, not a few, of a growing devotion on the part of many to the cause of our King, and of a recognition of the privileges of Christian service and sacrifice.

The increasing prosperity of the organizations within the Church, deepening interest in the Sabbath Schools and prayer-meetings, fidelity and earnestness on the part of those leading our service of praise, and the larger liberality of many of our members, are causes for gratitude to God; the response of the congregation to the appeal for help for famine-sufferers in India, a response in which we were all so nobly led by one or two of our members, is worthy of special note; the general character of that offering was one of its most pleasing features.

The development of the Pottersburg Mission into a flourishing congregation, under the earnest labors of Rev. George Gilmore, is a marked feature of Church extension, in which our congregation has had a special share; our branches are multiplying, and still the parent stem grows stronger.

We record, with sorrow, the loss sustained by the Church on earth through the death of our well beloved senior elder, Mr. William Stevely, whose long and unselfish service for the congregation can never be forgotten; that service was to himself a delight and to us a blessing. The Session has further suffered during the year by the loss, for a time, of the services of our efficient Clerk, Mr. C. R. Somerville, whose long illness caused sorrow in the whole congregation; we rejoice with him in the prospect of recovery and of his early return to us.

To all the families of the congregation, into which sorrow and bereavement have come, we offer tenderest sympathy, commending them to the grace of the God of all comfort, whose mercies fail not.

The statistics of the membership of the congregation will appear in an appended statement. We take this opportunity of appealing to Church members for a still more evident and earnest appreciation of the sacraments of the Church; carelessness with regard to the Lord's supper and the sacrament of Baptism can only be a sign of spiritual declension.

At the beginning of a new year we summon you, with ourselves, to prayer. The Spirit of the Lord is not straitened; let us cry for the early and the latter rain, and let us purify ourselves from every uncleanness; God shall yet be enquired of by us. Brethren, pray! "The Church converteth the whole world by blood and prayer."

On behalf of the Session,

JOHN LOCHEAD,
Assistant Clerk.

Report of the Managers.

To the Congregation of St. Andrew's Presbyterian Church :

The Managers beg to submit herewith their forty-seventh Annual Report, together with the Treasurer's Statement duly audited.

With the deepest regret your Managers would record the death of the Chairman of the Improvement Committee, Dr. J. H. Gardiner, a man of kindly heart and sterling integrity. He had served on the Board for many years with marked ability, and was at all times willing to give time and money to help forward any good cause. His death is a decided loss to the community at large, and more especially to Saint Andrew's Congregation.

In February an appeal was made to the congregation on behalf of the sufferers by famine in India. The congregation responded nobly, and the very large sum of \$1,400 was contributed, and at once forwarded to Rev. Dr. Warden, and by him cabled to India to be distributed by the officers of our Church there.

The ordinary revenue for the year shows a very slight increase over that of 1896, as follows :

Contributions by envelope for 1897 were...	\$6,083 13	
Plate Collections for 1897 were.....	832 67	
	\$6,915 80	
Contributions by envelope for 1896 were...	\$5,985 25	
Plate collections for 1896 were.....	821 43	
	\$6,806 68	
Being an increase for 1897 of.....		\$ 109 12

The net expenditure for the year on the Oxford Street and Pottersburg Missions was \$936.38. When these missions were assumed by the congregation, it was shown that a small general increase in contributions would be necessary. Though some have responded, yet the increase has not been general or in proportion to the extra expense.

The ordinary expenses have been kept as low as possible, yet the Managers regret to have to report a small deficit for the year. If all the work in which our congregation is at present engaged is to be carried on successfully, it is absolutely necessary that the contributions should be increased, and if the congregation would but contribute \$10.00 per Sabbath more, the deficit would be changed into a surplus.

During the year many applications for pews have had to be refused owing to the crowded condition of the church. On very few of the pews are there only one name, and on a great many there are three, four, and even five names. This means that all the members of the family cannot come to church at once, and even then the younger members are sent to the gallery; the dividing of the family in this way is a very undesirable feature.

