WALKING MATCHES

Are great testers of the merits of a Shoe not so much for wear and durability as for ease and comfort to the feet.

The Span's Inquisition had not a more cunningly devised torture than a tight boot, yet many of the present day suffer exactly the same torture by wearing plucking and uncomfortable footwear.

ALL OUR SHOES ARE STYLISHLY MADE BUT ARE ALSO BUILT FOR FOOT EASE AND GENUINE COMFORT.

We only want an opportunity to prove our claim to your entire satisfaction.

MILBURN'S HEART AND NERVE PILLS.

Wrote Mrs. K. E. Bright, Dundas, Ont. She writes: "I was greatly troubled, for six years, with my heart and shortness of breath. I could not walk eighty rods without resting four or five times in that short distance. I got so weak and thin I only weighed seventy-five pounds. I decided at last to take some of Milburn's Heart and Nerve Pills, and after taking eight boxes I gained in strength and thirteen pounds, weigh one hundred and thirteen pounds, the most I ever weighed in my life. I feel well and can work as well as ever I did, and can heartily thank Milburn's Heart and Nerve Pills for it all."
