MAIL ORDERS

We solicit out of Town orders, which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt dispatch.

OUR OFFICE IS CONNECTED WITH THE N. B. TELEPHONE BY TWO SEPARATE LINES INSURING PROMPT ATTENDANCE.

SCHOOL TIME!

The average boy feels the question of dress keenly.

You're starting him afresh to school this term, so why send him there with old 'bygones' that he has used up pretty well during the summer holidays. Come in and let us fit him from our new fall stock, and make him look the manly little man he is.

BOARD OF TRADE MEET TONIGHT

Effort to Have a Full Meeting To-night—Interesting Matters

The Board of Trade meeting called for Monday was not attended by as large a number of members as those interested had hoped, considering the importance of the matters upon the order paper. Nevertheless a very interesting meeting was held and some important business was transacted.

A strong resolution in favor of Van Buren, St. Leonards railway bridge was adopted.

The members also heard Mr. Lewis, the representative of Sells, the London publishers, who explained the work which that company is preparing in reference to Canada.

As this was an important work it was felt that Campbellton should be represented, and the meeting was adjourned until to-night to permit all members to attend and hear the proposition.

A full attendance for to-night's meeting is hoped for.

AN INTERESTING CEREMONY HERE

Number of Retired Railway Employees Presented With Medals

An interesting ceremony took place on Wednesday afternoon at the I. C. R. station here when a number of retired railway employees of this division were presented with Imperial Service Order medals in recognition of long and faithful service in the government employ.

The medal which is in the form of a star, is of bronze with the royal signature G. v. R. in the centre. Surrounding this are the words "For Faithful Service," the name of the wearer appearing on the reverse side, which is plain.

Mr. Price, assisted by H. H. Bray and Mr. G. F. Myles made the presentation, and Mr. D. A. Stewart M. L. A. pinned the medals on the veterans' coats. After the presentation Mr. Price asked Mr. Stewart to say a few words and in a few chosen phrases he congratulated the "Old Guard" on the recognition of their valuable and faithful services which they had received that day. After cheers had been given for "The King," the "Old Guard," and Mr. D. A. Stewart the meeting dispersed. Those who received the decoration were F. Foasted, C'ton, Jos. Brilliant Bic, John Cantley, C'ton, Lewis Corbett, Petit Rocher, Nazaire Dassylvas, Bic, James Hachey, Bathurst (absent), Jarves Harriman, Newcastle, John Hawkes, Chatham, John Hogan, Charlo, Alexander Love, C'ton, David Miller, C'ton, (absent), Henry Peters, Newcastle, (absent), Wm. Rogerson, Dalhousie Jun.-t., George Sears, C'ton, (absent), D. C. Smallwood, Newcastle, Allen K. Thomson, C'ton., Jas. Wall, C'ton., John D. Yerxa, Frederickton, (absent).

SCHOOL OPENING TUESDAY MORNING

Campbellton Grammar school reopened on Tuesday after the summer vacation, with a large number of pupils enrolled. Permits are still being requested from the Secretary of School Trustees, numbers being daily added to the roll. Principal Carr, Miss Lingley, Miss Mitchell, Miss Hennessy, Miss Carter, Miss Currie, Miss Kelly, Miss Gillis, Miss Crawford, Miss Duffy have commenced their duties and Miss Fish and Miss Anderson will join the staff of teachers on Monday. The numbers enrolled up to date in the different grades are as follows: Grade I 65; Grade II 86; Grade III 78; Grade IV 52; Grade V 45; Grade VI 54; Grade VII 45; Grade VIII 84; Grade IX 29; Grades X and XI 85, a total of 518. The teachers have not yet been assigned to their different grades, the teaching arrangements being only made temporarily for this week.

BASEBALL NOTES AND JOTTINGS

Evenings Now Closing in and Games are Shortened in Consequence

The game last Friday evening between the Vics and the I.C.R. was in the nature of a surprise the tail-enders of the league putting it all over the leaders by 7 to 3. The Vics scored all their runs in the second innings. Young's hit past first; with two down started the fun the entire nine taking a turn at bat, two men taking a second turn in the same innings.

Struck out by Shirley 2, by Love 3. Hit by pitcher by Shirley, McLean. Left on bases I.C.R. 1, Vics 3. Umpire F. J. McRae.

There was a small attendance on Monday evening when the Vics and Mechanics were billed to perform in the absence of the usual umpire Mr. W. McMillan of curling fame acted in that capacity to the satisfaction of one and all. In stentorian tones he announced there were "No Balks", but he overlooked the fact that the pitchers were in one and the catchers in another. The stellar feature in the game occurred in the Vics half of the second innings, when Duncan "wriggling like an eel between 3rd and home managed to score. Cady chased him up close to 3rd, and when Chip managed to evade him no one had thought of covering the home plate. The Mechanics batted in the third innings and scored 8 runs with a few good wallops and the aid of the friendly stars, but as it was dark to finish, the game reverts to the score at end of second innings Vics, 6, Mechanics 0.

Owing to the wet weather there was no game on Wednesday evening at the bawl yard, but for Labor Day the management has secured the choice tit bit of the season. The Campbellton Firemen will place a team on the field and play a doubleheader with Chatham, one game in the morning and another in the afternoon. Refreshments will be served on the grounds by the firemen, and given good weather a great game is assured.

The team to represent Campbellton has not yet been chosen, but the best available talent will be on hand.

STEAMER CANADA GOES AGROUND

Vessel Runs on Shoal Last Saturday on Trip to Gaspé But is Undamaged

During a heavy storm Saturday evening when passing New Carlisle the S. S. Canada took the ground when making her usual run to Gaspé. The weather at the time was very dirty and it is supposed that a mistake was made in picking out the light beyond New Carlisle. Assistance was wired for and the government steamer Princess from Gaspé and the tug Frederick from Bathurst put out to the Canada's assistance, but they were not required the steamer getting off the bank undamaged and proceeding on her voyage to Gaspé. The Princess was met by the Canada as she was proceeding to assist, and the Canada was very little late on arriving at Gaspé. On seeing the owners the Graphic was informed that the steamer had received no damage, and is making her usual runs.

CASE AGAINST WOODS DISMISSED

Bathurst Grand Jury Finds no Bill Against Driver of Wrecked Train

Bathurst, N. B., Aug. 26.—In the case of J. C. Alfred Woods, an I. C. R. locomotive engineer, indicted for fatal manslaughter in connection with a wreck at the I. C. R. depot here last winter, the grand jury of Gloucester County today found no bill, and the accused was therefore honorably discharged.

In the wreck, Driver Woods was in the cab of the engine which ran into the van of a freight train killing two people. He was charged with manslaughter, and in the preliminary examination was committed for trial.

