University of Trinity College.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July, 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine, in the University.

No Degree can be granted by the University, unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice-Chancellor, and four Members of Convocation, to be elected annually by Convocation at the first meeting in the Michaelmas Term.

The University confers no Degree whatever unless the candidate has previously taken the oaths of allegiance and supremacy, and subscribed the following declaration :—

“I, A. B., do willingly and heartily declare that I am truly and sincerely a member of the United Church of England and Ireland.”*

* For any Degree in Divinity, subscription to the Three Articles of the XXXVIth Canon is also required.

The names of those who pass this Examination will be arranged in two classes, in alphabetical order—the first class consisting of those who shall pass with credit; the second of those to whom the Examiners shall only not refuse their certificate of approval.

Any one who shall absent himself from the proper Examination of his year, without the written approval of the Vice-Chancellor, will not be allowed the Lent Term of that year.

Those who fail to satisfy the Examiners must present themselves at the Examination in the following year.

II. THE EXAMINATION FOR THE DEGREE OF BACHELOR OF ARTS, which will take place at the beginning of the tenth term from Matriculation.

Those who shall have been approved at this Examination may present themselves for further Examination for Honors in Classics or Mathematics.

The Honor Examination will take place shortly after the Examination for the ordinary degree of B.A. The result of each Honor Examination will be published in three classes, in order of merit.

In addition to the Mathematical Lectures on the subjects mentioned for the Degree of B.A., students of the second and third years are required to attend a course of Lectures on Optics, Astronomy, Sound, and the Theory of Light treated popularly. The course will extend over two years, and the Lectures will be given in the Michaelmas and Lent Terms. Students of the third year will also be required to attend during the Easter Term a course of Lectures on Fortification.

Questions on all these subjects will be introduced into the Examination for B.A.

Students of the second year will be required to attend a course of Lectures on Surveying during the Easter Term, and questions on the subject will be introduced into their Examination at the end of the term.

N.B.—The Lectures in the Arts Course commence in the Michaelmas Term; and as the Annual Examination in the following June, and the Final Examination for the Degree of B.A., embrace the subjects of the Lectures delivered in that Term, a Student entering at any other time does so under a great disadvantage.

Trinity College.

TRINITY COLLEGE was, by an Act of the Legislature of the Province of Canada, passed in the year of our Lord, 1851, constituted a body corporate, consisting of the Lord Bishop of Toronto, (or in case of the division of the Diocese of Toronto, of the Bishops of the several Dioceses into which the Diocese of Toronto shall be divided), the Trustees of the College, and the College Council.

On the first of January, 1850, an Act of the Provincial Legislature came into operation, constituting the University of Toronto; and under the provisions of this Act the Faculty of Divinity was suppressed, and the use of the ritual of the English Church forbidden in King's College, now known as University College.

This important change in the constitution of a foundation, which owed its origin mainly to the long-continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of the Province, to render indispensable the erection of a College for the instruction of members of the Church of England.

The Bishop, consequently, on the 7th of February, 1850, issued a Pastoral Letter to the Clergy and Laity

of the Diocese, inviting their co-operation in the good work. This appeal was nobly responded to, and about £25,000 currency was subscribed, in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England, where he received very liberal assistance in carrying out his great design. The Society for the Propagation of the Gospel in Foreign Parts made a vote of two thousand pounds, payable by instalments of four hundred pounds per annum, and also gave seven acres and a-half of land, within the precincts of the city of Toronto, which has since realized upwards of nine thousand pounds. The Society for Promoting Christian Knowledge granted three thousand pounds, and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid; and on Thursday, the 15th of January, 1852, the Inauguration took place, and from this day the regular course of instruction commenced.

In the year 1852 the Ven. A. N. Bethune, D.D., Archdeacon of York, raised further subscriptions in England; and, in 1852-3, the Rev. William McMurray, D.D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met every where with a most cordial reception from the members of the sister Church, and obtained, in books and money, a sum little short of 10,000 dollars.

Within the Diocese successful efforts were, at the same time, made by the Rev. T. B. Fuller, D.D., and by the Rev. Saltern Givins,—the former, by the Bishop's appointment, undertaking the canvass of the western, the latter that of the eastern section of the Diocese.

In April, 1853, Dr. Burnside placed at the disposal of the College the munificent sum of £6,000, in lands and money,—a portion of which has been devoted to the foundation of two Burnside Scholarships for Students in Arts, in order permanently to associate with the College the name of this noble benefactor.

Since Dr. Burnside's death, his executors have given to the College the sum of £5,000, to be appropriated to the completion of the building.

Other benefactions to the College will be found mentioned in connexion with the Library, or under the head of Scholarships.

LIBRARY.

The College Library contains about 3,500 volumes, 600 of which are a gift from the Society for the Promotion of Christian Knowledge. About the same number were sent from England by private benefactors before the College was opened. Valuable additions have been made to the Library by the Government of the State of New York, from the Smithsonian Institute, and from Columbia College. The Bishop of Toronto has also presented upwards of 300 volumes, including many valuable works in Theological, Classical, and general Literature. The University of Oxford has recently made a munificent grant of books, published at the University press, of the value of £150 sterling; and Trinity College, Dublin, has kindly presented copies of the works published by the University, amounting to upwards of 80 volumes.

All fees for Matriculation and Degrees are appropriated to the Library Fund. Members of Convocation are, under certain regulations, entitled to the use of the Library.

MUSEUM.

A part of the present building has been fitted up for the temporary reception of a Museum of Natural History, towards which many Mineralogical, Geological, and other specimens have been already contributed.
