In presenting the Quebec and Levis Directory for 1872-73 the Publishers would take occasion to express their grateful acknowledgment for the very liberal patronage they have received to the work, this year the circulation of the Quebec Directory being increased by over 150 copies, as well as there being a greater amount of Advertisements than has yet appeared in any former work. They have much pleasure in congratulating the citizens of Quebec upon the marked prosperity of the city and the increase of manufactures—employing a large number of hands—the real source of the prosperity of any city. When the North Shore Railroad, now about being built, is completed, as well as other works of enterprise, Quebec will hold no secondary place in this great Dominion. The ancient capital has now received the turning point in her existence, and it is their hope that she will go on prospering, more and more, every year. Neither pains nor expense have been spared to make the accompanying work a complete Index, not only to the City of Quebec and its surroundings, but also to the rapidly increasing Town of Levis, or South Quebec, as it is more generally called. The size of the Directory has been increased this year, as they intend next year to include a complete Street Directory, as well as an Alphabetical Directory. In taking leave of their Subscribers till next year they have much pleasure in tendering their sincere thanks to the officers of the Government, Public Institutions, Corporation, Societies and Companies, for the kind and prompt manner in which they gave the information desired for the Miscellaneous part of the Directory. The Publishers feel convinced that the current issue will be found equally, if not more, reliable and perfect than any of its predecessors.

STADACONA DIRECTORY.

STADACONA

is situated on the River St. Charles, and connected with the City by "Bickell Bridge," very recently constructed by the gentleman whose name it bears. Although this village is outside the limits of the City, it may be considered a suburb of Quebec, possessing most of its advantages without being subject to its burdens. The population consists of about 90 families, containing some 540 souls, mostly of the working class, who gain their livelihood in the adjoining ship yards, of which there are five on that side of the river; three only, however, are in operation viz.: those of Messrs. Julien & Labbé, J. & J. Samson, and McKay & Warner; there is likewise a steam saw mill which is not now in operation. The Cast Steel Co. of Canada will shortly be in operation and will, no doubt, add greatly to the prosperity of the place. Hare Point, on the City side, has three ship yards, viz.: Messrs. W. H. Baldwin, Narcisse Rosa, and Louis Rosa, besides the lumber establishment of Mr. T. E. Gauvreau. It is to be hoped that in the good time that is now coming, when manufactures of all sorts will take the place of the now languishing industry of ship building, Stadacona will rank as one of the most populous of our suburbs. It is in every way suitable for the establishment of manufactories. On the heights above the River St. Charles is a fine level plateau, exceedingly well adapted for Villas, and overlooking the extensive valley of the St. Charles, with a fine view of the Parishes of St. Foye's, Lorette and St. Ambroise, on one side, and on the other bounded by the pretty little river "Lairet" having a splendid view of the City and Port of Quebec. Distant from Quebec about 1 mile.

LEVIS DIRECTORY.

A large and flourishing town on the south shore of the River St Lawrence, opposite Quebec, Seigniory of Lauzon, parish of Notre Dame de la Victoire, county of Levis. It is divided into three different wards, namely: the wards of St Laurent, Notre Dame and Lauzon. The head post office is in Lauzon ward, and branches of it in St Laurent and Notre Dame wards. An extensive trade of timber and fire wood is carried on here, which is surpassed in the province only in the cities of Montreal and Quebec. Several manufactures are in operation. Montreal Telegraph Co. has two offices here, one at the railway depot, and another in Hadlow Cove. The station of the Grand Trunk railway is situated in the St Laurent ward. Two steamboats ply every quarter of an hour between Levis and Quebec. Distant from Quebec one mile, fare 3c.; from Richmond 96 miles, and from Montreal 174 miles. Mail daily. Population about 10,000.
