In Memoriam.

ADOPTED AT MONTHLY MEETING OF BOARD, APRIL 28TH, 1893.

The removal of two officers of this Board by death within the last two months has inflicted great loss upon the Home for Incurables. Both were conspicuous for their devotion to the great work commenced by them and other earnest friends, nearly twenty years since. Appropriate recognition was made at the Annual Meeting, of the character and services of our late honored Secretary, **Mrs. Alexander Manning**. None listened, at that time, with deeper sense of bereavement or more tender sympathy than her tried friend and adviser, Miss Dick.

It is most fitting, therefore, that these two names should be linked together in the respectful and loving tributes to their memory adopted by this Board.

Whereas—In the wise Providence of Almighty God, it has pleased our Heavenly Father to remove from this life the faithful and honored First Directress of this Home,—**Miss Agnes Dick**.

Resolved—That the Managers, in grateful recognition of her untiring devotion to the interests of this trust, record their deep sense of affliction under this Divine dispensation—and their profound sympathy with the inmates of this Home, who are thus deprived of her constant solicitude and tender care.

The Members of this Board would also tender their personal condolence to the sorrowing family and circle of friends, in which for so many years Miss Dick has been the object of loving attraction and admiration; especially to **one** who with more than filial devotedness has so been connected with her daily life, as to feel more keenly than others the sundering stroke.

We would humbly invoke the sustaining grace of God upon the afflicted household, and commend them to the consolations of His comforting Spirit.

V.—The Managers may appoint from time to time Committees from amongst themselves to attend to any special duties.

As a rule such Committees shall consist of not less than three, and not less than two shall be considered a quorum to act.

These Committees, for the sake of regularity and for future reference, shall as a rule report to the Board in writing.

VI.—The stated meetings of the Board shall be held on the last Friday of every month, at such hour as the Board may from time to time appoint.

X VII.—The Superintendent and Matron shall hold their offices at the pleasure of the Board.

They shall do all in their power to promote the comfort of the inmates of the Home, and shall follow the instructions of the Board of Lady Managers for the week, and of the medical staff when orders are given.

They shall keep a book for entering all such things as they may consider necessary for the use of the Home, and submit it to the weekly visitors. When disbursements are ordered, a regular account of the same shall be kept for the information of the Managers and the Treasurer.

VIII.—The Managers, deeming the point of admission of inmates in'o the Home to be a very important matter, decided that the following formalities shall regularly be observed.

1st. Applicants for admission into the Home are to state how long they have resided in the city, their residence, age, disease, and circumstances, also whether he or she has been attended by any medical man, and whether any clergyman has visited.

2nd. Thereafter two of the Managers shall visit the residence named (two ladies if the applicant be a woman, two gentlemen if the applicant be a man.) They shall look at the surroundings of the applicant, ascertain what can be practically known of the person's circumstances, habits and general character, in short, get all the available information about the case.

They shall see the clergyman and the doctor, if either have been in attendance, hear what each has to say about the applicant, and report to the Board of Managers.

3rd. That two of the medical staff of the Home shall visit each applicant for admission, and report to the Board of Managers the character of the disease and if incurable; and for any applicant outside of Toronto the equivalent testimonials shall be required.

Each application for admission to the Home shall be presented at the regular meeting of the Board, and if entertained, after due investigation, shall be acted upon at the following regular meeting of the Board.

But applications for consumption and cancer cases made at a weekly meeting may be acted upon at the next following meeting, and *vice versa*; applications at monthly meetings may be called in at following week meeting.

4th. If, after the name of an applicant has in due course been approved by the Board, a considerable time should elapse before the occurrence of a vacancy, and there is reason to apprehend that such a patient is at, or near, the point of death, then the resident medical officer shall be directed to visit the case and to report to the Board as to the advisability under the circumstances of removing the patient to the Home.

NINETEENTH ANNUAL REPORT
OF THE
Toronto Home for Incurables,
For the Year Ending March 1, 1893.

In presenting the Nineteenth Annual Report of the "Toronto Home for Incurables," the Board of Management would express their devout thanks to our Heavenly Father for His gracious care and supporting consolations to the afflicted and bereaved inmates of this Home and members of this Board.

The year closes with a sense of deep loss, saddened as we are by the recent death of our beloved Secretary, Mrs. Manning. After being connected with the Home from its very inception, her activity, efficiency and geniality will be greatly missed, and the blank which her death has made will long be unfilled. Her kindly disposition and winning smile have endeared her to very many, and the brightness of her presence will long be remembered in our meetings. We also record with much regret the loss, through death, of Mrs. Foley, Dr. Norman Bethune and Mr. George Craig, old and highly esteemed members of our Board. Dr. Bethune was a member of the first Medical staff of this Institution, and both he and Mrs. Foley, through their own earnest desire, spent the last days of life amid the comforts and helpful attentions of the Home.

The number of inmates at present in the Home is 107 ; fifty-three have been admitted during the year ; thirty-one have died ; nine have returned to live with friends ; one was sent to the Asylum ; one dismissed for insubordination.

It may be of interest to many to know that one of the deaths which excited more than ordinary sympathy in the Home was that of little "Himey," the cripple boy, who during the twelve years of his life in the Institution, became the object of much affection, and seemed a part of the inner life of the home, which will be much missed.

One of the many improvements which we have this year made upon the Home, is the commencement of work upon the grounds, for their beautifying, so that in the future they will be a pleasure to the eye, as well as a place of recreation for the inmates.

