NAVY A SIGN OF Waning GERMAN MORALE

Revolt on German Warships One of Most Significant Events of the War

ALLIES BARRAGING IN RAIN AND MUD REPEL GERMAN ATTACKS

BRITISH AND FRENCH RETAIN GRIP UPON GROUND GAINED

Allies Forced to Fight Weather as Well as Enemy, But Fruits of Victory Are Virtually All Held--More Than Two Thousand Germans Taken Prisoner.

London, Oct. 10.—The official communication issued by the British war office tonight says:
In the course of the day hostile attacks against our new positions in the neighborhood of the Ypres-Staden railway led to local fighting, but without effecting any material change in the situation. No further attacks have been made by the enemy, and our troops on the battle front have been actively engaged in organizing the positions captured yesterday, in spite of the great difficulties arising from the state of the ground. The artillery action continued on both sides.

House, where heavy fighting occurred. These fortifications were rushed by the guards and forced to capitulate after a hand-to-hand conflict.
The Germans delivered heavy counter-attacks at the junction of the British and French armies early in the day, but the allied artillery caught the attacking troops and smashed the attack.

STILL HAGGLE OVER TERMS OF COALITION

Negotiations for a Union Government Are Still in Progress, But There is Nothing Definite to Report Yet.

By a Staff Reporter.
(Ottawa, Oct. 10.—Another day of negotiations has ended without any definite agreement between Sir Robert Borden and the western Liberals upon the subject of union government. The negotiations, however, are by no means broken off. Indeed it is expected they will embrace a somewhat wider sphere tomorrow and that the eastern as well as the western Liberals will be frankly consulted.

BRITAIN LOSES SIXTEEN SHIPS IN PAST WEEK

Fourteen Merchantmen Sunk Are of More Than Sixteen Hundred Tons.

London, Oct. 10.—British merchant vessels over 1600 tons sunk by mine or submarine in the past week number 14, according to the official statement of the British admiralty tonight. Three vessels under 1600 tons and three fishing vessels also were sunk. The summary follows:
Arrivals, 2519; sailings, 2632.
British merchant vessels over 1600 tons sunk by mine or submarine, including one previously, 14; under 1600 tons, including one previously, 2.

STREET CLEANERS RETURN TO WORK

Agreement Made With Controllers for Board of Arbitration.

The street cleaners' strike was adjourned yesterday afternoon at a meeting of the men's committee, representatives of the foremen and the board of control. The men will return to work this morning after having been on strike for a period of ten days in protest against the changes in the department and the rules under which the street cleaning department is conducted.

VIADUCT COMPLETED BY NOVEMBER FIRST

Both Don and Rosedale Sections to Be Handed Over on That Date.
REPORT OF PROGRESS
Works Commissioner Says He Will Require Whole Appropriation.

Should no unforeseen circumstances arise, both the Don and the Rosedale sections of the Bloor street viaduct will be completed and handed over to the city by November 1. This was the information handed out to The World yesterday by T. T. Black, the engineer in charge for the contractors, Messrs. Quinlan and Robertson. The Rosedale section is now practically completed, and on the Don section, all that now remains to be done by the contractors is a small piece of painting and cleaning one or two of the piers.

LOSS SLIGHTLY LARGER INCREASE OF THREE VESSELS OVER TOTAL FOR THE PREVIOUS WEEK.

The above report shows an increase of three vessels of more than 1600 tons over the admiralty's weekly report of last week, but the figures are the same as those of the previous week with regard to vessels in the smaller category.

NAVAL MUTINY SHOWS POWER OF SOCIALISTS

Papers Discovered Showing German Mutineers Were Pledged to Socialism.

London, Oct. 10.—A Reuter despatch from Amsterdam says advice received there from Berlin are to the effect that Chancellor Michaelis declared the punishments inflicted on the men at Wilhelmshaven were not unjust, papers found on them indicating that they had bound themselves to recognize the principles of the independent Socialists and proving that that party had carried on an extensive agitation in the fleet.

ANXIOUS POLITICIANS GATHER AT CAPITAL

Protracted Political Negotiations Attract Large Numbers of Public Men to Ottawa.
Ottawa, Oct. 10.—Politicians are flocking to the capital from all directions in consequence of a continuation of negotiations for union government. The arrivals today included Premier Brewster of British Columbia, Hon. W. S. Fielding, F. B. Carvell and Hon. S. A. Fisher. Mr. F. Pardee, chief Liberal whip, is expected to arrive from Toronto in the morning.

GERMAN NAVAL MUTINY IS SIGNIFICANT EVENT

Indicative of Breakdown of Morale, Largely Due to Silent, Persistent Anti-Submarine Policy of the British Admiralty.

Washington, Oct. 10.—Few despatches since the war began have created more interest at the navy department than today's report from Amsterdam telling of a revolt in the German navy. Officers unhesitatingly declared that the story, so far not confirmed in official reports, was one of the most encouraging signs of the year for the allies and probably one of the most ominous from the German point of view. They pointed out that while the allied powers have noted repeatedly recently in their official statements that the morale of the German troops was declining, and would come in food and labor riots, or perhaps in a political revolt, there has been nothing to suggest that the iron discipline of the German military system had lost its hold over the fighting millions in the slightest degree.

GERMAN-AMERICAN INTRIGUE DISCOVERIES ARE MADE PUBLIC

New Bernstorff Correspondence Outlines Plot Against Canadian Railway and Names U.S. Citizens as Active Sympathizers With the Germans.

Washington, Oct. 10.—Secretary Lansing divulged his collection of secret German diplomatic correspondence again today to shed further light upon what the German foreign office and general staff were doing in this country while nominally at peace with the United States.

