Nova Scotia Western United Baptist Association

Thirteenth Annual Meeting Held in Bridgetown Was Largely Attended

The Thirteenth Annual Meeting of the Western Baptist Association of Nova Scotia convened with the Bridgetown Baptist Church from the 17th to the 20th instant.

OPENING SESSION

The first session met at 7.30 p. m. on Thursday and was given over to hearing addresses on Moral and Social Reform. Rev. G. W. Brooker spoke on The Temperance question and issue. The progress of prohibition on the continent was traced, and the success of The Temperance movement in Ontario. The coming referendum in this province was spoken of and the need of cooperation of all Church members both men and women emphasized. Rev. W. Ideson taking as his subject "Menacing Social Evils, is there a need for Purity Propaganda," dealt with the prevalence of venereal diseases. Statistics were given and conditions pictured which called for utmost care and watchfulness.

FRIDAY MORNING

On Friday morning an address of welcome was given by Rev. M. S. Richardson, pastor of the entertaining church. Election of officers for the ensuing year resulted as follows: Moderator, Rev. M. S. Richardson; Vice Moderator, Rev. D. H. MacQuarrie; Clerk, Rev. F. H. Eaton; Asst. Clerk, Rev. W. Ideson; Treasurer, J. I. Foster.

The courtesies of the Association were extended to Rev. and Mrs. W. V. Higgins and Miss C. Mason who have recently returned from India. Appreciative replies were made. Rev. C. P. Wilson pastor evangelist for Annapolis Co., also received the courtesies of the Association. The devotional service was led by Rev. J. A. Swetnam, taking as the basis of his subject the words of God to Moses "Speak unto the children of Israel that they go forward". The Digest of church letters showed there were 56 churches with a total membership of \$869. Baptisms for the year numbered 140. Two new churches recently organized Parkdale, Maplewood and Little Tanook were received into the Association. Session closed with prayer.

FRIDAY AFTERNOON

At the afternoon service Presiding Councillor Warren, on behalf of the town council, welcomed the delegates to Bridgetown. This was replied to by Rev. Dr. Hutchins. A paper on Systematic Benevolence was read by Rev. A. M. McNitch. Rev. C. I. Wilson led a most helpful devotional service in which a large number took part. Rev. F. H. Beals presented his report on Denominational Funds. This emphasized the relation between the individual and the Denomination. In the discussion that followed the demands of the Mission fields were presented as a reason for every church doing its full duty in reaching the allotments. The value of the Denominational paper and of "Tidings" in our work in the Maritime Provinces was dealt with by Rev. C. E. Pineo. Session closed with the Benediction.

FRIDAY EVENING

The evening session opened with a song service after which the report on Education was read by Rev. P. A. Eaton. This report showed that the attendance at Acadia was greater than that of any preceding year. The foundation stone of the Memorial Gynasium was laid by General Sir Arthur Curry. This report was followed by an address by Prof. A. B. Balcom Sketching briefly the history, ideals and achievements of Acadia, he concluded with an appeal for greater financial support. Rev. D. E. Hatt spoke on "Our Work in Western Canada." The work in the West is "our" work, since the churches of the East are helping to finance it. The work is too comprehensive, the laborers too few to cope with the situation but they are doing heroically. The speaker concluded his address with a few personal reminiscences of his work in the Western Provinces. The session was brought to a close by benediction.

SATURDAY MORNING

On Saturday morning the Nominating Committee reported as follows: COMMITTEES FOR 1920-21 Denominational Funds and Systematic Benevolence. Rev. A. Gibson, Rev. F. H. Beals, Rev. J. H. Puddington, Rev. W. A. Snelling and Deacon C. R. Delong. Educational: Rev. Dr. Hutchins, Mr. O. P. Goucher, Mr. W. W. Clarke, Rev. D. H. MacQuarrie. Young People's and Sunday School Work: Revs. J. A. Swetnam, E. O. Steeves, Deacons J. Nichols, Clifford Barkhouse. Social Service: Revs. W. Ideson, W. E. Piper, A. Whitman. Missions: Rev. G. W. Brooker, C. E. Pineo, W. G. Hissler, Mr. J. W. Langille. Denominational Literature: Revs. D. E. Hatt, G. C. Durkee, D. H. MacQuarrie, Rev. Dr. Hutchins. "Obituaries: Revs. M. W. Brown, A. N. McNitch, J. G. Irvine. Digest of Letters—Rev. F. H. Eaton. Associational Sermon—Rev. J. B. Anderson. Alternate—Rev. J. A. Copeland.

