FIFTEENTH YEAR
EVANGELIST TO THE BOY.

Two Monster Meetings in Massey Music Hall.

A SEASON OF RELIGIOUS REFRESHING.
12,000 People Attend the Inaugural Proceedings.

It Is Not Great Preachers That the World Wants, But People Who Know How to Pray. — "Some People Know Church and College in order to Ease Their Conscience." — "The Greatest of the Age." — "Hallelujah Will Not Cover Up a Scandal."

Since Mr. Moody, the evangelist, visited this city ten years ago the preacher's hair and rounded beard have whitened and his countenance become more rugged. He still possesses the magnetic eyes and genial face with unshrinking brow. But the greatest change is in his popularity, which is co-extensive with English Protestantism.

The World has gone from time to time through the steps which led up to yesterday's wonderfully successful inaugural meetings in the Massey Music Hall. For a week previous prayer meetings had been held in the various Protestant churches, the culmination of which was a united meeting in Elm-street Methodist Church on Saturday evening, under the presidency of Rev. Dr. Galbraith.

The chief feature of the meeting was an address by Mr. S. H. Blake, the significance of Mr. Moody's visit. In a subdued tone, at times amounting to little more than a whisper, for the honorable gentleman was seated with his back to the audience, he related the story of two previous missions to Toronto, told, namely, those of the famous London Yearly Meeting, of St. George's Church, New York, formerly of our own St. James' Cathedral, and the people in Toronto remember with thankfulness the blessing they received on these two occasions.

Mr. Blake, in illustration of the great work Mr. Moody has done, related the story of a young man who had been blind in Scotland, told the tale of the young man who had been blind in the place of his rank corruption, a successful mission church was established. All prayers that might be done in Toronto. The good God knew there was need of it. On the churches rested.

Cankers in Toronto churches. — Then Mr. Blake expounded the Prophet Ezekiel's vision of the valley of dry bones. In Toronto we are afflicted with formalism, worldliness, carelessness and godly means of raising money for church purposes. He exhorted the people to awaken out of all this.

He exhorted the people to awaken out of all this. He exhorted the people to awaken out of all this. He exhorted the people to awaken out of all this.

who would like to become Christians to rise. Hundreds responded to the call, they sincerely I asked them to meet the pastor and myself in the adjoining room. The place was crowded, had to go to Dublin and I asked them to come the following night and again meet the pastor. He thought I would sit them. There were, however, more inquiries than on the Sunday. The work was real.

The Secret of the Revival.
Mr. Moody went on to explain how he was urged to return from Dublin; how he preached for ten days, and how at the next communion converts joined that church. Yesterday morning he told the fact of a lady who had been bed-ridden for years. "To my dying day I believe it was my preaching, but his prayers that brought her blessing. This had more to do with myself and myself going to England than anything else. When I was in London I found that those who have done most for God's work were the least known on earth."

The Attributes of Prayer.
This was the next topic of Mr. Moody. He said it is not necessary to pray because there is some cursed sin keeping back the blessing. The first element of true prayer is confession. "I have an accursed sin clinging round my heart, I need mercy, will be unavailing, the sacrifice of the wicked, with an abomination to God. Sacrifices in vain and dispensations were in the same position as prayer in this."

Stop Short Where the Shoe Pinches.
Many Christians are fond of quoting from Isaiah, "Behold the Lord's hand is not shortened that it cannot reach, nor his ear heavy, that it cannot hear." Here they stop short, they don't cite the next verse, which is, "Your sins have separated His face from you that He will not hear." "I have got \$5 in my pocket that belongs to someone else my prayers will amount to that" (snapping his fingers).

Mr. Moody then told of a lady who had been blind in Scotland, told the tale of the young man who had been blind in the place of his rank corruption, a successful mission church was established. All prayers that might be done in Toronto. The good God knew there was need of it. On the churches rested.

chance to speak. Thank God this day has gone by may God make us one—not by freeing us together, but by using us together. (Laughter).

He lived in Thanking-street. The sixth element of true prayer was thanksgiving. Mr. Moody illustrated this aspect of his subject by the story of a happy carpenter who at prayer meeting exclaimed, "Bless the Lord, I cut my thumb this week, but I did not cut it clean off." (Laughter).

