A growing demand for Popular Priced Men's and Young Men's Suits, we have stocked heavy on lines to sell for \$12, \$15, \$18 and \$20—of course this does not affect our higher priced range from \$22 to \$38. We are very strong on all lines in the better made garments, and our highest priced suits are all hand-made and not equalled by any house at any price. When it comes to fitting and pleasing customers we flatter ourselves that few in the trade can do it better. Further, you never have to keep any garment that is not according to your ideas of what it should be, and if we cannot please you with something to replace it, you get your money back with the same cheerful smile that we had when we accepted it.

We have a store full of all kinds of clothes for your summer needs.

PUBLIC AMUSEMENTS

"The Trail of the Lonesome Pine"

Probably the greatest story ever written of the south and dramatized by Eugene Walter will be produced at the Princess next week with Charlotte Walker in the title role of June, the mountain girl. The dramatist has emphasized Mr. Fox's delightful character, June, and those who followed the story of her love for the engineer in the book, John Hale, and met the various other interesting people, will revel in the visualization of the stage characters. There is a strong ode in support of Miss Walker, including W.

BANISH PIMPLES AND ERUPTIONS

IN THE SPRING MOST PEOPLE NEED A TONIC MEDICINE

One of the surest signs that the blood is out of order is the pimples, unsightly eruptions and eczema that come frequently with the change from winter to spring. These prove that the long indoor life of winter has had its effect upon the blood, and that a tonic medicine is needed to put it right. Indeed there are few people who do not need a tonic at this season. Bad blood does not merely show itself in disfiguring eruptions. To this same condition are due attacks of rheumatism and lumbago; the sharp stabbing pains of sciatica and neuralgia; poor appetite and a desire to avoid exertion. You cannot cure these troubles by the use of purgative medicines—you need a tonic, and a tonic only, and among all medicines there is none can equal Dr. Williams' Pink Pills for their tonic, life-giving, nerve-restoring powers. Every dose of this medicine makes new, rich blood which drives out impurities, stimulates every organ and brings a feeling of new health and energy to weak, tired, ailing men, women and children. If you are out of sorts give this medicine a trial and see how quickly it will restore the appetite, revive drooping spirits, and fill your veins with new, health-giving blood.

You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

S. Hart, Austin Webb, George Woodward, Lillian Dix and Vida Reed.

"The Runaway." Miss Billie Burke returns to Toronto the week after next in "The Runaway," which will play at the Princess Theatre during the entire week. In this comedy she makes love to a noted artist old enough to be her father, but his heart is young, and so it is a suitable match.

The Durbar in Kinemascope. Next week at the Royal Alexandra there will be a glorious reproduction of nature's own colors of the glittering pageant of the recent Durbar in India, when the King and Queen were proclaimed as emperor and empress amidst great scenes of splendor. Last year the Kinemascope was first introduced in this country, and made an instant triumph. The pictures will be shown at this theatre for two weeks.

"The Barrier." Rex Beach's famous tale of the frozen north, which has been dramatized, will be produced at the Grand next week, and, like the story, the clean-cut and pronounced characters will be realistic. The play is one of thrills and represents to a nicety the people who held sway in the Yukon and Alaska in the days of the rush.

Shea's Vaudeville. Emma Carus, the mirthful comedienne, heads an excellent bill next week. Miss Carus has just finished a starring tour in "Up and Down Broadway." Among the other features will be the original Joe Jackson, trick cyclist; Mr. and Mrs. Jimmy Barry in "The Rubo"; Weston, Florida and Carroll in snappy songs; Frozin, the wizard of the accordion; and the four London, acrobats and champions of the air.

"Dreamland Burlesquers." Dave Murton's squad of burlesquers will open at the Gayety next week, and Dave himself will be the principal feature as of yore. "Stageland" is the title of the first act. There is a capable chorus of thirty good looking and a group of high-spirited comedians and vaudeville artists.

Star Theatre Stock Company. Beginning Monday afternoon the new stock company will put on a high-class entertainment, which will be a criterion of what is to follow during the summer months. The paragon score-board will come by an extra attraction. Added to the list of artists to assist Tony Kennedy and Peatrice Harlowe are Miss Dale Wilson and a chorus of thirty well-trained women. The casts consist of nine in all.

The Toronto Alumni Association, who are holding their annual meeting and dinner at McConkey's on Tuesday next, the 7th inst., have been taking quite an interest in the work of the University Settlement.

The Settlement has its headquarters on Adelaide-street west, and is managed by various graduates and members of the faculty upon lines similar to such institutions in England and the States. It seeks to look after the moral and physical interests of those in its neighborhood by means of lectures, physical instruction, classes and musical evenings, and is doing an admirable work.

The relationship of the Alumni Association to the Settlement will be the subject of discussion at the meeting at which all graduates, whether members of the association or not, will be welcome, and President Falconer, who has taken an active personal interest in the Settlement, will go fully into the matter. Tickets may be secured from Mr. Hugh L. Hoyles, 46 King-street west.

Heintzman & Co.'s Big Piano Sale. Very naturally the announcement of the old firm of Heintzman & Co., Ltd., 183-185-187 Yonge-street, Toronto, that they were making quick clearing of between one hundred and one hundred and fifty square and upright pianos, and player-pianos, has created the largest kind of interest. This firm are so well-known for doing things on a big scale and for their generous bargains are expected and the people are not being disappointed. We are told that the sales of the piano for the month of April, though not considered the best month in the year, rank among the largest on record. Many of the pianos put out for sale have been but slightly used, some in the way of rental and others out for concert use. All, however, have been thoroughly overhauled by the firm's own workmen, and are guaranteed practically good as new. Prices have been reduced from one-third to one-half to make a quick clearing and sold on easy terms—trifle down and a trifle each month or quarter. Out of town orders are asked to write the firm for a list of these pianos.

NEW TORONTO COMPANIES. OTTAWA, May 3.—Incorporation has been granted under the companies act to the Canadian Automobile Association, capital \$50,000; the Plaster Mimes Co., capital \$2,500,000; and the Canadian Soap Co., capital \$2,000,000, all with headquarters in Toronto.

SAVED 1,000 BY NERVILINE. Several years ago when my horses took colic I used to give them Cayenne Pepper in hot milk, but in a few cases only did I help, and because I had no proper means of relief I lost several valuable animals. Some one told me of the success Mr. Wendling, of Brockville, Ont., had in his racing stables with Nerviline, so I laid in a supply. It wasn't very long before Nerviline saved the life of a valuable stallion of mine, which was worth at least \$1,000. This horse was taken with colic, and would have died had it not been for Nerviline. I have used Nerviline for reducing swellings, for taking out distemper lumps, and curing a bad cough, and always found it worked well. I recommend every man who owns horses or cattle to keep Nerviline on hand.

FIFTY BRITISH FINANCIERS COMING. OTTAWA, May 3.—Arrangements have just been completed for the visit to Canada next month of some fifty representatives of the best known business and industrial firms of Great Britain. They include chairmen and directors of corporations renowned throughout the world, representing a total capitalization of approximately \$209,000,000. The London chamber of commerce and other British boards of trade will also be represented in the party.

The party will arrive June 5 at Quebec and will tour Canada and become acquainted with the resources of the Dominion.

Business Science Club. The largest meeting of the season of the Business Science Club was held in the club rooms last night, to hear A. B. Farmer speak on "The Modern Art of Reading Character." The lecture was an introduction to a special series to be given under the auspices of the educational committee of the club, and was followed with close attention.

Mr. Farmer described the various methods by which the principles underlying the science of character analysis had been established, and their value to the practical business man. The chair was occupied by President Twining, and among the visitors present were the members of the Central Y.M.C.A. class in salesmanship.

HERRICK STREET CLOSING IS DECIDED

Centre of the New Technical School Building Will Be on Present Site of Street—Bloor Street From Dundas Street West to Be Widened to 86 Feet.

Altho severely criticizing the board of education for abandoning the College-st. site, the board of works yesterday afternoon agreed to the request that Herrick-st. be closed between Borden and Lippincott-sts. This is to allow plenty of room for the new technical school building, the centre of which will be directly across Herrick-st., according to the present plan. Ald. McBride was the chief objector to the closing of the street, as he considered the board of education should be forced to build on the College-st. site, or none. "To my estimation the College-st. site was and is the proper site for the building," he declared. On motion of Ald. Yeomans the board of education's request was granted, the vote standing six for and four against. The proposal to have the Toronto Suburban Railway run tracks west on Annetta-st. to Pacific-ave. brought down two deputations before the board, one of which favored the proposal, and the other asking that the route be changed.

The change of route asked was for the tracks to run up Pacific-ave. only as far as Humboldt-ave., one block below Annetta-st., and from there curving around Glendonwyne-ave. and thence west along Colbeck-st. Among those appearing before the board to ask for the change of route were: Rev. Dr. Speer, Rev. Beverley Smith, Rev. D. McKerrill and R. L. McKormack.

Disturb Service. They pointed out that in addition to endangering the lives of the children who attended the public school on the nettle-st., the cars would disturb the services held in three or four churches which would be directly along the route.

