The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**J. A. McLellan, M.A., LL.D.**, Principal of the School of Pedagogy, Hamilton: "I feel but little doubt that the STANDARD DICTIONARY will be preferred to all others by the teacher, the student, the business man and the man of letters."

## DISTINGUISHING FEATURES.

- I. It contains the most complete vocabulary of any dictionary ever published.
- II. The Etymology is placed after the Definition.
- III. In the Definition of Words the most common meaning is given first.
- IV. The Scientific Alphabet is used in giving the Pronunciation of words.
- V. The Quotations used to verify or illustrate the meanings of words are Located.
- VI. Disputed Pronunciations and Spellings were referred, under the direction of Professor March, to a Committee of Fifty-Seven Philologists in American, English, Canadian, Australian, and East-Indian Universities, and representative professional writers and speakers in English.
- VII. If a Word is Pronounced Variously, the first pronunciation given is the one preferred by this work, and this is followed by the pronunciations preferred by other dictionaries.

**Prof. Wm. Clark, LL.D., D.C.L., F.R.S.**, Trinity College, Toronto: "As near perfection as we are likely to attain."

**The Honourable Justin McCarthy**, the Historian and Member of the House of Commons, London, Eng., recently wrote: "I refer to it (THE STANDARD DICTIONARY) every day—never once without feeling that it has given me a helping hand in my studies and in my writings. It is destined to be a conclusive authority to the English speaking peoples for many a generation."

- VIII. It is the most complete and accurate book of Synonyms and Antonyms published.
- IX. The Pictorial Illustrations are all (nearly 5,000) made expressly for this work; over 4,000 of these are in wood, and some are full-page groups in colors, made by the Messrs. Prang, and are true works of art.
- X. For the first time in a dictionary a serious attempt has been made to reduce to a system the Compounding of Words.
- XI. In its effort to help simplifying the Spelling of Words this Dictionary is conservative, and yet aggressively positive, along the lines of reform agreed upon almost unanimously by all the leading Philologists of England, Canada and America.
- XII. Obsolete, Foreign, Dialetic, and Slang Words are given places only if likely to be sought for in a general English dictionary.
- XIII. The Definitions in each department of science, and in various systems of philosophy, are provided with cross-references so arranged as to enable the Student to bring related parts of any science together in logical order, and giving a complete exposition of the entire subject.
- XIV. A Pronouncing Dictionary in one Alphabetical arrangement of Biographical, Geographical and Historical names, Prenomens (including Christian, Greek and Roman names) Pseudonyms and Nicknames, names of characters celebrated in fiction, Mythology, etc., with explanatory Etymological, Definition and Statistical information, Compiled by Titus Mumson Coan, M.A., M.D.
