FOREST FIRES DESTROY DEERLAKESETTLEMENT IN NORTHERN ONTARIO

Six Separate Fires Raging in Parry Sound District—Some Families Have Not Been Heard of For Days and Fears for Their Saf ety Are Entertained.

TORONTO, Aug. 15.—Forest fires which are now sweeping the Parry Sound district, completely wiped out Deer Lake settlement, 23 miles from Parry Sound, on Wednesday, according to incomers from that north country. There were eleven buildings destroyed in one settlement, including the general store, doctor's office, hotel, school and dwelling houses. Travelers who alighted from trains tonight said the settlers were preserving their lives only by moving about from one clearing to another as the fire swept onward.

The C. N. R. bridge between Deer Lake and Bulger has been destroyed, according to the latest information, and C. N. R. trains are utilizing the C. P. R. tracks for through traffic. Local service is at a standstill. This morning, settlers had gathered at Robertson's mills, about three miles east of Deer Lake, in an effort to confine the flames inside a cleared area which ends just at the mills.

There are six separate forest fires raging in the Parry Sound district, according to best information available. Although nobody on the trains arriving at Toronto had heard of any definite loss of life, several settlers and their families have not been seen or heard of in some days, and apprehension is felt as to their safety. One family named Elliott is known to have been burned out, but it is not known whether they escaped.

TRANSFERS FIFTY MILLIONS IN NEW YORK HOLDINGS

Viscount William Waldorf-Astor Leaves Property in Trust to Sons.

New York, Aug. 15.—The New York real estate holdings of Viscount William Waldorf-Astor, valued at more than $50,000,000, were formally transferred to the Farmers' Loan and Trust Company today, to be held in trust for his two sons, Waldorf Astor and Capt. John Jacob Astor.

No statement as to the purpose of the transfer was made by Viscount Astor's attorneys, but it was understood to have been in line with the policy he inaugurated in 1911, when he turned over about $7,000,000 in real estate to the same company to be held in trust for his sons. At that time, it was said that the move was for the purpose of escaping the heavy inheritance tax, which would have been levied had he retained the property, and disposed of it after his death by will.

The property transferred today included the Hotel Astor, valued at $4,050,000; the Astor Theatre, valued at $1,002,000; the Astor apartments, in Broadway and large holdings in Madison and Eighth avenues.

LOCAL TEMPERATURES.

Following were the highest and lowest temperatures recorded in London during the 24 hours previous to 8 o'clock last night: Highest, 85; lowest, 55.

The official temperatures for the 12 hours previous to 8 a.m. today were: Highest, 74; lowest, 63.

RUMANIANS WILL NOT BE ALLOWED TO ROB HUNGARY

Supreme Council Makes Its Meaning Plain to Rumanian Government.

MUST OBSERVE TERMS

Reparation Must Be Left Entirely in Hands of the Entente Powers.

Paris, Aug. 16.—Rumania will not be permitted to strip Hungary according to the draft of the supreme council's reply to the last note from Budapest which was completed at today's meeting of the council. The Bucharest Government is informed that the fixing of the amount of reparation to be made by Hungary, as well as its distribution is a matter under control of the allied and associated powers, and that until final decision is reached all war, railway and agricultural material now in Hungary and subject to distribution will be under the common administration of the allied powers. The text of the reply follows:

"The peace conference without reverting to a certain number of points which call for correction, on its part notes with satisfaction the Rumanian declaration that it intends to work in agreement with the policy which the conference adopts in Hungary. It interprets this declaration as an indication that Rumania as a state participating in conference communicated through the military mission delegated to Budapest by the supreme council.

Sent Three Notes.

"Directions sent three times by the conference to the mission of allied generals and communicated to Bucharest have defined explicitly and in detail the present policies of the allied powers toward Hungary, the disarmament of Hungarian troops, the maintenance of order with the smallest possible number of foreign troops, the revictualing of Hungary and the abstention from all interference in the internal politics of Hungary, preserving for that country a free expression of the national will.

"The supreme council insists on the fact that final recovery of war, railway or agricultural material or of cattle, etc., cannot occur at present.

Right To Fix Reparation.

According to the principle of the peace conference, accepted by all the Allies and applied in particular in the treaty of peace with Germany, it is the right of the assembly of all the allied and associated power alone to fix the reparation to be made by Hungary and determine upon its distribution among interested states. Neither the Rumanian army nor the Rumanian Government has the right itself to fix Rumania's share, assets of all kinds belonging to Hungary being a pledge held by the allied powers in common."

Note Was Delayed.

Delivery of the Rumanian note, in which the Bucharest Government claimed that the Rumanians in confiscating property in Hungary were "merely getting back their own property," and insisted that the armistice of November, 1918, "no longer exists," was delayed, according to a statement made by the Rumanian delegation today because of its great length and the difficulty experienced in deciding it. The Rumanian delegates declared that they wished it to be understood that no amendments to the note were added following its arrival here.

EVANGELIST CONFESSES TO HAVING SEVEN WIVES, IS SENTENCED TO THREE YEARS

Charles Hugh Wilson, Former Y. M. C. A. Secretary, Pleads Guilty in New York—Bigamist Picked His Wives in Different Cities in the United States.

New York, Aug. 15.—Convicted of bigamy upon his confession that he has seven living wives, one of whom he married twice, Charles Hugh Wilson, 48 years old, former Y. M. C. A. secretary, evangelist, and traveling salesman, was sentenced today to three years and six months in Sing Sing Prison, where, he announced, he will take up prison reform work. Judge Wadham told the prisoner he would have given him five years, the maximum sentence, but deducted eighteen months, the period spent by Wilson in a Wisconsin penitentiary for a larceny which another man afterward confessed to having committed.

Wilson commenced his matrimonial career on January 22, 1900, when he married Elizabeth May Stanton of Davenport, Iowa. After three children were born, he left her, and in July, 1908, married Bay Bailey at Wytheville, W. Va. In less than a year he embarked on his third venture at Decatur, Ala., where he married Ethel C. Moore in March, 1909. Four years later he was united [illegible] Davis at Detroit, and a year later he went through a second ceremony with Miss Davis at Pittsburg. The following year he sought a New York bride and was married to Caroline K. Morris. He tried Philadelphia next and took Wilhelmina Jaggard of that city for his sixth bride in August, 1915. His final venture was in New York, where he married Fay Jeanette Ziff, in November, 1916.

According to a report by the Parkhurst Society, to which his last wife appealed, after he deserted her, Wilson was born at Barnesville, Mo., and is the son of a Scotch Methodist minister. He served as a Y. M. C. A. physical director, or secretary at Sedalia, Mo., Davenport, Iowa, Kansas City, Mo., Knoxville, Tenn., and Burlington, Vt.

ITALIAN DISASTER LAID TO GENERALS

Cordona and Three Others Blamed for Caporetto Defeat.

Rome, Aug. 14.—Gen. Cordona, the Italian commander-in-chief in October, 1917, and Gens. Porro, Capello and Cavaciocchi were mainly responsible for the disaster to the Italian army at Caporetto, which resulted in the retreat to the Piave, according to the official report of the commission of inquiry made public today. The defeat of the Italians when the Austro-Germans broke through their line is attributed by the commission chiefly to military causes, including depression of the morale and an entire lack of reserves.

CANADIAN OFFICERS AWARDED D. S. O. FOR MANY BRAVE DEEDS

Scores of Lives Saved by Heroic Actions On Battlefield.

CONSPICUOUS GALLANTRY

British War Office Issues Particulars of Conduct in Battle.

London, Aug. 16.—The war office has issued particulars of the deeds for which the under-mentioned Canadian officers were awarded the D. S. O. The names have already been cabled:

Major Edwin G. Baker, 47th: During the operations September 27, 29, 1918, he commanded his battalion in heavy fighting on two successive days, and by his personal example and splendid leadership inspired the officers and men of his command.

Major William E. Davis, 11th Railways: On August 21, 1918, while in charge of a detachment near Bucquoy, he made reconnaissance of the lines in forward areas to be reconstructed under shell and machine-gun fire, and carried out this work under very difficult conditions.

Lieut. James M. Dunwoody, Fort Garry Horse: On October 9, 1918, he was sent with his troops to ride down enemy machine guns on the right flank. He rode with his troops over 2,000 yards constantly under machine-gun fire, and while he and a number of his troops became casualties, he succeeded in driving the enemy from the guns, of which about fifteen were captured.

Saved Many Lives.

Major Orvil A. Elliott, 5th Field Ambulance: At Neuville Vitasse, Wancourt, Cherisy, from August 26 to 29, 1918: As the infantry advanced he followed up closely, and although many times he was forced to pass through heavy enemy barrages, he kept in close touch with the battalions and kept establishing collecting posts as far forward as possible. He was the direct means of saving many lives.

Major Charles J. Ingles, 20th: On two occasions he organized parties to clean out enemy machine gun nests that were impeding the advance. He was wounded in the arm, but insisted on remaining with his company during the afternoon and night.

Cleaned Out Village.

Capt. John R. S. Lough, 72nd: From September 27 to October 1, 1918, he was in charge of a company numbering only 60, during the attack on Sancourt and Blecourt. He mopped up the village and sent to the rear over 200 prisoners out of Sancourt alone, and captured an additional 80 prisoners in Blecourt.

Major Edward Liddell Middlemast, Fort Garry Horse: On October 9, 1918, in the Bois-du-Mont aux Villes and Bois-de-Gattingny, he charged the wood with the sword around the enemy's right flank, killing large numbers and capturing approximately 200 prisoners and 20 machine guns.

Lieut.-Col. Alexander T. Ogilvie, 14th Artillery: Near Vise-en-Artois he manoeuvred his brigade from the extreme left corps front line into a forward position in support of the centre. He made a rapid reconnaissance of the new situation under heavy shell fire, and was in a position to cover the infantry with all his batteries before the former were in a position to commence the attack.

Worked Without Rest.

Lieut.-Col. Stanley Paulin, Medicals—In the operations about Cambrai for the five days of that battle he worked day and night with very little rest.

Major Leslie F. Pierce, M. G. C., from September 27 to October 1, 1918—Throughout the operation he displayed marked skill in handling his batteries, particularly on October 1, when he was sent forward with instructions to insure the machine gun defence of the ground which had been gained.

Lieut. Ebenezer Menzies Preston, 87th—For most conspicuous gallantry at Bourlon, September 27, 1918: Cambrai sector, with two men crawled up to within bombing distance, and then bombed and rushed the post. He killed two of the crew who had escaped the bombs, and sent a third out as prisoner.

Carried Out Relief.

Major Eduard John W. Ryan, 102nd—Between Dury and Canal Du Nord, he led the battalion from the assembly point to the jumping-off place under a continuous barrage of shell and machine gun fire, and when on arrival it was found that the battalions, through which this unit was to pass had been held up, he withdrew his men into immediate support; and afterwards carried out the relief in pitch darkness over an unknown area, ging forward and personally directing the operations.

LONDONDERRY MOBS STONE TROOPS WHO ENDEAVOR TO BREAK UP A DEMONSTRATION BY NATIONALISTS

Thousands of Dollars Worth of Damage Done to Property As a Result of Rioting and Looting—More Trouble Is Feared in Irish City.

Londonderry, Ireland, Aug. 16.—Rioting and looting occurred in this city during the past night and early this morning. Troops charged on mobs, but did not fire any shots. The soldiers, however, were met with a volley of stones when they attempted to break up a Nationalist demonstration. The monetary loss from looting and from damage to property is estimated at thousands of pounds by police authorities.

The trouble started when Nationalists set fire to a large number of tar barrels which had been collected beneath an arch over which was displayed a picture of Edward De Valera, president of the Irish republic and sang the 'Soldier's Song." Unionists responded by singing the National Anthem.

One force of troops kept the crowds apart, while other detachments attempted to clear the streets, charging upon the throngs repeatedly.

Bricks and stones were hurled at the charging troops, one soldier being seriously hurt. The Nationalists were finally driven back to their own quarters. Windows were smashed and shops were looted by the crowds, and the city was in darkness the entire night. More rioting is feared tonight.

Although several revolver shots were heard during the rioting, no reports of anyone having been injured have been received. The troops declare that none of them fired any shots, and that when they drove back the crowds they advanced with their bayonets raised in the air.

ORANGEMEN AND NATIONALISTS IN BIG FIGHT AT LISBURN

Belfast, Aug. 16.—Ten Nationalists excursionists were injured during a fight Friday with Orangemen at Lisburn, County Down. Serious rioting also occurred at Coal Island, County Tyrone.

The trouble at Lisburn took place after the Nationalists had attended a "Lady Day" celebration at Louth. In the riot at Coal Island several policemen and military officers were injured.

WIVES OF LIQUOR DRINKERS PROVE TO BE GOOD SLEUTHS

Chicago, Aug. 15.—Let us study children, the genus wife. Chicago swarms today with this new specimen of the rum-sleuth. There are several hundred thousand in Chicago, say department of justice officials—and they're the dismay of the "red likker" peddlers.

"Twenty times a day," said Capt. Boddie, "wives call us up and inform the department of justice of flagrant violations of the prohibition laws. With tears in their eyes they tell how happy they expected to be after July 1, how they hoped their husbands would forget liquor. And when these wives learn their husbands are getting the 'stuff' again, by detecting their breath, they relay the information to us. Oh, yes, wives always find out somehow."

Some south side wife, it was, said federal sleuths, who brought about the downfall of George Graham, politician and saloonkeeper. Graham was caught yesterday in his saloon with a trick container.

A secret compartment in the half-gallon container held the whiskey, department of justice men said, and the remainder held ginger ale. Thus, a "friend" would walk up to the bar, tap his knuckles on the mahogany counter and wink, and say cryptically "Ginger ale," and out of the trick container Graham is said to have winked and said, while pouring out a cryptically "ginger ale" highball:

"I've got a pull with the big birds; you can't grab me." Graha was reported to have said. Today he was bound over to the grand jury on a $1,000 bond.

"Ginger ale," "Cup o' tea," "I'm on the list," "Step on 'er," and "Let's go"—these are the passwords used by hundreds of thirsty citizens to obtain their tot of rum in Chicago saloons. The price? Oh, a quarter a wine glass, or $1.50 a half pint. The department of justice today was preparing a frontal attack on liquor violators. It was said the violations were few where compared with New York, St. Louis and the West.

IMMIGRATION LAW CHANGE PROPOSED

Senator Would Limit Number of Foreigners To Be Admitted.

Washington, Aug. 15.—Revolutionary changes in the immigration laws are proposed in a bill introduced in the Senate this afternoon by Senator Dillingham of Vermont.

The measure provides that after July 1, 1920, the number of aliens of any nationality, who may be admitted annually to the United States as immigrants, shall be limited to 5 per cent of the number of persons of such nationality already residing here. The proposed restriction does not apply to immigrants who are natives of countries of the western hemisphere, and certain professional classes are exempted from the provisions of the law. The secretary of labor would also be given power to admit aliens in excess of the maximum number when in his opinion such action was "justifiable as a measure of humanity."

The bill provides for the repeal of all special laws directly or indirectly relating to immigration from China, Japan and other Oriental countries, including the Chinese exclusion law. The proposed measure, Dillingham stated, will not open the door to an increased immigration from Asia, on account of the small number of Asiatics now in the country.

DOLLAR DAY IS HERE ONCE MORE TO AID YOU FIGHT THE H. C. OF L. GREAT DRIVE STARTS THURSDAY

Dollar Day—the day on which Mr. and Mrs. Housekeeper have their inning is almost here! Since the last one which was held in February the consumer has been looking forward to this semi-annual event. Those who benefited by the bargains obtained on that day are planning to double the number of their purchases, while those who did not have an opportunity to share in the spoils last winter are determined that they will not be among the missing when their neighbors armed with shopping equipment go out to take advantage of the bargains that the local merchants will give them.

Bona-Fide Bargains.

