NOT HOPEFUL AS MEETING RESUMED

Peace Conference Reassembled in Dublin Today.

Shooting and Other Disorder Made Last Night a Noisy One in the Capital—More Deaths in Belfast—British Soldiers on Free State Soil.

(Canadian Press Cable.)
Dublin, April 20.—Little hope for any results in the direction of peace was expressed on the resumption of the peace conference between the Free State and Republicans, although Lord Dufferin and Archbishop Byrne exerted themselves to the utmost to bring about an understanding. The lord mayor yesterday said that, should the meeting all, an early combination of the forces of capital and labor might be looked for in an effort to end disorder.
Eamon De Valera is credited in some quarters with the intention to propose to the leaders of the rival sections of Irish republicanism—Richard Mulcahy, for the Free State, and Rory Conroy for the Republicans—be called to share in the discussions. One of the main stumbling blocks for the conference is the apparent irreconcilability regarding the holding of elections in the existing parliamentary register.
In Belfast.

Belfast, April 20.—Sniping was renewed this morning in the Short Strand, the scene of last night's fierce riot. Two wounded were taken to hospital. Mary Mahon, who was shot yesterday, died today, bringing the death toll since yesterday to eight, of whom four were killed in last night's disorders. There was some shooting this morning at Calington road, and Northumberland street. Police Sergeant Brin, who was wounded on Thursday, died this morning.
De Valera's Newspaper.

Dublin, April 20.—In a special supplement devoted to commemorate the Easter week rebellion, the Republic of Ireland, Eamon De Valera's newspaper, attacks the provisional government for giving assistance in the shape of red cars to the British government. It says it would be foolish to expect much from today's peace conference. Commenting on the Sligo affair of Sunday, the paper declared that Michael Collins "by marvelous luck secured a wonderful rebel attack on himself and asked the story of his cool heroism over the globe as a reputation as a republican hero of the war."
As to the seizure of the Four Courts during the paper says it gives Home Minister Duggan an opportunity to make good his pledge to uphold the republican cause. A special supplement containing the portraits of seven signatories of the Republican proclamation in 1916, all of whom were executed.
BRITISH TROOPS IN FREE STATE TERRITORY.

Belfast, April 20.—Strong detachments of British forces from the Ebrington barracks in County Down, with armored cars, crossed the border into Free State territory yesterday.
The movement evidently was made under the terms of the Irish treaty by which the Lough Swilly and the Loughs under British care, and the maintenance of detachments along the shores of the Lough authorized. Armed patrols were sent along the roads to insure the passage of the artillery.
It is thought the movement was made this time in anticipation of Republican plans to occupy the fort.
Dublin, April 20.—Last night was the worst Dublin has experienced since Easter, so far as noise is concerned. The residents were kept awake by continuous rifle and machine gun fire, and the noise of military lorries rushing to the relief of places attacked, but thus far no one casualty has been reported.
Several buildings occupied by the provisional government, and guarded by official troops, were attacked, according to the last editions of the morning newspapers.
The headquarters of the provisional government in the College of Science was attacked from front and rear, but despite terrific firing, entry was not effected. The city hall and telephone office also were heavily attacked.
According to reports from an independent source, midnight had scarcely passed when heavy volleys of revolver shots were heard from Quay and Connelly streets, while opposing parties exchanged dozens of shots up and down the middle of Abbey street. Firing was also observed from the old general post office at Connelly street and Parnell square. Occasionally the short sharp racking of revolvers and automatics was almost silenced by the heavier reports of rifles and later, when armored cars belonging to the regulars appeared, there was the quick discharge of machine guns.
At about 12:30 o'clock there was a comparative lull in the battle, but two or three minutes later several rapid volleys were heard in the vicinity of O'Connell bridge. The uproar soon subsided and except for an occasional revolver shot, quiet was restored there soon after one o'clock.
Meanwhile similar firing of considerable intensity, accompanied by bomb explosions, was heard in other parts of the city, especially in the neighborhood of Kings Inn, garrisoned by troops acting under the authority of the general headquarters of the Irish Republican army, it is not known whether the building was attacked. Regular forces patrolling rafton street were fired upon from a number of houses in Bridewell Lane. A statement from official sources says that Brigadier Gen. Slattery and a party of men in uniform were fired on at about 11:30 last night. Later another party of men conveyed a priest to the hospital in a motor car, escorting him in an armored automobile, because of the dangerous condition of one of the victims.

Many Children Buried In Church Ruins And Soldiers In Barracks

Salonika Reports Tremendous Explosion of War Material With Hundreds of Lives Lost.

(Canadian Press Cable.)
Athens, April 20.—Advices from Salonika today report great loss of life as a result of an explosion of war material stored 200 metres from the Salonika railway station. Hundreds of children were buried in the ruins of a church on which shells fell, and it was believed 1,800 soldiers were buried in the ruins of their barracks which were demolished.

MILLIONAIRE AND ARCHITECT IN LIQUOR CASE

Kalamazoo, Mich., April 20.—John J. Dodge, Detroit millionaire, and Rex Carl, an architect of this city, were convicted yesterday on a charge of illegally possessing, transporting and furnishing liquor. Attorneys for the defendants gave notice of appeal and Judge Weimer withheld sentence.

CAUSE OF FIRE IN MONTREAL CHURCH

Montreal, April 20.—Enquiry into the cause of the fire which destroyed the Church of the Sacred Heart with property loss of \$800,000, of which only about \$200,000 was covered by insurance, was concluded yesterday. Decision was reached that the fire was caused through a short circuit in a silk extension cord, hung inside the organ and attached to a lamp for inspection purposes. It was shown that this cord was always charged with electricity.

PINE HILL DEGREES

Halifax, N. S., April 20.—The degree of D. D. was conferred on Rev. John Murray of Sydney and Rev. G. E. Ross of Montreal, at the annual convocation of Pine Hill Presbyterian College last night.
There were eight graduates to the ministry: J. S. Bonnell and A. Gillis, Charlottetown; J. P. C. Fraser, Sydney; G. K. King, who will locate in Matapedia; P. C. Lewis, Colchester County; Geo. Murray, River John; C. F. MacLellan, Dartmouth, and R. A. Patterson, Richibucto, N. B.
The degree of bachelor of divinity was conferred on Rev. David Fraser Marshall.

MONTREAL STOCK EXCHANGE.

Montreal, April 20.—(10:30)—For the first time in several days the local exchange was comparatively inactive during the first half hour of trading today and the slackening of trade that was evident during the latter part of yesterday seemed to have taken hold of the market. Atlantic Sugar, whose weakness attracted considerable attention yesterday, sold as low as 22 1/2 this morning after closing at 23 7/8. With the exception of Spanish River, which advanced a point and a half to 22 1/2, the leaders were unchanged.

Fredericton Girls Win.

The St. John senior girls were defeated in Fredericton last evening by the Fredericton Y. M. C. A. senior girls team in a keenly contested basketball match, the score ending eight to three.

Alberta Bars Arbutuck.

Calgary, April 20.—Roscoe Arbutuck, films are banned in Alberta and no release of them is anticipated by Howard Douglas, chief censor for Alberta.

ANTI-CHRISTIAN MOVEMENT SPREADS IN CHINA

Amoy, China, April 20.—An anti-Christian movement, said to have started with the formation of twenty such organizations in Peking University is spreading rapidly over China, according to reports reaching here. Christian leaders and the consular authorities express alarm. It is reported backed by communist agitators.

As Hiram Sees It

"Hiram," said the Times reporter to Mr. Hiram Hornbeam, "have you any Bolshevik tendencies?"
"Not to my knowledge," said the reporter, "but it is said the tribe is increasing in St. John, and I wondered what the symptoms?"
"Hate is one of them," said the reporter. "If you want to do something now that could be postponed in St. John, you are a suspect. Any disposition to get an article at a lower price is another symptom. Anything that is not safe and sane is a sure sign."
"Who's to be the judge?" queried Hiram.
"Any man who disagrees," said the reporter. "He must be right and you must be wrong."
"Good Lord!" said Hiram.
"Amen!" said the reporter.

TWO SUFFER HEAVY LOSSES BY FIRES

Burton Farm House and Bantol Mill Burned—The Lumber Drives.

(Special to Times.)
Fredericton, April 20.—Clarence Martin, who purchased a farm and dwelling in Burton formerly occupied by Kenneth Chestnut, now of this city, met with a heavy loss on Tuesday, when his house with contents was totally destroyed by fire. A subscription list for him has been opened in Sunbury county.
Ald. Harold M. Young of this city met with a heavy loss on Tuesday night when fire destroyed the rotary sawmill which he had operated for several years at Bantol on the Transcontinental between McCreary and Chipman. The loss is estimated at about \$15,000. The mill was about to start.

The Nashwaak River has risen about one foot and has made driving prospects much better. In the St. John the water now is at its highest, about eleven feet above summer level. The corporation drive is reported at Andover and the drift drive at Gagetown. No logs yet appeared in the booms of the St. John Log Driving Company.
The drive of the River Valley Lumber Co. of Oranoc is out on Long's Creek. On other waters driving is difficult.

STORM HITS TORONTO

Toronto, April 20.—Sweeping down from the northwest, a windstorm of high velocity, accompanied by rain and snow, lifted the roof from the building of the Chick Construction Co., yesterday. The roof of the single story concrete building was hurled across the road and wrecked about 8,000 feet of telephone cables.
All power lines between Windsor and Amherstburg were wrecked by the storm. Additional damage was caused by uprooted trees and broken telegraph poles. The thermometer dropped thirty degrees in thirty minutes, from 6 to 30 below and 4.50 p. m.

