PROGRESSIVE ADVANCE

The Town of Douai reappears constantly in reports from the front. It is said that heavy reinforcements have been rushed to the town, and that the fighting in the vicinity is of the most sanguinary character. Douai is situated 15 miles northeast of Arras, midway between that town and Valenciennes, on the railroad route to Mons.

RUSSIANS CROSS CARPATHIANS. A Reuter despatch from Petrograd says: "Side by side with the official account of the German defeat on the Russo-Prussian frontier, details are published of the Russians crossing the Carpathians, which, as one writer says, destroys the legend that the eastern Carpathians are impregnable."

"Before attaining Uzok Pass, the Russians successively captured, thanks to a wide flanking movement, three well-masked positions, which were strongly defended by guns. Each time the Russians charged the enemy fled, and the Russians followed up the Austrian retreat with shrapnel and quick firers, inflicting heavy losses."

ALL WERE DROWNED. "During the Russian retreat thru the Mazur Lake district, in East Prussia, a Russian battery was surrounded on three sides by the enemy's quick-firers. The infantry was on the other side of the lake and the Russian ammunition was exhausted. In order to avoid capture, the commander ordered the battery to gallop over the declivity into the lake. His order was obeyed, and he himself was among the drowned."

"During an assault on the fortress of Ossowetz, a German column got into a bog. The Russians shelled the bog and the single road crossing it. The Germans, in trying to extricate themselves, sank deeper into the mire, and hundreds were killed or wounded. Of the whole column there were only about forty survivors."

HAMILTON COUNCIL MAKES CONDITIONS

Will Support Concrete Highway if Bridge Scheme Goes With It.

COST QUARTER MILLION

Construction of East End Sewage System Settled—Other Works Studied.

By a Staff Reporter.

HAMILTON, Tuesday Morning, Oct. 6.—At a special meeting of the city council held last evening to consider the proposed permanent concrete highway between Toronto and Hamilton the board of control was instructed to place before the good roads commission Hamilton's proposition. This is to go forward towards the project on condition that a bridge be erected from Carroll's Point to north of the high level bridge at an estimated cost of \$250,000. Ten thousand dollars will also have to be spent for Hamilton labor at the rate of 25 cents per hour. The council offers to make a substantial contribution towards the cost of the bridges, the remainder to be borne by the other municipalities. The council is to pay its share of the maintenance of the road for 25 years. The council also decided to proceed with the work on the east end sewage system, to cost \$100,000.

New McKittrick Agreement. A special meeting of the board of control was held to deal with a new agreement of the proposed local improvements of the McKittrick Syndicate. A new agreement was presented by W. J. Southern of the syndicate. The terms are that it be charged to the ratepayers for the local improvements 80 per cent of the cost, the city to pay the other 20 per cent, that the company pay a fair share of the cost of constructing the bridge and approaches, which according to traffic records should only be 10 per cent of the total cost. The company is willing to pay the city a minimum rate of wages, excepting that which might be done on relief work, in which case it is willing to pay only 10 cents per hour.

The board decided to return the agreement to a later date, when it is thought an agreement can be drawn up which will be suitable both to the company and city.

To Stop Dump Fires. Controller Jutten appeared before the fire, police and jail committee of the city council last evening, and objected to the firemen being used in putting out dump fires. He stated that this sort of work was injuring the hose of the department. It was pointed out that the majority of the fires in the dump were caused by failure of the public to live up to the garbage bylaw, which calls for all paper to be done up in bags and the garbage collectors and police department will be instructed to see that this regulation is carried out to the letter in future.

To Buy Pulmotor. Ald. Dr. Davey urged the purchase of a pulmotor for use in the fire department. The fire committee has agreed to purchase one pulmotor. A. Smythe, who resigned from the fire department some months ago, was reinstated, and it was decided to return to him the money to the family of H. Risadore, who left for the front with the first contingent.

