GRANT IS MADE TO CATHOLICS FOR A CEMETERY

Ten Acres Will be Added to St. Joseph's by the Authorities.

COUNCIL REPORTS

Finance Committee Recommends a Purchase and Storage Department.

Evidently several of the City Council committees have been doing some work recently, as their reports submitted at last night's meeting indicated that attention had been given to several important matters.

Railway Inventory.

Chairman Charlton submitted the following report of the railway committee:

"That by the consent of the chairman of finance your committee obtained the aid of Mr. James Watt, one of the city assessors, and also secured the services of Mr. James Lowe, to make an inventory of the personal property of the Grand Valley Railway."

"These gentlemen are making a careful inventory and expect to have their report ready at the next meeting of this Council."

In commenting on the inventory of the Grand Valley, Ald. Charlton said a lot of things had already been discovered which no one ever dreamt were in the concern.

Finance Committee.

Many important recommendations were contained in the report of the finance committee presented to the City Council at its meeting last night, but evidently they all met with the approval of the aldermen, for the report was adopted with but little explanation from Ald. Hollinrake, the finance chairman, and without any discussion on the part of the other members.

The recommendations, which speak for themselves, follow: "That a grant of \$25 be made from this city towards the Carter Centenary."

"That the account of the sanitarium amounting to \$690.31 be paid. This committee would point out, however, that the agreement has not been executed in connection with the sanitarium, and that before any further money is paid the agreement must be executed, and all accounts must be certified to and presented to the city in proper time."

"That, as the Bell Memorial celebration will likely take place some time during the year 1915, the communication re Canadian Peace Centenary be referred to the Bell Memorial Committee, and that the Council of 1915 should act in conjunction with the Bell Memorial Committee in this regard."

"That when the Children's Aid Society gives assurances satisfactory to the city solicitor that no salary will be required from the city for the judge of the children's court, this Council will take the necessary steps with the Attorney-General's department to have a judge of the children's court appointed."

"That in view of the fact that the request of J. B. Holt has been dealt with re the court of revision, the Council cannot legally do anything in the matter."

"That the letter of the Toronto General Hospital, re Nicola Soldat, be referred to the city solicitor."

"That the payment of \$100 without prejudice be made in settlement of the Queen Alexandra Sanitarium re Cooper."

"That this Council authorize the appointment of a purchasing agent and storekeeper."

"That the finance committee, along with the chairman of the standing committee, be empowered to consider the question of the appointment of a permanent auditor of the city."

"That the usual grant of \$900 be made to the Children's Aid Society, and that \$200 be paid forthwith."

Grant for Catholic Cemetery

The committee on buildings and grounds reported as follows: "That the Widow's Home be given a full lot in Mt. Hope cemetery free of charge for their own burial."

"That whereas the trustees of St. Joseph's cemetery committee have applied to the city council for assistance in the purchasing of some land for their cemetery, in view of the fact that both the present public

Commemoration for Mr. Brewster, M.P.

At the City Council last night the following resolution, presented by Ald. Hollinrake and Robinson, was carried unanimously: "That this Council place on record its unequivocal and hearty support of the bill that is about to be brought before the Ontario Legislature by W. S. Brewster, providing for the cancellation of the charter of the Brantford Gas Company; that this Council believes that Mr. Brewster's active insistence of the rights of the people of this community should commend itself to all; that the thanks of the Council be extended to Mr. Brewster for the manner in which he is guarding the interests of the people of this city against the unwarrantable injustice that has been and is now being perpetrated by the Brantford Gas Company; that a copy of the resolution be forwarded to Mr. Brewster."

Received Six Months

Frank Clouse was yesterday afternoon convicted on the charge of stealing a gold watch belonging to Mary McCummins, and valued at \$25. For the offence he was sentenced to six months imprisonment by Judge Hardy at the Court House.

Mourn the Loss.

Mr. and Mrs. H. Arthur sustained the sad loss of their infant daughter, Nellie Violet, yesterday at their residence, 320 St. Paul Avenue. The funeral will take place this afternoon to Mount Hope cemetery when the Rev. Mr. Wright will officiate.

DIVERGENT VIEWS EXPRESSED ON THE HOME RULE OFFER

King George Said to be Exerting Influence in the Matter.

CARSON TAKES STAND

Redmond's Followers Are Giving Him Heaps of Trouble.

[By Special Wire to The Courier] LONDON, March 10.—The possibility of a settlement of the Irish Home Rule controversy was again today in the forefront of popular interest. The opinions of the various parties as to the effect of the concessions offered in the House of Commons yesterday by Premier Asquith differed widely. The Unionists as a rule expressed themselves quite unsatisfied with the suggested method of voting by counties on the exclusion of Ulster or portions of it from the operation of the Home Rule bill. Nationalists on the other hand declared that the cabinet had gone to the most extreme limit in its movement toward conciliation. The independent opinion of the country seems inclined to the feeling that the concessions really offer an opportunity for conciliation and this feeling is strengthened by Sir Edward Carson's counter offer on behalf of the Ulster Unionists to submit the suggested concessions to a Ulster conference providing the limitation on the exclusion of the northern counties to a period of six years be struck out.

It is pointed out here in parliamentary circles that the recognition by the cabinet and the Nationalists of the principle of the exclusion of the counties of Ulster if they vote in favor of it, even if the exclusion is only temporary is a great step in advance from the policy of "juggernaut ahead."

This attitude of the cabinet and the Irish Nationalists, it is argued, allows for negotiations during the three weeks for which the debate on the Home Rule Bill has been adjourned.

King George is believed to have had a hand in inducing Premier Asquith to make the proffered concessions and it is contended that if His Majesty continues his activity in this respect, the two parties may be enabled to bridge over the differences separating them.

The stumbling blocks in the way of a settlement of the Irish question are the "die hard" Unionists who want a general election at any cost in the hope of defeating the government and there are also the Nationalists who follow William O'Brien who are opposed to any kind of concessions being granted to Ulster. It is very doubtful whether John Redmond, the Irish Nationalist leader can carry the members of his party any farther than they have already consented to go in the way of placating the Ulster Unionists.

Lord MacDonnell, a Liberal peer, who was permanent under secretary for Ireland from 1902 to 1910, said today that the government proposals seemed to furnish a basis for settlement, while Lord Dunraven, a Conservative Irish peer expressed doubt whether Premier Asquith's offer would bring about a satisfactory solution.

SUFFRAGETTES AT RAILWAY DEPOT READY TO FIGHT

But Mrs. Pankhurst Was Spirited Away by the Police.

A BARB WIRE MEETING

May Richardson Smashes a Very Expensive Picture.

[By Special Wire to The Courier] GLASGOW, Scotland, March 10.—Bands of determined militant suffragettes waited at all the railway stations in Glasgow to-day in readiness to fight for the rescue of Mrs. Emmeline Pankhurst. The militant leader, however, who had been arrested under dramatic circumstances, while speaking in St. Andrews Hall last night was removed by policemen from the station house to a suburban railway station early in the morning in order to avoid the attentions of her supporters.

Mrs. Pankhurst was carried from the cell to a waiting automobile on a stretcher and the motor car then dashed off at high speed to a station on the main line of the railway, where she was carried on board the express train for London. It is assumed that the militant leader will be placed in Holloway jail.

Many of the policemen who assisted in Mrs. Pankhurst's arrest last night suffered severe scratches from the barb wire which had been stretched in a network across the platform from which she was speaking.

On Picket Duty. LONDON, March 10.—Strong detachments of militant suffragettes today picketed every London railway terminus at which Mrs. Emmeline Pankhurst, their leader, was thought likely to arrive when she reached here from Scotland. Squads of suffragettes and their sympathizers were also stationed outside the entrances to Holloway jail.

Another Outrage. LONDON, March 10.—A militant suffragette inflicted severe damage today on the famous Velasquez picture known as the "Rokeby Venus," which is hung in the national gallery, Trafalgar square. The picture was purchased for \$225,000 in 1906 and presented to the nation.

The woman entered the gallery and attacked the picture with a sharp knife, making six or seven bad cuts across the principal part of the painting.

She was placed under arrest. The perpetrator of the outrage was the notorious militant suffragette, May Richardson, who has been sentenced to several terms of imprisonment since the beginning of the women's suffrage militant movement. It was she who was arrested at Bristol on July 4, last year, for dropping a scroll of paper on the knees of King George as he was driving through the city. After she had served 3 months' imprisonment she was arrested again in November on suspicion of burning a house at Hampton, but immediately started a hunger and thirst strike and was released a few weeks later in a serious condition of health.

