Tenders Wanted

Sealed tenders addressed to John Morrison, City Clerk, Woodstock, Ont., will be received up to 4 p.m. of THURSDAY, THE 18TH DAY OF JUNE, 1903, for the construction of about 11,000 lineal feet of Sewers of Vitrified Pipe ranging from 10" to 18" in diameter, the building of four concrete Septic Tanks 16' x 100', and the preparation of Piller Beds, etc.

Plans and specifications may be seen at the office of the undersigned.

The lowest or any tender not necessarily accepted.

F. J. URR, City Engineer,
Woodstock, Ont.

BRICK PAVEMENT

Niagara Falls, Canada.

Sealed proposals will be received by the Council of the Town of Niagara Falls, Canada, until 5 o'clock p.m. the 6TH DAY OF JULY, 1903, for the furnishing of all the material and performing all the work necessary for the complete construction of Sections Nos. 1 and 2 of the Niagara Falls Paving System.

Section 1—7000 sq. yards more or less of vitrified brick pavement on concrete foundation.

Section 2—3000 sq. yards more or less of vitrified brick pavement on concrete foundation.

Proposals are to be in bulk for each section and each proposal shall be accompanied by a certified cheque on some chartered Bank of Canada for an amount equal to ten per cent. (10%) of the bidder's price, payable to the Treasurer of the Town of Niagara Falls, said cheque to be returned to the person making the proposal unless he fail to execute the contract according to the specifications should it be awarded to him.

Proposals shall be enclosed in sealed envelopes addressed "The Town of Niagara Falls, Canada, John Robinson, Clerk" and endorsed "Proposal for Section —, Niagara Falls Paving System."

Plans, drawings and specifications, forms of proposal, etc., may be seen at the office of the Engineer, Niagara Falls, Canada, after Wednesday, the 17th of June, 1903.

The right to reject any or all proposals is reserved to the Corporation.

GEO. HANAN, Mayor,
J. H. JACKSON, Engineer.

WANTED BY THE TOWN OF GODERICH

Tenders will be received up to WEDNESDAY, JUNE 17TH, 1903, by the undersigned for the construction of 3,395 feet of Sewers, laid, 8-inch Sewer Pipe, and 599 feet 9-inch Sewer Pipe laid complete.

Specifications can be seen at the office of the Town Clerk.

No tender necessarily accepted.

WM. MITCHELL,
Clerk.

TOWN OF PORT ARTHUR Province of Ontario

Sealed tenders will be received by C. J. Pim, Esq., Town Clerk, up till noon on

Monday, June 29th, 1903,

for the construction of a Broken Stone Pavement, with the necessary storm water sewers on the following streets:

Queen street, Pim to Upton Road.
Superior street, Gore to Huron street.
The total number of sq. yds. of macadam is 12,000
The total number of lin. ft. of storm sewer is 3,000.

Plans and specifications may be seen at the office of the Town Engineer after June 15th, 1903. The lowest or any tender not necessarily accepted.

W. H. PLUMMER, Mayor.
W. F. GRANT, Town Engineer.
Sault Ste. Marie, June 8th, 1903.

CONTRACTS OPEN.

AURORA, ONT.—G. T. Browning is about to build a planing mill.

LINDSAY, ONT.—The corporation will offer for sale \$25,000 of debentures.

CLINTON, ONT.—It has been decided to establish a waterworks system here.

MASSON, QUE.—A new R. C. church will be built here, at cost of \$30,000.

COWANSVILLE, QUE.—The council propose to construct granolithic sidewalks.

MEAFORD, ONT.—It is probable that Moore & Sons will extend their electric plant.

OUTREMONT, QUE.—The contract will be awarded this week for sewer on St. Viateur street.

ST. MARY'S, ONT.—A. Beattie & Co. intend building a three-storey red pressed brick block.

HARROW, ONT.—T. B. Adams will build a brick block adjoining his store, to be occupied by the Sovereign Bank.

WINDSOR, ONT.—Alex. Black wants tenders by 15th inst. for installing a heating plant in the Collegiate Institute.

TETREAUVILLE, QUE.—N. T. Trau, notary, of Hull, has donated land on which to build a Catholic church.

WHITBY, ONT.—Tenders received by Joseph White, town clerk, up to 10th inst., on 5,000 feet of cement sidewalk.

NAPANEE, ONT.—Several tenders have been received for a steam roller, but the contract has not yet been awarded.

PICOU, N. S.—F. W. W. Doane, C. E., of Halifax, has submitted a report on a system of sewerage for this town.