DELEGATES TO CONVENTION

Reports were then read by the Presidents of the various Districts. The Annapolis District reported that Rev. C. P. Wilson had been engaged as County Evangelist and that he had baptized 47 in less than two months. Devotional Service was led by Rev. C. P. Wilson who based his exhortations on Rev. 2-7. Rev. A. Gibson presented the report on Grand Ligne. This report showed that 1500 copies of the Scriptures had been distributed among French speaking peoples, 32 people baptized and the Forward Movement allotment doubled. Report on Home Missions was read by Rev. A. Gibson and adopted. Rev. H. V. Higgins told of the work in Foreign Fields and stated that there had been no less than 1200 baptisms during the past year. There was a great need for more workers. An invitation was extended by Rev. G. W. Brooker on behalf of the Freeport Church to the Association to convene with them next year. The invitation was unanimously accepted.

SATURDAY AFTERNOON

The afternoon session was given over to The Women's Missionary Union. Mrs. C. S. MacLean presided and Mrs. W. V. Higgins and Miss C. Mason told of their work in India. Mrs. Beals gave the report on Home Missions emphasizing the work in the West.

SATURDAY EVENING

The evening session opened at 7.30 p. m. A brief address was given by Rev. F. S. Porter of the Canadian Bible Society, in which he set forth the aims and achievements of that Society. Rev. W. N. Hutchins Ph. D., then spoke of the "Present Social Unrest, the opportunity of Church." He urged that the churches solve this problem of unrest by cultivating a democratic spirit that will find expression in a democratic attitude; by giving to our Gospel a democratic interpretation; by preaching a social gospel and giving a spiritual interpretation to the term democracy. It is a problem that the layman must solve. Rev. S. Mason then spoke on "The Evangelistic aims of the Forward Movement and gave the assurance that during the apparent reaction from the Financial Campaign plans were being laid for the Evangelistic Campaign which are now being put into operation. Session closed with the singing of the hymn "Work for the Night is coming."

parts, Miss C. Mason went on to tell of her work in India. Rev. W. V. Higgins in the course of his address on "India and the New Era" denied the assertion that British rule in India is oppressive, but affirmed that the turbulent uprisings that we read of are due to the desire of the educated Brahmins to take the reins of government in their own hands. There are more gods in India than people; there are sacrifices enough but nothing edifying in them; priestcraft is corrupt. They need the Gospel of Jesus Christ. The speaker appealed for more workers and financial support. After this address Moderator M. S. Richardson, on behalf of the Association wished the missionaries Godspeed and an opportunity was afterward given for any of the congregation to shake hands with them. This last session was brought to a close by benediction. The Resolutions were as follows: 1. The Committee would commend the thanks of the Association to Pastor Richardson, the church and the people of Bridgetown for the liberal hospitality with which they have entertained the Association and for having come so cheerfully to the rescue at a late hour. We would also tender the thanks of the Association to the choir and others who have contributed to making our meetings so delightful and profitable. 2. We would convey our hearty appreciation for the helpful and inspiring messages that have been brought to us by Bro. Mason Superintendent of Home Missions, Bro. and sister Higgins and sister Mason. 3. With reference to the Prohibition Referendum to be submitted in October, we recommend that our pastors and people begin at once to gird themselves for the contest, that we maintain our traditional standing on the temperance question and make the opportunity for decisive victory for Provincial Prohibition. 4. We recommend that the Ministers' Institute be asked to provide a place on its next programme for Bro. Ideson's paper on Social Purity. 5. We recommend that the request of the Little Tanook Church to solicit an offering from the Churches in the Association towards its building fund be granted. 6. We recommend that hereafter the sum of \$25.00 be paid annually to the clerk of the Association for his efficient services and that this item be incorporated in the Constitution. 7. We recommend that the manuscripts of the Association Sermon be forwarded to the Denominational paper with a request for its publication.