Those appearing against the route being changed included ex-Mayor Laughton, Rev. M. Morley and C. M. Hall. They argued that Annetta-st. was a straight, direct and the quickest route while the Glendonwyne-ave. route would take in a number of curves and cause a great deal of delay. "Very fine for a joy ride on a summer's day, but not practical for public service," was the way one of the deputations put it. They also pointed out that whereas Annetta-st. is rapidly developing into a business street and would not depreciate in value by a car line, that along the Glendonwyne-ave. route high-class residences were being built that would be seriously affected in value by the car line.

See for Themselves. On the motion of Ald. Byling, one of the aldermen from the district affected, the board decided to pay a visit to the locality and see for themselves what the conditions were. They agreed to make the trip at nine o'clock this morning, the members of the board to assemble for the trip at the city hall. Ald. McBride called the attention of the board to the criticism of the newspapers that they were not keeping up the business to be dealt with. This, he declared to be only too true, altho the mere fact of the papers calling attention to it did not affect him in any way, and he induced the board to agree to hold a special meeting before the next meeting of the city council, at which the question of the Annetta-st. car line will be finally dealt with.

Eston's Bridge. The request of the T. Eaton Company that they be granted permission to build a bridge over Albert-st. connecting their factory with the main store, was carried. This bridge is to be 150 feet west of Yonge-st. and five feet above the roadway, thus not in any way interfering with the traffic. The motion from the council to widen Bloor-st. from High-st. west to the city limits was carried. This part of Bloor-st. will be made 86 feet in width. The motion from the council instructing the assessment commissioner to prepare a plan of the outlying districts of the city and five miles adjacent thereto, was also carried.

BOY WAS IDENTIFIED. Lad Killed by Train Was Son of Glass Worker.

Coroner Dr. Flickinger opened an inquest last night into the death of John Whitehouse, the ten-year-old boy who was killed on the Brock-avenue crossing Thursday night. No evidence was taken and the enquiry was adjourned till May 10. John Whitehouse was the son of a stoker in the Toronto Glass Works and lived at 150 Brock-avenue. The mutilated body of the boy remained in the morgue for 12 hours before being identified by the father.

Pruning the Appendix

What thousands of people are rushed to the hospital these days with the idea that pruning the appendix will ride them of the cause and effect of wrong habits of eating and living. We eat too much, talk too little, outdoor exercise, breathe impure air, and when the system gets loaded with food impurities, which irritate the digestive system and set up inflammation we are told that the operating table is the only place for us. Why not prevent appendicitis, as well as acute indigestion, peritonitis and Bright's disease of the kidneys, by keeping the liver active and the bowels regular. Dr. Cassa's Kidney-Liver Pills cleanse the digestive system of food impurities more quickly than any treatment you can obtain. They awaken the liver and ensure the healthful action of the kidneys and bowels.

The Result of Foot Trouble

Pains in the feet, limbs and back—irritation, irritable disposition and other ailments, often arise from breaking down the arch of the foot, terminating in flat-foot. Tired, aching feet are the first and most plainly recognized results of broken arch and flattened nerve connections make the disturbance felt in remote portions of the body.

Scholl's "Foot-Eazers"

banish pain and bring back the buoyancy of youth by restoring the spring and tone of the arch of the foot. They are light, self-adjusting German Silver springs, cared with leather—fit any foot or shoe and enable you to walk and work without pain.

MEDIATOR, 50-1 WINS FEATURE

Calgary, at Odds-on, Romps Home in Two-Year-Old Event—Trudo, Steeple-chaser, is Destroyed.

BALTIMORE, May 3.—Calgary, entered by Robert Davies of Toronto as a Canadian candidate for next year's English Derby, justified all expectations to-day by winning the 2-year-old event. He was quoted at the prohibitive odds of 1 to 5. His stable mate, Liberty Hall, was the only other entry that seemed to have any chance, but he was scratched. Favorites did not rule to-day, however, as Textile, an untrained proposition, all times was the only other horse to justify expectation of the backers. Widener's Mediator, a 5-year-old, took the Stenert Handicap, Priscillian, August Belmont's Hastings chestnut, had been regarded as the only horse in sight in this event, as his performances at Montreal and Hamilton last spring stamped him as one of the best. He apparently had not reached his best condition yet, however, for he figured in the also race. West Point also earned good money for the few who had taken a chance on him, while Medall, which was generally regarded as by far the best in the race, got the show money.

There was considerable regret among the followers of the racing game to-day when it became generally known that Trudo had to be destroyed after breaking his leg in the steeplechase yesterday. This was his first season in the steeplechase game, he had displayed qualities that made him a favorite with lovers of game horsemanship.

SPECIAL SALE OF A CITY GENTLEMAN'S HIGH-CLASS STABLE OUTFIT

We will sell on Tuesday, May 7th, commencing at 11 o'clock sharp, the complete, splendid outfit of:

MR. W. D. BEARDMORE

St. George Street, Toronto

The horses include the grand pair, "Derby King" and "Derby Prince," winners at our best shows, including the Canadian National Exhibition and Toronto Horse Show. This pair won in the Victoria Class at the Horse Show on Thursday last, defeating all pairs. It is needless to say more than that in praise of their looks and quality. They are beautifully city broken.

There will also be sold Mr. Beardmore's Victrolas, Broughams, Runabouts, Harness, Rugs, Hoses and all stable equipment. These are all beautiful goods, the finest that can be bought, and all will be cleared at this sale for the best offers. This is an opportunity of a rare kind for buyers seeking the best of carriage horses or other horse goods.

ANOTHER CITY GENTLEMAN has consigned to us for unreserved sale on

MAHER'S Horse Exchange

16 to 28 HAYDEN STREET

500 HORSES AT AUCTION

MONDAY MAY 6th 300 HORSES
 THURSDAY MAY 9th 200 HORSES

Sale Commencing Each Day at 11.00 a.m.

Horses of all classes: Heavy Draughts, General Purpose, Express and Delivery Horses, Carriage Cobs, Saddle and Road Horses consigned to us by some of the best horsemen in Canada.

Our shippers for next week's sales promise both quantity and quality in all types and at all prices. You will have no difficulty in securing a horse to suit you if you visit our stables.

We Shall Also Sell on Monday
 A Consignment of Saddles and Bridles, etc.

A well-known importer of English saddlery has consigned to us for sale absolutely without reserve 80 LADIES' AND GENTS' RIDING SADDLES AND BRIDLES, also a large number of Hunting Crocs. These are all fine quality English Saddles, and will be sold without reserve. If you need any be on hand.

ALSO A pair of Ponies and their McLaughlin Buggy and Harness. These are a very fine pair of roadsters, thoroughly broken single and double, and can be driven by anyone. The buggy and harness are up-to-date and in almost new condition.

ALSO ON MONDAY AND THURSDAY we shall sell a large number of workers and drivers consigned to us by city people who have no further use for them. These horses are mostly sold without reserve, and offer you a good opportunity to secure a city-broken horse at a bargain price.

ALL HORSES sold under warranty are returnable by moon within half a block of our stables.

P. MAHER, Proprietor. GEO. JACKSON and GEO. FITCH, Auctioneers.

TUESDAY, MAY 7 HIS ENTIRE PRIVATE OUTFIT

Horses, Carriages, Harness and a Full Stock of High-grade Stable Accessories.

These will be sold immediately after the sale of Mr. Beardmore's consignment. This is also a most noteworthy event for buyers of the best class of horses and all horse requisites.

WE CANNOT PUT UP FINER SPECIAL SALES THAN THESE.

These Extra Good Trotters and Pacers will be sold at The Repository on Tuesday, 7th May:

"MAIDA," Bay Mare, 5 years; sire, "Royal Rysdyck"; dam by "Rooker". A standard-bred mare, has been a mile in 2:12 over a half-mile track, and is worth a lot of money.
 "CLABIBELL," BROWN, Black Gelding, 5 years, 15 1/2 hands; by "Clari-bell"; dam by "Rooker". No record; born miles in 2:20 and halves in 1:05, bell; dam by "Rooker". Can pace as a team in 2:40; a great road pacer; perfectly matched and perfectly reliable; can be driven by a lady single or double.

SHOW PONIES

MESSRS. J. & A. LLOYD-JONES, Brantford, will sell at The Repository on

TUESDAY, MAY 7th

A Number of Their Show Ponies.

BIG SALE OF COMPLETE LIVERY STOCK

MR. THOMAS McNERNEY, STANLEY LIVERY, has instructed us to sell on Tuesday, May 7th, HIS FULL LIVERY STABLE

Consisting of 25 or 30 Horses, and all Carriages, Harness and other Livery Outfit.
 Mr. McNERNEY has maintained a very well-equipped and most successful livery for many years at 487 King Street West, and is well known in his business in the City of Toronto. He is giving up on account of ill-health, and will sell out completely on Tuesday next, as stated. Full particulars of his stock, which is all in nice shape, can be had from us on application.

