## Eighty-third Convocation of Acadia

Largest Graduating Class in History of College

The Baptist church was filled to capacity on Wednesday morning when the eighty-third convocation of Acadia University was held. At 10 o'clock the faculty, board of governors, alumni and students gathered at the library and marched to the church. On the platform were the president, faculty and those receiving honorary degrees. The processional march was played by Miss Hortense Griffin as the graduating class took their places in the centre of the auditorium. One stanza of "Our God, Our Help in Ages Past" was sung with fervor, and Rev. Z. L. Fash, of Fredericton, led in prayer. John Burt Bishop, of Auburn, N. S., gave a truly able address on Radio-Telephony, proving his ability by his successful treatment of his subject in a purely popular manner. Equally exhaustive and lucid was Miss Kathleen Fitzpatrick's presentation of the "Problems of the Modern City", while Mr. Lumsden's speech on "Canada's Imperial Debt" was a masterpiece, and the vast audience learnt something of the evils, perils and difficulties, as well as some of the possible remedies, of our present financial situation as a nation.

The graduating class numbered forty-nine, the largest in the history of the College. Degrees were conferred as follows:

### Master of Arts

Isabel Esther Clarke, Fredericton, N. B.  
Irvine Berton Rouse, Corn Hill, N. B.  
Ralph Benjamin Smallman, Wolfville,  
Paul Roy Tingley, Wolfville.

Earl Freeman Saunders, Paradise.  
Max Gordon Saunders, Paradise, N. S.  
William Spriggs, Port Williams.  
Harold Llewelyn Tappin, Wolfville.  
Arthur Joseph Tingley, Wolfville.  
Douglas Stevenson Wetmore, Truro.  
Horace Huntington Wetmore, St. John.

Honor Certificates were awarded to

Ralph Hartley Wetmore, Biology; Lily May Perry, Biology.

The following Honorary Degrees were conferred:

**Doctor of Divinity**  
Rev. Austin T. Kempton, Cambridge, Mass.  
Rev. Maynard W. Brown, Port George, N. S.

**Master of Arts**  
Milton F. Gregg, V. C., of Montreal.  
Irene Elder Morton, of Clementsport.  
Frank Goode, of Fredericton.

Dr. Cutten then announced the following prize winners:  
Governor General's medal—Ralph Hartley Wetmore.  
A. M. Wilson Prize—Harold L. Tappin.

A. G. McIntyre prize—Harold L. Tappin.  
John W. Dewis prize—Elsie Frances Layton.

W. W. Fitzhugh prize—William Spriggs.  
W. B. Bishop gold medal—Clarence Basil Lumsden.  
Philip S. Beals Scholarship—Sidney Shaw Chipman.

1892 Scholarship—John Albert Rogers.  
1905 Scholarship—Arthur Emerson Warren.

The President, on behalf of this year's Class of Engineers, presented the Acadia Amateur Athletic Association with a silver cup, as a trophy for competition in the Inter-Class baseball games. He also announced that the Alumni Cup had been won by the class of 1881 and called upon Mr. Henry P. Bentley to receive it on behalf of the class. Other members of the class present were Dr. A. C. Chute and Mr. John Donaldson, their being only eight members of the class now living.

Dr. Cutten made several important announcements in his address. A new Women's Scholarship had been donated by a member of the Senior class whose name was withheld. Pensions for members of the faculty were made possible by the gift of \$75,000 from the Carnegie Foundation. A member of the faculty can now retire at the age of 68 on a pension of \$1,000 a year.

He stated that the Million Dollar Campaign would start in earnest in September. The New York Alumni and the New England Alumni have accepted the responsibility of raising One Hundred Thousand Dollars. Mr. John D. Rockefeller has very generously offered to give One Dollar for every Three raised from other sources provided we can raise \$750,000, the remainder namely \$250,000 will be paid by him. In addition to this Mr. Rockefeller has very kindly given outright the sum of \$12,500 to help in current expenses until this whole amount is raised.

### A FINE MUSICAL PERFORMANCE

One of the finest musical entertainments heard in Wolfville for a long time was given at the Opera House at 9 o'clock last Sunday evening under the direction of Mrs. Richmond. The programme which was all rendered by pupils of Mrs. Richmond, included solos, duets and trios and concluded with Dudley Buck's Festival Te Deum in E flat with a chorus of thirty voices. The entertainment was put on with very little special preparation, all the numbers being taken from the actual work of the pupils. All the singers were, apparently, at their best and the large audience which completely filled the house enjoyed a treat which will not soon be forgotten. Mrs. Richmond deserves the hearty congratulations and thanks of those who enjoy good music for the opportunity afforded. We cannot do better than present the program in full:

- Trio—Lead Kindly Light..... Godard
- Charles E. Rockingham, Mr. Mason
- Soprano Solo—Come Ye Blessed..... Scott
- Miss Evelyn McDuncanson
- Jerusalem..... Gounod
- Miss Doris Chambers and Chorus
- Contralto Solo—Eye Hath Not Seen Gaul
- Miss Marie Wilson
- Duet—Love Divine..... Stainer
- Mr. Mason and Miss Duncanson
- Baritone Solo—Dawn in the Desert. Ross
- Mr. Cecil Selridge
- Trio—Father Lead me by Thy Hand
- Butterfield
- Miss Isabel McPhail, Mr. Wilfred Bolby
- Miss Duncanson
- Tenor Solo—There is no Death.
- Mr. Mason
- Duet—Quis Est Homo (Stabat Mater)
- Rossini
- Miss Richmond, Miss Wilson
- Festival Te Deum in E flat
- Dudley Buck
- Chorus of 30 voices
- Miss Vivian Duncanson
- Mr. Ralph Harlow, Accompanist.

The western part of the county suffered severely from the heavy frost which occurred on Monday night. The damage from all accounts been most severe to strawberries and other small fruit bl. or.