MINERS BEGIN TO DRAW ON SAVINGS

Hazleton, Pa., April 20.—The first drain on reserve funds by the idle anthracite mine workers since the suspension began nearly three weeks ago, was noted today by local leaders and bankers who said that some notices for the withdrawal of money from savings accounts had been received. The cash is not being taken out in large amounts, but in sufficient sums to meet current needs.

TINY DIPHTHERIA PATIENT SWALLOWS TUBE AND CHOKES

Montreal, April 20.—Swallowing a silver tube, which had been placed in her throat by doctors to aid her breathing in case of diphtheria, three year old Charlotte Filion choked to death.

WOMEN VOTERS CONVENTION

Baltimore, April 20.—Responding to the call of the national league of women voters, women from all parts of America assembled here today in conference on education, child welfare, women in industry, problems of traffic in women, civil and political status of women and international friendships.

NAVAL BILL PASSED.

Washington, April 20.—The house yesterday adopted finally the naval appropriation bill amendment providing an enlisted personnel of 86,000 men. The bill, carrying \$251,000,000 or \$18,000,000 more than its original total, was then passed.

WATCHMEN GUARD CELLAR STOCKS IN TORONTO HOMES

Toronto, April 20.—It became known yesterday that Toronto has a cellar police force. Two men accused of stealing seventeen cases of Scotch whiskey from an uptown residence were captured by a member of the cellar guard before the liquor got any further than the lawn. The officer, Charles Milligan, says he is employed to watch twelve cellars and that there are quite a few men similarly occupied in Toronto.

GENERAL BIGGAR LEFT AN ESTATE OF SOME \$38,000

Ottawa, April 20.—An estate of \$27,502, and in addition \$10,084 life insurance which is payable to his wife, has been left by the late James Lyons Biggar, quartermaster-general of the militia department, who died on February 18. The personal estate amounts to \$24,922 and the real estate to \$3,000. Mrs. Biggar and three children are the beneficiaries.

SO THAT SON WILL BE BORN ON HUNGARIAN SOIL

Budapest, April 20.—The desire of former Emperor Franz of Austria Hungary, in exile on the Island of Madeira, that her coming child be born on Hungarian soil, is to be fulfilled. Count Hunyady made a trip from Madeira to Hungary some weeks ago says the Hungarian Telegraph Agency, and took back with him two cases of Hungarian soil. This will be spread on the floor of Zita's room.

LONGSHOREMEN IN MONTREAL TO REFUSE CUT

ULTIMATUM TO GERMAN DELEGATES

Disown Treaty or be Barred from Russian Question Discussion.

France Takes Strong Stand in the Matter—President Holds That Concessions to Huns Have Been Wrongly Regarded—Enforce Versailles Treaty.

(Canadian Press Cable.)
Genoa, April 20.—The German delegation at noon had made no reply to Lloyd George's ultimatum that they either withdraw the Russo-German treaty or accept the penalty of disbarment from the conference's discussions of the Russian question. The Germans are divided on the issue, and no reply is expected from them tonight.
The Germans were in session until late last night endeavoring to find a formula whereby to compromise with the Entente leaders without scrapping the Russian treaty.
Meanwhile the Russians have completed their examination of the plan for the reconstruction of their country prepared by the allied experts, and M. Litvinoff has declared they are ready to appear before the political sub-commission conference at any time they are called.
Paris, April 20.—Instructions by Premier Poincaré to the French ambassadors in the capitals of the allies are to insist that energetic measures must be taken and penalties applied to Germany if the Russo-German treaty is not abrogated, regardless of what the Genoa conference may decide.
The French premier's position is that there can be no more hesitation in the execution of the treaty of Versailles, and that, unless its execution is insisted upon now with evidence of determination on the part of the allies, the Versailles pact might as well be abandoned altogether. He holds that none of the concessions made to Germany has led in any respect to conciliation, but rather that they have been taken by Germany as evidence of the weakness of the allies, and as encouragement for further resistance.

FRENCH PROS MAY INVADE AMERICAN LINKS THIS YEAR

It is now considered more than likely that the three British pairs of golfers that are coming to America this year will be supplemented by two of the leading French pros. Word received from the other side is to the effect that Arnaud Massy of the Nivelle Golf Club, St. Jean de Luz, who won the British open championship in 1907, and Aubrey Boomer of St. Cloud, the French open champion, are now considering an offer made them to tour the states this summer, and it is said both of them will probably accept. It was further learned that efforts were now being made to have J. H. Taylor and Sandy Herd shift their sailing date in order to bring them in time to play in the national open championship at Skokie, Chicago, in July.

Anniversary Celebration ANNOUNCEMENT. Our Anniversary Celebration Begins Saturday, 22nd, Ends Saturday, 29th. Another birthday gives us the opportunity of thanking our many customers for such a successful year's business in spite of the general unsettled condition of trade. We purpose showing our appreciation in a substantial way by offering you the very newest spring merchandise you need for yourself, for every member of your family and for your home at considerably less than it would ordinarily cost. This will take the form of a "Seven Day Anniversary Celebration" to commence on Saturday next, the 22nd, and ending Saturday the 29th. It is our 38rd April in business. We have made great preparation for this event, securing excellent lines from manufacturers that we know will be well worth your while looking into. Further details will be found in tomorrow's papers. Yours very truly, LONDON HOUSE F. W. Daniel & Co.

A LITTLE MORE SLEEP

A LITTLE MORE SLUMBER

Mayor Schofield pleads for two years in which to make up his mind. He has already had two years, for when he assumed office it was known that hydro development at Musquash was under way, and in November 1920, he was made a tentative offer by the hydro-electric commission.

AN EXAMPLE FOR ST. JOHN.

The citizens of St. John will find food for thought in the following Associated Press despatch from Detroit:— "By a vote of more than four to one the city administration was authorized today to purchase the urban lines of the Detroit United Railway, which are to be consolidated with the present municipally-owned street railway system.

IN THE LAST DITCH.

If Mayor Schofield could present sound arguments in favor of handing over the Musquash current to the New Brunswick Power Company for distribution he would not have to stoop to make a personal attack upon Mr. Herbert Phillips, who only a few weeks ago was regarded by his worship as quite competent to be a member of the committee of engineers whose report clinched the case for civic distribution and left the mayor high and dry.

It is to be regretted that a gentleman occupying the position of mayor should not keep closer to the facts. When he says that Moncton only wants 2,000,000 kilowatt hours and that the transmission line to Moncton will be "possibly an \$800,000 line," and that the hydro-electric commission has practically no market outside of St. John, he is making statements that are grossly incorrect.

Any citizen who reads the mayor's letter in the Globe or the interview in the Standard has no difficulty in discovering the fact that this safe and sane business man is really all at sea, and is clearly conscious of only two facts—that he must fight for distribution through the New Brunswick Power Company, and that he must impute motives to those who dare to disagree.

WILL HE ANSWER?

The Times challenges Mayor Schofield to confirm or repudiate in plain words the Globe interview. That interview led the Globe to say that all the candidates were now for civic distribution and it was only a choice between men. Later the mayor said— "I'm in favor of civic distribution if it will save the city money—but I have not yet been shown as a business man that it will."

Bitter personal attacks upon Mr. McLellan reveal the weakness of the case of his opponents. They will do his cause no injury.

REST.

His mother was a prince's child, His sire a crowned king; There lacked not to his wishes wild What the broad earth could bring.

For him the glorious music rolled, Of singers silent long; The Roman and the Grecian told Their wars of Right and Wrong; For him Philosophy unveiled Athenian Plato's lore; Might these not serve instead a life? Not these!—he hinged for more.

He loved—the trust, the sweetest life That ever lover pressed; The quelling mouth of all the South Long love for him confessed. Round him his children's joyousness Rang merry and shrill; Thrice happy! save that happiness Lacked something—something still.

It came the studded sceptic lay An unregarded thing; Velvets and gold did bravely hold The body of the king. What strange that Love, and Lore, and Sway Looked ever on before, And those pale, quiet lips of clay Asked nothing—nothing more! —Edwin Arnold.

LIGHTER VEIN.

Certainly. (From Wayside Tales.) "A man should love—" "Yes, go on—" "A man should love his wife even if she does get fat, for he promises to love her through thick and thin."

Lack of Detail.

"While I was in Tunilville yesterday," related Gap Johnson of Rumpus Ridge, Arkansas, "a mob came 'rarin' around a corner hauling a gent with a rope around his neck and flung the end of it over a limb within forty feet of me."

"Did they hang him?" interestedly asked an acquaintance. "Doggred, if I know! You see, just then a feller bantered me for a boss swap and drug me off to look at his nag and I didn't learn how the anecdote came out."

"What had the gent done?" "Well, I heard somebody say that he'd either been scolded some dry licker to the mob or else he'd refused to do so; I forgot to ask which."

His Excuse.

"What do you mean by going out to get your hair cut in the firm's time?" demanded the factory foreman of a machine-hand. The bland reply was: "Well, 'air grows in firm's time, don't it?"

LOCAL NEWS

The annual Easter meeting of the Carleton Methodist W. M. S. was held last night with Mrs. I. O. Beattie presiding. The following took part in a special programme—F. J. Painter, Wm. Alfred Shippey, Miss Madeline Ervine, Miss Phyllis Watters, Mrs. Murray Long, Rev. Jacob Heaney and others.