Nothing but bona-fide bargains will be offered. The London Retail Merchants' Dollar Day Association have seen to that. The object of the association is to make this day one on which the dollar will go farther than any other day in the year. This is made possible, because the increased number of sales counterbalances the lesser profits on each article.

From every part of Western Ontario visitors come to London to share in the opportunities presented to the purchaser. For miles the roads are lined with autos and horse-drawn vehicles speeding to the city. When the merchant comes to open his store in the morning a crowd is waiting at his door.

Many merchants make Dollar Day the biggest day of their business year. Extra clerks are employed, and the store filled with goods. On the first dollar day of 1919 one merchant sold more goods than he ordinarily sold in a week.

"Unique Methods."

One local retailer has a unique way of showing that his bargains are bona fide. Goods that have been advertised in his window for several days are left there on Dollar Day, but Dollar Day prices are substituted for the old ones.

From among the citizens of London a lady will be chosen as the mysterious Miss Dollar. All day long she will wander through the stores of the dealers who have Dollar Day signs in their windows. The person discovering her will be given a handsome cash prize.

To keep everything lively a band will play on the main streets during the day. It will be taken about the city on a truck.

Especially is Thursday an opportune time for this great sale event. Summer is drawing to a close, and the stores will soon have to handle stocks of autumn goods. To make room for them they must sell their summer articles at greatly-reduced prices. Those who purchase these goods will not regret it, for September and October are months in which there are always several spells of hot weather. Meanwhile the merchants are clearing their decks for battle against old H. C. of L.

Asks Poet Bill, Have You Bought Your Winter Hats?

Also Do You Know When Winter's Winter and Summer's Summer?

Have you bought your winter hat yet? If you haven't, you are hopelessly behind the times. London millinery windows have been featuring felt, velour and velvet hats for weeks past, and the woman who boldly wears a panama on a hot August day like today admits she feels like a has-been, and hopelessly out-of-season, even if her hat has had a mid-summer scrub and trim.

She says she is consoling herself by the fact that when it does get cold she will be able to come out with headgear spruce and new, while the winter hats that have defied the sun and dust of July and August are shabby and passe.

But the pert young miss who is already planning a second autumn bonnet remarks smartly that the millinery stores will provide, and she has no intentions of looking "frumpy" just now in the fear that she can't be stylishly chapeaued later on.

Perhaps she'll be dead, anyhow; in which case she can do without another hat.

As the Poet Bill wipes the perspiration from his expansive forehead, then replaces his panama lid, he remarks viciously, "You deserve to be dead, an' more like you that don't act as if you've got sense enough to know when winter's winter an' summer's summer."

POPULAR OFFICER, LIEUT.-COL. CONGER, HONORED ON LEAVING

Lieut.-Col. W. S. Conger was given a beautiful piece of silver by the members of No. 1 Detachment, Canadian Army Pay Corps, at Wolseley Barracks yesterday afternoon, previous to his departure for his home in Ottawa.

Lieut.-Col. Conger, who has been exceptionally popular with all ranks at military headquarters and with residents of London generally since he has been here on relieving duty in the absence of Major W. W. Rowson, A. D. P. S., feelingly thanked those whose thoughtfulness had prompted the gift.

Major Rowson has returned to his office here.

LOEWS BIG THEATRE LOOMS AS REALITY WITH CONSTRUCTION

Thousands Visit Queen's Avenue Site to Watch Workmen Proceed With Building.

Have you been one of the hundreds to visit Queen's avenue to see the construction work of the Loews big theatre jump along? It is wonderful the interest that is being taken in this big building, and it is still more wonderful to see the speed with which the work is being done. Cost of labor is no drawback, considerable of London people's money is being spent in the construction of this big theatre and in every case London workmen are given the preference, and last, but not least, London investors will gather in the profits of this link of the chain of Loews Theatres, the greatest and strongest chain of theatres in America.

Loews first consideration is the welfare of the public, and the secret of their success is the fact that they give the public double value for their money, in program and the opportunity to share in the profits, as an investor, as well as bring unlimited business revenue to the merchants of the city.

Why should you hesitate? Is there anything that will boost London more in the eyes of the visitor? Whatever You Do Don't Neglect Your Eyes, Says Dr. Lewis, Who

Tells How To Strengthen Eyesight 50% in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa.—Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. He says neglect causes more eye troubles and poor sight than any other one thing. Many whose eyes were failing say they had their eyes restored through the principle of this wonderful free prescription. One man says after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two or four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

NOTE: Another prominent physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by all druggists, including Standard Drug Company and Strong's drug store.

YANKEE FIRM OPENS BANK ACCOUNT HERE TO SOLVE EXCHANGE

To solve the problem of exchange between Canada and the United States by having American firms open bank accounts here is an idea advanced by Mr. George Wenige of the London Bicycle & Motor Sales Company.

Mr. Wenige's firm has been transacting business with a large American concern for some time, the yearly business averaging between $20,000 and $30,000. Prices were quoted f. o. b. Springfield and the question of exchange was not mentioned. On payments being made, however, debit notes for exchange were sent to Mr. Wenige. The first few of these were paid, but when the payment on one shipment amounted to $92 he refused to pay it.

After some argument the firm acknowledged the justice of his contention and withdrew the debit note.

Simiar proceedings were started again this year, but Mr. Wenige immediately protested. As a result of his vigorous protest, the firm opened a bank account in Toronto. Mr. Wenige's remittances for goods received are now sent to Springfield, where full credit is given for them and the checks are then sent to Toronto to be deposited. Other Western Ontario dealers are now taking advantage of this plan and as a result a large amount of Canadian money is kept in circulation here which might otherwise go out of the country.

Mr. Wenige thinks that other American firms might be induced to try the plan.

33RD COMRADES CLUB COUNT UP AND FIND THEY ARE $10 SHORT

After counting up the receipts and the liabilities in connection with the lawn dance held last night by the 33rd Comrades' Club in Victoria Park, the committee in charge is hoping that a wave of generosity will overcome park dancers before the next outdoor dance is staged.

Sergt. William Hurrell announced last night at the conclusion of the financial reckoning that, after paying the brass band $65 and the costs of other necessaries, the committee was just $10 in arrears.

Dancers were numerous, and the music played by the G. W. V. A. band was heartily encored, but the dancers contributed only an average of 2 cents apiece for their night's entertainment. Receipts totalled $65.40.

No arrangements have been made yet for another dance, but the committee is watching for signs of greater generosity among young Londoners before setting a date.

PRIVATE ARNOLD BADLY TREATED IN BOSCHE CAMP

Was For Twelve Months a Prisoner of Germans.

After a period of twelve long months in a German prison camp, Pte. J. L. V. Arnold of the 18th Battalion, has arrived at his home at 129 Clarence street, accompanied by his English bride. When interviewed today, he said: "I certainly am glad to get home again. I have been in all of the chief European countries, but my travels only convinced me that there is no place in the world to equal my own dear country."

Pte. Arnold enlisted in the 142nd Battalion and left Canada with that unit, but overseas he was sent to the 18th Battalion with a draft of other men. Then in France, he was reported wounded and missing on November 11, 1917, and when his relatives received the official communication, it was believed that he was killed. A few months later, however, the news reached Pte. Arnold's mother that he had been taken prisoner and sent to a German hospital. After being released from hospital, he was sent to a prison camp until the armistice was signed.

Badly Treated.

"The treatment I received while in Bosche hands was terrible," stated the returned man to an Advertiser reporter. "I was sent from the hospital before I was really fit, and put to work in the detention camp. It was hard work, too, for I had to shovel coal for 12 hours every day, Sundays included. They did not give me enough food to keep a bird alive, and the stuff I did get was not fit for a dog to eat. The daily menu consisted of mangle soup or bone-meal soup and coffee which was made from burnt barley and acorns. I shall never forget that coffee! It tasted like ground hay and water. Then the other item at each meal was an awful black mixture which was called bread.

"The beastly Huns would not even allow me to keep my boots. They substituted them for a pair of wooden clogs, with two pieces of cloth a foot and a half square to wear inside. Most of the prisoners were treated in this way. So you see, the fact that I am so pleased to get home once more is quite easily understood."

DIFFERENT OPINIONS AS TO THE VALUE OF THOSE TRACTORS

Can't Do Work Like Horses, Say Teamsters.

Tractors which are being tested as a means of replacing teams in the city's construction work were tried out in sand-pits yesterday. There are two versions as to their success.

The tractors were unable to haul even one load of sand from the bottom of the sand-pit, and the old-fashioned horses had to be called in to draw the wagons to the street level. Once there, however, the tractors came into their own again and were able to take care of two or three wagons at one time.

Teamsters who have been watching the tests with some interest take this as an indication that the tractors cannot satisfactorily replace teams. City Engineer Brazier states that they are doing as much as can be expected of them. He thinks that if a team can be used in the sand-pits to draw the load to the street a great saving can still be effected by the tractors in making long runs to the scene of building operations. A tractor yesterday hauled two loads of sand from pits near the McCormick factory on Dundas street east to Adelaide street in sixteen minutes, or at a rate of four and a quarter miles an hour. This, Mr. Brazier states, is considerably better than the speed which can be attained by a team of horses.

LABOR DAY PARADE WILL BE LARGEST IN LOCAL HISTORY

Forty-Three Trades Unions Report They Will Take Part.

A meeting of the Labor Day celebration committee of the Trades and Labor Council was held last night at Room 10, London Loan Building, and arrangements made for the big parade. Forty-three trades organizations intimated their intention of taking part. Each local is to have a marshal who will report to the representative of the chief marshal as the parade crosses Clarence and the number who belong to the union. This is in order that the prizes may be donated to the union who has the best turnout.

For the baby show there will be ten cups donated, besides the two sweepstakes cups which are donated by Mr. and Mrs. G. S. Gibbons, and also a cup for the best-looking baby with the best-looking mother donated by Mrs. Philip Pocock.

Four bands will be in attendance in the parade. They are the G. W. V. A., 7th Fusiliers, the Marconi, and the Police Pipe Band.

A drawing for returned soldiers will be free. All soldiers who are confined to hospitals will be supplied, besides tickets being supplied to the soldiers at the park.

The parade will form on the market square at noon (daylight saving), September 1, leaving there at 1 p.m., and will proceed by the following route: Market Square to Dundas street, to Wellington, to Queen's avenue, to Adelaide, to the main entrance at Queen's Park, and then they disband.

The procession was arranged as follows: Firemen, garment workers, policemen, street railway employees, butchers and meat cutters, carpenters, printing pressmen, stereotypers, boilermakers, barbers, cigarmakers, painters, lathers, typographical, federated labor union, tailors, electrical workers, biscuit and candy makers, brewery workers, metal polishers, molders, railway carmen, blacksmiths, letter carriers, sheet metal workers, maintenance of way employees, machinists, No. 1277, bakers and confectioners, bricklayers and masons, brotherhood of firemen and oilers (stationary engineers, etc.), jewelry workers, railway trainmen, bakery drivers, stove mounters, machinists, No. 583, boot and shoe workers, plasterers, plumbers, musicians, civic laborers, railway employees (expressmen).

Early Closing of Entries.

On account of the rush of entries, which have always been left to the last day or two before the Exhibition opens in past years, the management this year has decided to close the entries earlier. The dog and poultry entries will, therefore, close on Tuesday night, September 2, and all other departments Wednesday night, September 3. Exhibitors are cautioned to make their entries before these dates. Secretary Hunt will move his staff from the down town offices on Labor Day, September 1, after which all business will be transacted at the general offices on the grounds, and the down town offices will be closed until after the exhibition. Prize lists, entry forms, programs and all information regarding the Exhibition at the general offices, Dominion Savings Building, until September 1. b

PRINCE LIKED RECEPTION AT ST. JOHN, N. B.

Greatly Pleased With All Features of the Day's Program.

RE-EMBARKED IN EVENING

Danced Twice at Garden Party at Government House.

ST. JOHN, N.B., Aug. 15. — "Extremely delighted" was the official expression of His Royal Highness the Prince of Wales regarding the reception given him by the citizens of St. John today. Before re-embarking this evening, his royal highness authorized Col. Henderson, military secretary to the Governor-General, to make the announcement that he had been greatly pleased with all features of the day's program, and had enjoyed it to the full.

Nearly two thousand invited guests were at the garden party, and all were presented to the prince. He was very tired before the afternoon was over, and smoked a cigarette with every evidence of comfort when the whirl of social duties took him to the veranda. He danced twice only, the first, a waltz, with Mrs. Pugsley, wife of Lieutenant-Governor Pugsley, and the second time, a one-step, with Mrs. W. S. G. Pugsley, daughter-in-law of the governor, and formerly Mrs. Ross of Montreal.

Evening on Board.

On his return from the garden party, the prince went on board the Dragon, and spent the evening there. It is understood the cruiser flying the royal ensign will drop down behind Partridge Island during the night, and steam for Halifax tomorrow morning.

The prince made no parting comment on the day to those who bade him adieu this evening. He merely gripped their hands like a regular fellow, smiled and wished them luck. It is known, however, that he was personally delighted with the reception accorded him in the city of Loyalists' Landing.

After the prince boarded the Dragon, Sir Robert Borden, prime minister, went aboard and will accompany the Prince of Wales on the warship until they reach Quebec. The royal party will leave for Halifax early tomorrow morning.

An official dinner was given on board the Dragon this evening.

DUE AT HALIFAX SUNDAY.

HALIFAX, N. S., Aug. 15. — The cruiser Dragon with the Prince of Wales, is due to be in Halifax harbor Sunday morning. The prince will attend divine service on board the cruiser that day. He is due at Charlottetown, P. E. I., at 10 o'clock Tuesday morning, and if it is considered necessary to leave Halifax at 6 o'clock Monday evening, in order to make that hour in Charlottetown, he will sail then. If the weather is such that the trip can be made by leaving at 9:30 o'clock, the start will be delayed until then.

BORDER CITIES PLAN FOR PRINCE OF WALES' VISIT OCTOBER 23

WINDSOR, Aug. 15.—Representatives of five border municipalities at a meeting here tonight adopted tentative plans for a suitable reception to the Prince of Wales, when he comes to Windsor, October 23. Suggestions that 30,000 school children from all over the county be gathered together here to sing the usual songs were received with favor, as was also the plan for a joint address of welcome, to be signed by the mayors of the five border towns.

DELICATE YOUNG GIRLS

Need New Red Blood to Give Them Health and Strength.

Does your daughter inherit a delicate organization from you? The anaemia of young girls may be inherited, or it may be caused by bad air, unsuitable food, hasty and irregular eating, insufficient out-of-door exercise and not enough rest and sleep.

It comes on gradually, beginning with languor, indisposition to mental or bodily exertion, irritability and a feeling of fatigue. Later comes palpitation of the heart, headache, dizziness following a stooping position, frequent headaches and breathlessness. In a majority of cases constipation is present. There may be no great loss of flesh, but usually the complexion takes on a greenish-yellow pallor.

Cases of this kind, if neglected, become serious, but if taken in time there is no need to worry. The treatment is quite easy and simple. Dr. Williams' Pink Pills, which are free from any harmful or habit-forming drug, are just the tonic needed to remedy this wretched state of health. Though it is not noticeable, improvement actually begins with the first dose. As the blood is made rich and red, the pallor leaves the face, strength and activity gradually return and if the treatment is continued until the last symptom disappears, the danger of a relapse is very slight.

If any symptom of anaemia appears, prudence suggests that Dr. Williams' Pink Pills should be given at once, and the sooner they are taken the more speedily will the trouble be overcome. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams Medicine Company, Brockville, Ont.

STUDENT CHARGED WITH MURDER OF PRETTY COMPANION

Cornell University Sophomore Declares Drowning Was an Accident.

BODY NOT RECOVERED

Trousers Belonging to Youth Are Recovered From Lake.

Ithaca, N. Y., Aug. 15.—"It was an accident" was all Donald W. Fother of Los Angeles,a Cornell University sophomore, 21 years old, would say today regarding the tragic drowning of pretty Hazel Chance, 18.

Fother is under arrest here, formally charged with murdering the Ithaca society girl on the night of July 13. Efforts of the police to draw any further statement from the young student proved futile.