Want Money For Missions. At a Presbyterian mass meeting last evening in St. Paul's Church, Rev. Dr. A. S. Grant, chairman of the board of finance, said that it had been decided that Presbyterians would in the near future raise \$1,000,000 for missions, and that Hamilton contributions would be asked to give \$60,000 in 1915. He also presented the budget of the Presbyterian Church.

Rev. Dr. W. T. Herridge, moderator of the Presbyterian General Assembly, delivered an address on "War and the Church."

Ask About Relief Work. A deputation from the employment committee of the United Relief Association asked the board of control for relief measures are pending. It was headed by T. J. Stewart, M.P. Mayor Allan said that the city shortly expected to give employment to between 800 and 1000 men on half-time. The city would be unable to give work to all the men now idle. Regarding the suggestion of Controller Morris that supplies be given in lieu of cash on some of the city work, it was agreed that this would be a good plan on small jobs, but on the larger undertakings it was decided that the men be carried on the city pay rolls and paid in cash. Nothing had been decided as to the rate of five cents for the rate.

DUKE CONVEYED PARTING WORD TO CONTINGENT

Farewell Was Read on Each Transport on Eve of Departure.

ANSWERED DUTY'S CALL

Canada Will Have Every Reason to Be Proud of Showing.

Canadian Press Despatch.

OTTAWA, Oct. 5.—The Duke of Connaught on the departure of the Canadian expeditionary force for Europe, sent them the following farewell message on behalf of the Canadian people. It was read aboard each transport to the officers and men:

"OTTAWA, Sept.—no date.—On the eve of your departure from Canada, I wish to congratulate you on having the privilege of taking part with the other forces of the crown, in fighting for the honor of king and empire."

"You have nobly responded to the call of duty, and Canada will know how to appreciate the patriotic spirit that animates you. I have complete confidence that you will do your duty and that Canada will have every reason to be proud of you."

"You leave these shores with the knowledge that all Canadian hearts beat for you, and that our prayers and best wishes will even attend you. May God bless you and bring you back victorious. (Signed, Arthur, F. M., governor-general of Canada.)"

COULD RAISE TEN CONTINGENTS

By a Staff Reporter. OTTAWA, Ont., Oct. 5.—If necessary I could raise ten contingents as easy as I raised the present one," said Col. Hughes tonight. "There are 200,000 men drilling throughout the country."

He also stated that 44,000 Canadians were at present under arms. 23,000 are on their way to the front, 10,000 are doing guard duty, while 1,000 are at Bermuda.

Col. Hughes will have tomorrow for a week's rest in Halifax. Gen. MacDonnell was with Col. Hughes when he volunteered the above information added that a second Canadian contingent could be raised much more easily than the first.

The purchase of the bonds, and the good will of the World, there are several brass bands, several pipe bands and a good fire and drum band. Three of the battalions were the Scottish.

The militia department has received the offer of a cavalry regiment for the front to be raised in Montana, the men supplying their own horses. Most of these are Canadian born.

HYDRO GRANT CUT TO ONE MILLION

Ald. Rowland's Motion Carried—McCarthy Advises Friendly Litigation.

HOCKEN PRESENTS CASE

Close Competition by Long-Established Company Justified Expenditure.

(Continued From Page 1.)

Antwerp, 6.16c per k.w.h.; New York, 5.2c; London, 4.5c; Berlin, Germany, 4.4c; Chicago, 2.18c; Toronto, 1.72c per k.w.h.

The mayor showed how in a little less than three years the business has developed to 30,000 customers. He believed that increase to be unique. The hydro had this year, he said, a revenue of \$1,500,000 approximately, and had itself with a profit of \$100,000 net.

Before the commission was formed there was a state of chaos—a muddle. This was the state of affairs when Mr. Ellis was appointed.

The excellent position, above recorded, by which the Hydro was today found with a capital outlay that would mean a bigger increase in power returns; the Hydro can still supply twice the number of its customers. So that if the commission is not to play into the hands of the T.E.L. Company it must make expenditure.