FRIDAY, MAY 10th 175 HORSES

Our Friday Sale is a big event. Great numbers of horses are consigned for sale by city firms, practically all of them unreserved. All of these are good prospects for the buyer. Ask some of our best country shippers to send us a number of carloads of the best brand of fresh, young horses, specially for each Friday's sale.
 We are never short of the best kind of horses, fit for any job, or any young ring, or any inspection, and the buyer's price always rules. Every horse sold under warranty may be returned to us by noon of the day after sale if not fully as represented. Money returned at once.

THE HUNTERS AT HORSE SHOW

Mr. A. Yeager, the Ennisclair Farm and Hon. A. Beck and Hon. C. Sifton Are Mentioned the Most.

The attendance is keeping up at the Horse Show, last evening's being equal to the best of the week. The opening event of the evening was a dual between Hon. Clifford Sifton and Hon. Adam Beck, resulting in a victory for the Ottawa minister.

In class 12 for pairs of high-steppers, A Yeager paraded a team of beauties, perfectly matched, nice stoppers and perfect in conformation. They were easy winners.

The class for hunters performing in and out of the piper made an interesting exhibition. It was a splendid class, the blue ribbon going to the Oakville lepper, The Strano. He beat the Wasp and Sir Thomas, the exhibitor of Messrs. Sifton and Beck, that finished second and third. Not one of the three made a skip at the obstacle.

Class 11 for lady drivers went to Mr. Yeager's. Eva, a young mare, was the winner. The competition being for second and third between Lady Norfolk and a team from Guelph, the former landing the red. George Ade could not get going and finished outside the money.

The final event of the night for hunters went to Hon. A. Beck with Hon. Mr. Sifton second and third.

Miss Kathleen Temple performed a notable feat in the afternoon. It was class 4, jumping at the pen with amateur riders. The red, George Ade could not get going and finished outside the money. The final event of the night for hunters went to Hon. A. Beck with Hon. Mr. Sifton second and third.

Afternoon Awards.
Class 25—Open only to all horses of all weights not eligible to compete in qualified or unqualified classes. Bill, Capt. W. T. Rodden, Montreal; 2, Hercules, Hon. Clifford Sifton; 3, The Wasp, Hon. Adam Beck.

Class 26—Amateur only for heavyweight hunters—1, The Strano, Ennisclair Farm, Montpelier; 2, Bill, Black and Sifton; 3, Misty Horn, W. D. P. Jarvis, Toronto.

Class 27—Open classes—Pair of mares or geldings not exceeding 15.2-1, Fireworks, Montpelier; 2, Belle, Bowmanville; 3, Sir Hector and Dreadnought, Crow & Murray; 4, Eye Opener and I Wonder, A. Yeager, Sarnia.

Class 28—Best string of two polo ponies, any weight—1, Frank and ch. mare, K. P. Mitchell; 2, 1, Bill, Black and Sifton; 3, Darius, A. O. Beardmore, Toronto; 4, Babbitt and Kiffor, F. B. Hammond, Toronto.

Class 29—Mare or gelding, pacer, exceeding 15.2-1, Suite Oye, Miss Wilks, Galt; 2, Dr. O. F. Bartram, Toronto; 3, Tressa Bess, J. A. Kelly, Lislewell.

Class 30—High-steppers—1, Fireworks, Montpelier; 2, Louie, Capt. Rodden, Montreal; 3, Eye Opener, Hon. Adam Beck, London.

Class 31—Hunters up to carrying 150 lbs to bounds—1, The Strano, Ennisclair Farm, Montpelier; 2, Bill, Black and Sifton; 3, Sir Thomas, Adam Beck, London.

Class 32—International team—1, Lieut. W. B. Sifton and Lieut. Clifford Sifton, 12, of Corps of Artillery, Lieut. Clifford Sifton; 2, Lieut. Gordon Miles, 8th Miss. Horse; 3, Lieut. E. R. McKay and Lieut. J. H. G. Hardy, 10th Miss. Horse.

Evening Awards.
Class 22—Green Hunters—1, Heavyweight, 1, Eye Opener and I Wonder, A. Yeager, Sarnia; 2, Fireworks and Bramish, Belle, Bowmanville; 3, Hector and Sir Hector, T. A. Crow, Toronto.

Class 43—Pen and Jumper—1, The Strano, Ennisclair Farm, Oakville; 2, The Wasp, Hon. Clifford Sifton; 3, Sir Thomas, Hon. Adam Beck, London.

Class 11—Mare or Gelding—1, Eye Opener, A. Yeager, Sarnia; 2, Lady Norfolk, Hon. Clifford Sifton; 3, Bryan Princess, E. B. Clancy, Guelph.

Class 33—Best string of two polo ponies, any weight—1, Frank and ch. mare, K. P. Mitchell; 2, 1, Bill, Black and Sifton; 3, Darius, A. O. Beardmore, Toronto; 4, Babbitt and Kiffor, F. B. Hammond, Toronto.

POP'S ADVICE TO THE O.J.C.

Clear Out the "Dogs" and Consider the Public and Those Who Toil at the Track—The Likely Platers.

It was absolutely a barren day at the Woodbine yesterday. It was a bright morning, with a strong easterly wind, but the "dogs" on guard were out, and owners are not going to put their horses in speed and take chances of turning foul.

The O. J. C. is making a lot of money, and the time has clearly arrived when every facility should be given to the general public, out to the sun-washed occupation upon which it is to be run.

The club could hardly make a better investment than to open the gates to the public, and to furnish a round for the newspaper men, whose good services have been so conspicuously shown upon the track, it is only to improve the exhibition—ever did?

When the writer was connected with the exhibition, a feature was made of the fact that the O. J. C. would owe more to appreciation than to the press.

Yesterday morning there was some galloping which means nothing more than ordinary exercising. Mr. Seagram's horses were out, and all looked as if life had been breathed into them. In other words, they had the excitement that results from care, education and work.

As has been said before, in my opinion it is an extremely open track. This statement I will add that, as far as observation affords an opinion, the conditions for the King's Jubilee and the O. J. C. dollars are likely to be J. E. Seagram's. The Brookdale or Dymond Stable's Hersey and Charlie Crew's Amberlie, the contrary notwithstanding, it rather appears to me that Mr. Seagram's chances for his majesty's glasses and various prospects and Canadian-bred stakes are most excellent.

There is one competitor that I am a bit nervous of, namely, the London-bred mare Phyllis. She may go Dalmonee one better and win. Racing-like and kind she apparently is, and a mile in 1:14, a week ago, is something to be reckoned with.

Relay Races — Boy Scouts

BICYCLE RELAY ROAD RACES! Record-breaking despatch carrying. What more exciting sport for boys is possible?

To-day the bicycle is safer than ever, thanks to improvements in construction, and the world-famous, powerful Hercules Coaster Brake. The "BRANTFORD"

Is the ideal bicycle for the boy who wants the best. For straight-away riding on city streets and country roads, or for relay races and military despatch carrying, when both safety and speed are necessities, the "Brantford" is great!

Every boy should have a "Brantford" this year—with the Cushion Frame if possible—but a "Brantford" anyway.

Get him a wheel he's proud to call his own. Get a wheel with years of reputation behind it—"Brantford" with rigid or cushion frame.

Cures Old Folks' Coughs

Doesn't Disturb the Stomach, Eases at Once and Cures Thoroughly.
"CATARRHOZONE" A BOON TO MANY THOUSANDS.

Because you are old is no reason for suffering with everlastingly coughing. Those terrible chest troubles and difficult breathing can be thoroughly cured with Catarrhozone. You simply breathe the healing vapor of Catarrhozone, and instantly its rich balsamic fumes are carried by your breath into the tiniest recesses of the nose, throat, chest, bronchia, tubes and lungs.

"For many years," writes Richard MacCallum, Stirling, Ont., "I have suffered from Catarrh, and continually hawked and coughed, so that my throat was always in an inflamed, irritable condition."
"Doctors' medicine did not help me in the least, and all other remedies I used were quite useless. In one case it was time wasted in snuffing powder by the nose; in another using a greeny ointment, and so on. Not one of them was the least bit of good."

Get Catarrhozone to-day. Large size costs \$1.00, and lasts two months. Smaller sizes 50c and 80c. All dealers. The Catarrhozone Company, Buffalo, N.Y., and Kingston, Ont.

MOORE—On Friday, May 2nd, 1912, at Brooklin, Margaret Anne Rutledge, dearly beloved wife of Richard Moore, Funeral from above address Monday, May 6th, at 2 p.m. to Grosvenor Cemetery.

IN MEMORIAM.

LUNAU—In loving memory of Abbie Taylor, beloved wife of J. J. Lunau, who departed this life May 4th, 1911, at 533 Pape avenue.
Like woodland leaves under autumn's spell,
Which grow more fair with their golden tinge,
We saw her fade whom we loved so well,
Who lived for us, and for us alone.
Her soul has passed to its Easter dawn,
Her pure, sweet soul by the angelic borne.
But in our hearts she will linger on,
Whom we loved and lost, and forever mourn.