The Boy Scouts of the valley district presented a very successful programme last night in St. Paul's church in aid of the St. John district Scouts Association. The programme included pieces by the following—Knox troop, Clarence Taylor, Scoutmaster Lawson, Leslie Rowley, Scoutmaster Hamma, Scoutmaster C. Timberley, little Miss Ross and St. Paul's troop.

The executive of the Chataqua guarantee met yesterday at the Y. W. C. cafeteria. The date for the commencement of the sale of tickets was decided on. It was decided to approach the provincial government in regard to exemption from the payment of amusement tax on the grounds that Chataqua was educational. Rev. A. L. Tedford presided.

A special meeting of St. George's Society was held yesterday afternoon. Committees reported on arrangements for the celebration of St. George's Day. The annual session will be at the Mission church, Paradise Row, on Sunday evening, June 17. Sermon will be preached by Rev. J. V. Young, the chaplain. The dinner will be at the Union club. Guests will be his Honor the Lieutenant Governor, the president of St. Andrew's Society, the United States consul, Colonel Ogilvie, his worship the mayor and a representative of the Sons of England.

A great deal of interest was shown yesterday afternoon in the exhibition of quilts made by the mothers' meetings of St. Paul's church. About forty of these quilts were on exhibition and were closely examined by all those attending the exhibition. The sale was held in the church yesterday, the proceeds to go towards the Russian famine relief fund and the Local Council of Women's milk fund. Those in charge were Mrs. F. E. Hanington, Mrs. J. M. Magee, K. Schofield, Mrs. H. A. Crowfoot, Mrs. Warlock and Mrs. William Sargson.

An enjoyable musical and dance was held last night in the Orange Hall by the St. David's Old Country club. The committee in charge included D. McCann, Mrs. A. McKay, Mrs. J. S. MacDonald, Mrs. A. Cameron, Mrs. H. Gibson, Mrs. G. Robbie, and Miss A. MacKenzie. The following took part in the programme—Miss J. Aird, Miss MacLaughlin, Miss Annie Aird, Jack Pett, Miss Flora MacDonald, Mr. MacDonald, Miss Rickett and Miss Smith.

A serious collision took place last night at Haymarket Square between a wagon and a street car. Mrs. Leo Kerr and her little daughter, of Willow Brook, were driving into town, when their horse took fright and dashed along the square. A car came down Prince Edward street and the square was struck by the horse and wagon. The horse got loose and was caught at the top of the hill. Mr. Kerr and the little girl were thrown from the wagon, but were not seriously hurt. Walter Tamlyn, who was standing near, was struck on the back and leg, but was able to walk away. Dominic Doncett seeking to get out of the way, made for the sidewalk in front of Mowatt's Drug Store. The wagon was thrown in such a way that it struck him, knocking him down. He was not badly injured.

IF NOT SCHOFIELD—WHO?

Schofield says: "Mr. Taxpayer, don't saddle the city with greater financial burden until you're sure of beneficial results." 4-20

"My suggestion as to power distribution would mean a saving in your light bills immediately." 4-20

"I have no intention of being stamped into pre-election promises which cannot at the moment be carried out by any candidate." 4-20

The idea of civic distribution will most unquestionably hang a rope around the taxpayers' neck for 30 years at least. 4-20

It will take a year and a half to work out civic distribution with a duplicate system, with no difference in price in the meantime. Why not follow out my scheme for two years and save money? 4-20

I will make no promise to get votes. Civic distribution means an initial expenditure of more than a million—the taxpayer will have to face the music. 4-20

Vote and bring a voter with you on Monday. 4-20

See Schofield's advertisement on page 2. 4-20

MOVING PICTURES

To the Editor of The Times: Sir:—Will you please note in your paper, how very plainly the Imperial, with a long line outside, even at first afternoon showings of "The Bonnie Brier Bush," and "The Little Minister," of the kind of pictures the general public appreciate. Clean, pure shows will always draw crowds, and even the children's stories and fairy tale pictures draw as well. I have always noticed the theatres filled to see any of this kind of picture; do let us have more of them. Yours, A "KING'S DAUGHTER"

SANDY CORBET'S PLATFORM Civic Control of Hydro. St. John has been suffering for a long time from corruption. There was discovered a cure for this disease. The patient (St. John) called in an expert (Phillips) on this cure. He decided that if the cure were properly applied, the disease would disappear, and the patient would grow vigorous.

All was ready for the cure, when another expert (Ross) appeared to diagnose the case. He declared that while cure was correct in theory, the application was wrong, as there was not enough power to effect the desired result. There was just enough power to help the disease. He concluded if this cure were applied to the disease by the disease itself—ah, then! and only then, would wonderful results be accomplished. Since April 10 it has been discovered that the cure now contains enough power (15,000,000 K. W. H.), and the patient is calling loudly for it.

As one might say, the stock of water has visibly increased some 10,000,000 K. W. H. almost overnight. This sudden increase of water reminds one "in good old days" when the patient was sick, and the disease had a strong hold, when water rose to 2,000,000 worth of power. But, then—What's a few million between friends?—Adv't.

Thoughts for the Electors!

When Commissioner Bullock assumed charge the Harbor Department was in debt \$24,305.00 and had always shown a loss. The deficit was wiped out and in 1920 a surplus of \$18,212.18 was made, after providing for increased interest charges of \$24,000.00 per year. The revenue for present year is in advance of last year. The first four months will show an increase of about \$10,000. A good man at the helm, you will say.

RECENT WEDDINGS

McMaster-Yerxa.
Fredericton, April 18—(Special)—Miss Gladys Yerxa, daughter of Mrs. Randolph Yerxa, of this city, and Austin McMaster, of Fairville, were married at the Methodist church here this evening, the pastor, Rev. G. M. Young, performing the ceremony. The young couple was unattended. A considerable number of relatives and friends were present. The bride and groom left by the C. P. R. tonight for Fairville, where they will reside. The groom, who served overseas, was with the D.S.C.R. in Fredericton for some time. He was appointed postmaster of Fairville upon leaving the D.S.C.R.

Lowry-Wilkins.
At the residence of the officiating minister, 88 Duke street, last evening, at 6:30, Miss Myrtle B. Wilkins, of Moncton, was united in marriage to William A. Lowry, also of Moncton, by Rev. F. S. Dowling. The bride and groom will make their home in Moncton.

Early-Wallace.
The marriage of Patrick Joseph Early, of Swift Current, (Sask.), to Miss Catherine J. Wallace, of Kilmartin, Dumfriesshire, Scotland, was solemnized last evening at 7:30 o'clock at the residence of the officiating minister, Rev. F. S. Dowling, 88 Duke street. The bride had just arrived in St. John as a passenger on the Empress of Britain and the groom, who is a native of Great Britain, had come from the west to meet her. They will leave later for Swift Current where they will take up their residence and where Mr. Early is a successful merchant.

Lawson-Beveridge.
At the home of Mr. and Mrs. Benjamin Beveridge, in Andover, yesterday, Rev. W. H. Halgh, of Hartland, united in marriage Miss Kathleen Beveridge and William Lawson, of Fredericton. Miss Hazel Flewelling, of St. John, played the wedding march. Among the guests were Mrs. T. B. Bedell and Miss Phyllis Bedell, of St. John.

Ross-Hannagan.
Miss Mary Frances Hannagan, of Moncton, and Neil J. Ross, of Buctouche, were united in marriage yesterday in Moncton by Rev. Father Carroll.

RECENT DEATHS

James Roper.
The death of James Roper occurred yesterday at his residence, Walton's Lake, Kings county. Mr. Roper was a highly respected resident of Walton's Lake, where he has been a life-long worker. He was a staunch Liberal and always took an interest in the affairs of his party. He was seventy-eight years of age. He is survived by three sons, John and William, of Walton's Lake, and Thomas, of the staff of the East St. John County Hospital here; two daughters, Mrs. S. Hatfield, of Head's Point, Kings county, and Miss Mary, at home; also one brother, Thomas Roper, of Gardner (Me.), and one sister, Mrs. Mary Gibbons, of this city. The funeral will be held from his late residence on Friday morning at 9 o'clock to St. Bridget's church, Chapel Grove, for requiem mass. The interment will take place in the Chapel Grove cemetery.

Phillip S. G. Horne.
After a brief illness the death of Phillip Stanley George Horne occurred yesterday, April 18, 1922, at his residence, 188 Prince William street, at the age of thirty-six. Mr. Horne was a native of England but had made his home in St. John for several years and enlisted in St. John in 1914 shortly after war was declared. He served overseas with the 28th Battalion and was wounded in the head with shrapnel. His death was due to the effects of war disabilities and followed a serious illness of only a few days. He underwent an operation about two weeks ago but for the last two years he had been in indifferent health. He was a painter by trade, a member of the Sons of England and a member of St. James' church. He was well known and had a host of friends. His death will be learned with deep regret and sincere sympathy will be extended to his bereaved family. Besides his wife, who was a native of England, he leaves one son, The funeral will be held on Friday afternoon at 2:30 from his late residence.

Mrs. Miriam Wright.
The death of Mrs. Miriam Wright, widow of Peter Carr Wright, of Centre Millstream, occurred on Tuesday evening at Apohaqui, at the age of eighty-two. One son and three daughters survive. One of the daughters is Mrs. Randolph R. Burgess, of St. John.