The National Gallery was temporarily closed by the authorities after the outrage. Many of the public art collections, such as those at Hampton Court Palace and especially galleries, where valuable pictures are on exhibition, were closed a year ago on account of militant outrages and have not been opened since.

Miss Richardson, after her arrest, said: "I tried to destroy the picture of the most beautiful woman in mythological history as a protest against the government for destroying Mrs. Emmeline Pankhurst, who is the most beautiful character in modern history."

Received Six Months. Frank Clouse was yesterday afternoon convicted on the charge of stealing a gold watch belonging to Mary McCummins, and valued at \$25. For the offence he was sentenced to six months imprisonment by Judge Hardy at the Court House.

SIMPLE RITES MARK THE FUNERAL OF EX-PREMIER ROSS

Men in All Walks of Life at Obsequies in Toronto Today.

NOTED MEN THERE

Floral Tributes Numerous From Canada's Best Citizenship.

[By Special Wire to The Courier] TORONTO, March 10.—Devoid of all pomp and splendor, simple, yet impressive, the funeral of the late Sir George W. Ross was of the kind the statesman himself would have favored. There was a total absence of extravagance in the arrangements. The mourners came, viewed the remains, and stood around telling of incidents in the life of the late Senator.

Despite the fact that the funeral was supposed to be private, the attendance was large. Men in all walks of life, merchants, politicians, veterans and members of all professions, journeyed from far and near to mourn the loss of a friend.

Many noted men attended the funeral. Among those present were: Sir John M. Gibson, Sir Henry Pellatt (representing the Duke of Cornwall), Mayor Hooken, Controller McCarthy, Prof. C. K. Clarke of the Toronto General Hospital and Dr. Haywood, Senator Watson, Senator Kerr and Senator Bostock, Sir Alan Aylesworth, Hon. Dr. Pyne and Hon. Mr. Hearst of the Provincial Government; N. W. Rowell, leader of the Opposition; R. J. McCormick, M.P.P.; Prof. Law, President Falconer of the University of Toronto; Dr. James Anderson, Rev. Dr. Carman, Sheriff Cameron, London; ex-Mayor Joseph Oliver, H. M. Mowat, K.C., J. F. Eby, Valentine Stock, ex-member for South Perth, who sat in the House with Sir George many years ago; W. B. Scott, West Middlesex; J. M. McEvoy, James McDonald, A. W. Bixel, law partner of Duncan Ross, M.P.P.; S. Deacon, ex-public school inspector for Halton; Justice Latchford, Senator Jaffray.

Among the many floral tributes beautiful wreaths were sent from Sir Lyman and Lady Melvin-Jones, N. W. Rowell, West Middlesex Reform Association, Mr. and Mrs. P. C. Larkin, Mrs. George A. Cox, Clan Ross of America, Sir James Whitney and colleagues, Ward One Liberals, Sons of Temperance, Section of Old St. Andrew's, Mr. and Mrs. J. C. Eaton, Chief Justice Malock, Sons of England and the Premier of Saskatchewan.

The pallbearers were: Leslie Wilson, Dr. Belten, Charles Mitchell, Austin Hutchinson, Ernest Gunn and William Geddis.

Hydra For Burford. Burford ratepayers yesterday carried by 28 majority a by-law enabling the Municipal Council to enter into a contract with the Hydro-Electric Commission for Niagara power, and also a money-by-law providing for erection of a distributing station and equipment. The number of votes polled was 95.

Enthusiastic Company. A splendid meeting of the men and officers of G Company was held last night when Capt. William Miller took charge for the first time. Plans for recruiting for spring drill were gone over and under Capt. Miller the company promises to make rapid strides and be one of the leaders of the regiment.

Courier Gets The Contract. The Courier last night was awarded the contract for the publication of the Brantford assessment rolls. It was the opinion of the Council, however, that the publication of the present rolls, being simply a reproduction of last summer's work of the assessors, might better be left off, and the publication given to the work of the assessors for the current year. That is, the rolls will be published in the fall, on the completion of the year's work, and they will not be a year old at that time. The Courier's price was the same as its competitor—\$200—for the publication, and it was agreed generally that the amount was below cost. Ald. Sutch and Hollinrake were the sponsors of the resolution.

FIVE LASHES FOR AN ASSAULT, MAN BEAT HIS WIFE

Mike O'Neil is Deal With by the Magistrate To-Day.

A WIFE'S COMPLAINT

Richard Scott Was Fined \$25 and Costs in Liquor Case.

Mike O'Neil was ordered to receive five lashes at the police court to-day by Magistrate Livingston, for assaulting his wife. The parties had lived together at their home, 127 Albion street, for six years, and he periodically would assault her and batter her pretty badly. On the last occasion she complained to the police, and O'Neil promised to reform. He repeated the offence, however, and will have to take the lashes.

Although strongly protesting his innocence, Richard Scott was found guilty before the bench of supplying a billed man with liquor, and he suffered a fine of \$25 and costs. A certain billed man was found drunk. When taken to the police station he volunteered the name of the man who supplied and said he would pay his supplier's fine. Scott was the man he named, and when the latter was brought before the bench this morning he gave a total denial to the charge. Defendant said he could not work, but had means, and the Chief suspects that he made some money out of a side-line supplying billed men. Although he had known the informer all his life, he said he did not know he was billed. The billed man said that a week ago Saturday he met Scott in the city, and he gave him some liver in exchange for which he received a bottle. The Sunday following the lock-up he went with Scott to his house, and there he got more whiskey upstairs. A witness named Cartner testified that he had seen both men on Market street. He knew the billed man and identified Scott. Scott gave the lie to the statement, and said he had never supplied any liquor to any man. His protestations did not avail, and he will have to pay \$28.75 because he did not convince the magistrate that he was innocent.

Huerta Issues Call to Forces. MEXICO CITY, March 9.—The federal army was to-day ordered to take the offensive against the forces under the command of Venustiano Carranza, Provisional President Huerta sent to all the governors of the states and all army commanders by telegraph the following order: "Today the federal government begins a campaign against the rebels of the north. To that end you will see the necessity that the troops under your command assume actively the offensive in order to bring to an end the present rebellion."

Straford Changes Procedure. Ald. Thomas E. Hendry, of Straford, has written to the city clerk, asking for a copy of the rules of procedure of the Brantford City Council. The Straford Council is considering an amendment to the orders of business at their meetings and they would like a few pointers from this city as to the method of procedure in the council meetings.

Railway Committee. The Railway Committee of the City Council meets this afternoon in the City Hall when matters of importance will be discussed.

Live Wire Notes From City Council Last Night. The sum of \$21,353 was asked from the city for Collegiate purposes. It costs \$31,000 per year to run the Collegiate.

Treasurer C. Cook, asked for a renewal of the Children's Aid Society grant of \$900 under the same conditions as last year. The sum of \$200 was needed at once.

Ald. Jos. Broadbent was appointed the City Council's representative on the Greater Brantford Board succeeding Ald. T. E. Ryerson, whose request it was that he retire.

Ald. Ward moved and Ald. Calbeck seconded a resolution appointing chairman of all standing committees to report within a month on the question of establishing a civic purchasing department.

Accumulation of communications on the finance committee's file has been going on for ten years, hence a clean up announcement from Ald. Hollinrake's committee. A list of letters as long as a man's arm were ordered filed.

Ald. Charlton and Pitcher were again invited to a prison farm conference at Woodstock, but there was some doubt as to their attending. Ald. Broadbent brought in a resolution approving of the scheme as in the interests of social reform and declining the fact that Brant County Council had declined to entertain the idea.

The Apollo, Brant, Gem and Empire theatre proprietors petitioned for a reduction in the annual license fee which is at present \$300. It was said that the high fee was intended to keep the number of theatres down, but had not done so. In addition, the theatres paid a provincial tax of \$150. The license fee was out of all proportion to those paid in other larger cities.

AN INSPECTOR TO VISIT THIS CITY TO INSPECT THE GAS

Word Received From Mr. Cockshutt by Mayor Spence Today.

THOROUGH INQUIRY

Opposing Views Re Sulphur Will be Investigated by Official.