## The Collegiate School

Acadia Collegiate and Business Academy Closing

Exercises in connection with the closing of Acadia Collegiate and Business Academy took place in the Baptist church on Sunday evening. This grand old institution which this year celebrated its second anniversary well deserves the large place which it holds in the esteem of the denomination and which was evidenced in the large attendance on Monday evening. Practically every seat in the large auditorium was filled. On the platform, besides the members of the faculty of the Academy were Mr. J. G. Mackay, of Montreal, and Dr. I. B. Oakes.

Interesting throughout, the program showed that time and thought had been spent in the preparation of the various numbers. The program was as follows: Processional march, Miss Bernice Sproule, Miss Ora Annis; opening prayer, Rev. J. H. MacDonald, D. D., C. B. E.; vocal solo, "The Winds in the South Today," Miss Evelyn Duncanson; essay, "The Ministry of the Business Man," Donald McDonald; essay, "Class Prophecy," Miss Myra Alcorn; essay, Canadian Universities and the Great War," Preston Warren; essay, "The Valedictory," T. A. Kibbutnik; vocal duet, "Where My Caravan Has Rested," Miss Barbara McNeill and Miss Frances DeWolfe; address to the graduates, J. G. MacKay, Esq., M. C., Montreal.

Mr. MacKay, who is a graduate of Acadia of the class of '15 and well known in Wolfville was introduced by Dr. Archibald who recalled his entering the Academy ten years ago, his graduating from the University his going overseas and his winning the Military Cross.

Mr. MacKay referred to the pleasure he experienced in being present at these exercises after such a long absence. He referred to the events in connection with his life at Acadia and said that he would never forget Dr. Cutten's advice at graduation of his class and he wished to pass it on, namely, not to think that their education was completed when they graduated; it only enabled them the better to continue learning and educating themselves. Three things he especially stressed, to impress upon the young men of the class, and urged that they should go out into the world with open eyes so that they may see it as it is, with open minds so that they might learn that which is essential, and with open hearts so that they might receive as well as give the necessary love and sympathy which all so much needed in the world today.

Dr. I. B. Oakes, who for twenty-two years faithfully filled the position of principal of the Academy, congratulated Dr. Archibald and the graduates upon the excellence of work done and wished for them all possible happiness and prosperity.

The principal presented diplomas and certificates to the following graduates: George Anderson, Wolfville.  
Carl H. Brown, St. John, N. B.  
H. M. Bannerman, Barney's River, N. S.  
Morris Bishop, Greenwich.  
Kenneth Beaton, Sydney.

## Baccalaureate Sunday

Favored With Ideal Weather Conditions and Attended With Inspiring Services.

Baccalaureate Sunday at Acadia is always a most interesting occasion and with weather conditions ideal this year was no exception to the rule. The day was a delightful one—a real taste of summer with sunshine, balmy breezes and apple-blossoms everywhere.

It was expected that the seating capacity of the Baptist church, where the exercises were held this year because of the loss of College Hall, would be taxed to the utmost, and at 10.30 there were few seats to be had. Some of those present remembered the old days when the baccalaureate sermon was always a function of the Wolfville church. On this occasion the large Sunday School room and ladies' parlor were thrown open to the audience and all the room available was necessary to accommodate those who came to attend the exercises. "Chanson Russe" by Smith was rendered by the organist as the prelude while Miss Hortense Giffin played the march for the seniors who filed in and took the seats reserved for them in the centre front.

The grand old hymn, "How firm a foundation," was sung and prayer was offered by Rev. Dr. MacDonald, after which Rev. Dr. Goucher, of St. Stephen, N. B., read appropriate passages from the epistle to Timothy. "Lift Thine Eyes" from "Elijah" was delightfully rendered by Misses Harris, Nichols and DeWolfe, and prayer was offered by Rev. Norman A. McNeil. The Glee Club of the Seminary, under the direction of Mrs. Gregory, sang "O Holy Father".

The speaker was Rev. A. N. Marshall, D. D., pastor of the First Baptist church of Ottawa, who gave an interesting and able address on the subject of Godliness. In the course of his sermon he said:

"Godliness is essentially Manliness for Godliness in Christ was Manliness in the Ideal. Godliness is an achievement and not a gift and thus can be illustrated by references to athletics. There is no danger of excess in the athletic ideal, providing you give the ideal proper content.

Our text first contrasts with athletics and then parallels in the contrast. We have the partial against the complete. Life cannot be expressed in physical terms, nor yet alone in mental. Hence for life's realization Godliness is essential. In paralleling athletics the text says that we are to give at least as much attention to our spirit as to our heels. There are two supreme claims of Godliness, first, the present life and, second, the life to come. There are two misconceptions which make some doubt the claim that Godliness is the best for the present life.

First, a misconception of Christianity. Not realizing that we only give up in order to get something better. Second, a misconception of what life is. So many think only of the sordid, when thinking of life, but if Christ is historic, no one can see life till he has seen Jesus. As to the life to come there is the sense of victory in a moral struggle and the Godly man feels an assurance that he must not die, and this witness of the life to come is the greatest and highest we have."

Dr. Marshall then turned to the graduating students and said: "All of this development of personality suggests the contribution you must make to your day and generation, for the Godly character is the biggest gift you can have to bestow. Standing on the edge of your career, know that for the most simple service that greatest consciousness is necessary."

He then quoted: "I ask not Heaven, till earth be thine, no glory crown while work of mine remaineth here, till earth shall shine among the stars her sins wiped out, her captives freed, her voice a music unto thee, for crown, more work give thou to me, Lord here I am."

The Vesper service at 4 p.m., under the direction of Conductor Marsh, of the Acadia Seminary staff, was a treat to those who attended. The cantata, "Ruth," was sung with Mrs. Bartheaux, Mrs. Gregory, Miss Frances DeWolfe, and H. L. Parsons as soloists, and the playing of the Acadia orchestra added to the pleasure of the service.