VALLEYFIELD QUE.—The council are considering the proposal of certain capitalists to establish a gas plant here.

NIAGARA FALLS, ONT.—Tenders will be invited for sewer on Orchard avenue and brick pavement on Bridge street.

PORT HOPE, ONT.—The question of building a House of Refuge was considered at the last meeting of the county council.

HULL, QUE.—The C. P. R. will build a siding to the International Portland Cement Company's yards, at cost of \$15,000.

WESTBOURNE, MAI.—Rev. M. Scott wants tenders by 15th inst. for erection of frame and brick church on stone foundation.

NORTH SYDNEY, N. S.—The municipalities of North Sydney and Sydney Mines will likely take joint action to build a hospital.

WELLAND, ONT.—Plans for new bridge over the canal at Main street have been completed and tenders will shortly be invited.

GANANOQUE, ONT.—The Canadian Skewer Co., of Hespeler, Ont., are considering the advisability of removing to this town.

ST. HENRI, QUE.—The council will submit a request to Andrew Carnegie for a grant of \$50,000 for erection of library building.

COLLINGWOOD, ONT.—Plans are being prepared for a large furniture factory to be built by the Collingwood Furniture Company.

GUELPH, ONT.—Bids received by Richard Mitchell, city clerk, up to 27th inst. for purchase of \$206,682.13 corporation debentures.

RAT PORTAGE, ONT.—The directors of the Royal Jubilee Hospital are having plans prepared for a new building, to cost about \$10,000.

STURGEON FALLS, ONT.—Plans have been prepared for a large block to be built on the property of William Hutcheson, King street.

REGINA, N. W. T.—The Commissioner of Public Works for the Territories desires tenders by 25th inst. for supply of 2,500 barrels of Portland cement.

CHATHAM, N. B.—James F. Maher desires tenders by 13th inst. for building the basement of the cathedral to be erected on the south side of Howard street.

FORT WILLIAM, ONT.—The Ogilvie Milling Co. will commence work immediately on their new mill, which will have brick superstructure on stone foundation.

KEENE, ONT.—William McFarlane will receive tenders up to 17th inst. for a wood furnace and for embossed ceiling and inside walls for the Hiawatha Church, Rice Lake.

CHARLOTTETOWN, P. E. I.—It has been decided to build the first consolidated school at Hazelbrook. Plans have been prepared and work will shortly be commenced.

CARLETON PLACE, ONT.—It is expected that plans for the waterworks and sewerage systems will be completed this week; Willis Chipman, Toronto, chief engineer.

GALT, ONT.—Among the public works proposed to be undertaken are a cement walk on Davidson street, cost \$5,100, and a similar walk on Chalmers street, cost \$3,200.

WOODSTOCK, N. B.—The Medicus Meat Co. have submitted a proposition to the council to establish works here for curing meats and for manufacturing hubs, spokes, barrels, etc.

PETERBOROUGH, ONT.—Rev. Father McColl will receive tenders up to 16th inst. for extensive additions and alterations to Mount St. Joseph. Plans by J. E. Belcher, architect.

SMITH'S FALLS, ONT.—H. Welsh, town engineer, will receive tenders up to 15th inst. for construction of sewers, including 2,000 feet of trenching and 1,100 cubic yards of rock excavation.

WATERLOO, ONT.—G. N. Haether intends building a large addition to the Lion Brewery.—The Lane Tanning Co. will commence work immediately on four-story addition to their building.

MOOSE JAW, N. W. T.—Tenders close 10th inst. for erection of general hospital. Particulars from W. C. Sanders.—Steps have been taken to provide a water supply by means of artesian wells.

OTTAWA EAST, ONT.—The ratepayers will vote this week on a by-law to raise \$10,000 for a sewerage system and granting certain privileges to the Ottawa East Co. to establish a waterworks system.

MOOSOMIN, N. W. T.—The council desires to negotiate with persons willing to establish a lighting system here, to be in operation by November next. Particulars from John Smithers, secretary treasurer.

BERLIN, ONT.—D. Hibner & Co. are having plans drawn for an addition to their factory, to be 47 x 50 feet, three-stories.—The Berlin Interior Hardware Co. purpose erecting a three-storey factory, 100 x 54 feet.

VICTORIA, B. C.—The award of the judges in the competition for plans for library building will probably be made this week.—The C. P. R. have purchased property on which it is the intention to erect a large wharf.