DOMINION MUST MAKE BIG FINANCIAL EFFORT

London, Oct. 10.—The Yorkshire Post says that hitherto Canada has done well in providing credits for our purchases in the Dominion but the interest demands are proving a source of embarrassment to the minister of finance, hence the visit of Lord Reading to Ottawa, Canada, unfortunately, by his built up no reserve during the past three years out of large war profits, and if she is to compete with the United States in getting her full share of further orders she must be prepared to finance them.

THE WORKS COMMISSIONER'S FALL DOWN

The Bloor street viaduct is to be tied up for the winter. If Works Commissioner Harris can have his way, notwithstanding that the main bridge over the Don is already completed, two months before the contract date. It could be paved and railed for street cars for \$40,000 in six weeks, if the commissioner got busy. He would let the public use this great convenience, and thereby shorten journeys in his vehicles, and give the citizens some return for the million dollars already put in the Don section of this magnificent structure. Neither aldermen nor citizens can draw out the real reason for the proposed delay in the work: he is away behind in his part of the work: has done little of the roadway between the two bridges; has neglected the Danforth pavement, presenting the unusual spectacle of a city engineer who hangs up a great public work because he is not ready or willing to take it over and do his part. There is something wrong somewhere, and Mayor Church owes the people an explanation. Mr. Harris will not even explain \$40,000 and let the public drive over the structure, if car lines can be run. The work is both a monument of engineering and a lack of engineering management somewhere.

der take the work of railway destruction. Sir Roger Casement, since executed for high treason, was named as vouching for the reliability of the trio of American pro-Germans suggested as directors of the work. Count von Bernstorff despatched a telegram to Berlin declaring that Dr. William Hale was in a position to give German information regarding the campaign was about to be initiated with a view to securing a majority in both houses of congress favorable to Germany and intimating that "further support" was essential to the success of these plans.

The Pro-German Trio.
Of the three men mentioned in the second message, Modesty was named as the eminent Irish leader of Philadelphia, and Jeremiah O'Leary, besides heading the American Truth Society, is editor of Bull, a publication recently barred from the mails as seditious. While no one at the state department would undertake to positively identify John P. Keating, it was assumed that the man referred to was John T. Keating of Chicago, and that Casement did not know the identity of the man referred to. It was suggested that Casement might have proposed these names simply because he knew the men and knew them as Irish agitators.

ALL IS READY FOR COMING CAMPAIGN

Organization Complete for Canvass for Funds on Behalf of British Red Cross.

STRONG COMMITTEES

Busy Men and Women Will Devote Energies to Assist in Work.

When men and women cooperate with the unanimity with which those who are to be the prime movers in the coming campaign for the British Red Cross are centralizing all efforts to make it a success, assurance is given that the objective aimed at will be secured.

Times and effort were never more at a premium than at this moment, yet among the lists of those on the various committees of the campaign are names of some of the men and women who represent the busiest portion of the population. It is always the busy people who have time for an additional call, and the appeal is one to which patriotic instinct everywhere must respond. The final organization is now completed, and it remains for the public to give a corresponding heartiness of response.

School Collections. Yesterday a deputation, consisting of Col. Noel Marshall, Col. W. S. Dinko and H. H. Williams, waited on the management committee of the board of education with a request that the women on the committee be permitted to take up a collection at all the schools on October 18, in the interests of the British Red Cross campaign. The request was granted unanimously. The committee are also fortunate in securing the services of Mr. Thomas Bradshaw as honorary treasurer of the fund. The following are the various committees:

Women's committee—Hon. president, Lady Hendrie; hon. vice-president, Lady Hearst; hon. secretary, Miss Church; Lady Falconer, Mrs. Plumtree, Mrs. Albert Gooderham, Mrs. R. S. Wilson, Mrs. W. D. Warren, Mrs. M. Dunstan, president, Mrs. H. S. Strachy; hon. treasurer, Mrs. Graham Thompson; hon. secretary, Miss Gertrude Brock; hon. secretary, Miss Helen Mowat; school committee—Convener, Mrs. VanKoughnet; Mrs. Ballantyne, Mrs. Morrison, Miss Church, Mrs. Stuebel, Miss Macdonell; church committee—Lady Hearst, Mrs. H. D. Warren, Mrs. Willoughby Cummings; Salvation Army collections, Major Des Boleys.

Toronto Rotary Club committee—Geo. Bridgen, president; W. H. Alderson, vice-president; R. E. Ebdell, secretary; H. Rooke, A. C. McConnell, J. S. M. Ridley, Wm. H. Shaw, F. H. Little, field, E. Hopkins, R. J. Copeland, team captain; C. B. Owens, Geo. Keenan, A. C. Fowler, H. L. Glendon, J. T. W. Judd, J. E. Erskine, Giff Clark, G. H. Gordon, E. L. Morton, I. Langton, C. S. Morrow, F. H. LEFT SHELL STAMP IN ILLEGAL PLACE

Munition Inspectors in Court Because They Did Not Adhere Strictly to Rules.

Charles E. Pointon and James A. Curry appeared in the sessions yesterday morning before the court charged with leaving exposed a government shell stamp for the purpose of enabling J. A. Curry to use the same illegally to shells contrary to the criminal code, and the latter, without lawful authority, applying such stamp on shells to be used for naval or military purposes contrary to the criminal code. Pointon was an inspector in the employ of the imperial munitions board, and Curry was employed as an inspector by the John Heppburn Company on Van Horne street.