At the evening service, under the auspices of the College Y. M. C. A., there was again a large attendance. Rev. A. T. Kempton, pastor of the Broadway Baptist Church, Cambridge, Mass., was the speaker, and his drama sermon made a profound impression on the large audience. Rev. Mr. Kempton, who is the son of the late Rev. S. B. Kempton, D.D., so well known and so highly honored and esteemed, took as his subject "Paid in Full". On the basis that "things seen are mightier than things heard," the preacher impersonated the parts of the different characters of the story, which made the sermon very powerful and easily remembered.

The events of the story take place in

Mr. Coleman's home, and the characters are Mr. Coleman, his son Harry, who is very sick, his other son Will, who has been away a long time, and Dr. Burton, the physician and friend of the family. The story is as follows:

Harry Coleman is dangerously sick and his father is sitting in the lonely room when Dr. Burton comes in to talk with him about the sick boy. He can give the father very little hope that his son will live. Only one thing will save him and there seems to be no time for even that to be obtained now.

While the father and doctor are up in the sick boy's room, a young man gains admission to the house and is about to steal some money. The doctor returns at this time and the young man volunteers to help save the fellow who is sick. After he has given his blood to save Harry who was very near death, the doctor comes to the room to find the father and tell him the good news of his son's probable recovery. The father had been seeking for some young man to give blood to save his son but has returned without anyone. He is overjoyed to find what has happened and promises to keep all the promises he has made, in the event of Harry's recovery, to man and to God.

Following the evening service, there was a concert by the Acadia University band, given on the College grounds and greatly enjoyed by a large audience, who were scattered about the campus.

### THE MEMORIAL GYMNASIUM

The formal dedication of the new Memorial Gymnasium took place on Monday afternoon. There was a large number assembled and the exercises were full of interest. President Cutten presided and Rev. Dr. MacDonald and Mr. Milton Gregg, V. C., also had seats on the platform. Mr. Gregg was the speaker and his address was most fitting. A former student of Acadia he paid a most eloquent tribute to the memory of the fifty-three Acadia men who made the supreme sacrifice in the Great World War. It is in honor of them that this memorial has been erected. Its presence will instill into every young person who reads the lines that are here written. It will develop those qualities of sportsmanship, of fair play and of strong self-reliance, which are the property of every true Acadian. It is in the value of emulation that the worth of a memorial of this nature it to be found, and every one who reads the lines that are inscribed hereon cannot help but be silently influenced for the better.

Dr. Cutten, having briefly spoken with great emotion, remarking that Mr. Gregg's words were more telling in their effect than could be those of any of them who had not been over there and taken part in the great events as Mr. Gregg had. Then, at the President's request, Pastor MacDonald offered a prayer that was beautifully appropriate to the occasion, after which all present stood up and reverently bowed their heads in silence, and for that moment it seemed as if the honored dead were present! Dr. Cutten made some announcements, and Dr. MacDonald dismissed with the Benediction.

Gym. Instructor Russell led groups of Co-Eds. and Semis. to the floor and gave exhibitions of drills with clubs and ball, including an interesting game of basketball after which President Cutten presented the distinction Athletic "A" to the Acadia basketball team consisting of the Misses Marjorie Wickwire, Jean Foote, Isabel Murray, Marion Brown, Margaret McCurdy, Isabel MacPail, Ruth Hennigar, and Georgia Spicer (Captain). Finally Mr. Russell and a number of his pupils went through a series of gymnastic exercises which pleased the assembly greatly. This Memorial Gymnasium has no equal this side of Toronto, and all were exceedingly pleased with what they saw.

### MEETING-OF ACADIA ALUMNI

The annual meeting of the Acadia Alumni Association was held on Monday evening at the College Women's Residence. The President, Prof. H. G. Perry, presided, and the meeting was opened with prayer by Dr. Foote. A number of new members were added. A letter was read from the Acadia Club of Ottawa extending their greetings. The executive presented a very interesting report. The following officers were elected for the coming year: President—Professor H. G. Perry. Vice-President—Rev. D. J. McPherson. Secretary—Rev. E. S. Mason. Neurologist—Rev. Z. L. Fash. Executive Committee—The above officers and F. E. Whedlock, E. S. Robinson, Rev. B. D. Knott, Rev. S. S. Podie, Mrs. M. R. Elliott, Mrs. G. B. Cutten, J. H. Cunningham.

**The People's Forum**

**NOT GOOD BUSINESS**

To the Editor of THE ACADIAN.  
Dear Sir:—Allow me to answer the query of your correspondent of last week as to the reason that we are paying \$14 per ton for Springhill coal when it can be purchased in Berwick at \$12.50. Merely for the same reason that when we were paying \$13 last fall for the same article it was retailed in Parrsboro for \$9 (the cost of handling this coal between Parrsboro and Wolfville is approximately \$1 per ton). Also for the same reason that we pay more for everything in Wolfville than any other place in this district. Namely—that our merchants govern their prices not by what they consider a fair profit but by what they think the consumer will and can pay. There is apparently one way to compete with conditions such as these. By realizing that the merchants with whom you pass the time of day during business hours and take your amusement with after hours are not the friends they would have you believe but are doing you for every cent they possibly can and are congratulating themselves on their ability to do so. By protecting yourself the only way you can in buying out of town (do I hear the huffed gasps of our citizens—the merchants). At the present time there are approximately \$1500 sent out of town every week for staple articles of food and clothing, making a total of about \$80,000 per year. Double it! Take your car and shoot out into the country to do your shopping. You can save from 25% to 50%. The merchants will, of course, object and cry that you are not playing fair. Quite a joke isn't it?