FIELDING AND BORDEN DISCREET

LONDON, May 4.—(C.A.P.)—Hon. W. S. Fielding, who acted for Canada yesterday, refused to be drawn out regarding the Roosevelt-Taft disclosures and wouldn't discuss the subject from any viewpoint.
Sir Frederick Borden said: "Anything I could say wouldn't alter the situation or alter the argument of Canadians. It is obvious Taft was trying to persuade Roosevelt to his view. Taft is a politician and a very deep one. I think he is doing his utmost to carry his point."

75c a Week Gives You a Piano.

On arranging with the old firm of Heintzman & Co., Ltd., 193-195-197 Yonge-street, Toronto, one may purchase a good square piano of such well-known makers as Chickering, Miller & Son, Steinway and others, at prices ranging from \$45 to \$125; and a payment of 75c a week is all that is necessary to have one of these instruments placed in your home. WOMAN RELEASED RETURNS TO CHILDREN
Mrs. Lillian Murphy Was Given Her Liberty by Judge Winchester—Citizens Interested Themselves in Her Case and Gave Her Nearly \$70 Thru The World.
train was coming. When she returned it was gone.
Mrs. Murphy, who was employed as a matron at the station, on being accused, broke down and admitted taking it. She had apparently repented her act as soon as committed, as she had torn the five-dollar bill into little pieces and threw them in the waste paper basket, being afraid to return it.
In discharging Mrs. Murphy, Judge Winchester said: "I am doing this because I am informed your health is bad and for the sake of your children. I am asking somewhat beyond my jurisdiction, but I think the circumstances justify me."
The interest that was taken in Mrs. Murphy's case was shown yesterday, when The World received contributions amounting to nearly \$70 for the woman and her children. The amounts received and some of the letters sent in follow. The money was given to Mrs. Murphy last night, and the cheque, which had to be endorsed, will be mailed to her to-day. She is now provided for so far as money is concerned, but if anyone wishes to send her some clothing for her children, there is no doubt but that it will be appreciated. She lives at 385 Woodville-avenue.
Amounts received yesterday: R. R. Gomer, \$5; Mrs. John Sloan, \$4; Two Sympathizing Citizens, \$10; A Friend, \$3; Justice with Mercy, \$2; J. W. McCullough, \$2; Methodist Book Room Employees, \$20.
May 3, 1912.
Editor World: We heard much of our money to the so-called heathen in foreign lands. Would it not be as well to keep some of it here to relieve deserving cases at home? It seems that Mrs. Lillian Murphy was sentenced to a period in jail with hard labor for retaining a five-dollar bill over the bank of a chair and forgetting it for the moment. rushed out to see if the little reason) that they get title to a found article. Apparently this woman retained it, impelled by the cry of her children for food.
Enclosed please find my cheque for \$25. You will greatly oblige me if you will see that it reaches Mrs. Murphy. Yours truly,
J. W. McCullough.
Editor World: Enclosed is \$2 for Mrs. Lillian Murphy, who was sent to jail for retaining (first offence) while her four infants were left to starve. If ever there was a case for suspended sentence this was one.
"Justice with Mercy."
Toronto, May 3, 1912.
Editor World: Please find enclosed cheque for \$10 to be used for support of children of Mrs. Lillian Murphy, to whose sentence Mr. R. R. Gomer called attention in your edition of yesterday. We heartily support him, but do not think he gets far enough in his condemnation of such action.
"Justice with Mercy."

The old firm of Heintzman & Co., Ltd., with their large and handsome warehouses at 193-195-197 Yonge-street are making a clearing of some thirty or forty organs of the best Canadian and American manufacturers that have come into their hands in exchange when selling their pianos. These instruments have been marked down to about one-half the first price, and will be sold on payments of fifty cents a week. If out of town drop the firm a line for a list of these organs with prices.

A Gem For Each Month
MAY--The Emerald
The Emerald has perhaps enjoyed more total popularity than any other gem—the demand, of course, excepted.
As the May Emblem Jewel, tradition bestows to the wearer the gifts of eloquence, wealth and undying fame.
So much for the sentimental and symbolic idea of the Emerald.
The material and practical features are for the jeweler and his patrons to dwell on.
We show numbers of beautiful Emerald Rings with Diamonds all the way from \$35.00 up to \$350.00 and over, that are full of appeal and rare value.

York County and Suburbs
NORTH TORONTO.
NORTH TORONTO, May 3.—(Special)—North Toronto Conservatives are looking forward to one of the best nights of the whole winter season at the monthly meeting of Monday night, May 6, in the Masonic Hall, near the corner of Baitinton-avenue and Yonge-street. Splendid talent has been secured and the evening will be social in its nature. Conservatives all over the town are cordially invited to attend and President Frank Howe wants everybody to feel free to come.
A largely signed petition was presented at last night's meeting of the school board favoring the purchase of two sites in the south end, one on Danville-avenue and the other in the neighborhood of Glenwood-avenue. The lower one would not be built upon at present, but be held in reserve till needed, which will be shortly, as the population from the Leaside district will be diverted thither. The school board will ask the council to make the amount \$35,000 instead of \$40,000.
The action of the Mount Pleasant authorities in returning the cheque for \$15,000, paid by Mayor Brown, came in the nature of a bombshell to the council, who fondly imagined that the preliminary struggle was all over. Apparently the whole thing will have to be gone over again. Tuesday night promises to be a big one in town.

FOUND REMAINS OF SPORTSMAN
KINGSTON, May 3.—(Special)—Last October Bernard McGill, aged 23, drug clerk of Rochester, N.Y., was visiting at his home, Camden East, when he went out on a hunting trip and disappeared. The police scoured the country, but he could not be located. Today his body was found in the woods near Newburg and his rifle lay at his side. It is supposed his gun was accidentally discharged. Little more than his bones remained. The rifle lay in front of the remains and was discharged. He is survived by his mother, a widow.
New York, May 3.—Frank Klaus of Pittsburgh outpointed Jack Dillon of Indianapolis in a rather tame ten-round bout at Madison Square Garden tonight. The men wrestled in at 138 for Klaus and 146 for Dillon. In the first two rounds Dillon had the better of the argument, getting his right to the body and head, while Klaus was sending his short, fat and rights to the body. In the third round there was a lot of infighting and they exchanged right uppercuts to the chin. Dillon slowed up after that, but he was game to the end.

QUEEN

Mrs. Herbert Nott was the hostess of a tea yesterday afternoon in the private dining room of the Ladies Club, York-street. Arrives was solicited.

Little Miss Temple, daughter of Dr. and Mrs. Charles Temple, who has been ill since she was a year old, will go on to Ottawa and Montreal to ride Mr. Kilgour's horses.

The engagement is announced at Edmondson of Mr. Arthur Lyons Biggar, son of Col. J. Lyons Biggar of Ottawa, to Miss Eileen Brown, both of Edmondson. Miss Hardisty is one of the season's brides there.

Knox Presbyterian Church, Oakville, was the scene of a pretty wedding at half-past three o'clock on Wednesday, when the marriage was solemnized by Miss Elizabeth Jean Palmer, to Dr. Reginald A. Jones of Toronto, son of Dr. and Mrs. Charles Jones. The ceremony was performed at the home of James Munro, and the church was decorated with palms and white flowers. Mr. Munro presided at the organ, and during the signing of the register Mrs. John A. Chisholm of New York sang the wedding music.

The bridal party was preceded by the ushers, Mr. George Ryerson and Mr. Alex. Davidson of Toronto, followed by the bridesmaids, Miss E. J. Chisholm of New York, wearing a French lingerie frock, white hat with touches of pink, and carrying an old-fashioned nose gay of pink sweet peas. The matron of honor was Mrs. Harry W. Page, in a gown of pink satin with black hat of Chantilly lace and plumes. She carried pink roses, and wore the groom's gift, a lace pin set with pearls.

The bride entered on the arm of Mr. W. R. Brock of Toronto, an old family friend. She was wearing a gown of ivory Duchesse satin with rose and crystal trimmings. Her veil, which was of tulle, was crowned with orange blossoms, and she carried a shower of white rose and lilies of the valley. The groom's gift to her was a pearl and diamond cluster ring.

Dr. George Strachy of Toronto was best man, and the groom's best man was Mr. W. R. Brock, and the ushers were pearl and diamond pins.

After the ceremony the bride party and guests dined at the residence of the bride's mother, where Mrs. Palmer received, wearing a white satin gown with a corsage of black roses, black and white hat, and bouquet of white and orange blossoms. The bride went away wearing a traveling suit of French blue cloth with black and white hat. The honeymoon is being spent at New York and Atlantic City.

Mrs. McKee Walker-road, gave a bridge party of four tables this week from Winnipeg.

Mrs. James Scott returned last week from Winnipeg.

Mr. and Mrs. John Dick are in town for the honeymoon, staying at the Hotel A. Hamilton, in St. Joseph.

Miss Thelma and Miss Dorothy Thelma of California, are the guests of Miss Helen Stevenson, Chestnut Park-road.

Mrs. A. B. Bethune, St. George-st., and Miss Beatrice Bethune sail for England next week.