SUNDAY MORNING

At 9.30 a. m. on Sunday a Prayer and Praise Service was led by Rev. G. C. Durkee in which a large number took part. At 11 a. m. Morning Worship was begun, conducted by the Moderator. After the reading of the Scriptures by Rev. G. W. Brooker prayer was offered by Rev. E. S. Mason. Rev. D. H. MacQuarrie, the preacher of the Associational Sermon took his text from Matt 16 19. "I will give unto thee the Keys of the Kingdom of Heaven." He said there were five keys, character, love, faith, work and prayer. After elaborating on these points, he concluded by saying "These keys do not look so formidable as burglars' tools, but those coming to Christ with these keys can open the kingdom of heaven."

SUNDAY AFTERNOON

The afternoon session was given over to Young Peoples Work, and addresses along this line were given by Rev. J. H. Copeland and Dr. Hutchins. The report on Obituaries given by Revs. C. E. Pineo and F. A. Eaton revealed the fact that Annapolis Co. lost by death 60 of its members, Digby Co, 26 and Lunenburg Co, 30, making a total of 116 deaths within the Association. Revs. R. B. Kinley and Josiah Webb were especially remembered. Prayer for the bereaved was offered by Rev. W. E. Piper. Rev. D. H. MacQuarrie gave a report on Evangelism and the Committee recommended that a pastor evangelist be appointed for each Association and that Rev. C. P. Wilson be left in the hands of the Annapolis District. After discussion the report was adopted. Session closed with prayer by Rev. J. T. Irvine.

PROROGATION NOT YET IN SIGHT
With quite a little work to do yet on the budget and with the franchise act, and the report on soldiers' pensions yet to come before the House, talk of prorogation of Parliament has swung still further than Dominion Day and the expectation is now that it will be July 15th.

HOW YOU CAN TELL GENUINE ASPIRIN
Only Tablets with "Bayer Cross" are Aspirin—No others!

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations. Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for a million years and proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis. Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store. Made in Canada. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylic Acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

THOUGHTFUL WILLIE
Mr. Slim—"Willie, didn't you go to the trunk maker's yesterday and tell him to send round the trunk I ordered?"
Willie—"Yes, pa."
Mr. Slim—"Well here's the trunk but no strap. Didn't he say anything about the strap?"
Willie—"Yes, pa; but I told him I thought you hadn't better have any strap."

WOMEN OF MIDDLE AGE

May Pass the Critical Period Safely and Comfortably by Taking Lydia E. Pinkham's Vegetable Compound.

Regina, Sask.—"I was going through Change of Life and suffered for two years with nervousness, sleeplessness, general weakness. Some days I felt tired and unable to do my work. I gave Lydia E. Pinkham's Vegetable Compound a trial and found good results, and I also find it a very helpful Spring tonic and useful for constipation from which I suffer much. I have recommended Vegetable Compound to several friends, and am willing you should publish this."—Mrs. MARTHA W. LINDSAY, 810 Robinson St., Regina, Sask.

A RECORD FOR LONGEVITY

(Wolfville Acadian)
The house of Mr. Ross Chipman, at Chipman Corner, can probably produce the largest record of aged people of any in Kings County. In this household are Mr. Chipman, aged 85; Mrs. Chipman, 74; Mrs. Somerville, 83; Mr. Robert Starr, 90 in a few months; Mr. John Leopold, who works on the farm, aged between 70 and 80. The combined ages of the five is over four hundred years. Mrs. Somerville mentioned above is a sister of Mr. Chipman, and wife of Rev. Robert Somerville, deceased a former Presbyterian clergyman at Wolfville. After residing in New York for over 25 years, she has lately returned to Kings County to live with her brother.

Lift off Corns!

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes and the hard ski calluses from bottom of feet. A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting then shortly you lift that bothersome corn or callus right off, root and all without one bit of pain or soreness. Truly! No humbug!

IMPROVED HOTEL SERVICE

(Wolfville Acadian)
The addition which has been made to the Acadia Villa Hotel is now completed and adds greatly to the rooming capacity of the hotel. There are two single rooms and two suites on each of the three floors, and each room is equipped with a private bath. The floors are all of hardwood and the wood work is finished in white enamel. With this new addition to his hotel Manager Rockwell will be better able to cope with his ever increasing tourist business.

NOT HER FAULT

The young bride, after serving to her husband a dinner that was so good, said, as the dessert of mince pie was brought on:—"I intended there, to have some sponge cake, too, but it was a total failure."
"How was that?" the husband asked, in a disappointed tone, for he was fond of sponge cake.
"The 'druggist,'" she explained, "sent me the wrong kind of sponges."