The Board of Trade and other organizations in the town are spending money and energy to induce people to come here to reside. Do they realize that what will soon be Wolfville's greatest objection and one that will soon be our undoing is just this question of H. C. L. I can name at least two prospective residents who have gone elsewhere in the past week. Both liked Wolfville and fully intended to come here to settle but discovered that they could live just as comfortably somewhere else and considerably more cheaply. Can you think of any better canvas to build up Wolfville than—"It is one of the cheapest towns in the Province in which to live". Can you think of any more harmful canvas than our present prices. Do not let me leave the impression that I am not willing for the merchants to make a living. But I do object to the merchants preventing me or anyone else from getting a comfortable living. The retailers of other towns appear to be making a living without making themselves so obnoxious. We have been passing through a period when it has been considered good form to grab all you can and leave only what you cannot get for others. This is a mistaken idea. Our jails and penitentiaries are full of people who had this wrong impression.

Yours truly,  
Merely another "fed up".

Express rates are so high that the common people can't afford to express a wish that they be lowered.

**Stern Reminders  
Of Rheumatism**

**The Trouble Must be Treated  
Through the Blood**

Every rheumatic sufferer should realize that rheumatism is rooted in the blood and that to get rid of it must be treated through the blood. The old belief that rheumatism was caused by cold, damp weather, is now exploded. Such weather conditions may start the pains, but it is not the cause. Liniments and outward applications may give temporary relief, but that is all they can do because they do not reach its sources in the blood. The sufferer from rheumatism who experiments with outward applications is only wasting time and money in depending upon such treatment; the trouble still remains, and it is all the time becoming more firmly rooted. Treat this disease through the blood and you will soon find relief. Dr. Williams' Pink Pills act directly on impure, weak blood; they purify and strengthen it, and so act on the cause of the rheumatism. Mr. P. J. MacPherson, R. R. No. 5, Cardigan, P. E. I., says: "About three years ago I was attacked with rheumatism. I began taking Dr. Williams' Pink Pills and soon the trouble disappeared and I am in better health than before. I also know of an old lady acquaintance who was badly crippled with rheumatism in her arms and legs, and who suffered very much. She, too, took Dr. Williams' Pink Pills and is now able to do her housework. I tell you this in the hope it may be of benefit to some other sufferer."

You can procure Dr. Williams' Pink Pills through any dealer in medicine or they will be sent you by mail at 50 cents a box or six boxes for \$2.50 by writing direct to The Dr. Williams' Medicine Co., Brockville, Ont.

A Japanese baron visited the University of California, and on leaving was put aboard a partly filled local car. At the junction the party transferred to a much crowded through car. Japanese courtesy weathered the test so far as matters went, but the baron could not resist the question, "Why do we leave the comfortable car for this one which is so crowded?"

He was told, "Oh, we save two minutes getting into San Francisco."  
"Ah," said he, "what will we do with the two minutes?"

**FATAL CURIOSITY**

Little Jeanie gazed long and thoughtfully at the young man who was calling on her grown up sister Maude.  
"May I climb up on your knee, Mr. Green?" she enquired at last.  
"Yes, of course, dear," smiled the young man, who wanted to make a hit with the family. "Want to pull my hair—eh?"  
"No; I want to see if I can find that word," replied the little girl, in bewilderment.  
"What word?" asked the visitor.  
"I heard Maude say this morning that if a man ever had the word 'idiot' written all over his face that man was you."

**THINGS EVERY CAR OWNER SHOULD KNOW**

**The Numbers**

Every tire has embossed on the side a serial number. It is very important that the car owner should have a record of this number in each case and such record should be made when the tire is bought. Not only is it desirable to have this record for adjustments with the company but in case of theft possession of the serial record is often a valuable aid to the police. It is a fine habit to form, this recording the numbers of all tires bought.

**Easy on the Clutch**

One of the most common mistakes in driving is the "riding" of the clutch, which a majority of operators indulge in. If the foot is kept constantly on the clutch pedal, even though lightly, the action causes rapid wear of the clutch thrust bearing and clutch shipping. If the clutch is of the cone variety the facing is worn excessively while in the disc clutch in oil the extra heat tends to thin the oil and permits grabbing. Drivers should keep off the clutch, except when it is to be operated.

**Installing Bearings**

When driving ball bearings into place some form of soft metal yoke or tubular section should be used. In this way the hammer blows are distributed evenly and the bearing is driven home without injury. In using a double yoke member, one prong can be placed against the inner race while the other rests on the outer race. In removing a bearing or part the pressure should be applied where the part is a tight fit on the shaft or in the housing. As a general thing, the inner race is a tight fit on the shaft, while the outer race is a push fit in the housing. When it is necessary to use blows in removing a bearing, a brass or rabbit metal bar or a block of hard wood should be interposed between the hammer and the part. Also the blows of the hammer should not be all directed at one point, but scattered around, giving blows in succession at points directly opposite. A series of blows at one point on the bearing tends to cramp it and make it harder than ever to get off.

**Vacuum Tank Needs Draining**

At the bottom of the vacuum tanks which are now used on many cars to secure proper fuel feed, there is located a drain cock. Many owners seem to think this is some sort of an ornament, but if should be opened at intervals, once a week or so. Generally a little water and possibly some rust will flow out before gasoline begins to come. In many cases it will be necessary to insert a bit of wire to clean out the drain cock of an accumulation of foreign matter. If this later is permitted to remain long enough it will work its way back into the carburetor and make trouble.

**Clutch Trouble**

A loose rear end bearing in many cars will permit oil to run back into the clutch housing, so that it must be drained out every two or three weeks. The remedy is obvious and it will be well to examine the oil retainer between the clutch and transmission, as part of the trouble may come from this.