In his defence, Pointon admitted that he did not report for duty on Sunday night, May 13, and said he had been told not to lose the stamp or leave it around, as it would be necessary to send away for another. He also stated that he was told by his chief that the stamp was not to be used when he was sick, and claimed that he lost the stamp when he struck a hot shell and could not find it later. Curry explained that he had found the stamp among his tools and used it just to help Pointon with his work. In answer to the question put by the crown attorney, he said he did not know it was a government stamp. Curry was ordered into custody despite the protests of the accused's counsel against the crown attorney, who, he said, had no right to lose his temper. The case is proceeding.

LIEUT. W. M. GEGGIE KILLED IN ACTION

Youngest Son of Rev. A. Logan Geggie Gives Up His Life After Few Months' Service.

Lieut. William M. Geggie, youngest son of Rev. A. Logan Geggie, is reported killed in action. Word came to his parents on Monday night. He had been in France only a few months. Lieut. Geggie was a Toronto University boy, and previous to his enlistment in the C.O.T.C. in March, 1916, he was with the law firm of Douglas and Gibson.

A host of friends of the family in Toronto and throughout the Dominion will feel the loss and heartily sympathize with the family in their great bereavement. Lieut. Geggie was a member of the "baby corps" of the imperial army, the machine gun corps.

SCHOOL CADETS ARE MAKING PROGRESS Over Eight Hundred Enrolled With High and More Than 3000 With Public Schools.

Col. McCrimmon's report upon the cadet corps of Toronto high schools public schools was submitted to the management committee yesterday, with the following remarks from the principal of high schools regarding the department: "As will be seen from the summary, the work done by the cadet instructor, both in a high class, and the various corps passed a very creditable examination. Absence from parade was chiefly by enlistment for farm work or for military service. A few were absent without leave. This could be avoided if cadet work in the high schools was made compulsory. The total number of cadets enrolled in the high schools was 859; number on parade, 473. In the public schools the total number enrolled was 3235, and numbers present on parade 2293, 97 being absent with leave and 23 without leave. It was reported that the general efficiency of the public schools corps shows improvement every year."

NEEDS OF SOLDIERS. Lieut. Col. F. S. Evans, D.S.O., of the imperial army, and Edmund Bristol, M.P., will address the Centre and South Toronto Conservative Club's euchre and weekly meeting tonight at their rooms, 319 Yonge street. Col. Evans, who has just returned from France, will speak on "How to Help Our Boys at the Front," and his advice should be of great interest to the members of the club, who are engaged at present in shipping socks overseas.

FIRE CHIEF POINTON RETIRES. Head of Number Seventeen Hose Station Resigns From Service. A presentation in the form of an easy chair was made by Fire Chief T. Pointon at No. 17 hose station, on Woodbine avenue and Queen street, last night. Chief Pointon has been in the service of the Toronto fire department and has been with No. 17 hose station ever since it was built 12 years ago. The presentation was made by Controller Cameron, the gift being from the members of the Canadian army and a number of Kaw Beach residents. Addresses were made by the new chief, A. Gunn, Controller, Foster, and Aldermen Holburne and Fenwick. A social evening was spent and refreshments were served. J. H. Lennox was in the chair.

NORTH ROSEDALE AFTER NEW SCHOOL

APPOINTMENTS MADE Changes Announced by Board in Teaching Staffs of City's Schools.

The following teachers were appointed at a meeting of the board of management yesterday afternoon: Clarence J. Thomas, B.A., specialist in English, as temporary teacher in Oakwood Collegiate Institute; Jean Lang, B.A., specialist in moderns, to North Toronto High School, (temporary); For temporary staff: Miss G. E. Junkin, Kew Beach; Miss E. Jean Stothers, Frankland; Miss Ethel Gilbert, Frankland; Miss Laura Grady, Withrow Avenue; Miss Berta Gilbert, Lansdowne; Miss Alice B. McGuire, Gen; Miss Hilda W. Christie, Niagara street; Miss Belle Cooke, Niagara street; Miss Edna A. Beatty, Clinton street; and Miss Margaret F. Owen, Kent.

The resignation of Miss B. Martin, kindergarten assistant in Queen Victoria School, was accepted and leave of absence granted to Miss Hattie M. Downing, teacher in Annette Street School until November 1, on account of serious illness in the family, and also to Miss A. B. Sloane of Danville School on account of personal illness, for the same period. Miss K. McClure and Miss E. R. Gulderson were transferred from Norway to Gladhill Avenue School, and Miss L. M. Elliott, kindergarten assistant, from Sackville Street to Park.

For Permanent Staff. The following who have satisfactorily served the term of probation have been appointed to the regular staff: Miss B. G. Courtney, Miss L. V. Shields, Miss E. McCarton, Miss C. M. Wilson, Miss L. V. Currie, Mrs. K. C. Watson, Miss Jean Field, Miss G. M. Heather, Miss G. H. Cochran, Miss Annie Marshall, Miss B. E. Wheeler, Miss B. F. Brown, Miss L. L. Langdon.

An additional class is to be opened in Bolton Avenue Night School with W. G. Lavery of Hester How night staff in charge, until such time as his services are needed at Hester How.

ROSEDALE DEPUTATION. A deputation of residents from North Rosedale waited upon the board to appeal for a school to be opened in that district, the contention being that both Rosedale School and St. Clair Avenue School are too far for the children to attend in winter. A building upon the Rosedale acreage grounds was suggested as suitable for a temporary school. The matter was referred to Mr. Bishop and the chief inspector.

In his report upon this matter the chief inspector reported that in the northern part of the city there were 88 children of the age of five and six years and 88 others of seven, eight and nine years of age, and further information was being obtained as to the number of these children attending Rosedale School.

Mrs. Miller and Mrs. George Dickson of the Women's Musical Club, asked permission of the board that a free concert might be given by Miss Isolda Menges in Massey Hall next March, to the children of Toronto public schools, and the stipulation that all arrangements regarding the planning of the concert be left entirely to the women's club.