Mr. W. F. Cockshutt, M.P., wired Mayor Spence to-day that A. B. Lambe, chief inspector of gas and electricity in the department of inland revenue, left this morning for Western Ontario, where he will make a thorough investigation of the natural gas situation, concerning which such strong representations were made to the department by a delegation of members last week. "I have told Mr. Lambe to stay two weeks if necessary and to visit all the places that are affected," said Mr. Nantel last night.

It is almost certain that as a result of the investigation there will be some changes in the law affecting the distribution of natural gas, which is apparently not in shape to deal with existing conditions.

The natural gas companies operating in Essex, Kent and Lambton are not opposing changes in the act unless these should include compulsory purification of all gas, whether used for manufacturing, heating or illuminating. Their contention is that they have looked after their customers by providing individual purifiers, where the gas is used for lighting, and that in the three counties mentioned there is to-day no complaint.

The situation in Waterloo, Brant, Oxford and other counties to the east is different, since there the Tilbury gas was turned into the mains without warning, and before purifiers had been provided. The southwestern gas men contend that if purifiers were provided by the Dominion Gas Company in these places there would be no complaint. They characterize the promise of a purifier as a promise that cannot be kept. These are the opposing views out of which Mr. Lambe will seek the truth.

It is expected that legislation amending the act will be brought down this session.

Aldermen who scarcely ever smile during stern civic business were simply wreathed in smiles as the deputation headed by the valiant Mrs. Secord entered the chamber. Some of the aldermen were prepared for what was coming others were not. The effect was surprising. One of the more innocent of the aldermen scanned carefully for concealed horse whips, fire torches and bombs, but there were none. The deputation smiled and the smiles instantaneously became unanimous. It was one of those pleasant little breaks in the municipal monotony appreciated all round. Even Janitor George Smith put on his proudest front and had a busy time for a few minutes seating the ladies. They were escorted to the lobby for a minute and later escorted to the chamber. Just fancy ladies holding forth in the lobby, the official smoking room of the aldermanic body; and they didn't mind it a bit.

However, once the mayor had outlined the nature of the visit it was not long before Mrs. Secord presented the Equal Franchise case to the council. And present it she did! If all the aldermen could make a speech as convincing as that of Mrs. Secord and in such a direct way, Brantford's legislative body would be an ideal one. It wasn't a harangue which one reads about in the cable news, it wasn't an appeal to conscience nor was it a woman's appeal. It was a downright lawyer's case. Cold facts, incontrovertible, were laid bare and with such directness of speech, minus all frills, that a jury couldn't go wrong.

Mrs. Secord began by reading a letter from Franchise headquarters in Toronto, last January over 13,000 majority had been rolled up in favor of votes for married woman. A bill would come up in the Provincial Legislature and to get it through the support of all municipalities would be helpful. Now was the time, said Mrs. Secord to emancipate married women from their untenable position. Hamilton's mayor in his inaugural speech supported the move. British Columbia, Alberta and Saskatchewan gave married women the vote. In Ontario 70 municipalities had approved of the legislation, then why not Brantford?

This city, noted for its progressive-ness should not be behind others, and Mrs. Secord asked the aldermen to instruct Mr. Brewster that their wish was to give married women the vote.

Applause greeted the speaker's remarks, and Mayor Spence thereupon invited Mrs. Secord to occupy the chair to his right. One which had been

WOMEN WANT TO VOTE IN THIS CITY, BIG DEPUTATION

City Council Was Waited Upon Last Night by the Fair Sex.

NO BOMBS THROWN

Married Women Now Hold an Untenable Position They Say.

No, why be unkind? They were not militants, Pankhurstian or Emersonian. They carried no bombs and no weapons. They did not interrupt and were not interrupted. Last but not least they were not thrown out.

It was just a deputation from the Equal Franchise Club of Brantford which waited upon the City Council and asked that body to pass a resolution supporting legislation to give married women a vote municipally the same as that at present enjoyed by spinsters and widows. The deputation consisted of Mrs. S. W. Secord, President of the Brantford Equal Franchise Club, Mrs. G. L. Goodwin, Mrs. T. S. Wade, Mrs. W. C. Livingston, Mrs. C. Jackson, and Mrs. W. H. Hammond. These ladies were supported in their request by Messrs. A. W. Burt, Rev. G. A. Woodside, E. E. C. Kilmer and Lachey.

When all the speech-making was over Mayor Spence remembering the late Sir Oliver Mowat remarked in lively voice, "Ladies, we have been delighted with your presence here tonight. In the words of that august premier of this province, the late Sir Oliver Mowat, we will give your request our most prayerful consideration."

"It is not honor and kind words we want, but deeds," said Mrs. Secord, and the Mayor looked as if the spongy quality of his remarks had been lost on his audient air. Later in the council proceedings a resolution virtually granting the request of the deputation was not put through but sent on to the finance committee to go through the first stage of "prayerful consideration." Later the question will come up again when the committee reports.

E Company Wins Championship At The Armories

The championships fought at the Armories last night resulted in a triumph for E. Company. After a brilliant exhibition of basketball and baseball, they put to rout their opponents and successfully upheld their title of champions. E. Company held both titles last year, and their rivals were very anxious to wrest at least one from them. The decisive hearing which both aspirants received indi-

cates the superiority of the company styled E. Playing baseball, they made more in their first innings than A. Company scored in their whole game, and they finally ran out winners by the margin of 30 runs. The score being 38 to 8. The first innings of the champions resulted in ten runs, mainly due to the splendid hitting of Newman and Clawsey. When A. Co. took the diamond they could not do better than one. This was due to the pitching of Stewart, who put a swerve on the ball which mystified the batsmen. In fact it was only occasionally that they managed to hit it at all. E. Company, with each inning, added to their score with a 3, 2, 5, 13, total 38. The best that A. Company could do was 3 runs in the last innings, and then it looked as if E's were easing up. Their five innings resulted 1, 0, 3, 1, 3; total 8. The most prominent player was Stewart, who again showed that when it pitched, he has the goods. No doubt A. Company will agree with this. Capt. Newman playing a good catching game, and ranked second, whilst Clawsey at third base was pretty smart. The team knows how to field and outclassed their opponents. A. Company, although beaten, were sportsmen and took their defeat like men. They played pluckily, but were not up to the Stewart's pellets. Against other opponents they would have shown to some advantage. Line up—

Women's Institute

The Tutela Women's Institute held their March meeting at the home of Mrs. Robt. Henry, Mohawk Road.

The meeting opened in the usual manner after which the minutes of the February meeting were read and adopted. Mrs. Burke and Mrs. Barnes, president and secretary of the Echo Place branch were present and both gave helpful and instructive addresses. The instrumental selections by Miss Florence Tomlinson were enjoyed by all present as were also the several selections given on the Victrola. It was decided to have a delegate address the institute this summer.

The members agreed to take charge of the table for home-made cooking to be held at the Children's Shelter the 1st and 2nd of April.

The meeting was brought to a close by all joining in singing a verse of "Best be the Tie" after which all enjoyed the social hour.

Nuptial Notes

DEVENEY-YATES.
A quiet wedding was solemnized at Trinity Church rectory, Brantford, by the Rev. D. E. Cameron, on Wednesday, February 25th, 1914, when Arthur, son of Mr. and Mrs. David Devaney, Brantford, was united in matrimony to Alma May, second daughter of Mr. and Mrs. Arthur Yates, Hatchley.

SILLS-TELLER.
The marriage was celebrated on March 3rd at the home of Captain and Mrs. P. C. Teller, Owen Sound of their eldest daughter, Ethel May and Mr. Stanley Sils of Brantford. The event was a quiet but pretty affair, only the immediate relatives and friends attending. Mr. and Mrs. Sils will take up their residence in Toronto.

May Build An Artificial Ice Rink in City

An important proposition, which involves a local syndicate of prominent business men, and which will be of vital interest to householders in the city of Brantford, came to light this morning when one of the gentlemen interested made known the fact that a company was considering a proposition for the purchase of the Oxford street dumping ground along the railway on the north side of the street. The company will endeavor to purchase that piece of land from the city, on which to build a \$75,000 artificial ice plant. With this plant an output of 40 tons of ice per day could be made in the summer time, while in the winter the quantity would be lessened.

The building would be 200 feet long and equipped with a modern up-to-date artificial ice plant of the latest and best make.

Those behind the scheme are confident that with the increasing population of this city, such a plant could be made to pay as the householders would then get a freshly made supply of pure ice every day and the quality of the ice would be better.

A VEGETABLE CONSTIPATION CURE.