**Weak Valve Springs**

Weakening of the springs which close the valves is a common cause of faulty engine operation. Whenever the valves are taken out the springs should be examined to see that they are all of the same length, or rather that all of the inlet set are of the same length and all of the exhaust, as the exhaust springs will probably be a little longer than the others. If the

spring is shorter than the others in its set it should be stretched or else a metal plate must be put under it to bring tension up to equality with its fellows.

**Testing Wheels**

Every car owner ought to make a practice to test the wheels for side play at least three or four times a year. Side play performs a doubly vicious role, for it causes excessive wearing wear and the tire wear as well. If the motorist will jack up each wheel in turn, and, grasping it firmly, push and pull it, any side motion will be readily apparent. In many cars wheel bearings are adjustable to care for just such trouble.

**Broken Chains**

When the cross pieces of the anti-skid chain breaks, so that the chain strikes against the fender in passing, it is poor practice to wire the broken pieces across the tire, as the wire will quickly be worn through. By wiring under the felloe a more permanent repair will be assured.

**Clutch Ailments**

If the sliding member of the clutch is rusty it will give the effect of a grabbing member. The rusty portion will prevent the clutch's engaging gradually holding for a fraction of a second and thus forcing a quick engagement. The operator often believes that the trouble is due to poor facing or worn engaging members.

**Extra Lights**

An ingenious car owner recently equipped his bus with two extra lights, illuminating the running board. He believes also that the lights make it safer to pass other cars at night, and contribute to good running. They are controlled from the dash by an extra switch.

"I've just 'eard, Mrs. 'Uxtable, as 'ow my Ned is behaving' so well that his sentence is bein' redooiced by six months."

"Mrs. 'Arris—'Wot a comfort it must be to you to 'ave a son what does you so much credit."

A person is supposed to doff his heavy clothing and substitute something lighter about this time of the year. Heaven help us if a lotta flappers of our acquaintance followed out this sartorial rule.

A fool is born every minute, but the auto accidents even things up.

**PSYCHIC EFFECT OF AUTO**

The inventors of the automobile have done more than any other agency to stop cruelty to animals. No doubt there are many persons who would go so far as to assert the automobile has justified itself on the sole ground of practically eliminating the horse as a beast of burden. Not that the horse is a past number, but it is becoming so.

The relationship between a man and horse is one of feeling; the relationship between a man and automobile is one of thinking. When a driver gets mad at a horse he jerks the bit and applies the whip. When a driver gets mad at an automobile, his friends laugh at him. Because of this fact the automobile is doing its part to raise human standards, and to develop human character. Any one who drives an automobile forms the habit of thinking about his troubles instead of feeling about them.

Automobile dealers in the city of Winnipeg have over \$5,500,000 invested capital, and employ over 1,000 men, to whom an annual payroll of over \$1,100,000 is paid.

Keep Minard's Liniment in the house.

**TO GET OUT OF SAND**

At this season a driving hint with regard to sand is particularly timely. When a car is driven into a sandy spot in the road and the rear wheels spin, there is no use in keeping on spinning them. The more the wheels spin the deeper the car sinks in the sand and the more difficult it will be to get it out. If no rope or burlap is available, deflate the tires and with gears in first engage the clutch slowly. If this doesn't help get two wooden planks and place them behind the rear wheels. Then try to reverse and pull out on the planks. Rope or burlap around the rear tires will do the trick.

**YOUR TAXES—PAY THEM NOW**

The time for the payment of town taxes in order to get advantage of the discount will expire on Tuesday next, after which interest at the rate of six per cent. will be charged. The present state of the town's finances is such that it will be imperative that these taxes be paid at the earliest possible date and it is the particular duty of every citizen to lend his assistance in putting our financial standing upon a proper basis. An opportunity is thus afforded citizens of performing a plain civic duty and at the same time profiting to a considerable degree in the doing. The advantage to be gained by paying the taxes during May is more of a consideration this year than usual as in any case the tax will necessarily have to be collected within a few weeks, at the outside. To those who have not taken the trouble to investigate the saving it may be pointed out that taking into consideration the two and one-half per cent. discount and the six per cent. interest charged after June 1st, the citizen who pays his tax on May 31st instead of a month later will profit at the rate of 36 per cent. per annum. Such a saving ought to appeal to rate-payers and convince them of the wisdom of securing the necessary funds, from the bank if necessary, and making themselves square with the town in the matter of taxes not later than Tuesday next. At present the town is paying interest on an overdraft which has reached the limit provided by law and the only thing that can wipe out this debit balance will be a prompt payment of taxes. The Council, therefore, has no alternative but to collect these taxes at once if the business of the town is to be carried on.

Mr. F. P. Freeman, of Milton, Queens county, who was one of the visitors in town this week, paid THE ACADIAN a pleasant call on Wednesday. Mr. Freeman was accompanied by his daughter, Miss Edith Freeman, and another daughter, Miss Marie Freeman, was one of the members of the graduating class at Acadia Business Academy.

Mr. J. F. Herbin was in Windsor on Tuesday attending a re-union of the "Mystic Eight", an organization formed forty years ago, on the 24th of May by eight young men of that town. A compact was entered into to meet every ten years. At this meeting five of the eight were present, including besides Mr. Herbin, Mr. A. M. Hoare, a former resident of Wolfville. Mr. Herbin reports a very pleasant occasion in again meeting in a social way old boyhood friends.