Go For Canoe Ride.

Miss Chance and Fother, say the police, were guests at a dancing party on the night of the girl's death. They went out for a moonlight canoe ride, and only a short time later cries from Lake Cayuga attracted other members of the party. Fother was found clinging to the upturned canoe.

When he was taken ashore and fully revived, he claimed the little craft in which he and Miss Chance had been riding suddenly overturned, throwing both into the water.

The girl's body has never been found, though the lake has been dragged many times.

Obtained Liquor, Charge.

Shortly after that night, Fother was arrested on a charge of having illegally obtained whiskey during the dance. He was released on bail, and now is again under arrest for the more serious accusation.

Grapplers, dragging the lake in the vicinity of the tragedy, brought up a pair of trousers which were identified as those worn by Fother during the dance. Persons who helped to rescue the student recalled that he wore no trousers when brought out of the water. Under police direction, experts are still dragging the lake in the hope of finding the girl's body.

District Attorney Arthur G. Adams, who owns a cottage along the shore of the lake, was one of the first to reach Fother.

Knew Girl Three Days.

The young man was nearly exhausted, Adams said, and stammered that his companion, "Hazel Smith," had disappeared in the water.

Later Fother explained that he had known the girl only three days, and gave the wrong name only unintentionally.

When asked what had become of his trousers, Fother explained that he had kicked them off while swimming about in the water after the canoe capsized.

LOCAL NEWS

FAILED TO REGISTER.—William Henry Lightfoot, 22, son of John Lightfoot, furniture dealer, of 694 Dundas street, appeared in police court this morning in the United States uniform charged with failing to register here for military service on October 13, 1917. Lightfoot was bailed in $500 to appear in court on the charge on August 27. The prosecution is being conducted by the military authorities.

GIVEN 42 DAYS.—Pte. W. R. Colloton of the Western Ontario Military Hospital, who was tried and found guilty of the offence of refusing to obey the orders of a senior officer by district court-martial last Monday, was sentenced to 42 days' detention yesterday afternoon. The promulgation took place before officers of the W. O. M. Hospital. Colloton pleaded guilty to the charge when he was arraigned before the court on Monday, and no evidence was taken.

MR. HAMILTON HONORED.—Emory B. Hamilton of the West Floral Company, 249 Dundas street, was elected president of the Canadian Horticultural Society in Toronto at the annual business session of the society yesterday. Several papers dealing with horticulture were read during the meeting, which comprised representatives from all over Eastern Canada. Eight other officers from various eastern cities were elected to form the executive of the society.

IN PCLICE COURT.—Fred McKittrick smiled expansively and told the court he had as much as five cents in his pockets when he came to London yesterday from Dorchester. He was arrested as a vagrant, and was remanded to jail today for examination by a physician as to his mentality. McKittrick said he came here to look for work. His home is in British Columbia. Three drunks were fined $10 and costs or ten days in jail.

THE FIRST CONTRACT. — It is probable that the first contract for a house to be built under the direction of the London Housing Commission will be signed up today, according to J. W. Cunliffe ,acting president of the commission. Five applications have been definitely approved by the commission, and Building Inspector Piper has gone over the plans with the citizens who intend to build. If a contract is signed today it is possible that building may commence as soon as Monday.

PRINCE IS POPULAR.—Among those who can bear testimony to the popularity of the Prince of Wales, who is soon to visit the city, is General Manager Buchanan of the public utilities commission. He was in old London when the Grand Division under the Earl of Cavan was reviewed on its return from Germany. The young prince was the chief of staff on that occasion, and as he rode along the route of march he was deluged with flowers thrown by women in the immense throngs which lined the way. Women on balconies above the street cheered and threw kisses to the future king.

A GOOD SHOWING.—Seventy-five per cent of London Collegiate pupils in the lower school who wrote Normal School entrance examinations were successful, in comparison with an average of 46 per cent for the entire province. One hundred and seven pupils wrote the examinations here. Fourteen of these obtained honors, 59 secured a pass mark, two were promoted on recommendation, seven were successful in all but one subject, and only 25 failed. Those who failed in but one subject will rewrite that paper at a later date, and may yet secure a pass mark.

GRAND ARMY MEETING. — The London branch of the Grand Army of Canada, which is a returned soldiers' association, held its weekly meeting in Hyman Hall on Wellington street last evening. About 28 new members were officially received and initiated. A considerable amount of routine business was transacted, chief among which was the completion of the arrangements for a boxing contest to be held on Labor Day. The question of the equalization of pensions for widows and dependents was also discussed and favored by the members. It was felt that there should be no difference in the pensions received by widows, whether their husbands were officers or rankers.

MANY WOULD ENLIST.—Applications for enlistment in the permanent forces of Canada are pouring into the local recruiting station in Wolseley Barracks. One hundred and fifty men have visited the office since it opened a short time ago. The Royal Canadian Regiment seems to be the most popular to date. It is a five-company regiment, with three companies and the headquarters, which make a total of over 700 men, stationed at Halifax. This increase in the permanent garrison at Halifax raises the total number of men there to 2,000. Next in order of popularity to the R. C. R.'s, as judged by the number of the recruits, come the famous P. P. C. L. I., the Royal Canadian Garrison Artillery and the Royal Canadian Dragoons of Toronto.

QUALITY BUT NOT QUANTITY SAY FARMERS OF SHOWERS; BIG LUSCIOUS MARKET TODAY

"All right what there is of it, but not enough of it," seemed to be the pretty unanimous opinion of farmer folk and gardening people over at the Saturday market today. ("Too late to help the crops," was the verdict of a number, who, however, admitted that the corn would benefit, provided there was still more rain, and that the chances for the late potatoes and other roots should be greatly improved.

The market at an early hour this forenoon was a regular "harvest home" picture, wagons and stands and pavement heaped high with baskets and boxes of fruits and vegetables, and masses of late summer flowers, a gorgeous array of kaleidoscopic coloring.

Tempting Stuff.

An appetite tempting market it was with its quantities of smooth-skinned tomatoes, large, small; plums, peaches, pears, apples, carrots, beets, potatoes, onions, ruddy radishes and forests of celery; polished egg plants and magnificent squash; corn by the scores of ears, for which there was a brisk demand; tender-looking broilers and spring chickens; a solitary oasis of jars of honey, enough eggs to go around, provided you wanted to pay 55 cents a dozen; and all the other things that contribute to the full kit bag of an early autumn market.

Did somebody say autumn?

It was a farmer's wife who remarked this morning: "It seems the summer has been so long and steady that I can hardly believe it is just the middle of August."

One vendor with a wagon full of celery declared that however progressive the summer has been, celery is decidedly late in geting ready for the table.

"The tomatoes are much better than they were last year, aren't they?" commented the reporter who would appear wise.

"Don't know what they were a year ago," said the returned soldier guardian of several excellent-looking baskets of tomatoes, "but I do know that where the plants are near to trees, and the trees take the moisture from the ground we are troubled with blossom-end rot."

Blossom-End Rot.

Blossom-end rot, which caused so much waste of the tomato crop in the hot, dry days of August a year ago, was also mentioned by a number of other growers, who regretted that there had not been more rain. "If we had plenty of rain we wouldn't have had the blossom-end rot," explained a gardener.

Baskets of tomatoes, scientifically packed and otherwise, were retailing from 60 cents to $1, and $1.25 a basket, according to the size and quality, and, in some cases, what people were willing to pay.

The lone honey man had no difficulty in getting 30 cents a jar for a little one-pound jar of honey; 40 cents for one not much larger, or 60 cents for a taller container. The five-pound red pails, which could be purchased a year ago for figures ranging from $1.10 to $1.25, were commanding $1.50, and the ten-pound pails a little matter of $3.

"The honey crop is almost a total failure," was the information given, and old Jupiter Pluvius again accused of being the criminal, because he insisted upon sulking behind hermetically sealed doors instead of coming out with his hose and giving an occasional soaking to the thirsty ground. The clover did not come out well at all, and, of course, honey bees couldn't be expected to manufacture clover honey when there was no clover nectar for them to sip.

Ducks Look Good.

The plump ducks seem to have struggled along pretty well considering the sub-normal quantity of rain. They were going readily in pairs at $1.50 each—no, gentle reader, not $1.50 per pair, but $1.50 per individual duck.

A nice little chicken to serve as an appetizer for a healthy family could be obtained for $1. But one real healthy appetite could make sad havoc on such a chicken.

In one instance, down in the basement of the market house a whole family party was taking a lively interest in disposing at an early hour of farm products, mother, grandmother and the children. Probably the most businesslike person of the group was the small boy, who kept a watchful eye on every sale.

When one purchaser expressed a preference for brown eggs in the few dozen displayed, guaranteed to have been laid within the past two or three days, the small boy immediately brought in triumph from his grandmother's basket the brownest-coated egg of all. "Put this one in," he ordered. "It was laid yesterday by the little chicken. I know, 'cause I gathered it myself. I always gather the chicken's eggs an' she lays lots. They are most always brown."

The fairly good-sized chicken, judging by the size of the egg," said a market visitor, who appeared vastly entertained by the little incident.

The small boy stoutly kept to his original declaration that his favorite chicken had laid the egg. "Anyway, she was born this spring," he said, and nobody could be found who was valiant enough to dispute such proof as that.

COMMISSION TO INVESTIGATE THE CHARGES IN CONNECTION WITH THE GUELPH NOVITIATE

Alleged That Department of Justice Interfered With Work of M. S. A. Officers to Extend Special Privileges to Institution.

OTTAWA, Aug. 15.—Hon. Justice W. E. Middleton of the Ontario supreme court, and Hon. Joseph A. Chisholm of the supreme court of Nova Scotia, it is officially announced, have been named by the Dominion Government as a royal commission to probe charges made by the Rev. Kennedy H. Palmer of Guelph, Ont., and any other specific charges in regard to the Guelph novitiate. The trouble over the novitiate, it will be recalled, arose when Captain A. C. Macauley on the night of June 7, 1917, visited the institution for the purpose of ascertaining whether or not any of its inmates were evading military service.

The inquiry by the royal commission will be instituted as soon as Deputy Minister Newcombe, of the department of justice, returns to the city, and that will be almost immediately. It is expected that the commission will hold sittings both in Ottawa and Guelph.

The allegations of Rev. Mr. Palmer to be inquired into include:

Department Interfered.

1. The department of justice of Ottawa interfered with the military board at Guelph in their efforts to obtain information as to the status of the inmates of Guelph novitiate.

2. That is doing so, the department extended special privileges to the institution which should have been treated like any other institution.

3. That the Hon. C. J. Doherty interfered with Captain C. Macauley on the night of June 7 while he, Captain Macauley, was carrying out the instructions of his superior officers.

4. That the department of justice, through its minister, prevented the placing in military service of young men of military age residing in the institution.

5. That the press censorship instigated by a minister of the crown intensified the feeling that special protection was being given to the institution at Guelph.

Sir Sam's Statements.

Statements made by Sir Sam Hughes, which are enumerated as specific charges to be inquired into, are quoted by the order-in-council as follows:

1. That the Government improperly failed to make the occupants of the novitiate register for medical examination or for military service under the military service act and the Government also failed to punish those harboring deserters in the novitiate.

2. A member of the Government (Guthrie) informed a member of the ministerial association that "Doherty says they are all right, and that they are to be left alone."

3. The justice department improperly communicated with Macauley.

4. After midnight the militia department communicated with Macauley and improperly ordered him to retire from the novitiate.

Ordered Censorship.

5. The justice department improperly ordered the press censorship.

6. The minister of militia apologized to the principal of the novitiate and indirectly censured Macauley when the order should have been to the principal to observe the law.

7. Godson: Godson visited London, and it is claimed improperly and surreptitiously had certain letters removed from the military files there.

8. Macauley was improperly moved to Winnipeg by the militia department.

U.S. AMATEUR GOLF CHAMPIONSHIP GAMES ARE BEING PLAYED

Pittsburg, Aug. 16.—After a lapse of three years, due to the war, play for the national amateur golf championship of the United States started today over the Oakmont Country Club course. The field was considered by golfers who have attended these tournaments for many years, to be the fastest that ever participated in the event. The list of starters was headed by Charles (Chick) Evans, Jr., of Chicaga, present title holder, and five former champions.

Weather conditions were perfect for golf. It was estimated that scores of 85 would be low enough to place a player in the list of 64 who will qualify in today's preliminary round of 18 holes. These will continue Monday in the regular 36-hole qualifying round.

TWO YEARS AND FLOGGING MIGHT STOP SOME OF AUTOMOBILE THIEVING

Two years in jail, with a flogging once a month, is suggested by a local detective as proper punishment for automobile thieves who joyride in stolen machines and ill-use them.

While R. Ibsitch, the Hamilton owner of the motor car which Howard C. Patterson stole, and in which he rode to this city and left in a local garage, benefitted considerably, because the machine was insured against such contingencies. Harry C. Greenberg, owner of the machine which Patterson stole Saturday night and abandoned at Niagara Falls, is bemoaning the appearance of his car.

One of the bullets a policeman fired at Patterson as he escaped in the machine, furrowed the rear end of the body. The joyrider scratched the newly-polished sides of the machine by striking matches on it while he speeded from here to Niagara Falls. Considerable damage was done to engine and equipment.

Patterson is believed to have crossed the United States border at Niagara Falls, but his description and photographs have been sent broadcast in an attempt to bring him to the courts.

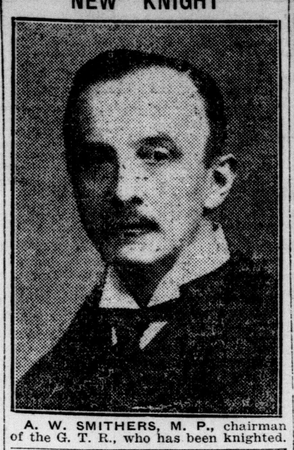

BURIED AT TILLSONBURG.

TILLSONBURG, Aug. 15.—The funeral of Mrs. Charles J. Honsberger, who died suddenly on Tuesday in her 32nd year, was held this afternoon at 2 o'clock from the family residence to the Town Cemetery for interment, and was one of the largest funerals ever witnessed in this district. She was the daughter of the late Warren Hicks, was born in Cornell and, with the exception of a year in Windsor, spent her entire life in Tillsonburg and district. She is survived by her husband and an infant daughter, also two sisters, Mrs. E. G. Beemer and Mrs. M. D. Beemer, both of Windsor.

Just three months ago Mr. Honsberger suffered the loss of his only son from scarlet fever. Mrs. Honsberger was a member of Myrtle Rebekah Lodge, No. 177. Rev. Messrs. Waldron and Cunningham of Brownsville, conducted the services. The following brethren of Otter Lodge, No. 50, I. O. O. F., Tillsonburg, acted as pallbearers: George Prior, Anson Fewster, E. Carroll, D. Davis, M. Hall, A. Rodgers.

At a special meeting of the town council a bylaw was passed, authorizing the paving with concrete of Washington avenue in front of the town hall. Several weeks ago the board of trade asked the council to take hold of the housing scheme and a committee was formed, but no action has been taken. Tillsonburg is in dire need of houses and the board of trade feels strongly that Tillsonburg cannot compete with surrounding live towns for new factories unless something is done at once to relieve the house shortage.

"Proud to accept invitation and address, providing arrangements do not conflict with visits of minister of militia. It was arranged that I proceed direct to Ottawa."

No further word has been received from the Caronia, which is bringing Gen. Currie to Canada, since the message of yesterday morning stating that the steamer would dock at 9 o'clock tonight. Preparations for the reception are proceeding as originally planned. If Gen. Currie decides to board his train at the ship's side the address and plate will be presented at the pier.

RUMANIA DENIES ARCHDUKE JOSEPH WAS RECOMMENDED

Hostility of Hungarian Official to Rumanians Is Well Known.