"Mr. Couzens must have a free hand. No man can tell a year ahead where the increased consumption would be." So he argued, if the council refused to give him the money now asked for, the Hydro must have folded hands. The mayor thought there was a desire by one man at least in council to force the Hydro to do a thing which would lead an attack against them. This was so partly because the chairman of the Hydro was not a popular man in some quarters.

"If the city had put away a depreciation fund for a water system as we are doing for the hydro, the city would not be facing a decrease instead of an increase in water rates," said the mayor.

"The commission finds itself in this position: If we had reduced rates 10 per cent we would face a decrease of \$150,000 with a present profit of \$100,000, a loss of \$50,000 and having to pay to city \$45,000 for sinking fund."

"Mr. Gaby of the province and Mr. Couzens of the local commission have made an investigation of all busines and since Mr. Couzens took charge, there was no basis before. On this new basis these two men will finally settle what the reduction will be," said the mayor. If this were a private concern likely this investigation would not have been

Skirmishes have occurred on the Anglo-German frontier in East Africa, due to German raids into British territory, for the purpose of cutting the Uganda Railway. All these raids have, according to the British official report, been repulsed. While the usual life in England is not seriously upset by the war, the regulations in many respects are becoming more stringent. An instance of this is to be found in the action of the authorities, who, in order to keep the army provided with warm clothing, have commandeered large quantities of woollens in Leicester, a step which is likely to be followed elsewhere.

CONTEST IN WEST ELGIN WITHIN FIFTEEN DAYS

Finlay Macdiarmid Will Go at Once Before His Constituents—Liberals Expected to Fight Hard For Whitney's Place.

Parliamentary practice which demands his re-establishment as the polls after appointment to a cabinet position. Premier Hearst intimated last evening that other contests are not likely for some time. He had not been able thus far to consider the situation in the riding of Dundas, vacated thru the death of Sir James Whitney. He is learned with some authority that the Liberal forces of the province will concentrate in this riding when the date of the bye-election is announced.

NEW ROUTE TO RUSSIA Dutch Merchant is Making the Trip Via Canada and Siberia.

It is a long journey from Rotterdam to St. Petersburg via Chicago, but that is the trip on which C. Spaanderman, a Dutch sub merchant, started on September 5th, because the natural route to Russia was closed by the war. Mr. Spaanderman arrived in Toronto yesterday. He crossed the Atlantic on the Holland-America Line steamer "Fotsdam".

Everyone is anxious to leave Europe, says Mr. Spaanderman. Even in Sweden, Denmark or Holland, which countries are neutral, the residents do not feel too comfortable at the moment and letters of credit can only be partially honored by the banks. "The people in Holland themselves do not feel too comfortable at the moment," he said. "As the war is in operation not far from the southern borders, the government had to rush some 300,000 men to protect the frontiers. The moment the neutrality of Holland is violated, a part of the country will be inundated."

"This inundation will protect Amsterdam, Rotterdam, and The Hague, besides a great number of smaller cities and towns, but by flooding the country the population of the flooded districts will suffer heavy economic loss."

"The government of the Netherlands can't back up its rights to neutrality by putting in the field 350,000 or 400,000 men, all fresh troops. So that it is almost certain that the neutrality of Holland is safe during the great struggle."

CANADIAN CLUB DINNER War Not Wholly Responsible for Conditions in Canada.

Dr. Adam Shortt of the Civil Service Commission, addressed the members of the Canadian Club after their luncheon yesterday. His subject was "The Effect of the War on Canadian Trade." He dealt chiefly with some of the underlying principles and analyzed some features in connection with them. He brought out a number of points which went to show that the war was not altogether responsible for the present condition in Canada.

Dr. Shortt said that in England he had found that those were the most skeptical who had the best chance of taking the trade. Germany has an advantage regarding labor, and it would take years to produce the same goods anywhere else.