How to Rid the Arms of Objectionable Hairs
(Aids to Beauty)
A simplified method is here given for the quick removal of hairy or fuzzy growths and rarely is more than one treatment required. Mix a stiff paste with some powdered delatone and water apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and every hair has vanished. This simple treatment cannot cause injury but care should be exercised to get real delatone.

BIRTHDAY PARTY.
Some forty friends of Miss Grace E. Mahoney assembled on Tuesday evening at her home in Britain street and helped celebrate her birthday in happy manner. There were games and dancing and bounteous refreshments, appropriate gifts for the young lady and in all a very happy time. The young hostess was showered with good wishes for "many happy returns."

A business meeting of the congregation of the Tabernacle Baptist church was held last night and it was decided to start the work of building the new church in the first week of May, 1922. A programme of financing was outlined by the pastor, Rev. A. L. Tedford. The fund already amounts to \$1,280 and it was expected that another \$1,000 would be added before the end of the week. The new church will be on the site of the present one.

CONDITIONS STILL FAR FROM NORMAL

Tendency in Great Britain to Exaggerate Signs of Trade Revival.

(Special Cable to the New York Times and Montreal Gazette)

London, April 19.—It is possible to be moderately optimistic over Great Britain's foreign trade figures for March. The abnormally low £870,000 surplus of imports for February has given place to a balance (£13,140,000) more in line with usual experience.

Bankers of experience are expressing the view that just as the post war boom of 1919-20 was carried too far so the subsequent depression has been unwarrantedly severe.

One factor which is attracting more attention as a possible stimulus to trade revival is the floating of large colonial loans on the London market.

PROD CHURCH SLEEPER ONLY IF HE SNORES

This is Advice of Pastor of St. Martin's-in-the-Fields.

London, April 20.—Sleeping through a sermon, even an Easter sermon, is not objectionable to at least one famous London pastor.

sleep while the band is playing or while I am preaching, do not wake them up, please.

This gentle request was made of the congregation in St. Martin's-in-the-Fields by the Rev. H. R. L. Sheppard, as he gazed about and observed some of his audience in slumber.

"There is no reason why people should not do so in church if they are tired," he continued. "I am sure lots of people do feel tired on Sunday when the week's work is over."

"I personally, am not the least little bit offended at the sight of people dozing through my sermon, and I know that the conductor does not mind if they sleep while the band is playing."

"Of course if the sleeper starts to snore," the pastor concluded, "you may feel perfectly at liberty in the interests of the congregation, to prod him."

There were murmurs of approval from all parts of the church.

After Ten Long Years of Suffering He Sings the Praises of Dodd's Kidney Pills.

Jules Labrosse, who had Bright's Disease, Gravel, Dropsy and Diabetes Tells of Benefit he got from Dodd's Kidney Pills.

Papineauville, Labelle Co., Que., April 19th (Special)—After suffering for ten years from various forms of kidney disease which included Bright's disease, gravel, dropsy and diabetes, Mr. Jules Labrosse, a well known resident here, is now so far recovered that he is singing the praises of Dodd's Kidney Pills.

"Dodd's Kidney Pills have rendered me an immense benefit for which I am happy," Mr. Labrosse says in telling his story. "I have suffered for ten years and am now very well. I went down in weight to 125 lbs. Now I weigh 160 lbs."

Dodd's Kidney Pills are purely a kidney remedy. Healthy kidneys strain all the impurities out of the blood. Pure blood carries new strength to all parts of the body.

Ask your neighbors if Dodd's Kidney Pills do not make healthy kidneys.

LIVE BIRDS ON HATS FASHION'S DECREE. Slit Sleeves, Double Waist-line and Diamond Earflaps Worn at Auteuil Races.

(From C. F. Bertelli, Special Cable to The Toronto Mail and Empire). Paris, April 16.—Live birds on hats, slit sleeves, double waistlines and diamond earflaps were among the innovations of feminine wear presented at the Auteuil races today. The Easter crowd was large. The weather was chilly.

Male mannequins sported the very latest Parisian styles, notable among which were ties to match the colors of the hats of their women companions. Tall hats, made of a straw combination, predominated the male fashions. Collared silk shirts just showing above the edge of the vest, pearl buttoned patent leather shoes with trousers fastening underneath by straps, and frilled waists of many colors were everywhere admired.

Many fashionable women wore variations of the new "tailored gown," the distinguishing features of which were long sleeves slit from the shoulder to the waist, fastened there by a diamond bracelet. Dual waistlines five inches above and below the waist, giving an Oriental harem effect, was fashion's newest offering, while grape clusters of diamonds and pearls covering the ears made their first appearance for afternoon wear.

Throughout the throng of smartly-gowned women Russian embroideries were predominant. Many were created by aristocratic fingers in Grand Duchess Marie's workshop.

APPLEBY-PRINCE.
A quiet wedding took place on Wednesday afternoon, April 19, in St. Jude's Church, when Rev. J. H. A. Holmes united in marriage Miss Laura A. Prince of Hampton to John Appleby of Cambridge, Mass. The bride, who was attended by Mrs. R. G. Appleby, looked charming in a navy blue tulle-trimmed traveling suit and tangerine hat. R. G. Appleby assisted the groom. After the ceremony the bride party motored to the home of the bride's aunt, Mrs. Walter Haelet, 95 Moore street, where dainty refreshments were served. Mr. and Mrs. Appleby left on the Boston train for Cambridge, Mass., where they will reside.

YOUTHS IN COURT

IN THEFT CHARGES.
Rope Taken from Erin Street Lumber Yard, Watch and Money from a Lombard Street House.

Matthew Garnett, sixteen; John Beshara, eighteen, and Harry Mitchell, seventeen, appeared before Magistrate Ritchie in the police court this morning, charged with acting together in the theft of a coil of rope valued at \$46, the property of Joseph O'Grady, on April 18. Garnett and Mitchell pleaded guilty and consented to be tried before the magistrate. Beshara first pleaded guilty and then said he was not guilty and knew nothing of the theft. All three were remanded. It is alleged that the rope was stolen from the lumber yard of Grant Horne, off Erin street, and was found yesterday hidden under a shed.

Howard Garnett and Roy Ogler pleaded not guilty to a charge of acting together in breaking and entering the house of Mrs. Timothy Burns, 71 Lombard street, on April 6, and stealing a watch and chain and \$75. They were remanded. These boys were arrested last night by Detectives Biddiscombe, Donahue and Saunders.

WANT TO ERECT 28 MORE POLES

Application from the N. B. Telephone Co. Considered—Some Objection and Matter Lies on Table—To Call for Tenders for Waterloo Street Curbing.

An application from the New Brunswick Telephone Co., for permission to make changes in their poles in the city streets that would increase their number by twenty-eight, met some adverse criticism when presented to a committee meeting of the common council this morning and was allowed to stand over for further consideration. Commissioner Bullock was in the chair in the absence of Mayor Schofield, who was addressing a meeting of women electors. Commissioner Thornton presented an application from Fred W. Kelly for permission to install two gasoline tanks and pumps on his premises at 19 Leinster street. On his motion the application was approved, subject to the usual conditions. Commissioner Frink moved that tenders be called for supply of 1,875 feet of granite curbing for Waterloo street to be paid for out of unextended balance of bond issues. Carried.

More Telephone Poles.
The N. B. Telephone Co. applied for permission to erect and change the location of several poles in the city and west St. John, in the following streets—Gulfport, Tower and St. George, West St. John, and St. James, Victoria, Moore street East, Wentworth, King street East, Orange, and Leinster street. The operation meant the erection of thirty-five new poles and the removal of seven. J. K. Marshall, of the Telephone Co., said the company was purchasing poles in Bathurst. He said that the proposed new poles were for the purpose of straightening out some of the circuits, and that they were in a crisis condition. The road engineer said that he saw no objection to the proposals. The St. George street line, he said, was a new line.

Commissioner Thornton said he thought when the underground system was started, that it would mean a reduction in the number of poles, while this plan meant twenty-eight additional poles. He was opposed to any increase on account of the difficulty of fighting fires. He said there were a great many dead wires in the city which should be removed; more uniform poles be used and they should be taken care of and painted.

Mr. Marshall said the company was trying to do away with all the poles it could, but there places where an underground system would be costly to the users. Painting, he said, while improving the appearance, did not increase the life of the poles. Regarding dead wires, he said, there were none on their main circuits. He said an estimate had been approved for a cable to include the wires on Canterbury and Church streets. He said the Bathurst poles were as good a class as he had ever seen.

The application was allowed to lie on the table for further consideration. Permission was granted Commissioner Jones to proceed with repairs to the wall of the old reservoir building at the corner of Carmarthen and Leinster streets, a portion of which had fallen out. Commissioner Jones reported the dismantling of the pumping station at Silver Falls and that the machinery was now in the pipe yard in Leinster street. He said that he had endeavored to disassemble the pump, but so far had not been able to do so. He thought that it might be sold for junk and was now open to inspection for any dealers who might be interested.

AUTO WRECKED IN COLLISION WITH A STREET CAR

An accident which has some of the elements of a mystery happened last night about 11:18 o'clock in Robtessay avenue, when an automobile collided with the Glen Falls street car on its last trip. An order was left with a local repair concern to bring the automobile into the city this morning, and when the men arrived on the scene they found that the car was nearly a total wreck. The license plates had been removed. The street car was going towards Glen Falls at the time of the collision, and the automobile was apparently heading for the city. The street car was damaged somewhat, and the automobile is described as practically a total wreck. Whether the occupants were hurt or not, who they were, and where they went to, is still a mystery. On the top of the car, which is a Rex five-passenger sedan, are streaks of yellow paint, thought to have been scraped off the street car. It is thought by some that the car had been taken from the owner's place.

