Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. The President shall have the custody of the seal of the Society.

ARTICLE IV.

The Treasurer or Joint Treasurers, the Secretary or Secretaries, the Auditors and other necessary Officers of the Society, shall be appointed by the Central Board. The Secretary or Secretaries shall be allowed a salary or salaries and travelling expenses, under the direction of the Central Board, and may appoint an Assistant Secretary or Secretaries, subject to the approval of the Central Board, provided that such appointment shall entail no additional burden upon the Society. The appointments of Treasurer and Secretary shall not be for any specified period, but they may be removed at the pleasure of the Central Board.

ARTICLE V.

The Treasurer or Joint Treasurers shall receive all subscriptions, donations, rents, issues and profits, payable to the Society, for which purpose a paid Collector or Collectors may be employed. Such monies shall be deposited in such Bank or Banks as shall from time to time be indicated or approved of by the Central Board.

No money shall be paid by the Treasurer without the authority of a resolu-

tion of the Central Board, certified by the Secretary, expressing the name of the person to whom, and the purpose for which, the money is to be paid.

The Treasurer or Treasurers shall also have the custody of all deeds, bonds, securities and other documents relating to the property of the Society, (which, after registration, shall be deposited in one of the approved Banks,) and shall submit his or their accounts at the stated periodical Meetings of the Central Board.

ARTICLE VI.

The Secretary shall keep the Minutes of all the proceedings of the Society, as well as of the Central Board, and shall have the custody of and be accountable for the safe keeping of the same, and he shall be subject to the direction and control of the Central Board in all his duties and proceedings.

ARTICLE VII.

The Society shall meet annually on the first Wednesday in July, at Quebec, whereof not less than fifteen days notice shall be given by the Secretary, in at least one of the leading Newspapers in Quebec, and elsewhere as may seem to him expedient. A Special Meeting of the Society may be called at any time by the President, or in his absence from the Diocese, or in the event of a vacancy in the See, by two of the Vice Presidents and ten other members of the Society, by a written order to the Secretary, who shall notify the same in the manner hereinbefore provided in respect of the Annual Meetings.

ARTICLE VIII.

Persons subscribing 25s. per annum, or giving a contribution once for all of £12 10s. shall be capable of being elected Members of the Corporation, (in the latter case for life.) at any meeting of the Society.

Contributors may limit and direct any portion, not exceeding one half, of their contributions, to be applied to special objects within the designs and purposes of the Society.

Lists of the Persons so subscribing or contributing, shall be furnished by the Treasurers of the District Associations, or by the Treasurer or Treasurers of the Society where there shall be no District Association, to the Secretary of the Society, to be laid before the next meeting of the Society at which an election may take place.

No Annual Subscribers, not being Life Members, shall be eligible to any office at the Meetings of the Society, or capable of voting, or using any other privilege as Members of the Corporation, until all arrears of subscription, accrued subsequently to July 1st, 1850, shall have been paid in full.

ARTICLE IX.

Of the Central Board.

There shall be a Central Board for the Management of the general business of the Society, consisting of the President, the Vice-Presidents, and the other Officers of the Society, the Incumbent and Church Wardens of every Church or Chapel of the United Church of England and Ireland within the Diocese, being members of the Corporation, and of such others as shall be chosen annually at the General Meeting of the Society, from among the Members of the Corporation.

The Board shall meet three times a-year, at Quebec, on the Wednesday nearest to the 15th May, and 10th October, and on the Friday next after the Annual Meeting. Special Meetings may be called by the President, or, in his absence from the Diocese, or in the event of a vacancy in the See, by two of the Vice-Presidents, and four members of the Board: and not less than seven

Members present at any meeting shall form a quorum. When a sufficient number of members to form a quorum shall not assemble on the regular day of meeting, the members present shall have power to adjourn to another day, and so on *toties quoties*, until a quorum shall be found; and business shall and may then be proceeded with.

The Central Board shall have authority to make such rules as may be necessary for the Government of its own affairs, provided that none of them be contrary to, or inconsistent with, the spirit of the Constitution or By-Laws of the Society.*

ARTICLE X.

Of District Associations.

