Amendment to, permitting the house to vote on, 2513

May go to committee of the whole by unanimous consent, 2260

Motion of instruction not in order once bill has received second reading, 1607-08

Should stand when sponsor or someone authorized to act in his behalf is not in the chamber. However, (as) this is probably the last evening on which these bills will be called the hon. member may speak if he wishes, 4219

Under our practice an order for resuming the adjourned debate on the second reading of a private member's bill is proceeded with only at the instance of the sponsor of the bill or of a member authorized to act on the sponsor's behalf. Otherwise the order is allowed to stand until the next sitting day, 4087-88

Public, amendment to refer to miscellaneous private bills committee not in order, 3153

Resolution stage

Discussion should be on general principle, 2212

No right of reply on M. for, unless with the unanimous consent of the house, 3483

Second reading

Amendment which seeks change in principle of bill, allowed to stand for decision of house, 1136-38, 1143

Discussion should relate to the principle of the amending bill, 206

Document must not be read from if it does not apply to principle of bill, 2771-72

House should consider principle of the bill and not its clauses, 2550

Members representative of various parties granted a limited time to express views on matters not specifically mentioned in bill, 2963

Not customary to ask questions of ministers on, 1174

Not in order to refer to sections at this time, 3613

Withdrawal of, 3753

Speaker—Con.Rulings and statements—*Con.*

Confusion in the house on the order of business under orders of the day . . . makes it difficult to maintain order, 946

Expiry of time, announcement will be made by Speaker, 539

Information given the house, source of should have been asked at the time the information was being given the house, 2774

Interruptions, 706, 1499

All interruptions are not necessarily rude, hon. member asked to withdraw the implication of remark, 541

With member's permission, 592, 897-98

Irrelevance, 203, 205, 1067, 1152, 2407, 3931-33, 4003-04

Language, unparliamentary, 765, 2506

"Deception" and "misled the house", withdrawal requested, 208

"Put over the house", request for withdrawal of expression, 208

"Smart politician, with a capital 'P'" reference to Minister of Agriculture as, withdrawal requested, 689

Use of word "lie", 2772

Member/Members

Conversing with other members, asked to do so as quietly as possible, and preferably outside the chamber, 946

Leaving the chamber, . . . do so as quietly as possible, 946

Making point . . . just made. He can make these representations at the close of the debate when he replies, 2773

May ask a question with the consent of the member speaking, or rise to a point of order, 765

May continue speech after time has expired only with unanimous consent of the house, 330

Member has spoken in this debate . . . the rules prevent his speaking a second time, 1453

Must be in his seat or else his vote cannot be recorded, 2321

Must not impute motives to another member, 2772

No member shall walk out of or across the house, or make any noise or disturbance when question is being put, 2321

Not in order to read letters or newspaper articles expressing any opinion reflecting on proceedings within the house, 3940-41

Not to refer further to debate in the Senate, 1474

Speaker—Con.Rulings and statements—*Con.*Member/Members—*Con.*

Order of recognition of, 2029
Reference made by does not introduce a point of order, 969

Should address the Chair, 764, 1187

And not engage in conversation, 872
Should be allowed to refer to a subject referred to by another member during the present session (but) must not by doing so revive another debate, 1546-47

Should not read bill, (it) is before the members at the present time, 3755

Should not read in this house a letter he received from a member of a legislature, 1493

Statement by . . . is a question of fact which may be denied or accepted by other members of the house, 2773

When Speaker rises and calls order, the hon. member who is then speaking should resume his seat, 1515

Will have an opportunity of discussing this matter on address in reply, 635

Will not refer to debate in this session on another subject, 1545

Ministerial statement not debatable, but it is customary to allow brief remarks to be made by leaders of the parties in opposition after an important statement has been made to the house, 2652

Motions. *See also under this title, Amendment and Bills*

Amendment which adds nothing to and which subtracts nothing from main motion, out of order, 844-47

Subamendment does not purport to amend amendment and therefore it would be inadmissible, 847

. . . if there is not to be unanimous consent, we shall have to proceed with this motion in the usual way, 1135

To adjourn debate may be repeated after intermediate proceedings, 1496, 1504-05

To refer certain items to committee of supply, not debatable, 1513-14

Not in order to discuss subject at this time . . . the question is before the courts and therefore would be sub judice, 1859

Not out of order to discuss . . . generally . . . matters . . . referred to a royal commission, 949

Orders of the day

Member may ask question but he is not allowed to make a speech or advocate the removal of a tax, 2206

Speaker—Con.Rulings and statements—*Con.*Orders of the day—*Con.*

Questions on

Contrary to rules of the house to read telegrams, newspaper articles or letters, 1087, 1515

Latitude allowed in because questions on order paper are not being answered, 154

Member may not expand on without unanimous consent of the house, 4349

Not debatable, 1040

Should be brief and to the point; hon. members should seek information rather than give it, and there should be no debate, 1041

Taken as notice, 2800

Type which should be placed on order paper, 154, 1806, 1857

Type which should not be asked on orders of the day, 468

When Speaker rises to call order, the hon. member who is asking the question should resume his seat, 468

Which might be asked more properly on the estimates of the department, 1516

Point of order

It is not usual for Speaker to give a ruling in anticipation or to express an opinion on a hypothetical point of order, 949

Raised during division should be settled after division has been completed, 2321

Privilege

General discussion cannot be allowed at this time on question of, 2753

. . . if the hon. member would like to show the article to the Speaker he will decide whether it is one on which a question of privilege might be raised, 1041

Manitoba flood, press report of visit of Prime Minister, not accepting as question of, 2715

Members rising on when there is no question of privilege involved, 2650

No question of, 1452

Question of should be raised earlier in the proceedings, 2150

Questions

Have been answered, 3469

Improper at this time to debate answer. The hon. member may have an opportunity later, 3469

Supplementary, (should be withheld) until the minister's estimates are being considered, 3469

Speaker—Con.

Rulings and statements—*Con.*

Royal commissions

. . . it is not out of order to discuss . . . problems generally when such matters have been referred to a royal commission. On the other hand . . . reference should not be made to the proceedings, or evidence, or findings of a royal commission before it has made its report, 949

Ruling not debatable, 4088

Speeches, reading of, 4429

Standing order 31

Discussion under must be strictly relevant to motion, 2051-53

Motion to adjourn house under

Leave granted, 2025

Ruled out of order, 2256-57

To discuss matter which can be taken up on address in reply, not in order, 634

Sub judice matters, discussion on out of order, 949, 953-54

Successive motions to adjourn debate without intermediate proceeding, practice in regard to, 1496, 1504-05

Supply, M. for committee of

Admissibility of amendment to, 337

If another subject is introduced at this time, then the house cannot revert to this subject upon this motion, 1640

Telegrams or newspapers must not be read when a question is being asked before the orders of the day are called, 1087, 1515
