

THE CHURCH STANDARD THE REV. JOHN FULTON, D.D., LL.D., Editor

...PLATFORM...

Following the judgment of the "Conference of Bishops of the Anglican Communion, holden at Lambeth Palace in July, 1888," THE CHURCH STAN-DARD accepts and maintains the following Articles :--

- (a)-The Holy Scriptures of the Old and New Testaments, as "containing all thing[∞] necessary to salvation," and as being the rule and ultimate standard of faith.
- (b)—The Apostle's Creed, as the Baptismal Symbol; and the Nicene Creed, as the sufficient statement of the Christian faith.
- (c)—The two Sacraments as ordained by CHRIST himself—Baptism and the Supper of the Lord—ministered with unfailing use of CHRIST'S words of institution, and of the elements ordained by Him.

(d)—The Historic Episcopate, locally adapted in the methods of its administration to the varying needs of the nations and peoples called of GoD into the Unity of His Church.

THE CHURCH STANDARD is the oldest Journal of the Protestant Episcopal Church published in the United States. It is a sound, independent, nonpartisan Journal, has the support of Bishops, is taken by a large majority of the Clergy, and is particularly commended as a Fanily Church paper. Among some of its valuable features are News Notes, Home News, Foreign Letter, Open Court, Clerical Personals, Diocesan and Missionary News, Official Notices, Book Reviews, Music and Art, Home Reading, Woman's Department, a weekly Story, and Puzzles for the Young Folks.

WHY AM I A CHURCHMAN?

By Rt. Rev. Thomas Underwood Dudley, D.D., Dishop of Kentucky. 16mo, paper, 15 cents.

Bishop Dudley has the art of putting things, and compresses the necessary truths into small space, systematically arranged and easy to understand."—The Church News.

THE EPISCOPAL CHURCH.

By Rev. George W. Shinn, D.D. 18mo, boards, 25 cents; cloth, 50 cents.

All of Dr. Shinn's manuals are popular in style and exceedingly useful in parish work. This new one will be found exceptionally useful. It is a veritable pocket cyclopedia respecting the history, doctrine and usages of the Church.

Sunday-School and Confirmation Manuals

By the Rev. WALKER GWYNNE.

"The Best Means of Instruction Ever Given to the Church Sunday School."

They are cheaper also than Leaflets, as the same books can be used in many cases for two or three years.

It is felt that the demand for something novel and fresh every year is a serious mistake, tending to produce restlessness and a srperficial and irreverent acquaintance with Holy Scripture. What should be aimed at is thoroughness rather than quantity. Constant repetition on the line of the Christian Year and the Church Catechism is the only security for a wellrounded and intelligent Churchmanship.

COMMUNION WINE.

The question of being able to procure a suitable wine for Communion purposes has been, in years past, found a serious one, by both Clergymen and Wardens. Most of the so-called Port Wine is adulterated and unfit for use at the Holy Com-munion; having their attention

unit for use at the Holy Com-called to this some years ago, the well-known Canadian Wine firm, Messrs, J. S. Hamilton & Co., of Brantford and Pelee Island, gave the matter their attention and produced a very choice sweet wine known as "St. Augustine." To prevent deception they registered this brand at Ottawa, and for the last few years it has been used with satisfaction in a great many parishes in the different Provinces of Canada. Two years ago a Special Committee was appointed by the Diocesse of Ontario, to examine samples of wine made in Canada. All the samples being got together and quality and purity compared, the Committee, aided by the Analysts of Inland Revenue at Ottawa, unanimously chose the "St. Augustine," as the most suitable and recommended it for use in all the parishes of the Diocese. Communion wine "St. Augustine" is now being used for Communion purposes in hundreds of Anglican and Presbyterian Churches throughout Canada, Englund, Ireland, Scotland and the West Indies. The prices are reasonable at \$4.50 per case of one dozen bottles and can be procured directly from Messrs, J. S. H. & Co. Ask for our registered brand of Communion Wine "St. Augustine," in cases of one doz, ets., \$4.50. J. S. Hamilton & Co., Brantford, Sole, General and Export Agents.

A short service taken from the book of Common Prayer is read every morning in the school chapel. Then follows, before the work of the day commences, instruction in the Bible or Church Catechism.

The school is divided into six forms.

Boys are prepared for the matriculation examinations of the University, the Entrance Examinations to the law and Medical Schools and Royal Military College, Kingston.