DON'T END THERE

"What is this man charged with?"
"He's a camera fiend of the worst kind, yer worship."
"But he shouldn't have been arrested simply because he has a mania for taking pictures."
"It isn't that your worship; he takes the cameras."

PRICE WEBBER IN AUGUSTA

Veteran Actor With 48 Years' Experience Behind Footlights, Spins Interesting Tale

(From the Kennebec Journal)
The greetings that actors receive in the towns where they are appearing are sometimes cordial, and sometimes otherwise. But in a small town whether a theatrical company is met at the hotel by the manager with a hearty handshake, or whether the company comes to the hotel without greeting or welcome and is left to shift for itself, usually makes no difference; the members of the theatrical troupe usually have no choice of hotels in such cases and they just have to make the most of it. "Some of My Experiences" might well have been the title of the talk given to the Augusta Rotarians at their meeting Friday evening at the Augusta House by that veteran actor who is a favorite with all of his audiences. Price Webber. It was most interesting and entertaining from beginning to end and was told by Mr. Webber in his inimitable manner.

UTTERLY HELPLESS FROM ST. VITUS DANCE

The sufferer restored to health through the use of Dr. Williams' Pink Pills.
St. Vitus dance is a disease of the nerves brought on by a morbid condition of the blood. It is a common disease with children and attacks girls more frequently than boys. Irritability is frequently one of the first signs noted. The child frets, it is quarrelsome, and does not sleep well. The jerky movements that characterize the disease come a little later. The patient becomes pale, languid and often constipated. The limbs and sometimes the whole body jerks spasmodically, and in severe cases the power of speech is affected. Such a child should not be allowed to study but should be kept quiet, given a nutritious diet, remain out of doors as much as possible, and above all things given a course of Dr. Williams' Pink Pills to build up the blood and restore the shattered nerves. Without this treatment the trouble may become chronic and the patient a life long sufferer. The value of Dr. Williams' Pink Pills in cases of this kind is shown by the following statement by Mr. Frank J. Scriven, Acton, Ont., who says: "In January, 1917, when I resided at Milton, Ont., my daughter Gertrude, then aged fourteen, had a bad attack of rheumatic fever, which left as its after effects a severe attack of St. Vitus dance. For weeks she was confined to her bed under the doctor's care. She was entirely helpless, being unable to even hold a spoon to feed herself. For a time she lost the power of speech almost entirely, and only with great difficulty made herself understood. The twitching of her muscles was so bad that it was painful to see her. After a long time and taking a lot of medicine, she seemed to improve. But she did not seem to get along as well as she ought to. In November, 1917, we removed to Acton, and in January, 1918, she was again confined to her bed with St. Vitus dance. She was again in a terrible state and quite helpless. She was under a doctor's care, and while there was an improvement, she was still very nervous, did not look well and was always tired. In May, 1918 we decided to try Dr. Williams' Pink Pills, and see what they would do for her. She took them regularly according to directions, and after taking several boxes there was a decided improvement. After a further use of the pills she is now as healthy a girl as you would wish to see. She is fat, with a fine, healthy color and is strong and lively. The neighbors to whom she is well known remark on the wonderful change in her appearance since taking Dr. Williams' Pink Pills. Both her mother and myself are convinced that the pills have done her a world of good as she is now far healthier than we at one time thought she ever would be."
For all trouble due to poor blood and weak nerves there is no other medicine can equal Dr. Williams' Pink Pills. You can get these pills from any dealer in medicine, or by mail post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

short speech to his audience stated that he could not leave town without paying a compliment to the genial hotel manager, who was one of the most courteous and accommodating he had ever met in all of his travels. "For cordiality I have never met his equal," said Mr. Webber in closing his talk at the theatre that night. At that point, the worthy hotel man was on his feet and pointing to Mr. Webber said: "You are a d-d infernal liar."
Other humorous incidents were related by Mr. Webber. His speech was accorded enthusiastic applause.

Some people get credit for being patient when in reality they are too cowardly to start something.

THE TORTURES OF RHEUMATISM

Happily Stopped When He Began To Take "Fruit-a-lives"
3 OTTAWA ST., HULL, P. Q.
"For a year, I suffered with Rheumatism, being forced to stay in bed for five months. I tried all kinds of medicine without relief and thought I would never be able to walk again. One day while lying in bed, I read about "Fruit-a-lives" the great fruit medicine; and it seemed just what I needed, so I decided to try it. The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me."