In connexion and correspondence with the Central Board, there shall be formed District Associations. (except in the City of Quebec, and the Banlieues thereof,) to be composed of the Clergy, and all other Members of the Society resident within the bounds of such Districts; a contribution of 5s. per annum constituting membership of such District Associations. The District Associations, (except as hereinbefore excepted,) shall continue as heretofore settled by the Central Board of the Society, before its Incorporation; until otherwise hereafter determined by the Central Board. The senior Clergyman holding a Pastoral Charge within such bounds, and being a member of such Association, shall be, *ex officio*, Chairman thereof:—they may have a Secretary and Treasurer, and shall meet at such places as they may themselves determine; at one of which meetings the officers shall be appointed and a report of the proceedings of the year read. The District Associations shall have authority to make rules for the government of their own affairs, provided such rules be not contrary to, or inconsistent with, the Constitution or By-Laws of the Society. They shall report annually to the Central Board, at least one month before the Annual General Meeting of the Society, (and at such other times as the Secretary, on behalf of the Board, shall require,) a statement of their proceedings, and a detailed account of the monies received and expended by them during the year.

ARTICLE XI.

Of the Sub-Committees of the Society.

For the more effectually carrying on the designs of this Society the Clergyman and Church Wardens in every Parish and Missionary Station, and the Ministers and Wardens of every Chapelry within the Diocese, shall be a Sub-Committee of the Society, in correspondence with the District Association, within whose bounds such Parish or Missionary Station is situated, or in the City of Quebec, with the Central Board, through the Secretary of the Society. This Committee shall meet as often, and at such periods, as they themselves shall decide to be most convenient, inviting the co-operation of all the Parishioners, in their deliberations and designs. They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavour, by every means in their power, to augment the resources of the Society. One sermon at least shall be preached during the year within the limits of each Parish, Station, or Chapelry, on such Sunday as the Bishop shall appoint, in favor of some one or more of the objects of the Society; and a collection shall be then made in aid thereof, the proceeds

* It is one of the rules of the Central Board that no application for a grant of money shall be entertained by the Board, unless such application shall have reached the hands of the Secretary, a fortnight at least before the next ensuing meeting of the Board.

of which shall forthwith be remitted to the Treasurer or Treasurers of the Society; any Parish, Station, or Chapelry, in which such sermon shall not have been preached, shall not be considered entitled to any grant or benefit from the Society, until a sermon shall have been so preached.

All other monies raised by such Sub-Committees, shall be remitted to the Treasurer of the District Association; or to the Treasurer or Treasurers of the Society where such monies shall have been raised within the city and Banlieues of Quebec.

ARTICLE XII.

One half of all the monies paid into the hands of the Treasurers of the District Associations, respectively, and not specially appropriated by the contributors, shall be transmitted to the Treasurer of the Society, to be at the disposal of the Central Board, and the remaining half of all such collections shall, when required, be expended within the Parish or District in which they have been made, for such objects only as are specified in the Constitution of this Society:—the allotment to be made by the Committee of the District Association. All monies, remaining unappropriated at the General Annual Meeting of the District Association, shall be forthwith transmitted to the Treasurer or Treasurers of the Society to be at the disposal of the Central Board.

ARTICLE XIII.

Of the Lay Committee of the Church Society.

A Lay Committee, consisting of not less than thirteen members shall be chosen, at the first Meeting of the Central Board after the annual Meeting of the Society, from among the members of the Corporation. Three members shall form a quorum, and they shall have power to fill up any vacancies which may arise within their own body, and shall be governed by the Constitution, Rules, and Regulations adopted and in force before the incorporation of the Society, until the same shall be altered by the Committee or by the Society at the General Meeting.

The proceedings of the Lay Committee shall be subject to the sanction of the Bishop of the Diocese. The clerical and other members of the Central Board may attend at any of the General Meetings of the Committee, and may propose and discuss matters therein, but shall have no vote; and the Committee shall report their proceedings to the Central Board at their stated meetings. The objects of this Committee shall be:

First—The placing the clergymen, now resident and doing duty in the Province upon a just footing as regards the sufficiency and permanency of their incomes.

Secondly—The providing for the permanent and adequate support of an increased number of clergymen, so that, with the least possible delay, the members of the Church, in every portion of the Diocese, may have the means of access to a church within a practicable distance.

Thirdly—The building, in every place where it may be required, a Church of stone or brick, upon a well considered plan, as to dimensions, external form, and internal arrangement, keeping in view the probability of its requiring enlargement.