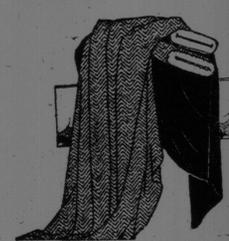

BRANDON TEACHERS TALKING STRIKE

Calgary, April 20—Financial aid will be given Brandon school teachers if they go on strike on April 30, so it was decided by the Alberta Teachers' Alliance. The executive will make a levy on all members. It was suggested that the "strike pay" would be made direct to the teachers and not through the Canadian Teachers' Federation.

PLEA FOR USE OF BOTH LANGUAGES

Toronto, April 20—Bilingualism as the best means of uniting the sympathies of the two principal races in Canada was urged by Prof. Morrison of Queen's University in an address last night at a meeting of the Education Association of Ontario. "So long as the educated man in Ontario does not know French, and so long as the educated man in Quebec does not know sufficient English," he said, "you will have misunderstandings."

For Housecleaning

A EUREKA ELECTRIC VACUUM CLEANER will lighten the work and vexation of housecleaning, making it unnecessary to send away the rugs to be cleaned or even to take them off the floor. The powerful suction draws the air through the rug with a greater velocity than any other cleaner supplies, so that every particle of dust and grit is removed without beating and breaking the fibres of the carpet. For cleaning upholstery, mattresses, curtains etc., its work is magical.

We will be glad to send one to your house for a free demonstration, and you need not purchase until you have decided it is the best machine you have ever seen.

Many other helps for housecleaning are also in stock, including O' Cedar Polish and Mops, Liquid Veneer Polish and Mops, Carpet Sweepers, Furniture Polishers, Dust Cloths, etc.

I. O. D. E. SESSION IN FREDERICTON

Provincial Convention Opened Today — The Reports and the Visiting Delegates.

(Special to Times)

Fredericton, N. B., April 20.—The Provincial Chapter, I. O. D. E., opened its twenty-second annual meeting here this morning. The provincial report, Mrs. Robert FitzRandolph was in the chair. There was a large attendance of delegates. After Mrs. FitzRandolph's address reports were received.

Miss Jean Hodge, provincial treasurer, reported \$318.49 on hand on March 31. The expenditure of the year totalled \$6,150.47. Of that \$4,883.62 was contributed to the national treasurer for the war memorial fund, \$461.25 to the national treasurer for per capita, \$170 for quarterly and annual expenses, \$104 to the winner of the prize at U. N. B. and \$100.80 to Princess Mary's wedding gift.

Mrs. B. C. Foster reported as provincial educational secretary. Since her appointment in 1915 the office has changed from one almost nominal to one of great importance. There now is a new educational objective, the I. O. D. E. memorial. Scholarships have been established chief among which is the "seas" scholarship awarded last year Ralph Myers of Mt. Allison. A prize of \$100 at U. N. B. last year was won by Babbitt. This is for the returned sailor graduating with highest average.

Mrs. P. McLeod, provincial secretary, reported twenty-seven primary centers. A total of \$27,989.03 was used. Patriotic observance was emphasized and carried out during the war and important anniversaries of the war were selected. The study of Canadian literature was encouraged. Special work of local improvement or patriotic nature was undertaken by various chapters. Others interested themselves in nurses and hospitals. In all a creditable year's work was done.

Miss Melville of St. John is to address the chapter this afternoon and officers will be elected. The meeting will close at 6:30.

The visiting delegates included:—

St. John—Mrs. J. Boyle Travers, Mrs. Vroom, Mrs. Fred Foster, Miss Jean White, Mrs. Lugsden, Mrs. Skelton, Mrs. Teed, Mrs. H. Watson, Mrs. J. G. Hart, Mrs. K. J. Campbell, Mrs. Sidney Jones, Miss McKewen, Miss Jarvis, Miss Milne, Mrs. Wilson, Miss Lockhart, Miss Hendry, Mrs. A. C. Campbell, Miss Cunningham, Miss Mary Armstrong, Miss Leslie Skinner, Miss Gregory, Miss Fairweather and Mrs. Corbridge Robinson.

Rosebery—Mrs. W. S. Allison and Mrs. McIntyre.

Moncton—Mrs. Purdy and Miss Maron White.

Woodstock—Mrs. Comben.

Port Elgin—Mrs. Siddall.

CRASH AT SEA; THE ZERO IS SENT DOWN

Boston Freighter is Sunk Off Coast of Uruguay, Crew All Saved.

Buenos Aires, April 20.—The Munson line steamer Aerolus, bound from Rio Janeiro to Montevideo, collided with the British freighter Zero early today off the coast of Uruguay, says a wireless message received at the Munson line office here. The Zero was sunk, but all of her crew were saved.

The British freighter left Buenos Aires for Liverpool on April 18. She was of 3,450 gross tons, was built at Sunderland, in 1906, and owned in London. The Aerolus, only slightly damaged, was expected to arrive at Montevideo at three p. m.

COLLINS CAUGHT YOUNG MAN WHO FIRED AT HIM

Struck Him on Wrist and Disarmed Him Easily — Makes Light of Attempt.

(Special Cable to the New York Times and Montreal Star)

Dublin, April 17.—Michael Collins today gave his own version of the attack made upon him and his party in Parnell Square. He was laughing over the humorous aspects of the encounter.

"We had motored back from Nans, Kildare county, where I had been addressing a meeting," he said, "and our four cars drew up at Vaughan's Hotel, where some of the party were staying. I had left my car and was walking down the road when I noticed about twelve men quickly leave a house in front of us. They met and passed us, and I turned to watch what they were after. They suddenly opened fire on the cars, and, drawing my own revolver, I fired into them. I believe I wounded one.

"This attack from the rear seemed to disconcert them, for they scattered and ran away. One had discharged his revolver at me—he was only a few yards away—but, fortunately, he did not hit me; then he dodged into a doorway. He stood holding his own revolver in his right hand. I struck him on the wrist with my own weapon and said, 'Give it to me, and he handed over his revolver, which was empty. I said, 'What's the meaning of this?' and he answered, 'By orders of the executive, Sir.' I asked him if he knew who I was, and when he replied 'No,' I told him.

"That," commented Collins, with a whimsical smile, "seemed to make him more uncomfortable than ever. I put him in one of the cars, and ordered him to be taken to Mount Joy prison. A bomb was found in his pocket. He was about twenty years of age and a stranger to me."

Wind Screen Broken.

Collins added that the wind screen of his own car was broken by a bullet but none of the party was injured.

"Only a few shots were fired," said Collins, adding significantly, "We don't waste ammunition."

In a further conversation I gathered that Collins thinks the object of attack was to seize him and his colleagues, but he is not expecting further trouble.

SEMENOFF BACK INTO CELL AS HE SEES HOSTILE MOB
New York, April 20.—A demonstration typical of his turbulent Russia greeted General Semenov, Cossack chief-in-chief, as he left Ludlow street jail late yesterday.

Released in \$25,000 bail furnished by his friends, the Cossack general, surrounded by a detachment of the police department's bomb squad, appeared at the jail door and cringed into his cell as the jeers of thousands fell upon his ears.

Ludlow street was black with the crowd, which had stood in a driving rain for several hours awaiting Semenov's release.

ATLANTIC SUGAR STOCK WAS WEAK

Ontario Steel Also Down on the Montreal Market This Morning—General Market Higher.

Montreal, April 20, 12:30.—The local stock market continued to give evidence this morning, and although a few declines took place, the general tone was reassuring.

The two weak stocks of the forenoon were Atlantic Sugar and Ontario Steel. The former ran into a break yesterday following a meeting of the directors at which the annual statement came under review and discussion. Today the price was down to 22, representing a five point drop since the opening yesterday afternoon and a six point drop since the previous day.

In the case of Ontario Steel there but little activity, the stock sold down to forty, representing a decline of five or six points to higher levels. The break is due to the announcement of the passing of the dividend.

Steamships preferred was one of the strongest in the market, rising to high levels on the movement of 51-1-2. Bell Telephone was at new high of 106-3-4. Montreal Power rose to 90-3-4. This takes the price to higher levels than were reached in 1920 or 1921 and only in 1919 were figures exceeded. The pulp and paper groups of stocks continued to show the strongest in the market. Spanish River issues were both up, the common selling at 82-1-2 and preferred at 82. Abitibi rose to 51-1-2. Laurentide 48-1-4.

MUCH MOONSHINE MADE IN IRELAND

Dail Eireann and Clergy Take Cognizance of a Growing Evil.

Dublin, March 20.—(By Mail)—The making of moonshine in Ireland has assumed a serious character, and threatens to impair Erin's standing in the British Isles as the most temperate of the group.

"The traffic in illicit liquor, or 'potheen,'" is described by the Catholic Total Abstinence Society as a by-product of the conflict in Ireland, and its rapid growth during the last three years was condemned by many of the bishops in their recent Lenten pastorals. Even the Dail Eireann, in strong of the many weighty political questions confronting it, has taken note of the situation and appointed a commission of inquiry to examine the causes of the evil and to report thereon to the Dail.