The regular curriculum embraces instruction in the Holy Scripture, Church Catechism and History, Classics, Mathematics, French, German and the usual English subjects including Literature, Composition History and Geography, Natural Science, Drawing and Military Drill.

During Lent Term a regular course in Gymnastics and Calisthenics is given by a competent instructor. In field sports Trinity Term is devoted to Cricket, and Michaelmas to Football.

PREFACE.

In this age of inquiry, when the functions and work of Institutions are so keenly discussed, it is not unnatural that the position and progress of the Church of England in Canada should be freely criticized. For this reason it seems the more desirable that the people should have facilities for acquiring such knowledge as may enable them to form an intelligent acquaintance with the various enterprises of the Church, and to arrive at just conclusions as to how far it is endeavoring to respond to the opportunities and demands of the present day.

In the hope of furnishing such information, this book has been again compiled, and it is believed that an unbiassed study of the facts recorded will not fail to establish and strengthen the conviction that the Church of England in Canada is, with manifest devotion and success, seeking to elevate human life in its spiritual aspects, and to cope with the social and economic perplexities by which we are now surrounded.

A pleasing duty now remains,—to thank those of our friends who have given the benefit of their suggestions and furnished information which has contributed to the completeness and value of this volume, particularly the convener and members of the Year Book Committee.

The Clergy, whose Names, Dioceses or Post Office Addresses are not correctly or fully given, should not fail, on or before October 15, to send notice of any change that is desired. Unless this be done the Editor cannot be responsible for inaccuracies in the Clergy List.

All communications should be addressed to the Editor and Publisher.

The Patent **Tubular Bells** consist of a series of metal tubes in suspension. These are harmoniously tuned, and, when struck, give forth notes of marvellous purity and sweetness of tone, comparable only to Church Bells of very high quality. The sound is penetrating, yet perfectly musical and effective. It is not quite equal in carrying power to that of heavy bells, but in quiet or rural districts is clearly audible to a great distance. In towns the effect is exactly similar to the sound of Cathedral Bells a short distance away.

They do not require a specially constructed tower, there being no swinging motion with the consequent strain upon the building. They can be placed in any bell tower without necessitating any structural

LIBERAL, STRONC, PROCRESSIVE.

These terms are properly used when applied to the OLD and RELIABLE

Opinions differ regarding Life Assur. ance methods, as in everything else, therefore the London and Lancashire Life offers a choice.

1. The Older Method is to pay small premiums and continue them during life, leaving the Sum Assured as a Legacy to Survivors.

2. The Newer Method is to regard a Policy both as a provision for dependents in case of premature death and as an investment for one's-self should a certain period be survived.

3. A combination of the Two Methods. with special terms to clergymen is now offered.

FIFTY-FIRST YEAR

1895

The Churchman

enters upon the first year of the second half century of its existence, and yet is vigorous in its maturity.

The following excerpt is from a letter just received (November 1894) from a rector of one of the prominent parishes in Canada :—

"I am glad to acknowledge my indebtedness to the '**Churchman'** for much that is helpful and cheering in my personal and ministerial life.

It is a privilege also to be brought into touch with the life of the American Church, in whose wonderful growth and activity I unfeignedly rejoice. This unity of the Spirit in the Church is a bond that no national differences can ever break asunder."

ST. GEORGE'S CATHEDRAL, KINGSTON,

Most 1Rev. John Travers Lewis

LORD ARCHBISHOP OF ONTARIO, METROPOLITAN OF CANADA.