"You want in fact, to run the whole shooting match," remarked Chairman Hopkins to Mrs. Dickson. The suggestion of the teachers and pupils led to Chief Inspector Cowley and Mr. Rees.

VIADUCT COMPLETED BY NOVEMBER FIRST

(Continued from Page 1).

The work will most likely be handed over to the city by November 1. Mr. Black would not express himself as to whether or not the city will acquire the work on that date, as it is possible that they will not assume the responsibility until the contract time, December 24. He also stated that whether they accept or not it will make no difference to the claiming of the bonus. The bonus is \$25 a day.

All the appropriation for the Bloor street viaduct will be required according to a report of progress from the commission, R. C. Harris, to the mayor. The commissioner reports that he has left \$539,000 with which to complete the project.

The report is as follows: Bloor street section—Approximately 30,000 cubic yards of earth is still required to complete the fill. After this has become consolidated the tracks, overhead construction, roadway, sidewalk, drainage, and lighting will still have to be completed.

Rosedale section—The contract for the Rosedale bridge is completed, the tracks laid, and paving partially done. Temporary macadam approaches have been constructed connecting the bridge with Castle Frank road and the intersection of Parliament and Howard streets. This bridge can be used for traffic in a short time.

No work has yet been done on the portion of the roadway between the approach to Castle Frank road and the west end of the Don bridge. To complete this section, grading, paving, track-laying, and overhead construction is necessary. This work, it is expected, will be completed next year.

Don section—The contract for the bridge is now nearing completion, after which tracks, overhead construction, paving, drainage, and lighting will have to be installed to finish the bridge. From the east abutment of the bridge to Broadview avenue no work has yet been done. Recommendation for a local improvement pavement has passed the necessary stages, and sidewalk for the north side is ready to advertise for. Track allowance work will be carried out in conjunction with the work on the bridge to the west. This work, it is expected, will be completed next year.

Financial statement—The amount of the appropriation, less debenture discount, is \$2,215,000; the amount already spent is \$1,675,600, leaving a balance of \$539,400 available for the work yet to be done. It is expected that the whole of this amount will be required to finance both the construction work and the purchase of the necessary land and land damages.

AWFUL ATROCITIES COMMITTED AT HAECHT. He had helped his widowed mother with the harvest for two weeks past. But late one afternoon not waiting even for supper, he left Thiel, bidding his mother keep within doors until he had returned for her. News had come that the Prussian army coats, driven back from Malines, were killing every man, woman and child in the path of their retreat, leaving nothing but death behind.

So he hastened west to Haecht, to his wife and family there. When he reached Hottelare, through which he had hoped to pass, he found that village in flames and an ominous silence into which he dared not break brooded there. He made a detour north, and it was midnight ere, full of forebodings, he crept up toward Haecht. Here, too, flames rose up from a dozen burning houses, but it seemed to him that his own home lay untouched. He rushed toward a little vine-covered cottage at the further end of the village. As he passed down the street he came upon the dead bodies of ten civilians lying in a row. A dozen paces farther lay a child of three, its stomach cut open by a bayonet. Nearby the dreadfully mutilated body of a woman of thirty years.

Against the door of his cottage, from which he shrank, unable to believe such a horror, his youngest child, three years old, was tailed by its hands and feet. His wife lay dead in the garden; his eldest daughter, shot through the forehead, lay by the gate and by her side two other children, layoneted.

Such was the fate of Haecht, and the atrocities described above have gone into history, proved by unimpeachable evidence. The memory of such atrocities, murder, mutilation and outrage, of brothers, wives and sisters, is not the least part of the dreadful yoke of Edgism. But the most formidable and urgent danger with which they are faced is starvation. For two years the people have been on the verge of famine, and today the crisis is reached, for unless supplies are sent in larger quantities many must perish. Send your contribution to the Belgian relief fund, 290 Garry street, a receipt for which will be sent you by the joint treasurers, R. T. Riley and A. Gouze.

WOMAN SMOTHERS FIRE. A serious fire was narrowly averted at the home of Mrs. Bridges, 138 Kenilworth avenue, yesterday afternoon through the presence of mind of Mrs. Bridges. Her little boy, while

playing with a toy pistol, set some lace curtains on fire. By keeping cool and using some rug, Mrs. Bridges soon succeeded in smothering the fire, which had begun to spread rapidly.

UNION CONGREGATIONS WORK HARMONIOUSLY Northern Presbytery of Synod Reports Favorably on Its Working Out in Western Districts.

At the morning session of the synod of the Presbyterian church held at St. James' Square Church yesterday the report upon home missions was given by Rev. William Donald, of Sudbury, supported by H. J. Pritchard, of Saul Ste. Marie, and Rev. Frank Rae of Uxbridge.

Mr. Pritchard spoke of the work of co-operation in the northern presbytery of the synod, and stated that his co-operation between the Presbyterian and Methodist churches 20 missionsaries had been saved and an expenditure of \$10,881 to the church in this behalf.

The union congregations were working admirably, and the future saving to the church in this connection would be even greater, he anticipated. Mr. Rae spoke upon the problems facing the rural constituencies and congregations thru depletion of population in country districts and young men and women entering other spheres. One of the efforts being made to meet such conditions was to secure wider co-operation rather than individual effort, and in interesting religious and educational effort upon this behalf.

Dr. Thurlow Frazer spoke upon the attitude of officers at the front to religion and the efforts of some of the leading officers to care for the religious life of the men. The synod spent a devotional half-hour at the close of the meeting, and at the moment of opening the moderator announced that a cable message had been received from Rev. A. L. Geggie stating that his son had been killed in action. He asked all present to remember Mr. Geggie and family in the prayers which followed, and a resolution was prepared by the moderator, instructed by the synod, to convey the sympathy of the assembly to the bereaved family.

