have taken place are to be found at various points in the vicinity of the forts. Bloody Bridge over a stream about five miles from Fort Cumberland towards Fort Monkton, was on one Sunday shortly The Shanghai representative of the after the taking of the former fort after the taking of the former fort the scene of a terrible and ghastly scene. Briefly told, eight officers, with their wives, started for a drive from Fort Cumberland; after getting out about a mile, the men having liquor with them, began having liquor with them, began quarreling and the women return-el to the fort and the officers pro-ceeding hitched there horses near ceeding hitched there horses near mention of his irregularities. the spot which was so soon to be Further advices from Hiroshima glycerine variety. rendered tragic, and commenced looking around as curiosity prompted. The terrible war-whoop of the Indian aroused them to a sense of their danger. Taken by surprise, without weapons, re-sistance was short and useless. rendered tragic, and commenced sistance was short and useless. All fell under the blows of the remorseless tomahawk, except one, who being able to outrun his savage pursuers, reached the fort and gave the alarm, a party at once went out from the fort and found seven nude bodies, under a bridge, which were brought back The Paris Journal des Debats, in an where Mr. Blake was to speak. bridge, which were brought back to the fort and buried. This they named Bloody Bridge. Jollicure Abideau where about twenty-four British soldiers were ambushed and shot down, and various other places were made historic by the incidents that took place during the French war. There were stirring times at Fort Cumberland too, at times at Fort Cumberland too, at never meddle with matters that do times at Fort Cumberland too, at the time of the revolution, when the time of the revolution, when the time of the revolution when the time of the fort was besieged, and the sur-rounding country in a state of dis-month, in Europe, Africa and Asia. affection. Succor had to be sent The bills introduced in the Diet at the affection. Succor had to be sent from Halifax, the messengers be-ing exposed to great danger and peril in going to Halifax to sum-mon aid which came just in time to save the beleagured garrison. The attack upon and routing of the rebels then took place with confiscation of the property of such notables as Col. John Allen. No piece of ground in the lower provinces has been the scene of greater or more thrilling events in the early history of our country than the Isthmus of Chignecto and particularly Fort Cumber-band I and. It would seem that a very proper and patriotic object would be the preservation of the ruins, if nothing more, of a spot around which so many historic associat-ions cluster. Some effort should also be made to preserve the bury-ing grounds in the vicinity of these old forts, so that the re-mains of the dead may not be descerated. Some years ago the local government made a grant to preserve the burying ground at Fort Monkton from being washed Fort Monkton from being washed away. Some action should be land.
