CHRONICLES OF LIFE.

By Mrs. Cornwell Baron Wilson. THE PAWNBROKER'S WINDOW

CHAPTER III. "Deprived of all,
Of every stay, save innocence and heaven."
Thomson's Seasons.

and now for the first time was able to thank
her companion with fervent gratitude for the
good office he had done her. He accompanion
ed her to the door she saw agitated and dised her to the door she saw agitated and disout their constructive import had not been ressed, and left her with a promise to call misunderstood, nor had both parties failed to apon her on the following day.

And Walters kept his word. After an un- wards appear to each other. happy night, Nance in the morning went down to Mrs. Ormande and told her all that had oc-The honest Irishwoman's indignation at the imputation which had been cast upon her, was only exceeded by ner praise and admiration of Waiter's kindness. Nay, a new idea arose in ner mind. She imagined, their young landlord had fallen in love with her protegee, and saw wedlock, and golden visions in store for Nance. She kept her supply, among other votes, one was proposed opinion secret, but resolved as far as in her to assist in paying off the debt, mentred lay, to forward her rich lover's suit,

what has occurred to heart, you will observations,

scon have no need to labor for a livelihood-

And how much may that be, eh. No, no, I'm not to be humbugged this way—you mans get me two pounds, or march off to the stationhouse.

I will borrow it from some one, said Nince. But the words fell back coldly upon herself. From whom could she borrow! She was, could not afford, perhaps could not command such a sum. She knew not what some mans such a sum. She knew not what self the station and such a sum. She knew not what self the station and such a sum. She knew not what self the station are self the station between the most ordinary intercourse a certain to feel abacked in the presence of the poor girl, which he wilds an all fees and travelling charment of the balance of the last year's assessment; and that, with the grant, which he whom he had relieved. ships' attention to the case of Mr. M'Leod, a British subject, who had been seized by the authorities in the United States, and imprisonal, for having assisted in destroying the steamboat Caroline during the late Canadian troubles. He had learned from the public papers that a correspondence had taken place between Mr. Fox, the British minister at Washington, and Mr. Forsyth, the American secretary of state, as the subjects of the American government had refused to deliver, him my. Most violent speeches lad been made on the subject in the American congress—not only against the country, but attacking Mr. M'Leod himself, so that it would be impossible dimenst but that he should fall a victum to the prejudices excited against him. He trusted in government would act in such a man are sto hybrid to the prejudices excited against him. He trusted in general reports, for the purpose of presenting the concrete of air having entered the tunic as there was an opportunity, but, owing tained, in a general report, for the purpose of the St. Croix that a correspondence had taken place being laid before the political and scientific from Macao November 3. By kees it aphotom the subjects of the American secretary of state, as the subjects of the American secretary of state, as the subjects in the American secretary of state, as the subjects in the American congress—not the subject in the American congress—not the subject in the American secretary of state, as the subject in the American congress—not the subject in the American congress—not the subject in the American congress—not the subject in the American secretary of state, as the subject in the American secretary of state, as the subject in the American congress—not the subject in the American secretary of state, as the subject in the American secretary of state, as the subject in the American secretary of state, as the subject in the American secretary of state, as the subject in the American secretary of state, as the subject in the American secretary of state, as the subje the priejudices excited against him. He trusted the government would act in such a manner as to uphold the dignity of the country of they did not, we should be degraded, and British subjects would be liable to all sorts of insults in Arth Quited States. (Hear.) The Carolino was engaged in an act of piracy at the time she was taken, and therefore those and present agreed the capturing her were justified. Had any foreigners taken a British vessel engaged as the Caroline had been, and had they destroyed the ship, and hanged the crew, the B government would never have thought of in terfering. Gen. Jackson of Florida had hanged the crew, the B government would never have thought of in terfering. Gen. Jackson of Florida had hanged the crew that was still at Chusan, and unless of the samination of the support it would have bas, from the conclusions of the hat British of the late British of the late British of the late British of the late British commissioners. Satisfied that the other branches were headed by an Allantic river, and, consequently could not be reached in too hasty a lifer, it some points, from the conclusions of the late British commissioner. Satisfied that the other branches were headed by an Allantic river, and, consequently could not be reached by the line along the fell that the other branches were headed by an Allantic river, and, consequently could not be reached in too hasty a lifer, it some points, from the conclusions of the late British commissioner. Satisfied that the other branches were headed by an Allantic river, and, consequently could not be reached by the line along the fell that the other branches were headed by an Allantic river, and, consequently of indepting the country and an allation of the base of the late British commissioner. The Admiral was still at Chusan, which had been found any foreigness taken, and therefore those where a still at Chusan, which had been found any foreigness taken a British great late and the other states and the other states and the other states and the co an unlawful act, but the United States seemed to have one law for themselves and another for other nations. He wishedto ask the noble lord if her majesty's government had received apprinformation of the arrest of a British of the arrest of a British good intentions, subject named M'Leod, by the authorities of but admitting to his inability. He declares

the noble lord will lay upon the table of the house the correspondence upon that subject, between the government at home, the British representative at Washington, and the representative of the United States!"

Quebec, Feb. 24. Another Fire .- The citizens of Quebec were again alarmed, between one and two proved to the Catholics, of St. John N. B. and o'clock, this morning, by the alarm of fire.— its depencies, that he has obtained full powers. The alarm was raised in consequence of the from the Court of Rome to celebrate the Dinew wooden house on the St. Lewis Road, near the Race Course, owned and occupied by Mr. Garrett Murphy, farmer, being discovered to be on fire. The police were promptly on the spot and rendered all the assistance in their power, but the fire had attended too much head too render any attents. In the minds of the community at large. He regrets that the Rev. Mr. Dunphy had not viewed the matter in question through a proper medium; if he had, most likely he would not have ested in the manner he had done and the manner he had and the tained too much head too render any attempt not have acted in the manner he has done, and at extinguishing it of avail. The house was, thus all the anxiety and scandal which have HOUSEHOLD FURNITURE, &c. consequently totaly consumed, together with arisen therefrom would have been save the greater part of the furniture. The house being isolated the fire did not extend its ravages, and no accident, we understand, occur- March 4, 1841.

The aged, and those who persist in wearing
wigs, may not always experience its restorative
qualities, yet it will certainly raise its virtues in
the estimation of the public, when it is known that
three of the above signers are more than 50 years
of age; and the others not less than 30.