Miss Violet Lee is in Exbridge.

Lady Taylor has been in town this week from Hamilton.

Mrs. J. A. Proctor and Mrs. George Nell left yesterday for Atlantic City.

Miss Band and Mr. Charles Band returned from New York.

Miss Marie Ayre, who has spent the winter in Winnipeg, is now in Chicago, and will go on to Montreal returning to Toronto in June.

Miss Whitney, who has been visiting her uncle and aunt, Mr. and Mrs. Whitney, at the Russell, Ottawa, has returned to Toronto.

Mr. and Mrs. James L. Upton, 15 Victoria-ave., announce the engagement of their eldest daughter, Tina, to Mr. Geo. Wood of Montreal, at the wedding to take place in June.

Mrs. Isabella Sanderson, Sherbourne-st., announced the engagement of her daughter, Mary Louise, to Mr. Morley Leopold Smith, of the residence of Carter Smith, at the Russell, Ottawa, the wedding to take place on May 22.

The C.C.C.C. monthly dance will be held at the club rooms on Friday, May 10.

The hostesses in the tea rooms at the horse show to-day will be: Lady Pellett, Mrs. D. W. Alexander, Mrs. Arthur, Mrs. Frank Battie, Mrs. John D. Falconbridge, Miss Gordon, Mrs. G. E. Gooderham, Mrs. Wilmot L. Matthews, Mrs. Frank Ralph, Mrs. Vaux.

Societies, Etc.

A Browing commemoration service will be held on Tuesday evening, May 7, at 8 o'clock in the physics building of the university, to commemorate the centenary of Browning's birth. Rev. Prof. Law will give an address on Browning, and several others will speak.

The annual meeting of the Ladies' Auxiliary of the West End Y.M.C.A. will be held Monday afternoon, May 6, at 2:30. As the officers for the ensuing year are to be elected, it is requested that as many members as possible be present.

Miss E. J. McCool, 404 Yonge-street, holds her Summer Millinery Opening Tuesday and Wednesday, May 7th, 8th and 9th. All are invited.

GIVE AWAY 1000 TICKETS.

Boys and girls who cannot afford to pay 10 cents to see the Bow-Wow Minstrels at Massey Hall, will be given a chance by going to Dale Presbyterian Church Saturday morning at 10 o'clock. Rev. J. D. Morrow will then give away 1000 tickets for a special performance to be held Saturday afternoon, in addition to the performance to-night and Saturday night.

These tickets have been provided by generous gentlemen, who have bought more tickets for the benefit than they can use.

The Beautiful in Woman.

In the course of the annual revision of the Catalogue of the National Library, the following remarkable ancient manuscript setting forth rules for feminine beauty came to light. The book, which dates from the thirteenth century, is highly interesting and a great deal of attention has been attracted to it. It is not only a treatise on beauty, but also a treatise on the most curious passages in the literature of the classification of female charms in groups of three.

"To be beautiful," says the work, "one must have the following qualities:

"Three white things—skin, hands, and teeth.

"Three black things—eyes, eyebrows, and eyelashes.

"Three pink things—lips, gums, and nails.

"Three long things—life, hands, and hair.

"Three short things—teeth, ears, and tongue.

"Three wide things—forehead, shoulders, and intelligence.

"Three narrow things—waist, mouth, and ankles.

"Three delicate things—fingers, lips, and mind.

"Three round things—arms, legs, and cowlery."

NEW LINENS.

The new double-faced linens are very stunning indeed, and are made up into most attractive tailored suits. Plain blue linens have on the reverse side, a blue and white check. Green and green linens also come in this effect. These linens, while expensive, require no trimming, as the collar and cuffs of the coat suit can be made from the "other side."

New linen cravats are very inexpensive and quite wide. They make very good-looking separate coats and are also splendid for long coats suitable for traveling.

Perhaps the handsomest linens are the new linen cravats—a heavy, loose weave—and very stylish for the "social dresses" and tailored suits. Cotton cravats and macramé lace make chic trimmings for these linens.

Very heavy linens come in natural color with black stripes. Suits of this color will be very popular. They also make very good-looking collar and cuffs for the various heavy linens in colors or in white.

AN EXCELLENT REMEDY.

Baby's Own Tablets are an excellent remedy for little children. They fall to relieve baby of stomach troubles, colic, and other ailments. Besides this, they are absolutely safe, being guaranteed by a government analyst to contain no opiates or other harmful drugs. Concerning them Mrs. Samuel Legros, St. Cecile, Que., writes: "I have found Baby's Own Tablets an excellent remedy for my little one and would not be without them." The tablets are sold by medicine-dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Sale of Player-Pianos.

An unusual opportunity to buy a first-class player-piano for summer cottage or apartment house is presented in a special sale of player-pianos by the old firm of Heintzman & Co., Ltd., 192-194-196 Yonge-street, Toronto. At present they are making an exhibition of some of these in their two large show windows, which are attracting wide attention. The player-piano (its instruments are in the summer home) for the small apartment house. City readers are asked to call and see the instruments in the show windows, and to call at the art being offered. Out-of-town readers can get list and all particulars by writing Heintzman & Co., Ltd.

Count the cups and count the cost. This is saved by using "Salada" Tea. Sold only in sealed packets.

In ironing, dainty lingerie articles, baby dresses and other delicate articles, use a child's little sand-iron. The small iron will do far better work, as it can reach places where a regular-sized iron will also do this ruffles better.

Canada in Water Colors.

Among Canadian artists of to-day there has been more thorough national than Marmaduke Matthews, R.C.A. He has traveled far and wide over the Dominion, and made loving study of its varied scenery in all of nature's aspects. His handling in water color is especially successful for the landscape, and his collection of his water colors will cover the whole Canadian field. On Monday, May 6, a large and representative collection of his water colors will be sold without reserve by C. M. Henderson & Co., in their art gallery, 87-89 East King-street. They are almost entirely composed of Canadian studies and reveal strong sympathy with the national spirit.

Mr. Matthews is peculiarly happy in his lake and river sketches and his sky studies have fine aerial perspective and luminous quality. His mountain subjects have breadth and solidity and convey an adequate impression of the grandeur of the Canadian ranges. The collection is on view to-day, and is well worth a visit on account of its intrinsic merit. Mr. Matthews' work is so well-known that it is hardly necessary to do more than call attention to this opportunity to acquire typical transcripts of Canada's natural beauties as seen by an artistic eye and reproduced with skillful craftsmanship.

ELECTRICAL TERMS AND THEIR MEANING

Every business has its own language and nomenclature, but the business which presents itself to the layman as the most hopeless riddle is electrical manufacturing. Electricity is not difficult to understand if one approaches it fearlessly, undaunted by the "electricity" which has been coined during the last couple of decades. There is a definite, logical reason why each one of the terms is in use, and in another decade they will be as familiar to that part of the public which is interested in automobile talk as it is fast becoming to the public at large.

The units of measurement are the basis of "electricity"—amperes, volts and watts. Amperes is the name of the Frenchman who discovered how to measure electric current. The unit of measurement was therefore called an ampere in acknowledgment of his valuable discovery. Electricity may be best compared to water flowing through a pipe. The volume, or gallons of water, correspond to the volume, or amperes, of electricity. But water may flow at greater or less pressure. A thousand gallons of water flowing through a pipe at one pound pressure to the square inch would just dribble out at the end. Under a thousand pounds' pressure to the square inch it would shoot out of the pipe with force.

The number of pounds of pressure under which water is flowing corresponds to the number of volts of pressure under which an electric current is flowing. The energy with which water flows out of a pipe is the result of the volume of water and the pressure under which it is flowing. Every one has noticed how much faster water flows out of a faucet in one place than it does out of a faucet in another. The quantity of water which flows out of the faucet depends upon the water pressure in that particular locality. In the same way the quantity of electricity delivered over a single circuit is the product of the volume (amperes) multiplied by the pressure (volts). The electrical term for the energy thus generated is watts. A thousand watts are called a kilowatt, as this term is part of the metric system.

In order to understand just what a kilowatt it is necessary to ascertain what it will do. Know that a stream of water of one pound pressure flowing at a given pressure into a turbine will generate a certain quantity of horsepower. A kilowatt is the mechanical equivalent of a horsepower. A kilowatt is equal to one and a third horsepower, or seven-hundredths of a horsepower. A Tungsten twenty-candle power lamp takes less than a quarter-horsepower, or about three-hundredths of a horsepower.

It is interesting to remember in this connection that a horsepower is actually based on a measure of energy on the amount of power that could be produced by a horse. In the old days before wheels began to be turned by steam they were turned by a horse ingeniously of man had discovered steam power it was necessary to have a measure that would compare it with the power of a horse. The man with a steam engine can do more than ten of the work of a horse. Hence the expression "ten-horsepower engine." The man with a steam engine however, to be over-conservative in his statements in order to spread belief, he would say that his engine would do the work of a horse. The man with a steam engine is actually a good deal more than a horse on a treadmill can really accomplish.