In concluding the speech, Dr. Shortt said, "I have tried to show what the conditions in this country were prior to the war. I would urge getting back in order that we may even things up on our own production. We must conserve our credit and be prepared to offer thoroughly sound propositions when the new development which he is ready to go ahead with it."

YORK COUNTY AND SUBURBS

TOWNSHIP COUNCIL BALKED AT BRIDGE

Real Estaters Must Take Responsibility for Their Structures, Reeve Thinks.

UNEMPLOYMENT EVIL

Council Faces Problem Early This Year—No Time for Sidewalks.

Out of work, with a wife and four children depending on him, and threatened with eviction for non-payment of rent, Edward Thomas, 503 Main street, East Toronto, appealed to the York Township Council yesterday for work of some nature to enable him to keep his home together.

The rent was two months in arrears, and unless he could guarantee payment today he would be evicted. He had tried to find work all over the city, but was unsuccessful, and through being unemployed the family was in a pitiable condition.

Deputy Reeve Barker will try and find him work for the present.

Frank Barber produced the plans of a bridge which Estates, Limited, propose building over the ravine at Clarence avenue to connect their property between Leaside and Yonge street, and asked the council to approve of them. The council would not have to assume the responsibility of the bridge, although it might be assumed in ten years or so.

Reeve Was Dubious.

The reeve stated that, as the structure would be of wood, it was against the intentions of the council, which was desirous of having only concrete and steel bridges in the township. He could not see the way clear to pass a resolution of approval, as the bridge would be of no consequence to the township. If in the course of time an accident occurred, the council most likely would be held responsible for damages. The council, he thought, should take no action. It was up to the real estate promoter to secure approval, as the bridge would be of no consequence to the township. If in the course of time an accident occurred, the council most likely would be held responsible for damages.

Called J. G. Hindley.

At a church meeting of Broadview Avenue Congregational Church Sunday, it was decided unanimously to extend a call to Rev. J. G. Hindley of Winnipeg. Mr. Hindley arrived in Toronto on Friday to preach his trial sermon, and his two sermons at the morning and evening services were well received by the congregation favorably. He refused to give a definite answer, however, until he consulted with his congregation in Winnipeg, and he left for Winnipeg yesterday.

BILLIE BURKE AS CHARMING AS EVER

Kept the Audience in Perpetual Laughter in "Jerry" at Princess.

HER BEST VEHICLE YET

Catherine Chisholm Cushing Provides a Splendid Three-Act Comedy.

Billie Burke, aged eighteen, and as mischievous, fascinating, coquettish, waggish and witty as ever she has been in anything, with a spice of something brighter and better than she has shown us yet, was the attraction at the Princess last night, which kept the audience in perpetual laughter thru the three acts of Catherine Chisholm Cushing's comedy, "Jerry."

Some people do not like Billie Burke, just as some people do not like rich and rare and delicious viands or fruits, with exquisite but unaccountable flavors. Some think her too young, and some too slight, and some not pretty enough, and some that she has nothing but a pretty face.

But they all yield to some other charm than the one they object to, and they laugh. They can not help laughing. That is Billie Burke's charm. She keeps you what you think of her, she keeps you in good-humor and makes you wonder how you live without her. Perhaps she has managed to get her up all the charms in herself, distributed around, make all the other individuals of the sex irresistible. There is no tragedy in Billie Burke—at least not yet—there is everything else that is amusing, and Catherine Chisholm Cushing has provided her with the most successful vehicle in which she has yet appeared here. There are eight characters, and only six of them count. The players are all first-class, and the work done by Miss Pollock, as Peter Flagg, and by Olive Oliver and Dorothy Dorr, as Joan Doubleday and Harriet Townsend, is in the high vein of comedy.

Miss Dorr made all there was possible out of the fine scene at the close of the first act.