A MORNING WITH THE BIRDS

(Written for the MONITOR)
At five o'clock in the morning of June 12, we set out for a bird seek on the North Mountain. Although it was rather foggy out, the birds were singing merrily and as we ascended Church Road towards the mountain we heard the Bobolinks, Purple Finches, and Savannah Sparrows from all sides. From a fence post by the roadside we heard a Vesper Sparrow singing at sunrise instead of sundown as his name shows he is supposed to do, and from the alders by a brook a Cat-bird was making many strange sounds. In a field nearby a number of little Chipping Sparrows were picking for ground insects while numerous Swallows and Swifts were darting hither and thither after those of the air. We kept on towards the mountain only stopping to watch a Least Flycatcher nearly jerking his head and tail off while trying to tell us his common name "Chebec."
We had now reached the foot of the mountain and as we began to ascend we heard the high pitched whistle of the White Throated Sparrow, and saw numerous Goldfinches and Song Sparrows darting among the low spruce trees and bushes. When we reached the margin of the woods we stopped to watch a Black-Throated Green Warbler singing cheerily. "Spring, spring, beautiful spring." His sweet song was soon drowned by the loud cries of a Robin which we had disturbed so we moved on. From all sides we hear the calls of American Redstarts, our prettiest bird, and soon we see him flying ahead of us looking like a flash of red and black. As the woods thickened we heard the plaintive, "Pee-a-wee," of the Wood Pewee, and saw a little Chickadee hanging up side down on the end of a branch making his breakfast on insects in the wood and bark. As our path was steep we sat down to rest when from the woods came a call, "Get up; Get up." We at once knew it to be the Oven-Bird who is supposed to say "Teacher, teacher," but always sounds to me as if he were telling me to get up. We did get up however and set out to find him. He had stopped singing now but soon started up again at first very low but increasing in volume at each syllable until the whole wood resounded with his glad song. After we had found him sitting on a low bush we continued our journey until we heard another call, this one said, "Phoebe" very brisk and quick. This was the Alder Flycatcher, a very shy bird and hard to see but easily identified by his note it also being about the only means to tell it from the common Least Flycatcher or Chebec as it is commonly called.
We had now reached the lake which supplies the town with water. From the northern shore we heard the beautiful song of the Hermit Thrush, our best singer. Its notes sound like some great reed instrument and I am sure that I have heard it make some chords which I have heard before on such an instrument. Along the shores of the lake we saw numerous Spotted Sandpipers or Sandpeeps, daintily stepping around tetering their tails every few seconds and once and awhile whistling "re whit", almost like someone calling a dog. Flying over the islands and on the shore we saw several rusty black birds. They were wading along the margin of the lake picking for food and often flying up and alighting in some tree top making a strange whistling sound and sometimes letting out a squeaky note. From a thicket nearby we heard a new song, "What can it be?" we said, in answer came the note, "Come in and see; come in and see." So in we went and there on a low elder we found our first Black Throated Blue Warbler, a rather uncommon bird here.
We now set out for home along the main mountain road. As we were passing some low bushes we stopped to watch a female Yellow throat darting around, while on the opposite side of the road her mate was jealously watching us. When we had passed on we heard him joyfully singing a good riddance to us. From the

He Feels Better Now Than In Years

Although a Young Man Dumphy Felt Like An Old One, But Is Feeling Fine Since Taking Tanlac
Few of the ills that flesh is heir to are so distressing or so unfit a man for his daily work as chronic indigestion. Among the many thousands of testimonials received which prove that Tanlac is particularly successful as a remedy for this complaint, is that of Charles Dumphy who resides at 83 Simon's Street, St. John, N. B. Mr. Dumphy is a carpenter who has lived in St. John for many years and is well-known to a large circle of friends in his district. This is what he has to say concerning his own experience with Tanlac.
"Chronic indigestion has been my trouble. It started a little over three years ago. If ever I ate anything like fat meat or cake it used to upset me. Then as I got worse all my food used to disagree with me and my stomach used to sour horribly after every meal. The gas would form so that my stomach would feel as tight as a drum and I used to garp for health. This feeling was very bad at night and I often woke with a feeling that I was being smothered. Then I would have to get up and take something like soda to try and get the gas off my chest. Often I sat up for hours unable to get relief. I got so at last that I was afraid to eat anything at all because of the way I used to suffer afterwards. I guess I tried every known treatment for indigestion, but none of them gave me more than temporary relief. I'm still a comparatively young man but I tell you I was feeling like an old one.
"One day a paragraph in the papers caught my eye. It was the statement of a man who had suffered just as I had, and who got wonderful help from Tanlac. I went straight and bought a bottle. Well, sir, I'm here to say that Tanlac did more for me than anything else I ever tried. It seemed to settle my stomach right away. I soon found that my food agreed with me and that I could eat almost anything without having to suffer from it afterwards. I've taken four bottles in all and I'm feeling better to-day than I have for years. Life is worth living now and so long as I can obtain Tanlac I shall not fear the indigestion or any other trouble."
Tanlac is sold in Bridgetown by S. N. Wear and in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.