In May last your Managers, seeing that certain repairs were necessary, and believing it unwise to spend money on the church in its present condition, after much deliberation had estimates prepared for a new Sabbath School and some improvements, &c., to the church. Finally, the result of the Managers' efforts were submitted to a special meeting of the congregation; at that meeting a committee was appointed to deal with the whole question and report at the annual meeting.

The estimated expenses for 1898 are as follows: Salaries, \$4,025; interest, \$300; light, water and coal, \$500;

printing, \$250 ; Sabbath Schools, \$400 ; taxes, \$225 ; sundries, \$400 ; Service of Praise, \$400 ; grant to Pottersburg, \$500 ; total, \$7,000

There were sixteen meetings of the Board during the year, the number attended by the several members being :

James Houston, - 16	James McSween, - 16
J. W. McIntosh, - 13.	Alex. Gillan, - 12.
Geo. Laing, - 14.	D. B. Dewar, - 10.
F. G. Rumball, - 6	Alex. Purdom, - 12.
O B. Leslie, - 10.	James Smith, - 12.
Dr. J. H. Gardiner, - 10.	M H. Rowland, - 10

The last six retire but are eligible for re-election A new member will have to be elected in the place of the late Dr Gardiner.

The thanks of the congregation are due to the Flower Committee of the Christian Endeavor Society, the choir, the auditors, and the ushers, for their very valuable services during the year.

All of which is respectfully submitted.

J GORDON MCINTOSH,

Sec -Treas.

Chairman.

Gunn, John Marr and F. W. Merchant, M. A., had been printed and distributed to the meeting.

REPORT OF THE COMMITTEE ON CHURCH IMPROVEMENT.

To the Congregation of St. Andrew's Church :

Your Committee having, in accordance with your instructions, considered carefully the whole matter of church improvement, find that :

1st. The present Sabbath School accommodation is quite inadequate and unsuitable for the number of scholars in attendance and the work carried on, and that a residence for the church officer upon the premises is desirable ; they therefore find that a new school building and a church officer's house are necessary, the probable cost of which will be about \$9,000.

2nd. The floor of the Church is inconvenient. A large part of the gallery, on account of its discomfort, yields very little revenue, and the exits of the church are insufficient ; and that therefore a new inclined floor should replace the present one, the gallery should be improved, and more exits provided from the church, which, with the necessary changes, will cost about \$5,000.

3rd. They therefore recommend that the congregation authorize the raising of \$18,000, to be spent thus :

For new school building and church officer's house, \$9,000 ; for church renovation, \$5,000 ; to pay present congregational indebtedness, \$4,000.

They further recommend that subscriptions be at once secured, and that no work be commenced until an amount sufficient to cover the cost of the Sabbath School building be subscribed ; that the Sabbath School building be the first work undertaken, and that the church improvement be then proceeded with.

Published by order of the Committee.

J. GORDON McINTOSH,

Secretary to the Congregation.

The report was read, and its adoption was moved by Mr. John Ferguson, seconded by Mr. James Mills. Mr. F. W. Merchant, M.A., on behalf of the Committee, spoke supporting the report, he showed by the actual attendance that increased Sabbath School accommodation was absolutely necessary; some changes should be made in the interior of the church. These changes could not be made unless the congregation had a place to worship in. It was intended to finish the Sabbath School before making any alterations in the church; the money for the Sabbath School to be subscribed before the work was started, and the money for the alterations in the church was to be raised, if necessary, by a mortgage on the Sabbath School and manse, the church itself was not to be mortgaged.

After some questions had been asked and answered satisfactorily, the motion was put to the meeting and carried.

The chair was then taken by Mr. Houston.

Moved by Mr. Frank Love, seconded by Mr. G. A. McGillivray, "That the stipend of the Rev. Robert Johnston be increased by the sum of \$500 per annum."