Ireland's drink bill for 1921 amounted to \$9,200,000 pounds, of which nearly half went to the British Exchequer in taxation. Formidable as this figure may appear, however, comparative statistics for the United Kingdom show that the drink record of Ireland was lower by a comfortable margin than that of England, Wales or Scotland. Per capita of the population, Ireland consumed 28 lbs in drink last year as compared with 25 lbs for England and Wales and 27-1/2 for Scotland. But these estimates are based solely on liquor that pays tax, therefore the patient computations of daisy statistics are endeavoring to ascertain Erin's standing with the addition of her bootleg trade.

While there is no more in Ireland for prohibition there is a strong public sentiment in favor of temperance, and it is believed that the Free State government when established will among its earliest legislation pass laws intended to check abuses. In the area of the Northern Parliament there is a strong party, mainly composed of members of the Presbyterian church, which favors total prohibition. But the pressure of current politics and the need for keeping a united front against the sessions of the Loyal Orange Benevolent Association, also returned. All the delegates reported largely attended and very successful meetings.

BETTER IN INDIA

London, April 20.—(Canadian Press)—A temporary lull prevails in the local situation in India, according to a Reuter cablegram from Simla, and the much advertised "national week" produced a poor response throughout the country as regards hartals and collections of funds.

It is believed that the non-co-operation is seriously short of money. The reasons for the present lull include a good harvest.

THE WHEAT BOARD

Ottawa, April 20.—(Canadian Press)—Yesterday in the Commons Premier King submitted a report by the law officers of the crown to the effect that the situation in India, according to the same compulsory powers as exercised by the old board, did not lie with the powers of parliament. The opinion was expressed that creation of a voluntary pool was permissible.

SEMENOFF BACK INTO CELL AS HE SEES HOSTILE MOB

New York, April 20.—A demonstration typical of his turbulent Russia greeted General Semenov, Cossack chief-in-chief, as he left Ludlow street jail late yesterday.

Released in \$25,000 bail furnished by his friends, the Cossack general, surrounded by a detachment of the police department's bomb squad, appeared at the jail door and cringed into his cell as the jeers of thousands fell upon his ears.

Ludlow street was black with the crowd, which had stood in a driving rain for several hours awaiting Semenov's release.

PRIZE IS WON BY A LAVAL PROFESSOR

Montreal, April 20.—Senator Thomas Chapais, professor of history at Laval University, Quebec, has been named as the recipient of the first annual history prize of the Montreal Historical Society. The prize is a gold medal by the society. The work for which Senator Chapais is to be awarded the prize is the third volume of his "Cours D'Histoire Du Canada," containing lectures delivered at Laval University.

MARCH SAW THE PRICES GO DOWN

Ottawa, April 20.—(Canadian Press)—Prices are again on the down grade. Reports to the labor department for March show appreciable decreases in both the wholesale prices index number and the family budget of retail prices of foods. The greatest decreases are in dairy products.

HABITUÉS OF WAIKIKI BEACH ORDERED TO PUT ON CLOTHES

Honolulu, April 20.—Constabulary struck habitués of Waikiki Beach who follow the old adage, "Hang your clothes on a hickory limb, but don't go near the water," when Sheriff Charles Ross descended on the strand with a new order.

"Get into the water or get home and cover your clothes," he told them. "Henceforth bathers will keep themselves covered either with clothes or with waves."

He first set fire to his shack and then shot himself with a rifle, which was found lying by his side.

KNOX CASE IN APPEAL COURT IN FREDERICTON

Fredericton, N. B., April 20.—The case of Knox et al. by next friend, vs. Frederic G. Spencer was commenced this morning before the court of appeal here. This is an appeal by the defendant from an order made by Chief Justice McKown of the king's bench division dismissing an application on the part of the defendant in respect of certain points of law raised by the defendant in his defence in a libel action.

A suit for libel was brought against the defendant by Wm. H. Knox, on behalf of Gertrude Alice Knox, Lester Percy Knox and Andrew Hazen Knox, infants, following the publication of cuts of a photograph of these children in St. John newspapers in connection with a prohibition campaign. The suit was lost by the defendant and damages of \$5,000 were awarded on three points of law and dismissed.

The three points raised were:—

(1) That the alleged libel, if any, referred only to the father of the plaintiffs and libel of a father only cannot give a cause of action to his children; (2) The said extracts from the daily newspapers contained no matter libelous of the plaintiffs or any of them; (3) Statement of claim alleges no special damage.

Daniel Mallin, K. C., for the plaintiffs, took preliminary objection this morning on the ground that no proper notice of appeal had been made. H. A. Powell, K. C., for the defendant, was heard contra.

CLOSE SHAVE FOR DIMINUTIVE CAT

"Gee, that's a funny thing; I never knew there were rats in this office," observed one of the clerks in the C. P. R. general offices as he pressed his car against one of the large filing cabinets. But there was no mistaking the "scratch scratch" that emanated therefrom. And judging by the volume of sound, it was a pretty "hefty" animal that was trapped.

The clerk sent for reinforcements. Himself armed with a hammer and a colleague grasping a heavy ebony ruler, the duo advanced to the attack. The file was gently opened and the hammer and ruler were raised for a concerted assault when the door of the office opened and—

"Hey, get away from that—that's my kitten," shouted another one of the staff, as a tiny ball of fluff dislodged itself from the papers in the drawer, sprang lightly to the floor and scampered behind a waste paper basket. It was a close shave for the juvenile rat hunter.

ROUMANIAN QUEEN BALKS

Film Attorney Says She Refuses to Come Here to Be Pictured.

Mr. Steinhardt, an attorney mentioned in a report of negotiations for the appearance of Queen Marie of Roumania in a moving picture to be made in California this summer, said yesterday he knew nothing of the rumored conclusion of such transaction.

Representing Harry Leonhardt, president of the Allied Independent Film Corporation, Mr. Steinhardt said he had been negotiating with Queen Marie through Mme. Lole Fuller and Major Paul C. Turner, her representatives in Paris, since 1920, but the deal had failed to go through because of failure to agree on the place where the film was to have been made. He said Queen Marie wished it to be made in Roumania, but the film men held out for California. Mr. Steinhardt said his client had agreed to Queen Marie's terms—\$75,000 advance payment and 60 per cent of the net. She was to use the money for Roumanian war sufferers.

Mr. Steinhardt said that Mrs. Adolph B. Spreckels of San Francisco was at a conference in Paris with Queen Marie and a representative of the moving picture company two years ago. The Roumanian Queen has written fairy tales and has had one of them produced in Paris.

SUES BECAUSE WIFE IS QUIET

A Husband Seeks Damages When Spouse Can Only Whisper—Medical Experts Differ.

St. Catharines, Ont., April 20.—Some interesting points came up in a case in Supreme Court in the action in which Charles Barker of Merriton sued the Niagara, St. Catharines & Toronto Railway Company, whose lines are part of the Canadian National Railway System, for \$5,000 for injuries to his wife whereby, it is alleged, she lost power of speech.

The Barkers were, in June last, riding on a street car, when, they allege, a second car coming along behind, smashed into them, and they were thrown violently against the seat. The back of Mrs. Barker's neck struck the seat, and, by reason of her injuries, she and her husband lost, she has not spoken since above a whisper. She gave her evidence in whispers of varying hoarseness.

The point whether Mrs. Barker was feigning or not played an important part in the case, expert medical witnesses being called on both sides.

Mysterious "Go-between" Falls.

Dr. W. J. Macdonald of this city, testifying for the plaintiff, said he had made a complete examination of the woman's throat, and found nothing wrong, apparently. But he gave his opinion that that mysterious go-between in every human body, the link between will power and muscular power, had been broken. "What it is, I cannot say," said Dr. Macdonald.

He expressed opinion that Mrs. Barker, believing she cannot talk above a whisper, cannot do so. So long as she believes she cannot speak above a whisper, he believed she would be unable to do so. "I am firmly convinced that this woman is not malingering or feigning," said Macdonald. Her condition was due to shock.

Dr. T. J. Sexton, Merriton, expressed similar views.

For the defence, several investigators gave evidence, among them two Toronto women, Mrs. Sarah Kennedy and Mrs. Elizabeth Ashley. Mrs. Kennedy came over to Merriton and got behind Mrs. Barker, and she swore the latter did the housework and spoke in normal voice all the time, except once when they went to St. Catharines on a street car, when she spoke in a whisper. Mrs. Ashley was called over by Mrs. Kennedy to talk to Mrs. Barker, and she said Mrs. Barker talked as any ordinary woman would.

Benjamin W. Anderson, an investigator for the National Railways, testified he went to Mrs. Barker's house and asked for Mrs. Kennedy. Mrs. Barker called to Mrs. Kennedy in the street. While he was there a snake got into the cellar of the house, and Mrs. Barker went into the cellar and called upstairs about it. Mrs. Kennedy said she could say E With Ease.

Dr. Perry Goldsmith, throat and ear specialist, Toronto General Hospital, said he had made rigid examination of Mrs. Barker. When he got to her, she said the letter "E" he concluded she was malingering, or feigning, as that requires use of the vocal cords. He believed she was feigning.

"You will go so far as to say she deliberately perjured herself to get money from this company?" demanded Thomas Phelan, Toronto, counsel for the Barkers.

"That's my opinion," said Goldsmith. Neighbors flatly contradicted statements of detectives that Mrs. Barker spoke at home in her ordinary voice.