J. K. Macdonald, chairman of the aged and infirm ministers association, spoke upon the needs of this department. Mr. Joseph Henderson also spoke upon the widows and orphans fund, of which he is chairman.

SAFETY. A meeting of the board of health yesterday afternoon was held in the city hall. The board discussed the safety of the city during the winter months. The board decided to issue orders to the owners of buildings to have their chimneys cleaned and their roofs repaired before the winter sets in. The board also discussed the safety of the city during the winter months.

Benton Baffles White Sox and Giants

TELLING STICK-WORK WON THIRD GAME FOR GIANTS

McGraw's Men, Cheered on By Home Rooters, Went After Cicotte With a Will in Fourth and Batted Out Two Runs—Benton's Grand Box Work.

New York, Oct. 10.—Cheered on by thousands of loyal rooters, the New York Nationals turned desperately upon the Chicago Americans in the third game of the world's series here this afternoon and shut out their inter-league rivals 2 to 0. It was an entirely different appearing team that faced the White Sox since the present struggle for the baseball honors began. The Giants fought and won both victories and the breaks of the game.

As was the case in the initial contest in Chicago, the struggle developed as a pitchers' battle, but today it was Eddie Cicotte who was forced to bow before the prowess of the awe-inspiring Benton. Pitted against Rube Benton, the star of the White Sox hurling corps, Cicotte pitched a brilliant game and refused to allow Cicotte's team mates to run to ease the strain. Only six of the visitors reached first, five on hits and one on a fielder's choice, and of these only two saw second base.

Played With a Dash.

Behind Benton the Giants played with a dash and brilliancy which were completely missing in the two preceding games. Despite Cicotte's fine control and deceptive curves, they smashed into the delivery of the White Sox pitching star in the fourth inning and hammered out the two runs which spelled victory and restored their confidence for the contest to come.

After the game the Nationals expressed the belief that they would be able to repeat tomorrow and start tomorrow Thursday night on even terms with their American League opponents for the fifth game of the series, set for Saturday in Chicago.

Among the fans tonight the name of Davis Robertson proved to be a popular one. He was the only player of the Chicago combination when the outlook for a break in the series of defeats was none too bright.

For three and a half innings the opposing boxmen had proved invincible and the healthy odd thousand fans present were settling down for a hurling duel between Robertson and Benton. The Chicago manager sprang into the calcium glare of fame. He ended the White Sox fourth inning attempt to penetrate the pitching of Benton with a great running catch of Gandil's long, hurled home run. The crowd roared and the grandstand and plucked at the grandstand and plucked at the grandstand and plucked at the grandstand.

Chicago fanned eight Giants to Benton's five. Burns, Holke and Benton all fell twice before the Chicago hurler's slants, while Benton's only double strike-out victim was Cicotte. The New York team had twice as many runs as the Sox, and Benton pitched a grand box work. Neither pitcher gave a base on balls, and none of the five errors contributed in any way to the score.

The total attendance was 33,516, and the receipts \$7,081. Of this amount, the players receive \$38,463.74, each club \$13,154.68, and the National Commission \$7,081. Neither the attendance nor receipts did the figures of today's game equal several world series contests played in other years at the Polo Grounds.

The few vacant seats in either bleachers or stands were not visible from the grandstand and the thousands roared loudly and frequently for the Giants. The White Sox, however, were not friendly, for there was a delegation of some hundreds from Chicago, and those supporters lost no opportunity to cheer on their favorite. The stern cautioning by the umpires against "riding" of opponents was effective, and there was no repartee among the players and no disputing of the umpires' decisions.

Early in the game there was some attempt to start an organized boozing against Eddie Collins, apparently in retaliation for Zimmerman's treatment earlier in the series, but this was soon hushed down, and every other respect the contest was all that a world series contest should be. The sky was partly overcast and there was a little wind, but the cold damp atmosphere made wraps a necessity.

With Cicotte turned back for a few days, at least, the Giants supporters are looking for McGraw to start either Schupp or Salles in the next game, but the New York manager would give no indication of his plans tonight. He confined his remarks to a statement that at last the team had got going, and that he expected them to continue the winning pace from now on. So far as could be learned from the Chicago team headquarters, Manager Rowland's choice for tomorrow's game probably will lie between Faber and Russell.

In the eagerness to start the game, Umpire Klem forgot that Maxey Mitchell was to throw out the first ball, and had called "Play ball" before someone drew the team back to the position. When the mayor had performed his duty, John Collins of the White Sox stepped to the plate.

USUAL WAIT FOR OTTAWA.

Montreal, Oct. 10.—There will be no meeting of the National Hockey Association until a week from Saturday, and Ottawa will have to declare to other clubs, like all the other clubs, they will have to send out contracts to the players on reserves before the 15th of this month or have them all declared free agents by President Frank Robinson, which would mean that any other club could annex them.

This Ottawa is not likely to defer. They only paid Toronto \$750 last season for Denney alone. So it is more than likely that Ottawa will take another chance at the senior professional game with the other N.H.A. clubs next winter.

 GAME CALLED AT 2 P.M.—SHARP. TWO GREAT SHOWS—ONE ADMISSION

ONE BAD INNING BEAT MR. CICOTTE

Giants Got in Some Telling Work in Fourth—Detailed Story.

Chicago—Collins fouled out to Rariden. It was a high difficult foul near the stand. McMullin fanned, swinging hard at the last one. E. Collins singled to centre. It was a solid smash and the first hit of the game. Jackson out. Benton to Holke. No runs. One hit. No errors.