APPLE SCAB DEVELOPING RAPIDLY
By G. E. Sanders)
During the past two days there has been a most unexpected and rapid development of apple scab on the leaves. This is a direct result of the rain of June 6th, which gave a period of moisture long enough to cause apple scab infection.
So far no infection of the fruit has been found, but the infection on the leaves is in some cases very serious unless prompt measures are taken, it will spread to the fruit as soon as there is a sufficiently long period of moisture.
Growers may rest assured that there are enough spores on the apple fruit now to cause a serious infection as soon as along enough period of moisture comes to cause the spores to grow.
Growers are advised to Spray or dust thoroughly at once, in order to prevent the fruit from becoming infected.
We are fortunate in having a most excellent set of apples and a prospect of excellent prices for No 1 and No 2, while the No. 3's canners and evaporators do not promise such prices as last year.

WEDDING BELLS

SPURR—DITMARS On Wednesday evening, June 16th in St. Mathews Church, Deep Brook...

The wedding procession presented a pretty picture, coming slowly up the aisle of the strains of Lehengrin's wedding march.

The ceremony was held at the home of the bride where a large number of guests assembled to congratulate the happy and popular couple.

The out of town guests were: Mr. and Mrs. Frank Roop, Digby; Mr. and Mrs. Longworth and Miss Austin, Smith's Cove; Dr. and Mrs. Lovett, Dr. and Mrs. Densmore, Mrs. Arthur Rice, Capt. and Mrs. E. Morgan, Capt. and Mrs. Elroy Peck, Mr. and Mrs. J. L. Warren, Capt. G. W. Harris, Rear River; Mr. and Mrs. Warren Harris, and Miss Lottie Sells, Annapolis Royal; Mr. and Mrs. G. D. Covert, Miss Ella Wilson, and Mr. Covert, Miss Frances, Mr. and Mrs. Owen Covert, Bridgetown; Mr. and Mrs. R. W. Tremaine, Mrs. A. W. L. Smith, Rev. A. M. McIninch, and Mrs. McNair, Capt. Elias and Mrs. Rawd- ing, Miss Hennessey, Clementsport.

On June, the 16th, at the home of Mr. and Mrs. L. D. Brooks, Hampton, N. S., fifty or more guests witnessed one of the prettiest weddings that ever took place in Hampton, who were their youngest daughter, Regina Pearl Saville, became the bride of Mr. Arthur Wendell MacFarland.

The ceremony was held at the home of Lower Granville, the bride was given away by her father, who placed beside the groom on the front piazza which was tastefully decorated for the occasion with apple blossoms and evergreen.

The home of Mr. and Mrs. William Robblee, Lower Granville, was the scene of an interesting event on Thursday morning, June 17th, when their niece, Miss Amy Ruby Litch, was united in marriage to Mr. Ralph Gordon Litch, son of Mr. and Mrs. Edgar Litch of Lower Granville.

LOCAL DEATH ROLL

MRS. ANGUS HIRTLE Mrs. Maggie May, wife of Mr. Angus Hirtle, passed away at her home in West Paradise Monday afternoon at 4 o'clock after three months' illness, aged 42 years. The deceased was a member of the Presbyterian Church and was highly respected by all who knew her and her death will be keenly felt by a large circle of friends in Annapolis and Lunenburg counties as well as other parts of the province. Besides a grief stricken husband she leaves four sons, Gordon, at Victoria Bridge, Ernest, Owen and Sanford, at home, and three daughters, Helen, at East Torbrook, Millie and Leta, at home. She is also survived by her father, Mr. Benjamin Hughes, and one sister, Mrs. William Crouse, of New Canada, Lunenburg Co., and one brother, Mr. Colin Hughes, of Massachusetts. The funeral takes place this (Wednesday) afternoon from her late home at two o'clock with interment in the Riverside Cemetery. The services will be conducted by Rev. D. K. Grant, pastor of the Bridgetown Presbyterian Church. The MONITOR extends its deepest sympathy to the bereaved ones.