The story is simple, but is most skillfully handled to produce a true and capital comedy, and one of good and perfectly legitimate farce. Joan has been engaged for twenty years to Montagu Wade, very much by the sheet in Hull. He has kept putting off the wedding on account of his mother and sisters, and business affairs, until, when the comedy opens, they are celebrating the twenty-fifth anniversary of their engagement. In the meantime Harriet has been married, and her daughter Jerry has grown up to be the image of her Aunt Joan at the same age when she was first engaged to Monty. And Monty has succumbed to the spell of youth. Peter Flagg, who had been rejected by Joan, has wedded the years in the hope that his turn might come. Jerry makes no secret of her regard for Monty, and plots with Peter to break up the engagement and marry for herself, while she takes Monty. How it all works out need not be seen to be so simply and so amusingly as the play is for himself, while she takes Monty. How it all works out need not be seen to be so simply and so amusingly as the play is for himself, while she takes Monty.

SWEET AND SATISFYING

Offering at the Grand Opera House Appeals to All.

One of these pretty and wholesome dramas is "Polly of the Circus," the offering at the Grand Opera House this week. Here is a picture of life; an interpretation of essential religion; sweet as a bell flower apple, wholesome as the old-fashioned hickory nut, like. Why? Why, because people really get folks where they live; it takes them easily and naturally, it smacks them of the office, because it is so unphilosophical. That is some of the old-time mad on, and which in him was righteous indignation, as always because of the office, because it is so unphilosophical. That is some of the old-time mad on, and which in him was righteous indignation, as always because of the office, because it is so unphilosophical.

PICTURES OF WAR ZONE SHOWN AT HIPPODROME

A varied bill is presented at Shea's Hippodrome this week. The introduction to the program consists in the showing of several pictures relative to the war. An idea of the destruction that has taken place can be gathered from the views thrown on the canvas by moving pictures. French naval pictures are interesting as well as those showing the French soldiers preparing for war.

MERRY BURLESQUERS AT STAR THIS WEEK

Richie Craig, one of the funniest comedians of the progressive wheel, is appearing at the head of his own show, "The Merry Burlesquers," at the Star Theatre this week. "That Funny Janitor" and "From Broadway to Atlantic City" are the titles of the two burlesques. Alvin and Leonard, in their comedy skit, "The Two Hicks," are good. Pio Julene and Harry Seyon, singers and dancers, are worthy of mention.

FOR THE FIRST TIME

Delton Baker, an English baritone, will be heard for the first time tomorrow night, at the Conservatory of Music Hall. Mrs. Gerard Barton will assist at the piano. Seats are now on sale at the Bell Piano store.

CHINESE ACROBATS AT LOEW'S PROVIDE THRILL

The bill at Loew's this week is full of snap and energy and has some point of merit that is bound to commend it to a vaudeville audience. The Royal Imperial Chinese Co. of Chinese acrobats is one of the most capable and proficient acts that have ever been seen in Toronto.

BURLESQUE AT GAYETY REFRESHING AND FUNNY

Harmony and comedy of a refreshing nature characterize this week's offering at the Gayety Theatre. Every moment is enlivened by some novel feature. The mention of Bert Baker is enough to draw the crowd, and he is one who by his best efforts sustains his reputation. Charles Raymond, another favorite, springs new and original gags. Middle Miller and Lucille Manion, the feminine leaders are possessing of good voices and keep the singing and dancing going at a lively clip. The vaudeville specialties are good. Gordon and Murphy, comedy acrobatic dancers took well, as did Alvin and Williams, comedians. "My Wife's Husband," is the title of the two-act comedy burlesque. The chorus is bright and completes a clever aggregation.

MARIE TEMPEST IN "MARY GOES FIRST"

Henry Arthur Jones Supplies English Actress With Splendid Vehicle.

MAGNIFICENT COMPANY

W. Graham Browne and Franklin Lyall Help to Make Play Success.

Henry Arthur Jones is said to have written "Mary Goes First" as a special vehicle for Miss Marie Tempest, and in doing so he took into full consideration the wonderful talents of England's foremost actress, for he has supplied her with a character which is suited to her in every way.