Dr. J. M. Mitchell, medical officer for the N. S. & T. Railway, was asked if he thought Mrs. Barker had neurasthenia as the result of her injuries. He said he had examined her, but did not think she had the disease. He said when he examined Mrs. Barker she spoke in an ordinary voice. He gave his opinion the woman was partly feigning and partly hysterical.

C. P. R. WILL HONOR ITS WAR HEROES

Thirty Bronze Plaques in the Principal Offices.

A Notable War Record—Of About 70,000 Men in Service, 11,840 Went Overseas—1,115 Killed or Died of Wounds.

(Montreal Gazette)

Plans are under way by the Canadian Pacific Railway for the placing of thirty bronze plaques on their more important offices throughout Canada and the United States, as memorials to their men who served and gave up their lives overseas during the Great War. Corrected records show that from the ranks of the Canadian Pacific service of about 70,000 men, 11,840 served overseas, of whom 1,115 were either killed in action or died of wounds, while other casualties included the war, it was stated yesterday, 7,573 of those who served overseas had been re-employed by the Canadian Pacific, meaning that practically the whole force fit for service had returned to work with the C. P. R.

Word was received yesterday by Mr. C. B. Foster, assistant passenger traffic manager of the C. P. R., that on Wednesday the first of these bronze memorial tablets had been placed on the Canadian Pacific building at the corner of Madison avenue and 44th street, New York, there being no ceremony for the occasion, although its erection had been very widely notified in New York.

The bronze is a particularly handsome piece of moulding of a decidedly different style to the somewhat stereotyped designs of the usual soldiers' memorials. Fitting inscription.

It bears the inscription—"This tablet commemorates those in the service of the Canadian Pacific Railway who, at the call of King and Country, left all that was dear to them, endured hardships, faced dangers, and finally passed out of the sight of men by the path of duty and self-sacrifice that others might live in freedom. Let those who come after see to it that their names are not forgotten."

Following this inscription is a list of the battles in which the Canadians did notable service. The bronze is surmounted by a symbolic victory group, in medallion form, while the whole is framed by embossed representation of the C. P. R. vessels and locomotives, which were so actively engaged forwarding the war work, with a tank, Arthur Pearce, of the C. P. R. en artillery, and groups of the various branches of the service in which the

It was stated yesterday by Mr. Foster that the Canadian Pacific Railway is making arrangements to have thirty replicas of this bronze plaque made, which will in the course of time be placed with appropriate ceremonies at the head offices here, and other of the more important centres of the Canadian Pacific, both in Canada and the United States.

The bronze was designed by Mr. Arthur Pearce, of the C. P. R. engineering staff at the Montreal head-

quarters, and the plaques are being moulded by a leading firm in England.

SCORE OF ITALIANS IN PISTOL BATTLE

One Dead, One Wounded and Five Persons Held as Witnesses.

One man was killed and one wounded in a pistol battle among a score of Italians on Sunday at Mill and Oliver streets, Paterson, New Jersey. The police believe the fight was the culmination of a feud between two factions in the Italian district, though dozens of Italians, who have been questioned by detectives, deny all knowledge of the cause of the affray. Five persons, including two women, have been arrested as material witnesses.

As nearly as the police have been able to learn, at about five o'clock a crowd of men were arguing heatedly at this central corner of the Italian district. Suddenly a shot was fired. Pistols were drawn on all sides, and a fusillade of shots followed. Men fled in all directions. When the police arrived they found Michael Ferris, 29 years old, dead upon the sidewalk and Giuseppe Lozzi, 28 years old, lying wounded near him, shot through the left arm.

Detectives examined Lozzi at the General Hospital. He said that he and Ferris were talking quietly together when several men approached them and asked the way to another street. When Ferris began to give directions, the strangers

commenced to curse, and suddenly drew revolvers and opened fire.

Frank Occhigino, the proprietor of a pool room at 65 Market street, where Ferris and Lozzi were known to have been playing at 11 o'clock yesterday morning, and who was seen near the scene of the fight shortly after it took place, is held by the police as a material

witness. He said he had merely been passing by when the shooting began. A pistol was found in his pocket.

The police had suspected that serious trouble was brewing in the Italian quarter for some time, but they had been unable to obtain any exact information concerning it. The feudists, following the unwritten law of their kind, have kept their quarrel clear of the law. To "square" is considered the most deplorable of crimes in a feud fight, and more than one feudist here, as in New York, has died without giving the name of his assailant to the police.

DAYLIGHT SAVING UP IN PARLIAMENT

Ottawa, April 19.—Daylight saving held the stage in the house during practically the whole afternoon. W. F. Kay (Liberal, Missisquoi), had a motion calling for an expression of opinion from the house that "it is desirable that legislation should be introduced this session to prohibit the adoption of daylight saving in any part of Canada." Generally speaking the trend of opinion was against daylight saving, although the desirability of the resolution in its existing wording was questioned. William Duff (Liberal, Lunenburg), had an amendment. He moved that the motion merely express the opinion of the house that "it is not desirable that daylight saving time be adopted in any part of Canada." Discussion was still in progress when the house adjourned. It is unlikely that anything further will be heard of the matter this session.

ANOTHER MACHINE FOR THE AVIATORS

Lisbon, April 19.—It was announced by the ministry of marine today that if the damage to the hydro-airplane of which the Portuguese aviators have flown to St. Paul Rocks, is irreparable another plane will be sent to enable Captains Coutinho and Secadura to continue their flight to South America.

Unable to Proceed. Rio Janeiro, April 19.—The Portuguese aviators who are attempting a flight from Portugal to Brazil will be unable to proceed with their hydro-airplane from St. Paul Rocks, a few hundred miles short of their goal on the American continent, where they landed last night, because of damage to their machine, according to a Havre despatch from Pernambuco today. The message says their hydro-airplane was so badly damaged in effecting the landing that it is no longer useable. The aviators, however, expect to save the motor.

FINE CANADIAN LIQUOR RUNNERS

Syracuse, N. Y., April 19.—Seven confessed bootleggers, two of them Canadians, were fined a total of \$3,150 by Judge Cooper in federal court here today. variously ask to view the charter which insured Englishmen their fundamental rights, but other foreigners take more interest in the Papal Bull which is displayed next to it. Heavy green blinds are kept over the precious parchment to exclude the full light rays, and thus prevent deterioration, but are lifted to show the charter to admiring pilgrims. Most visitors are disappointed at not seeing King John's signature, but they seem satisfied when they read in the script that it was "given by our hand in the meadow which is called Runmede,"

CANADA'S TRADE.
Frederic Hudd, Canadian Trade Commissioner in New York, presented an impressive outline of the growth of Canada's trade to a group of New Yorkers the other day, and impressed upon his audience the fact that the United States in the future must count more and more upon Canadian commodities in foreign markets. He said in part:
"One of the most market evidences of Canada's development is her export trade. In 1900 these exports were \$177,000,000. In 1920 they were \$1,286,000,000. Thus in twenty years Canada's export trade has increased almost ten times. At present Canada, with only 9,000,000 people, is exceeded only in exports by the United States and Great Britain, and in imports by the United States, France and Italy. Indeed, in due time Canada will be making her bid for the trade of the world."
"Of Canada's total trade with the world, more than one-half is done with the United States. Canada sells more to the United States than she sells to any other country. Canada buys more from the United States than any other country—except Great Britain. Canada's purchases from the United States in one year represents 88 per cent of the population, while what the United States buys from Canada represents only 86 per cent of the population."
"In 1921 Canada sold to the United States goods to the value of \$226,000,000, altogether largely on account of the Emergency Tariff this was \$200,000,000 less than Canada's sales to the United States in the previous year. Canada's reduced ability to sell to the United States has resulted in a reduced ability to buy from the United States, so that while Canada's sales to the United States fell from \$555,000,000 to \$226,000,000, United States sales to Canada fell from \$221,000,000 to \$55,000,000, a decrease of nearly \$400,000,000. The fall in prices accounts for only a percentage of this decrease."

PRESENTATION.
The Excelsior Bible Class of St. Andrew's church had a very pleasant social at the home of Mrs. Stratton, as a farewell to their teacher, Rev. Dr. Farquharson. After spending a few pleasant hours in music and singing, Mr. Law, on behalf of the class, presented to Dr. Farquharson a club bag suitably engraved. Although taken by surprise the doctor responded in very able manner. Speeches were made by other members of the class, after which dainty refreshments were served.

BASEBALL.
Tour For Big Leaguers.
Washington, April 20—According to plans being made by Ted Sullivan and sanctioned by President Clark Griffith of the Washington team of the American League, the Senators and one other major league team, to be decided upon later—probably either the Giants or the Yankees—will make a tour of Europe next fall for exhibition games in the leading cities of England, Ireland and France. The teams will leave at the close of the present league season on a joint tour, with games at London, Dublin, Cork, Paris and, possibly, Rome. Sullivan, who has been player, manager, scout and promoter, conceived and conducted the famous "round-the-world" trip of the White Sox and Giants in the winter of 1913-14. He already has his plans for the proposed tour well under way and has engaged passage for himself on the George Washington, sailing for Paris on May 6. He expects to complete all arrangements for the trip while abroad.

According to the tentative schedule, the baseball tourists will embark about Oct. 7, play their first game about the middle of the month and complete their jaunt by Nov. 10, when the weather on the other side becomes impossible for baseball.