AMHERSTSBURG, ONT.—J. H. C. Leggat, town clerk, wants tenders by 15th inst. for construction of 18-inch crock sewer on portion of Murray and Dalhousie streets and 12-inch crock sewer on eastern portion of Gore street.

PARRY SOUND, ONT.—E. E. Armstrong, town clerk, desires tenders by 15th inst. for construction of two concrete piers and abutments for a steel bridge over the Seguin river. The superstructure will be built by the Ontario Government.

STRATFORD, ONT.—A new organ costing \$4,500 will be installed in the Methodist church.—Representatives of the American Seeding Machine Co., of Springfield, Ohio, were here last week looking for a site on which to build a branch factory.

KINGSTON, ONT.—The Inspector of Prisons has requested the county council to build a new residence for the jailor.—The Bell Telephone Co. have purchased property on Clarence street on which to erect a central station and office building.

SYDNEY MINES, N. S.—Stephen B. Smith, architect, of North Sydney, has prepared plans for a business block to be built here by R. H. Brown.—C. F. McKinnon wants tenders by 20th inst. for building a glebe house and an addition to the Convent school.

LONDON, ONT.—Moore & Henry, architects, want tenders by 20th inst. for concrete abutments and piers for a bridge crossing the river Thames. To be built by the Chelsea Green Land & Building Co.—The county council will likely build a bridge across the Thames river at Adelaide street.

SHEDIAC, N. B.—A system of water works has been designed by John Galt C. E., of Toronto, to cost about \$25,000, consisting of pumping station, distribution mains with valves and fire-hydrants, also elevated storage tank of 70,000 gallons capacity. Two wells are now being drill-

ed and the balance of the work is expected to be finished this fall.

PORT ARTHUR, ONT.—Bids are invited by the town clerk up to June 25th for work in connection with waterworks and sewerage systems, including the following: Labor on pipe laying; steel water tower; cast iron pipes and specials; fire hydrants and valves; sewer pipes and junctions; electric power pump. Willis Chipman, C. E., Toronto, is chief engineer.

ST. JOHN, N. B.—It is understood that the plans for the Carnegie library building will be revised and new tenders invited.—N. Brodie, architect, has been instructed to prepare plans for a copper roof and interior improvements to the general hospital, also for an addition to the nurses' home.—R. T. Hayes, 12 King street, desires tenders by 15th inst. for erection of brick addition to Portland Methodist church. Plans by Willard M. Mitchell, architect, Ritchie Building.

CALGARY, N. W. T.—Plans have been completed for new Methodist church and tenders will be called for at once.—The School Board have decided to build a ten-roomed central school, on plans by W. M. Dodd, architect; Calgary stone, steam heating.—F. W. Thorold, city engineer, estimates the cost of proposed improvements and extension to waterworks system at \$28,000. A vote of the ratepayers will be taken on the question on June 26th.

FREDERICTON, N. B.—The Commissioner of Public Works desires tenders by July 13th for building steel superstructure of Ward's Creek bridge at Sussex and the Charlo River bridge in parish of Colborne, Restigouche county, also until June 15th for rebuilding Sands Brook bridge, parish of Clarendon, for covering in the truss superstructure of Stanley bridge, York county, and for building the covered truss superstructure of Little River bridge, Madawaska county.

OTTAWA, ONT.—J. R. Booth has announced his intention of building a residence on the Lewis property on Maria street north.—The Fire and Light Committee has recommended that tenders be invited for a new fire engine and 2,000 feet of hose.—George F. Venn is building a brick dwelling on Elm street, to cost \$3,000.—The Private Bills Committee of the Dominion Government has approved of the Bill of the Ontario and Quebec Power Co., and as a result the proposed dam

will likely be constructed at the Little Chaudiere Rapids.

VANCOUVER, B. C.—Parr & Fee, architects, are taking tenders on two brick and stone stores for Stanley, White & Co.—A. D. Bethune is about to erect a two-storey block on corner of Granville street and Beach avenue.—C. S. Douglass, Ross & Co. have sold property on corner of Helmoken and Granville streets, the purchasers intending to erect two dwellings.—L. P. Anderson has made arrangements to build a theatre at English Bay.—Property has been purchased on the corner of Barclay and Cadboro streets on which to erect a new school.—Plans are being considered for an addition to St. Luke's Home.