MAINTENANCE.

Total amount of expenditure for the year has been \$17,978.45.

The legacies received during the year are as follows :—

From Mr. Bramley, England	\$ 243 33
“ the William Gooderham Estate.....	3500 00
“ the A. T. Fulton Estate.....	5000 00
“ the Ketterson Estate	7000 00
“ Mr. Eastwood	100 00
“ Mrs. Foley (an annual legacy)	
“ Mrs. Eagle’s Estate.....	2479 12

We would sincerely thank the clergymen of Parkdale, who conduct Divine services ; also our solicitor, Mr. Mortimer Clark, for his valuable and disinterested legal advice and assistance.

Our lady collectors deserve our special recognition, for without the successful issue of their self-denying labors, the maintenance of the Home would be impossible. The generosity of

the public of Toronto is past criticism, and while we reiterate to all our thanks, we would urge upon them increasingly—an active and practical interest in this Home. If each one, no matter how small his contribution, could feel that thereby he was bringing “the touch of a rosy sunset into some shadowed life,” he would himself feel the glow of having “done what he could.”

Dr. J. A. C. Grant, resident physician for the past year, and our Medical Staff, merit our acknowledgments, for their thorough and continuous attentions to the bodily ailments of the inmates of the Home.

The internal management of the Home has been carried on in its usual efficient manner, by Mrs. Craigie and her assistant, Miss Egleston, and we heartily extend to them, well-merited thanks for the acceptable fulfilment of their arduous duties. Miss McTavish, the head nurse, has by her faithfulness and excellence, proved that our commendation and appreciation of her in the past can safely be repeated in a marked degree at the present time. To her staff of assistants we would also extend our acknowledgments. We feel a deep sense of gratitude to the many friends, who, by their cheering words and charming entertainments, have so frequently brightened the declining years of our sufferers, and gladly take this opportunity of thanking them. To the press of Toronto, for their kindness in granting the use of their columns so courteously, we would express cordial thanks.

We acknowledge the continued support of the Ontario Legislature, and the City Corporation, and again most earnestly ask from all who sympathize with this grand work, the continuance of that sympathy, because the more we see of suffering humanity and labor for its relief, the more we feel the truth and comfort of those sacred and inspiring words, “It is more blessed to give than to receive.”

Respectfully submitted,

MARGARET MARTIN,
Assistant Secretary.

19TH ANNUAL MEDICAL REPORT.

From March 1st, 1892, to March 1st, 1893.

I have the honor of presenting on behalf of the Medical Staff their Nineteenth Annual Report.

The general health of the Home during the past year has been excellent, and no case of sickness has occurred which would discredit the sanitary condition of the building.

There were fifty-three admissions; fourteen patients left the Home, and thirty-one died. Two deaths from pneumonia were the only cases due to causes not incident to the diseases for which they were admitted.

While the mortality for the year is within the average it is notable for the fact that twenty-two of the thirty-one deaths occurred among the fifty-three patients admitted. Two lived less than two weeks after admission, but the average for the twenty-two cases was nearly three months.

As this record is not due to either phthisis or cancer it shows that the applicants for admission have been carefully examined and the more serious cases selected. This is in line with the recommendations of former reports. The excellence of the internal management and the efficiency of the nursing staff enable us to recommend such cases and to successfully undertake such surgical operations as may be necessary for the relief of the inmates.

In parting with the Resident Medical Officer, Dr. J. A. C. Grant, we would be remiss did we not express our appreciation of the satisfactory manner in which he has discharged the duties of his position.

All of which is respectfully submitted.

T. MCKENZIE.

In addition to the speeches of Principal Burwash and Rev. Mr. Baldwin, Rev. Wm. Patterson and Mr. Warring Kennedy addressed the meeting.

The following resolutions were then proposed and adopted:
 Moved by Rev. Dr. Potts, seconded by Dr. Parsons:—

“It having pleased Almighty God in His wise providence, to remove from the labor of earth to the rest of heaven,

Mrs. Alexander Manning,

who was at the time of her death, Secretary of the Board of the Home for Incurables, and who was intimately and practically connected with the Home from the earliest history of the Institution, this Annual Meeting, composed of supporters and friends of the Home, desires to place on record its deep sense of the loss sustained, and its prayerful sympathy with the bereaved family.

“The friends of the Home recall with gratitude to God, the valuable service rendered, the genial spirit evinced, and the beautiful influence exerted in furthering the interests of this Charity which our departed friend loved so well.

“Already she has heard the Master’s, ‘Well done, good and faithful servant,’ and in view of her relation to the Home for Incurables, those precious words, ‘Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.’”

Moved by Mr. John L. Blaikie, seconded by Mr. James Hunter:

“The death of Mr. George Craig having been reported to the Board, it was unanimously resolved to put on record their sense of the loss the Institution has sustained, by the removal of one who has long evinced a deep interest in its welfare. Naturally of a quiet and retiring disposition, his cheerful and consistent Christian character won for him the regard and esteem of all who were privileged to know him.

“The Board also record their sincere sympathy with the bereaved and sorrowing members of his family, and commend them to the Almighty Comforter, who alone can ‘bind up the broken in heart, and heal the wounded in spirit.’”

Moved by Mr. Wm. Cooke, seconded by Mr. Percival Ridout:

“That the thanks of this meeting are due, and are hereby tendered to Mrs. MacMath, the Treasurer, and Miss M. Martin, the assistant Secretary, for the very valuable and efficient services rendered by them to this charity during the past year.”
