 wares among the business community,

**JOURNAL OF COMMERCE**

Has attained a *bona fide* circulation extending regularly to

**EVERY TOWN AND VILLAGE**

*THROUGHOUT THE DOMINION,*

From Newfoundland (including St. Pierre et Miquelon) to British Columbia  
 and Manitoba, besides a respectable proportion among Mer-  
 chants and Manufacturers in Great Britain.

This circulation is not confined to one or more hotels in each place,  
 but is subscribed for in the regular way by each merchant. We court  
 inquiry on this subject, and shall be glad to exhibit our subscription lists  
 to any of our customers at any time. The JOURNAL OF COMMERCE  
 fulfilling its mission in supplying our Wholesale Merchants, Manufactu-

 Maritime Provinces second to none, a circulation, too, which is daily  
 increasing. The interests of our subscribers are continually borne in mind  
 in furnishing them with the latest and most reliable information on all  
 matters necessary to their business welfare, rendering it worth to each  
 ten times the price of subscription. The growing demand for back num-

 value as a work of reference.

**LACHINE.**

(Incorporated in 1872.)

A town on the River St Lawrence and Island  
 of Montreal, parish of St Michel, seigniorly  
 of Montreal Island, county of Jacques Car-

tier, district of Montreal. It is the summer residence of many Montrealers, and has become famous by its annual regattas. In the winter months it is greatly frequented by pleasure parties, and at all times of the year a drive from Montreal to Lachine by the Upper, and in by the Lower road, is considered a rich treat to the stranger, and even to the citizen of Montreal. Lachine possesses a large brewery, and an extensive sawmill; has a good local business and extensive lumber trade. The Montreal, Lachine and Province Line railway here connects with a steam ferry, at all seasons of the year, for Caughnawaga, an Indian village immediately opposite, and thence by the continuation of the same road to New York. A ship canal connects the navigable waters at Montreal with Lake St Louis at Lachine. Montreal Telegraph Co. and Dominion Telegraph Co. have offices here. Distant from Montreal 9 miles, fare 40c., 25c., and 12½c. Mail twice a-day. Population about 3,000.

## TOWN OF ST. HENRY.

(Incorporated in 1876.)

An incorporated town, adjoining the city limits of Montreal, and formed by the amalgamation of the former village of Tannery West. The Town of St. Henry is situated in the seigniory of Montreal, county of Hochelaga, and district of Montreal. The Lachine canal passes on the south side, and signal stations of the Grand Trunk Railway are situated here at the junctions where the roads branch off east and west, and to Montreal and Lachine. The municipality of St. Henry is governed by a Mayor and Corporation, and a separate permanent Fire and Police force is maintained. The town contains a new Roman Catholic college and convent, church

J., treasurer; rev. M. Martineau, S. J., rev. F. Lopinto, S. J., rev. A. Jones, S. J., rev. H. Lory, S. J., rev. T. French, S. J., rev. J. Grenier, S. J., rev. J. Jerge, S. J., rev. F. Ryan, S. J. Coleman, S. J., professors.

The course of studies, in which religious instruction holds the first rank, is divided into two sections—the classical and the commercial.

The classical course, principally taught in French, is designed to impart a thorough knowledge of the Greek, Latin, French and English languages and literature, pure and mixed mathematics, history and geography, philosophy and natural sciences, and whatever is necessary as a preparation for a professional career.

It comprises eight classes—Latin Elements, Syntax, Method, Versification, Belle-lettres, Rhetoric, 1st and 2nd year of Philosophy.

The commercial course, principally taught in English, embraces the English and French languages and literature, mathematics and the other branches named above, moreover book-keeping, and whatever else may fit a young man for commercial and industrial pursuits.

It comprises four classes: Grammar, Literature, Rhetoric and Philosophy.

There are, moreover, elementary and preparatory classes for younger students.

The system of education is paternal. The teachers endeavour to unite kindness with firmness, and make use of the means of persuasion in preference to those of severity.

To be admitted into the college, applicants must present a certificate of good character.

Monthly reports of behaviour, application and progress are sent to parents or guardians.

None but relatives, or those who represent them, are allowed to visit the boarders.

Half-boarders and day scholars must not absent themselves without previous leave from the College authorities.

The collegiate year is of ten months, beginning in the first week of September, and ending in the first week of July.

*Terms per year.*—Board and tuition, \$150.00; washing, \$20.00; bed and bedding, \$10.00; music lessons, \$25.00; use of the piano, \$5.00; drawing lessons, \$20.00. Half boarders, \$80; day scholars, \$30.00.

Payments, which are required in gold or its equivalent, and strictly in advance, are made in two instalments, 1st in the beginning of September, 2nd on the 1st of February.

The college will not take charge of providing a student with clothing or other necessaries unless a sufficient sum be deposited in the hands of the treasurer.

No reduction in the above mentioned terms will be granted for absence of less than one month.

All who desire to obtain a better personal knowledge of the necessity for such institutions,

their practical benefit to the sick poor, and their claims on the liberality of our citizens, are invited to visit the Dispensary about one o'clock on any day (except Sunday) and judge for themselves.

This institution furnishes medical and surgical aid and medicines to the sick poor of every nationality and religion in Montreal.

The attending physicians visit at their own homes those who are unable to come to the Dispensary and too poor to pay.

In restoring to health, it restores to many their only means of support, and thus prevents poverty, pauperism and crime.

The managing committee and the physicians all attend it without any charge or remuneration whatever.

It is dependent, chiefly, upon voluntary contributions for its support.
