The copy filmed here has been reproduced thanks to the generosity of:

Seminary of Quebec  
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche sheet contains the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec  
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

*The Humble Petition of the Citizens of Montreal to the Gentlemen and Ecclesiastics of the Seminary of St. Sulpice in this City.*

Mr. Superior and  
Gentlemen of St. Sulpice,

WE, the undersigned, Citizens and Parishoners of Montreal, have the honour of expressing to you that we feel most grateful for the immense sacrifices that you have made and that you still continue to make daily in order to diffuse the gifts of Education in this City and Diocese; that you have lately acquired a new title to our gratitude, when without considering in the least the great expenses you have to make for the support of your College and excellent institution of the Friars' School you generously offered a splendid spot on your farm at the Mountain for the erection of a new College which would be placed under the direction of the RR. FF. of the Society of Jesus; that we regret the Fathers could not accept of the local, it being rather distant from the city.

Confident, after the important services you have rendered to this city and Parish, and considering that the Saint Patrick's establishment would unite the greatest advantages for executing the design of establishing the new College in question, would we be allowed to express to you the vows in form, that it would please you to take with the church-wardens and gentlemen of the Fabrique of this city if you think it necessary such arrangements as would suit you and the church-wardens, in order that the said St. Patrick's establishment may become the property of your Seminary, and that you may then be so good as to offer the Reverend Fathers of the Society of Jesus, on such a splendid local the same advantages that you offered them on your farm at the Mountain, and should the present petition please you, we hope that by generous contributions it will be in your power to erect a College that will respond to the grandeur and future prosperity of the city.

In taking that step, Mr. Superior and gentlemen of St. Sulpice, you shall complete for this City and Parish the great work of Education undertaken by you since leaving aside the Ecclesiastical and primary Education that you give with so much success, the youth of this country shall find in that establishment all the means of rendering themselves capable of fulfilling the different professions of Society in a way honourable to that same society, advantageous to your country and glorious to yourselves.

Montreal, November 1845.