The matter came up in the Gloucester Circuit Court today, Judge H. A. McKeown presiding. The grand jury stood 11 to 10, and as twelve were necessary for a true bill the matter was thrown out.

This is the first time in the history of maritime railways that an employee has been prosecuted for manslaughter as the result of a fatal wreck.

SHOOTING FOR CUP ON LABOR DAY

Big Entry is Expected for the Montgomery Cup. Hamilton Medal Also to be Won

Arrangements are now completed and entries are being made to Capt. White for the Montgomery Cup competition which will be shot for on Labor Day at the local range. This competition is open to riflemen from Restigouche, Gloucester, and Bonaventure and competitors may use any recognized match rifle. The Distances will be 200, 500 and 600 yards, seven shots at each range and the entrance fee is 50 cents which includes ammunition.

From the scores made in the cup competition a handicap match will be held for the silver medal presented by P. W. Hamilton and confined to the members of the Restigouche Rifle Association. Shooting starts at 200 yards range promptly at nine o'clock and intending competitors are urged to make their entry now thereby saving time at the range on the day of the match.

Much interest has been awakened in shooting circles by the presentation of this silver cup by Mr. H. C. Montgomery, which will become the property of the winner outright and it has been much admired by the many visitors to Montgomery's store where it is now on view.

New York, Aug. 27.—Lord Strathcona, Canadian High Commissioner to England who sailed for this country on Saturday last, has accepted an invitation to attend the annual meeting and banquet of the American Bar Association in Montreal September 1. The association made public today Lord Strathcona's cabled acceptance just before he sailed.

COUNTY COUNCIL NOMINATIONS

The nominations for county councillors closed on Monday evening. In the parish of Addington only one name has been placed in nomination, Mr. H. C. Gillis. The paper of Mr. A. G. Adams was not put in till Tuesday, which was too late, for according to the act the time expires on Monday evening at six o'clock.

For Eldon: Messrs. Murdoch Firth, and B. F. Peters.

Balmoral: D. A. Arseneau and Edward Bernard.

Colborne: John C. McLean, John T. Hamilton, John Giroux and P. Laviolette.

Durham: John Lawlor, Archibald Murchie, John Kerr and Frank LaPointe.

Dalhousie: John Dickie, Alex. Leveque, Wm. McNeish and John J. Arseneau.

Polling will take place next Tuesday, and another election will need to be called for the parish of Addington.

TEMPERANCE SPEAKER ON TOUR

Mr. John H. Roberts Secretary of Dominion Alliance Will Tour the Gaspé Coast

Mr. John H. Roberts, Secretary of the Dominion Alliance, will shortly make an extended speaking tour of the Province of Quebec and visit every important place in the interests of the Alliance. Mr. Roberts has been tied to the city very closely ever since he became Secretary of the Alliance, three and a half years ago and has consequently been unable to visit the other parts of the province very often. There is a widespread desire on the part of the Temperance workers all over the province to hear Mr. Roberts whose work in Montreal has made people in the outside districts anxious to hear him. Mr. Roberts is therefore arranging this speaking tour to enable him to get in touch with the local workers and stimulate and arouse interest in the Temperance cause throughout the Province.

On Sundays during his tour Mr. Roberts will preach and speak two or three times and on week days he will address an afternoon meeting for women, hold a Round-Table Conference of temperance workers and deliver a lecture at night. In all he will address eighteen or twenty meetings each week.

The speaking tour will have its opening on the Gaspé Coast next week when Mr. Roberts will visit the following places on dates named.

New Carlisle Aug. 31st and Sept. 1st.

Paspébiac Sept. 2nd.

Port Daniel Sept. 3rd.

NEW RICHMOND MAN IN TROUBLE

Jas. Robertson Escapes to States—Sheriff Has Warrant For His Arrest

Rumors is rife in the town regarding the serious trouble a man named Jas. Robertson, well known in New Richmond, has got into. From reports received here it is stated that Robertson passed through here on Tuesday, on his way to the States rather than face the charge of attempted rape. The victim of the outrage was his niece, a little girl named West, aged nine years, and the occurrence has caused quite a sensation down the coast, where the families are prominent and well-known. It is understood that the sheriff has a warrant for Robertson's arrest.

QUEBEC SURPLUS FOR THE YEAR

Gouin Government's Good Showing—Succession Duties More Than Million

Quebec, Aug. 28.—The statement of the receipts and expenditure of the province of Quebec for the fiscal year ending June 30, 1915, shows that the Gouin administration has a surplus of \$429,829.85, receipts being \$8,838,877.84 and expenditures \$7,958,984.99.

The most considerable item in the receipts is the dominion subsidy of \$2,025,705. The next productive sources of revenue are the landowner forests department, which is responsible for \$1,760,466 and succession duties which amounted to more than \$1,000,000. It is said that there are still one or two large sums to come from other estates.

MRS. PANKHURST TIRED OF FIGHTING

Writes Her Lieutenants to Take a Holiday

London, Aug. 25.—Rumors which have been current of a truce between the militant suffragettes and the British government seem to find support in a letter written today by Mrs. E. Pankhurst, the suffragette leader, to her followers, advising them to take a holiday. She says: "I am gathering up strength for a renewed battle when the holiday season is over. I hope that every one of you will take advantage of the present lull in political activity to take the rest and change you so richly deserve."

Another indication that an agreement has been reached is the cessation by the authorities of the enforcement of the provisions of the "Cat and Mouse act." Out of forty-three suffragettes sentenced to imprisonment for various offences, only one is now in jail. Most of the others are following their ordinary avocations and no attempt is made to re-arrest them.

CONSIDERATION PROMISED

Mr. G. A. Hayes of the I. C. R. met a deputation of the milk dealers of St. John who, while not complaining of the increase of rates under the new system governing the transportation of milk, alleged that the rule of getting a ticket for each can was cumbersome and did not produce results commensurate with the outlay. Mr. Hayes promised consideration. Another thing which was being inquired into was the warehouse charges levied on all goods left in the warehouses over the stipulated free time.

"NED" GREEN IS 45

New York, Aug. 21.—E. H. R. Green, only son of Mrs. Hetty Green and prospective heir to the bulk of the enormous wealth possessed by his mother, reaches his forty-fifth birthday anniversary tomorrow. Despite the fact that some day in all probability he will be one of the wealthiest men in America, Mr. Green is a modest and unassuming man who works hard and indulges in few hobbies. The past few years he has made his home in this city, looking after some of the great financial interests of his mother, though he continues to spend a part of each year in Texas, where he is interested in railroads and other enterprises. Mr. Green is unmarried.