Fourthly—The building, in a good situation, convenient to the Church, a comfortable Parsonage of brick or stone, the plan of which should be carefully considered, with reference to size and internal arrangement, and should admit of additions being made, with the sanction of the Bishop.

Fifthly—The insuring such Churches or Parsonages against losses by fire.

Sixthly—The procuring an adequate and permanent support for all the Institutions, authorities, and functionaries, suitable and appertaining to the Establishment of the Church of England in this Diocese.

Seventhly—The investing all life subscriptions, (unless so far as the application of these may be otherwise limited by the contributors,) in a permanent and accumulating Fund, in which the interest only shall be applied to the general purposes of the Society.

Eighthly—The encouraging the formation of a Local Endowment Fund, at every station or place having a Church or Clergyman, by special contributions, or by setting apart a portion of the Pew-rents, to form an accumulating fund until the net income shall in each case amount to £50 per annum; for the more effectual promotion of which object the Society will engage, whenever such fund shall be formed and shall amount to £100, invested in Bank-stock, or other public securities, to add thereto an amount not exceeding £100; provided always that such investment shall stand in the name of the President of the Society.

Ninthly—The management and the superintendence of all lands belonging to the Society.

ARTICLE XIV.

All meetings of the Society and of the Committees shall be opened and closed with the Prayers used by the two Societies in England, adapted to our situation under the direction of the Bishop.

No alteration or amendment in the constitution or By-laws of the Society shall be made unless such alteration or amendment shall be proposed at one and adopted at another General Meeting of the Society, provided that not less than one month intervene between the two Meetings and that the object of the Meetings be stated in the advertisement by which they are called. At all Meetings of the Society, of the Central Board, or of Committees, the Chairman, in case of an equality of votes, shall have a double or casting vote.

ARTICLE XV.

Whereas some members of the Church, who are not unmindful of the great Spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a Gracious Providence has blessed them, towards the spread of the Glorious Gospel among the nations which still sit in darkness; the Society will gladly receive and forward to the Society for the Propagation of the Gospel, the Church Missionary Society, or the London Society for Promoting Christianity among the Jews, whatever sums may be given for the conversion and instruction of the Heathen or the Jews.

**Prayers to be used at all Meetings of the Society,
AND OF ITS SEVERAL ASSOCIATIONS.**

Prevent us, O Lord, in all our doings with Thy most gracious favour, and further us with Thy continual help ; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by Thy mercy, obtain everlasting life ; through Jesus Christ our Lord. *Amen.*

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live ; Have mercy upon all Jews, Turks, Infidels, and Hereticks, and take from them all ignorance, hardness of heart, and contempt of Thy Word ; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be one fold under one Shepherd. Prosper, O Lord, the labors of those Societies of the Church in the land of our Fathers, which Thou hast deigned to use in the promotion of this object, and which have nourished the Church in the Colonies ; and bless in like manner with Thy Holy Spirit and Providential succour the Society in whose cause we are now met, and the undertakings which we have now in hand. " Prosper Thou the work of our hands upon us ; O prosper Thou our handy work," for the sake, and through the merits of the same Thy Son Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. *Amen.*

Our Father, which art in Heaven, Hallowed be Thy name. Thy Kingdom come. Thy will be done in earth, As it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, As we forgive them that trespass against us. And lead us not into temptation : But deliver us from evil : For thine is the kingdom, the power and the glory, For ever and ever. *Amen.*

THE ANNUAL GENERAL MEETING

WAS HELD, AT THE

National School-House, Quebec,

ON WEDNESDAY, 2ND JULY, 1851,

At Seven o'clock, P.M.,

(Divine Service having been performed at the Cathedral, in the forenoon, on the occasion of the Triennial Visitation of the Clergy of the Diocese, held by the Lord Bishop.)

The LORD BISHOP took the Chair, the Clergy, in their gowns, being seated on his right, and the Lay Delegates, who had been chosen to represent the different parishes and missions, on his left.

After the usual prayers, His Lordship called upon the Secretary to read the Annual Report.