HAMILTON, ONT.—T. Beasley, city clerk, wants bids by 25th inst. on \$100,000 3½ per cent. debentures.—Charles Mills, architect, has been instructed to invite tenders for completion of the masonry work on the King Edward school.—The sum of \$8,000 has been appropriated for the proposed north end bridge.—T. L. Moore will build a residence on Park street, near Duke street, at cost of \$2,500.—The city engineer has submitted a list of

streets to be paved, the total being 620,786 square feet of macadam roadway and 293,040 feet of gravel roadway.—It has been decided to purchase a site from James Milne for a new high level reservoir.—Nearly \$8,000 has been subscribed for proposed improvements to Centenary

Studebaker Sprinkler (PATENT IMPROVED.)

Does not clog or get out of order. Greatest width of spray. Can be graded from driver's seat to any volume. We also make an . . .

IMPROVED VERTICAL SPRAY for Pavements,

Geo. Heaman, Mnr., London, Ont.

Stackpole Patent Improved Street Sweeping Machine is the Standard of Perfection. Because no sweeper so effectually does the work for which it is designed as "The Studebaker." It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision. It Wears Well. "The Studebaker" has the smallest number of working parts, and has less gearing than any other sweeper made. It is free from all unnecessary complications. With reasonable care it does not get out of order. Send for complete descriptive catalogue

of waterworks and sewerage systems to be constructed at Port Arthur may be seen at the office of Willis Chipman, chief engineer, 103 Bay street. Tenders close 25th inst.—It is understood that the Ontario Government has offered to provide a site for the proposed women's residence for Toronto University.—The Balmy Beach Club intend building a club-house on Balmy Beach Park, at foot of Beech avenue, to cost about \$5,000.—The Board of Control will receive tenders up to noon of 11th inst. for installation of ventilating

appliances in St. Lawrence market.—G. W. Gouinlock, architect, has prepared plans for a new dairy demonstration building at the Exhibition grounds, toward which the Government has promised \$10,000; to be built of stone, steel and cement.—Notice has been given of the intention to construct an asphalt pavement on each side of the track allowance on Bloor street, from Walmer road to Bathurst street, at cost of \$15,865, and on Avenue road, from Davenport road to the north city limits, cost \$14,760.—The city engineer

has reported that to construct a road along the water-front from Bathurst street to the Lake Shore road and utilize

 line Power.

it as a dumping ground, would require an expenditure of \$250,000 for cribbing and \$175,000 for a breakwater.—The following works have been recommended: Sewers:—Gibson avenue, from Yonge to a point 30 feet west, cost \$1,100; Manchester avenue, Ossington avenue to Shaw street, \$1,097; Wallace and Lee avenue, \$3,730. Asphalt pavements: King street, from 234 feet west of Jefferson avenue to Dufferin street, \$10,045; King street, Dufferin to Queen, \$47,207. Tar macadam roadways: Lake Shore road, from G. T. K. tracks to Humber bridge, \$13,095; Queen street, from Roncesvalles avenue to 1,000 feet west, \$1,550. The construction of several concrete sidewalks has also been recommended.—Building permits have been granted as follows: L. W. Ingram, three two and a half-storey brick and roughcast dwellings, north side Elliot street, cost \$4,500; George Phillips, two and a half-storey, stone and brick dwellings, 552 and 554 Huron

street, cost \$8,000; Charles Moald, two pair three-storey brick dwellings, 98-104 Royce avenue, cost \$6,000; Mrs. J. Gralton, pair two-storey brick dwellings, corner Rathbally avenue and Pineham street, cost \$3,000; W. A. Elliott, two pair stone and brick residences, north side Empress avenue, near Crescent road, cost \$10,000; H. Larkin, two-storey brick and stone dwelling, Empress avenue, cost \$3,000; J. Kilgour, two-storey brick-clad dwelling, 287 Bartlett avenue, cost \$1,400; C. C. Allen, two-storey and attic brick dwelling, 11 Alexander street, cost \$2,000.—J. Wilson Gray, architect, is said to be preparing plans for a residence for Mr. Addison, formerly of the P. W. Ellis Co., to be erected at the

north-west corner of Crescent road and Cluney avenue, Rosedale.

CONTRACTS AWARDED.

LOGGIEVILLE, N. B.—Presbyterian church: James Mowatt, of Newcastle, contractor, \$7,000.

MONTREAL, QUE.—The contract for repairing asphalt pavements has been given to the Barber Paving Co.

SMITH'S FALLS, ONT.—Library building: Masonry, Robertson & Sons, Ottawa, \$3,280; other trades, W. B. Taylor, \$7,121. G. M. Bayly is architect. Building will be of buff pressed brick, with slate roof.