ECONOMIC BURDEN OF THE LIQUOR TRAFFIC

Nothing has contributed more to public sentiment against the liquor traffic than the growing conviction on the part of society that the economic loss and waste due to its existence is so great that it can no longer be tolerated. In a recent work on the "Economic and Moral Aspects of the Liquor Business," by Robt. Bagnell, Ph. D., D. D. of New York, the author, after outlining the direct cost of the liquor traffic, makes the following statement concerning the indirect cost of the business:

Indirect Cost of Liquor Traffic
There are many friends of the saloon who declare that the license fees take care of all the increased cost to society in police departments, courts, hospitals, prisons, jails, care of the insane and paupers, etc., which are necessitated because of the presence and evil effects of the saloon in the community. For reasons which are apparent we cannot reduce the evidence to statistical tables, for, as has been said, the exact data upon these subjects cannot be obtained. Yet the facts themselves can be known.

Take the case of New York City, a most favorable illustration for the saloon because of the high license paid. The standing committee of the State Charities' Aid Association has this to say upon the single item of intoxication: "The report of the Boston Committee estimated that one-eighth of the expense of the police department of Boston was necessitated by the cost of arresting and caring for cases of intoxication; this estimate applied to New York City would mean that \$1,650,000 are expended in New York annually for this purpose. The actual cost of maintenance of the Magistrates' courts is approximately \$400,000. Twenty-three per cent of all cases that come before these courts are arrests for intoxication; in other words, it costs the city \$92,000 annually to try the persons charged with intoxication. The annual cost of maintenance of the department of Correction is approximately \$1,000,000; at least one-fourth of the inmates of the institutions under its care are serving sentences for intoxication, i. e. about \$250,000 are expended annually by the city of New York for custodial care of persons arrested for intoxication.

"In Bellevue and allied hospitals there are annually from 7,000 to 9,000 cases of alcoholism, and in the hospitals under the jurisdiction of the department of Public Charities, there are annually 2,000 cases. This means that the persons treated in the municipal hospital for alcoholism alone, to say nothing about other diseases brought on by alcohol, cost the city at least the sum of \$320,000 annually.

"The present annual cost to the city of New York for public intoxication is, therefore, if these conservative estimates are correct, \$2,412,000."

This is for the single item of public intoxication, to which must be added the following:

(a) The permanent care of the alcohol insane of all kinds; (b) the whole cost for the arrest, trial, and conviction of criminals made such by the excessive use of liquor; (c) that proportion of prison expenses which is chargeable to the care of criminals who have become such through drink; (d) the permanent care of the paupers who have become such in part or in whole through their own intemperance, or that of others on whom they depended for support.

"The total of these items would be very large, and it is very doubtful whether the license money of New York's between 10,500 and 11,000 saloons would pay the bill. Besides this, all the graft and waste resulting from the corrupt alliance of the saloon and politics must be taken into account.

The most dangerous phase of the revenue question is the national one. The cost to the national treasury from the saloon evil is comparatively light, and the revenue derived is a very large sum. The reports of the Commissioners of Internal Revenue, issued August, 1910, show receipts of \$208,601,500.09. This immense revenue paralyzes the moral nerves of the authorities at Washington, and little help in controlling the evil can be expected from that quarter until the work in the various states is far advanced. Fortunately the beginnings must be made in the smaller unit.

ZAMBUK

MRS. A. SARCH, of Campbellton, Mont., Sask., writes: "My brother suffered severely from eczema. The sores were very extensive, and burned like coals. I tried all the best doctors, but all the fire, and quickly cured him. Within three weeks of commencing with Zambuk treatment, every sore had been cured."

This is but one of the many cures we are constantly receiving from people who have proved the healing power of Zambuk. For eczema, skin troubles, itching, and all the troubles there is nothing like the wonderful Zambuk. The Zambuk should be considered invaluable until Zambuk has been tried.

PROTEST FROM BOARD OF TRADE

Object to Harvest Excursions Without Corresponding Rates from West to East

A strong protest was registered on Monday by the St. John board of trade against harvest excursions which by giving cheap transportation from East to West without any corresponding rates in the opposite direction, yearly rob the east of Canada of a large number of its citizens for the benefit of the West. The protest took the form of a resolution which had been drawn up by J. M. Robinson, president of the board of trade, and which was endorsed by the council which met Monday. Besides the decision to communicate directly with the railway commission to ask that such discriminating rates of fares be disallowed, the resolution contained a clause which will result in a request being sent from St. John to all the boards of trade of Eastern Canada that similar action be taken by each and all of them.

The text of the resolution follows: "Whereas, certain railway companies, in advertising what are termed 'harvest excursions,' offer exceptionally low rates of fare to people travelling from the eastern provinces, to the western provinces of Canada, but charge much higher rate of fare to bring the same people back again to the east; and Whereas, this difference in the rates going westward and eastward, constitutes an unfair discrimination against the eastern provinces, making it difficult to return; therefore Resolved, that this board of trade petition the railway commission of Canada to disallow such discriminating rates of fare, and order the railways to convey excursion passengers eastward at the same charge as they are conveyed westward and further Resolved, that a copy of this resolution be forwarded to all the boards of trade in eastern Canada, with a request that they take similar action.

Canadian Iron Corporation With Large Capital in Difficulties

Press despatches announce that the Canadian Iron Corporation which controls the Bathurst Iron Mines, is in financial difficulties and that a receiver has been called for. This company has mills in Nova Scotia and Ontario but owing to the keen competition of American mills, some of its finances have been closed down. It is expected that the company will still carry on its operations in some localities and it is likely the Bathurst mine will be worked as this is a paying proposition. We trust such a report will prove correct as this undertaking means much to Bathurst and the North Shore.

THAW'S STORY IS BRIEFLY RETOLD

The Editor has been asked by several people as to the exact date when Stanford White was shot by Thaw, and the following brief outline of incidents in Thaw's life is compiled for the benefit of our readers.

June 25, 1906—Thaw shot and killed Stanford White at the Madison Square Roof Garden.

January 22, 1907—Thaw's trial for murder started.

March 20, 1907—District Attorney William Travers Jerome halted Thaw's first trial to prove him insane. Thaw bitterly opposed this proceeding, desiring trial to continue.

April 5, 1907—Commission pronounced Thaw sane.

April 12, 1907—Jury before which Thaw was tried disagreed and was discharged.

February 1, 1908—Thaw acquitted by jury on his second trial, on the ground of insanity. Justice Dowling committed him to Matteawan as a dangerous lunatic and sent him immediately to that institution for the criminal insane.

April 22, 1908—Thaw applied to Justice Morschauser for his first writ of habeas corpus.

May 8, 1908—Dr. Amos T. Baker, superintendent of Matteawan, in his return to the writ opposed Thaw's release.