**CLASS DAY EXERCISES**

The Senior Class of the Seminary held their class day exercises on Monday afternoon in the Baptist church, which was well filled. The twenty-nine members of the class, all uniformly dressed in the class colors—lavender and gold—made a pretty picture on the platform. The entrance march was played by Misses Miriam Bancroft and Eleanor Mitchell. Miss Alice Mabel Pollard, president of the class, presided, supported by the vice-president, Miss Alethe Laird, the secretary, Miss Elizabeth Hortense Griffin, and the treasurer, Miss Irene Marion Brown. After the address of welcome by the President, and the reading of the minutes and roll call by the Secretary, Miss Hilda Ki sman rendered a violin solo which was greatly enjoyed. The Class Will was read by Miss Eileen Dodge and the gifts presented by Misses Lucy Chute and Mary Lawrence. Miss Elsa Pyle gave the very interesting history of the class, after which a pianoforte solo was rendered by Miss Bernice Sproule. The Class Prophecy as read by Miss Grace Marshall was most amusing, and the program was brought to a close by the Valedictory delivered by Miss E. Hortense Griffin. At the close Principal Dr. DeWolfe acknowledged the very nice things said of him and the Seminary and presented each member of the class with a book as a memento.

The Class day exercise of the Senior class of the University were held on Tuesday morning, when the Baptist church was filled with the friends of the class. As Miss E. Hortense Griffin played the entrance march on the organ the members of the class took their places on the platform. The officers of the class are as follows:

President—Ralph Hartley Wetmore  
Vice-president—Marion Elder Grant  
Secretary—Jean Neilson Foote  
Treasurer—Karl Ernest Mason  
The President, in a few well chosen words, welcomed those present, after which the regular business of the meeting was conducted. The program consisted of a vocal solo by Horace E. Read; Class History by Miss Marion Grant; Class Prophecy by John I. Mosher; and the Valedictory by Claude S. Richardson. The program was brought to a close by the giving of the class yell, and while Miss Griffin played a march on the organ, the class filed out.

Tuesday being a holiday the pupils of the Public School held their "Empire Day" exercises on Monday. They were marched in order of their several departments bearing banners. Returning to the school ground where the flag was posted, they sang "O Canada" and the National Anthem. They were also addressed by their principal, R. W. Ford, who gave them a synopsis of all that is worth while in the history of the British Empire. Despite the cold weather the pupils thoroughly entered into the spirit of their devotions.

The first electrical storm of the season occurred on Saturday evening last, accompanied by a down-pour of rain. Similar conditions prevailed on Sunday evening following an unusually hot day. On both occasions the storm was very severe.

Wednesday afternoon, May 18th, Mrs. H. E. Fraser was "At Home" to a number of young ladies of "Acadia" in honor of Miss Myrtle Morse of the graduating class of 1921. Mrs. Arthur Johnson assisted by Mrs. F. M. Abbott, poured tea, and those who served were Miss M. Chisholm, Mrs. Susie Hughes and Miss Minnie Brooks, while little Miss Elaine Abbott performed the duties of ushering in the guests.

Mr. E. D. Pick, of Needham, Mass. and Mr. S. A. Pick, of Boston, Mass. are, visiting their sister, Mrs. George Fraser, Greenwich, and other relatives and friends in the County, coming to their old home, owing to the death of their brother at White Rock. It has been 17 and 33 years since these gentlemen last visited Nova Scotia. They think the country very beautiful and see many changes and improvements.

The Mt. Allison "College Players" were favored with a very good house on Wednesday evening when they presented Wm. C. DeMille's comedy drama "Strongheart" at the Opera House. It was a college play by real college men and was exceedingly well put on and greatly enjoyed. The Players had a good orchestra too, which added greatly to the attractiveness of the performance, and the violin solos by Miss Bernice Stultz were of high quality.

Mr. T. S. Sanford, the enterprising proprietor of the Royal Hotel has recently made some decided changes in the interior arrangement of that popular hostelry which adds very much to its appearance and convenience. The partition between the main hall and the office has been removed and the whole is finished in one commodious entrance room, the office being on the right of the entrance from Elm avenue. The room has been newly finished in hard-wood and presents a very nice appearance. Mr. Sanford is continually making improvements in view of the comfort of guests, and this latest adds materially to the Royal's attractions.

Taxes will not be so high if paid before June 1. You save 2 1-2 per cent. as well as interest. Think it over and get your cheque ready. Don't delay. You'll be sorry when its too late. Do it now.

WINDSOR CRICKETERS DEFEAT WOLFVILLE

A friendly game of cricket was played at Windsor on Tuesday between the Windsor and Wolfville elevens, the match resulting in a win for Windsor by the score of 75 to 26 in the first innings. Stumps were drawn shortly before six o'clock on the fall of Wolfville's last wicket for their second innings in which they scored 55 runs. Mounce and Timothy bowled for Windsor and Spittal, Saunders and Robinson for Wolfville. Coach Saunders of the Wolfville team made the hit of the day scoring 6 off a hard and long drive to leg. The players were as follows:

Wolfville—D'Almaine, Saunders, Spittal, Mason, Robinson, Bauld, Copeland, Smith, Rudolph, Waterbury, Cox.

Windsor—Timothy, Weatherbed, Caudie, Forsythe, Mounce, Armitage, McElhiney, Smith, Dill, Shaw, Anslow.

ACADIA DEFEATS MIDDLETON

A game of baseball was played on the campus on Tuesday afternoon between the Acadia and Middleton teams. The day was ideal and a large crowd witnessed the game which was closely contested. The score was 7 to 5 in favor of Acadia. Arthur Brown pitched a great game for Acadia. The teams were as follows:

Acadia—Saunders, Howatt, Clarke, Kendrick, Lewis, (pitcher and captain), Goucher, Murray, MacDonald and Arthur Brown (pitcher).

Middleton—Harlow, C. Appleby, A. Fisher, A. Dodge, J. Reagh, Phinney, W. Reagh (pitcher), P. Appleby (catcher), and L. Andrews.

Carl Angus acted as referee.

GRAND PRE AND HORTONVILLE

The death of Mary, wife of Mr. John S. Taylor, occurred at her home at Hortonville on Tuesday after an illness of about a week of pneumonia. Mrs. Taylor was 69 years of age and a highly esteemed lady. Yesterday Mr. Taylor, who has been in failing health for some time back, also passed away, in his 78th year. The deceased was a well known and successful farmer.