Because they contain mercury and mineral salts, many pills are harsh. The easiest and safest laxative is Dr. Hamilton's Pills of Mandrake and Butternut. They clean the stomach, intestines and bowels—drive out waste matter, tone the kidneys and forever cure constipation. As a general tonic and system cleanser nothing is so mild and efficient as Dr. Hamilton's Pills of Mandrake and Butternut. Sold everywhere in 25-cent boxes.

Laid at Rest

Late George Arthur Bothman. Many evidences of sympathy with the parents were witnessed at the funeral of the late George Arthur, the young son of Mr. and Mrs. Jacob Bothman. The cortege, which proceeded to Mount Hope cemetery, was followed by many sorrowing friends. Impressive funeral services were conducted by the Rev. C. E. Jealings of St. Jude's Church, and a vast wealth of flowers were contributed to the memory of the dear departed. The list is as follows: Pillow, family; sprays, Grandma Taylor, Uncle Charlie, and Aunt Bert, Grandma and Grandpa Bothman, Uncle Will and Aunt Ethel, Aunt Alma Dennis, Uncle Frank and Aunt Agnes, Uncle Art and Aunt Annie, Aunt Maud and Geo. Ball, Mr. and Mrs. Alf. Taylor, Nellie and Kate Taylor, Charlie and Oscar Taylor, Aunt Jane and Uncle Isaac, Mr. and Mrs. J. White, Mr. and Mrs. Geo. Wilson, Mr. and Mrs. Stevens, Rathbun Soda Water Co. and employees, Mrs. Homewood and Mrs. McCullough, Mr. and Mrs. E. Evans, Golden Circle Philathea Class, Herbert and Evelyn Malcolm, Immanuel Baraca Class, Mr. and Mrs. T. H. Taylor (Stratford).

The Late Mary Hebdon
Amid scenes of profound sorrow, the remains of the late Mrs. Mary rest on Sunday afternoon. The services, which were inspiring, were conducted by the Rev. R. D. Hamilton of Wellington St. Church, and interment took place in Greenwood cemetery. An abundance of floral tributes Hebdon were borne to their last resting place.

The Late Mrs. Coulson.
Many friends will regret to learn of the death of Mrs. Hannah Green Coulson of 81 Terrace Hill street. The late lady was born in Wentworth county in 1819, and has resided in this district all her long life. Some years ago her husband predeceased her, but there are many descendants, who survive to mourn the loss of this venerable old lady.

Late Elizabeth Appleton.
The funeral of the late Elizabeth Appleton took place this morning when the remains were conveyed from the late residence 13 William Street to the G. T. R. station en route for Toronto where the interment will take place this afternoon.

Permission has been granted from headquarters to Sergt. J. J. Payne and Corporal C. O. Burgin of the Paris squad of cavalry, to take N.C.O. courses at the Royal School of Cavalry, Toronto, courses to commence on the 15th inst.

CANADA'S DIVORCE LAW

Whether the anomalies complained of can be remedied by reforms in the present system, or whether the situation demands the establishment of a divorce court for the Dominion or courts for those provinces where none exist, we do not pretend to say.

The above extract is the most tolerant view upon the above subject which this paper has yet noticed in a church journal.

Thank heaven, the vast majority of people respect the marriage tie, and realize that the sanctity of the home circle is of the very essence of the community and of good citizenship.

At the same time, it must be admitted that upon moral and other grounds, legal separations are sometimes desirable, and, such being the case, warranted relief should not be confined to the well-to-do—a situation which practically exists in this and other provinces—because of the fact that witnesses, lawyers and others concerned have to journey to Ottawa in order to have their cases heard by a committee of the Canadian Senate.

As one whose property has suffered severely by the deadly gas, I protest most strenuously against present conditions and suggest that the care of all our city trees and boulevards be placed under the care and protection of our very capable and efficient Board of Park Commissioners.

I sincerely believe that unless some united action is immediately taken to preserve and protect our trees, Brantford will soon lose its enviable name of a beautiful home city.

Hoping my suggestion will inspire those who are in a position to bring about this change, or else promote a better one, to get busy and let us do something to prevent this irreparable loss of Brantford's beauty.

Thanking you Mr. Editor for this valuable space and hoping for action and results.

Yours sincerely, WALTER R. TURNBULL.

MR. JOHNSON'S CASE. To the Editor of the Courier.

Sir,—In Saturday's issue of your paper under the heading 'Musicians have some trouble with the union' you make a statement which would lead the public to believe that the Duffin Band, as you call it, were at the bottom of stopping the Y. M. C. A. orchestra from playing.

Thanking you for your valuable space, Sincerely yours, FRANK C. JOHNSON, JR., Conductor 38th Dufferin Rifles Band

To The Editor

ABOUT TREE DESTRUCTION.

Dear Mr. Editor,—Kindly allow me space in your valuable paper to express my views regarding the destruction of our city trees. I say 'our city trees' because, although our citizens have planted and cared for them for many years, the fact remains they are the property of the city.

It apparently is a case of everybody's business, being the business of nobody, to see after the care and protection of our valuable trees. The Gas Company, I know, positively that the gas has destroyed dozens and dozens of perfect trees.

Some of them 20 and 30 years old, and in such cases the property holder has no redress whatever, because the trees are the property of the city. The individual can take no action against the gas and there you are, left without trees, and no one apparently cares.

True, if you find men spiking your trees or cutting them, you can take action very quickly, but with the deadly gas at their roots, it is a different and more serious proposition, because the Gas Company have all ways claimed innocence, declaring the gas not injurious to trees and vegetation.

Occasionally one more ferocious than his fellows would attempt this latter alternative, but none had come yet who could wrest the palm of victory from the fierce and brutal ape.

They seemed to consider him one of them and yet in some way different. The older males either ignored him entirely or else hated him so vindictively that but for his wondrous agility and speed and the fierce protection of the huge Kala he would have been dispatched at an early age.

On the day that Tarzan established his right to respect the tribe was gathered about a small natural amphitheater which the jungle had left free from its entangling vines and creepers.

On the day that Tarzan won his emancipation from the persecution that had followed him remorselessly for twelve of his thirteen years of life the tribe, now a full 100 strong, trooped silently through the lower terrace of the jungle trees and dropped noiselessly upon the floor of the amphitheater.

Today it was the killing of a giant ape, a member of another tribe, and as the people of Kerechak entered the arena two mighty bulls might have been seen bearing the body of the vanquished between them.

A darkness settled upon the jungle, the apes commenced to bellow their selves, and soon they formed a great circle about the earthen drum.

The females and young squatted in a thin line at the outer periphery of the circle, while just in front of them ranged the adult males. Before the drum sat three old females, each armed with a knotted branch fifteen or eighteen inches in length.

There are a few opinions expressed by prominent British and European physicians who have tested Kephaldol, the great pain reliever which has just been introduced into Canada.

"Kephaldol—I have found the above drug very useful in alleviating pain due to various causes, and that without mental or cardiac depression."

"Kephaldol has given satisfactory results in Neuralgia and Sciatica."

FLORAL DEPARTMENT

Of the C. P. R.

This coming spring marks the twenty-fifth anniversary of the creation by the C.P.R. of the floral department which, though it is immediately concerned with aesthetic effects, has been a splendidly paying feature of the organization—paying that is, in the sense of popularizing the system with the travelling public.

Under the leadership of Kerechak they had been able to frighten the other males from their jungle, so that they had plenty to eat and little or no loss from predatory incursions of neighbors.

They seemed to consider him one of them and yet in some way different. The older males either ignored him entirely or else hated him so vindictively that but for his wondrous agility and speed and the fierce protection of the huge Kala he would have been dispatched at an early age.

CHAPTER IV.

Tarzan Mightiest of the Apes.

THE tribe of apes had grown larger since Tarzan had come among them.

Under the leadership of Kerechak they had been able to frighten the other males from their jungle, so that they had plenty to eat and little or no loss from predatory incursions of neighbors.

Occasionally one more ferocious than his fellows would attempt this latter alternative, but none had come yet who could wrest the palm of victory from the fierce and brutal ape.

They seemed to consider him one of them and yet in some way different. The older males either ignored him entirely or else hated him so vindictively that but for his wondrous agility and speed and the fierce protection of the huge Kala he would have been dispatched at an early age.

On the day that Tarzan established his right to respect the tribe was gathered about a small natural amphitheater which the jungle had left free from its entangling vines and creepers.