The Report having been read, it was moved by the Rev. S. S. WOOD, M. A., Rector of Three Rivers, seconded by T. TRIGG, Esq., Delegate from Nicolet, (in the absence of the Hon. W. WALKER,) and Resolved,

1. That the Report now read be received and adopted, and printed under the direction of the Central Board.

Moved by Rev. D. FALLOON, D. D., seconded by Rev. Official MACKIE, D. D., and Resolved,

2. That this meeting desires to express its devout thankfulness to the Giver of all good, for the continuance of His blessing upon the labours of the Society, and would see in the renewed encouragement thus afforded, an incentive to renewed exertion.

Moved by the Rev. I. HELLMUTH, of Sherbrooke, seconded by the Rev. C. F. REID, of Compton, and Resolved,

3. That this Meeting desires to express its thankful sense of the benefits which promise to accrue to the Church from the recent division of the Diocese of Quebec, and the manner in which that arrangement has been effected; and at the same time to signify its cordial interest in the success of the sister Association formed within that Diocese, as well as of the corresponding Institutions in the other Dioceses adjoining.

Moved by the Rev. Principal NICOLLS, seconded by H. S. SCOTT, Esq., and Resolved,

4. That we rejoice in the joy of the benevolent Society for the Propagation of the Gospel in Foreign Parts upon occasion of its third Jubilee celebration, and respectfully request the Lord Bishop of the Diocese, to carry out the designs recommended by our Metropolitan, the President of the Society, and in particular, to cause that sermons be preached throughout the Diocese on Advent Sunday next, in aid of the various objects contemplated by the Society, —the proceeds of such sermons to be forwarded to England, in dutiful acknowledgment of what we owe to the society, and of the interest with which we regard its labors of love. *

* The Central Board also passed the following Resolution, in connection with this subject, at its Meeting on 4th July :

“That, under the authority of Article XV., of the By-Laws of the Church Society

Moved by J. B. FORSYTH, Esq., (in the absence of Hon. E. Hale, of Portneuf,) seconded by Hon. E. HALE, of Sherbrooke, and Resolved,

5. That this meeting, while it desires to express its deep and poignant sense of the injustice attempted against the Church in the Colony in the proposed measure for the alienation of the Clergy Reserves, and of the disastrous consequences to Religion, which the execution of that measure would involve, would appeal to all the Members of the Church, to recognize the call which lies upon them for using their utmost exertions to resist the said measure.

Moved by Rev. A. BALFOUR, of Kingsey, seconded by ROBT. HAMILTON, Esq., (delegate from New Liverpool,) and Resolved,

6. That the thanks of this Society be given to its Officers, and those of the different District Associations, for their zealous and efficient discharge of their respective duties during the past year.

Moved by Rev. E. C. PARKIN, of Valcartier, seconded by W. JENKINS, Esq., (delegate from Pointe Levi,) and Resolved,

7. That the following gentlemen be elected members of the Corporation :

The Revds. W. King, and S. H. Simpson ; Lieut. Ashe, R. N. ; Professor Chapman of Bishop's College ; and E. Burstall, J. Young, W. G. Ross, W. Andrew, A. T. Galt, R. Roberts, H. N. Jones, and E. Jones, Esquires.

Moved by Rev. J. CARRY, seconded by J. MACLAREN, Esq., and Resolved,

8. That the following gentlemen be requested to accept office as Vice-Presidents of the Society for the ensuing year : (see List of Officers, p. 3) ; and that the Central Board consist of the following gentlemen (see—do.)

Mr. Scott then gave notice that, at the next meeting of the Society, he will move that the word " Thursday," be substituted for the word " Friday," in Article IX., and the words " 10th January," inserted before " 15th May," and also that Article VIII., which fixes the qualification for Membership at 25s. Annual Subscription, be amended, by substituting 10s. for 25s.

It was then moved by Rev. W. WICKES, seconded by Rev. C. P. REID, and Resolved,

That a Committee be appointed to revise the By-Laws of the Society, and particularly to consider the expediency of reducing the qualification for Membership, and that this Committee consist of J. B. Forsyth, Esq., (Chairman,) the Rev. E. W. Sewell, the Rev. W. King, H. S. Scott, Esq., and the Treasurer and Secretary of the Society, and be directed to report to the next meeting of the Society.

In the course of the proceedings, the Secretary read a letter from the Rev. W. Bond, Secretary of the Church Society of the Diocese of Montreal, expressing the interest felt by that body in the prosperity of the Church Society of the sister Diocese, and communicating a Resolution of the Society to that effect.

