Miramichi Advance.

CHATHAM, N. B .- - - OCTOBER 8, 1885. The Stumpage Tax.

The St. John Globe says,-Chatham Advance, discusses the Provincial policy in regard to the Crown Lands.

No doubt the question may be fairly considered whether or not the stumpage charged by the Provincial Covanness to the Stumpage of the Stumpage charged by the Provincial Government is too high, and, no doubt, a friendly conference on the subject, between the Government and the persens immediately interested, might lead to a good understanding. It is, of course, an advantage equal to about double the amount of the lumber trade to the lumber trade to the view of the lumber trade to the lumber trade to the view of the lumber trade to the lumber trade selves, and that the same are constances with honesty, fairness, and in good faith toward all parties, and we authorise the Company to use this certificate, with factismiles of our signatures attached, in its similes of our signatures attached to similes our signatures attache

> industry. If the public service as administered is made to require more than the normal revenue of the Pro-

ed in the lumber regulations.

the Globe's proposition is to be ente

the upset price of fifty cents an acre, | tained there can be no limit set to whereas the present upset price is mark the point beyond which the two dollars an acre. When the Government may not go, and no held by them we had the old mileage | Crown Lands Department may, at system, and when the mileage- any time, on the plea of public neces- When there is the feeling expressed not hold good, as those best acquaint-

ed with the subject well know. The Globe intimates that if it did not pay the operator to do business at the high rates of stumpage heis piece of passes, and the superficial view of the matter, and wife, by deed bearing date the second day of December, one thousand aundred and fifty-five, as by reference will more fully appear, and on which e said William Reid at present resides. all the estate, right, title, interest, all the estate, right, whatsoever of him and the superficial view of the matter, but many men who have large capital locked up in the lumber business realise that to cease operations would would suspend operations. That is be ruinous. Meeting of the members of St. Mary's of Irish character appearing as Dan O'Hara.

Stewart, reported abandoned because she was on fire, while bound from Sharpness to this port, is now reported as not having been on fire, but so badly leaking as to render her abandonment necessary.

Serious Accident.—By an accident at Canaan Station last week, caused, no doubt, by a defective rail, in which several cars were thrown from the track, Mrs. Tucker and child of Cumberland County were considerably injured, but not so badly as was at first reported. The damage to cars was considerable.

Right of Way.—A jury consisting of Messrs. John Johnstone, Chas. Reinsborrow, Wm. C. Stothart, Charles Gunn, Alex Robinson and Geo. P. Scarle, together with the Sheriff and Justices Blair and Fraser have gone up the route of the Northern & Western Railway, to assess the damages for right of way from Blackville to Boiestown.

The most successful engagement last week in Detroit was that of J. S. Murphy. He gave two performances of "Kerry Gow," and notwithstanding the textemely unfavorable weather of Saturday afternoon or evening argues a surface rounded the public to go to a theatre on Saturday afternoon or evening argues a sturday afternoon or evening argues a power of attraction altogether unusual. By this latest engagement Mr. Murphy has shown himself one of the finest delineators of Irish character the American stage with the same age to cars was considerable.

Right of Way.—A jury consisting of Messrs. John Johnstone, Chas. Reinsborrow, Wm. C. Stothart, Charles Gunn, Alex Robinson and Geo. P. Scarle, together with the Sheriff and Justices Blair and Fraser have gone up the route of the Northern & Western Railway, to assess the damages for right of way from Blackville to Boiestown.

The stone has obtained the name of le Chien d'Or because gilded own in 1871, the workmen recollection of the proverb concerning the danger of waking sleeping dogs. The stone wall removed to its present provided t ever since it began to be talked about.

The legend of injury, resentment, treachery, and revenge connected with it states that M. Nicolas Jaquin Philibert, a wealthy merchant of Quebec, placed the carving and incription over the door of his own house (which, before its destruction became a Freethe ladies, Bigot found the emoluments pertaining to his great office a mere bagatelle in comparison with his expenditure. Clothed with official rank

1736 would be very strong, case the tale of Bigot's annoyance thereby would fail, as he did not land in Quebec till 1748.

Without reference to the wicked Inproceeded to organize a ring, the history sentenced to perpetual banishment of which might have given Boss Tweed from the kingdom. valuable hints in the art of peculation. With the aid of shrewd rascals recomhis oppressions and knaveries.

