WONDERFUL! 2.00

Between eight and ten years ago, a medicine was introduced to the public, and suffering humanity was invited to try the same.

The proprietor knew from experience that success was certain, but the human breast is so imbued with prejudice that it forms one of the strongest barriers to break down and the greatest enemy to overcome before any headway can be made towards the mansion of success. Truth has often proved itself to be "stranger than fiction," and it is a fact as solid as truth that

SMITH'S CHAMOMILE PILLS

have now become one of the leading Patent Medicines of the present day, from north to south, and from east to west, they are to be found in the homes of the rich and poor. All classes of society use them, and they are by thousands declared to be **Worth their Weight in Gold.**

For a Weak Stomach, Impaired Digestion, and all disorders of the Liver, they act like "MAGIC," and a few doses will be found to work wonders on the most important organs in the human machine. They strengthen the whole muscular system, restore the long-lost complexion, bring back the keen edge of appetite, and arouse into action, with the rose-bud of health, the whole physical energy of the human frame. These are "facts" admitted by thousands, embracing all classes of society; and one of the best guarantees to the nervous and debilitated is, **Smith's Chamomile Pills** have the largest sale of any Patent Medicine in the Dominion.

Directions for Taking Smith's Chamomile Pills.

If the bowels are costive, the countenance sallow and the tongue furred, take 3 or 4 pills on going to bed; if they do not operate in ten hours, then take two more afterwards. Take one pill every night (or every other night), just enough to keep the bowels gently moved. For ordinary Bilious Complaints one or two doses are sufficient. These pills act on the system very similar to Blue Pills, or Blue Mass, but do not contain the least particle of mercury or calomel.

AND INTERMEDIATE POINTS IN CHARLOTTE CO.,

Begins at the Station, Union Street, Carleton, Head of Rodney Slip, crosses the Carleton Branch, with which it is connected by switches and sidings, follows along the Bay Shore just outside the Carleton Branch Railway, which it leaves at DeMill's and continues along shore to Sand Cove, where it turns inland and skirts the southerly slope of the Manawagonish Ridge till it reaches—

SPRUCE LAKE, 8 miles, at the foot of the lake of same name, the source of Carleton Water Supply; two miles south is Pisarinco, a thriving fishing village.

PRINCE OF WALES, 13 miles, nearest point to Musquash Harbour.

DUNN'S CROSSING, 15 miles, Custom House for port of Musquash, and site of Dunn's Meat Curing and Packing establishment.

MUSQUASH (sometimes called Lancaster) **STATION**, 17 miles, half way between Musquash and Clinch's Mills P. O., The principal business is done by the two mills on the east and west branches of the Musquash River. Useful Hints.

Never send money or other articles of value through the Post Office, except by Money Order or Registered Letter.

Make complaints and inquiries in writing.

Preserve and request correspondents to preserve envelopes of misssent or delayed letters.

Business men should be careful to authorize but a limited number of persons to receive their letters, and only those in whom they have full confidence.

Have a letter-box on your office door.

Letters addressed to mere initials, or fictitious names, will not be delivered, unless addressed in care of a resident, or to some box in the Post Office.

Letters containing gold or silver money, jewels or precious articles, or anything liable to Customs duties, cannot be forwarded by post to any of the Postal Union countries, except to the United States.

Letter Carriers' Delivery.

Letters and Papers for this delivery should be addressed to Street and Number.

Change of residence should be promptly notified to the Postmaster in *writing*.

Registered Letters.

Letters intended to be registered when addressed to places in CANADA must be prepaid by stamp 2 cents each; to the United States, 5 cents each in addition to the postage rate. For NEW-FOUNDLAND, Registered Letters, 2 cents; other articles 5 cents in addition to the postage.

All letters for Registration should be posted 15 minutes before the hour of closing the ordinary Mails, and 30 minutes before closing of the English Mails.

Registered Letters for the United States are dispatched by morning mail only.

No letter will be accepted at this office for Registration addressed either to initials or what may appear a fictitious name, and any such Registered Letter received from another office or deposited in the Letter Box for Registration will be at once sent to the Dead Letter Office for disposal.

Registered Letter Stamps of the denomination of 2 and 5 cents may be obtained at the usual places.

Registration is applicable to Letters and Parcels, whether they contain articles of value or not. Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced when one unregistered cannot, and the posting and delivery or non-delivery can be proven. A registered letter is thus secured against many of the casualties which from incorrect address, forgetfulness of the receiver, or other error, may affect an unregistered letter. Moreover, the safety of an unregistered letter is dependent on the integrity of a post office clerk during the whole time it remains in his custody, frequently for hours and even days; whilst a registered letter will almost invariably have to be acknowledged at the moment of its passing into an officer's hands, and cannot therefore be suppressed without leaving him individually accountable for its disposal. If the consequences were limited to the mere risk of the loss of the money so sent, the senders of money

in unregistered letters might reasonably urge that if they chose to encounter the risk they should be free to do so; but higher considerations are involved in the question, and the chance of loss to the careless remitter is really but the smallest part of the evil associated with the practice." The attentive perusal of the above remarks by those who are in the habit of sending money by mail in unregistered letters is strongly recommended, and it is further suggested that letters containing money should invariably be secured with wax, and not by the usual method, by mucilage, or self-sealing envelope.

Newspapers and Periodicals.

Newspapers and Periodicals Addressed to Places in Canada, Newfoundland, Great Britain or the United States.