Ball Players in Fight.
Chattanooga, Tenn., April 20—Angered because he was hit by a pitched ball, First Baseman Schlemmer of Little Rock, attacked Pitcher Wingfield of Chattanooga in the sixth inning of a local game and other players joined in. The fans crowded on the field and for many minutes a riot was threatened. A large squad of police was at the park and succeeded in restoring order.

Pitcher Steel of Little Rock, whose alleged action in knocking down First Baseman Anderson of Chattanooga from behind had caused the fight to become general, followed Wingfield from the field, and Pitcher Morris of Chattanooga went after the two.

While Manager Eddie McDonald of Chattanooga held the door the three players engaged in a battle inside the clubhouse, police finally forced an entrance after Steel had been severely beaten. Steele asserts that both Chattanooga players sit him, one of them with a chair, while the Chattanooga players claim that only Morris fought him.

The incident, according to players, was brought on by a strong protest from Manager Eberfield of Little Rock against Wingfield's pitching. The manager, it is asserted, urged his players to throw their bats at the pitcher. Little Rock won the game 7 to 2.

ATHLETIC.
Boston Marathon.
Clarence H. De Mar, of Melrose, won the Boston marathon held yesterday from Ashland to Boston. He set a new record for the distance, his time being 2 hours, 18 minutes and 10 seconds, 47.3-5 seconds better than the former record established by Frank T. Zona of New York. He also won the marathon eleven years ago. Willie Ritola of New York finished second, three minutes and a half behind the winner. Albert Smoke of Peterboro, Ont., finished third in 2 hours, 21 minutes and 49.4-5 seconds, and Victor McAuley of Windsor, N. S., fourth in 2 hours, 24 minutes, 22.5 seconds. Edouard Fabre of Montreal finished tenth.

RING.
Dundee Wins.
Worcester, Mass., April 19—Johnny Shugrue, of Waterbury, was given the decision over Johnny Dundee, junior lightweight champion of the world, in a ten-round bout here tonight. Shugrue fought by far the best fight of his career, easily winning seven of the ten rounds, and there was no protest over the decision heard at the ringside. It was one of the fastest bouts ever seen in Worcester.

INDIANS SEARCH FOR BRONX GARDEN

Gathering Specimens in British Guiana for the New York Botanical Collection—Their Work Completed.

New York, April 20.—The New York Botanical Garden has two Arawak Indians working for it, but inquiries made around the greenhouses in Bronx Park will not serve to unearth them. They are somewhere in the wilds of British Guiana, where they are busily collecting botanical specimens which they dispatch to New York. They have been engaged in this work since last fall, when Prof. H. A. Gleason, assistant director of the Garden, left British Guiana for New York, having spent several months in botanical exploration. So active have the two Indians been that they have already sent up several thousand specimens, making it possible for the Garden to distribute many duplicates to other botanical institutions.

The work of these two Indians, according to Professor Gleason, is worthy of more than passing attention. They have been converted by Spanish Catholic priests and rejoice in the saints' names of Joseph and Thomas. They were formally engaged to work for him under the names of Jose de la Cruz and Thomas Mendonca or Mendonza. Joseph could read and write a little, but Thomas knew nothing of these arts.

Both showed themselves to be more than ordinarily alert and interested in the work of the botanist. Whenever Professor Gleason brought in great armfuls of plants and put them "in press" the pair of them watched closely, and in a short time they knew how to handle the presses, then how to put the plants in press. Then they began to take little trips on their own account, bringing in specimens. While sometimes working independently in this way they never forgot to give the closest obedience and cooperation to the professor, and they were exceedingly pleased when he signified his approval of some special find, such as a specimen not before collected on the trip.

The work lay largely in flood country, and the Indians handled the boat, dived off into the water, waded or swam and climbed tall trees for specimens with an enthusiasm which the professor describes as unabated. In this way, with several months' close application under Professor Gleason's tutelage, they learned how to collect, as well as what to collect and how to handle the specimens obtained, as well as how to preserve and pack them for shipment.

The specimens which have been coming up throughout the past season, Professor Gleason said, are good and in fine condition.

"When I got ready to come back, they signified to me," said the professor, "that they would like to collect plants for a living. I sold them a good share of my collecting outfit. They knew by that time just how to use it and use it very well, too. They went off into North-west Colony (just as a Westerner says

he is going into Oregon), which is a region little explored by botanists, and commenced collecting a thousand or more specimens. They have been sending these up right along since last Fall, when I returned. They pack them in boxes and despatch them by freight, as I would myself. The specimens are now coming up in such quantities that the New York Botanical Garden during the past few months has been distributing duplicates to various other institutions.

The Grey Herbarium of Harvard University, the United States National Museum, the Philadelphia Academy of Sciences, the Carnegie Institute of Pittsburgh, the Missouri Botanical Garden at St. Louis and the University of California are among those to which been sent some of the specimens collected by these two Arawaks. Several thousands have come to date and in very fine condition.

The Indians are now planning to go far up the head waters of that river and along the Rupununi River. This is territory which no botanist has worked for almost a century. Robert Schomburgk, famous as the discoverer of the Victoria

Regina water lily, was the first, last and only botanist to work in that territory, according to Professor Gleason, and that was in the thirties. If the Indians carry out their announced intention and penetrate deeply into the region they should get specimens of the greatest scientific value.

The region differs greatly from the coastal region of British Guiana, being a country of wide savannahs, with large open expanses of green areas, the trees being confined to long narrow strips along the banks of the rivers. The plants they will find, he said, will be quite different from those found along the coast and will probably show a close relationship with those of Brazil. It is much higher country than the coastal region, the ordinary level running up as high as 8,000 feet, giving a much colder climate, with different flora.

The Indians have their own boat and are absolutely independent of everything and everybody, said the professor, and they are not hampered by unwanted conditions, such as strange climate, food, clothing or insects, all of which are apt to handicap the white explorer, botanical or otherwise.

TWO MONUMENTS TO FRENCH WRITER

To Commemorate Memory of Louis Hemon, Author of "Maria Chapdelaine."

(Montreal Gazette.)

That two monuments should be raised—one in Canada and one in France—to keep green the memory of the young French author Louis Hemon, who made his name with "Maria Chapdelaine," an idyll of the Lake St. John district, was the decision reached at an organization meeting of those interested, held last night in the office of the St. Jean Baptiste Society in the Monument National. It was roughly estimated that the two monuments would cost between \$15,000 and \$20,000.

Mr. Justice E. Fabre Surveyer, chairman of the committee, presided, and the other officers chosen were Louis G. de Montigny, Ottawa, secretary, and Beaudry Lemay, treasurer. Sir Andrew Macphail, whose interest in the author took the form of an excellent translation of the book, and Victor Morin were elected vice-presidents for Montreal. J. Murray Gibson and Ed. Montet were appointed to the publicity committee.

Unanimous was the decision reached that the movement to commemorate the name of the writer who was killed by a train at Chapleau a few years ago, should be a Dominion-wide affair, the project calling for the formation of a committee, to receive subscriptions, in the larger cities and towns.

Sites Were Discussed.

As to the sites of the monuments nothing was decided, other interests having to be considered before this can be definitely established. Nor was it settled precisely what form the memorials should take, but it was decided to take cognizance of the suggestions offered by the Montreal sculptor, Alfred Laliberté, R. C. A. In the discussion it was suggested that the Canadian monument might be placed in the neighborhood where the young writer was inspired to write the work which was to bring posthumous honor on his name—a district from which he drew his characters. Since monuments to mean anything, must be viewed by the many, the suggestion was made that perhaps Quebec City might give it an honored place. As regards the memorial to be raised in France, Brest, the writer's birthplace, was mentioned, but since it was reported that the wishes of his family were not quite in accord with this it is probable that Dinard, in Brittany, might be selected. Dinard is not far from St. Malo, a port associated with an outstanding figure in Canada's history—Jacques Cartier, who discovered the country.

Following the meeting the committee adjourned to Mr. Laliberté's studio, where the members inspected the rough models that the sculptor had prepared. These, in the main, feature Maria Chapdelaine in various attitudes, with a portrait of Hemon rendered in his relief on medallions. Before any decision is reached as to which model shall be selected, the matter will be the subject of judging and discussion by a committee of artists composed of Maurice Culen, R. C. A.; A. Suzor Cote, R. C. A., and J. B. Legacé.

QUEBEC FOREST LOSS BILLIONS

Montreal, April 19.—A prize of \$5,000 is offered by Frank D. Barnjum of Montreal and Annapolis (N. S.), for a practical method of combating and suppressing the spruce bud worm, bark beetle and borer which have caused such tremendous damage in the forests of Eastern Canada and the United States. The province of Quebec alone has suffered a loss during the past ten years of 150,000,000 cords of standing pulpwood by these pests, which represents a market value in pulpwood of \$8,000,000,000, or if manufactured into paper, of \$7,000,000,000. This represents a loss of wood sufficient for forty-five years' requirements for newsprint for the north American continent. This staggering loss has prompted Mr. Barnjum to offer his prize.

TWO ARE KILLED

Niagara Falls, Ont., April 19.—Louis Madu, thirty-five years of age, Fort Colborne, and Eia Oosenich, thirty-six years of age, Toronto, were killed today while working on the cliff at Queenston about the hydro power house. A rock gave way and they fell 300 feet. Their bodies were recovered.

NEW TRAIN SIGNAL

Halifax, April 19.—George H. Metzler, Halifax, has invented a train signal and stopping device which he says, according to tests made before Canadian National Railway officials, will stop an express train traveling thirty miles an hour within its own length.