The acting of Miss Tempest, who is the dynamic centre of the presentation, and who imparts into her lines all of the verve and vivacity which have distinguished the particular roles she has played in the past, is magnificent. She is that of the entire company with which she is supported.

"Mary Goes First" is a light little tale of feminine ambition in the smart society field in which the author usually finds subjects for dramatic treatment. The scheme, ambitious little woman, who in general opinion it would hardly seem worthy of attention, but in its nourishment by both active and passive agents develops a political importance, and even involves in its tangles the active interest of the junior Liberal whip.

At the close of the performance Miss Tempest sang a stirring patriotic British song, "You're an American, Kew-You," which received enthusiastic applause.

The New Patriotism

There is more than one way of serving your country. We cannot all go forth to fight on the blood-stained fields of France and Belgium, but it is within everyone's power to help crush the monster that threatens Europe.

Modern warfare is a battle of resources, financial resources most of all.

Every dollar you spend for goods "Made in Canada" is increasing the wealth, the resources, of the Empire, it is giving employment to Canadian workmen, it is contributing to Canada's welfare, and it is helping to fight the enemy.

The new patriotism seizes every opportunity to help—the enlightened patriot insists that everything he buys be "Made in Canada."

PATRIOTISM PRODUCES PROSPERITY

STUART BARNES' TURN DELIGHTED SHEAGOERS

Bill of Exceptional Merit Presented at Vaudeville House This Week.

Manager Shea presents to patrons of his vaudeville house, a bill of exceptional merit this week. Han Ping Chen, the "Chinese Wizard," mystified and delighted the audience with some wonderful conjuring and acrobatic feats. Stuart Barnes kept the house in an uproar of laughter, as he told his stories of courtship and the married "bites." Harry Berresford and Company received plenty of well-merited applause for their splendid acting. They contribute a playlet and the comedy of youth and age is depicted finely. A delightful, dainty, and talented turn is given by Miss Charlotte Ravenscroft, whose voice and violin accompaniment are excellent. Vivian Ford and Harry Hewitt present the new dancing crazes in new form. Mr. Hewitt is a bear. That is, he wears a bear's make-up, and the imitation is good and clever. Percy Bronson and Winnie Baldwin are a number of some catches par excellence. Ed. Flanagan and Neely Edwards travesty the life of vaudeville artists as hotel guests. An act styled "Off and On," and the Joleen Sisters do a wire and shooting stunt that is neat and novel.

SOCIETY DANCES BY NEW YORK FAVORITES

Bank Clerks Announce Many Attractive Numbers for Their Concert Thursday.

At the bank clerks' concert, to be given in Massey Hall on Thursday evening, Henry W. Herrman and Helen R. Lee will give an exhibition of the latest society dances. They come recommended from New York, where they were recently engaged at Delmonico's, as two of the classiest performers in the city. In a recent exhibition of their work before H.R.E. the Duke of Connaught in Montreal, the dancers won the following praise from the press: "their perfect poise and ease, combined with great technical proficiency, made their dancing of the new ballroom steps a poem in motion." Bank clerks consider themselves fortunate in having secured such finished artists for their concert. Another feature of this concert will be a playlet written around the Red Cross work, entitled "The Red Cross." It will be enacted by a company of New York players, headed by E. H. Robins, late star of the Bonville Players. There are twenty or more numbers on the program. The list of artists included Max Fern Hollingshead, the noted Canadian tenor; Max Selinsky, the Russian violinist, and others. The bank clerks believe their concert will be the best patriotic entertainment of the season.

THIS IS LIST NO. 2.

COLLAPSED ON SIDEWALK.

While walking down Garden avenue, at 7 o'clock last evening, J. Wilson, aged about 60, a Toronto Street Railway employe, whose address as yet is unknown, suddenly collapsed on the sidewalk, and was picked up dead by a police constable. Heart failure is believed to have caused his death. The body was removed to the morgue, but an inquest is unlikely.

HAMILTON SWEET ON JUNGLE KINGS

Think That Another Canadian Championship is in Order - Rugby News.