In the same way manufacturers of electrical machinery have found it necessary to rate their machines accordingly. The rating of a machine is its capacity to develop a certain power at a certain speed. In other words, popular inordinately exact scientific terms to such an extent as to render them not strictly accurate.

A good cleanser for cooking utensils can be made of the ashes of sage which have been soaked in strong salt water and dried before burning. A new process of sugar extraction, which is said to waste but one per cent of the sugar content of cane, is being thoroughly tested in Cuba.

NO HEAD GROSEN OF GRAND TRUNK

Report That Sir Thomas Tait Has Been Appointed Receives Official Denial.

MONTREAL, May 3.—(Can. Press).—The report that the directors of the Grand Trunk Railway in London had chosen Sir Thomas Tait as successor to the late Charles Melville Hays is denied.

One paper attributed its report to the Associated Press, but in answer to an enquiry, a wire came from New York, saying that the Associated Press had sent out no such despatch, although they had heard from Canadian sources that such a rumor was afoot.

Grand Trunk officials here stated that they had heard nothing of the matter, and were inclined to be skeptical. They stated that no appointment was expected until after the visit of Mr. Smithers to Canada. Mr. Smithers is expected next week, with several other directors of the company.

William Wainwright, acting president of the Grand Trunk Railway, is at present in Ottawa, and officials of the Grand Trunk here said that if such an appointment had really been made, word of it would doubtless be set direct to him.

STRONG FEELING IN N. TORONTO FAVORS CITY

Continued From Page 1.

sumed by his worship is not viewed with favor. Assuredly there will be a conference.

Discussing the big outstanding question with a number of well known citizens last night, there was only one attitude among the proposal, and that of joint action.

"I am opposed unalterably first, last and always to any agreement with the Metropolitan Railway which will tie this town up forever to a double fare and make no mistake about it," said J. M. Letcher. "A company which has never shown any regard for the interests cannot be trusted to do so in the future. If we cannot deal with Yonge street we can with others, and Yonge street is not the only street in town. A municipally-owned street in town, the question is if we cannot come to some arrangement with the city. A conference certainly by all means."

Hard to Understand. "The action of the council in trying to rush this thing through is hard to understand," said ex-Councillor S. J. Douglas, "and in my opinion most unjust. The Metropolitan Railway has not for themselves all the time and we must have the city associated with us in any railway deal. There is a community of interest. I want to see the big municipality represented."

"I have not been able to give the matter the attention it deserves," said ex-Chairman Logie of the public school board, "but the council ought not to act without thinking of the future. We will be a part of the city and what concerns the one concerns the other. We must be cautious."

"For the council to have entered into this thing without consulting the city was almost a crime," said W. G. Elliot of Bedford Park. "The World is on the right lines and one which must commend itself to the people of North Toronto."

"What do I think of the situation?" said N. J. Clarke of Broadway-avenue. "I would be very sorry to see negotiations carried on without the city. We will be the losers if the town is tied up to the private company and a two-cent fare while the east and west for miles out get a single fare for all part of the city. How will that work out to our advantage ultimately?"

Week-End Trips. When the week's work is over there is nothing more invigorating than a trip to the country, especially at this season of the year, when fields are turning green and trees begin to show their foliage.

For the benefit of the traveling public the Canadian Pacific Railway will issue return tickets at single fare plus ten cents from Toronto to many points in Ontario, each Saturday, May 4 to Oct. 26, inclusive, good going Saturday and Sunday, valid returning any train Monday following date issue.

There are over one hundred other Nyal preparations. You'll like Nyal's Face Cream. Get a pot when you get the Tooth Paste. It's only 25 cents too. Nyal's Remedies are all Nyal Quality.

PANAMA WANTS CLEAN ELECTIONS

PANAMA, May 3.—(Can. Press).—The United States Government has been requested to intervene in the presidential election in Panama to the extent of seeing that it is fairly conducted.

This fact was admitted to-day by President Arosemena in an interview with the Associated Press. He said that the directorate of the Union Patriótica, the name given a party composed of friends of President Arosemena and Pedro A. Diaz, the official candidate for the presidency, has asked for American intervention such as was accorded in the elections of 1903, when Secretary of War Taft informed the Panamanian Government that the election must be conducted fairly.

Yorkshire Society.

The first whist drive and dance of the reorganized Yorkshire Society was held last night at the Sons of England Hall. About 100 took part in the whist drive, the successful prize winners being Mrs. T. A. Stewart, Miss E. Buckley, Mr. T. A. Morse and Mr. C. Hall. After supper, singing and dancing was indulged in until the wee sma' hours, the singing of Mr. T. Slack, Mr. F. Buckley and Mr. H. Bedford being much appreciated.

Soccer Gossip.

Centennials will play their first M. V. M. A. League game with Westmoreland this afternoon at Willowdale Park at 3 o'clock.

The St. Hubert's Athletic Club of North Toronto would like to arrange

intermediate football and baseball games for an open Saturday during the coming season.

On account of the future by the late Mr. George E. Graham, apartment buyer of the T. Eaton Co. Limited, all games scheduled for Eaton senior, intermediate and junior teams to-day have been postponed.

Only Two More Days.

Two more days and the Leafs will be home for a long string of games, with the leaders coming here on Monday for the opening game. Larry Schaffy, who is piloting the Sketers, has his team going nicely, especially the pitchers, who are working like clockwork. Whom Larry will dial up in the opening game is not known, but going by the way the heavens have been working, it looks like McElaie, the man who beat the Kellyettes in the opening game at Jersey City. Whom Manager Keiser will work up for the Orioles to-day, it will likely be Richard. Should Richard work to-day, the choice will likely be Mueller.

CRICKET NOTES.

With the advent of a few warm days cricketers have been getting their bats out and looking forward to the coming season. The Toronto Cricket Club will hold their first practice on the lawn on Saturday afternoon, when the professional will be on hand to look after things.

The Old Country Cricket Club team for this afternoon against St. David's C. C. will be chosen from the following: Johnston, Campbell, Cairney, Ward, Danson, Scott, Dorkin, Watson, MacBean, Farthing, Isted, Weatherhead, Hill, Bell, and Smith.

AQUATIC GOSSIP.

The Beach Canoe Club war canoe crew had their first workout last night at Balm Beach. Percy Bell was stroke and Dolan coxswain. Among last year's crew out were Capt. Tulland, Tom Muirhead, Colin John, Bert Abbott and Allan Kinty. The lake was smooth and the crew had a good practice. They go out this afternoon again, and will be coached by Stan Kidd.

The Dominion Day Regatta committee will meet on Tuesday evening, May 7, at the Toronto Rowing Club. Every club will be expected to send delegates, as there is some important business to be brought before the committee.

Port Credit Lawn Bowling Club.

A very representative gathering met in the Oddfellows' Hall at Port Credit last evening and formed a bowling club. Through the kindness of Mr. Henry, a bowling green will be made and lighted by electricity, entirely at the expense of the gentlemen mentioned, who, as is well known, is one of Port Credit's leading citizens. Mr. Elliott was secretary of the meeting and Mr. Hall chairman. A large number of applications for membership were made at the close of the meeting. A resolution of thanks to Mr. Hasey, carried unanimously. The following officers were elected:

Hon. presidents, Mr. Hasey and Mr. John Gray; president, J. E. Hall; vice-president, A. W. Briggs; secretary, treasurer, D. C. Cotton; committee, Messrs. Elliott, Duncan, Munroe, Gibson, Hare and A. Gray.

Skips—C. Elliott, E. S. Munroe, A. W. Briggs and J. E. Hall.

WHY SHOULD NOT OLD PEOPLE RETAIN THEIR YOUTHFUL VIGOR

No Reason Why Men And Women Of Sixty, Seventy And Eighty Should Not Be Well—The Secret Of Happy Old Age.

"Fruit-a-tives," The Famous Medicine Made Of Fresh Fruit Juices, Again Proves Its Great Value In Curing Kidney Trouble.

Old age pays the cost of living. Few men and women of fifty, sixty and seventy are free of Kidney Trouble. Hard work, mental strain and general debility in the long run. And many men and women show they have Kidney Trouble by suffering with pain in the back, headaches, rheumatism, sciatica, bladder disease.

To such people "Fruit-a-tives" has proved one of the wonders of the age—and the most remarkable discovery of the century in modern medical science. This fruit medicine has performed hundreds of cures where the sufferer had been told that the case was incurable.

Take, for instance, Mr. Geo. W. Barkley, a prosperous farmer, and one of the leading citizens of Dundas County, Ontario.

At seventy-six, he is the picture of health—with the vigorous actions and the sprightly step of a man of fifty.

Yet for twenty years, he suffered with Kidney Trouble. He took "Fruit-a-tives" and it cured him.

Chesterville, Ont., Jan. 25th, 1911.

"For over twenty years I have been troubled with Kidney Disease, and the doctors told me they could do me no good, and said I would be a sufferer all the rest of my life. Nearly a year ago I tried 'Fruit-a-tives.' I have been using them all the time since, and am glad to say that I am cured. I give 'Fruit-a-tives' the credit of doing what the doctors said was impossible."