Mr. Johnston thanked the congregation for the kind expression of appreciation, but declined to accept any increase to his stipend at present.

Moved by Mr. A. S. Macgregor, seconded by Mr. G. A. McGillivray, "That the present Committee on Church Improvement appoint collectors for the Building Fund." Carried.

The meeting was closed by singing the Doxology and by a prayer.

Committee in conjunction with the Session.—The Presidents of all the working organizations connected with the church, including the Chairman of the Managing Board and the Organist.

The twenty-seventh annual meeting of this Association was held in the lecture room on Wednesday evening, January 26th, 1898, the Rev. Robt. Johnston, pastor, in the chair. The report for the year 1897 was presented, as follows:

The Missionary Committee, in presenting its 27th annual report, beg to announce that the total amount received, per red envelopes, for the various schemes of the church during the year, was \$2,609 73. This sum includes a special contribution of \$750 00 from the estate of the late Isabella Kent, through Mr. Thos. Kent. The envelope collections during the year were \$1,859 73, showing a gain of \$24.23 over the previous year. This is a step in the right direction. There is still, however, great room for improvement. Your Committee, while expressing their satisfaction with the progress thus shown, thinks that out of a

congregation numbering 821 members there should be more than 320 who contribute to the schemes of the church.

We would remind the contributors that these monthly offerings represent, not merely our subscriptions to *missions*, but to various important objects. The envelopes now furnished bear the names of the different schemes. The proper way, therefore, in deciding what amount we should contribute would be to make up our minds what we can afford to each of these different schemes, and make our total contributions accordingly. If this were done conscientiously during the present year, with a proper estimate of our responsibility in this matter, and a due appreciation of the privilege accorded us as members of Christ's Church, aiding in carrying on, both at home and abroad, the great work entrusted to us, we should have, at the beginning of another year, a greater improvement to record. Let us remember the words of the Master: "Freely ye have received, freely give."

W. B. GILLESPIE,
Secretary.

REPORT.

In submitting the Annual Report of the W. F. M. S. of St. Andrew's Church for the year 1897 we do so with feelings of gratitude, and thankfully raise our Ebenezer and say, "Hitherto the Lord hath helped us." His help has stimulated our faith, brightened our prospects, and encouraged us to more energetic efforts in the future.

Numerically we can report an increase of ten members, from 104 in 1896 to 114 at the close of 1897. Whilst this encourages, it still leaves a wide margin before our hopes are realized—to have every woman in St. Andrew's Church a member of our Society. Our membership fee is only 25 cts. per year; we feel that none need be excluded from joining our Society and helping forward our

good work. We are pleased to report that Mrs. John Morrison has become a life member, and we trust many others will follow her good example.

Financially we can also record advancement. In 1896 we raised \$284 67; this year, \$344.60; increase, \$59 93.

Whilst these signs of increase are very encouraging, we are more cheered by the greater interest manifested by the ladies of our congregation in the mission work of the Presbyterian Church, in its home and foreign departments, and desires for enlarged information as to the work of individual missionaries in the various mission fields. Our meetings throughout the year have been profitable, and the papers read most interesting and instructive. As a means of education they have accomplished great things.

We would specially mention the Thank-offering meeting in October, at which 225 were present. This meeting promoted sociability and friendliness, and was the means of increasing our funds, the offering being \$108.15.

We pray that past successes may be stepping stones to greater achievements in the future.

M. M. ARMSTRONG,
Secretary.

The King's Messengers Foreign Mission Band

OFFICERS FOR 1898.

Honorary President—MRS. J. A. MURRAY.

President—MISS FAIRBAIRN.

First Vice-President—MISS DOUGLAS.

Second Vice-President—MISS MARY PURDOM.

Secretary—MISS MAY FRASER.

Treasurer—MISS NELLIE MORRIS.

Organist—MISS CRAWFORD.

REPORT.

In submitting the eleventh Annual Report of The King's Messengers Foreign Mission Band, we would state that the work has been carried on steadily and quietly along the lines of former years.