Paris with dispatches announcing the coming invasion of Wolfe, found the judgment, apparently at their own expresses. wicked Intendant quartered with Madame Pean. He seems indeed to have had a knack of discovering valuable creatures in men with handsome wives. army with meat was a fat one, possess-

advances toward a female relation, or twenty-five years. merely scandalized by the great man's A year or two after the Maine law went outrageous tyrannies, the legend makes into force in Massachusetts, Cousin Joe no mention. Some serious affront the Saunders, from the South, a handsome, merchant must be supposed to have manly young fellow, "came North" to suffered from the Intendant, else Bigot visit his relatives. He arrived at Uncle could not have seen in the Chien d'Or Tom's house about nightfall, in baying a declaration of undying hatred against time, and was heartily welcomed by uncle, himself. He took umbrage, however, aunt and cousins. Then after a chat the story says, and by way of giving Philibert new reason for animosity, quartered troops on him. The officer quartered troops on him. The officer in command was one of Bigot's boon companions, Monsieur de Repentigny, of noble family. By one account Philibert resisted entrance to his house, and in the struggle was run through by definition of the struggle was run through by definition of the usual good-morning, said: in the struggle was run through by de Repentigny's sword. Another narrative in the South in many ways are different makes the officer murder the merchant from ours. Are you in the habit of foully while descending the lower town drinking something a little strengthenin' hall. Both agree that Philibert was and appetizin' in the mornin' ?" killed; that de Repentigny fled, either | Joe signified that such was a habit with to France or Acadie; that he received him sometimes, pardon from the King through Bigot's influence with the Pompadour; that he here, but I've got a little bottle of 'sperreturned to Quebec and either offered rits' that Dr. Billin's gave me for the or complied with an order to give pecuniary compensation to the widow for the hypo, that I keep in the buttery. Here it is, Joseph; help yourself." loss of her husband. Afterward he was promoted and sent on service to the East Indies, where Dupleix, as Governor of Pondicherry, was then attempting to develop these magnificent plans for the develop those magnificent plans for the finding himself doubly refreshed, strolled advancement of the French power out toward the barn, where Uncle Tom which were rendered mere dreams by was busy at work.

to have instigated. In the midst of an overridden, starving population, he conold apple jack behind that bin there, that life, of which we got an interesting from the old woman and the boys. 'Spose glimpse on the memoir of Monsieur we take a horn apiece, you and I. It's Frauquet, inspector of fortifications, | pretty good stuff." who describes himself as light royally treated, during this visit to Quebec, by the intendant. An expectation of the pleasures to Man. treal on the Government batteau, the oldest, as Joe came along. "How are Gondola, a long, flat comfortable craft of 80 tons burthen, propelled by sails you Southern fellows take a little eyeand fourteen rowers. Provisioned with opener occasionally? You see, this 'ere all manner of delicate viands and choice is a temperance State, and father and wines, extremely festive days and mother are bright and shinin' lights. nights were enjoyed under a canopied But we boys ain't-that is, we ain't pracspace in the middle, enclosed by curtically. Just you go to that corner of the tains and ousbioned with blue silk.

ly on the lively times he had with the jolly and pretty ladies of Monsieur hold, Joe, it's out of sight of the house." Bigot's court, at Quebec and Trois Joe complied, and the operation was re-Revieres.

But Philibert's ceath was to be avenged. The usual and most dramatic actual condition, thanks to a somewhat version of the legend is that his son, a extensive capacity, and stayed a week boy of eleven years when the mur- with the good folks. 1735. I have found no morsel of proof that le Chien d'Or was not built into the Consisted of five hundred thousand mason's hall, and still later was used as house when completed in 1736. Rude the city postoffice)—to signify his hatred sculptures akin to heraldic devices were at the North Wall, and in small boxes for M. Francois Bigot, of evil memory, the 13th and last Intendant of New France. What Bigot had done to rouse Philibert's enmity is not stated, but conjecture may easily find a motive in the Intendant's record. Fond of display, an inveterate gambler, graceful, a bachelor, and a terrible fellow among the ladies, Bigot found the emoluments secure in the case the tale of Bigot's annovance there-

second only to that of the Governor, tendant's fate the story would be inand with power greater in many re- complete. Held responsible on his respects; controlling the finances, the administration of justice, and the trade of the colony; possessing the favour of Madame de Pompadour, then regnant over Louis XV., practiced as Intendant Afterward, with a host of accomplices, and the state of the colony of the co of Louisiana and of Louisbourg (where he was charged with innumerable his tyrannies contributed materially to offences, summed up again and again the capture of the place by the British) in all the bad uses of power; Bigot, on Vexations et prevarications — found lat ling at Quebec in 1748, straightway guilty, stripped of his all stealings, and

One interesting incident of his trial was a petition of the mother and widmended & Bigot, so the old record remarks "by ignorance and low birth," Bigot should be punished for having he accomplished the plundering of the libelled the dead hero in a justificatory home government, the inhabitants and memoir published by him on his return the merchants of the colony so satisfaction France. The ladies demanded the torily that he was able to defray the memoir's suppression and Bigot's conexpenses of a miniature French court demnation to pay a fine of 10,000 livres at Quebec, with its accompaniment of a considerable harem. His Pompadour was Madame Hugues Pean, nee Angeled for the benefit of the poor of the Hotel Dieu. As he had already been beggared for the benefit of the Crown, the ique de Meloises, the young, pretty, witty wife of Town-Major Pean, otherwise useful to Bigot as right-hand in applied to Montcalm, in particular that his oppressions and knaveries.