Paris, Friday, Aug. 16.—A formal denial that the Rumanian Government favored the advent to power in Hungary of Archduke Joseph was issued today by the Rumanian press bureau. The statement said, in part:

"The archduke's violent hostility toward the Rumanians is very well known. As commander of the Austro-Hungarian troops in Transylvania, he permitted the soldiers to commit atrocities on the Rumanian population. When there was talk of deposing King Ferdinand, the archduke was the principal Austrian candidate for the Rumanian throne."

Murders His Wife, Tells His Father, Then Disappears

HALIFAX, N.S., Aug. 15.—Maud Delaney, aged 25, a daughter of Mrs. Neil McGinnis, living at 5 Duke street, this city, died at the Victoria General Hospital, from blows dealt by a hammer, shortly after her removal there at 5 o'clock this morning. John Delaney, aged 26, the woman's husband and a son of Sergt.-Major Delaney of the medical corps, has disappeared.

Shortly after 6 o'clock this morning John Delaney appeared at the house of his father and stated that he had beaten up his wife and intended to make a "get-away."

The father immediately notified the police, who, on their arrival at the Delaney home, found the woman and a 4-year-old child in bed, both covered with blood, and a bloody hammer nearby. The child was uninjured.

The missing husband, who served overseas with the field artillery, has a police record, having served a term in the city prison for selling liquor to soldiers, and having been placed on suspended sentence for two years for wife-beating. Delaney is said to be without money, and it is believed his apprehension is only a matter of hours.

GIRL GUIDES PATROL FORMED AT CAYUGA

CAYUGA, Aug. 15.—A local branch of the Girl Guides has been formed at Cayuga by eight girls, who thus constitute a lone patrol, under instructions from headquarters. The members are: Gladys Lewis (leader), Lenore Cotter, Jean Quinsey, Feith Baxter, Eva Baxter, Eunice Ross, Evangeline Lewis, Ruth Lewis. To start a fund, the members held an entertainment on Rev. E. Lewis' lawn on Wednesday evening, and presented a good program, realizing $10 from a silver collection. An orchestra of four performers, Lenore Colter, mandolin; E. Lewis, violin; G. Lewis, autoharp, and Eric Lewis, piano, furnished good music.

At the recent examination for lower school work, out of fifteen high school students who wrote, eleven passed well.

WROXETER RESIDENT DIES IN NORTH DAKOTA

WROXETER, Aug. 15.—Word was received here today of the sudden death in North Dakota of Mrs. John Brethauer, where she had recently gone on a visit. She was in her 68th year and an old resident of this village, having moved here with her husband from Waterloo 44 years ago. She is survived by an adopted son, James Brethauer of North Dakota, with whom she was visiting. Mr. Brethauer, who was a well-known businessman here, predeceased her sixteen years ago. Interment will take place in Wroxeter Cemetery upon the arrival of the body from the west.

Lieut. Peter McEwen, son of Peter McEwen of Turnberry, arrived this week from overseas, where he served over three years with the imperial army.

Five candidates from this school were successful at the recent lower school examination, Rhoda Henning, Jennie Earl, Hans Rasmussen, Bertha Smith and E. Welshar.

MANISTIQUE REPORTED.

HARBOR BEACH, Mich., Aug. 15.—The steamer Manistique went ashore four miles above Point-Au-Barques on Thursday, but was released without serious damage today, after lightering some 200 tons of her coal cargo. The vessel is reported leaking slightly at the stern, but her pumps are keeping her free.

ARMENIA'S DOOM APPARENTLY NEAR

Tomorrow's Exodus of British Troops "Beginning of End."

Paris, Aug. 15.—The peace conference is awaiting anxiously the decision of Great Britain as to the withdrawal of British troops from the Caucasus. The homeward movement is expected to begin tomorrow.

Col. William Haskell of the United States army, Allied high commissioner in Armenia, has telegraphed the supreme council that Armenia undoubtedly will starve and the people be exterminated if the British soldiers are not detained there until others are sent. The supreme council, however, is unable to provide troops. None of the large powers is willing to send soldiers there, and consequently no action has been taken.

The relief supplies gathered at Tiflis, Batoum and Erivan probably will be lost if the British withdraw, and the investigation to be made by Major-Gen. James G. Harbord on behalf of the American Government will be of little use.

FORD CASE APPEAL THOUGHT UNLIKELY

Lack of Motions After Verdict Basis For Belief.

Mount Clemens, Aug. 15.—Attorneys for the Chicago Tribune, it was considered certain today, will accept without contest the verdict of six cents damages awarded Henry Ford by the jury which heard the prolonged and bitterly fought Ford-Tribune $1,000,000 libel suit. Statement of the Tribune counsel that they were satisfied with the verdict, and the fact that no motions or appeals for a new trial were made, are taken as an indication that the Tribune will settle the case in accordance with the jury's verdict and avoid a fight in the higher courts.

SON ACCIDENTALLY KILLED BY MOTHER

Loaded Revolver Discharged While Putting It in Suitcase.

Toronto, Aug. 16.—Clifford Wild, aged 14, was accidentally shot and killed by his mother at their home at 995 Queen street east this morning, while the pair were packing their suitcases in preparation for a holiday trip.

"There is more room in your suitcase than in mine," said Clifford, and handed his mother his revolver, of which four chambers were loaded. As the mother stooped to place the weapon in her bak the trigger caught, there was a report, and a bullet entered the boy's side. He pitched forward and was dead before medical aid arrived.

SARNIA VETERANS WANT TO KNOW WHO SOLD HUNS NICKEL

Grand Army Branch Puts It Up to Borden and Hearst.

[Special to The Advertiser.]

SARNIA, Aug. 15.—The Grand Army of Canada, Listening Post No. 12, at a meeting here tonight drafted a resolution to Premier Borden and Premier Hearst, asking to ascertain the names of the manufacturers of nickel corporations of Canada who sold nickel to German agents early in 1915 and 1915. The resolution alleges that the men who sold it probably knew that it was going to Germany. The Grand Army branch resented the alleged leakage, according to the resolution, as Germany was badly in need of these products at that time, and through the products getting through it had helped to prolong the war.

A new scale of gratuity was also recommended. For service in France, $2,500 would be given; for service in England, $1,500, and for service in Canada, $1,000.

At the next meeting a permanent board of officers will be elected.

TRIES TO CROSS.

Following an appeal to Washington several months ago, when he was turned back at the border as an undesirable, which was ignored, Thomas Wilke, an itinerant preacher, made another attempt to get by the port officials at the ferry docks and succeeded for two blocks. His excursion into United States territory, which had as its objective a preaching appointment at Standish, Mich., was halted at this point by a special immigration officer, who had witnessed his glide through the gates.

FINANCIAL REVIEW

New York, Aug. 16.—The stock market this week was perceptibly influenced by existing domestic economic problems, especially the unsettled labor situation.

Growth of the campaign against high living costs, which had its most striking manifestations in food seizures and partial reduction of commodity prices, also served to undermine the list, the impairment embracing many high-class issues.

Public participation, which became chilled in the previous week on publication of the claims of the railway brotherhoods, dwindled to slender proportions, leaving the field almost entirely to pools and allied professional interests. Although technical conditions were visibly improved by reason of the recent liquidation, the shorts engaged in further aggressive movements, many active shares recording extreme active shares recording extreme declines of five to fifteen points.

Much of the week's depreciation was credited to the operations of brokers acting for western speculators prominent in the long sustained advance, but now believed to be committed to the other side of the account.

Several new coporate offerings were made by bankers and syndicates at relative interest yields, and these were freely absorbed, but the general investment situation, as indicated by the easier tone of the bond market was far from satisfactory.

HAIL STRIPS TREES AND THRESHS GRAIN NEAR OWEN SOUND

Farmers and Labor Men to Hold Joint Convention Today.

OWEN SOUND, Aug. 15.—A very destructive hail storm passed over the section of the country west and northwest of Owen Sound this morning, commencing very early. Its path was probably not more than a mile wide and it travelled in the northwestern portion of Derby and in parts of Keppel. The fall of hail lasted about half an hour.

Standing grain was stripped of leaves, the latter being literally threshed from the stalks by the hail. The hail stones were in many cases very large and the fall was an immense one in some places. At the farm of David Robertson on the 11th concession of Derby, about 2½ miles from Tara, is an acre of wheat which was all the grain that was left out. Grain was cut off at the roots by the hail, trees were stripped of leaves as thoroughly as if a cyclone had struck them, and even shingles were dented by the large hail stones. A democrat wagon which stood outside, was still half full of hailstones this morning. A very heavy rain followed the hail.

Other features of the reception will be distinctly novel. The returned soldiers of Grey will be the guests of the town for the day.

VOTERS' LISTS.

There are 12,684 voters in the electoral district of North Grey, according to the lists prepared for Chief Enumerator Lieut.-Col. W. P. Malone of Owen Sound. The town of Owen Sound leads with 6,663 voters, Sydenham Township has 1,617, Keppel Township 1,348, Sullivan Township 1,319, Derby Township 956, Sarawak Township 373, Chatsworth 226 and Shallow Lake 182. The enumerators' lists are all in the hands of the printers now and the lists will be out for revision in a few weeks.

FARMER-LABOR MEET.

The next act in the political drama in North Grey will take place tomorrow afternoon when the convention of the united farmers and labor unions of North Grey is held. This convention was first announced for Aug. 2, but postponed until Aug. 16 to allow for the formation of farmers' clubs in parts of the riding not previously organized.

LIGHTNING FIRES BARN AS THRESHING ENDS NEAR WARDSVILLE

WARDSVILLE, Aug. 15.—The large grain barn of James Thomas, on the Big Bend, Aldborough Township, about a mile and a half from Wardsville, was totally destroyed by fire last evening. The barn was struck by lightning about six o'clock, shortly after the threshing machine which had threshed the season's grain had pulled out and left. About 600 bushels of grain, hay and straw were all burned. The stock, horses, pigs, etc., were all safely removed. The barn was insured for about two-thirds its value. The electric storm which passed over the village was severe, and accompanied by a heavy rain. The latter was much needed.

The out-of-town guests were the groom's sister and daughter of Waterdown, Mr. and Mrs. Coults and daughter of Windsor, Mr. and Mrs. Will Aitcheson of London, and Mrs. Calder and daughter of Beaverton. The presents were many and valuable, including a silver tea set and casserole from the school and church at Port Arthur, and articles of china, French ivory, silver, table linen and fancy work.

Mr. and Mrs. Hill will reside in Hamilton after a wedding trip extending over a few weeks.

BRUSSELS, Aug. 15.—Last week Miss Hazel Lowny of Brussels was engaged as teacher at the Ontario School for the Blind at Brantford.

Vernon Ross, who has been overseas with the Dental Corps, and his cousin, Fred Haycroft, who was with a mechanical squad, arrived back after several year's service.

Friday morning Mrs. S. Bailey, who has been seriously ill for several weeks, passed away. Mr. Bailey and a daughter are the survivors here and two daughters reside in Edmonton.

An old resident, Wm. Oakley, shoemaker, died this week after a short illness. He was 81 years old. His wife, who is past 83, survives.

Last week Wm. Thuell went to Blyth, where he has been engaged to run the electric light plant.

Ten pupils passed the lower school examinations here this season.

A new flax mill was raised this week. The new crop is being hauled in and threshing will begin at once.

MILES AND MILES OF SMILES

Have you ever stopped to think that others see you as you see them?

This is hard to do when driving, but next time you're out for a spin, just "take in" the motorists you meet. If you think they wear "funny" expressions, remember, you may look "funny" yourself. These motorists wear faces to suit their moods, and so do you.

There's the man whose expression spells despair. Have you stopped to consider the strain the poor fellow is under? He is constantly in dread of his tires failing him. "Poor chap," you say, "he looks aged with worry."

Then there's the man with the smiles, lots of them, miles of them. HE KNOWS that whatever place he starts for his tires will take him there and back without trouble. Ask him what tires he uses—"Maltese Cross," he says.

Every mile is a mile of smiles for the motorist who uses Maltese Cross Tires.

For the Business Girl

IN future there will always be an important section of the population consisting of self-supporting women. They may or may not have dependents. In any case these workers should make provision during the wage-earning period for the time of life when self-support shall no longer be possible.

If the business girl has anyone dependent upon her a life policy should be taken. But if she is providing only for her own future as many are, an endowment policy is preferable. This form of policy includes assurance for a given number of years with the condition that if the assured survives this term she herself shall receive the amount stated in the policy. It is, therefore, a savings bank account as well as an assurance.

Mutual Life endowment policies have proven a particularly satisfactory form of investment for thousands of Canadians. The facts that all the profits of this company belong to the policyholders and that unusual care is exercised in the investment of our funds have brought gratifying returns to the holders of such policies.

Send for our book—"Golden Opinions."

SUMMER RESORTERS AT PORT STANLEY SEEK CIVIC HONORS

Those Who Holiday at Lakeside Up in Arms Over H. C. of L.

ST. THOMAS, Aug. 15.—The high cost of lighting, water and other commodities in the village of Port Stanley, especially to summer resorters, has this year caused an uprising that is equally as serious as a rebellion. The summer residents, who make up the greater part of the population of the village, have decided to remedy the matter and, according to information given The Advertiser tonight, a couple of prominent and popular summer resorters who reside in the village for the greater part of the year will be nominated for municipal honors. The municipal act as it now stands makes such a move possible. A candidate for councillor must reside in the municipality for not less than six months of the year. One local man, who makes his home at this famous lakeside resort for two months or so each year, stated to The Advertiser tonight that he is compelled to pay at the present time no less than $8 for water rates for his two months' residence there. If he is interested in horticulture and would make use of a garden hose, then he is taxed another $4 per annum, making a water rate of $12 for a small one-story cottage for two months in the year. In the city of St. Thomas he pays about $6 per annum for twelve months' use.

Lighting, he says, is equally as high in comparison, but the most serious difficulty he has experienced this season is in obtaining ice. It has cost him no less than 40 cents per diem for ice, and even then he cannot keep his foodstuffs cool.

One of the candidates prominently mentioned for the coming municipal elections is Charles McCorkell of this city, who owns considerable property at the lakeside, and resides there over six months each year. Chief William Armstrong of the local police makes his home there nearly eight months each year. A couple of Londoners are also being urged to let their name go before the electors. "We want reform, and we are going to get it," stated one man tonight. "We want to make Port Stanley a summer resort, not a scene of daylight robbery," was the way another man put it tonight.

CHARGE OF FORGERY AGAINST ST. THOMAS EMPLOYEE OF CITY

ST. THOMAS, Aug. 15.—Douglas Dufton, an employee of the city fire department, was allowed out on bail this afternoon after he had been arrested on a charge of forging the name of Dr. Jackson of Union to a liquor prescription, which he managed to get filed at a local drug store. Dufton was suspected some time ago, but it was not until the authorities had made a careful investigation that they were able to trace the forgery to the accused. Bail was set at $1,000. He will appear for trial on Tuesday, August 19, before Magistrate Hunt.

This is the first arrest made on such a charge in this district. There have been many alleged forgeries seized by the license inspector and others, but it has so far been impossible to trace the forgery to anyone. One of the methods in vogue is to use a fictitious name in presenting the prescription. The prescription in this case was for six ounces of liquor.

PULPIT OF PAISLEY CHURCH IS VACANT

PAISLEY, Aug. 15.—Of the eighteen candidates who wrote at the lower school examination from Paisley Continuation School, fifteen were successful.

Knox Church pulpit was announced vacant last Sunday by the moderator, Rev. P. Reith of Glammis, and already 46 applications have been received from ministers to preach in view of a call.

Rev. L. W. Diehl, who has been rector of the Church of the Ascension here for the past fifteen years, has been appointed by the bishop to a charge at Port Burwell. Mr. Diehl begins his new pastorate early in September.

The regular meeting of the W. M. S. of Knox Church held on Thursday afternoon, was largely attended when Mrs. B. M. Johnston of Toronto, widow of a former pastor, the late Rev. J. Johnston, gave a splendid address on the forward movement, and made a fine impression. At the same meeting the president of the auxiliary, Miss Janet B. Scott, was presented with a life membership certificate, a gift from the members. Miss Emily McInnes sang a solo, and afternoon tea was served at the close of the meeting.