We held 11 meetings, with an average attendance of 22. Greatest number present any one meeting, 33; least number present at any one meeting, 12.

We are pleased to be able to report an increase in attendance over last year, 52 names having been entered upon our roll; although some of this number will not be with us in 1898, yet we know that they will still be engaged in the work in other parts of the vineyard.

It also affords us much pleasure to state that our financial standing is better than previous years, as will be seen as we proceed.

Our programme committees arranged the different meetings, and very edifying and interesting have been our talks and readings on the different subjects assigned for special consideration.

Lives of noted men who spent their lives in the cause of missions have also been studied.

In order to secure the more regular attendance of members, we divided the Band into five sections, each

section presided over by different members, who undertook to look after absentees.

We also divided it into two sections with the Vice-Presidents as leaders, with the object in view of creating a wholesome rivalry in our midst as to which side would secure the greater number of new members.

This plan, we are sorry to say, did not meet our expectations.

Rev. Wm. Patterson, of Toronto, lectured on our behalf, March 22nd, on "Our Work and How To Do It," and the proceeds of this lecture amounted to \$16.60.

Mrs. Johnston kindly was present at our April meeting and gave a very edifying talk, taking as her theme the words, "Pass It On," from which many rich lessons were derived.

Our Honorary President, Mrs. Murray, was with us at our May meeting, and gave a Bible reading on "The Winning of Souls." Mrs. Murray also read a letter from Miss Jean Gordon, a former member of our Band, now in the foreign field of India. We were very glad to hear that Miss Gordon was well and that in the near future we may be privileged to welcome her among us again for a much-needed rest.

Our part in providing for the North-west Box this year was to furnish clothing for a boy of six years of age. Materials for this purpose were bought, and a deserving person was given the work of making them over. But do not go away with the idea that we had everything made for us; this labor of love was shared by our own members also, as some well made garments and other comforts testified. Others supplied money for the purchase of necessary articles, and our box was valued at \$27.00.

At our Thank-offering meeting in October we realized \$22.51.

On November 5th Mr. R. A. Little kindly lectured for us on "Socrates in Athens," but a very disagreeable night told sadly on our audience, and consequently on the collection, which amounted to \$6.41.

Total amount collected during the year from all sources, \$112 13.

And now another year with its mysteries awaits us; let us press onward, hoping for still greater things, and may each of us try to weave in with the days of 1898, messages of love and encouragement to those we meet in our daily walks of life; thus showing that not only in name but in deed we are Messengers of the King.

REPORT.

The second annual meeting of this Society was held November 30th, in the North Presbyterian Mission.

Our meetings are semi-monthly, and are held Tuesday afternoon. Forty meetings have been held since the commencement of our Society in 1895. Each monthly meeting is opened with devotional exercises, followed by the business, after which a paper or talk is given with reference to our work. Papers and talks since our last annual meeting have been on the following subjects: "Child-life in China," "China," "School-life at Birtle." Also interesting and instructive stories have been read by the different members.

On the 15th April a lecture was given by Rev. Mr. Gilmore, in aid of the Band. The collection amounted to \$11.50. At our annual Thank-offering meeting held Oct. 9th, the thank-offering, together with collections from mite boxes, amounted to \$4.74. The sewing meetings have also been very pleasant. Just before the Band closed for the months of July and August, the members met at the home of our President. Tea was served on the lawn, and a very enjoyable time spent. The kindness of

our hostess was much appreciated by all. The thanks of the members of the Murray Mission Band are extended to all friends who so kindly and willingly helped at the the "Quilting Bees." The box of goods made this year was valued at \$38 35. Our Band was organized with a membership of 30 ; we now have on the roll 43 names, with an average attendance of about 22 ; and we trust that the number may be largely increased, and that in every department of our work we may go forward and attain to a greater degree of prosperity and blessing the coming year. After the necessary review of the year's work, let us not dwell much on our small share in it, but with increased love to our Master and to one another, put away from among us whatever is unworthy, and speed the day when His will shall be done on earth even as it is done in Heaven

The junior branch of the Band, for the coming year, is to be under the charge of Misses Ethel Gunn and Kate Fraser.

