Instructions to her trusty servants, she took the first train for London. "She had travelled quite enough to have her wits about her, and not be disturbed by the noise and bustle of the city.

Taking a cab, she directed the driver to Harry's address. Bidding the driver wait until he was sure it was the right place, she ascended the steps and rang the bell, a trim little figure

Old Mrs. Markham gave a glance around the neat, spotless kitchen, and then she turned around to Nettie, and taking her in her motherly arms gave her a hearty kiss.

There are now in the streets of Washington twenty-seven thousand seven hundred shade trees, nineteen thousand of which have been planted within the last few years.

To remove warts from cows' teats, wash them in strong alum water for several days, and the first you know they will be gone.

A Nebraska poet says of Mrs. Belknap:
The only act her sin to cover,
The only plea that she can use,
Her social standing to recover,
Lies in her one and one-half shoes.
An exchange speaks of a woman so
so-eyed that when she weeps tears from

PRESENT:
HIS EXCELLENCY THE GOVERNOR GEN-
ERAL IN COUNCIL.
WHEREAS it is provided by the 58th Section
of the Act 31 Victoria, Chapter 6, intitled,
"An Act respecting the Customs," that the im-
porter of any cattle or swine may slaughter and
cure and pack the same in bond, under such re-
gulations and restrictions as the Governor in
Council may from time to time make for this pur-
pose.
And whereas it has been found expedient
give effect to the said Section 58, in so far as re-
gards the importation of swine, and to alter the
terms of the Regulations for this purpose, adopted
by Order in Council of 22nd of May, 1868:—
His Excellency, on the recommendation of the
Honorable the Minister of Customs and under the
provisions of the said Act has been pleased to or-
der, and it is hereby ordered, that the said Order
in Council of the 22nd day of May, 1868, and the
Regulations thereby established be and the same
are hereby repealed, and that the following Regu-
lations be and are hereby adopted and establish-
ed in lieu thereof—that is to say:
1. Upon the importation of swine for the pur-
pose of slaughter, the Importer shall enter the
same for Warehouse, upon the usual form of such
entries, stating upon its face, the number and
value of the herd, and also the quantity of pork
bacon, hams and lard, which the number stated
will produce when slaughtered and dressed at 113
pounds weight for each live hog so imported, and
the amount of duty to which such produce is or
may be liable under the rate prescribed by the
tariff in force at the time being as the proper duty
on meat of that kind. Such Importer shall then
execute a bond to the Queen, in double the
amount of such duty, the condition of which bond
shall be, that upon the due expiration within
one year of the said products of the swine so im-
ported or converted into pork, bacon, hams and
lard, or payment of the duty secured by the said
bond, then the said bond shall be and become null
and void otherwise shall remain in full force and
virtue.
2. Upon the reception into the Bonding Ware-
house, the swine shall be regarded only as meat;
and it shall not be lawful to remove any of them
from such Warehouse alive; nor shall any part
of the produce of such swine be removed there-
from, for any purpose, without a permit from the
Collector, or proper Officer of Customs, as in the
case of all other bonded goods.
3. Swine imported in the carcasses to be cured
and packed in bond, may be entered in the usual
way for Warehouse, and be placed in the premises
established as a Warehouse of this class for the
special purpose of curing and packing. The
weight of such carcasses to be duly ascertained
by the proper Officer of Customs, and the Import-
er shall give bonds to the Queen in double the
amount of duties accruing thereupon under the
tariff then in force, conditioned for the due ex-
portation of the same, or payment of duty within two
years from the date of first entry.
4. The killing pen, curing and packing house-
and all cellars, stores or other apartments includ-
ed in such Warehouse, shall be accessible at all
times between sunrise and sunset to the inspection
and survey of the Collector or Inspector of
Customs, or any officer of Customs to whom the
duty of such inspection may be assigned by them
or either of them.

warehoused for slaughter, at the said rate of 113
pounds for each hog, and the meat of the swine
imported in carcasses for curing and packing, at the
actual ascertained weight at first entry, shall be

J. JOHNSON,
CUSTOMS DEPARTMENT.

Representative and Champion of American Art Taste.
PROSPECTUS FOR 1875—EIGHTH YEAR.

THE ALDINE, THE ART JOURNAL OF AMERICA.

ISSUED MONTHLY.
A MAGNIFICENT CONCEPTION, WONDERFULLY CARRIED OUT.

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failure of such attempts, however, has not deterred the public from the desire for such a journal. It did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or flimsy character of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature; and a collection of pictures, the most specimen of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the end of the year. While other publications may claim superior elegance, as compared with those of a similar class, THE ALDINE is a unique and original conception—done and approached—absolutely without competition in price or character. The possession of a complete volume can not duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there is the chronic, bi-les!

The national feature of THE ALDINE must be taken in no narrow sense. True art is everywhere. While THE ALDINE is a strictly American institution, it does not confine itself to the reproduction of native art. Its mission is to cultivate a broad and appreciative art taste, one that will discriminate only on ground of intrinsic merit. Thus, while placing before the patrons of THE ALDINE, the leading characteristic, the productions of the most noted American artists, attention will always be given to specimens from foreign masters.

The artistic illustration of American scenery, or original with THE ALDINE, is an important feature, and its magnificent plates are of a size more appropriate to the satisfactory treatment of details than can be afforded by any inferior page. The judicious interpretation of landscape, marine, figure, and animal subjects, evince an unqualified interest, impartial where the scene of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful accompaniment, worthy of the artistic features, with only such technical discussions as do not interfere with the popular interest of the work.

Dr. J. Walker's California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs from the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Walker's Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle. A perfect Regulator and Invigorator of the system. No other before in the history of the world has a medicine been compounded possessing the remarkable qualities of Walker's Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in all its forms.

R. H. McDONALD & CO.,
Druggists and General Agents, San Francisco, California, and for Washington and Charleston, N. B., New York, Sold by all Druggists and Dealers.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair. **Grateful Thousands** proclaim Walker's Bitters the most wonderful Invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and drouth, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's **Vermorel Bitters**, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Diarrhoea, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Glands, Scrofulous Inflammations, Indolent Ulcers, Rheumatism, Menstrual Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralytic of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Bothers, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurf, Diacutaneous of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible. Jaundice—In all cases of female weakness, the only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose use Walker's Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