Mrs. Joseph Boates, who left last week for her home at Wilmot, N. S., has returned here on account of the death of her parents, Mr. and Mrs. Taylor.

Rev. R. Osgoode Moore, M. A., a former pastor of the Baptist church at Gasperau and one of Acadia's best known graduates, has been appointed to succeed the late R. J. Colpits as editor of the Maritime Baptist. Rev. Mr. Morse is a clever and well informed writer and his contributions to Maritime province papers during recent years have been interesting and able. Under his editorial care the Maritime Baptist will maintain the high standards set by former editors.

Mr. A. W. Bleakney left yesterday by auto to pay a visit to his mother in New Brunswick. He will be away about a week.

Health For Heart Disease

(By G. J. Randall, D. C.)

There is no more terrifying disease than heart trouble. The Victim lives in constant fear of over-exertion. The emotional exhilaration of exercise is denied them. A child so afflicted is particularly unfortunate. Chiropractic spinal adjustments restoring a normal flow of spinal nerve impulses into the heart and adjacent muscles is a directly effective and scientific method of getting at troubles of this character.

**ACADIA DRAMATIC SOCIETY**

Presents "Nothing but the Truth" to Large Audience

The Acadia Dramatic Society, under the direction of Mae Churchill Deane, won additional laurels on Saturday night when, for the benefit of the Acadia Amateur Athletic Association, it presented the comedy, "Nothing But the Truth," to an appreciative audience that crowded the Opera House. The characters were excellently portrayed. The following was the cast:

Clarence Van Dusen..... John Jordan  
E. M. Ralston..... Ralph Smallman  
Bishop Doran..... William Miller  
Dick Donnelly..... M. R. Kerr  
Bob Bennett..... John McNeil  
Mrs. Ralston..... Marjorie Leslie  
Ethel..... Isabel McPhail  
Gwen..... Hilda Wry  
Mabel..... Mona Parsons  
Sabel..... Mary Crandall  
Martha..... Mary Reid

Between Acts 1 and 2 Dr. Cutten made the following presentations:—Distinction caps, football and hockey. J. M. Beardsley, C. Fraser, W. A. Parker; football, C. H. Atkinson, R. D. H. Wigmore, D. S. Wetmore; hockey, G. V. Burton, D. B. Rogers, P. R. Tingley, K. E. Mason, A. O. Ayer, S. M. Steeves; athletic A for football and basketball to J. G. Fleming; football A: A. K. Eaton, T. Webb, C. H. McLeod, F. V. Anthony, A. R. Clarke, T. Robinson, P. MacLean, J. M. Porter; hockey, D. S. Wetmore; basketball, E. W. Dobson, H. H. Wetmore, and R. H. Murray, who also, the President remarked, deserved another for his splendid leadership of the College Band.

Mr. Miller was called to receive the cup won by the class of 1922 in the debating competitions, while H. H. Wetmore, on behalf of the Engineers, received the football cup. To Arthur Tingley fell the honor of receiving the cup won by the Engineers in the track events that afternoon, as well as the cup awarded to the individual athlete scoring the highest aggregate of points in those events, his own winning total being 21.

The President at the same time said he had been commanded to thank the Acadia Dramatic Society and the orchestra for their excellent entertainment for the benefit of the Athletic Association, and especially to Mr. Mason for allowing them the use of the Opera House and up-setting his own arrangements.

**ACADIA TRACK MEET**

The Acadia track events on the Campus Saturday afternoon provided excellent sport, which a large number of spectators enjoyed. Mr. Russell, director of gymnastics, assisted by several members of the faculty, officiated. The results were:

100 yards—1st, Bowlby; 2nd, Saunders; 3rd, Eaton.  
220 yards—1st, Bowlby, 25 1-2 sec.; 2nd, Saunders; 3rd, Langwith.  
440 yards—1st, Saunders, 56 4-5 sec.; 2nd, Tingley; 3rd, Bowlby.  
Pole Vault—1st, Tingley, 8 ft. 2 in.; 2nd, Corey; 3rd, Robinson.

**Notice to Ratepayers**

An enormous impression appears to be on the minds of ratepayers in this county that the taxes on their property are not due and cannot be collected until after Dec. 1st.

Such an idea has undoubtedly been got from the instructions given to collectors to issue warrants for unpaid taxes at the above date.

But for the information of the ratepayers, I may say that the taxes are due when the first notice of amount due is given by the collectors, and any further time given for payment is a matter of arrangement between the ratepayers and collectors.

**CANADIAN APPLES IN ENGLAND**

Writer in Toronto Saturday Night Comments on Her Gift.

A van stopped at the door the other day and presently came the statement: "A case for you and please sign the book." Now, what do you suppose was in the case? asks Mary Isabelle Moore in Toronto Saturday Night. You'd never guess. So I shall tell you. The case contained Canadian apples.

And such apples! Are there any apples in the world like ours, and if so, I should like to know where they are. Since those apples came I have become a boastful person, calling attention by means of the rosy cheeked apples to the superior attractions of Canada, dragging the apples into every conversation and making them in fact a sort of King Charles' head, which was Mr. Dick's obsession.

You have to know what it is to buy scrubby apples by the pound, and at a jolly high price too, to appreciate a whole box of apples at one time. I brood over them in my leisure moments, I generously offer gifts of apples to friends in order, partly, to have a chance to mention that they came from Canada, and if I had a gift that way, I should burst into verse in praise of the wonderful fruit from Canada.

They were looking at the kangaroo at the zoo when an Irishman said: "Beg pardon sirr; phat kind of a creature is that?" "Oh," said the gentleman, "that is a native of Australia."  
"Good hiven!" exclaimed Pat; "an me sister married wan o' thim"

A new story is going around about an old southern Negro who was asked by the proprietor of a store now he happened to need credit when he'd such a good crop of cotton.