Mrs. J. Bailey, widow of Joseph Bailey, died yesterday evening at her residence after a lengthy illness. Mrs. Bailey was in her 32nd year, and had not been in robust health for some time. Last summer her only son, Gordon Bailey, a bright boy of ten years, was drowned in the Saugeen River, and from the shock of the accident she never fully recovered. Surviving are one little daughter, Margaret, also her mother, Mrs. Magair of Cargill, three brothers—Arthur Bell of Walkerton, Elgin and Gordon Bell of Medicine Hat, Alta.—and her brother-in-law, Elijah Bailey, who resided with her.

The funeral will be held on Saturday, conducted by R. S. W. Diehl of the Anglican Church, with interment in Douglas Hill Cemetery.

RAIN AIDS PASTURE AND MILK SUPPLY

WABASH, Aug. 15.—This section was visited yesterday by the heaviest downpour of rain in about three months. Corn, late potatoes and pasture lands will all be greatly benefitted. Pasture lands had become so brown that it was almost impossible for cattle to find sufficient nourishment.

As a result of this the milk supply had greatly decreased, so much so that in some localities a butter famine was threatened. Good butter has been selling at 50 cents a pound.

Although a great many loads of oats have been drawn in and stored away, there is yet quite a few standing in the fields and, owing to the heavy rains, will not be fit to draw for several days.

During the past few days farmers have been drawing wheat to town and selling at $2 a bushel. Those who put in large quantities of tomatoes find that some of them are affected with a dry rot. They are being sold at five cents per pound.

Edgar Meredith, a Wabash farmer, recently sold a hog weighing 560 pounds for the sum of $131.60, the price being $23.50 a hundreweight.

During the past week several real estate changes have been made in Wabash. Herbert Hawkins has purchased the 75-acre farm belonging to Gerald Neely on cession 10, for the sum of $8,500.

TIME FOR APPEALS FOR VOTERS' LIST EXTENDED IN PERTH

[Special to The Advertiser.]

STRATFORD, Aug. 15.—Announcement was officially made by Judge Barron today that the date set for the return of all appeals to the lists compiled by the enumerators has been extended to August 20 in the city, to August 23 in Wallace, Elma, Listowel, Ellice, Mornington and North Easthope, and to August 26 in Milverton.

The original date was Monday, August 18. The city lists had been only posted up on Wednesday, August 13, so that there would be only five days in which to examine them. Some of the lists from the rural sections have been posted up, but others are still to be posted up.

The Liberals have secured several stores about the city, where lists can be seen for the convenience of the voters.

OPEN HYDRO PLANT.

It is definitely announced today that the formal opening of the new addition to the city electric light plant will take place on August 29, and that Sir Adam Beck, chairman of the Hydro-Electric Power Commission, will be present. In the evening Sir Adam will address a public meeting in the city hall.

LABOR MAN RESIGNS.

The trades and labor council at its regular meeting accepted the resignation of President J. Semple. Mr. Semple resigned as a delegate from the machinists' union following a difference of opinion on his attitude on some matters. W. I. McGuire was selected to fill the vacancy until next meeting, when a permanent president will be named.

The vacant offices of vice-president and financial secretary were filled, T. L. Clancy being elected to the former and E. Tribeck to the latter. The council indorsed a resolution from the National Brotherhood of Operative Potters of St. John, Que., calling on the Government to establish a permanent, scientific tariff commission.

JACOB SHOEMAKER, PROMINENT LIBERAL, DIES AT KITCHENER

KITCHENER, Aug. 15.—Jacob Shoemaker, one of Kitchener's former merchants, died at his late home after a lingering illness. He was 77 years of age. He was born at Bridgeport in 1842, the son of Jacob S. Shoemaker, founder of the village, and a United Empire Loyalist. Mr. Shoemaker was for many years a member of the executive of the North Waterloo Reform Association. He is survived by ten sons and daughters: Sarah Elizabeth Shoemaker, Kitchener; James Edward Shoemaker, Ottawa; Sheldon Shoemaker, Montreal; Roland Hall Shoemaker, Vancouver Mrs. A. A. McIntyre, Waterloo; Mrs. H. Cutter, Calgary; Mrs. M. O. Mitchell, Kitchener; Mrs. A. Boehmer, Kitchener; I. L. Shoemaker, Winnipeg, and A. Lorne Shoemaker, Kitchener.

SOLVE PROBLEM.

Since January 1 permits for the erection of 70 residences have been issued by the city engineer. With the 200 houses about to be built by the Dominion Rubber System and the ordinary building activity for the balance of the year, it is estimated that Kitchener will acquire 300 new houses this year, which is the number estimated to relieve the housing situation. Officials predict that the Kitchener housing problem will be solved by 1920.

LONG MOTOR TRIP.

A. M. Meyers and family of four sons arrived in Kitchener today after making the trip by motor from Kansas City, Neb. The party was equipped with special sleeping tents and slept in the open for the entire trip. It took them four weeks to reach Kitchener. Mr. Meyer is a native of this city. The family toured the American Rockies two years ago in a similar manner.

HORSE HIT AT DUART.

DUART, Aug. 15. — A terrific thunderstorm visited this district last night accompanied by a heavy downpour of rain. Two storms, one from the east and the other from the west, met, and for a couple of hours the roar and flash were incessant. A horse, owned by J. A. Blue, was struck and killed in the field. Several trees were struck on both sides of the village. The rainfall was sufficient to save the root crop and render the ground fit for fall plowing.

"END YOUR RHEUMATISM

Like I Did Mine" — Says Pastor Reed—Wife Also Rid of Neuritis.

Suffered Tortures For Years—Now Telling Good News to Others.

"Don't Believe That Old Humbug About 'Uric Acid' Being the Cause of Rheumatism—It's Not So!"

Emphatically asserting that thousands of unfortunate sufferers have been led into taking wrong treatments under the old and false belief that "Uric Acid" causes rheumatism, Pastor H. W. Reed says:

"As do some of our highest medical authorities, I now know that 'Uric Acid' never did and never will cause rheumatism! But it took me many years to find out this truth. I learned how to get rid of my rheumatism and recover my health and strength, through reading 'The Inner Mysteries of Rheumatism,' a work written by an authority who has scientifically studied the cause and treatment of rheumatism for over twenty years. It was indeed a veritable revelation!

"I had suffered agony for years from rheumatism and associated disorders, and Mrs. Reed was tortured with the demon neuritis almost beyond endurance. We had read and talked so much about 'Uric Acid' that our minds seemed poisoned. But the 'Inner Mysteries of Rheumatism' made it all clear to us, and now we are both free from suffering and misery we endured so many years. I believe I was the hardest man in the world to convert! For me to discard the old 'Uric Acid' theory, and what I now know to be absolutely false, for the new, scientific understanding of the cause and cure of rheumatism, was like asking me to change my religious beliefs! But I did change, and it was a fortunate day for me and mine when I did so."

NOTE: The Inner Mysteries of Rheumatism referred to above by Pastor Reed lays bare facts about rheumatism and its associated disorders overlooked by doctors and scientists for centuries past. It is a work that should be in the hands of every man or woman who has the slightest symptoms of rheumatism, neuritis, lumbago or gout. Anyone who sends name and address to H. P. Clearwater, Sixteenth street, Hallowell, Maine, will receive it by mail, postage paid, and absolutely free. Send now, lest you forget the address! If not a sufferer, cut out this explanation and hand it to some afflicted friends.

FAILURE OF LOAN COMPANY HASTENED DEATH OF AYR MAN

AYR, Aug. 15.—Ayr lost one of its leading citizens today in the death of John R. Folsetter. Mr. Folsetter had been a resident of Ayr 26 years, coming here from his farm in South Dumfries to conduct a hardware business. For the last ten years he had been manager of the local branch of the Standard Reliance Mortgage Corporation, in which he was a heavy stockholder and debenture holder. The failure of this company no doubt hastened his end. The deceased had been a member of the Ayr Council for twelve years, six of which he acted as reeve. He was justice of the peace for the same period also chairman of the local patriotic committee during the war. In politics he was a staunch Liberal and was a Presbyterian.

WEDDING BELLS.

St. James' Church, London South, was the scene of a very pretty wedding last Thursday evening, when Gladys Emma, daughter of Mr. and Mrs. Albert Abbott, 43 Euclid avenue, became the bride of Mr. Bertram Wilson of Windsor.

Promptly at eight o'clock, the bride entered the church on the arm of her father to the strains of Mendelssohn's "Wedding March," played by Dr. Melville Platt. She was radiantly lovely in a blue satin suit with sand-colored embroidered vest and pretty maline hat to match. She wore a corsage bouquet of Ophelia roses, and the groom's gift, a pearl lavalier.

During the signing of the register, Dr. Platt sang "Because" in his usual finished style.

Among the beautiful gifts received by the young couple were handsome checks from the bride's father, uncles and groom's brother.

They left amid showers of good wishes for a trip to Detroit and Buffalo, and on their return trip will reside in Windsor.

Here Are Some Helpful Complexion Hints

By Lucrezia Bori, The Famous Spanish Prima Donna.

LUCREZIA BORI

The beauty, or at least the charm of your face, is more largely determined by the texture and the quality of your skin than by the shape of your features.

Nothing is quite so attractive as a clear, fresh skin. It need not be pink and white or have the thinness of a baby's skin. If it is clear and transparent, as a healthy skin always is, and free from blotches and eruptions, it cannot help being a joy.

Needless to say, diet is essential to a good complexion. Diet and exercise—the two go hand in hand in the correction of bodily imperfections. No one should be so unreasonable as to expect that she can indulge her fondness for all sorts of pastries, rich, highly spiced food and curled-up-on-the-sofa-novel reading with a box of chocolates within easy reach and at the same time possess a smooth, clear complexion.

Dieting alone will not give a good complexion. You must exercise systematically and persistently to keep your skin lovely and attractive. You must even let your reading and fancy-work go for awhile if they mean economizing on exercise.

There are some local treatments for your face that will prove beneficial to your complexion. After your face has been exposed to dust don't bathe it until you have first applied cold cream, rubbing it gently over your face and neck with the tips of your fingers. After it has been thoroughly rubbed in wipe your face and neck with a soft cloth. Let a film of cream remain for about ten minutes, and then bathe your face in warm water, using a pure soap, or you may use almond meal or one of the saponaceous powders if your face is extremely tender. Then rinse your face and neck several times in fresh, warm water and finish with a thorough rinsing in cold water to close your pores.

Careful attention to your diet and sufficient outdoor exercise should rid you of any pimples you may have. Plenty of pure drinking water and sufficient sleep are also necessary to the beauty of your complexion, and will help overcome a tendency to pimples.

If you have blackheads, wash your face at night in warm, soapy water, using a soft bristle complexion brush. Use the brush just as you would a wash cloth. Rinse your face well, first with warm water, then with cold water. A month of such treatment should effect marked improvement.

If at the end of this time you still have persistent blackheads remove them by first softening your skin with warm water and then inserting in the blackhead, the point of a fine needle which has been sterilized in a flame. After puncturing the blackhead, gently press it out and touch the spot immediately to close the pore.

If your pores are enlarged in addition to the blackheads, try this:

Bathe your face in warm water, dry it, and then apply a mixture of:

Ether .....2 ounces
Soap liniment .....2 ounces

Rub this thoroughly into your skin. After it has been on for an hour wash in soap and water and rinse well so that not a particle of soap remains on your face.

GIRLS! USE LEMONS FOR SUNBURN, TAN

Try it! Make this lemon lotion to whiten your tanned or freckled skin.

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter-pint of the best freckle, sunburn and tan lotion and complexion whitener, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands, and see how quickly the freckles, sunburn, windburn and tan disappear, and how clear, soft and white the skin becomes. Yes! It is harmless.

They're Still Soaring.

Dear Miss Grey,—Have been intending for some time to write and ask you for the famous stocking foot pattern. I kept hoping when the war would end that prices would come down, but they seem to be soaring instead, so that I would try re-footing, as I'm not fond of darning.

Will inclose, "Just Before the Battle, Mother," for "Ticky."

Someone was asking about getting her little girl to sleep alone. It was quite awhile ago, but maybe this will help someone else. My oldest girl was very nervous and I tried different ways of getting her to sleep alone. At last my husband suggested putting her crib right beside my bed and leaving the side down. Then when she would fret to come in with me, I'd just reach over and take her hand and talk to her for awhile and she was soon asleep. Now she always sleeps alone, but we still have her bed beside mine, so we can keep the covering over her easily.

It's been very hot and dry up here. The fires were all around us, but there wasn't much damage done around these parts. Do you get any letters from here?

Hoping I havn't taken too much space, will sign myself,

MOTHER OF THREE GIRLS.

Ans.—What a helpful letter! This mother of three girls certainly deserves all the benefit that may be derived from a foot pattern, and one has gone on its way to her. Some of the young mothers will welcome the suggestion for getting baby to sleep alone. Glad the fires didn't chase you. M. of T. G., for indeed it must be an awful thing to see them sweeping close. No other Boxite from your district, that I know of, so honor us again, won't you? The music is sent to "Ticky."

Announcing Engagements.

Dear Miss Grey,—(1) When one is to be married at the parsonage with only the two witnesses, is it proper, beforehand, to have the engagement announced in the home paper?

(2) In the above case, when bride wears her travelling costume, is it proper for her to wear gloves during the ceremony?

Thanking you for your kindness and help, I will sign myself,

PUZZLED.

Ans. (1) Yes, quite proper to announce the engagement several weeks before the time; or if you wish, no announcement need be made until the ceremony has taken place.

(2) Yes, quite correct for a bride to wear gloves during the ceremony.

Good Night Stories

DICKY BECOMES ACQUAINTED WITH MAMMA AND DADDY DIPPER.

One day when Dicky was out fishing he saw a little bird hover above the water, then drop to the waves and disappear. Dicky ran over to the edge of the bank nearest the spot where the bird had gone under, but not a sign of the little feathered fellow could he see.

"Oh, dear, I wish—" but Dicky got no farther, for the very object of his wish stood before him.

"Oh, Squeedee!" he cried, "I just saw a little bird fall into the water! Hurry, or I'm sure he'll drown!"

"And he hasn't come up yet?" asked Squeedee.

"Oh, no, no! And I know he'll die if you don't hurry!" exclaimed Dicky.

"Then I guess it must have been Daddy Dipper," laughed Squeedee. "He often plays pranks like that."

Then, taking Dicky's hand, he flew over the middle of the stream. The water was beautifully clear, and there on the very bottom of the stream Dicky could see Daddy Dipper walking around on the sand as big as you please. His coat that looked brown to Dicky when he lighted on the surface of the water was a beautiful silver now.

"I thought he was a brown bird! Hurry, or he'll drown!" cried Dicky.

"I should say not!" laughed the little elfin. "Daddy Dipper is in his glory when he's walking on the bottom of a stream. His coat is covered with little air bubbles, and that's what makes it shine like silver. Why Daddy and Mamma Dipper love the water so much they build their home so the only way you can get at it is to go through the water. Hello, there, Daddy Dipper, come on up a second!" he called at the top of his voice.

Daddy Dipper sailed to the surface of the water, and Squeedee introduced him to Dicky.

"Dicky thought you were going to drown, so he called on me to help you," laughed Squeedee merrily.

"Me drown?" chirped Daddy Dipper! "Well, he wouldn't think so if he lived around these mountain streams very long. But that just reminds me. Mamma Dipper's waiting for me, so come along, if you'd like, and we'll make a party of it."

Dicky and Squeedee were only too glad of the chance. They didn't wait for a second invitation, but followed Daddy Dipper through the air to the great high falls. Here, under an old dead log that had caught on a rock, Daddy and Mamma Dipper lived.

The three friends shot through the spray of water that tumbled over the stones, and found Mamma Dipper and her family of little ones glad to see them.