Faith was the seventh attribute. It was a mistake to expect God was going to do anything for you. The prayer was answered when God said "No" many a time. Some of God's children were like the little child who had been bed-ridden for years. "To my dying day I believe it was my preaching, but his prayers that brought her blessing. This had more to do with myself and myself going to England than anything else. When I was in London I found that those who have done most for God's work were the least known on earth."

Reveries Better Than Prosperity.
The case of Paul and "the thorn in the flesh" was next instanced. The prayer for its removal was not answered, but grace to bear the infirmity was granted. When we get to heaven we shall thank God more for reverses than for prosperous times. The result of John Bunyan's 12 years imprisonment in Bedford Jail was the Pilgrim's Progress.

Persistence was the next element considered, respecting which Mr. Moody touched many hearts. He described wonderful answers to persevering prayer. One was that of a lady who prayed an hour at noon for 18 months for the conversion of a sceptical husband. He mentioned one of the most useful laymen in Great Britain.

Telling God How Good He Is.
Petition was essential to true prayer. I have heard people enjoining the Lord, telling Him how good He is, but there was not a single petition. The weakest saint in this house can make a petition, and if it comes from the heart it will be effective. Specimens were "Lord help me," and "Lord remember me."

There came some pathetic stories of answers to prayer during the American civil war. Tears dimmed Mr. Moody's eyes, and his voice showed the emotion he felt as he told of God's work amongst the 500,000 young men who were in the battle lines of the Civil War.

Submission to God's will was essential to true prayer. This tenth and closing attribute was effectively treated. Mr. Moody's concluding words were "Submitting to God help us all to pray." Amen came in response to every quarter. Silent and reverent prayer followed. The prayer was a model of the strictest vigilance, and to scrutinize closely all passages.

THE CHINESE ON THE RUN.

THE JAPS CHASE THEIR ARMS FROM THE FIELD.

London, Nov. 4.—The Central News has this despatch, dated at Kullenchow on Nov. 3: After the capture of Kullenchow on the 26th, the Japanese army has been moved from Wu-Ju to this point. Two columns chased the Chinese to Sato and attacked Anting. The Chinese fled without fighting, throwing away arms and drums in flight.

Gen. Tetsuaki started for Fong Wong on the 27th and arrived there on the 28th. The garrison made no show of fighting but fled. The Japanese army has been moved from Wu-Ju to this point. Two columns chased the Chinese to Sato and attacked Anting. The Chinese fled without fighting, throwing away arms and drums in flight.

The inhabitants of Haijchow and Takochan complain bitterly of the violence of the Chinese soldiers, from whom they suffered considerably during the occupation. They are very friendly toward the Japanese, and are taking no prisoners. Three hundred Chinese bodies were found after the capture of Kullenchow, many of them having died of wounds received in previous battles.

By the capture of Fong Wong, Anting and two more abandoned positions, the Japanese came in possession of 55 cannon, 20,000 rounds of ammunition, 1500 muskets and 2,000,000 cartridges, besides a enormous quantity of miscellaneous supplies.

Managers have ordered that all labor and supplies be paid for as soon as obtained by the Japanese, consequently the inhabitants of Yamagata have established an office of civil administration in Anting. He has placed in charge Col. Komura, secretary of the Japanese Legation in Korea. He has issued a proclamation promising protection to the people and ordering them to pay their taxes to Col. Komura.

From Tokyo the Central News hears, under to-day's date, that the Government is expecting soon to receive a telegram from Gen. Yamagata and his army, although he has not yet received a telegram from Port Arthur. It is reported in Shanghai that the Japanese war ship is en route to Port Arthur, waiting the first of the fleet.

Managers have ordered that all labor and supplies be paid for as soon as obtained by the Japanese, consequently the inhabitants of Yamagata have established an office of civil administration in Anting. He has placed in charge Col. Komura, secretary of the Japanese Legation in Korea. He has issued a proclamation promising protection to the people and ordering them to pay their taxes to Col. Komura.

From Tokyo the Central News hears, under to-day's date, that the Government is expecting soon to receive a telegram from Gen. Yamagata and his army, although he has not yet received a telegram from Port Arthur. It is reported in Shanghai that the Japanese war ship is en route to Port Arthur, waiting the first of the fleet.

We Lead in Canada for a Sharp Bargain in Men's \$2.00 Boots.