On the day that Tarzan won his emancipation from the persecution that had followed him remorselessly for twelve of his thirteen years of life the tribe, now a full 100 strong, trooped silently through the lower terrace of the jungle trees and dropped noiselessly upon the floor of the amphitheater.

Today it was the killing of a giant ape, a member of another tribe, and as the people of Kerechak entered the arena two mighty bulls might have been seen bearing the body of the vanquished between them.

MOOSE INVADED CITY LAST NIGHT

Brantford Lodge Was In-
stituted—Banquet Held at
Tea Pot Inn.

Between one hundred and one hundred and fifty members of the Loyal Order of the Moose sat down to a sumptuous banquet last night at the Tea Pot Inn. Members were present from Detroit, St. Louis, Santa, Maine, Me. Toronto and 65 members of the Hamilton Lodge.

Mayor Spence welcomed the members of the Hamilton lodge to Brantford and congratulated the local lodge on their splendid turnout.

The toast to the King was proposed by Bro. Dictator Bert Inglis, and responded by the singing of the National Anthem.

The toast to the Supreme Court of the Loyal Order of the Moose was proposed by Bro. Fred Robbins of Hamilton, 1142, a member of the Supreme court and responded to by Bro. Norman Heyd of Toronto Dominion 454 in a very able manner. Before the toast was proposed Master Willie Smith, the Brantford boy soprano, sang in an exceptionally capable manner.

Bro. Fred Hubert, the Inner Guard of the Supreme Court, in proposing the toast to the Supreme Court, said he considered it an honor to be present at the banquet and told a few instances which occurred at the meeting of the Supreme Court in the United States.

Deputy Dictator, Bro. Norman Heyd of Hamilton replied to the toast to the Supreme Court. He tried to impress upon the members the magnitude of the lodge to which the Brantford men have joined. He said he would not be satisfied until Brantford lodge, the baby lodge of Ontario have a membership of 1,000 members. He wished the new lodge every success in their new venture.

Dr. Grey gave a very humorous recitation which provoked a lot of merriment.

The toast to Hamilton lodge No. 1142 was proposed by Bro. F. B. Hubert and responded to by Bro. J. P. Pet. Humorous recitation which was greatly appreciated.

Organizer Martin Hudson spoke a few words of thanks to the response

which he had received in this city. Bro. Wm. Cross of Hamilton congratulated the new lodge and wished them every success.

Bro. Welby Almas replied to the toast of the new lodge in a few spicy and witty remarks.

The following is the programme: Speech, Fred Hubert; speech, Norman Heyd; song, Master Willie Smith; comic, Wm. Doer; song, D. Pequegnat; speech, Fred Coffins; recitation, Dr. Grey; a few remarks, Bro. Cross; a few remarks, Welby Almas; comic, Bill Doer; speech, Mr. Ross, St. Louis.

Those at the head table were: Bro. E. W. Corns Detroit No. 160; Norman G. Heyd, Toronto, Dominion, No. 454; Bert Inglis, Director of local lodge; F. B. Hubert, Hamilton, Thea Grayson, Prelate of Hamilton lodge.

There were also present, Bro. Ross of St. Louis and Bro. Gwyn of Santa Maine, Me.

WOMEN WANT TO VOTE IN THIS CITY

(Continued from Page 1)

used in Brantford for over 50 years by reeves and mayors.

"You are the first to occupy that chair since it has been renovated this week," said His Worship.

"It isn't honor and kind words we want, but deeds," replied Mrs. Secord amid more applause.

Other Speakers.

Brief addresses were also made by the gentlemen. Rev. Mr. Woodside said he could support the ladies' plea because a woman's plea was always effective. He believed they were moving along a line which was demanding attention from every rank in line. Women were now placed in every kind of business side by side with men. Tradition seemed the only argument why a woman should not vote. In years past the status of a woman had been greatly improved.

There was the feeling that in all questions pertaining to the fundamental things about civilization the home, morality, etc., women were the most directly affected, the most active and the most concerned. He asked the council to do the honorable and "a-y thing in granting the request."

M. A. W. Burt.

"I have never been able to appreciate," said Mr. A. W. Burt, "the multiplicity of conditions which place a large section of the community under disadvantages."

Mr. Burt strongly favored votes for women and declared there were few school teachers who did not. The fitness to vote depended upon intellectual and moral qualities. The girls were certainly equal to boys in intellect and morally they were superior. Voting, he declared, was a most solemn duty, which should be performed almost as sacredly as any religious duty. He believed woman would exercise the privilege of the vote with a higher conception of duty than man. The objection might be raised that in a married man's house there might be a double vote. This would work out alright and in other cases there would be a split vote. It was in the interests of justice and not of chivalry or tenderness to the ladies that the vote should be extended to women. Australia and several other countries had initiated such extension and Great Britain would have done so long ere this had it not been for the fool prejudices of the militants.

Mr. E. E. C. Kitter spoke briefly. Woman in his estimation, was just as intelligent as man. To which the Mayor remarked that all agreed that there was one woman as bright as man, and that woman was the man's own wife.

Smiles effusively and then some! With these kind words and "prayerful promises the deputation withdrew.

GIRLS! STOP WASHING
THE HAIR WITH SOAP

Soap Dries your scalp, causing dandruff, then hair falls out.

After washing your hair with soap always apply a little Danderine to the scalp to invigorate the hair and prevent dryness. Better still, use soap as sparingly as possible, and instead have a "Danderine Hair Cleanse." Just moisten a cloth with Danderine and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed, your hair will not only be clean, but it will be wavy, fluffy and abundant, and possess an incomparable softness and lustre.

Besides cleansing and beautifying the hair, one application of Danderine dissolves every particle of dandruff; stimulates the scalp, stopping itching and falling hair. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

Men! Ladies You can surely have lots of charming hair. Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it.

of the Church. As an entertainer Mr. Fax is in a class by himself. His Scotch costumes of which he has an abundance, helped to make him all the better and judging from the applause which he received last night at St. Andrew's Church he made a decided hit in this city. Every number he rendered was heartily enjoyed. His rendition of the old Scotch songs were exceptionally good especially "Mither and I" and "British Charlie" in which he fairly brought the house down. He also rendered the famous Scotch songs "She Was a pretty love ballad full of humor and the exceptionally humorous selection "Punctuation" in a very clever manner.

The other artists of the evening were exceptionally good. Mr. Anderson's rendition of the ever popular Scotch songs being a feature. Mr. Anderson is a local man who is Scotch himself and possesses the proper Scotch dialect.

Miss Ross, another local product, in her song "Mary of Argyll" was very good and won well merited applause.

Rev. W. E. Bowyer, rendered in his usual capable manner a rollicking song of the sea, which was heartily enjoyed.

After the programme a light lunch of haggis, the Scotch dish and shortbread and cake was served.

The chair was occupied by Mr. Wm. Millard and the following excellent program was rendered: Address, Rev. Mr. Gordon; song, Mr. Fax; piano solo, Mr. Aerman; song, "The Standard on the Praes O' Mar"; Mr. Anderson; song, Mr. Fax; orchestra selection, The Cubanola Orchestra; song, Mary Argyll, Miss Ross; song, Rev. W. E. Bowyer; duet, Messrs. Adie and Anderson; orchestra selection; song, Mr. Fax; accompanist for Mr. Fax was his daughter, Miss Fax of Toronto.

The New Millinery

Visions of Grace and Lovliness

The diversity of the season's new fashions in trimmed hats is equalled only by the individual charm of each model.

We should like to tell you about the various fashions--should like to minutely describe them to you. But we know that it is impossible to convey in words a proper sense of their artistic beauty and becomingness. So we shall have to fall back on the old plea of: "COME TO SEE THEM PERSONALLY!"

They are waiting for you! Virtually every new millinery fashion is represented in the display. And the sooner you come the better you'll be pleased.

of the council came to the "resolving" stage had his little hand. His first almost was a resolve that the council instruct Mr. W. S. Brewster, M. P., to get votes for married women instanter, the council into back Mr. Brewster to the limit in such endeavor. Ald. Calbeck seconded the motion, but later developments caused him to scratch his name off.

Ald. Ward remarked that a woman's vote in January was as good as any one else's.

Hereupon the Mayor put on the gloves with Ald. Ward. Said His Worship, "A minute ago you were objecting to a grant towards the Ca-tholic cemetery being rushed through, now you want to railroad votes for married women through the council without a moment's thought or consideration and you want to do it, in spite of the fact that the question is one which rightfully should go to the finance committee."