The Doxology having been sung, the Meeting was dismissed with the benediction by the Lord Bishop.

A Special Fund be opened for receiving the Contributions of any persons who may be disposed to make offerings in commemoration of the Jubilee of the Society for the Propagation of the Gospel, irrespectively of the collections to be made in Churches and Chapels, and that the Incumbents and Wardens of the different Parishes and Missions in the Diocese be requested to take measures for soliciting and collecting such donations, which shall be remitted, before the 10th January next, to the Treasurer of the Society at Quebec."

ANNUAL REPORT.

The Central Board, in presenting its Annual Report to the members of the Church Society, feels itself called upon to "offer unto God thanksgiving" for the brighter prospects which seem to have opened up to the Church at large, (in this portion of the Lord's vineyard,) and to the Society in particular, during the past year.

The division of the old Diocese of Quebec into the two existing Dioceses of Quebec and Montreal, is an event which must have been hailed by us all, as destined, under the Divine Blessing, to increase the stability and efficiency of the Church among us; nor can we have failed to observe, with peculiar satisfaction and heartfelt gratitude, the grace of God bestowed upon the mother Church,—whereby, in the short space of four months, the sum necessary for the endowment of the new Bishopric was raised,—and the gratifying welcome which all parts of the Diocese hastened to tender to their newly-arrived Diocesan. Nor have subsequent circumstances at all tended to disappoint the pleasing anticipations at that time formed. But your Board has mainly referred to this important event, from its bearing upon the Society, whose Anniversary we are this day assembled to commemorate.

The Society, which meets now, is not the Society, which met for a similar purpose, a year ago. Early in October last, and soon after the division of the Diocese, a Special Meeting of the old Society was held in Montreal, at which it was determined to petition the Legislature for a new Act of Incorporation, constituting a separate Society in each of the new Dioceses, and a Committee was appointed to consider what steps were necessary to be taken, in order to effect the division thus contemplated.

The Committee, at its first meeting, appointed two Sub-Committees, one in Quebec, and the other in Montreal, to draw up a statement of the Receipts and Expenditure, as if there had been two separate Societies from the first;—these Sub-Committees being directed to divide equally between the two Dioceses all incidental expences, and all amounts collected from persons not resident in the old Diocese of Quebec.

Proceeding upon these principles, the Sub-Committee in Quebec carefully analyzed the published Reports and Treasurers' Accounts of past years, carrying on their examination to the commencement of October last, and after a minute and diligent investigation, (subsequently verified by the Sub-Committee at Montreal,) it was found that the result obtained (and a gratifying result it appeared to the Committee) amounted very nearly to *an equal division of the property of the Society.*

The Committee reported to a Special Meeting, held in Quebec, on 13th May last, and recommended, (with certain slight modifications,) a Bill which had been prepared by the Honorary Counsel of the Society.* Their report was adopted, and the Bill has been since placed in the hands of the Hon. W. Badgley, who has kindly engaged to take charge of it in the House of Assembly. It has already been read a second time, and been printed by order of the House, nor is there any reason to apprehend opposition to it, in its progress through the several branches of the Legislature.

It may be added, that the Bill contemplates no further changes than such as are absolutely necessary in the former Act of Incorporation.

Grants.

The amount of Grants made by the Board during the past year has been but small :

Towards fencing the Parsonage Lot at Valcartier,	£10	0	0
“ the new stone Church at Fief Cumberland,	25	0	0
“ the purchase of Glebe Lot in New Ireland,	12	10	0
To the widow of the late Rev. J. Simpson, annually,	25	0	0

It will however be remembered that the amount expended in grants last year considerably exceeded that of any former year ; and the Board would add that several calls will be made upon the funds of the Society at the next meeting, which will have every claim for aid at their hands.

Quebec.

It is pleasing to be able to report, that the amount collected within the Parish of Quebec again exhibits an increase over

* This lot is to be purchased by Annual Instalments, the people upon the spot being expected to pay one half of each instalment as it becomes due. A more than sufficient sum for this purpose has been received this year.

that of last year. The plan, adopted by the Societies at home, of taking up weekly, monthly and quarterly Subscriptions, by the aid of voluntary collectors, has been continued, and may, it appears to the Board, be still farther extended with marked benefit to the Society. At the same time, the Board avails itself of this public opportunity of returning thanks to those, who, at much sacrifice of time and patience, have labored in collecting (here a little and there a little) those trifling amounts, which, when added together, constitute no small portion of the Society's Income.