The Giants' crowd were rooting like they were behind a sure winner. They whooped it up from the first ball. Benton pitched to Eddie Collins, who was booed and jeered as vociferously as were Kauff and Zimmerman in the Chicago lot.

New York—Burns met the first ball Cicotte served to him for a long foul, that almost dropped into the left field stands, and then fanned. It was the first game in which Burns failed to lead off with a hit. He swung hard at the last strike. Herzog flied to Felch. Cicotte was mixing a fast ball with deadly accuracy with a wide curve. Kauff was safe at second when J. Collins dropped his high fly after a hard run. Zimmerman beat out an infield hit past the box. Felch going to third. It was his first hit of the series. Fletcher forced Zimmerman, McMullin to E. Collins. No runs. One hit. One error.

When J. Collins dropped Kauff's fly, the crowd got about the first "break" they have received in the series. The crowd set up a terrific din, rooting for a run. Cicotte was a cool as ice.

Second Inning.

Felch fouled to Holke. Gandil fouled to Holke. Weaver singled to left. He drove the second ball on a line past second base. Weaver stole second when Fletcher dropped Rariden's perfect throw. It was an error for Fletcher. Schalk flied out to Burns. No runs. One hit. One error.

Burns made a nice catch for the last out. Schalk drove the ball hard, and Burns was on a dead run when he stooped for a ball. He held it. Rariden's throw to second to catch Weaver was perfect. The Sox shortstop was first called out, but Fletcher dropped the ball.

New York—Robertson singled to right. Holke fanned. Rariden flied to left. Robertson was tagged on the base line. Rariden singled to centre. Holke taking this. It was his hit and run play well executed. Benton flied to Felch. Holke was held at third. On the throw to the plate Rariden took second. Burns fanned. He swung at the steel. No runs. Two hits. No errors.

Third Inning.

Cicotte dedicated himself from a bad hole by using a baffling curve almost exclusively. The only last ball Burns got called a ball. Burns swung hard at the last one, but missed it by a foot. It was low and inside. It was his second strike-out of the game.

Chicago—Cicotte fouled out to Rariden. Collins fouled a high one, which Holke got under but dropped. Collins out. Zimmerman to Holke. McMullin fouled out to Rariden. 0 runs, 0 hits, 1 error.

The official scorer gave Holke an error when he dropped J. Collins' foul. But for this Benton would have retired the side on two outs.

New York—Herzog fanned, swinging hard at the last one. Kauff safe at second when J. Collins muffed his long fly in left. It was the second time Kauff reached second on an error by J. Collins. Zimmerman out. Weaver to Gandil. Kauff going to third. Zim hit the first base. Kauff on a squeeze play for Gandil. 0 runs, 0 hits, 1 error.

With two balls called on him, Fletcher flied to centre. Kauff safe at second when J. Collins muffed his long fly in left. He fouled the ball, however, and this chance for a Giant run was blasted.

Fourth Inning.

Chicago—E. Collins out, Zimmerman. Holke. Zim made a great one-hand stop and shot the ball to first for a fast put out. Jackson out, Fletcher to centre. Fletcher made a nice stop back of second. Felch singled to left. He hit the slow ball this time. Gandil flied to Holke. Robertson who ran into the fence to take the ball. 0 runs, 1 hit, 0 errors.

Gandil's fly. Robertson was a terrific smash that appeared to be for the stands.

Chicago—Robertson tripped to right field. It was a powerful smash that hit the bleacher wall. Jackson fell down in the crowd. The crowd cheered wildly. McGraw came out to give Holke instructions during the cheering. Holke doubled to left, scoring Robertson. J. Collins' fly. Robertson was a terrific smash that appeared to be for the stands.

Fifth Inning.

Chicago—Weaver out, Fletcher to Holke. Felch fanned and was thrown out at first. Rariden to Holke. Cicotte fanned. He swung at the third one. 0 runs, 0 hits, 0 errors.

The crowd apparently figures Cicotte was using his far-famed "shiner" ball following Klem's action of throwing one came to bat, and hooted him when he pitched.

New York—Kauff fouled to Schalk. It was a weak one. Zim flied to Felch. It was the first ball he hit knocked out of the infield in the series. Fletcher fanned. He swung at the third one. No runs. No hits. No errors.

Cicotte showed great recovery from the previous inning, when he disposed of the Giants in order. He had complete control. The heavy hitting had not phased him.

Sixth Inning.

Chicago—J. Collins out, Fletcher to Holke. McMullin out, Benton to Holke. Benton knocked down the drive with one hand. Collins out, Holke, unassisted. No runs. No hits. No errors.

Up to this time the White Sox had hit only three hits. Only twenty batters had faced the Giant pitcher. He showed a great change of pace, and had the Sox batters completely on his staff.

New York—Robertson flied to Felch. Holke fanned, swinging at the last one. Rariden out. E. Collins to Gandil. No runs. No hits. No errors.

Holke was Cicotte's sixth strike-out victim. Up to this time Cicotte had fanned one man in each inning.

Seventh Inning.

Chicago—Jackson out, Herzog to Holke. Felch fanned. He looked at the third one. Gandil, Zimmerman to Holke. No runs. No hits. No errors.

The Giants let out a terrific roar as Herzog's heavy artillery was retired in order. The rooting through the game had far outdone anything Chicago demonstrated Saturday or Sunday.

New York—Benton fanned. He missed the last one by a foot. Burns out. Weaver to Gandil. Herzog singled over second base. He hit the first ball pitched. Kauff

NICK ALTROCK HELPED ONCE WIN WORLD'S TITLE

Nick Altrock, who a few years ago wound up his baseball career by starting as comical comedian of the Washington American League Club, was born in Chicago, Ill., Sept. 15, 1876. In his career as a pitcher, lasting fifteen years, he came pretty near to smashing all records by playing with twelve different clubs in half as many leagues.