"Now make yourself at home, look around," laughed Daddy Dipper to Dicky, and Dicky went all over the pretty little house, the young Dipper family trotting at his heels.

The floor was of small twigs, while the sides and the roof arching over it like an oven were formed of moss, projecting so as to shelter the opening. The nest itself was lined with soft moss.

"Oh, how lovely and cool it must be to live here always!" exclaimed Dicky when he had finished his tour of the place. "Don't you just love the music of the falls?"

"Indeed we do!" replied Mamma Dipper. "Why I never have to sing the children to sleep. The water does it for me."

Dicky was sorry when Squeedee said it was time to go home, but he promised to return to visit Mamma Dipper Bird again some day, and he followed the little elfin back to his mamma's house.

DURING the last few years people have had to be content with many lines of goods that were inferior in quality to those procurable before the war.

To-day, people are demanding the better grades again. Those who from a mistaken idea of economy tried to be satisfied with common teas are coming back to Red Rose Tea. They realize that they cannot be satisfied with anything less than Red Rose Quality.

And Red Rose probably will cost them no more than common tea, because Red Rose not only tastes better—it goes farther.

Consisting chiefly of Assam teas—the richest and strongest grown—three teaspoonfuls of Red Rose goes as far as five of ordinary tea. A brewing will prove it.

Aces Score Five Runs To Win In the Ninth

London Had Lead of Four Runs in Last Frame, But Marry Weakens and Leaders Pound in the Necessary Counters.

[Special to The Advertiser.]

SAGINAW, Mich., Aug. 15.—London had a lead of four runs when Saginaw came to bat in the ninth inning today, but it wasn't enough, for the Aces clubbed Marry's offerings all over the lot, chased him to the dugout, and sent five runs across the plate. The score was 7 to 6. Two passes, two doubles, a passed ball and two singles made up the combination by which the Aces turned defeat into victory through their ninth inning rally. Big Herman Schwartje, who relieved Shriver after three innings, drove in the winning run off Schmidt, who replaced Marry after the Aces had tied the count off him.

Marry Wild at Start.

Marry, wild throughout the first three innings, steadied down in the next five and pitched hitless ball, only to fall before the wrecking crew in the final frame. Shriver was touched for six hits and three runs in the first three innings he occupied the mound. Schwartje allowed London one run in the seventh, and two more in the ninth, when Manager Stewart went in as a pinch hitter with the bases full and singled home two runners.

Saginaw scored one in the first inning on singles by Cameron and Gleich and Weinberg's sacrifice fly. London took the lead in the second on a fielder's choice, an error by Morse, a pass to Newman and Command's rap through second, scoring Hendrion and Marry.

The visitors added another tally in the third on Pittenger's single, Emery's sacrifice, Witry's single and Pike's wide throw to the plate when Pittenger and Witry tried the double steal.

Saginaw got one in the last half of the same inning on Weinberg's single, Lipp's pass and Allen's one-base clout.

Brilliant Plays Stop Runs.

For the next three innings, it was scoreless ball, with brilliant fielding plays cutting off all scoring chances, but in the seventh a single by Shay, a hit batsman, an out and a delayed steal gave London its fourth tally. The visitors completed their scoring in the ninth on a fielder's choice, a pass, Emery's single and Manager Stewart's smash to left.

Then came the big blow-up, the Aces' last-inning rally and the victory for Saginaw. Pike was safe on Shay's fumble, but was forced by Cameron. A pass to Gleich advanced Cameron, and both runners scored when Weinberg smashed a hit to the extreme left corner of the lot for two bases. Lipp followed with a double to the right field fence, and Weinberg scored, but Lipps was run down between second and third when Allen rolled one down the third baseline. A passed ball advanced Allen to second, and Wright, sent in to bat for Fletcher, walked. McDaniel's single through second scored Allen and put Wright on second, whence he tallied when Schwartje rapped one of Schmidt's curves down through shortfield.

GRAND OLD MAN OF HARNESS HORSE RACING.

EDWARD ("POP") GEERS, the veteran reinsman and trainer of trotters and pacers. Yesterday at the Belmont track he had an entry in all five events, and won two firsts, a second and a third. He is a great favorite with the crowds all down the Grand Circuit.

A FEW KITTY TOUCHERS

Probably no lawn bowler in Canada can show a better record than James S. McDougall, the well-known London Rowing Club skip. He is one of the veterans of the game, and one of the best bowlers in Canada. He has skipped a large number of trophy-winning rinks and has won innumerable prizes during his bowling career.

* * *

Local bowlers have been having a good week. W. J. Snelgrove and his Rowing Club rink won the Ontario cup in the O. B. A. at Toronto, and are strong contenders for the Butt trophy, which is being played for today. Cy. Edy's Thistle rink carried the Elliott trophy back to the Thistle Club by winning the Ingersoll tourney, and Dr. Jarvis and O. Deacon of the Elmwoods captured the Carnation trophy by winning the Scotch doubles tournament at Aylmer.

* * *

The annual tournament of the Ontario Hospital of London will be held next Wednesday. This tournament is always a popular one and the limited entry of 28 rinks brings out all the best bowlers. The prizes are excellent and this year there is no doubt that the competition for them will be the strongest in the history of the tournament.

* * *

Many out-of-town rinks have already accepted the invitations sent out and the local clubs entered will have to compete against some crack quartets. The draw will be made on Monday and published in The Advertiser.

* * *

The London Thistles Club is arranging to hold a tournament on Labor Day for the overflow from the Rowing Club tournament. The Rowing Club event is for picked rinks only and the entry is limited. The Thistle Club tournament will start at 1:30 p.m. and will be an open draw affair.

* * *

The Elmwood Club's weekly tournament was won by Skip F. Silcox's rink last night. The winning rink was composed of J. Drummond, J. Hobbs, F. Kilbourne and F. Silcox, skip. This rink won two games for a plus score of 10. The prizes were nickel-plated coffee pots.

* * *

The regular button tournament of the Elmwood Club, which is for members only, will be played next Tuesday evening, commencing at 7:30 o'clock.

* * *

The London Rowing Club will hold its regular Saturday matinee tournament this afternoon, starting at 2 o'clock sharp. Supper will be served after two games of fifteen ends each have been played. The draw for today's tourney is as follows:

MR. DUDLEY BEATS NATALIE THE GREAT FOR PENN STAKE

Big Surprise in Two-Year-Old Trotter Event at Belmont Park on Friday.

PHILADELPHIA, Pa., Aug. 15.—The Grand Circuit meeting, which was postponed by rain and a heavy track yesterday, was today resumed at Belmont track. There were several close finishes, but the time average was not high for this class of horses.

The biggest surprise of the day came in the William Penn stake for two-year-old trotters, purse $2,000, in which the Brook Farm entry, Mr. Dudley, driven by L. Brusie, beat a good field of youngsters, including the Laurel Hall Farm's Natalie the Great.

The veteran reinsman "Pop" Geers had an entry in all five events and won two firsts and finished third, second in another, the latter race being on the three heat plan. After Carmalita had taken the first heat of the 2:13 trot, and had finished second to Sam Foreman in the second Geers brought Kerrigan through the stretch with a rush and nipped Sam Foreman by a nose at the wire in the third heat. He also won the extra heat for winners in the 2:11½.

Geers' Second Winner.

Geers piloted his second winner in the $2,000 Nawbeek Stock Farm stake for three-year-old trotters, winning in straight heats with Mollie Knight, which stepped the first heat in 2:07¾.

The Bellevue-Stratford stake, purse $3,000, for 2:06 trotters, furnished the fastest time of the meeting so far, the first heat being won by Prince Loree in 2:05½. Wilkes Brewer, formerly in Tommy Murphy's stable, and recently handed over to Valentine, was driven by Hyde, and beat Royal Mac, driven by Murphy, in a close finish, in the second heat. Royal Mac was awarded the third heat in a driving finish with Wilkes Brewer in 2:05¾, but in the extra heat for winners Wilkes Brewer took the lead at the half, and won handily from Prince Loree.

MacGregor the Great won the 2:16 trot for the Bulls Head Bazaar stake of $2,000. Hollyrood Naomi finished second.

NOT A FAVORITE WON YESTERDAY AT THE CRANWOOD TRACK

Hickory Bill Walks Away With 2:19—Great Northern Has Fine Comeback.

CLEVELAND, Aug. 15.—A general upset of dope, numerous spills and the landing of several long shots kept crowd on anxious seat today at Cranwood.

Not a single favorite, and though they raced twelve heats, only two of the three races were completed the 2:11 pace going over until Saturday with four heat winners still in competition.

Great Barion was the choice in 2:19 trotting stake. Instead it was Hickory Bill that eventually annexed the major portion of the purse. He deserved to win as he trotted most consistent race of any of the starters. In winning he gave talent a woeful jolt, coming out of the field and winning in one-two-three order.

Hickory Bill won first heat in slow time. Still they failed to play him, sticking to Great Barion and King Watts.

But though that pair opened up and carried the fight Hickory Bill, it made no difference. Bill simply kept trotting, and though compelled to step five seconds faster, had no trouble in landing first at the wire.

But his win was not as big a surprise as that staged by Great Northern in 2:17 trot. True, Great Northern did not win in straight heats, and at one stage of race he seemed hopelessly beaten. But he came back and copped when practically every one conceded him beaten.

Just how big a surprise Great Northern was may be estimated by fact that he paid $86 on a $2 ticket in opening heat after he had won with surprising ease. He repeated as an easy winner in second mile, but in third mile, appeared to run down, and Cousin Watts won in a driving finish with Baroness Chelsea.

The fourth heat won by Baroness Chelsea also found Great Northern trailing and acting like a beaten trotter. But fifth mile found him coming back. Though getting away to a poor start, he overhauled and passed his rivals and kept right on, staving off their rushes and winning the heat and race by a short half length.

Cincinnati Scores Another Double Victory Over Giants

Reds Practically Cinch the National League Pennant as a Result.

NEW YORK, Aug. 15.—The New York Giants virtually were put out of the National League pennant race here today when the Cincinnati Reds defeated them in both games of a double-header, winning the series, four games out of six. Cincinnati won the first game by a score of 4 to 3, and the second game 4 to 0. The Reds, as a result of their visit, increased their lead to six and one-half games.

The crowd was one of the greatest in baseball history, and got out of the hands of the local management. It was estimated that 40,000 were in the park and at least half that many denied admission. Shortly after the game started a steel railing against which the incoming spectators were pressing, gave way, thirty persons falling twenty feet to the concrete stand below. Fifteen of the twenty-five who required medical attention were taken to hospitals. One victim was reported tonight to be dying from a fracture of the skull and internal injuries.

Police Were Required.

For the first time in years the police were called into the park. They came in after the first game, when bottles had been thrown at Cincinnati players. The crowd surged on the field and Centerfielder Roush was completely surrounded. City and special police then pushed back the crowd and after an intermission the game was finished under ground rules.

Eller's spin ball had the Giants at his mercy in the first game with the exception of the seventh inning, when New York bunched three of its six hits on him. In the fourth inning Eller lifted the ball into the left field bleachers with two men on bases. Cincinnati stopped Jesse Barnes, the New York pitching star, after he had won ten straight games. Barnes was hit hard, but with the exception of the fourth inning he held steady in the pinches.

Second Game Pitchers' Battle.

Ray Fisher, former New York American League pitcher, shut out the Giants in the second contest. It was the fifth time that New York had been shut out this season. Benton also pitched a strong game, and all of Cincinnati's hits were bunched on him in the sixth inning. The scores:

First game— R. H. E.
Cincinnati ....100 300 000— 4 11 2
New York ....100 000 200— 3 6 2

WHITE SOX PRESENT WIN TO COMISKY ON HIS 60TH BIRTHDAY

By the Help of Collins and Three Pitchers Chicago Wins.

CHICAGO, Aug. 15.—The Chicago White Sox presented Charles Comiskey, owner of the team, with a 6 to 5 victory over Boston, after eleven innings, on his 60th birthday.

John Collins' great baserunning was the big factor in Chicago's victory. Collins went in as a pinch runner for Gandil, who had doubled in the ninth inning and scored the tieing run with the aid of Risberg's sacrifice and Schalk's sacrifice fly. He was hit by a pitched ball by Jones, who replaced Hoyt in the 11th inning, and scored when Risberg doubled to right field. Hoyt pitched in fine form until the eighth, when he weakened. The score: R. H. E.
Boston ....100 100 300 00— 5 11 1

BAY CITY WOLVES TAKE TWO FROM KITCHENER

Haydon Has Finger Broken—Chaput and Gilbert Act as Umpires.

KITCHENER, Aug. 15.—Bay City took both games of today's double-header here with the Beavers, the first by a score of 4 to 2, and the second 2 to 1. The games were featured by unusual happenings. Gilbert started to pitch for Kitchener until Haydon had the small finger of his right hand broken by a foul tip. The Beavers were then without a catcher, Angus having been loaned to Bay City a few days ago. Gilbert went behind the bat, with Rose pitching, and gave a good account of himself. In the second game Argus was returned to Kitchener, and caught, with Chaput pitching.

Cook pitched the first game for Bay City and kept the hits scattered. In the second contest Laurent was in the box, allowing only three hits. Owing to the official umpire not arriving, Chaput officiated in the first game and Gilbert in the second.

SAGINAW REFUSES TO LET BAY CITY TRANSFER GAMES

Kitchener Forfeits Thursday's Game to Flint—Saginaw Makes First Objection.

[Special to The Advertiser.]

DETROIT, Aug. 15.—The transfer of one set of games in the Michigan-Ontario League, which would send Bay City to Hamilton, when the teams are scheduled on the Wolves' home lot, has been blocked by the Saginaw club.

The latter refuses consent to the switch, and insists that they be played where scheduled. It is the first objection to any of the numerous transfers proposed.

These are being made because the game is prospering in Ontario and is lagging on this side of the border.

Bay City claims the street car strike will affect its attendance so that the games would be unprofitable. Saginaw, being in the thick of a pennant fight, declines to consider this. Unanimous consent is necessary to a transfer of a series.

Notice has been sent to the Kitchener club that it subjected itself to the league rules automatic penalty for failure to have its club in Flint on Thursday, thereby forfeiting a game to the Custers.

CAN YOU AFFORD the Cost of a Cheap Tire

When You Buy a *new* car You will Find it equipped with *a standard make* of tire.

No matter how low the price of the car, it comes with tires of recognized standing.

Could lesson be plainer?

⁂ ⁂

You know there are other tires, some of them selling at a much lower price than standard tires---particularly in the 30x3½ size.

You may know also that these tires are either

"seconds"
"slightly used tires" that have been rebuilt
"inferior brands" from established tire factories
or "cheap tires" from unknown factories.

The only reason anyone could have for buying such tires is, of course, their low price.

This seems the more plausible since they are offered to the public in rather tempting style—as "cut-price" tires, implying a reduction in price—or as an opportunity to buy at the "inside price."

A bargain is implied where there is no bargain.

For, these cheaper tires are usually sold at the full regular price for "off-quality" tires.

Dismiss, then, the "bargain" idea, and consider whether the low-price tire is a good buy.

Does it give good mileage?

Does it give low tire cost-per-mile?

Does it lessen or increase the upkeep cost of your car?

⁂ ⁂

As we stated at the outset, new cars are always equipped with accepted makes of tires.

You must admit that an automobile maker can buy tires scientifically. He has the means and experience to test and judge tires.

Admit also that if there is any "inside" information or any "inside price" he of all men must be able to get it.

Also, that if he could conscientiously save a few dollars per tire, he could add hundreds of thousands of dollars to his yearly profit.

He does not equip with low-price tires.

He does equip with higher-priced tires of standard make.

He will not send his new cars out on tires of uncertain value.

He will not allow his cars to gain a reputation for "being hard on tires."

He *knows* that the *cost of upkeep will be low* if the car runs on quality tires.

He cannot afford to gamble on a cheap tire.

And if he can't,

—CAN YOU?