May 14-17, 1908—District Attorney Jerome directed fight on the writ at hearings.

May 25, 1908—Justice Morschauser dismissed writ, asserting Thaw's release would be "dangerous to the public."

June 18, 1908—Justice Morschauser denied Thaw's application to be transferred to Middletown State Hospital.

June 29, 1908—Thaw demanded a jury trial to prove his sanity.

September 16, 1908—Justice Mills denied application.

January 4, 1909—Thaw appealed.

July 5, 1909—The Appellate Division denied Thaw's appeal.

July 14, 1909—Justice Mills at White Plains heard Thaw's application for release on the ground that he was then sane.

August 12, 1909—Justice Mills ordered Thaw returned to Matteawan, dismissing his second writ.

August 26, 1909—The Court of Appeals sustained the Appellate Division decision that Justice Mills was justified in denying Thaw a jury trial.

December 30, 1909—The United States Supreme Court refused to review the action of the New York State Court of Appeals.

April 28, 1912—Justice Stapleton is sued third habeas corp; a writ for Thaw.

July 26, 1912—Justice Keogh dismissed the third Thaw writ.

November 22, 1912—Thaw gave \$25,000 to J. N. Anshut to influence Suprt. Russell of Matteawan to obtain his release.

March 1, 1913—Thaw got fourth habeas corpus writ, in New York County.

March 16, 1913—Thaw's counsel, ex-Gov.

RHEUMATISM KEPT HIM IN BED

Suffered Tortures Until "Fruit-a-lives" Cured Him

McMILLAN'S CORNER, ONT.

Sept. 30th, 1910

"Your remedy, 'Fruit-a-lives' is a perfect panacea for Rheumatism. For years, I suffered distressing pain from Sciatic or Sciatic Rheumatism, being laid up several times a year for days at a time. I went to different doctors who told me there was no use doing anything—it would pass away. They gave me mustard plasters and other remedies that did no good. Plasters took no effect on me—except to blister me and make raw spots. I took many advertised remedies without benefit, but fortunately, about two years ago, I got 'Fruit-a-lives' and they cured me.

Since then, I take 'Fruit-a-lives' occasionally and keep free of pain. I am satisfied 'Fruit-a-lives' cured me of Rheumatism and they will cure anyone who takes them as directed. If this letter would be of value to you, publish it!" JOHN B. McDONALD.

Indeed, this letter is of value to me and to the thousands of sufferers from Rheumatism, Sciatica, Lumbago and Neuralgia. It points the way to a certain cure by the use of 'Fruit-a-lives', 25c. At Dealers or from 'Fruit-a-lives' Limited, Ottawa.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can be cured by Hall's Catarrh Cure. Send for circulars free.

"NA-DRU-GO DYSPEPSIA TABLETS

Proved of Great Value to Me"

There is only one explanation for the number of enthusiastic letters that we receive praising Na-Dru-Co Dyspepsia Tablets, and that is that these tablets certainly do cure any kind of stomach trouble.

Here is a typical letter from Miss Helen Armstrong, Canso, N.S.:

"It is with pleasure I write to inform you that your Na-Dru-Co Dyspepsia Tablets have proved of great value to me. I tried remedy after remedy but without any lasting good. Having heard of your tablets curing such cases as mine I decided to give them a fair trial. They proved satisfactory in any case."

The remarkable success of Na-Dru-Co Dyspepsia Tablets is such a success as can only come to an honest remedy, compounded according to an exceptionally good formula, from pure ingredients, by expert chemists. If you are troubled with your stomach just ask your Druggist about Na-Dru-Co Dyspepsia Tablets, compounded by the Medical Drug and Chemical Co. of Canso, Lunenburg, and sold throughout the Dominion at 50c a box.

INDIAN PRINCESS WEDS HER CHOICE

Daughter of Gaekwar of Baroda Weds After Romantic Courtship

London, Aug. 25—Two of the most powerful native ruling families of British India were united today when Princess Indira only daughter of the reigning Maharajah Gaekwar of Baroda, was married here to the Prince Jiendra, son of the Maharajah of Cooh-Behar, after a romantic courtship.

The initial ceremony, which took place in the strictest privacy, was performed at the hotel where the young bride has been staying and was accompanied by the customary Hindu rites, as prior to the marriage, the Princess Indira had been received into the Brahmin faith, the faith of the bridegroom. Subsequently the forms of a civil marriage were gone through with at a registry office.

The most intense interest has been aroused in the attachment of the couple, whose wedding had first been fixed to take place in India on May 5, but it was suddenly broken off, after which the bride and her parents sailed from Bombay for England, and were followed by Prince Jiendra.

It is understood that the Gaekwar finally yielded to the importunities of his daughter and consented to the marriage, at which, however, he was not present.

The bridegroom created something of a sensation this morning by appearing at the hotel in his magnificent Indian robes of white silk heavily embroidered with gold. Following the ceremony there was a wedding breakfast of which thirty guests participated.

The bride's father and brother, Shrimai Jaisingrao, are both well known in the United States, where the latter studied at Harvard. Her mother, the Maharani, is a woman of advanced ideas, and is the author of a book on the position of women in India.

Evening on the Restigouche River (By S. Weir Mitchell)

The air is cool; a mist hangs low Above the wild waves gleaming flow, An earth-born cloud, a prisoner fair Held captive from the upper air. Its life is brief, 'tis gone unseemingly, As souls set free. The blue serene Shall claim it, as of heaven's race, It speeds, a wingless way through space, As souls set free; Oh, memories fair That substance of my boyhood were; What subtle power of the brain Called that dear company again: Those honest eyes of tranquil grey That heart that knew but honor's way.

And one, the strong, the saint of pain,— That visage smiles for me again, Laughs as it smiled when life was here, Smiles as it smiled when death was near.

What thought-linked sweetness of the hour Bade memory's folded buds to flow—er? The dim horizons of the mind In vain I search, nor answer find. The somber woods make no reply; The busy river rambling by, Is silent; silent is the sky. And yet today this nature dear Than human help seems far more near.

And closer to my listening soul The rhythms of the rapid roll Than any words of human tongue, Than any song of poet sung. (Dr. Mitchell, the author of the foregoing poem and one of the greatest medical authorities of the present age, is well known on the Restigouche, where for many years past he spent his summer vacation as an angler, with Mr. Dennis Fitzgerald of Matépédia as his special guide.)

Control Your Coal Expenditure

In the Gurney-Oxford range you will find more exclusive features, more essential improvements that appeal to the thrifty housewife than have ever before been found in any one kitchen range.

But most important of all is the Economizer. This clever device for regulating the drafts saves 1 ton of coal in every 6 that you would burn in the ordinary range. It takes the smell of cooking out of the kitchen and sends it up the chimney. You know what that means.