GEO. W. BARKLEY.

"Fruit-a-tives" is the only medicine in the world made of fruit, and is the only one that acts directly on the kidneys. It cures. Fifty cents a box, six for \$2.50, or trial size 25 cents—at dealers or sent on receipt of price by Fruit-a-tives, Limited, Ottawa.

All players and members of the Moore Park A. A. C. are requested to meet at Dundas and Keele-streets to-day at 3:15 p.m. for league game with Weston. A good turnout is expected. The team to represent Christie in their intermediate T. & D. League game with Salsipiana at Todmorden this afternoon will line-up: Williams, Poston, Meredith, Gen. Pindley, Whippa, Mills, Rogers, Ashworth, Holbrook and Barnister. Players will meet at Broadview and Danforth at 3 p.m.

FEW PLANS IN LAST DAY RUSH

City Subdividers Whose Plans Have Been Approved Not Worrying About Civic Signatures.

Today the law giving the Ontario Highway Board jurisdiction over subdividing plans within a radius of five miles of the city goes into effect. Yesterday about a half-dozen plans for subdivisions were finally signed and sealed by the township clerk. The day before about as many went thru also. These were plans already approved of by the township council, some of them over a year ago. The sub-dividers, after their plans are accepted, go right ahead and sell lots, most lots being sold on agreement, and registration of sale being unnecessary. By not getting the township clerk's name and seal attached to their plans until after the assessor has made his rounds, some of the land men save considerable in taxes, because the assessor must perform tax their land at its pre-subdivision value.

Very few plans went thru the city hall yesterday, it being generally understood by those who had had their plans approved by council that the city will arrange to put the big seal on them after May 4. To some extent, in city routine, the signing of approved plans is but a formality and those whose plans are not yet executed are not worrying.

Greater plans for new subdivisions inside and within five miles of the city must first go to the railway board. Twenty-one days' notice must be given of such intention. In the case of Toronto subdivisions, this twenty-one day interval will probably be utilized to secure the city's approval of the plans, thus expediting the work of the railway board, which will act in a judicial capacity between the land men and the municipalities.

BRAKEMAN FELL UNDER WHEELS

James H. Wray Was Instantly Killed in Yards West of Bathurst Street.

James H. Wray, a brakeman, living at 27 Duval-avenue, was killed by a freight train in the Grand Trunk yards just west of Bathurst-street yesterday morning. Last night Coroner Dr. Hardy opened an inquest and adjourned till May 8. Wray was walking across the top of a long strip of freight cars when he slipped and fell between two cars, his body being mangled by the wheels. Wray had been a railroad man for 28 years. His wife died eight months ago. He is survived by two daughters and two sons, the latter being workmen on the railroad.

ELK LAKE BRANCH

Over 300 Men at Work on New Line of T. & N. O.

On the uncompleted portion of the construction of the Elk Lake branch of the T. & N. O. Railway, twelve miles of the right-of-way having been cleared already.

The uncompleted portion of the Percipine branch ballasting is now being done and the station buildings at Timmins are under construction. Chairman Englehart has hopes of being able to have the line open for traffic by December 1.

All along the railway from Lakehead to Cochrane settlers are flocking in and the prospects are bright for a good season's business.

To absorb shocks which might destroy Tungsten electric lamps suspended by cords, there has been invented a wire spring, with hooks at each end to engage the cord.

A German automobile builder is experimenting with hammock seats, suspended from steel spring frames, which are claimed to be the easiest riding seats yet devised.

HAD A BANKBOOK

But Young Montreal Man Was Arrested on Theft Charge.

Altho Arthur Reid had in his possession a bank book indicating a deposit of \$1100 in a Montreal financial house, he was arrested last night by Detectives Wallace and Newton, charged with the theft of a bicycle on King-street. Reid, who is aged about 22 years, did not give any address or any particulars regarding himself other than that he used to live in Montreal. According to the police, he is a "hobo," despite the bank roll.

Final Settlement Of Fisheries Treaty

Hon. Mr. Hazen and Sir Edward Morris Will Go to Washington Next Week.

WASHINGTON, D.C., May 3.—(Can. Press.)—The Canadian minister of marine and fisheries, Hon. J. Douglas Hazen, and Sir Edward Morris, the Newfoundland premier, on the one side, and Chandler Anderson, solicitor

for the department of state, on the other, are expected to confer here next week regarding the regulations to be adopted by the two governments to carry out the award of The Hague arbitration regarding the North American fisheries.

The arbitrators left for the adjustment of the two governments a few things involving no question of principle, but of considerable importance to the fishermen, the settlement of which must be determined by the development of facts unknown to the arbitrators at the time the decision was rendered. It is expected that next week's conference will result in a permanent settlement of the last of the issues connected with the fisheries, which have caused friction between the two countries for the last century.

MONARCH PARK

The Closest-in Subdivision Left in the City of Toronto
AS SHOWN ON THE STAR'S MAP OF THE CITY AND SUBURBS LAST WEDNESDAY.

- MONARCH PARK is an ideal location for homes—being beautifully wooded with a rich soil that will make lovely gardens and a magnificent view of the lake and island.
- MONARCH PARK is scarcely more than two and a half miles from the City Hall.
- MONARCH PARK will have the best transportation facilities of almost any district in the city of Toronto. When the city car lines are completed it will be almost surrounded by street car lines on four sides.
- MONARCH PARK is inside the city limits with city conveniences and all local improvements are now being arranged for.
- MONARCH PARK fronts on Danforth Avenue, which will be widened to 86 feet all the way from Broadview to the East End, making it a leading thoroughfare.
- MONARCH PARK is ready for immediate building.
- MONARCH PARK is being rapidly sold—over 1,540 feet being taken up in one week.

We consider this the best buy in the city, or even in Canada to-day, for quick profits. It will cost you nothing to investigate. Come and see it.