This is the record of the once-famous twirler: He started his league career in 1898 with Grand Rapids, in the International League; finished that season with Louisville, then in the National League. In 1899 he played with Grand Rapids, in the International League, and the year following with the Syracuse Club. In the following year Nick pitched for Toronto in the same league, and then went to Los Angeles and finished the year with the California State Winter League. In 1902 he pitched for the Milwaukee Brewers in the American Association. In 1903 he was given a pension and then with Chicago in the American League, but was injured by illness most of the year. He continued with Chicago White Sox in 1904 and 1905, and helped the Sox to win the pennant and the world's championship flag and the swag in 1906. In 1909 he went back to the American Association, playing with Minneapolis. He returned to Chicago in 1910, but in the following year was traded to Kansas City. In 1912 he returned to Washington State Winter League. In 1913 he was named as coach for the pitchers in the International League, forming a partnership with Germany Shearer, and pulling out of the game. He showed a great change of pace, and had the Sox batters completely on his staff.

AMERICAN LEAGUE HEAD SHOWS RIGHT SPIRIT

New York, N.Y., Oct. 10.—Ban B. Johnson, president of the American League and member of the National Baseball Commission, admitted today that he had volunteered for military service in France. He said he had offered his services to the government, but in what capacity he declined to say, explaining that the offer had not been definitely accepted.

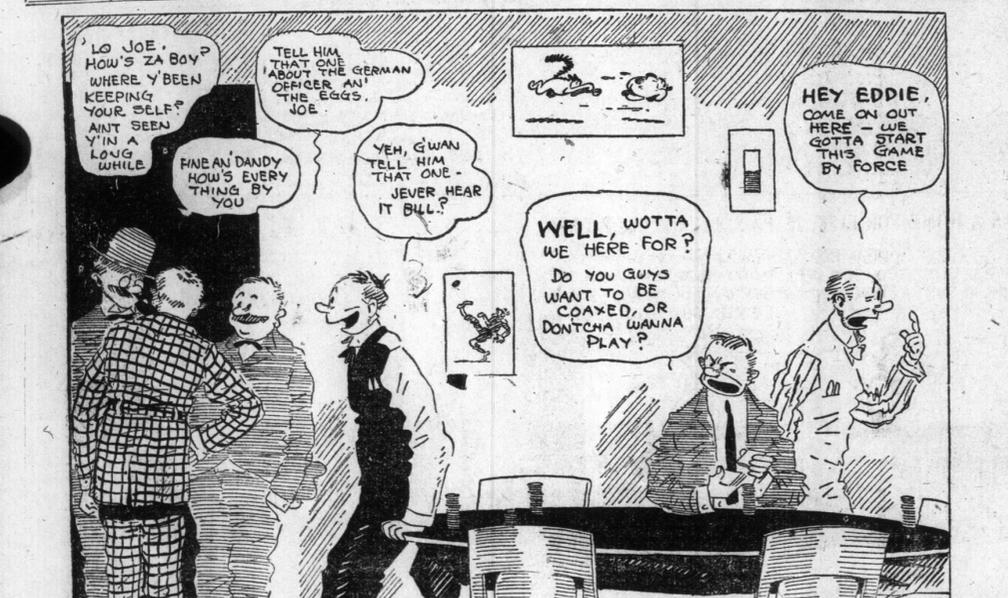

There will be a Yale-Harvard football game this fall—if Harvard wills it. There is good reason to believe that the men who govern athletics at New Haven have their ears to the ground waiting anxiously for a "rumble" from Cambridge. The crimson has but to say the word to Yale, even as she did ancient the stopping of all forms of sport last spring, so things moving in the direction of a match between the "informal" eleven of the American Red Cross.

POSTPONE MATCH RACE ONE WEEK AT LAUREL

Laurel, Md., Oct. 10.—At a conference yesterday afternoon, in which representatives of the American and Canadian horse racing associations met, it was decided to postpone the special race between Omar Khayyam and Hourless until Thursday, Oct. 18.

The conditions for the contest contained a clause that the race should be run on a fair day and that track. This would be impossible on Thursday, the original date set.

At present both of these great three-year-olds are ready for the contest that will add at least \$10,000 to the Red Cross fund.

Hourless' first real speed test here was last Friday, when he galloped a mile in 1:38 4-5. On Monday he negotiated the mile and a quarter, the distance of the coming race, in 2:09 1-5. He went at an even pace throughout, covering the three-quarters in 1:16 and the mile in 1:42.

Since the arrival of Omar Khayyam reports have been circulated of his having gone back. The Viasu champion proved this was not true when he delighted his admirers by galloping a mile and a quarter in 2:05 4-5 on Monday without turning a hair. Like Hourless, Omar traveled the first three-quarters in 1:15, but began to hit up the pace then. He turned the mile in 1:41, the mile and a furlong in 1:52 1-5 and finished with a lot left.

SPIRITED ROOTING.

Toronto baseball fans who witnessed the world's series ball game shown on the wonderful Paragon score board at the Star Theatre yesterday went wild with excitement when New York put it all over Chicago's best trifier, Cleo. The Star is just as good as being at the Polo Grounds, New York, and much more comfortable, as every play is reproduced the moment it happens. Reserve your seats early for today's game, which starts at 2 o'clock sharp. The burlesque show follows the game, and all for one admission.

RECORDS SMASHED EXCITING RACING

The Real Lady Adds Three-Year-Old Trotting Mark.