Ald. Ward: "I submit that the objection should come from the finance committee and not from Your Worship."

The Mayor: "Excuse me, I'm supposed to be here to keep you in order, and it's a tough job."

Ald. Ward: "I question your right to turn down this motion."

The Mayor: "Well, question it. All last year you were a great stickler for committee rights. Why not be consistent?"

Ald. Ward said he had given Ald. Hollinrake a chance to say whether he was intruding or not, but Ald. Hollinrake said he didn't know what was coming. The question, said Ald. Hollinrake deserved deliberation, and if it went to his committee there would be a report on it in short time. And accordingly it went.

What Experienced Contractors Say

To the Dominion Mausoleum Co., Ltd.

Dear Sirs:

We might say that we have examined the plans of the Brantford Mausoleum and find them most complete in every particular.

The foundation is very heavy and well buried in the earth below frost line. They are of concrete to six inches below grade line; the balance on the outside is of Canadian granite, lined up in the inside with concrete. The floor is of reinforced concrete raised some two feet above the earth line, using the necessary space for ventilation of the crypts. The roof of this building is of reinforced concrete about six inches thick, and this is covered with a roofing which is the very best we have ever seen specified, therefore making it absolutely waterproof for generations. The inside is lined with polished marble from floor to ceiling. The doors are of heavy solid bronze, and the windows of heavy cathedral glass work, set in metal.

The crypts are cast separately of reinforced concrete and perfectly damp-proof when set in place. There is a separate ventilation system for each crypt, taking the air from outside, under the floor, up through the flues and out above the roof.

Taking the building altogether, it is the very best construction of its kind in this country, and we have no hesitancy in recommending it to the people of this city as a building that will last for ages to come.

Yours respectfully,
P. H. SECORD & SONS, LTD.

Brantford, Ont., Feb. 23, 1914.

SURPRISES IN FOOTBALL MADE GUESSING HARD

Two Were Tied For Consolation Prize—Scotch League Results Were According to Dope—There Were Several Upsets However.

Wm. Loudry of the Imperial Hotel and Wm. Trevelt of 161 Albion St. are joint winners of the Conrier Football competition this week. Both of these competitors marked twelve correct answers and both were marked on the first coupon so that there is a tie for first place. Loudry got three answers correct in English Cup and League division whilst Trevelt got two. The latter however, was more successful in the second division, in which he got four correct results in Loudry's two. Both had their coupons marked exactly similar for the both had four correct in this division. Southern League results, therefore, in the Scottish League Loudry got three results right to two by Trevelt with the result that they both tie.

The Guess Wreckers.

The chief expectation upsets this week were the two first named upon the coupon, namely Sunderland and Manchester City. Sunderland on their own enclosure at Roker Park, failed to overcome Burnley, whilst Manchester City at Hyde Road, did not

do as expected with the Owls from Sheffield. Aston Villa were strongly followed in that match with the "Blades" of Sheffield and it would have been strange if they had not been, with a cup righting side such as the "Villains" are admitted to be. Almost every season sees them into the semi-finals and invariably into the final of the great English Cup. Liverpool were not surely marked to win Queen's Park Rangers, but they managed and so got through into the semi-finals. Liverpool is a peculiar team, they either do extremely well or very poorly, and they never take a mediocre stand in the Cup fight, Bradford being at home were expected to beat Everton, who have played very moderately this season, but they failed and coupon markers went down three on these first five results.

Second Division.

In the second division Barnsley and Notts County were good against Clapton and Fulham, but Huddersfield were not very much anticipated to lose against Bristol, Lincoln and Birmingham could not definitely decide which was the best team and as the Leicester-Leeds encounter was a mistake, and therefore, not counted, the man who got three was doing well.

Southern League.

In this league the home team were fairly well followed and did not come back upon the competitors with any exception, and that was Plymouth and Crystal Palace. Neither team could score and as many marked the Palace and the others voted for Plymouth, this result was a black mark. Three and four correct in this division was quite a common estimate.

Scottish League.

The notorious "Hibernians" were too good for Queen's Park, and were right up to their reputation. They were a pretty sure win. St. Mirren surprised even their own supporters when they put Partick Thistle to rout and they consequently were badly left as favorites. Another black mark. Third Lanark should have had it over the Stevenston brigade, and the latter were not expected to survive. They managed a draw, however.

SEE IF THE CHILD'S TONGUE IS COATED

If cross, feverish, constipated, give "California Syrup of Figs"

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad, has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well playful child again.

You needn't coax sick children to take this harmless "fruit laxative," they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a six-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here. To be sure you get the genuine ask to see that it is made by California Fig Syrup Company. Refuse any other kind with contempt.

They Helped Her Wonderfully

WHAT MRS. H. BEST SAYS OF DODD'S KIDNEY PILLS.

Alberta Woman Voices the Sentiment Dodd's Kidney Pills are Woman's Best Friend.

RETLAW, Alta., Mar. 9.—(Special)—"Dodd's Kidney Pills helped me wonderfully," So says Mrs. H. Best, a highly respected lady living here. And Mrs. Best expresses the sentiment of thousands of women in Alberta. Like most women Mrs. Best does not care to talk about her troubles, but she does wish others who have suffered as she has to know that they can find relief in Dodd's Kidney Pills. "I found them entirely satisfactory. They helped me wonderfully," she says, "and I give you my full permission to tell the public what they have done for me."

Women who suffer in silence can be cured just as silently. The key-stone of woman's health is the Kidneys. If they are kept strong and pure, blood means good health all over the body. Dodd's Kidney Pills cure Kidney Disease. Dodd's Kidney Pills make healthy kidneys and good blood. That's why they are known as woman's best friend.

ever and caused another incorrect guess. Motherwell and Celtic both had good followers and the Celtic win was not one of the unexpected variety. Clyde and Falkirk match was not played, and therefore, was not counted upon the list.

Competition Thrives.

This competition continues to thrive and every week sees a larger mail. It is surprising to find so many football followers in a city as Brantford, situated so many miles from the seat of football activity. If you want to have a good chuck out of the No. 1 coupon and send it in on Friday. In a competition of this kind, no particular skill is required, just an idea of who will win and a glance at the league tables, will enlighten you as to the merits of the various teams. Put your guess upon the coupon, send it in and leave the rest to us.

STRIKE IN ROME.

ROME, March 9.—A meeting of 100,000 Italian workmen, who had started a general strike to-day held a meeting on the Piazza Del People this morning. Fiery speeches were delivered from several platforms, but there was no disorder during the meeting which passed a resolution demanding that the public hospitals should be reorganized for the benefit of the working classes. The ostensible reason of the strike was to protest against changes recently introduced in the hospitals.

BIG WATER MAIN BURST.

NEW YORK, March 9.—The bursting of a forty eight inch water main and a subsequent series of explosions of gas mains in the heart of the city yesterday, lifted a trolley car from the tracks; blew an automobile, containing Fire Chief John Kenton and two other persons a distance of several feet, shook buildings and flooded streets and cellars. Seven persons, passengers of the trolley car were injured slightly. The automobile in which Chief Kenton and his companions sat, was not overturned, and three were not hurt.

JAPAN NAVAL ESTIMATES.

TOKIO, Japan, March 9.—A recommendation to reduce the Japanese naval estimates by the sum of \$20,000,000 was carried by the budget committee of the upper house of the Japanese parliament to-day. This was done in spite of the protest of the Premier, who expressed the opinion that such a diminution would seriously hamper the national defences. To-day's proposed reduction was in addition to the curtailment of the naval estimates by \$15,000,000 already passed by the lower house.

Unimpeachable—If you were to see the unequalled volume of unimpeachable testimony in favor of Dodd's Kidney Pills, you would upbraid yourself for so long delaying to take this effective medicine for that blood disease from which you are suffering.

SHAFFER RETIRES FROM PROFESSIONAL BALL

Giants' Third Baseman Says Strain Is Too Much—Going Into Business.

SAN JOSE, Cal., March 10.—Arthur Shafer, third baseman of the New York Nationals, announced yesterday that he had quit professional baseball and would not report this year to the Giants or any other club. He said he was tired of the constant strain of a long pennant race and was going into business with his father in Los Angeles.

News to the Club.
NEW YORK, March 10.—President Hempstead of the New York Nationals, said last night that he had not heard officially from Third Baseman Shafer, that the infielder intended to retire.