The Hamilton Spectator, summing up the Tigers' showing on Saturday, says: The score clearly represents the difference between the two teams on the day's play. The Tigers were in front at quarter-time 5-0. At half-time the score was 11-1, and at the end of the third period the local margin was 15-7. Both teams were almost at top strength. Toronto lacked their regular quarter and one wing player, while the Tigers were without Johnny McKeever and Ed Dixon of this year's regular line, and Bob Webster, Eddie Smith, Billy Mallett, Ross Craig, Billy Young and last year's Canadian championship team. Naturally, with such an array of stars out of the line-up, there was much interest in the manner in which this year's squad would acquit themselves, and in this particular everybody was well pleased. For the team looked plenty good enough to repeat last year's splendid record. Toller Leckie replaced Mallett, Dug Palmer handled himself well in McKeever's place, while Ireland, Vansickle, Holden and Thompson all made good. With McKel-Thompson in harness, which he will be this week the Tiger back division, consisting of Manson, Leckie and the youngsters, will be even better than the grand rear-guard trotted out a year ago. Of course, Webster will be missed, as will Ross Craig, who is a former Toronto youngster, played sensationally at flying wing, while Art Wilson almost proved the claim that he would be all that Gatenby ever was, while another good youngster in Orville Walsh, was given a chance, only to make good Saturday's game was enough to permit of the opinion that this year's Tiger army would be plenty good enough to win all honors, the back division being improved on that of 1913, while the wing line can be expected to prove almost as formidable.

"Red" Hamper has been elected captain of the Hamilton Rowing Club O.R.P.U. team.

Hamilton Spectator: The verdict seems to be that the Argos will need a lot of help before they will figure as a contender in the Big Four. The team can be little of the T. R. & A. team, and the O. R. P. U. struggle. The latter showed little of its old hand, and the division in DeCruick, Vivian and Heffew gave no promise. The wing line does not possess any clear workover.

Argonauts had a light workout at Riverside last night. The double blue boys were without the regular middle and outside wings on Saturday, and when Foster, Murray and Clarke got into the fray for Saturday's match the Tigers will have to step every inch of the way to beat the scullers.

Balmly Beach Junior O.R.P.U. team will practice tonight at Scarborough Beach grounds at 8 o'clock. The team has been greatly strengthened by the return of the manager of the season. The management is leaving nothing undone to bring a winner in the O.R.P.U. to Balmly Beach, and the week's spots have all been filled with seasoned players at the club house and to the players at the club house and after practice. They have another workout on Thursday evening at 8 o'clock. All players outside of the week back division, three grand players. The wing line does not possess any clear workover.

Balmly Beach and Kew play their annual game for the beach championship on Thanksgiving morning, and watch the fur fly. Both teams are practicing hard for this event. The junior city team will play Balmly Beach juniors at the curtain raiser to this game on the holiday morning, and the winner of this game should just about land the junior city honors.

GETTING THE BRAVES PRIMED FOR SERIES

Boston Crew Hammer the Ball and Win Two Games at Brooklyn.

BROOKLYN, Oct. 5.—The Boston champions played rings around the Braves in today's double-header, winning both games, the first by 15 to 2 and the second 9 to 5. Boston hammered Aitchison and Schmutz at will in the first contest. The second game was close until the ninth, when, with Brooklyn one run ahead, Whitted won the game for Boston by driving out a home run with the bases full. Ragan had struck the side out in the eighth on nine pitched balls, but he blew up in the ninth. Scores:—

Billiard Champions Are Coming This Month. The Hoppe-Inman billiard match will take place in Toronto on Oct. 23, 29, 30 and 31. In their meeting last week in New York, McMurro Inman, who is the world's English billiard champion, will play his five scheduled games of English billiards. He beat Willie Hoppe, the world's ball-line champion, in two sessions of 600 points each at the English style. His score in the afternoon game was 631 to 148, and Saturday night he made 600 points in fourteen innings, while Hoppe counted 212 in thirteen innings. The total score for the nine games played so far in the match is 3485 to 3285 in favor of Inman, who leads the American by 170 points.