Lexington, Oct. 10.—A. H. Cowden's grand filly, The Real Lady, driven by Thomas W. Murphy, today reduced the world's record for three-year-old trotters to 2:03 1/2, beating the record of 2:05 1/2 made here by Feler Volo in 1909 in a trial against time. The Real Lady is also the world's champion two-year-old in her class. Murphy had a great day, for in addition to the performance of The Real Lady, he drove two winners, Poor Man, in the second division of the futurity, and Ruth Mainstee in the two-year-old trot.

The race of the day proved to be the Ashland Stake, which went to Lu Princeton after five heats, and setting a new world's record for the fifth heat. The result of today's racing leaves three drivers tied for first honors, Valentine, Murphy and Cox, having won four races each. Summary:

YORK COUNTY AND SUBURBS

NORTH TORONTO'S COST TO THE CITY

More Than Million and Quarter Has Been Expended on Public Works.

ENGINEER'S FIGURES Added to This Should Be Statement From Board of Education.

Deputy City Engineer G. G. Powell has issued the following statement for the guidance of North Toronto citizens who are always asking "What has the annexation of the Town of North Toronto cost the City of Toronto?"

The statement shows that the grand total of \$1,350,562 has been expended on public works alone.

The figures making up the total include capital and maintenance expenditures: For sewers, \$124,414.82; for roadways, \$78,044.34; for waterworks and bridges, \$19,383.46; for waterworks, \$497,877.57, making a total of \$1,272,720.53. To this is added \$775.07 for labor account and \$821,866.97 for local improvements, equal to about one-third of the city's proportion.

The details of the capital expenditures include the North Toronto sewage disposal plant, new bridges, mains and connections, a total of \$645,597.63. There has been no capital expenditure since the \$5000 used for Yonge street repairs. This department estimated would be about \$15,000.

To complete the cost of annexation a statement from the board of education for the schools built and kept up, and also fire halls, would be necessary.

Real Estate Looking Up

The real estate business in North Toronto seems to be brightening up. The Dovercourt Land and Savings Co. reported the following sales during the past month: 22 St. Leonard's avenue, to James E. O'Farrell for \$11,000; Belmont drive, to J. C. Rayner for \$8500; 75 Weyburn avenue, to M. F. Rice for \$8000. Several new buildings are also under construction.

The St. Clement's Private School

The St. Clement's private school for boys and girls has opened up again since its reorganization in the St. Clement's Parish Hall on Tuesday. The school is under the supervision of Miss E. G. M. Waugh, M.A., Miss A. Conway, B.A., and other teachers. The school is open to all children of the parish.

MUST SUPPORT WIFE.

Accused is Allowed Out on Suspended Sentence.

In the county police court on Wednesday morning, Major Bruntion disposed of a number of small cases. Chas. Slippers, Wm. Magret, Geo. Magget, B. Wallace, F. W. Seaton, T. Wright, W. Wiggins, and Mrs. M. Graw, all of the County of York, were fined \$1.00 for neglecting to procure a dog tax.

AWAIT STATED CASE.

In the case of Henry Walker of Toronto, charges with reduction, which had been left over in the county police court from October 3, a conviction was registered, but no ruling was made by Major Bruntion on Wednesday afternoon, waiting a stated case. W. A. Henderson appeared for Walker, and J. E. Lawson, of Robinson, Godfrey, Phelan and Lawson, for the plaintiff. It was decided by the judge at the court of appeal.

MANY FINES PAID AT PORT CREDIT

Magistrate Gordon's Court Collects Five Hundred Dollars From Motorists.

DOCTORS INVOLVED Many Torontonians Caught Speeding Above Limit on Country Roads.

Port Credit, Oct. 10.—Forty cases, with fines totaling almost \$500, were speeded in Magistrate Gordon's court here this afternoon.

Dr. S. H. Smith, of Streetsville, was haled before his worship for reckless driving on a certain Sunday. His case was not called until the end of the session because the physician did not recall making any fast moves during the five years that he had driven his car and was anxious to have his two companions on the morning question presented to tell of the trip on the highway.

PORT CREDIT BOYS ARE ALLEGED VANDALS

Caretaker of Public Buildings at Aviation Field Swears off Information Against Them.

Port Credit, Oct. 10.—County Constable Bourke last night again informed information against four boys, charging the quartet with destroying government property at the aviation field. The charge was laid by Thomas Goldstone, who is caretaker of the aviation field.

After Speed Coppers.

Another case that of H. E. Whitten, 353 sq. street, Hamilton, proved that the "speed spotters" may sometimes make mistakes. His case was called by Mr. Morrison, c. He had been called by Dr. Groves to the District Court on a charge of speeding on a certain day.

Good News! A Suit to Your Measure By Our Bond St. Designer Today, \$30.00

Good all-wool woollens will soon be one of the scarcities of life in Canada, the British Government having placed an embargo on all fabrics that contain more than 60 per cent. wool.

In full view of this situation we are living up to past reputation by offering today our latest wool importations, received just prior to the wool embargo decree, at a remarkably low price, which is a decided saving, and reduced for this special sale to 30.00

Choose rich, distinctive fabrics in tones and patterns right now in greatest demand—materials that are sure to give satisfactory wear and retain their handsome colors and appearance. We only recently imported them from a reliable English maker.

Such Good Materials As the Following:

Scotch tweeds, in brown, olive and grey; blue serge in smooth and mill finishes—English worsteds in brown, grey and blue checks, overchecks, stripes, plaids and mixtures.

The famous grey pick-and-pick worsteds. Cut to your measure by a Bond street designer, and tailored in a thoroughly expert manner, you may have a suit, if ordered today, for 30.00

Important!
Every suit will be trimmed and lined throughout the same as our forty and forty-five dollar suits.

Important!
Every order will receive the same high-class custom-tailoring all through as shown in the higher priced garments.