The Economizer enables you to absolutely control the amount of coal you wish to consume and still have a perfect heat for cooking. It will enable you to keep your fire going while you go out shopping or visit your neighbor, and all that is necessary for you to do on your return is to press the small lever and you are assured of a hot fire in a very few moments.

A Gurney-Oxford stove is sanitary—no dirt can accumulate on its beautifully smooth surface.

A removable nickle trimming makes it easy to keep this range always bright and new in appearance.

Of paramount interest also are the other remarkable and exclusive attachments—the Special Grate, the Divided Flue and the Broiler.

Every woman who knows owns a Gurney-Oxford.

IMPROVE MAIL SERVICE

The mail service to points surrounding Campbellton is of vital interest to this town, and should be closely scrutinized, so that the very best service possible may be obtained.

We believe that the mail service to Head of Tide and Flatlands, and all the adjacent offices which are served therefrom, is not now being conducted in the best interests of Campbellton, and should be looked into at once.

The Graphic was informed by a resident of Flatlands that the people of that district are disgusted with their service. They cannot get their mail matter until it is two days old. Mail despatched from Campbellton each morning at 8.15 is carried by their doors, taken up into the Province of Quebec until the local coming east is crossed, when it is hauled back and dumped off at their station between nine and ten o'clock at night when most people have retired and consequently they do not get it until the following morning.

Letters and papers mailed in Montreal, which is hundreds of miles distant reach these offices as quickly as mail sent from Campbellton, which is only a few miles distant.

All that is required to improve the service is for the mail carriers to meet the train going west instead of going east. This would not delay the mail coming from Montreal

or other Quebec points more than a half hour, whereas by the present arrangement, Campbellton mail is delayed twenty-four hours. We are sure that if this matter were brought to the notice of the Post Office department by the Board of Trade, the matter would be immediately remedied. It should be attended to.

We are pleased to note that the Graphic's remarks re beer licenses has borne fruit and that the Liquor License Commissioners are asking all retailers of soft drinks to make application for licenses. We trust that the Commissioners will insist upon the letters of the law in all cases and only grant licenses to those who have proper premises in which to conduct business.

In his address at the banquet to the members of the Maritime Press Association at the Union Club, St. John, last Thursday evening, John T. Hawke, the learned editor of the Moncton Transcript, had occasion to mention the great development which has taken place along the line of the I.R.C. through the Matapedia valley.

CANADA TOPS WORLD

London, Aug. 27.—The report of the enquiry instituted by the home Government into the cost of living of the working classes, in addition to dealing with conditions at home, contains some comparisons of prices in foreign countries and the overseas dominions. The compilers of the report admit that they have had difficulty in bringing together diverse figures and values from all parts of the Empire into a general comparison. Their conclusions, however, if not absolutely reliable, are none the less interesting.

The chief feature of the report is the evidence it offers that the rise in prices is world-wide. The rise has been greater in foreign countries, with the exception of France than in Great Britain. The greatest rise has been in Canada, Austria-Hungary, the United States

WORLD'S LARGEST VESSEL ON FIRE

Conflagration Started While Giant Liner Was in Dock at Hoboken

New York, Aug. 28.—The steamboat Imperator, the largest vessel afloat, was swept by fire early today, when she lay at her dock at Hoboken with her crew and 1,131 steerage passengers aboard.

Second officer Gobrecht, who led the crew into the hold to fight the flames, was cut off from his men, enveloped in a cloud of smoke, and suffocated, his body was found later untouched by fire and brought ashore.

A seaman, identity not yet determined, one of the party who went down with Gobrecht into the bowels of the vessel, was missed at roll call. He undoubtedly perished, too.

A fleet of fire fighting craft, augmented by apparatus on shore, surrounded the ship and poured tons of water into her hold. When the fire was checked at 8 o'clock the great vessel had listed fifteen degrees.

The small army in the steerage, aroused from their sleep by the crackling of flames, rushed, panic stricken for the pier.

Most of them returned to the ship for their clothing, when reassured by the ship's officers and spent the remainder of the night huddled in discomfort at the shore and of the pier.

None of the steerage passengers had been inspected by the customs or health authorities. Because of this, armed guards surrounded them. The immigration authorities planned to rush them to Ellis Island at the earliest possible moment this forenoon.

Toronto, Ont., Aug. 28.—Hon. E. G. Stevenson, supreme chief ranger of the I. O. F., announced yesterday that he would personally provide and maintain while he lives, a home for aged Foresters. It will be a haven of rest for old members of the order who are without friends and may be a little perplexed as to their maintenance in their declining days.

YOU ARE NEEDED Your attendance at the Board of Trade meeting tonight is needed to dispose of an important matter.

BOARD OF TRADE An important meeting of the Board of Trade will be held tonight. Every member should be on hand.

PICNIC The Athol mill picnic will be held at Athol on Labor Day, (Monday). A committee have arranged a program of sports and dinner will be served.

CARD OF THANKS Mr. James Cooling and family wish through the GRAPHIC to thank the many friends for the kindness and sympathy extended to them in their recent sad bereavement.

FOR BURGLARS Police throughout the Maritime Provinces have been warned to be on the look-out for burglars. It is reported that a large number of crooks are heading towards the provinces.

OPEN AIR SERVICES The open air services will be continued next Sunday on the Government wharf at 8:30. Rev. John Squires will be the speaker.

WORSE PLACES THAN N. B. Mr. L. B. McMurdo and family who left New Brunswick in May, 1911, to grow up and get rich in the West has returned, a wiser but poorer man. Like many others he finds that there are worse places in which to live than New Brunswick. Mr. McMurdo will locate at Moncton.

FOR LABOR DAY An excursion to Anderson on the International will be held on Labor Day in aid of the new church here. Special reduced fares have been arranged for and the committee in charge give promise of a good entertainment.

NOT TRUE It was currently rumored around town that the Chatham team were to play in Moncton, but that is not the case. The Chatham team will appear here in a double header on Labor Day.

EXCURSION The S.S. Canada will run an excursion to Gaspe for Labor Day, leaving here tomorrow at 11 a.m. and returning Monday. This will probably be the last excursion of the season, and given good weather makes a most pleasant outing.

HEAVY TRAFFIC Travel on the Intercolonial railway is very heavy at the present time. On Friday evening last the Ocean Limited went west in two sections, the two containing seven pullmans, two diners, two first class, one second class and two baggage cars. All the passenger cars were crowded. The Toronto Fair was responsible for part of this traffic.

