The copy filmed here has been reproduced thanks to the generosity of:

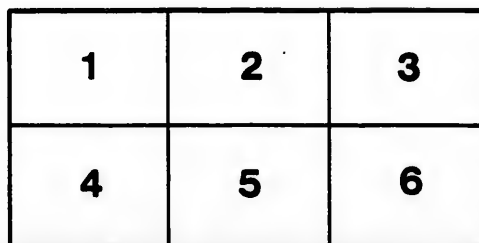

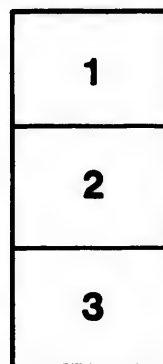

Seminary of Quebec  
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec  
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The Safes I manufacture, justly considered at present as the best ever offered to the public, combine all the qualities required as to strength and safety. In order to avoid moisture in the interior of the Safe, and offer the greatest possible resistance in case of fire, an air space has been seened between the iron sheets which form the envelope or frame of the Safe.

The Hinges are not of Cast, but Wrought Iron, resting on a solid base of Steel with aperture, in order to remove the doors, in case they should in time require any repairs. This improvement gives an undoubted superiority over all other Safes.

These Safes are all they are represented to be, and a visit to my Factory will convince every thinking man of the truth of what I affirm.

## PREFACE.

THE PUBLISHERS have much pleasure in submitting herewith the MONTREAL DIRECTORY for 1879-80, and trust it will meet the approval of subscribers and advertisers. The difficulty of securing thoroughly reliable agents necessitates the revision of their work from door to door. To some this repetition may have proved somewhat annoying, but by no other means could correctness be secured.

The Classification is, in the present issue, confined to Advertisers. A separate publication, entitled:

### LOVELL'S CLASSIFIED BUSINESS DIRECTORY,

will contain a classification, under their respective profession, business or trade, of persons doing business in this city.

The Publishers have to thank subscribers and advertisers for their continued generous support, and beg also to acknowledge the courtesy of those to whom they are indebted for the large volume of Miscellaneous information contained in the Directory.

MONTREAL, June 7, 1879.

## MRS. LOVELL'S YOUNG LADIES' CLASS,

1293 ST. CATHERINE STREET, FACING PHILLIPS SQUARE.

THE plan adopted by MRS. LOVELL is that so successfully pursued by the late Miss LYMAN in this city (previous to her appointment as Lady Principal of Vassar College), and aims to unite the advantages of sound literary training with the pleasures and safeguards of home.

Critical discussions on Literature, Art, and Current Events, form an important feature of the course, serving to secure from the pupils intelligent and practical interest in their studies.

The regular course of study embraces History, English Literature, Composition, Logic, Mathematics, reading aloud from the British Classics and other standard works, and Vocal Music (Singing at Sight).

An evening of each week is devoted to French Conversation, on a subject previously selected.

Music receives special attention, supplemented by weekly rehearsals.

Whilst sectarianism is studiously avoided, the BIBLE is made the standard and guide, and every effort is made to impress upon the pupils a sense of their duties and responsibilities as Christian women.

Conversations on Literary Subjects are encouraged to facilitate expression of thought.

CONVERSAZIONI take place once a month, to draw attention to ART, as well as to bring the pupils in contact with intelligent and cultivated society.

Terms for English and French, Elementary Drawing, Music without professor, Board and Laundry, \$100 per term; \$400 per annum.

DAY PUPILS for English, French and Elementary Drawing, \$30 per term.

JUST PUBLISHED:

# CHARLES KNIGHT'S Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo, Cloth extra, black and gold, . . . \$10.00  
" " " Cloth extra, gilt top, laid paper, . . . 12.00

*Each set put up in a neat paper box.*

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, D.D., LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenaeum*.

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of

the state of commerce, government, and society at different periods."—*Lord Brougham*.

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review*.

"The best history extant, not only for, but also of the people."—*All the Year Round*.

"A standard book on the shelves of all libraries."—*London Spectator*.

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times*.

"This work is the very best History of England that we possess."—*London Standard*.

 GERALD E. HART, General Manager.  
 ARCHIBALD McGOUN, Sec.-Treas. ALFRED JONES, Inspector.

**MERCHANTS** and **MANUFACTURERS** will please note that this Company issues the only **FIRE POLICY** in Canada granting permission to keep **UNLIMITED** quantities of Oils or hazardous goods *incidental to their trade* **Without Endorsement**.

**SPECIAL** features of **LIFE BRANCH** are gaining for it a preference over all other Companies. This is the only Canadian Company dividing its surplus *annually* among Life Policy Holders in reduction of next premiums. Send for a table of rates. Life Branch entirely distinct in Funds and Management from other Branches.

**THE "CITIZENS"** is the oldest Guarantee Company in America, and offers unquestionably **TEN-FOLD THE SECURITY** of any other Company. All Railways and Public Companies, Banks, Building Societies, Government and Municipal Officers, etc., in Canada and the **United States** should hold the indisputable bonds of this Company in preference to all others, as they have had a long trial, and not found wanting. No other form of security is half so satisfactory. Special rates to large Companies.

**ACCIDENT POLICIES** covering indemnity until cured, and all other popular modes issued at very moderate rates.