A sight at our stores yesterday would indicate a slight idea of the immense business done on Saturday night. Our buyers were numerous for the great valued \$2.00 boot which we offer, and which is sold throughout Canada for \$2.50. Many persons who didn't know how to appreciate good value got left. When we offer gold dollars for 85c we won't take 75c—if you are one of those don't call—you only waste time. One price and cash only.

THE AUTUMN RACES

Good Fields at St. Asaph To Vote Against the Amendment.

St. Asaph, Va., Nov. 3.—After the last race this afternoon, racing will have a recess here until after Wednesday next, when it will be again resumed. The exact reason for postponement has not been placed to allow the party of New Yorkers to go home and put in their votes against the Constitutional Amendment, which if passed successfully will kill both running and trotting races in New York State.

The best card that has yet been arranged was on for to-day, the fight in all the races being good and with excellent material. The weather was beautiful, and a large Saturday crowd, numbering about 3000 persons, took the trip to the track. It rained heavily during the early hours of the morning, and the track was a sea of mud, but, strange to say, scratching was light. Nineteen bookmakers drew stands to-day. Summaries:

First race, 2 1/2 miles—McIntyre, 116; Summ, 9 to 2; 1. Old Dominion, 112; Midge, 7 to 2; 2. Copright, 125; Nacey, 40 to 1; 3. Time 1:21 1/2. Lo Benghis, Cockade, Wheeler also ran.
Fourth race, 2 1/2 miles—Miss Dixie, 101 1/2; Griffin, 3 to 1; 1. Prig, 110; Littlefield, 3 to 2; 2. Barossa, 26; Williams, 12 to 1; 3. Time 2:09 1/2. Blum, Little also ran.
Third race, 4 1/2 furlongs—Phoebus, 111; Littlefield, 6 to 1; 1. Harris, 110; Carter, 12 to 1; 2. Derelict, 110; Summ, 4 to 1; 3. Time 1:02. Etawan, Doggett, St. Vincent, Turquois, Austin, Vapor also ran.
Fifth race, 5 1/2 furlongs—Owlet, 112; Littlefield, 3 to 2; 1. Ella Reed, 100; Griffin, 4 to 1; 2. Thya, 100; Doggett, 40 to 1; 3. Time 1:16. Tomlin also ran.
Sixth race, 7 1/2 miles—Little Matt, 100; Griffin, 4 to 1; 1. Westchester, 107; Carter, 20 to 1; 2. Pultice, 26; Doggett, 10 to 1; 3. Time 1:52. Lady Adams, Little Billy also ran.

A RUN WITH THE HOUNDS

A Big Turnout After a Live Fox—Spills Were Order of the Day—These Present.

There was great sport, a fine day and a big turnout at Saturday's run of the new Country and Hunt Club. The start was from Davisville, and after several very stiff jumps were negotiated the field went down into the Don valley. On leaving the Don some very broken ground was crossed, several of the runners being very wet and marshy, one or two of the horses giving very fine exhibitions of sliding. About 2 miles northeast of the Dutch farm the hounds got on the trail of a genuine fox, but at this point was very strong, and after chasing beyond some distance he was lost among barb wire fences and got safely away.

The jumps were much stiffer than usual, four feet and over being quite common, and quite the order of the day. None of the casualties were serious, but, strange to say, they all took place among the more experienced runners. The division, only some 25 or 30 managed to stay to the end of what turned out to be one of the best runs this fall. Among the people present on horseback were: Mrs. Kerr on Eric, Mrs. Carrington on Lennie, Mrs. Grassett, Miss James on Woodstock, Miss Louie James on Bimbo, Miss Smith, Miss Beardmore on Lennie, Miss Carrivon on Waterloo, the president, Mr. Dalton McCarthy, on Baby, the Master on the Maligned, Dr. Smith on Alvo, Dr. Capon, Dr. Campbell and Dr. Peters, Messrs. A. O. Beardmore, Laidie, James Carrivon, Grey, Fris, and others. The race was a fine one, Capt. Forrester on Loran Doone, D. K. Smith on Haveron, George Carrivon, W. Crowther, Harry Beatty on a stylish but green hunter, F. Doane, A. London, D. Small and Wiltshire. The usual semi-weekly run will be held to-morrow afternoon.