"Shafer signed a two-year contract with the Giants last year, so he can have no salary grievance. In the event Shafer cannot be made to change his mind the club has a good third baseman in Milton Stock, a young infielder of whom McGraw thinks highly."

Boy Knight Notes

The Boy Knights of St. Luke's held their third anniversary services at their armories on Sunday evening, it being the most successful in their history. The interest which is taken in the movement was shown by the large attendance and the great number of adults who were present.

The service was most impressive throughout and the singing bright and hearty. The girl companions rendered an appropriate anthem. Mr. George Hunt and Miss Goodson contributed a duet, which was sung with taste and expression. The commanding officer addressed the boys, speaking from Gal. 1: v: "Stand fast, therefore, in the liberty wherewith Christ hath made us free," he made a brief review of the history of the organization, and the principles on which they had founded it. God had blessed them in the past and would continue to do so as long as they looked to him for guidance. God had set a definite work for each boy and girl to do and it was their duty to find out what the work was and do it. They had been called lately to face serious situations. These had been met manfully and courageously, and as a result they were stronger to-day than ever they had been before. Their work had been strictly non-denominational, and it was their duty as Boy Knights and Girl Companions to try and help any girl or boy, no matter how poor they were or in what condition they were in, so that they might enjoy the same advantages that they had. God was no respecter of persons. The poor boy or girl was just as often called to carry on his work as those who occupied the higher stations in life; and when called upon by Him they should see to it that they were ready and willing to carry on that work.

The Junior Boy Knights will celebrate the anniversary with a birthday party next Friday evening.

NEW YORK, March 10.—Battling Levinsky of Philadelphia, outpointed Jim Coffey, the Dublin Giant, in a 10-round bout at Madison Square Gardens last night.

"CASCARETS" ALWAYS STRAIGHTEN YOU UP

When constipated, headachy, bilious, stomach sour, breath bad.

Get a 10-cent box now. You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous, and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret to-night will straighten you up by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

LIVE WIRE NOTES FROM COUNCIL

(Continued from Page 1)

Ald. Ward wanted the committee to report in the matter of a reduced license fee for moving picture houses. This Ald. Hollinrake promised.

Mayor Spence informed Ald. Bragg that the Gas Company had got into habit recently of putting up guarantee deposits before streets were disturbed by their operations. If the streets were not put back in proper shape the deposits were kept.

The Buildings and Grounds committee of the City Council, with Mayor Spence and Dr. Pearson will be a committee to meet the Township Council in regard to the establishment of a smallpox hospital. A conference will be arranged in a few days.

Ald. Ryerson remarked that the Board of Works was spending money uselessly in digging up ice on Colborne street which one warm rain would wash away. To which Ald. Ward replied that Ald. Ryerson had a poor idea of what nature is and what nature does. If the ice was left in the gutter it would be the middle of the summer before it vanished. Thereupon Ald. Pitcher recalled that he had seen the wonderful civic snow plow drawn by two horses going up street majestically cleaning off not more than a quarter of an inch of snowfall during the night.

Whether the Council wanted the Gas Company fined \$100 once more or not was asked by Mayor Spence, who remarked that the medical health officer was awaiting further instructions. The instructions were given in a resolution prepared by Ald. Hollinrake, which read that the officials should again proceed in court if the nuisance is not abated.

Ald. English called attention to a petition for a sidewalk on the new part of Dundas street. The walk he said, should not be laid until the street was fixed up and for this he put up a real argument. There was one respectable approach to Terrace Hill, said he, and Dundas St. was the most likely one of all. At present, it was eight or ten feet below grade and should be remedied. Then build the walk, Ald. Ward said he could not see where Terrace Hill had any kick. The city paid \$1,200 for the Dundas street extension and spent \$2,600 on it. He promised that it would be widened. Whereupon the Mayor asked if Strathcona Ave. was alright now, and Ald. Sutch, not to be denied, said there were two or three Board of Works men this year who would watch Ald. Ward. Ward said he would have a chance instead of Eagle Place and West Ward. Ald. Ward, as usual got the last word. Strathcona avenue he declared, paid big taxes now, the new part of Dundas street did not.

LEAVING THE CITY Henri K. Jordan, Organist, Brant Avenue Church, Departs in June.

Mr. Henri K. Jordan, the popular and efficient organist and choir leader of Brant Avenue Methodist church will to-night have in his resignation to the board of that church, having accepted a position as organist and choir leader of the Young Memorial Church, Winnipeg. Brantford musical circles are losing one of its best and most ardent workers in Mr. Jordan, who has for the past eleven years been an enthusiastic devotee to music in this city. During his residence in this city, Mr. Jordan has won a host of friends who will wish him the best of success in his new field of labor.

Mr. Jordan has many times turned down offers to go to the West, but the one from the Winnipeg church was too tempting, and he decided to make the change. He will leave this city sometime in June to take up his new work in Winnipeg on July 1st.

GRANT IS MADE

(Continued from Page 1)

Cemeteries were purchased out of the general funds of the city, to which Catholic ratepayers contributed the same as other ratepayers, and that the public cemeteries were maintained out of the general fund until such time as they became self-supporting, and that ever since the city was established, Catholic paupers have been buried without any expense to the city, and we find that in other places in Ontario annual grants are given out of the general taxes for the maintenance of Catholic cemeteries, and in some places cemetery land has been purchased outright for the Catholic ratepayers and donated to them, and in view of the fact that the Catholics were given a portion of Mt. Hope cemetery it would necessitate their being at the expense of keeping up two cemeteries, we think that in all fairness, they should be helped to enlarge their present cemetery, as they are now in a position to do so; therefore we are of the opinion that financial assistance should be given to the trustees of St. Joseph's cemetery at the present time.

We recommend that they be granted the sum of \$2,000, \$1,000 to be paid now, and \$1,000 one year from this date, on the understanding that the land purchased is to be used solely for cemetery purposes, and in the event of any portion thereof being utilized for other uses, this money is to be returned to the municipality.

All of which is respectfully submitted.

The Discussion

Ald. Hollinrake said he had given the matter a great deal of thought and he was sorry to have to make objections to the proposal. The state of the city's finance was such that grants of any kind were out of order. He also thought that it was establishing a dangerous precedent. It was opening the way for similar applications from other bodies. The city should buy the cemetery outright, and the city to keep the deed.

Ald. Broadbent thought there was some force in Ald. Hollinrake's remarks, but he did not favor buying the cemetery outright, as that meant a bigger expense. He understood the Catholics could buy ten acres of ground adjacent to their present cemetery, which was now filled up, nothing for cemetery, either first charge or maintenance. Ald. Broadbent thought that any one could appreciate the position of the Catholics. If for instance, part of Mt. Hope was granted, it would simply mean that that cemetery would be filled up more quickly.

Ald. Ward expressed the best of feelings to his Catholic friends, but he objected to being asked to vote on the question without a moment's consideration. Sufficient details, said Ald. Ward, had not been submitted to the council, and he suggested laying the matter over a couple of weeks. It was possible that given more time he would give his consideration more time for consideration were granted.

Ald. Ryerson did not think it was necessary to leave the matter over at all. He favored the grant because it was fair and just. The Catholics would never have had to enlarge had it not been for the influx of foreigners here in recent years, the most of whom were taken care of by them.

Ald. Pitcher declared the grant was just and right, and the method of financing the matter was the best.

Ald. Sutch said he was strongly in favor of ownership of utilities, but a cemetery was not in the profit making class. Hundreds of Catholics paid taxes to keep up Mt. Hope cemetery while they did not use it. The grant would be a much better than providing a new cemetery.

Ald. Calbeck favored the report for the reason the Catholics had relieved the city of cemetery cost in the past for many years, and were therefore entitled now to some consideration.

Ald. Charlton favored making the grant of \$2,000 in four instalments of \$500 each. In connection with the Catholic parish, Ald. Charlton paid a compliment to Dean Brady for the improvements made.

Ald. Robinson said he understood the city was not financing the whole proposition. The land would cost \$5,000, and could not be used until it was paid for and consecrated.

To Ald. Ward, Ald. Pitcher said that it was very recently that Brantford cemeteries became self-supporting. For many years they were not, and Catholics contributed alike with others.

The report was carried. Board of Works The board of works reported as follows: That new tenders for special castings be called for owing to the fact that two foundries have tendered and that the advertisement states that firm receiving the contract must pay not less than the minimum relative rate of wages.