"THROUGH THE WRONG DOOR," A PHOTODRAMA OF THRILLS, LOVE, SPEED AND ADVENTURE

Madge Kennedy, the Versatile and Popular Screen Star, Appearing at the Majestic on Thursday, Friday and Saturday Next.

In Madge Kennedy's newest picture, "Through the Wrong Door," a picturization of the novel by Jesse Lynch Williams, published as a serial in Collier's Weekly, the popular star is given many opportunities to display her many and varied talents under the most unusual circumstances. The picture, which comes to the Majestic on Thursday, Friday and Saturday next, tells the adventures of a rich man's daughter on her long and lonely search for the man she knew was waiting for her somewhere.

Miss Kennedy has a chance to show her early western training, and to disclose her native love of adventure for its own sake. In the course of the story, she is compelled to descend an abandoned mine, be chased up a tree by a supposedly tame bear (which couldn't see the joke and decided that Miss Kennedy was legitimate prey) and finally to permit herself to be blown by a wind and rainstorm through the wrong door into the wrong house, and there meet a man whom she at first thought was the wrong man. As the story shifts from the West back to the elaborate homes of Fifth avenue in New York, Miss Kennedy finds herself at home in the luxurious surroundings which wealth and position afford, and her radiant beauty and lovable personality find a background for the adequate expression of her incomparable charms.

It's a comedy-drama with a surprise every second. You can't guess what's going to happen next, and you're always filled with delightful anticipation of what's coming, and pleasure at what's happening.

ROMANCE, ADVENTURE AND COMEDY ABOUND IN "A SPORTING CHANCE" AT MAJESTIC ON MON., TUES., WED.

Ethel Clayton and Jack Holt Co-Starring in Their Greatest and Latest Success—Beautiful Settings in Photoplay Feature at Popular Theatre—Other Attractions.

Your happiness will positively be increased one hundred per cent when you have seen the romantic adventurous comedy-drama, "A Sporting Chance," in which Jack Holt and Ethel Clayton are co-starred at the Majestic Monday, Tuesday and Wednesday.

Do you believe in acting on impulses? Carey Brent did—and for a long time she was considerably worried as to whether she had done the right thing.

Carey needed a chauffeur very badly. Her own chauffeur, peeved at something—quit. And Carey could run a machine all right, but when it came to changing a tire—oh, but she wished for a man to help her.

One came along and offered to. And she let him in spite of the fact that she believed him to be a convict of whom she had read. Then she gave him the chauffeur's job. And when she read in the papers that "Harry, the Duke," had escaped from jail, she wondered a good bit about her duty.

But she didn't give him up. That would have been giving up her faith, too. But she didn't know——

Oh, we envy you for not having seen this yet, we know what the joy of it will mean to you.

The delight you will realize from the beautiful settings, the laughter you will have over the exceptional comedy, the romantic longings you will experience when you follow the adventures of Carey (Ethel Clayton) during her process of reforming Harry the Duke (Jack Holt).

Many Extra Attractions.

Among the many extra attractions of the Monday, Tuesday and Wednesday program at the Majestic will be a splendid comedy by Harold Lloyd Babe Daniels and Harry Pollard, entitled "Never Touched Me." BEAUTIFUL BATHING GIRLS LEAD CHARLIE A MERRY CHASE

Mack Sennett Comedy Showing at Majestic Next Thur., Friday and Saturday

Warning, if you must flirt, don't leave your sweetheart's photos around where wifey can reach them easily. That's what happened to Charles Murray in "Trying to Get Along," Mack Sennett's new beautiful comedy of the seashore, which is shown as an extra added attraction at the Majestic next Thursday, Friday and Saturday. Charlie kept a restaurant near a famous bathing beach, but Charlie attended more to the beautiful bathing girls than to business, and wifey got suspicious. So Charlie led a hot time for a while trying to get along with both parties. But beautiful Charlotte, proved false, charming Harriet was unfaithful, and Kala Pasha, America's champion whisker grower, took a hand in the game himself. If you're a lover of nature, there's lots of it here. If you are an admirer of beauty, there's even more beauty than nature, and if you ever thought of eloping with some beautiful summer girl, don't do it—at least until you have seen Charlie's fate.

Take a trip around the world. It will only take about twenty-five minutes or half an hour. You'll see what's happening in Great Britain, admire the scenic beauties of South America, adore the relics of Italy and Sunny Spain and finish with a cross continent run over America. How? By simply enjoying the interesting news films, the beautiful scenic pictures, and the Canadian topical industrial and educational weeklies which are shown each week at the Majestic.

The overtures which the Majestic orchestra has been playing for its patrons are regular little gems of delightful melody. The violin solos of last week by Mr. Tirri, the leader, were especially liked, and each new overture as it is presented seems to bring more encores than the preceding ones.

Who should greet her but a swell young chap, with blue eyes, hair that waved and—a revolver in his hand!

STRATFORD TO BE SCENE OF REUNION OF 34TH BATTALION

GALT, Aug. 15.—Capt. J. N. MacRae, M.C., formerly adjutant of the 34th Battalion, announced today that the 34th Battalion reunion would be held in Stratford on September 6, and not in Guelph, as originally planned. When the mayor of Stratford sent an invitation to have the event held in the Classic City it was accepted, in view of the fact that one of the most memorable events in the unit's history was its three-days' hike from Carling Heights, London, to Stratford, where the men received a welcome they never forgot, and also were presented with an automobile and two field kitchens for the unit.

Arrangements for the big event are now being made by a committee, of which Major T. R. Coleman, D.S.O., of this city, who enlisted with the 34th, took its first draft overseas, and became second in command of the 1st Battalion.

The Man Who Banished Corns

Blue-jay was invented by a scientist of distinction. By a man whose lifetime has been spent in the study of surgical dressings.

This is a master's method—correct, complete and efficient. And the millions of people who know it, never think of enduring a corn.

All in One

The first step is to stop the pain. This is done by removing all pressure—by the soft protecting ring marked A.

The next step is to gently cause the corn to disappear.

This is done by the remarkable B & B Wax, which no corn can resist.

This bit of wax—marked B—is centered on the corn. It cannot spread. So, unlike old-time methods, it acts on the corn alone.

C is rubber-coated adhesive. This snugly wraps the application, protecting everything.

You apply this Blue-jay in a jiffy. The corn pain stops at once. The wrapping is comfortable and you forget it.

In two days you remove it and the corn can be lifted out. Only rare corns need a second application.

This is the scientific way, the easy, sure and right way to end corns. You will never return to any wrong method when you try a Blue-jay once.

Try it tonight.

[Special to The Advertiser.]

CHATHAM, Aug. 15.—Tom Roszell is in a critical condition at his home, 41 Emma street, suffering from injuries sustained in an accident this morning, when his motorcycle collided with an automobile, driver by Mr. Tuck. His leg was broken in two places. He also sustained injuries to his head, and was bleeding from one ear when picked up. The collision occurred at the corner of Grand avenue and Louise street.

INJURIES FATAL.

Alex. Grazezen, a foreigner, in the employ of the Dominion Sugar Company, died in St. Joseph's Hospital as a result of injuries sustained yesterday while at work at the Wallaceburg plant of the company. Grazezen was caught in a mixer. His leg was broken in three places and, in addition, he sustained ugly wounds to his head and neck. It is reported that Grazezen was in the act of cleaning out the mixer when another employee, unaware of his whereabouts, started the machinery. An inquest has been ordered.

ON WAY TO LONDON.

Looking the picture of health, 50 boys, members of the Cleveland Y. M. C. A., arrived in the city today on a long hike from Windsor to London, following the lake shore and the River Thames. The boys are preceded by a big motor truck carrying their camping equipment. They average twenty miles a day, though there is no time limit for their hike, the boys stopping at convenient places.

MARKET BYLAW.

James Jenkins paid a fine of $1 and costs in the city police court this morning on a charge of purchasing articles on the market for re-sale before the hour of 10 o'clock, which is contrary to bylaw.

PICKPOCKET AT WORK.

Complaints have been made of activities of pickpockets in the city. One man is reported to have been relieved of a sum of $70, while another is minus $30.

TO DRILL WELLS.

The board of education is considering a plan for drilling wells at all public schools in order to provide the pupils with a supply of pure water, in view of the variable quality of the city water.

BARGAINS IN STOCK.

BERT LYTELL IN "ONE THING AT A TIME O'DAY" SHOWING AT GRAND FIRST HALF NEXT WEEK

Starring in Metro Comedy Film—Anita Stewart Features "Human Desire" Thursday, Friday and Saturday.

Bert Lytell, who, Monday, Tuesday and Wednesday, appears at the Grand in "One Thing At a Time O'Day," a Metro comedy of circus life with a great heart appeal and a thrilling romance, is a clever actor and puts so much personality into his playing that he creates a favorable impression at once. He is an all-round athlete and indeed, was at one time a star on the Upper Canada College football team.

As the hero in his new feature film, one thing at a time was O'Day's motto and how he stuck to it is worth while talking about. Stradivarious O'Day is a deep thinker and determined. O'Day sees and falls in love with Marie, the bare-back rider of the circus, and determines to marry her. To accomplish this he determines to make a special study of love—he has never been in love before. He encounters the enmity of the strong man, who is also in love with Marie, but study in the art of conquering the enemy aids him in vanquishing his foe. His attention is next turned to saving the circus from bankruptcy, but having made a special study of saving money this is not a hard matter. When he focusses his attention on love, however, he finds that study is not necessary, as Marie already loves him. The play is one of Mr. Lytell's cleverest, and offers many novel and unusual situations filled with humor. Among the cast are Eileen Percy, Joseph Kilgour, Jules Henfy, J. Carrol, Bull Montana and Fred Heck. "One Thing At a Time O'Day" is another Saturday Evening Post Story, both the star and the publication are the favorites of millions."

Douglas Fairbanks, who will appear at the Grand shortly in "One of the Blood," his first United Artists' Production.

ANITA STEWART IN A NEW FILM THURSDAY, FRIDAY AND SATURDAY

How a patient man's love may be killed by a woman who is too cold, and how after he may find his idea in a child of warm, impulsive Italy, is told in "Human Desire," in which Anita Stewart is starred at the Grand next Thursday, Friday and Saturday. The scenes of the picture are laid in Italy, and in and around New York City.

Miss Stewart has the part of a little Italian girl who has been brought up in a convent. She has never seen a real baby, yet she loves babies more than anything else in the world, and daily brings lilies which she lays in the arms of the Frampinii Madonna, which stands in the convent, where she lives.

Two American women come there, and she asks them if there are real babies in the world. They tell her that there are lots of them in America, and that some of them are cold and hungry. This touches the heart of Bernice, the Italian girl, and she decides that she will go to America, and comfort the cold, hungry babies. So, after a great storm which breaks open the front door of the convent, she escapes and starts for America, finally reaching her destination.

Wandering, she comes presently to Washington Square, the centre of the famous artists' colony, where she is found on a doorstep by an artist, who is the husband of one of the women who came into the Italian convent. He and his wife are estranged, the wife having gone to Italy to think over a permanent separation. The Italian girl becomes the model of the artist, who needs a model with a deep mother instinct to pose as the Madonna. Later the wife appears, during the absence of the artist, and the Italian girl is turned into the street. She is crushed with the thought that the man who made her love him is married, for she does not understand that he is seeking a divorce from his wife, who will not allow him to obtain one. Later, after many troubles, Bernice learns that the artist is seeking her, for his love for her is deep and sincere. The death of the wife finally paves the way to reconciliation between the artist and the little Italian girl.

ST. THOMAS CITIZENS' CLAIM PROFITEERS ON RAMPAGE THERE

Latest Now Is a Demand for Civic Ice Plant by Residents.

ST. THOMAS, Aug. 15.—"We don't need to run all over the country or even look in the bigger centres for profiteers, for we have them right here in St. Thomas," declared one citizen to The Advertiser tonight. He was discussing the ice situation here, and judging by statements heard on all sides there must be either a sudden drop in the price of ice or the taxpayer will demand that a civic ice plant be started at an early date.

The trades and labor council some weeks ago made a thorough investigation of the possibilities of a civic ice plant, and they obtained a lot of valuable information on the subject. As soon as this was made public, it brought a considerable amount of discussion from the local ice vendors as to whether St. Thomas requires such a plant or not. The local organ expressed its views a few days ago by stating that after making a thorough investigation of local conditions they had discovered that owing to the scarcity of ice this year the present high prices charged are not at all excessive.

The people of this city, however, are literally up in arms to think that an article should be sold at such exorbitant prices merely because it has become scarce. There are hundreds of homes without ice because of the high prices charged, while others are unable to get the amount they require owing to a scarcity, yet the merchants handling the product urge the people not to think of a civic ice plant. Artificial ice sold early in the season at $1.50 per ton. Later it went up to $4 per ton, but the retail price has remained at from $15 up to $18 per ton.

The question of a civic ice plant will, however, be brought up at the meeting of the finance committee in a week or so, and a delegation of trades and labor representatives will be present to see that the people are given an opportunity of voting on the project. Ice could, it is stated, be manufactured in a civic plant at about 90 cents per ton, and the taxpayer has no doubt but that even with a little heavier taxation he would still have a long way to go before ice manufactured at this cost would reach $18 per ton, the price he now has to pay.

MAYOR AND OTHERS PEEVED.

Mayor Horton and other prominent citizens are very much annoyed to ehink that His Royal Highness the Prince of Wales is visiting Chatham, Galt and other small centres, and is spending a couple of days in London, yet has passed this city by entirely. The mayor expressed himself the other night as very much surprised that St. Thomas should be left out of the itinerary. "I don't think it is at all fair," he stated.

TO PAY $3 PER WEEK.

Lloyd Worden, a former Malahide man, appeared this afternoon before the county magistrate on a charge of non-support. The evidence showed that Worden had left his wife some time ago without provocation and without providing any means for her support. He was ordered to pay $3 per week as well as to settle the costs of court. The case has been standing for some time. County Magistrate Hunt gave the accused a scathing lecture.

RAILWAY CITY PERSONALS.

T. G. M. Jamieson, local C. P. R. agent, is in Montreal on business.

Mr. and Mrs. William Cox and family will spend the week-end in Detroit.

Mr. and Mrs. W. Wilson of Detroit have returned to their home there.

Miss Verona Tucker is visiting in Toronto and Hamilton.

FEUDISTS KILL MAN; USE SAWED-OFF SHOTGUNS ON THEIR VICTIM

DETROIT, Aug. 15.—Four Italians lay in wait in an empty building on Second street, Ford City, at 6 o'clock tonight, and when Joseph Cerola, aged 30, passed on his way home from work, four sawed-off shotguns opened fire simultaneously. Scrola fell dead, his body literally riddled with lead.

The feudists leaped into an automobile waiting nearby and escaped. This is the fourth murder inside Detroit city limits so far this week.

Quoiters Holding Another Tourney at Ground Today

Are Anxious to Have All Local Exponents of the Game Come and Play.

Local quoiters will gather at the King street grounds this afternoon and engage in a tournament which will commence at 2 o'clock sharp. All quoiters in the city are cordially invited to attend and join in the games. The local club is endeavoring to get acquainted with any new exponents of the game who are in the city and would also like to get a match on with the military men who are planning a quoiting tournament.

Pitt, the Buffalo champion quoiter, may come to London shortly to engage in a series of matches with George Bolton. These two played a challenge match two or three years ago, which attracted a lot of attention in local quoit circles, and it is expected that keen interest will be taken in the next meeting.

HAMILTON SHUTS OUT BATTLE CREEK CUSTERS

Morrissette Wins His Sixth Straight Victory for Shag's Tigers.

HAMILTON, Aug. 15.—It took Hamilton just one hour and eighteen minutes to defeat Battle Creek today, the game being by far the fastest game played here this season. It was an airtight game on the part of both teams up to the seventh, when three hits and a walk resulted in two runs for the Tigers, and three hits and a sacrifice fly gained them two more in the eighth. Morrissette registered his sixth straight victory for Hamilton, allowing the Custers but four scattered hits and no runs and walking but one man.