REPORT.

Our Band has held regular semi-monthly meetings throughout the year. A junior department has been formed, which is in the charge of Miss Ethel Gunn and Miss Kate Fraser.

Number on senior roll 44, with an average attendance of 26. Number on junior roll 18, with an average attendance of 14. Total membership, 62.

A programme has been provided for each meeting.

In the early part of the year, alternate meetings were devoted to sewing, and this year the Band provided underclothing for the pupils of the Birtle School. The material was kindly supplied by our President, Mrs. Johnston, and the work was done by the Band. This fall we have been taking up the study of the Mission fields of the New Hebrides, China, India, and the Island of Ceylon, and the study has proved very interesting.

Funds have been raised by the membership fee, the mite boxes, and collections.

Before closing this report we would ask all the girls of the congregation who are free on Saturday afternoons to come and help us in this very important work. When we read the letters of our missionaries which tell of so much suffering and sin, and of the millions who are still living in darkness, we realize that there is the need of the help of all.

The Sabbath School meets every Sabbath afternoon at 3 o'clock, in the Lecture Room.

REPORT OF SUPERINTENDENT FOR 1897.

Per Asst. Superintendent R. A. Little.

It is with the deepest gratitude to our Heavenly Father for his great goodness to us that we record the work of our Sabbath School during the past year. We report with pleasure on the part of the scholars the interest and zeal which they in general show in the work, as well as their uniformly good conduct and obedient behaviour, and on the part of the teachers great devotion and earnestness in

their duties of instruction and training, and unqualified support in all the work of the school.

We regret that at the beginning of the year our dear superintendent, Mr. C. R. Somerville, was compelled through illness to be absent from our midst, but we gratefully record our thankfulness to our Almighty Father for sparing him to be able to be among us again, and the assurance of faith which was given us in answer to our prayers. We still hope and pray that he may be fully restored to health and strength, and long spared to be a leader among us in work for the Master.

We anticipate with pleasure the action of the congregation in providing us with a new Sabbath School. As to the necessity for the same, the time for argument has long since passed, and the call for action is imperative.

The work of the Sabbath School transcends in importance all other departments of Church work. It is in the Sabbath School that the Truth as it is in Christ is implanted in the young heart. From it the membership of the Church is recruited, and through it the world must be evangelized. Scholars and teachers are anxiously waiting to prove by their increased efforts and devotion to this all-important work that the confidence placed in them will not be misplaced, and that whatever sacrifice the congregation makes in behalf of the Sabbath School will be amply justified by results. A call comes up from fifty unselfish devoted workers to the congregation, to provide them only with a place in which to do their work satisfactorily to themselves and to those under their charge, to the honor and glory of Him who hath done so much for us.

Through the kindness of numerous friends, who have generously given special contributions amounting to \$79.25, the library has been increased by the handsome addi-

tion of 147 new books. Friends of the school will recognize the necessity for a good library on learning that an average of about 150 books are taken out each week to be read. The management of our library, under the superintendency of Mr. S. J. Radcliffe and his able assistants, can scarcely be too highly commended.

The secretary of our School, Mr. G. A. Mathewson, and his assistants, though working under great disadvantages owing to lack of proper quarters and facilities for doing their work, have performed their duties in a most praiseworthy manner.

I cannot in words express my deep sense of gratitude to the teachers and all other workers for their generous support and unfailing sympathy amid all my efforts to serve the school. Our united prayer has ever been that the whole school might be united together by the cords of Christ's love, and our prayer has been abundantly answered.

TENTH ANNUAL REPORT.