PIRATES AND REDS DIVIDE; CLUBS BEAT THE CARDINALS.

At Cincinnati—Pittsburg and Cincinnati closed the National League season here by dividing a double-header. Pittsburg won the first game, 4 to 3, and Cincinnati captured the second, 4 to 1. The second contest was called by agreement at the end of Pittsburg's ninth of the seventh inning.

ATHLETIC REGULARS TUNING UP FOR THE WORLD'S SERIES.

At Philadelphia—The Athletic regulars began their tuning up for the world's series after a week's rest, when they defeated New York, by 3 to 0. All of the regular infielders, outfielders and catchers that Manager Mack expects to send in against the Braves next Friday were in the game, with the exception of Innes. The latter has two sore fingers, and he merely took part in the batting practice. The injury is not serious enough to keep him out of the big game. Walsh played first base for Philadelphia in good style. Score:—

WATFORD UNBEATEN ASLO MANCHESTER

English Soccer Records to Date in Three Big Leagues.

The result of the first month of the English soccer season shows only two clubs from the three big leagues unbeaten—Manchester City of the First Division, and Watford of the Southern League. The great success of the latter, which is a strong second in the table, is quite the sensation of the season, especially as it had such a great struggle last year in escaping relegation to the second division. The following are the standings to date:

League I. Goals. Manchester City 4 5 0 0 14 8 10 ... Watford 5 1 0 0 13 11 10 ...

League II. Goals. Burnley 7 5 1 0 14 8 10 ... Arsenal 7 4 1 2 9 6 10 ...

WHOLESALE FRUIT TRADING INACTIVE

Normal Canadian Supplies Supplemented by Imports From United States. MORE PEACHES ARRIVE In Addition to Niagara Product, Colorado Shipments Come In.

The wholesale fruit and vegetable market was quiet again yesterday, apples, grapes and potatoes being the chief shipments of Canadian produce, but there is quite a quantity of the American fruits coming in.

Chas. S. Simpson had a car of Colorado peaches, which are selling at \$1.25 per box; a car of Tokay grapes, which sell at \$1.75 per box; a car of sweet potatoes, which sell at \$1.35 per hamper, and a car of Valencia oranges, which sell at \$3 to \$3.25 per bushel.

White & Co. had a shipment of peaches from Richard Sheppard, Queenston, which were of very good quality. Wholesale Fruits. Apples—10c to 20c per 11-quart basket.

Wholesale Vegetables. Beans—4c to 5c per bushel. Cabbages—25c to 30c per dozen. Cauliflowers—15c to 20c per 11-quart basket.

Imports Decline Exports Heavier

Canadian Trade for a Year Last Period Unaffected by War. OTTAWA, Oct. 5.—The trade and commerce department today gives a summary of the trade of Canada for the twelve months ended with July, with comparative figures for the corresponding periods of the three preceding years.

Imports of merchandise, which in 1913 advanced more than \$100,000,000 worth, show a decline exceeding that amount in the last year of record, and are about ten and a half millions under the total for 1912.

Exports, however, continue to grow, that side of the sheet exhibiting an advance of almost \$66,000,000 worth in the course of the year, as compared with a \$47,000,000 increase in 1913, and \$46,000,000 in 1912, over the preceding year in each case.

GRAIN AND PRODUCE. Wholesale dealers at the board of trade quoted yesterday the following prices, which are subject to sudden fluctuations: Manitoba wheat—Old No. 1 northern, \$1.15, track; bay ports, old, No. 1 northern, \$1.12, track; bay ports, new No. 1 northern, \$1.14; new No. 2 northern, \$1.11, track; bay ports, \$1.08.

ST. LAWRENCE MARKET. There were twelve loads of hay and one load of barley brought on the market yesterday. The prices remained unchanged.