Athletic and General Notes

A London cablegram says: Paddy Slavin returned to-day his challenge to Peter Jackson to fight one month hence, 10 or 20 rounds, for \$500 or \$1000 or more a side. There was a big crowd at the opening of Molloy & Burns' Boxing Academy Saturday night. Half a dozen good sets were given to the satisfaction of everybody. Calgary will have a hockey club this winter, and among the players will be C. E. Temple, formerly of Toronto, who has played there for a couple of years. The club will play under Montfaucon and North-west Association rules, and the officers for the ensuing year are: H. H. McCullough, president; O. A. Critchley, vice-president; J. Pinham, secretary-treasurer; C. K. Temple, captain; committee, Messrs. George Ross, Vincent and Douglas.

ON HEATHER QUOIC GROUNDS

Scarboro's Heaters of the Dice Defeated by 16 Points.

On Saturday on the grounds of the Heather Quoit Club, at the foot of West Market-street, the Scarborough Club played a return match with the Heaters, and while four of the Scarborough men were successful in their games, the Heaters won the match by 16 points on the grand aggregate. The games between W. Callender and Kitchin and Taylor and Heston were particularly close and interesting. The score:

W. Callender.....11 Kitchin.....18
Taylor.....11 Heston.....16
Kitchin.....11 Taylor.....14
Heston.....11 Callender.....12
Total.....118 Total.....134

MAJORITY FOR THE HEATHERS, 16 POINTS.

After the match both clubs had a pleasant time at the City Arms Hotel, where Host Coulter served a sumptuous repast. The Heaters are making strenuous efforts to have their grand tournament on Monday, Nov. 12, a great success. The checks of both clubs signified their intention of being present. It will be held on the grounds of the Heaters, opposite the City Arms Hotel, West Market-street.

Ottawa College to Meet the Ontario Champs.

Montreal, Nov. 3.—The Montreal and Ottawa College football teams met here this afternoon for the championship of the Quebec Rugby Football Union. The keen contest Ottawa College were the winners by 14 to 11. During the morning it rained hard, but towards the afternoon the storm cleared off. Notwithstanding the threatening weather there was a large crowd present. The visiting team, in everything, the heaviest of the two, but any disadvantages on the score of weight were, it was thought, not so serious. A stiff breeze blew down the field, Montreal, winning the toss, had a decided advantage in the first half. The Ottawa team had pretty much their own way, and when half-time was called the score stood Ottawa 10, Montreal 11. In the second half the Montrealers made a valiant effort to pick up with the College boys, and succeeded in increasing their score considerably, but when time was called the score stood Ottawa 14, Montreal 11. The teams: Montreal (11)—Back, Savage; halves, Fry, McDonald; quarter, Wain; wings, Baird, Buchanan, G. James; Ottawa College (14)—Back, Balenger; halves, Ross, Gagnon, Murphy; quarters, Prudhomme, Blank, Lee, O'Brien, James; scrummers, Clancy, Bouvier; referee, C. Gordon. Umpire, W. McDonald.

The Junior Tigers Were Humiliated.

The Lorne's war correspondent went with the second team to Hamilton on Saturday. He writes that the game ended in a free fight, and Hamilton Juniors are bitterly named the Tigers, for they humiliated for the Lorne's blood, but he says none of the boys were badly hurt. Although the odds in fighting were 50 to 1 against them, they held their own very well, and were not badly beaten on the day. One of the Lorne's backers was expected to bring back as much more. The referee says that he intends reporting some of the Hamilton players to the Union.

Victory for the Business College.

The British American Business College and the Calumet played a very keenly contested game of Rugby on Saturday morning at Rosedale, which resulted in favor of the collegians by 11 to 1. The teams were as follows:

C. (11)—Back, McMillan; halves, Anderson, Leckie and Hewitt; quarters, Brown, Crawford, Galloway and McMahon; wings, Ford, Parsons, Marks, Bates, Keeler, Moore, and Down.
Calumet (1)—Back, L. Harker; halves, Ward, Boyd and King; quarter, Cowan; forwards, Oliver, H. McMahon and A. McMahon; wings, W. Jones, James, McLean, Conlin, Bruce, S. Bacon and West.

That First Erie Foot Room Case.

The effect of the decision in the Erie foot room case, The Queen v. Howard, is simply to transfer the case on points of law to the Common Pleas Division of the High Court of Justice here. The Western law firm that according to the evidence H. C. Howard was guilty of keeping a common gaming house or betting establishment, but the question of jurisdiction under the statute was not dealt with. The defence alleged that they were simply doing a commission business; that the business was actually carried on in the United States, and that Howard simply accepted orders. Howard renewed his bail of \$1000, owing a Buffalo detective, and a Sheriff, a Buffalo telegraph operator, furnished the principal evidence against Howard.