We are pleased to report that during the past year the North End Sabbath School has gone forward both as regards the attendance and interest shown by teachers and scholars. Many members have left the district, but others have come in to fill their places. Although our school-room is well filled, we feel sure many more could be brought in if someone connected with the school had time to look after strangers coming into the district. Our pastor does all he can in this line when in the neighborhood, for which we feel thankful.

We have at present a full staff of teachers, and at no time in the history of the Mission have they been more faithful in their attendance and devotion to the work as during the past year.

The scholars were treated, as usual, to an excursion and picnic to Springbank during the summer, and an anniversary tea and entertainment in January.

The number of teachers and officers on roll is 16; scholars, 150; total, 166; average attendance, 124; collections, \$82.09; grant to Home and Foreign Missions, \$40.

The girls of the School take a lively interest in the Murray Mission Band, which is under the able supervision of Mrs. (Rev. J. A.) Murray.

We acknowledge with thanks the donation of \$100.00 from Mr Thos. Kent, a bequest from the estate of the late Mrs Kent, which was handed to Mrs. Murray for the use of the school.

Our schoolhouse is in need of considerable repairs, and steps should be taken at once to put it in proper shape.

We pray that our Heavenly Father will own and bless the work done in the North End Mission.

The prayer meeting is held regularly every Tuesday evening, conducted by the Rev. Robt. Johnston, Rev. Geo. Gilmore, Rev. Mr Stewart, and others. Topic cards have been prepared by our pastor, and we expect the attendance will be greatly increased.

You will find attached the list of teachers, and the Treasurer's report.

Our school is still in existence, but, owing to lack of accommodation, not very prosperous. The average attendance for the year was twenty-six.

At a meeting held on June 26th, it was resolved to solicit subscriptions for the erection of a building to hold the School in, as well as service once a Sunday. Some of the officers and teachers were appointed as collectors, but, owing to adverse circumstances, nothing in that line was done.

We have, however, secured a better room for the present, till funds can be raised to build.

Hoping to be able to report better for the coming year, and thanking you for the kindly interest you have taken, also for your valued assistance. We hope to see more of our friends in 1898 than heretofore.

The School will be held in rooms over R. A. Jones' Grocery, on Wharnclyffe Road.

REPORT.

During the past year we have met regularly in the auditorium of the Church, excepting during the months of June, July and August, when the class was discontinued.

Our study during the first part of the year was the Life of St. Paul, and on the re-opening of the class we have been studying Bunyan's Pilgrim's Progress. Both lessons have been exceptionally interesting and profitable. This has been shown by the large attendance, a great many of whom are not registered members. These we gladly welcome to our midst.

Our membership at the close of the year was: Ladies, 132; gentlemen, 48; total, 180; with an average attendance of 176, largest attendance being 230, and the smallest 110.

We are indebted to Mr. Wheeler and those associated with him in the cheerful manner in which they aided in leading the singing.

We invite heartily all those who can join us in our hour of study, believing they shall be greatly benefited.

REPORT.

In presenting this our Eighth Annual Report, we feel that the work of our Society during the past year has not been in vain, and that while we have fallen far short of what we had hoped to do, we have been blessed in our work, and trust we have been a means of helping others.

Sixteen new members have been added during the year, but we regret to say that our membership has not increased, as a number of former members had been removed, several leaving the city.

Our meetings have been held regularly each Monday evening, the second meeting in each month being conducted by our Pastor, which particularly have proved interesting and instructive.

The work of the different Committees has been conducted as usual. The members of the Visiting Committee have visited sick members of the congregation, and when possible taken them flowers. They have also visited the Home for Incurables, hospital and jail, and carried good literature and flowers.

Two or three socials have been held during the year for the purpose of becoming acquainted with new members and strangers in the congregation. The Social Committee have at all times endeavored to make strangers feel at home

in our meetings, and to welcome those with whom they came in contact in the congregation.

The Good Literature Committee this year have again collected literature and sent it to Mr. R. McDermid while stationed in Rainy River District, during the summer.