That in accordance with resolution passed at the last meeting of the council, a committee be appointed consisting of Ald. Ryerson, Charlton, Broadbent, Hollinrake and Ward to negotiate with the different companies with a view to having all poles removed from the streets of the city and the wires placed in underground conduits and to report back their

A 15-Year-Old Caught by Police

(By Special Wire to The Courier)

KINGSTON, March 9.—The police have a bold 15-year-old burglar in their possession. He says he belongs to Hamilton, and in the juvenile court was remanded for a week by Magistrate Farrell. He beat his way here Saturday night on a freight train from Toronto, and Sunday morning secured board at the home of Mrs. Geo. Buchanan. After staying at the house a couple of hours he made off with three gold rings and a gold locket, the property of Miss Buchanan. He was arrested at the railway station a few hours later with the stolen goods.

SEVEN YEARS PAIN FROM ACUTE NEURALGIA

CURED THROUGH THE USE OF DR. WILLIAMS' PINK PILLS.

Neuralgia is not a disease—it is only a symptom. It is the surest sign that your blood is weak, watery and impure, and that your nerves are literally starving. Bad blood is the one cause—good, rich, red blood is its only cure. There you have the real reason why Dr. Williams' Pink Pills cure neuralgia. They are the only medicine that contains, in correct proportions, the very elements needed to make new, rich, red blood. This alone reaches the root of the trouble, soothes the jangled nerves, and drives away the nagging, stabbing pain, and braces up your health in other ways.

Mr. M. Brennan, an experienced agent of the 2nd Cheshire Regiment, now a resident of Winnipeg, Man., says: "While serving with my regiment in India, on a hill station, I contracted a severe cold which brought on acute neuralgia, at times lasting for three weeks. I was constantly suffering almost every month in the year for over seven years, the pain being sometimes so severe that I wished I was dead. On my return to England I seemed to get no better, though I spent large sums of money for medical advice and medicine. Then I came to Canada, and about a year ago saw the advertisement of Dr. Williams' Pink Pills in a Winnipeg paper. Although I had begun to think my complaint was incurable I told my wife that I intended giving the Pills a fair trial. I was suffering from terrible pains when I began taking the Pills, but before the second box was finished the pain began to disappear, and under a further use of the Pills it disappeared entirely, and I have not had a twinge of it during the past year. Only those who have been afflicted with the terrible pains of neuralgia can tell what a blessing Dr. Williams' Pink Pills have been to me, and you may be sure I shall constantly recommend them to other sufferers."

These Pills are sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

"I HAVE GAINED FIFTEEN POUNDS

Since Taking "Fruit-a-tives" And Feel Like A New Person"

DRYSDALE, ONT., June 15th, 1913. "I am a general storekeeper at the above address and, on account of the great good I have experienced from using "Fruit-a-tives", I recommend them strongly to my customers. They were a great boon to me, I can tell you, for about two years ago, I was laid up in bed with vomiting and a most terrific pain at the base of my skull. This pain nearly drove me mad. Doctors feared it would turn to inflammation of the brain, but took "Fruit-a-tives" steadily until I was cured. I have gained fifteen pounds since taking "Fruit-a-tives" and I verily believe they saved me from a disastrous illness."

His many friends will be pleased to learn of his splendid progress.

Duties to Visit, London. The Dufferin Rifles baseball team travel to London by the 4-40 train this afternoon to engage in a return fixture with the crack London team, whom they trimmed at their last meeting in the armories. The team selected is: Heatherington, pitcher; Stewart, catcher; Shepherd, 1st base; Marlatt, 2nd base; Clawsay, 3rd base; W. Colquhoun, right shortstop; C. Secord, left shortstop; Smith and Appel in the field. Cancelli will act as umpire.

A Big Well The flow of natural gas from the new gusher on the Fairbank's property at Oil Springs, struck by Contractor Patterson of Brantford, suddenly increased to more than 11,000,000 feet, following drilling a few feet into the rock. The well is now the greatest of any in Western Ontario. When first located on Friday, the flow totaled 2,000,000 feet, and, the well was then declared to be the greatest ever struck in Lambton county. Interest among gas men throughout this section of the country is at fever heat over the phenomenal and, much speculation has been evoked as to whether it will remain constant. If it does it will be the greatest find of its kind ever struck in Eastern Canada.

TEMPERANCE WAS THE TOPIC

Meeting of the Junior W.C.T.U. at Brant Avenue Church Last Night. Before a well filled lecture room at the Brant Avenue Methodist Church, last night, Mrs. Lottie McAllister of Exeter, and Mr. J. J. Hurley of this city, delivered two short addresses to the junior department of the W. C. T. U., otherwise known as the "Y."

The topic of the evening was temperance, and both speakers gave a number of interesting and instructive thoughts for the younger members of the society to carry away with them. Mrs. McAllister is an exceptional strong speaker, and one who carries her audience with her in all her thoughts. Her address last night was full of encouragement for the younger generation, and she vividly pointed out the great evils of strong drink in the present day. She quoted various instances in her own experience where strong drink had done harm, and her great message last night was to the young to do all in their power to help stamp out this great evil.

Mr. J. J. Hurley also pointed out the great evils of the drink habit and also cautioned the young to do all in their power to stop the liquor habit of the present age. Mrs. A. Shults, president of the society, occupied the chair in her usual capable manner, and readings were given by the Misses Emly Ames and Miss Dorothy Hagey. Miss A. Shults rendered a solo in a very capable manner, and Dr. Watson and Rev. Mr. Lavell offered prayers. A splendid collection was taken in aid of the work, and a neat sum was realized.

PRESENTATION OF PORTRAITS

Miss Gilkison Gives Two Old Pictures to the Six Nations Indians. At the Council meeting of the Six Nations Indians to be held to-day at Oshweken, Miss Gilkison of this city will present to that body two historical portraits of two great Englishmen who did much for the Six Nations Indians in the early days of Canada, and who both bore Indian names.

The first portrait is that of Mr. Samuel P. Jarvis, which was adopted by the Mississaugas in 1794 when two years old, and was given the Indian name Neh-kal, meaning Otter. The other portrait is that of Mr. David Thorburn of Queenstown, Ont., who was superintendent of the Six Nations from 1845 to 1862. He was given the Indian name of Strong Arm. He died at the age of 72, and 13 chiefs and their superintendent, Colonel J. T. Gilkison, attended his funeral.

The first portrait is given by Mr. Emilus Jarvis of Toronto, a grandson of S. P. Jarvis, and the other one is presented by Mr. Thorburn's daughter, Miss Thorburn of Toronto.

HOUSE OF REFUGE BOOKS IN MIDDLE

City Auditors Unable to Complete Their Report—An Explanation Made. The House of Refuge books were reported last night at the City Council to be in such bad shape that it was impossible for the City Auditors to complete their work. Consequently the council ordered the printing of the auditors report, minus the House of Refuge statement, which will be inserted before the binding is done. Mayor Spence assured the aldermen that there was nothing wrong in the House of Refuge accounts, except that the Secretary had probably got behind in his work of keeping things checked up and confusion has resulted. Mr. John Houlding is the Secretary, and has announced that his business duties have not allowed him time to look after the work properly, and as soon as the audit is completed satisfactorily he will resign as Secretary.

STANLEY HUMBLE HAD CLOSE CALL

Motor Bus in Collision at Noon to-day day on Terrace Hill. What might have been a serious accident occurred at noon to-day when Stanley Humble, the young brother of the proprietors of the 20th Century motor bus line which runs to Terrace Hill, had his right leg nearly broken. Stanley was standing on the rear of Bus No. 1 and both busses were just leaving their terminals on Terrace Hill, with No. 2 following closely No. 1. For some reason or other No. 1 suddenly stopped and Bus No. 2 ran into the rear of No. 1. The guard on the front of No. 2 hit young Humble's right leg just above the ankle and jammed it against the steps on the rear of No. 1 and for a time it was feared that the limb was broken, but fortunately after an examination this was not found to be the case. The injured boy though walking very lame was able to proceed on his way this afternoon and perform his duties as conductor.

BRITAIN'S NEW DREADNOUGHT.

NEW YORK, March 10.—A cable from London to The Herald says: Two 3-inch guns for attacking air craft and which are said to be capable of sending projectiles to a height of more than 10,000 feet at the rate of twelve or fifteen a minute are among the novel features of the new super-dreadnought battleship Iron Duke, which goes in commission to-day.