BASEBALL NEWS

Bridgetown defeated Berwick in a ten inning game at Bridgetown on Wednesday night, the score being 8-7. This afternoon Kentville plays Middleton at Middleton; Bridgetown vs. Annapolis at Annapolis; Wolfville vs. Berwick at Berwick. On Friday evening, at 5.30, there will be a game between Berwick and Annapolis on the Bridgetown Grounds. This promises to be a fast game. Don't miss it. Miss Feodora Lloyd and Miss Mildred Lockett returned to Boston yesterday after a pleasant vacation spent at their homes in Bridgetown. Meet "The American Girl" at the Primrose Theatre Friday night. A. Warren for the use of the players.

TRANSFERRED TO ST. JOHN

Mr. D. J. McDougall, formerly of Loch Lomond, who has been for the past few months employed by the Foundation Co., at Glace Bay, where that company were sinking the shaft for the Dominion Coal Company, left by last evening's train for St. John, N. B., where he is transferred on excavation work. Mr. McDougall is a returned man who saw active service having gone overseas with the Royal Engineers Corps. ONE HOUR PER WEEK

The 40-hour week proposal at the convention of the Amalgamated Clothing Workers was drowned out for the moment by one for 36 hours per week. If that convention continues in session may days the delegates will go home with a demand for one hour per week and that on pay day.

A POPULAR PROFITEER

If Dr. Harvey W. Wiley, who says that physicians are profiteering as writers of prescriptions for whiskey, is right, the profiteer who is popular has at last been discovered.—Boston Transcript.

Sometimes a preacher's popularity can be measured by the shortness of his sermons.

KANSAS CANS PROFITEERS

They Deal With Them According to A System of Their Own

Out in Kansas they deal with profiteers according to a system of their own devising. They admit they got tired of the administrations method of stringing them along with the idea that it would do something sometime, so they went to work for themselves.

Several communities pool in their interests and force the merchants and traders to work under the supervision of a committee. If a merchant's price on an article is too high the committee send for him and explains to him that in the next town the same thing is selling for a price lower than his and kindly but firmly advises him to cut out the excess. The guffly merchant has to submit the dictum of the committee for the population of each of these cities is united against profiteering and the trader who tries to resist very suddenly finds himself losing trade and prestige.

The committees also censor bargain sale ads to determine whether the alleged bargains are real. If so, they are given the o. k. of the local chamber of commerce as a guarantee of their genuineness.

As reported, the plan appears to be accomplishing its object, and doing its bit toward local alleviation of the great national ill. The moral is obvious: co-operative effort of the public will accomplish things after other means fail.

WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she would not be without them. They are the ideal home remedy for the baby; being guaranteed to be absolutely free from opiates or other harmful drugs. They are a gentle but thorough laxative and have been proved of the greatest aid in cases of constipation, indigestion, colic, colds and simple fevers. Concerning their Mrs. Ernest Gagne, Beausejour, Que., writes: "I have used Baby's Own Tablets for constipation and colic and have found them so successful that I would not be without them. I would strongly recommend every mother to keep a box in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Pure Air is as Necessary as Pure Food

THE ENTERPRISE BLAZER FURNACE heats your home in Nature's way. It draws in the sweet pure air from the big outdoors, moistens it thoroughly, turns it into heat and comfort and passes it on to every corner of your home.

The best that base burners and radiators can do is to heat the air that is already in the house—that has been breathed again and again. Stoves choke the air with dust and in real cold weather they fall short of their job. Another reason for the

ENTERPRISE BLAZER FURNACE

is economy. For thirty five years we have been learning how to take all the heat out of a piece of coal; and then how to make most use of it. The Enterprise Blazer is the result. And it costs a great deal less to install than a hot water boiler, pipes and radiators.