NEW RIFLE Mr. John Landry is the proud possessor of a Waffenfabrik Mauser sporting rifle, using the .30 Caliber U. S. G. 1906 cartridge. The gun which is a very powerful one is of high grade Walnut Stock, with check pieces, 24 half Octagon barrels and raised matted rib, rubber butt plate, horn cap and checked pistol grip and fore-arm, sling swivels, military rear sight graduated from 50 to 1000 yards, protected silver bead front sight, single and hair trigger, dull blue finish throughout, and weighs about seven pounds. The bullet used is a pencil point, and the gun easily shoots the projectile through a steel rail. The weight of the bullet is 150 grains; weight of powder, 50 grains of pyro-cellulose; muzzle velocity, 2700 ft. per sec.; muzzle energy, 2430 ft. pounds.

SERIOUSLY ILL The many friends of Mr. Shan Mann will regret to hear he is again confined to the house through illness.

CARD OF THANKS Mr. Theberge and family wish to thank all the friends for sympathy and kindness extended to them during their recent bereavement.

GIVES JUDGEMENT Judge Matheson gave judgement this week in the recent fishery case deciding against Mr. Robt. L. Duncan. He was fined \$10 and costs.

DRIDGE HERE The dredge "St. Lawrence" arrived here this morning and is a welcome object at the wharf. The channel is badly needing a clean out.

DEPUTY MASTER At the recent meeting of the Masonic Grand Lodge at St. John, Mr. Charles A. Alexander was appointed one of the Deputy Grand Masters.

CURIOS HEAD A curious moose head is on view at St. Louis Hotel, the twisted and gnarled horns causing much comment among the sporting fraternity. The animal was shot in Halifax Co., near Sheet Harbour.

CORRECT WINNER In the list of winners of Governor Wood's medals, Miss Marion Ellis was given as the successful pupil from Gloucester. This was an error. The medal was won by Miss Hazel E. Baldwin of the Grammar School.

OFF FOR QUEBEC Councillor Trisault and Street Commissioner Taylor left for Quebec on Tuesday evening to attend the Exhibition. The Commissioner has been sent by the council to attend the demonstrations of road making.

SAW WHITE DEER Several railroad men have reported seeing a white deer near Beaver Brook. Big game is also reported plentiful along the Mismisqui and its tributaries, and the local guides expect a much larger number of sports this season than last year.

ROBBERY AT STATION I. C. R. Detectives Trenholm and Calligan are in town this week in connection with the robbery in a private car at the Newcastle Station owned by Seven Hours in New York Open Co. The robbery was committed Friday night.

PROFESSIONAL Dr. A. Pierce Crockett, eye, ear, nose and throat specialist of St. John, will be at the Waverly Hotel, Campbellton, FRIDAY, AUGUST 29th, where he may be consulted professionally. Aug. 21-22

NOT QUITE RIGHT The Moncton Times of Thursday says: "From plans now shaping it is hoped to add yet another feature to the Labor Day programme in the shape of a long distance walking race between two B. of L. E. men well known in this division of the I. C. R. One of the proposed contestants is Mr. Michael O'Shaughnessy, the well known locomotive engineer, of Newcastle, while his opponent is Mr. Duncan Gallen, who runs an engine out of Campbellton. It is understood that Chairman Smallwood is doing his best to promote a meeting between the two 'eagle eyes', and wagers are already being made locally on the favorite, as there is a local tradition which credits him with walking six miles before breakfast every morning." Seen this morning Mr. Gallen told the Graphic that this was the first he had heard of it.

A BREACH OF PROMISE CASE

Prominent Citizen Charged With Trifling With A Widow's Affections

For some time, it is alleged one of our prominent citizens has paid more or less attention to a young and beautiful widow of this town, forgetting or at least not heeding the advice of the immortal Mr. Weller to his son Samuel to "beware of the widders."

He now claims that he was not serious in his attentions and that he was not attached to her, but however that may have been, the widow became attached to him, and as he seems to have lost interest in the matter, she has attached his property, which is a form of attachment that he does not enjoy.

The result is, that he finds himself the defendant in a first class Breach of Promise Case and his questionable attitude towards the widow will be given an airing in the near future. The parties in the case are so prominent that it is feared that no court room will hold the vast crowd desirous of attending the trial, so it will be held in the Opera House, on Monday evening, September 8th, under the auspices of Campbellton Lodge No. 32 K. of P., for whose benefit the proceeds will be devoted.

In other words, it will be a Mook Court Trial, and it promises to be one of the most enjoyable affairs of many years, as a large number of our leading people will participate in the proceedings.

The committee having the trial in charge have engaged Col. A. V. Newton, the well-known lawyer-lecturer of Worcester, Mass.

Col. Newton has had remarkable success in conducting similar entertainments and without doubt the Breach of Promise Trial will be here, as elsewhere, an event long to be remembered with pleasure.

TRIPLE WEDDING Tracadie, N. B., Aug. 22.—On Tuesday, August 12, a triple wedding was celebrated at St. John Baptist Church, Tracadie, by Rev. Father Levasseur, the bridegrooms being Messrs Frank, Albert and Jonas Ferguson, the three sons of Mr. George Ferguson, and the brides, Miss Josephine Bideau, Miss Zulma Godin and Miss Blanche Mills, all of Tracadie. Miss Bideau wore a costume of white satin, with applique and pearl trimmings, and a white hat with ostrich trimmings; Miss Godin, cream veiling with white hat, and Miss Mills a cream costume and black hat with touches of pink. After the ceremony the wedding party drove to the home of Mr. George Ferguson, where breakfast was partaken of, and later dinner was served. In the afternoon all drove to the home of Mr. Charles Mills, father of Mrs. Jonas Ferguson, at Brantville, where supper was enjoyed, and a pleasant evening spent. Many useful and pretty gifts were received by the happy young couple. Miss Bideau, received a number from friends in Loggieville, where she resided for the past three years. Mr. and Mrs. Frank Ferguson will reside at Sheila, where the groom has purchased a new home. The best wishes of the community are extended to the three happy young couples.

STONE CHURCH Moncton, N. B. Aug. 26.—At a largely attended meeting of the First Baptist church last evening it was decided to proceed with building the church entirely of stone. The building committee recommended acceptance of the tender of J. M. Clarke, Summerside, P. E. I., for brick building with stone trimmings at a cost of \$32,200. As the cost of a stone church when completed will be about \$75,000, the building committee did not see their way clear to recommend a stone building. Since then, however, some of the larger contributors, feeling that it would be a mistake to build of brick, have expressed a willingness to increase their subscriptions for a stone structure. The lowest tender for stone was from James Read, Yarmouth, for \$92,476. The trustees were authorized to enter into a contract with Mr. Read and proceed with the work as soon as possible.