The game was featured by snappy fielding on the part of both teams, the Custers' infield doing some specially brilliant work. The score:

BETS LAID IN TORONTO THAT SIR HENRY DRAYTON CANNOT SECURE A SEAT IN ONTARIO

Difficulty of Securing Election of New Ministers Is Wreaking Havoc With Government's Program of Cabinet Reconstruction.

OTTAWA, Aug. 15.—The Government's Cabinet reconstruction program has stuck hopelessly on the rocks of political misadventure. Two new ministers have been appointed and neither yet knows where or when he shall secure election. Dr. Tolmie will likely try again in Victoria, but Sir Henry Drayton is still casting wistful eyes over Ontario to find a seat where he would have any chance of being returned, and the Government has apparently decided that it is no use bringing in any more new ministers, even could they induce any men to join them until they have elected the two they have appointed.

It is stated that bets are being freely laid in the Albany Club, Toronto, that Sir Henry cannot be elected in any seat in Ontario. North Toronto had been picked out for him, and Sir George Foster was to retire and let him run there, but until North Toronto becomes safer for a Unionist than it at present appears, Sir George will remain minister of trade and commerce. A bird in the hand is worth two in the bush represents the Government's present view of the situation.

Growing Agitation.

The growing agitation for a straight Conservative convention which has arisen in Toronto with regard to provincial politics, threatens, the Government fears, to have a serious effect on federal politics, and Sir Henry Drayton's chances of being opposed by a straight Conservative candidate in any seat where he may run are excellent, indeed.

There are several reasons why the Government's program of reconstruction has been held up. In the first place it is hard to get men to sign on for service on a ship which shows signs of rapid disintegration. Sir Douglas Hasen was to have succeeded Hon. F. B. Carvell, but Sir Douglas, after viewing the situation close up, concluded a permanent position as chief justice of New Brunswick was preferable to the fleeting and doubtful glory of a position in the Borden cabinet.

Sir Henry Drayton is probably now wondering what sort of mental aberration was responsible for his rash decision to throw up a safe and honorable position for the questionable and transitory position of minister of finance in a bankrupt government.

A further reason why the program has been held up is the almost utter impossibility of finding a safe seat for by-election in any part of the Dominion.

In the meantime the program for the coming session is still in a nebulous condition.

CRAVATH AND COBB ARE LEADING BATTERS IN BIG LEAGUES

Jim Thorpe Dethroned by Philadelphia Player — Detroit Star 14 Points in Lead.

Chicago, Aug. 16.—Jim Thorpe, the Indian outfielder of the Boston Braves, has relinquished the batting leadership of the National League, according to averages released today and which include games of last Wednesday. He has dropped to second place, with an average of .348. Gavy Cravath, Philadelphia, former league leader, who was dethroned early in July by the Indian, has again advanced to the head of the list with a mark of .351. The number of .300 hitters is gradually dwindling, the list being cut to thirteen. Benny Kauff, New York, and Cravath are sharing home-run honors, with nine circuit drives for each. Cutshaw, Pittsburg, continued to show the way to the base stealers with 29 thefts. Other leading batters of the National League, who participated in forty or more games are: McHenry, St. Louis, .330; Roush, Cincinnati, .323; Z. Wheat, Brooklyn, .318; Hornsby, St. Louis, .316; Myers, Brooklyn, .308; Doyle, New York, .306; Barbare, Pittsburg, .303; Stock, St. Louis, .302; Holke, Boston, .300; Clemens, St. Louis, .300.

Ty Cobb, Detroit's star, increased his lead among the American League batters during the past week, and now is fourteen points in front of the runners-up—Veach, a teammate, and Sisler of St. Louis, who are tied for second place, with .371. Sisler is out in front among the base stealers, with 24 stolen sacks to his credit. Ruth, Boston, seems unable to increase his home-run total, which remains at sixteen.

Other leading batters in the American League for forty or more games: Peckinpaugh, New York, .340; Jacobson, St. Louis, .338; Jackson, Chicago, .331; Rice, Washington, .322; Heilman, Detroit, .322; Flagstead, Detroit, .322; Fewster, New York, .322; Ruth, Boston, .311; Chapman, Cleveland, .311.

THIRTEEN CITIES AND TOWNS ARE TIED UP BY SUBURBAN RY. STRIKE

EAST ST. LOUIS, Ill., Aug. 15.—Motormen and conductors of the East St. Louis and Suburban Railway Company and subsidiary lines went on strike today, tying up street car service in thirteen nearby cities and towns.

WALK-OUT IN PITTSBURG.

PITTSBURG, Aug. 15.—For the second time in less than four months Pittsburg found itself in the grip of a street car strike today. Trolley traffic ceased at midnight last night, when a strike of 3,000 motormen and conductors of the Pittsburg Railway Company went into effect. The carmen declare they will remain idle until the company yields to their demands for a 12-cent an hour increase in wages, while the railway avers that it will abide by the recent decision of the war board, granting the men an increase of slightly more than 5 cents an hour.

Normal Entrance Results Will Be Ready August 22

TORONTO, Aug. 15.—Announcement is made by the department of education that the results of the examinations for entrance to the normal schools and the faculties of education will be published on or about August 22. The lateness of the publication of the results is due to the fact that the examinations were deferred this year to allow the schools to make up part of the time lost during the influenza epidemic.

As the provincial model schools open on August 18, those of the candidates at the above examinations who may desire to enter a model school should not wait for the publication of the results, it is pointed out by the department, but should make immediate application for admission to the deputy minister of education on forms which may be obtained from him. Dr. Cody has arranged that these applications be dealt with immediately upon receipt of same and that allowance be made for late admission where necessary.

ENGLAND NEEDS MANY MILLION BUSHELS WHEAT

Crop Eight Per Cent Below Normal—Look to America to Help.

OTHER COUNTRIES ALSO

Immense Quantities Required by France, Italy and Germany.

LONDON, Aug. 15.—England will require 35,000,000 to 50,000,000 bushels of wheat from America in the next six months, officials of the board of agriculture estimated yesterday.

The August crop forecast issued today shows the condition of England's crop is 8 per cent under normal and 12 per cent under the condition for the same time in 1918. The report adds:

"Wheat is the best of the three grain crops, but by no means up to the average. Oats show poor promises and potatoes are far below the average."

Imports Jump Higher.

The report of food imports shows that in the seven months ended July 31, Great Britain imported from America 39,967,000 bushels of wheat, compared with only 15,799,000 the same time last year. The shortage in shipping was partially responsible for the low imports then.

Imports of Argentine wheat in the last seven months were only 1,852,000 bushels or one-seventh that amount imported for the same period last year.

And More Is Needed.

"We will need as much if not more American wheat in the next six months as we imported during the last six," an official of the bureau of agriculture said. "We may have to get more, if shipping is available. However, the food restrictions that will be put into effect through the winter may reduce our needs somewhat."

FRANCE WANTS 30,000,000.

PARIS, Aug. 15.—France continues to be threatened with a wheat famine at the end of August unless vast supplies are imported from America.

The principal difficulty is shipping, of which the French Government today finds itself woefully short.

Approximately 30,000,000 bushels of wheat are needed to tide France over until harvest.

ITALY HARD UP, TOO.

ROME, Aug. 15.—Italy, in the face of unfavorable crops, is looking to America, Australia, South America and Canada for millions of tons of grain this year. It is estimated that approximately 100,000,000 bushels of wheat will be required from America.

GERMANY'S NEEDS.

BERLIN, Aug. 15.—In the face of incomplete estimates, German officials says the country will require about 10,000,000 tons of wheat, corn and barley from America this year.

In additions to 500,000 tons of oil seeds, bran and oil cakes are expected from America.

Germany, officials say, could get along with 2,000,000 tons of wheat and 500,000 tons of corn, but hopes for the larger figure, so as to have a surplus for stock raising and save the necessity of importing meat.

TUTORIAL CLASSES FOR MEDICINE GRADUATES WHO SERVED OVERSEAS

TORONTO, Aug. 15.—Tutorial classes for men who graduated in medicine just previous to going overseas commenced yesterday at the University of Toronto. Up to date, there have been few registrations, but more are expected during the next week.

The classes will continue for six weeks, and the idea is to brush the men up on the branches of their profession in which they had little or no experience when overseas. The men will be allowed to choose what subjects they wish to work on.

Dr. Andrew Hunter, formerly head of the department of chemical pathology, has been appointed head of the department of biochemistry, to succeed Professor T. Brailsford Robertson, who at the end of the year resigned to return to Australia. The successor to Dr. Hunter has not yet been announced.

HURONIC IS RELEASED FROM ROCKS AFTER PASSENGERS REMOVED

Only Calm Seas Prevented Disaster, Declare Officials.

PORT ARTHUR, Ont., Aug. 15.—The Northern Navigation Company's steamer Huronic has been released from the rocks of Angus Island, and is in port for a survey of damages, preliminary to repairs. The company would permit no attempt to move the steamer from the rocks until the passengers, 170 in number, had been put safely aboard the Hamonic, which brought them to Port Arthur. That done, tugs pulled on the Huronic, and with the assistance of her own power she was easily released. She came slowly into port in order to prevent any damage from water pressure, and arrived this evening.

JOTTINGS FROM HERE AND THERE

Secretary of United Farmers of Ontario, speaking at Toronto, says embargo on hides will hit farmers without lowering shoe prices.

Charles Hugh Wilson, who confessed in New York to marrying eight women in nineteen years was sentenced to three years in Sing Sing. He said he would "swear off" in future.

A courier has reached Budapest with a letter from Emperor Charles, saying he is still king of Hungary.

William Treble, assistant cashier of a bank in Lorain, Ohio, stole $100,000 and escaped to Texas in an aeroplane.

Professor Irving Fisher of Yale University tells United States Electric Railway Commission that flood of gold bullion into States prior to war caused prices to jump.

New York quarantine officers who boarded a flea-ridden schooner fled ashore for a disinfected bath.

G. B. Johnston, formerly Canadian trade commissioner at Yokohama, Japan, has left for Rio de Janeiro, Brazil, to establish a Canadian office there.

TORONTO, Aug. 15.—Arthur E. O'Leary, former president of the district trades council, has entered action at Osgoode Hall against James Simpson, claiming $10,000 damages for alleged libel, when the latter, at a recent meeting at the Labor Temple, charged the promoters of the Labor Leader as being traitors to the cause of organized labor, and that they had accepted money for their paper from members of the Manufacturers' Association.

ANTI-HOARDING CAMPAIGN GOES MERRILY ALONG

Searching in Washington for $50,000,000 of Hoarded Food.

ACTIVITY ELSEWHERE

Ohio Governor Asks for the Seizure of 2,420,000 Pounds of Meats.

WASHINGTON, Aug. 15.—Close co-operation between state authorities, who possess detailed information of food and price conditions, and the attorney-general and his staff of assistants, empowered to enforce the food control law, is being established as part of the Government's fight to reduce the cost of living.

Instructions went out today from Attorney-General Palmer to the two district attorneys in Ohio to proceed immediately to assist Governor Cox in the seizure of large quantities of meat, butter and eggs, alleged to have been held in storage in that state for more than six to ten months, the legal limits. Criminal prosecutions will be instituted, it was said, if it can be shown that the foods were held from the market for the purpose of boosting prices. Officials here were inclined to think that the long period of storage indicated some other reason than an effort to spread the abundant supplies of a producing season over the lean part of the year.

Summary Action.

Acting on a telegram late today from Governor Cox, saying that a Cleveland concern, in order to escape possible prosecution for hoarding, was moving its meat products to warehouses in Chicago, and destroying records, the department of justice ordered the district attorney at Cleveland to look into the matter immediately. All attempts to effect transfer of goods in storage, officials said, would be summarily dealt with.

Seizure of large stocks of foodstuffs in storage continued today, with reports received of libels filed in Cleveland and Detroit, and preparations for such action in many cities. The department was informed tonight that the district attorney of Detroit had filed libels in three cases and seized approximately 10,460,000 eggs and 200,000 pounds of butter, all of which had been held in storage for some time.

WASHINGTON, Aug. 15.—Search for owners of more than $50,000,000 worth of food hoarded in New York City is being made today by the federal trade commission and the United States district attorney, it was learned here.

ASKS MEAT SEIZED.

COLUMBUS, Ohio, Aug. 15.—Governor Cox of Ohio today asked United States Attorney-General Palmer to seize 2,420,000 pounds of meats stored in Ohio by several big Chicago packers, on the charges of "wilful violation and even defiance of the law."

DRIVE ON MILK PRICES.

NEW YORK, Aug. 15.—With federal agents searching for millions of dollars worth of food alleged to be hoarded here, the state today began a drive against high milk prices.

VOTE ON AMENDMENT.

WASHINGTON, Aug. 15.—The state agricultural committee planned today to vote on Attorney-General Palmer's proposed amendments to make the war-time food control act more sweeping.

This legislation has met with opposition in the agricultural committee, and several senators, led by Smith, South Carolina, and other Democratic members, have resisted the attorney-general's recommendations.

General Currie To Have Pick of Any Militia Position

OTTAWA, Aug. 15.—The Evening Citizen says:

Gen. Sir Arthur Currie, who returns to Ottawa on Monday, will have the pick of any position in the militia department he desires. Probably he will be made inspector-general of the forces in Canada. Heretofore there have been two inspectors, Gen. John Hughes in Western Canada, and Gen. F. L. Lessard in the east. These positions were quietly abolished some time ago and the officers pensioned, so a vacancy exists. It is probable that the salary will be made equivalent to that of both the former positions.

FLORENCE REED IN "HER CODE OF HONOR" AT THE PATRICIA

Powerful Photodrama Showing on Thursday, Friday and Saturday Next.

The silent drama is in many details a greater art than the spoken drama, according to Florence Reed, versatile actress and movie star.

"On the stage," says Miss Reed, "the lights, the music and the audience spur the actor to artistic effort. There is nothing of the kind for screen artists. In the theatre the voice can suggest pathos, can play on the emotion, but not in the pictures.

"On the screen," continues Miss Reed, "the expression, the eyes, the lips and the hands must all be utilized to put over the convincing character. You have seen many characters on the screen who are at a loss what to do with their hands. You have seen other characters on the screen who round out a part by a significant gesture. That is true art. Devoid of the theatrical atmosphere, lights, music and audience; forbidden the use of the appealing voice inflection; the movie actor nevertheless must enact his part in a realistic manner, and does so."

Florence Reed applies these principles to her own acting. She is well qualified by her success both on stage and screen to speak authoritatively. She knows of what she speaks. In her latest success, "Her Code of Honor," this popular emotional star will be seen at the Patricia next Thursday, Friday and Saturday.

MAJOR G. N. WEEKES OFFICIALLY VACATES HIS ARMY APPOINTMENT

Major G. N. Weekes, formerly a captain of the Corps of Guides, has officially vacated his appointment of district intelligence officer, and his duties will be temporarily assumed by Capt. A. W. McNally, C. E. F., formerly attached to the 32nd Regiment. The district orders today also contain a paragraph regarding the departure of Major J. Johnston from the position as deputy assistant director of medical services (sanitation) of the district, and of Lieut.-Col. R. W. Bishop of the Canadian Engineers, from the position as acting commander of the Royal Canadian Engineers. Col. Bishop is a brother of the famous airman, Col. "Billie" Bishop.

State Police Called When Strikers and Non-Union Clash

BUTLER, Pa., Aug. 15.—A troop of state police arrived here this morning and was placed on guard at the plant of the Standard Steel Car Company, which was the scene of rioting early today between several thousand striking shopmen and 500 non-union workers. The strikers attacked the non-union men with clubs as they were about to enter the plant. A dozen persons were injured, and the situation soon got beyond control of the local police and deputies who were on guard at the plant, where the strike has been in progress ten days, and the constabulary was summoned to prevent further trouble.

Upon the arrival of the state police the strikers withdrew from the zone surrounding the plant, but feeling was said to be running high. Up to noon, however, there had been no new outbreaks.