Circular of Inspector Foster to Trustees of Schools

By a recent Act of the Legislature all property next year pays school taxes in the section in which it is situated, (except dyke lands.) In order to avoid confusion in the raterolls and to simplify matters both for Secretaries and Assessors the following adjustments in the boundaries of school sections were made at the Annual Meeting of the District Board of School Commissioners:

1. In sections where boundaries are not stated but defined as extending along a certain road, all lands within two and one-half miles of said road shall belong to such sections, if there is no conflict with neighboring sections.

2. All property owned by the residents of any school section cut by present boundary lines shall belong to the section in which the owner resides. All property owned by non-residents shall belong to the section or sections where said property comes to the public highway.

3. These regulations shall not pertain to sections which were on the Second Schedule previous to 1920.

4. The Inspector of Schools is hereby empowered to make such adjustments in the boundaries of sections as to enable the Secretaries to effectively and harmoniously make out their raterolls.

It will be seen that in most sections there will be little change in the rateroll. All property, however, separate and distinct, owned by a non-resident pays school taxes in section where it is situated. Will secretaries if possible, make out their raterolls without further inquiry or correspondence? This circular is issued to explain matters and no further correspondence should be necessary.

Take notice that September 30th is the last day allowed to secretaries for the posting of their rateroll. It is essential that all taxes be posted by that date.

There are two dates for the Annual School Meeting, the first Monday in March and the last Monday in June. Many sections, for the below reasons are favoring the earlier date.

On account of the scarcity of teachers it has become necessary to engage teachers in May and June. It is felt that the new trustee should have the say in the engaging of the teacher who serves under him. Again, trustees do not feel like engaging teachers until the funds have been voted to pay them.

Extensive repairs are often necessary, and the time between the June meeting and the opening of school is not long enough to provide the material and get the work done.

March is not as busy a time for the farmers and fishermen as June. Should any circumstances arise that the meeting could not be held on the day appointed, there is plenty of time for the Inspector to appoint another date in March or April, for the meeting.

Will all secretaries read the part of this circular pertaining to the Annual Meeting, at the next school meeting and have a vote taken, for and against, and record the same in the minutes. If a majority wishes a change I will endeavor to have the same carried out.

Bridgetown, N. S.,
June 15, 1920.

M. C. FOSTER,
Inspector of Schools.

WHAT THEY GOT

Two Irishmen being hard up, determined they would raise the wind by stealing a cow. After having driven the cow for about eight miles one of them, thinking of the money he expected to handle soon, said to his companion in crime: "Say, Bill, how

much do you expect to get for this old thing?" Bill, whose thoughts ran in different channels, answered: "About two year and a half, I reckon."

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. APPLE BLOSSOMS

(Written for the MONITOR)

Have you wandered thru the Valley,
when the apple trees are blooming,
When the robin in the maple tree his
cheery lay is tuning,
When the petals thru the balmy air
like butterflies are fluttering,
And frogs, in marshy meadow land, in
monotone are muttering?

Oh! the fragrance of the earth mold,
when the winter days are over;
And the bees are gaily humming,
gathering honey from the slover;
When the petals 'neath the branches
in the furrows rifted lie;
All the birds in chorus singing under-
neath a cloudless sky.

Have you culled the snow white
blossoms with their dainty fra-
grance laden?

Have you twined them in your tresses?
Tell me truly, little maiden,
If when apple trees are blooming, you
an orchard ne'er have trod,
You have missed the fairest vision
from the bounteous hand of God.

EVELYN FOSTER

THE FOURTH SPRAY

Two Weeks After the Blossoms Fall

(By G. E. Sanders)

The material for this spray should be either 2-10-40 or 3-10-40 Bordeaux and 1 pound of arsenate of lime to 40 gallons of water.

Very slight if any russetting will result from this spray and 3-10-40 may be used with safety and will give much better scab control.

The pests controlled by this spray are Apple Scab, "Pit Rot," Tussock Moth, Fall Webworm, Red Humped caterpillar, Yellow Necked caterpillar, Inky spot and storage rots.

During the past season it was demonstrated that approximately three times as much storage rot would develop on sulphur sprayed apples as on those that received Bordeaux for the last spray.

Some years ago it was demonstrated that Inky Spot would develop in storage on sulphur sprayed apples but did not develop on those sprayed with Bordeaux.

This spray is especially valuable in protecting the fruit against late infections of apple scab and in the control of "Pit Rot".

It is the most important factor in producing a large crop the following season by protecting the leaves from Apple Scab and so causing them to be retained until late in the fall and so producing a strong bud which is essential to a large crop the following year.