John Travers Lewis, son of the Rev. John Lewis. M.A., was born in 1825, at Garrycloyne Castle, County Cork. Having received his primary education at Cork, he entered Trinity College, Dublin, from which he graduated in 1847, after a very distinguished career, in which he carried off the highest honors, being senior moderator in Ethics and Logic, gold medallist in Mathematics, and obtaining honors in Classics. He received his Divinity Testamur in 1848, and was ordained Deacon by the Bishop of Chester, acting for the Archbishop of Armagh, Dr. John George Beresford. In the following year he was admitted to the priesthood by Archbishop Knox, (then Bishop of Down) also acting for Archbishop Beresford. After a curacy of two years at Newtown Butler, in the Diocese of Clogher (which See was then held by the Archbishop of Armagh), he came to Canada in 1850, and was appointed to the laborious mission of West Hawkesbury, taking the place and to a considerable extent succeeding to the duties of the travelling missionary of the Ottawa District. In 1854 he was promoted to the Rectory of Brockville, in succession to the Rev. Edward Denroche. A year later he received the degree of LL. D. from his University. and soon after he proceeded to the degrees of B.D. and D.D. A man of Dr. Lewis's pre-eminent ability could not long remain in obscurity, and he very soon came to occupy the foremost rank among his brethren. The proposed division of the diocese early met with his powerful advocacy, and he spared neither voice nor pen in actively promoting what he saw to be fraught with such momentous consequences to the Church of God in this rapidly developing country. All eyes were soon directed towards him as the one best fitted by his learning, culture and commanding abilities to become the Bishop of the new diocese. The Venerable Archdeacon of York, Dr. A. N. Bethune, would naturally have been preferred by the elder clergy; but his advanced age and his residence outside of the proposed diocese placed him at a disadvantage. A special session of that section of the Synod of the Diocese of Toronto, which represented the territory to be included in the new diocese, was summoned at Kingston, on June 12, 1861. Fifty-three clerical and one hundred and eleven lay members answered to their names, the aged Bishop of Toronto, then in his 84th year, presiding. The resulting election was practically unanimous in favor of Dr. Lewis, and he became the Bishop-elect of the Diocese of Ontario.

INTERIOR ST. GECRGE'S CATHEDRAL, KINGSTON

The same year was signalized by the first meeting of the Provincial Synod of Canada, which important event took place at Montreal on September 10th. Dr. Lewis, being not yet consecrated, could not take his seat as a member of the Upper House. Hence for that session he acted as secretary of the House of Bishops. Owing to the delay in the issuing of the Royal Letters Patent his consecration was put off to the following year; when on March 25th, 1862, by the hands of Dr. Fulford, Bishops of Montreal and Metropolitan of Canada, assisted by the Bishops of Toronto, Quebec. Huron, and Michigan, Dr. Lewis was raised to the Episcopate, being the first Anglican Bishop ever consecrated in Canada. On January 25th, 1893, he was elected Metropolitan of Canada by the House of Bishops assembled at Montreal; and on September 19th following, by action of the General Synod, he became Archbishop of Ontario.

ST. GEORGE'S CATHEDRAL, KINGSTON.

To the refugee Loyalists of Kingston belongs the honour of having erected the second Anglican Church in Upper Canada. The Mohawks of the Grand River had built their little temple as early as 1782, and the pioneering villagers of Kingston followed eleven years later. Their first clergyman was Dr. John Stuart, a man whom all Canadian Churchmen regard with reverent affection. He had been for some time missionary to the Indians at Fort Hunter (now Johnstown), on the Mohawk River, and following his loyal converts to Canada in 1781, settled first in Montreal, and was appointed Chaplain to the second battalion of Royal Yorkers. While there he periodically visited the various settlements of Indians to the westward, and on the 18th of June, 1784, we find him at Niagara. On the return journey he visited Cataraqui (Kingston), and finding in it a little band of devout and earnest Churchmen, and having received from the S.P.G. discretionary power to settle in any part of Canada, he decided to make his permanent residence at a point at that time the most important in the Upper Province. To Cataraqui then he removed in the midsummer of 1785 and immediately established regular services in a large room in the barracks. It was a day of small things, and the people generally, Dr. Stuart reports, were sadly in need of instruction in "the first principles of morality and religion." But the energy, sturdy independence and business capabilities of such men as Cartwright, Macaulay, Markland, Herchmer, Kirby, Peter Smith, Joseph Forsyth and others, so far

enabled them to retrieve their shattered fortunes, that in 1791 £111, 9s. 6d., were subscribed for the erection of a church, and apparently this little congregation was able afterwards to bear the entire cost of the structure, which was about £200. In January, 1792, arrangements were made with Mr. Archibald Thompson as builder, and he had completed his contract early in the spring of 1793, for we read of a vestry meeting held "in the church" on April 1st of that year. It was indeed but a modest frame and clapboarded structure 40 by 32 feet, and furniture was probably extemporized at first by the use of that which the congregation had supplied for the room in the barracks. In the following year, however, the sacred equipment was completed by the addition of "a pulpit, desk, communion table, pews, cupola and a bell," and thirty-one pews were sold on the 17th day of March. From what quarter the bell was obtained we are unable to discover, but it was cast in the 17th century, and does service to-day in the parish of Adolphustown.

In 1794, the infant congregation received its first Episcopal visitation. Dr. Jacob Mountain had been in 1793 consecrated Bishop of the great district extending from Gaspe to Lake Huron. Facing westward in the following year he reached Kingston in the month of August and from him fifty-five persons received confirmation there.