NEWCASTLE SENSATION Newcastle, N. B., Aug. 25.—Ronan's beer shop was raided yesterday afternoon by Police Constable Broecker, and the youthful proprietor and six townsmen were arrested charged with gambling. Several others escaped through the back window. The seven were arraigned in the police court this morning, were admitted to bail, and the trial postponed till Friday. One or two other establishments in the same business heard of the raid in time to save themselves from a similar fate.

RECORD FAMILY OF 27 CHILDREN Quebec, Aug. 21.—Mr. and Mrs. J. Michaud, of Levis, are the happy parents of twenty-seven children, the last of which was born and baptized yesterday. Of the twenty-seven children, eighteen are living. This is the largest French-Canadian family in the sister cities of Quebec or Levis.

FLATLANDS

Death has removed from our midst one of our oldest and most respected citizens, in the person of Mrs. James Cooling, who died at her home on Monday, Aug. 18th, aged 61 years.

Five days previously Mrs. Cooling was stricken with paralysis, from which she never regained consciousness.

A husband and two sons, John of Glencoe and N. G. of Flatlands, and two daughters, Mrs. John McDonald of Flatlands and Miss Janie at home survive her.

The funeral was held Wednesday and was very largely attended, Rev. Mr. Fisher conducting the services.

"Were all medicines as meritorious as Chamberlain's Colic, Cholera and Diarrhoea Remedy the world would be much better off and the percentage of suffering greatly decreased," writes Lindsay Scott, of Temple, Ind. For sale by all dealers.

NEW RICHMOND

A very sad accident occurred on Monday the 18th inst., when Leona and Eva Cormier aged 28 and 19 years, daughters of F. J. Cormier, harbor master, were drowned in Goose Lake, about one-half mile from their home. The two girls went to pick berries and while attempting to cross the lake both were upset from the canoe and the girls being unable to swim and no help near, there was no chance of escape. The elder girl was found shortly after the accident, and after having the lake dredged all that night and the next morning Eva was found about one o'clock a. m. Interment took place in the R. C. church at eight o'clock Thursday morning, the 21st inst, the Reverend Father Morin of St. Jules officiating. Much sympathy is extended to the bereaved parents by many friends.

This leaves us a striking example of the folly of anybody trying to handle a boat in deep water, unless thoroughly capable of so doing.

Mr. W. S. Gonsalus, a farmer living near Fleming, Pa., says he has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for fourteen years, and that he has found it to be an excellent remedy, and takes pleasure in recommending it. For sale by all dealers.

Chas. F. Greene, Winnipeg, spent some time here at his old home. He is highly pleased with the West, and gives a flattering account of the country where he is now living.

C. Demard after spending some time with his father, returned to his former home in New York. He is greatly missed by his many friends here.

A farmer in great need of extra hands at baying time finally asked St. Warren, who was counted the town fool, if he could help him out. "What'll ye pay?" asked St. "I'll pay what you're worth," answered the farmer. St. scratched his head for a minute, then announced decisively, "I'll be durned if I'll work for that!"

WOMAN SUFFERED TEN YEARS

From Female Ills—Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Bellefleur, N. S., Canada.—"I doctored for ten years for female troubles and did not get well. I read in the paper about Lydia E. Pinkham's Vegetable Compound and decided to try it. I write now to tell you that I am cured. You can publish my letter as a testimonial."

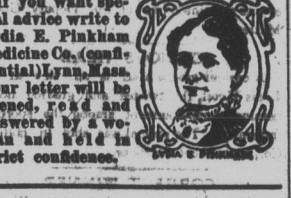

—Mrs. SUZANNE BARNES, Bellefleur, Nova Scotia, Canada.

Another Woman Recovers.

Auburn, N. Y.—"I suffered from nervousness for ten years, and had such organic pains that sometimes I would lie in bed four days at a time, could not eat or sleep and did not want anyone to talk to me or bother me at all. Sometimes I would suffer for seven hours at a time. Different doctors did the best they could for me until four months ago I began giving Lydia E. Pinkham's Vegetable Compound a trial and now I am in good health."

—Mrs. WILLIAM H. GILL, No. 15 Pleasant Street, Auburn, New York.

The above are only two of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which show clearly what great things Lydia E. Pinkham's Vegetable Compound does for those who suffer from woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

"Helen, you know that young man I told you I was going to twist around my little finger?"

"Yes. Did you succeed?"

"I tried."

"But did you succeed?"

"Well, I started out all right, but before long his arms were around me instead."

PROVINCIAL HOSPITAL PATIENT FOUND DEAD

Natural Causes Was Decision of Medical Man

The body of Arthur Donnelly, an inmate of the Provincial Hospital for Nervous Diseases, was found lying in a field by one of the patients on Thursday morning. Death is said to have been due to natural causes. Donnelly had been an inmate of the Provincial Hospital since 1909, and had always been regarded as an exemplary patient. He is a native of England of Irish parentage, and prior to becoming mentally unbalanced had resided in Fredericton with his relatives. When the body was found on Thursday, Coroner Kenney was notified and on his instructions Dr. Duval held an autopsy, decided that death was due to natural causes. Traces of meningitis and incipient tuberculosis were found. Coroner Kenney accordingly decided that an inquest would not be necessary and the body was removed to Fredericton. Donnelly was thirty-six years of age.

"I was cured of diarrhoea by one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes M. E. Gebhardt, Ordo, Pa. There is nothing better. For sale by all dealers.

CATHOLIC PRIEST WINNING FAVORS

From the Redondo (Cal.) press we learn that: The Catholic Annual Reunion Picnic took place this year at Redondo Beach last Saturday the 16th instant. The Rt. Rev. Bishop Conaty of Los Angeles was the principal speaker in the grand Pavilion erected on the Beach. Of the other speakers present the Rev. Father Campbell of Holy Trinity Church Burbank, Los Angeles, gave a most eloquent speech. He is a great orator. "Each day in Southern California surpasses the other in beauty, in climate, in sunshine and flowers, and one day alone is above thousands," said the speaker.

Rev. Father Campbell began his ministry after his arrival from Rome in 1893, in Campbellton, was pastor at Bessyby River for eleven years, and was pastor of Charlo, N. B. when he accompanied the distinguished Archbishop McNeil to Vancouver, B. C., now Archbishop of Toronto. From the Western papers we learn that Father Campbell is the most popular priest and orator in the West as he was in the East. Among Father Campbell's neighbors in California are Rev. W. F. Quinlan, St. Andrew's Pasadena, Rev. R. J. Cotter, D. D. South Pasadena, Rev. Jas. S. O'Neil, Glendale, Rev. T. Hawke, St. Monica's, Rev. M. Pernes, S. T. L. of St. Mathias Apostle, who were companions in study in Rome, Italy.

