This institution has sustained during the year a very great loss, by the untimely death of the late Mr. Thomas Morland, who for the last eleven years faithfully discharged the duties of a member of the Committee of Management, and upon all occasions used his influence with his friends and the public to enlist support and sympathy for the Hospital.

For many years he was in the habit of paying every Tuesday a visit to the patients, saying a few kind words to them, and looking after their comfort.

So identified with this charity had his name become that soon after his decease a number of his and its friends subscribed and collected a considerable sum of money to be applied to the erection of a children's hospital, in connection with this institution, and to be called by his name, in commemoration of the interest he had always taken in its welfare.

It is hoped that this building may be erected in the course of this summer, as such an institution is very much needed amongst us, and its want has long been felt by the poor.

The Endowment Fund has been increased, by the following amounts, during the year:—

Bequest of late Mr. John Frothingham.....	\$ 2,000.00
Bequest of late Mr. Thomas Morland.....	1,000.00
Donation from Mr. J. H. R. Molson.....	400.00
“ “ Mr. John Crawford, of Verdun.....	500.00
“ “ Mr. Wm. Burnett.....	200.00
Eight donations of \$100 from as many persons, the qualification required from Life Governors.....	800.00
Donation from City and District Savings Bank.....	600.00
Donation from Grand Trunk R. R., per Mr. Brydges.....	400.00
	<hr/>
	\$5,900.00

With the view of adding to the revenue and meeting the necessary expenditure, and believing that there is a large number of the community who can hardly ever be reached by the most laborious collectors, and following the custom prevailing in most of the cities in Great Britain, the Governors last August addressed a letter to every Roman Catholic and Protestant congregation in the city, requesting that an Annual Public Collection, in aid of the Hospital, be taken up in every church, and suggesting that “Hospital Sunday” should be the first Sunday of October in every year.

It is very gratifying, as affording unmistakable evidence of the favor in which the institution is held by the citizens generally, that, in reply to the above request, collections have been made in almost all the Protestant churches in the city, and that thereby the handsome sum of \$2,000 <sup>20</sup>/<sub>100</sub> has been contributed to the funds of the Society.

The employées of several of the manufacturing and mercantile establishments have generously subscribed something out of their limited means towards the maintenance of an asylum for the sick and disabled poor, and the following donations appear worthy of mention in this report, as indicating the general interest taken in the operations of this Society :

Compromise of a dispute between two gentlemen.....	\$50 00
Proceeds of Sailors' Festival and Concert.....	89 00
Half the balance of Hotel and Restaurant Keepers Fund per Messrs. Tansey and Crosby.....	62 50
Donation from Loyal Montreal Lodge Odd Fellows, per Mr. D. Findly .....	25 00
Proceeds of Concert given by 1st Prince of Wales Volunteer Rifles .....	100 00

From New City Gas Company, part of a fine imposed by Police Court .....	\$100 00
Proceeds of Concert given by Protestant Benefit Society, Point St. Charles .....	38 00
From Ladies' Montreal Benefit Society .....	60 00
From Grand Trunk Band, per Mr. Hunt .....	32 50
From "Montreal," Grand Trunk and "Alexandrian" Snow Shoe Clubs per Messrs. Cohen and Lopez.:	53 00

Other donations from various sources, although of less sums, yet exhibiting the same good will, will be found in the list of donations and subscriptions appended to this report.

The following gentlemen have been elected "Life Governors" during the year:—Messrs. William Barnett, John Crawford, (Verdun) Samuel Finley, E. H. King, John C. McLaren, John Ogilvy, John Plimsoll, T. M. Thomson.

The Governors desire to express their gratitude to those sincere friends of the institution over which they preside who have taken up the subscriptions in the several wards, as without their co-operation the means of maintaining a charity so necessary to the sick and suffering poor would have proved altogether inadequate, viz.:

Messrs. W. Cumming, Benjamin Dawson, James D. Adams, the Hon. M. Laframboise, J. Barsalou, R. W. Shepherd, N. S. Whitney, A. W. Hood, John Phelan, W. Clendinneng, John Foulds, John Sinclair.

In concluding this report the Board of Management desires to bear testimony to the faithful manner in which the attending physicians, the resident medical officers, the steward, matron, and nurses have discharged their respective duties.

All which is respectfully submitted.

R. P. HOWARD,

Secretary.

On the reading of the Report it was resolved on the motion of Mr. J. H. R. Molson, seconded by Mr. Mulholland:

"That the Annual Report of the Board of Governors to this Corporation be received and adopted as its Forty-ninth Annual Report, and that it be printed for circulation."

The Chairman, having requested Mr. Benjamin Dawson and Mr. J. H. R. Molson to act as Scrutineers, the meeting proceeded to the election of six Governors for two years. At the close of the ballot the Scrutineers declared the following gentlemen to have been elected Governors for two years:—Messrs. James Hutton, John McLennan, Brackley Shaw, John Stirling, N. S. Whitney, and the Hon. M. Laframboise.

*Resolved*,—On the motion of Mr. Justice Torrance, seconded by Mr. T. J. Claxton:—

"That the cordial thanks of the Corporation be and are hereby tendered to the gentlemen who have so efficiently acted as collectors for the institution during the past year.

The Annual Meeting of the Governors was held on Thursday, the 18th May, 1871, when the following gentlemen were elected officers for the year :

MR. WILLIAM MOLSON.....*President.*  
 MR. PETER REDPATH.....*Vice-President.*  
 DR. R. P. HOWARD .....*Secretary.*

A letter having been read from Mr. Ferguson, containing his resignation as Treasurer and as a member of the Board of Management, on the ground of advanced age, it was moved by Mr. Alexander, seconded by Mr. John Crawford, and unanimously resolved :

"That this meeting cannot permit Mr. Archibald Ferguson to retire from the office of Treasurer of this institution without expressing its grateful sense of the valuable services rendered by that gentlemen to the Hospital—first, as one of its founders, then as one of its collectors dating as far back as 1822 ; subsequently as one of its Committee of Management for various periods since 1834, including the last twelve consecutive years, and as Treasurer during the last six years."

A vote by ballot was now taken for Treasurer, and the Scrutineers announced that Mr. George Frothingham had been elected to that office.

Proceeding to the election of a Committee of Management, it was moved by Mr. Atwater, seconded by Major Mills, and carried :

"That the Committee of Management of last year be re-elected, substituting Mr. Peter Redpath's name for that of the late Mr. Morland."

*Resolved*,—On the motion of Mr. Lunn, seconded by Mr. R. Campbell, jun. :

"That the medical officers of last year be re-elected."

The following resolutions were then severally moved and passed :

*Resolved*.—On the motion of Mr. John Crawford, seconded by Mr. Frothingham :

That the cordial thanks of the Governors are hereby tendered to the attending physicians for their valuable services rendered to the institution during the past year.

*Resolved*.—On the motion of Mr. Lunn, seconded by Mr. Alexander :

That the thanks of the Governors be given to the House Surgeon and assistant House Surgeon, for their valuable and efficient services.

Instead of appointing collectors for the year, in accordance with

custom, it was moved by Mr. Lunn, seconded by Mr. Frothingham, and resolved :

That Messrs. Robert Muir, Edwin Atwater and John Crawford be a committee to confer with gentlemen and obtain their consent to act as collectors to the institution for the year ; Mr. Muir to be convener of the committee.

In consequence of Mr. Frothingham declining to accept the office of Treasurer, a special meeting was held on the 3rd June, and Mr. Charles Alexander was elected Treasurer in his stead.