The Collections, after Sermons for the Widows' and Orphans' Fund, amounted to.....	£94	12	6
Do., for the general purposes of the Society....	75	15	1
Annual Subscriptions and Donations.....	179	7	4
Life Subscriptions.....	25	0	0

£374 14 11

Being an increase of upwards of £50 over the amount raised last year.

Encouraging as this result is, the Board feels itself called upon to urge the friends of the Society, in Quebec, to renewed efforts in its behalf, since, without the utmost exertions in this, the head-quarters of the Diocese, the Society must be soon materially crippled in its means. It must be remembered that most other parts of the Diocese are but poor, and must for years have local wants pressing on them to an extent which will prevent their contributing largely to the funds of the Society.

St. Francis District Association.

This Association has not during the past year been idle. Besides meetings in most of the Missions, a general revision of the By-Laws was determined on at the Annual Meeting of the Association, in January last. The plan adopted in this revision appears to have been an excellent one, and may be mentioned as a model from which other Associations may copy. A Committee was first appointed to draft a new set of By-Laws. This Committee met several times, and, having performed the task assigned to it, sent round copies of the draft it had prepared, to the several Clergy of the Association, with the request that they would make any suggestion upon it which might to them seem advisable. The Committee then again,

with these suggestions before them, re-examined the draft they had originally drawn up, and finally submitted the result of their labours to a Special Meeting of the Assembly. The By-Laws thus passed will probably be printed as an Appendix to the forthcoming Report.

It may appear to some members of the Society that much labour was thus unnecessarily thrown away. But yet the practical man well knows and will appreciate the difficulty of drawing up a Code of By-Laws, which shall organize an Association in just such a manner as shall make it most efficient for the purposes contemplated, which shall meet the several emergencies that may arise, and which shall be clearly expressed without being diffuse. Indeed, the By-Laws of the Parent Society, though drawn up and subsequently revised with the greatest care, do not work practically as well as might be wished, and are an instance of the necessity of gathering in advice from every possible quarter, when the subject to be legislated on is of a new and peculiar character.

It is hoped that, with these new By-Laws, this Association will work with fresh vigour. It is, indeed, gratifying to be able to state, that in some of the Missions of the District, in which, of late years, but little had been done for the Society, the old spirit has already revived, and the friends of the Society have the satisfaction of seeing larger returns from the Sermons delivered on account of the Society, and a list of Annual Subscriptions, from places which before had shewn but a blank in the Society's reports.

The Reports, from the several Missions, exhibit a total amount of £137 3s. 5d., contributed to the funds of the Society, being an increase of £32, over that of last year : £6 12s. 8d. of this amount is from the newly formed Mission of Dudswell and Ham ; and £9 10s. from the very poor Mission of Bury. A sum of £474 is also mentioned, as raised, within the District for local Church purposes. Total £611 3s. 5d.

The Board has pleasure in drawing attention to the statement of the Secretary, that in most of the Missions of this District, (which he visited, officially, during the past winter,) he found the members of the Church, though in some cases but a small band, actively engaged in establishing permanently the Church among them, or in giving efficiency to her ministrations. In Eaton, for instance, a Parsonage has been lately secured, three-fourths of the cost of which has been defrayed by the inhabitants of the mission, and the Church has been neatly restored at a still further expence.

In Melbourne, steps have also been taken for purchasing a Parsonage and Glebe for the resident Missionary. At Compton, and Dudswell, subscription lists have been opened for the erection of new Churches, (in the former place of stone,) eligible sites for which have been already given. At Lennoxville, a bell and organ have been purchased. At Sherbrooke, £150 have been raised from the people for various Church purposes: and at Kingsey and Durham sums have been collected towards the repairs of one and completion of the other Church.

Megantic District Association.

The Secretary reports having been present at the Annual Meeting of this Association, held at Pointe Levi, on the 8th January last, and having been much gratified by the lively interest manifested on the occasion.

At this period, the Megantic District Association was without a code of By-Laws, and much inconvenience, as might have been expected, had been the result. Since then, however, steps have been taken to procure the passing of a code. The Board would earnestly call upon the Association to organize itself as speedily as possible, and adopt measures for regular meetings in the several missions on behalf of the Church Society.