"De ducks got 'bout all dat cotton, sah," was the mournful reply.

"What do you mean—the ducks got it?"

"Well, you see," explained the old man, "I sent dat' cotton up to Memphis an' dey deducted the freight, an' dey deducted the storage charges, an' dey deducted the commission, an' dey deducted the taxes—yes, sah, de ducks got 'bout all dat cotton an' dat's why I'm here."—Boston Transcript.

The honor of being the oldest Canadian soldier to serve in the trenches is claimed on behalf of Sapper Terence Glazier, 11th Battalion, R. E., now of Brockville. After being refused at various recruiting centres, Mr. Glazier went to England on October 4th, 1915, where he was finally accepted in the Royal Engineers on October 24th, 1915, at the age of 70 years. After two months in the trenches he was invalided to England and discharged at Chatham on March 6, 1916, on account of rheumatism and age. Sapper Glazier also served in the Fenian Raid, the N. W. Rebellion of 1865, the South African War, and the Russo-Japanese War. Can this record be beaten?—The Veteran.

The function of the Red Cross is to assist, co-operate and co-ordinate health work. Its activities may be undertaken in co-operation with the Government and the Medical Profession.

The deciding game between the winners of the above sections is to be played on neutral grounds on July 27. It was decided for this year not to attempt an extensive schedule of games.

OUR CANADIAN APPLES

(Farmers' Magazine.) No orchards grow such good apples as the Canadian ones. For flavor and quality there is no superior.

Why, then, are we not able to buy a box of our celebrated Spies, our Greenings, or our Gravensteins at any of our big centres at any time we need it?

How is it that everything except Canadian grown apples can be bought on our city markets and served up on our big urban dinner tables?

Here, again, is where Canada is paying freight rates to the American railways! When will the people wake up to the fact that Canadian home-grown products are being sidetracked by an ultra-loyal people.

**Personal Paragraphs**

Mr. B. J. Fry was recently in St. John, N. B., on a short business trip.

Prof. and Mrs. McPhee will spend the summer at Hillsboro, N. B., the latter's old home.

Mrs. R. W. Harnish, of Halifax, is visiting at the home of Mrs. F. W. Barteaux.

Dr. W. A. Coit left yesterday for Boston where he was called by the serious illness of his father.

Mr. Arthur Parker returned last week from Massachusetts, where he has been spending the winter.

Prof. J. H. Morse, of Annapolis Royal, was a week-end visitor at the home of Mr. and Mrs. F. W. Barteaux.

Mrs. Brady was in Halifax on Saturday returning by the late train. She was accompanied back by her sister.

Mr. and Mrs. H. L. Dennison, of Digby, were over Sunday visitors in town, guests of Mayor and Mrs. Fitch.

Mrs. G. E. DeWitt has been spending the past two weeks in Amherst, the guest of her daughter, Mrs. W. Manning.

Mr. Harry Dexter returned on Friday last from New York on a three weeks visit to his mother, Mrs. W. C. Dexter.

Rev. and Mrs. Noble Crandall have returned to Wolfville and are gladly welcomed back by their numerous friends.

Mrs. Macklin went to Truro on Saturday last and expects to remain there for some time before returning to Wolfville.

Miss Mildred Schurman, who is teaching at Guysboro, was home over Sunday last and attended the closing exercises at Acadia.

Miss Ruth C. Rowell, who has been spending the winter with her friend, Mrs. C. B. Russell, returned on Tuesday to her home in Woodbury, Conn.

Mrs. W. B. Eaton returned from Halifax on Friday last. She was accompanied by her friend, Mrs. Crosby, who came to Wolfville to attend the Closing.

Mr. Charles Schurman returned on Friday last from Montreal, where he has just completed the second year of his medical course at McGill University.

Mr. and Mrs. Daniel Eadie, of North Adams, Mass., are visiting in Wolfville, guests at the home of their daughter, Mrs. (Dr.) Thompson, Seaview avenue.

Mr. E. C. H. Young, who since his return from Bermuda has been at the Milford House, South Milford, Annapolis county, returned home on Saturday last greatly improved in health.

THE ACADIAN had a brief call on Monday from Mr. W. H. Nowlin of the mechanical staff of the News Publishing Co., Truro. Mr. Nowlin, who has a reputation as a first-class printer is a native of Gaspereau and a former resident of Wolfville.

Mrs. B. D. Lingley, who during the past winter has been a resident of Wolfville, will make her residence during the summer at Smith's Cove, Digby county. Mrs. Lingley will be missed by many friends whom she made during her sojourn in Wolfville.

Mr. and Mrs. A. D. Thomas, of the Milford House, South Milford, Annapolis county, accompanied by Dr. and Mrs. Spalding, of Boston, guests at that favorite summer resort, were in town on Saturday last on an auto trip. They visited Grand Pre and the Gaspereau Valley and expressed themselves as highly pleased with what they saw of this section.

EVERETT COLDWELL,  
Gaspereau.

**ACADIA LADIES' SEMINARY**

(Continued from page one)

Science (donated to the member of the Senior Class making the Highest Standing in Household Science throughout the year), \$10.00, to Miss Mildred Arnold, Sussex, with Merle Trites, Lutes Mt., a very close second.

Dr. DeWolfe spoke to the graduates on the subject of "The Real Acadia." He took up four points. The first was the real Acadia as an ideal, the ideal of the men of the past who founded Acadia. This ideal was that of a type of manhood and womanhood which Acadia should make more clear and definite. The second point was the real Acadia as a consecration—a consecration that makes possible a real service. The third was the real Acadia as a spirit that pervades the students and makes them make the most of themselves, giving service to others. Fourth, the real Acadia is the embodiment of this ideal, this consecration, sacrifice and spirit. He then turned to the graduates and appealed to them to carry out with them into life the spirit of this ideal.
