"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the binet Organ, but the organ must be nanipulated by an artist in order to produce music; the unstre is on the other hand entirely mechanical in its action, and at trifling expense it can be made furnish an unlimited supply of all kinds of music." Toronto Globe.

"THE ORGUINETTE is indeed a musical wonder. It is a miniature reed organ, with as strong in melodious a tone as the Cabinet Size. It surpasses the Cabinet Organ, for the reason that the organ music can play it as well as the most accomplished projessor.