Alibi Did Not Start.

Philadelphia, Nov. 3.—As the track at Point Breeze was not open today, owing to last night's rain, the balance of the program there was cancelled. The Quaker City horsemen will have an opportunity to see the race on Tuesday afternoon. The races were arranged for Belmont Park next week. On Tuesday afternoon a large pace make up the contest, along with exhibitions by Alibi, Fantasy and Directly. The first race was a 2000 yard race, and John E. Gearty is the principal attraction. The race was won by Alibi, making up a 2:02 trot, and there will be a 2:10 class for trotters as well. The 2000 yard race was won by Alibi, Fantasy and Directly. The race was won by Alibi, Fantasy and Directly.

There is a possibility that Domino will be shipped to England, and placed in charge of John Forster, who is training several yearlings for James B. and F. E. Keach.

At the horse sale in New York on Saturday the Auburn Bros. of Montreal purchased for \$2000 Retevance, br. c. by Refusee—Medokas, by Danit. Belle Vana, a 3-year-old, the star of the lot offered in New York Friday, brought \$4100, going to J. Burr of Concord, N. H. Sixty-four head, comprising the Browns lot of Michigan, sold for total of \$44,000, an average of \$687 per head. The Lyle consignment of nine head brought \$2195, an average of \$244 per head.

Zimmerman Won \$30,000 in Six Months.

Franklin, N. J., Nov. 3.—The champion cyclist, Arthur Zimmerman, sailed from Genoa, Italy, Thursday for New York. He has ridden in 30 races abroad, and has won about \$30,000 in the six months. Zimmerman is a member of the French and Italian. During the winter he will race at Madison Square Garden, New York. Zimmerman recently sent home from Europe a draft for \$10,000 and is expected to bring back as much more. He should arrive in New York in a short time.

No Small Potatoes These.

From The Cornwall Standard.
Peter Murphy, the veteran, newly-brother of Montreal, intends organizing a lacrosse team to be composed entirely of members of the Murphy clan. Quebec, Ottawa, Montreal and Cornwall could each contribute from one to four members fit to play on any team. What a gate the Murphy world draw against all-comers! And just here it may be stated that Gossary and Stornott can turn out a "crack" junior team of McDonaldis.

Saturday Games and Gossip.

The Association match at old U. C. C. between the British America and Western Assurance teams resulted in favor of the British by 1 goal to nil.

A Rugby match took place Saturday morning on the Trinity campus between Trinity's second fifteen and the Port Hope School. The home team won by 20 points to 15.
The next City League Rugby contest takes place Wednesday at Rosedale, the contestants being Osgoode Hall and Toronto. On the following Saturday Trinity and Toronto meet.
Osgoode Hall's second team visited Peterboro on Saturday, and won a hard-fought game by 11 points to 6.
One who saw the Osgoode Hall-Gordon, McKay Intermediate match Saturday writes declaring that the referee was most prejudicial and did everything to assist the Visitor. He suggests that the matter be referred to the committee of the Association. The result was a draw, 1 goal each.

Damesy Dewar and his defeated Tigers went through the Union yesterday afternoon on their return from Kingston. It was the hardest fight on record, yet none of the men were seriously injured. The popular captain's confident team will surmount those nine points on their own grounds next Saturday. Betting on the game was at even money, and about \$2000 was left in Kingston.

INTER-CLUB GOLF.

Deer Parkers Show Enthusiasm, But Are Beaten 31 Holes By the Torontonians.

The first inter-club match between the Toronto and Deer Park Golf Clubs was played on Saturday on the Deer Park links, each club being represented by 12 players at Jacobs & Spurrer's Open House, when the Torontonians succeeded in inflicting on the home team a decisive defeat, being winners by the large majority of 31 holes. It must be admitted, however, that although the Deer Park men were defeated, the club contains a large number of most enthusiastic players, and have to be congratulated on their first venture against a club with such a large membership, and containing undoubtedly some of the strongest players in the country. An excellent afternoon sport was the result of the game, and it is hoped that in the future more of these friendly contests will take place, which will do much towards the advancement of the game, not only in Toronto, but throughout Canada.