The Missionary Committee have collected \$47.00, which we have forwarded to Knox College Students' Missionary Society. We have a particular interest in this Association, as some of the students were formerly members of our Society.

We close our report with an earnest invitation to all the young people of the congregation to become co-workers with us, and the older members are cordially invited to meet with us at any and all times, and we would feel encouraged by the sympathy expressed by their presence.

We trust that God will give us each a desire to do greater work this coming year, and abundantly bless our efforts.

REPORT.

The work of this Committee is of such a nature that it cannot be shown upon paper, but we trust that it has been no less useful on that account, and that our labors have aided the Pastor, by reporting to him cases of sickness, the removal of families, and the incoming of new.

We have endeavored to bring comfort to lonely and sorrowing hearts, and to extend to strangers a cordial welcome. The Society has, as in the past, disbursed the money contributed for the relief of the poor, and we take this opportunity of thanking the congregation for continued liberality.

By the removal of Mrs Richmond from the city the Society has lost a useful member and an efficient officer.

Commonplace and feeble our work may seem, but we believe it has all been done from love to God and our fellow man, and that we may truly say of each member, "She hath done what she could." In future this Committee will be known as the Pastor's Aid Society, and we hope it will be true to its new name.

REPORT.

Our Society met for the first time this year on Friday, Oct. 1, and has held fortnightly meetings regularly ever since.

We stood as a society for the cultivation of literary and scientific pursuits, for practice in public speaking, and in the management of affairs. We aim also to encourage a spirit of fellowship and good-will, hoping that this will redound to the best interests—both social and religious—of our Church in the future.

The present year saw the inauguration of a new enterprise by the Society in the shape of a fortnightly paper fitly called "The Parrot." Since its inception it has been ably conducted by the editors, and has proved a great source of profit and pleasure to the members.

Our meetings are very well attended ; our programmes, consisting of debates, discussions, the reading of papers, and musical selections have proved varied and interesting.

All of which is respectfully submitted.

WALTER E. GUNN, *Secretary.*

The Choir.

REPORT.

In submitting our annual report would say that the progress made has been very gratifying. We have added to our numbers, the attendance has been good, and there has been interest taken in our work.

Our Jubilee Service of Praise, given May 28th, in which we were assisted by Miss Nellie Campbell, of Winnipeg, and Mr. G. N. Crooker, of Woodstock, was, we consider, a success, a pleasing feature of the evening being the Jubilee address of Mr. R. A. Little, B. A. The large collection taken was handed to the Managers. We also held another Service of Praise Thanksgiving evening, which, owing to the very inclement weather, was not largely attended.

In a large congregation it is sometimes hard to locate good voices. I would esteem it a favor to be advised of any who would be willing to assist, as vacancies frequently occur through sickness and other causes.

Regarding the new Hymnal, we trust the Congregation will heartily join us in our endeavors to make it a success.

Faithfully yours,

CHARLES E. WHEELER,

Organist.

Ushers' Annual Report, 1897.

REPORT.

In presenting our Third Annual Report the ushers of St. Andrew's Church desire to return our thanks to the pew holders for the kindness and courtesy shown to us during the past year. It has been our constant aim to welcome and find suitable seating accommodation for strangers, with as little inconvenience as possible to our own congregation, and much difficulty would be obviated if the members and adherents would endeavor to be present a few minutes before the appointed hour of service, thus leaving the vacant seats at the disposal of the ushers, as owing to the crowded condition of the church, we experience great difficulty in seating all the strangers who are desirous of attending the services.

It is with regret we record an accident which has befallen one of our number, Mr. A. G. Fraser, which for five months has rendered him incapable of performing the duties of usher, but we trust he will soon be able to assume his old position. In the meantime his place has been very acceptably filled by Mr. John Harvey.

A change in the ushering of the gallery has been rendered necessary, and four new ushers have been added, who have done much towards increasing the efficiency of the staff.

Signed on behalf of the ushers,

O. B. LESLIE,
Chairman.