MARITIME CO-OPERATION

Two of the speakers at the press banquet on Thursday evening, President Robinson of the board of trade and Col. Baxter, referred to the importance of more and more co-operation between the maritime provinces, and Col. Baxter expressed the view that if the three provinces were actually united their position in the confederation would be improved. It is at all events true that co-operation is needed, in order that this section of Canada may be able to hold its own and receive its share of consideration from the government of Ottawa, no matter which political party may for the time being control the country's affairs. It is still true that in the opinion of too many people of Quebec, Ontario and farther west, the Dominion of Canada begins at the mouth of the St. Lawrence, while the lower provinces are of comparatively little importance. It may be hoped that the excursion of manufacturers to Halifax at an early date will enlighten many who are still ignorant of the greatness of our resources. Perhaps also their coming will suggest to the people of these provinces the importance of co-operation and united effort, when important results are to be accomplished. St. John Times.

FORGERY CHARGE STRONGLY DENIED

Former I. C. R. Man is Under Arrest at Moncton

Moncton, Aug. 25.—Soon after his visit to the parents of his young bride, A. R. McKinnon, Montreal, a railway man, was arrested here on a charge of forgery. Chief Rideout of the local force, received a telegram from R. G. Chamberlain, Montreal, Saturday night, to arrest and hold McKinnon. The telegram stating that McKinnon was wanted for forgery. He was formerly employed with the C. P. R. as a brakeman. McKinnon in his cell here admitted his identity but firmly declared his innocence. He says that a station agent on the line had given him an indorsed cheque amounting to \$80 asking him to cash it for him in Montreal. McKinnon said he did this and turned \$80 over to the agent. The C. P. R. authorities later questioned him about the cheque but he did not know they suspected him of forgery. Had he known they were going to have him arrested he says that he would not have left Montreal. I had no intention of remaining in the east, but was going back to Montreal after a visit with my wife's relatives, McKinnon says. McKinnon's wife is much affected. The couple were married a short time ago. A Montreal officer is expected here this afternoon to take McKinnon to Montreal.

EXHIBITION WILL BE BIG AFFAIR

The celebration of the Golden Jubilee of Fredericton's Exhibition will feature the proceedings at the Big Fair this September and every effort is being made by the management to make the anniversary, which marks the fiftieth year of the existence of the fair, one long to be remembered. The event marks an important epoch in the history of New Brunswick's Exhibitions as it is the oldest and best established in the Province.

Several of Canada's most prominent men will figure at the opening ceremonies. Bands representing many cities of New Brunswick and the State of Maine have been engaged to participate in the week's festivities, and excursions are being arranged for almost every day of the Big Fair from all points by land and by water.

The complete success of the fair has already been assured. The floor space has been nearly all taken up and practically all of the ground space has been granted for concessions, representing such a large and unexcelled line of amusements and attractions as have never appeared before at any exhibition or fair in the Province. The Midway or Pike will consist of twice as many attractions as seen at any previous show, and a good many applications for space here has been refused. However, to cope with this shortage of space, all available ground in the vicinity of the Fair grounds has been secured and has been partitioned off for concessions.

Three days racing will prove an added attraction to the lover of that sport and a good field of entries is assured of.

The dates—Sept. 15-20.

The McTavish family were dining, and each member eagerly watched Mr. McTavish carving the fowl; none so eagerly, however, as the dog, for that intelligent animal never took his eyes off the luscious bird. Suddenly, the knife slipped and sent a fragment of poultry rolling on the floor.

"Mighty me," cried McTavish, "the leg, my own favorite bit. The dog'll get it."

"No, he won't father," said the youngest McTavish. "He'll not get it. I've got my foot on it."—Portland Oregonian.

Very good specialties were introduced between the acts, Al Wilson as Ventriloquist and Harrison and Moffatt in comedy sketches.

For tonight the play will be "Arizona" a western drama and on Saturday night "Sunset Trail". They will be seen in a Saturday matinee in "St. Elmo". This dramatization of the well known novel is specially suited to this company, and every attention will be given to costumes and details. Mr. Harrison will be seen as Van Jiggins one of the best comedy parts ever written, while Miss Moffatt will take the difficult role of Edna Earl and her performance of this difficult part will not be a disappointment.

SUPREME COURT AT DALHOUSIE

The Supreme Court was in session at Dalhousie this week. Justice Barry on the bench. There were no criminal cases before the court, the trials being all non-jury. There were three cases on the docket, A. C. Belleisle vs. Jos. Boucher, Gaudin vs. Paul Doyle, Laughlan vs. Barclay. In the first named case judgement was reserved, the other cases being unfinished.

LOADED SHELLS FOR "SHAM BATTLE"

Starting Disclosure Made by Ontario Military Officers

Chatham, Ont., Aug. 28.—When the blue army in its manoeuvres, halted at noon yesterday, an inspection was made of the ball pounces and rifles. The officers were startled to find that several men were carrying loaded shells, such as are used in the regimental galleries. A thorough search was made and all such shells were taken up. Serious results might have followed the first skirmish had these shells not been discovered, for in the heat of an action, it would have been very easy for a man to confuse the loaded and the blank shells. There will be an inquiry as to the manner in which the men were accidentally served with loaded shells.

The theatre goers of Campbellton are assured a real treat when Harrison and Moffatt bring their own dramatic company to the Opera House on Aug. 28th. Tommy Atkins is with us funnier than ever, and has made thousands laugh since last playing your town. Another surprise will be to see Miss Gladys Moffatt playing leading roles in such plays as St. Elmo, Heart O' Tennessee, Sun-Set Trail and other different plays. It no doubt will be a most enjoyable engagement for the patrons of the Opera House to watch these little Canadians and see the way they are climbing up in the theatrical world. Leading and managing a first class company is not child's play, and Mr. Harrison has had the same company for three seasons without a change, which speaks well for his managerial ability. It has been the ambition of his life to bring his own company to Campbellton and thousands of miles have been covered to accomplish it.

OLD FAVORITES AT OPERA HOUSE

Harrison Moffatt Associate Players Score Success on Opening Night

The Harrison Associate Players who are old favorites in Campbellton opened a three nights engagement last night before a good house. Their opening play was "Heart of Tennessee", and afforded ample opportunities for the well-known abilities of Mr. Harrison and Miss Moffatt, in comedy roles. Mr. Harrison as "Rastus" was a most mirth provoking nigger or as he termed himself "a gentleman of colored descension", while Miss Moffatt was a captivating "Tatters" especially when she got something in her eye. The full cast was as follows:—

Very good specialties were introduced between the acts, Al Wilson as Ventriloquist and Harrison and Moffatt in comedy sketches.