£83 13s. 10d. have been raised within this District, on account of the Society, (shewing an increase over last year,)—and £155 8s. 1d. for various local purposes. Total £239 1s. 11d.

The Mission of East Frampton is at present busily engaged in rebuilding in stone, and in a substantial style, the Church which was destroyed by fire in the spring of last year. It is expected that the building will be roofed in by the 1st September next.—In the Rev. W. King's extensive mission, several works are in contemplation, towards which money and labour have been promised, and among them a new stone Church is progressing towards completion, at Cumberland Mills, the site of which, together with 200 acres, and £100 in money, were a gift from the late E. Harbottle, Esq.—In the Mission of New Ireland, £30 per annum has been engaged to be raised by the congregation of the second Inverness Church, should a resident Clergyman be established among them.—It is gratifying to be able to add that a remittance has been received this year, for the first time, from the residents at Grosse Isle, amount £7, in addition to the sum above reported.

Three Rivers District Association.

But a small amount is reported as raised within this District, which has lost Sorel, one of its most important missions, and Berthier, in consequence of the recent division of the Diocese.

Raised for the Church Society, £19 3s. 9d.

The Nicolet Endowment Fund, still continues to receive

additions, £30 having been collected for that purpose during the past year. At Drummondville, a new stone Church is in process of erection.

Portneuf District Association.

A new Mission has been opened within the limits of this Association, during the past year, and, as the people were required to guarantee £25 a year to the Missionary, it has not been found practicable to make the usual demand upon them as subscribers to the Society.

Yet from the three Missions that constitute this Association, £31 2s. 11d. have been collected, being an increase over the amount of last year.

Parochial Meetings were held, during the past winter, at Valcartier and Stoneham, at which several of the neighbouring clergy and the Secretary attended. These meetings have been attended with this satisfactory result, that the subscription list from this Mission has been nearly doubled: £6 16s. having been raised at Valcartier, and £2 7s. 6d. at Stoneham. The *whole* of which amounts have been forwarded to the Parent Society.

One hundred acres have been deeded to the Church, at Portneuf, during the past year, by the Hon. E. Hale.

Gaspé District Association.

The returns from this District are only on account of sermons, and amount to £14 19s. 6d.

An additional Mission has been added to this Association also during the past year, by the subdivision of the Missions, previously existing. In two of the Missions, thus newly constituted, steps have been taken for the erection of Parsonage Houses, and in one of the older Missions (that of Cape Cove,) the people have exerted themselves to rebuild the residence of their Clergyman, which was destroyed by fire last Autumn.

It is hoped, that before the Society meets again to receive the Report of the Central Board, Parochial Associations will be in active operation in the several Missions of this District.

Officers of the Society.

It is again the melancholy duty of the Board to record the decease of a tried and valued servant of the Society, W. Bennett, Esq., the late Treasurer. After this gentleman had held the office about nine months, it seemed good to the All-wise One, who ordereth all things aright, to remove him from his sphere of duty here below. The death of such a man cannot be otherwise regarded than as a public loss.

R. Symes, Esq., has been appointed Treasurer in his stead

and during the past year the Rev. W. Wickes has discharged the duties of Secretary and Travelling Agent of the Society.

Travelling Missionaries.

The Rev. J. Carry, having passed the summer at the Quarantine Station, Grosse Isle, laboured during the winter and till the middle of May last in the destitute settlements of the Eastern Townships. The spiritual destitution and ignorance of the inhabitants of these parts, is referred to in the journals sent in from time to time to the Central Board of the Society by this gentleman in strong and moving terms. At the same time, the apathy exhibited by the people in general, tends much to damp the exertions of a laborer in a field that might seem to promise an abundant harvest. Assuredly, if faith and love are needed in any duty it is in such a task as this: and for such men the prayers of their Brethren in the Lord are specially required.

The Secretary has been appointed to the duties generally discharged during the summer by the Travelling Missionary, viz.: those of Chaplain to the Quarantine Station, at Grosse Isle.