Various enlargements of the original building by lengthening and by erecting galleries followed, and in 1802 the pewholders had increased to fifty-three.

In 1820 Rev. G. J. Mountain accompanied his father upon one of his triennial visitations and reached Kingston on August 1st. He describes the Church as "a long, low, blue, wooden building, with square windows, and a little cupola or steeple for the bell, like the thing on a brewery, placed at the wrong end of the building. They are taking measures, however," he adds "to build a new one." Seven years passed before their laudable ambitions were realized. Building operations began in 1825 and after some unfortunate delay, owing to the failure of the contractors, the new St. George's was opened for service on Sunday, 24th of June, 1827. With mingled gladness and tender reminiscence the congregation left the low-vaulted structure which had served them for thirtyfour years and cost but two or three hundred pounds, for an "elegant and commodious" edifice, upon which £10,000 sterling had been expended. "At the opening service," says the Christian Sentinel of that year, " Prayers were read by Rev. Wm. Macaulay, Rev. Mr. Tunny, Chaplain to the forces, officiated at the Communion Table, and Rev. Dr. Stuart, Archdeacon of Kingston and rector of the parish of St. George, preached an appropriate sermon from 1 Samuel, xii: 24."

We, who behold a vanishing century, rightly claim to have worthier conceptions of ecclesiastical architecture than these men of 1825, and yet they did but follow the best models they knew. By the bounty of King George III, Quebec Churchmen had been furnished with a Cathedral in 1804, and the Anglicans of Kingston supposed that they could not do better than copy an edifice which was probably surpassed by few then standing on the continent of North America. The resemblance between the two buildings was quite striking. The cost of the structure was derived in part from the rent of the lands donated to the Church by the Crown, in part from contributions made by the rector, his assistants, and the parishioners, and in part from a royal donation of £1,500 sterling, made at the instance of Sir Peregrine Maitland, because the church was needed for the troops then stationed there. No changes were made in the structure thus auspiciously completed, until early in the forties, when the portico with its great stone pillars and the cross-crowned steeple were erected, the Ven. Archdeacon Stuart and his assistant minister Rev. W. M. Herchmer having contributed the munificent sum of £1,000 each towards these additions.

Thus improved, the building dured for nearly two generations, and in the meantime the new Diocese of Ontario had been created with its seat in Kingston, and Bishop Lewis made St. George's his Cathedral. Then Churchmen slowly, very slowly, awoke to the conviction that a worthier temple was required, if the Church's services were to be rendered as they should be in the pattern church of the diocese. And so at last, after much discussion and various proposals, it came to pass that at a vestry meeting held in 1890 it was finally decided to greatly enlarge the original structure by projecting shallow transepts and a capacious chancel beyond the original building, which with the exception of its apology for a chancel was preserved almost entire. A lofty dome, and a western portico similar to the original one, formed part of the addition, and while all this was being carried out the congregation worshipped comfortably in a large room in the City buildings. But by midsummer, 1892, the building was ready for occupation, and the re-opening which took place on June 21st synchronized with the meeting of 'the thirtieth session of the Diocesan Synod. The most striking feature of the new building externally is the lofty and graceful dome which is visible at a great distance and from every quarter, and internally the noble chancel with its stately pillared reredos of Mycenian marble, surmounting the altar of oak, from a central niche of which a most beautiful cross (a memorial of the first Chancellor of the Diocese). flashes forth continuously its silent message "So God loved the World."

PROVINCE OF CANADA.

MINISTRY DIOCESE OF ALGOMA.

GENERAL DESCRIPTION.-The diocese has a lake shore line, including the islands (Manitoulin, St. Joseph, Cockburn, etc.), of 1,000 miles, an area of 48,173 square miles, a population of about 90,000 and upwards of 800 miles of railway, mainly the C.P.R. The natural resources are timber, fish, farm produce, and minerals, copper and nickel mainly. One gold mine, the Ophir, is in operation near Thessalon. Capital is much needed for the development of our mineral industries, and, still more, a wise and liberal policy on the part of the Provincial Legislature.