TWO PROPERTIES SOLD UP YONGE

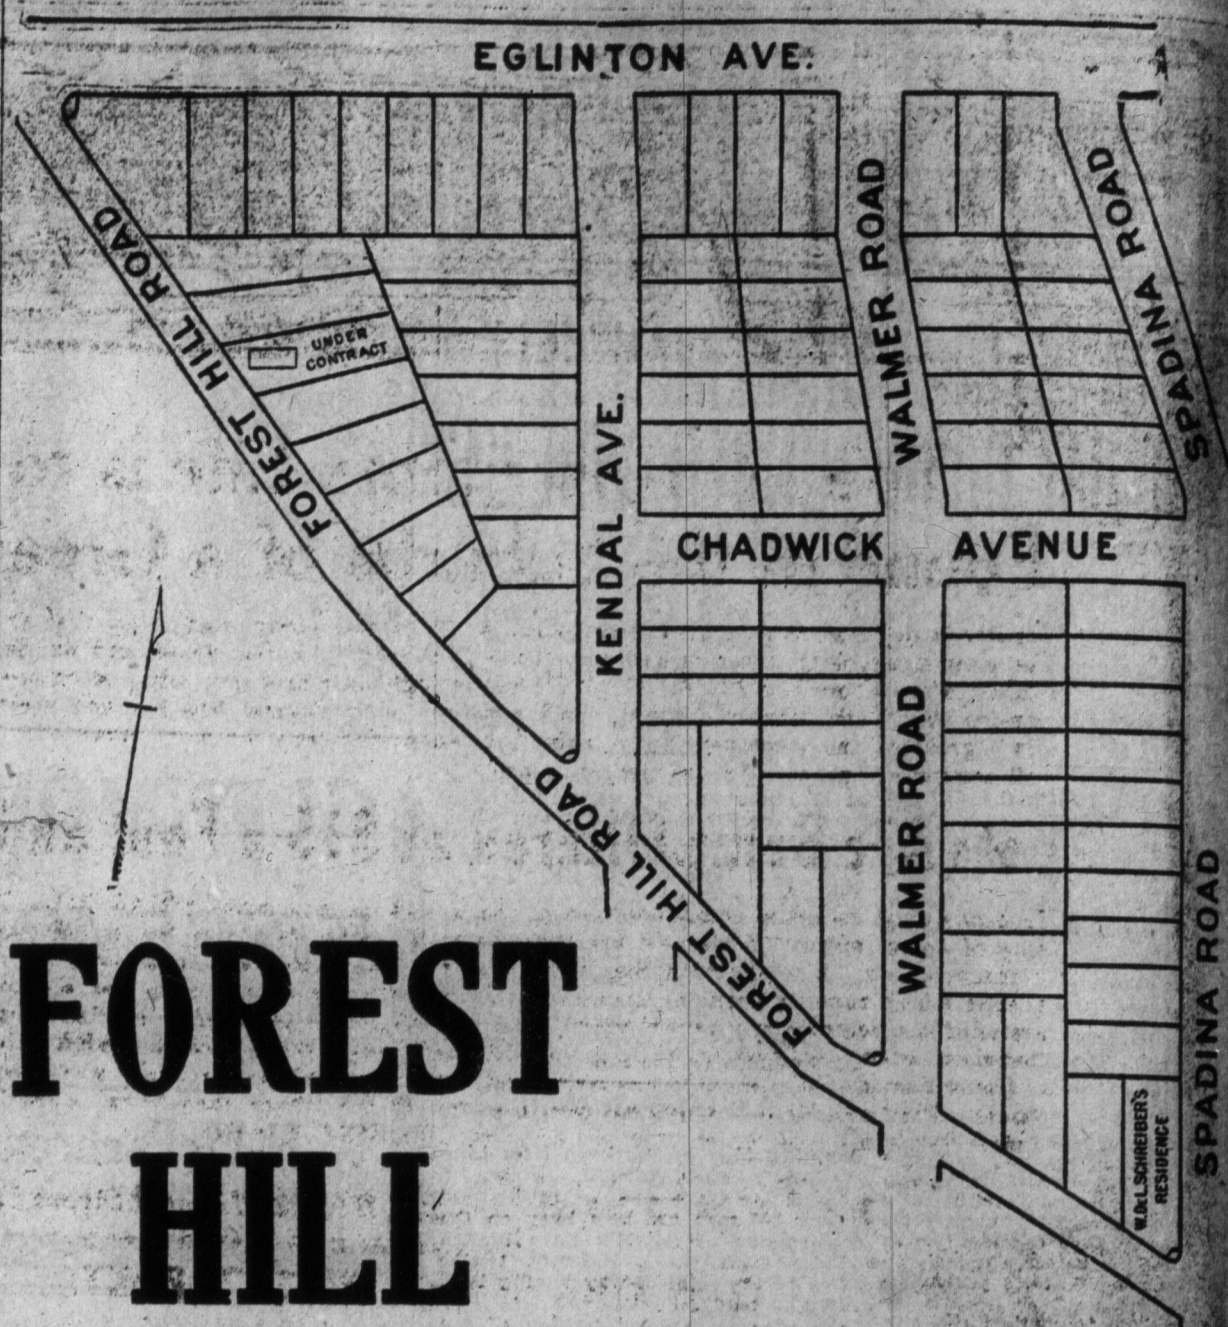

Thirty Feet North of Firehall Brings \$3000 a Foot Small Carlton Parcel Sold.

The little lot of 35 feet frontage, by a depth of 14 feet, facing on Carlton street, on the south side, and in the rear of the Bank of Montreal at Yonge and Carlton streets, has been sold to Mr. Sheppard of Burns & Sheppard at a price of \$1000 per foot. There is a small frame house on the lot. The 30 foot frontage on Yonge street, immediately north of the fire hall, by 125-foot depth to a line, has been sold at \$200 per foot. The name of the purchaser is not yet given out. Other transactions about Carlton street are under way.

King St. Firm Will Move to Upper Yonge

Elliott & Son, decorators, have decided to erect a four storey building on property they recently purchased on Yonge-st., south of Dundas-st. They have 45 feet of vacant frontage next to the corner lot. They will move out of their leased premises at 75 West King-st. as soon as possible. The move is made necessary because of outgrown capacity, and because their situation, now part of a financial district, is losing value for retailing and commercial purposes.

By coating eggs with unsalted lard and storing them in a cool, airy place they may be kept fresh for a year, according to an Italian authority. Two heavy flywheels to make the motor steady running have been fitted to an automobile used in London for carrying electric lamps and other fragile articles. For the convenience of persons who have small amounts of washing to do at home there has been invented a pull with a washboard sliding in grooves in one side.

Invest 60 Minutes TO-DAY IN LOWTHER PARK ESTATES

A SPLENDID PROPERTY NEAR DANFORTH AND WOODBINE

YOU can afford to invest 60 minutes in learning how to profitably invest 60 dollars or more in Lowther Park lots. Do This To-day

THE Danforth civic car line is projected to serve this property this year. This is but the forerunner of the extension of Bloor Street East along Danforth, and the beginning of phenomenal development in the east. There is every reason to believe that Lowther Park lots along Danforth will become as extremely valuable as Bloor Street West lots now selling from \$250 to \$350 per foot.

LOWTHER NOW is the time to buy for homeseite or investment. Present prices are the lowest in this splendid Danforth section; but how soon the advance will come is difficult to say. Buy now and the advance in prices cannot come too quickly for you. Come Out This Afternoon.

VISIT Lowther Park this afternoon. Our motor cars will be waiting for you at the eastern office, Greenwood and Gerrard, end of Parliament car line, from 1 to 5 p.m. to-day. Don't miss this trip.

The Ideal in Home Life is to be Found in the Suburbs of a Great City

Toronto is destined to be a great city—and has no greater pride to-day than that of her splendid homes. The most desirable of the new suburban home districts lie to the North, and an ideal location to-day for a home is to be found in BRIAR HILL PARK, a high-class property, situated on one of the highest elevations in the North Toronto district, richly endowed with natural beauties and right in the heart of the city's greatest and most permanent suburban expansion, and the most reasonably priced high-class and well-restricted property on the market to-day.

Lots Are Being Offered at \$15 a Foot and Upwards

Transportation facilities completed and in contemplation will make BRIAR HILL PARK one of the most easy of access of any of the new home districts. Stop 19, Yonge Street (Metropolitan Line), is close to the property. It is expected that a car line will be constructed on or near the continuation of the avenue which runs through the property. All city conveniences, such as gas, electric light, water, sewers, granite sidewalks and paved streets are available in the town, and the PARK is convenient to stores, churches, schools, colleges, bowling green and golf links. BRIAR HILL PARK is situated directly north of Upper Canada College, approximately a half mile north of the city limits, and about 4 1/2 miles from King Street. For homestead or investment purposes the PARK offers exceptional attractions. Make appointment by phone to be shown over the property. OR VISIT it to-day.

Moving Pictures That Reveal Digestive Process.
Regular moving pictures of the stomach of human beings and animals. In the process of digestion, have recently been exhibited in Germany and it is believed that it will not be very long before such pictures will be exhibited to all medical students as a part of their course of training.
Experiments were made first on tests, according to the Philadelphia Press, by adding a little sublimate of blennium, a harmless powder, to the food of the feeding, the contents of the stomach became visible to the X-ray apparatus. By taking X-ray photographs in rapid succession, it became possible to secure a moving picture showing the exact motions the stomach goes through when digesting a meal.
The old idea that the stomach is divided practically into two parts, one being used as a sort of reservoir and the other doing the digesting, is fully disproved by the pictures. The whole stomach works.
Soon after the food enters the stomach begins to churn and knead back and forth. This churning movement takes the form of regular waves, which succeed one

another at intervals of 20 seconds. As the food becomes thoroughly digested it advances to the "pylorus," or "gatekeeper," which allows it to pass on. So long as there are undigested masses in the stomach the kneading action continues and the pylorus remains obturate.
It is plainly shown by the moving pictures that worry, anger or other excitement causes the digestive action to stop. Observation on cats and other animals prove that when they are teased, or even when they have been asleep, and have had bad dreams, there is a cessation of the stomach movements.
It is believed that careful study of this subject will throw much new light on the digestive processes and aid in the treatment of disease.

CHICAGO GOSSIP

J. P. Bickell & Co. received the following from the Chicago Board of Trade:

Wheat—We are still decidedly of the opinion that the government figures due next week will show a very low condition of the wheat crop.

SENTIMENT WAS HELPED BY CROP DEVELOPMENTS

Wheat fit responded to buying for Bull Account and Prices Rallied Again—Corn and Oats Under Pressure.

CHICAGO, May 3.—Buller felt that France will be a liberal buyer for other countries brought about a bulge to-day in the price of wheat.

News of a probable extension of the time allowed for French millers to export flour made from foreign grain, started the wheat market here on a note of advance.

Corn displayed heaviness always. Commission houses selling were too persistent. Big shipments from Argentina had a depressing effect. July went from 76 1/2 to 77 1/2, closing weak at 76 1/2.

Genuine Oriental Cotton Crepe

The weaving of crepes in Japan has been pursued for many years, and there the highest perfection in the art has been obtained. Owing to the popularity of Oriental crepes, imitations have been attempted by manufacturers in the United States, but so far with but indifferent success.

The threads of Japanese crepe are twisted by hand and woven on hand looms; no machine has yet been made that can give them the Eastern beauty of finish, and no dyes can match the coloring. Oriental crepes are the only ones made that do not require ironing.

The splendid wearing qualities of these crepes, their delicate yet fast colors, their quaint and beautiful designs of Oriental figures, birds, fans, umbrellas, poppies, chrysanthemums, orchids, etc., places them above all other cotton fabrics for the use in shirt-waists, gowns, kimonos, pyjamas, wash ties, bed valances, curtains for all rooms, men's shirts, and many other things. We have the exclusive right to the sale of these goods for Toronto. Special show on second floor, 30 inches wide. Per yard, \$1.69

Women's Finest Quality Plain Black Cotton Hose, and colored tops and plain colors, nice weight, the open finish, fashioned, \$3 to 10. Special Monday 10c pair 3 pairs \$5c