In conclusion, the Board would express a hope, that with the New Act of Incorporation, new life may be infused into the working of the Society. The experience of eight years should surely not have been thrown away upon us. And now a favorable opportunity occurs for an examination into the deficiencies and imperfections which may have marked the system hitherto pursued. Certainly, the Society is not as generally known, is not as cordially supported as it deserves to be. It becomes us then to enquire why this is the case, and to see if measures cannot be taken to excite a more general interest in its proceedings, and thereby vastly to increase its importance and efficiency. It does appear to the Board that every member of our Church should have it distinctly laid before him, that *it is his duty* to support a Society, which embraces, within its comprehensive range, almost every department of exertion that *can* be contemplated by a religious association. And be it remembered, that this is the *only* Society, of the kind, working within this Diocese.

Indeed, as Christ loved His Church and gave himself for it, so should every Member of the Church, within this Diocese, love and lend a helping hand to a Society, which, as far as its objects are concerned, is identified with the true interests and permanent establishment of the Church among us; and, which, whilst it enables others to fulfil the Apostolic precept, "To do good, and to communicate forget not," would wish ever, in all its operations, to keep before its eyes its own motto, *PRE ECCLESIA DEI*, "For the Church of God."

LIFE MEMBERS.

[It is proposed, in the new Act of Incorporation, to allow the Life Members to make choice of the Diocese with which they may wish to be connected. As this Act is not yet in force, it has been thought better this year to insert the whole of the names of Life Members of the old Society.]

In case of his absence from any meeting of the Association or Committee, the Senior Clergyman present at the opening of the meeting shall preside.

3. The SECRETARY shall give notice of all meetings of the Association or Committee, and shall draft the Annual Report and keep minutes of all proceedings of the Association and Committee.

4. The TREASURER shall receive all monies of the Association and remit such as are not appropriated by the Committee to the Treasurer of the Diocesan Society; and shall submit a statement of his accounts at the Annual Meeting of the Association.

5. The COMMITTEE shall consist of the Clergy of the District, and the Wardens of the several Churches, the Secretary and Treasurer of the Association, and such others as shall be chosen at the Annual Meeting of the Association; six of whom, three clerical and three lay members, shall form a quorum.

6. It shall be the BUSINESS OF THE COMMITTEE to receive the report drawn up by the Secretary, and to alter, amend, or approve the same; to receive and decide on applications for grants of money, to sanction any outlay made by officers of the Association, and to make the necessary preparations for conducting the Meetings of the Association. But the amounts granted by the Committee shall not exceed one half of the subscriptions raised during the year in the District.

7. The Committee shall MEET on the day previous to any Meeting of the Association at such time and place as shall be notified by the Secretary.

III. Of Sub-Committees and Parochial Associations.

1. The Clergyman and Churchwardens of each Parish or Mission form a SUB-COMMITTEE therein, of which the Clergyman shall be ex officio Chairman.

2. They shall report annually to the Committee of the Association the sums raised in the respective Missions; stating, if there be any special donations, for which of the general purposes of the Society they are made, and making application for the half allowed to be appropriated by the Committee, if needed, specifying for what purpose it is required. They shall also mention what sums have been raised for local purposes and give any further information, which they shall wish to appear in the Report of the Association.

Such reports must be signed by the Clergyman and at least one of the Wardens, and be sent in to the Secretary on or before May 15, or they will receive no attention.

3. The Sub-Committee in each Parish or Mission shall in conjunction with those of parishioners who are willing to assist them, constitute a PAROCHIAL ASSOCIATION. Each Parochial Association shall appoint its own Secretary and Treasurer, who shall be ex officio members of the Sub-Committee; and shall have power at any of its meetings to add to the number of such Sub-Committee. The Chairman (or in his absence the Churchwardens) shall summon Meetings of the Parochial Association.

NOTE.—It is desirable that the Clergy who intend to be present at the Meetings of the District or Parochial Associations, communicate their names to the Incumbent of the place where any such Meeting is to be held, in order that Provision may be made for their entertainment.

It is also recommended, that besides the notice during Divine Service, a written notice be put up, on the Church door, of the time and place of meetings.

The Committee has also adopted as Rules:—

1. That the Sacrament of the Lord's Supper shall be administered at all Morning Services preceding the Meetings of the Association.

2. That the Clergy shall all be present at the Morning Services and at the Meetings of the Committee as well as at the Meetings of the Association.

3. That the Clergy shall attend both the services and the Meetings of the Association in gown and bands.
