PREFACE.

We are very much pleased to bring before the public the two Cities of St. John and Portland united into one City, which causes it to be the fourth City in the Dominion of Canada. We have tried to arrange names properly, but, in the matter of streets, it has been hard to arrange on account of there being several streets where the name occurs in both Cities. We have tried to distinguish them by naming one north and the other south. We hope in this we have given satisfaction. It has been hard to distinguish in some cases, but we have done the best we could where we had no numbers to guide. We find the present Mayor, in his address, forgot one of the most important improvements this City needs and that is the numbering properly of this united City, and placing on the corners the names of the streets. It certainly is time we arrived at the conclusion that we have become a city and not a town.

Mails for Grand Manan and Campobello are despatched by direct steamer, and for the former locality also by rail, at days and hours to suit the seasons and other requirements. The arrangements are announced monthly in the St. John Postal Guide.

Parcel Post Mails for the United Kingdom by the Canadian Mail Steamers will be closed at 4 o'clock on the day the mails are made up. Letters for the United States will be taken by the Railway Mail Clerks Sunday night, if posted before 8 o'clock, p. m., at the Princess street side door of the Post Office.

Through Register Pouches are exchanged between St. John and Bangor, Boston and New York, St. John being the Exchange Station for the Maritime Provinces.

Office Hours—Daily (Sundays excepted) from 6.30 a. m. to 9 p. m. Money Order Office and Savings Bank—Open Daily (Sunday excepted) from 9 a. m. to 4 p. m.

Street Letter Boxes.

The Street and Hotel Letter Boxes in the City of St. John are visited daily (Sunday excepted) at 3 00 p. m. and (Saturday excepted) at 10.30 p. m.; also in the business parts of the City at 1 p. m. daily, (Sunday excepted).

Merchants' Boxes.

Rent of small box \$4, and of large box \$6 a year.

Though every effort will be made in sorting letters to place them in the boxes, when the party addressed is known to have a box, the Postmaster does not hold himself responsible for this always being done; the primary rule being that all letters bearing the number of the house and name of street go there by letter carrier.

An order to place in a box letters belonging to another person than the owner of the box cannot be recognized, unless such letters are addressed to the care of the box or its owner.

Box holders would facilitate the work of sorting by requesting correspondents to add the box number to the address of their letters.

Letter Carriers' Delivery.

Letters and Papers for this delivery should be addressed to Street and Number.

Change of Residence should be promptly notified to the Postmaster in writing.

Two deliveries daily, commencing at 8.30 a. m. and 3.45 p. m.

All letters mailed at the St. John Post Office within fifteen minutes of the hour fixed for morning and evening deliveries will be despatched by such deliveries.

Letters not bearing the name and number of street, addressed to parties whose address may be known to the Carriers, will be delivered by them.

Re-directed Letters to places within the Dominion or United States will be forwarded without any additional charge if returned promptly to the Office.

Letters sent to or received from a country of the Postal Union, and afterwards re-directed to any place in Canada, or to a country in the Postal Union, will be forwarded even if taken out of the office and re-addressed; but if re-addressed to a place where there is a higher rate of postage, the difference of postage will be chargeable.

Useful Hints.

Never send money or other articles of value through the Post Office except either by Money Order or Registered Letter.

Make complaints and enquiries in writing.

Envelopes closed and simply clipped at the ends cannot be forwarded by Book Post.

Preserve and request correspondents to preserve envelopes of mis-sent or delayed letters.

Business men should be careful to authorize but a limited number of persons to receive their letters, and only those in whom they have full confidence.

Have a Letter Box on your office door.

Letters addressed to mere initials, or fictitious names, will not be delivered, unless addressed in care of a resident, or to some box in the Post Office.

Mutilated Stamps.

Letters having stamps, or stamps so soiled and defaced as to make it impossible for the sorting clerks to decide whether they have been used before or not, will be sent to the Postmaster General for his adjudication.

Post Bands and Stamped Envelopes.

One cent post bands for newspaper or book packet wrappers, and one and three cent stamped envelopes are issued by the Department

and may value.

Spectacles and eye-glasses, if securely put in cases not likely to allow the contents to escape if broken in course of conveyance, may be sent by Post within the Dominion on prepayment of parcel post rates.

Letters containing gold or silver money, jewels or precious articles, or anything liable to Customs duties, cannot be forwarded by Post to any of the Postal Union countries except the United States.

Sale of Postal Stamps.

Any person, other than a postmaster, who engages in the sale of Postage Stamps or Stamped Envelopes, without being duly licensed by the Postmaster General, is liable, on conviction before a Justice of the Peace, to a penalty of \$40 for each offence.

Dutiable Goods by Mail.

Postmasters are directed to detain any post-letter coming into the Dominion, supposed to contain any wares or merchandize liable to duty, and forward the same to the nearest Collector of Customs, who shall notify the person to whom the same may be addressed to be present; and if, on opening the same, it contains no dutiable goods it shall be handed over to him on paying the postage, if liable to any; if it does contain dutiable goods the Collector shall detain the letter and contents for the purpose of prosecution.

Packages of dutiable goods received in the mails from the United States will be sent to the Customs.

Registered Matter.

Letters intended to be registered when addressed to places in CANADA must be prepaid by stamp. On all articles of correspondence of whatever description—whether letters, printed or miscellaneous matter—sent registered to the United States, 5 cents will be charged in addition to the ordinary postage.

All letters for Registration should be posted 30 minutes before the hour of closing Mails.

No letter will be accepted at this office for Registration addressed either to initials or what may appear a fictitious name, and any such Registered Letter received from another office or deposited in the Letter Box for Registration will be at once sent to the Dead Letter Office for disposal.

Registered Letter Stamps of the denomination of 2 and 5 cents may be obtained at the usual places.

The Time Ball on Custom House, St. John, N. B.

Will be hoisted half its elevation each day (Sundays excepted) at fifteen minutes before 1 o'clock. At one minute before 1 o'clock it will be hoisted its full length; and at 1 o'clock, mean time, the Ball will be dropped. A Chronometer keeping correct Greenwich time should then show 5hrs. 24m. 15s., and the difference between this and the time shown by a Chronometer is the true error on Greenwich time at the moment. At the above hour of 1 o'clock, when the Ball drops, represents 5h. 24m. 15s., at Greenwich, the error of Chronometer may be ascertained, no matter where the vessel is lying. Masters of vessels arriving in Saint John, should compare their Chronometers by the Time Ball, as it will enable them to get sea rate, which frequently varies from harbor rates. Latitude 45h. 16m. 42s. N., Longitude 4h. 24m. 25s. West of Greenwich.