FINANCES.—The most pressing financial needs are for the following funds: (a). The General Mission Fund provides for the stipends of the clergy, grants for outfit, (horse, etc.) special donations in case of prolonged sickness and general working Two grants are given by English and office expenses. Societies amounting to £1,035, but, at least, \$1,000 are needed over and above this to supplement the local offerings of the people, which are very limited, but, on the whole, fully up to the measure of their ability. The principle of self-support is rigourously enforced wherever possible, but only two parishes (Port Arthur and Sault Ste. Marie), have succeeded in strug-gling up to this dignity ; and even these have been very hard pressed in maintaining it. Stipends range from \$500 to \$800. (b). The Endowment Fund is intended to provide the Episcopal stipend, which, at present, is secured through the Provincial Synod, by assessment on the eight older dioceses of this Ecclesiastical Province. Something over \$50,000 has been secured, and invested in three or four different sums, as they were gathered up at an average interest of 41 per cent. Special donations, annual contributions, and also *legacies*, will, it is hoped, yield \$30,000 more to complete the fund. (c). The Superannuation Fund. Algoma is the only one of the nine dioceses of this Ecclesiastical Province that cannot make any provision for those of her clergy who by reason of advancing years and multiplying infirmities are unable any longer to continue in active service. What is to become of them? Their stipends are too small to permit of their saving a dollar. Are they to be cast out on the world's cold charity, after giving the best of their energies to the work of the ministry? The beast of burden that has served faithfully fares better than that. Does the

Church owe her aged and infirm clergy nothing? (d). Churches and Parsonages are neither of them as numerous as our needs demand. One district, on the Algoma branch, 120 miles in length, has not a single church, within its limits, so far as the Church of England is concerned, and only one clergyman to care for the souls of her children-other churches stand unfinished for want of means to complete them. Meantime the people worship in farmhouses, schoolhouses, etc., and cannot be consolidated or organized as congregations for want of a religious home, or centre round which to rally, and as the necessary consequence, either abandon church-going habits altogether, or drift into the ranks of other communions. We need six new parsonages urgently. A new church or parsonage can be built for \$750. Other funds needing assistance are that for the widows and orphans of deceased clergy, and for the maintenance of the "Evangeline," the small steamer which takes the Bishop to and fro along the lake shore, and among the islands, enabling him to make his church appointments for confirmations, consecrations, etc., and to keep them punctually. (e). The supply of clergy is far from adequate and indeed smaller than some years ago. There are only twenty-one at present, where there ought to be at least twenty-seven or eight. Missions without clergy are occupied by Cathechists, who combine actual missionary work with preparation for the examinations preceding ordination to the Deaconate. Of these there are eight. The causes operating against an influx of clergy are mainly: (1). The scantiness of the stipends paid. (2). The lack of any provision for the period of age and infirmity. (3). The absence of any openings for promotion, and, (4), the few and far between chances in the other dioceses.

E. Algoma.

DIOCESE OF FREDERICTON.

GENERAL DESCRIPTION.—This Diocese was founded in 1845, before which time it formed part of the Diocese of Nova Scotia. It comprises the whole of the civil Province of New Brunswick, and is bounded on the north by the Province of Quebec, and on the east by the Gulf of St. Lawrence, on the south by the Bay of Fundy, and on the west by the State of Maine (U.S.). A narrow isthmus, about 15 miles across, in its narrowest part, joins it on the south-east, to the Province of Nova Scotia. The area is

27,174 square miles, and the population 321,223.

CHURCH WORK.—In the later religious census, over 43,000 persons registered themselves as members of the Church ;

-5 G

there are 6,700 communicants, and 688 persons were confirmed. There are seventy-nine Clergy engaged in parochial and mission work; four have retired from active work, and two occupy official posts, one as Chaplain to the Penitentiary and one as Warden of an Orphange. There are 153 consecrated churches, and 98 mission stations.

FINANCE.—The amount raised for Church generally is about \$61,000, not including what is raised for church building and repair, and ordinary expenses. The laity contributes over \$15,000 towards the salaries of the Clergy, and the Diocesan Church Society \$16,650, in addition to which there are 19 selfsupporting parishes. There is an invested sum of nearly \$113,-500, consisting of various gifts and legacies; and annual subscriptions and collections produce about \$7,000 for the Diocesan Church Society. There is a capital of \$18,000 for the Widows' and Orphans' Fund, and of \$2,500 for the education of the children of the Clergy. An effort is being made to form an endowment for Divinity Scholarships, and for this purpose two funds have been started, one to increase the endowment provided by the Church Society, and another called the Medley Scholarship Fund, as a memorial to the Bishop. The superannuation fund has been largely increased lately, and now amounts to over \$19,000.

EDUCATION.—A Society was incorporated by Royal Charter, 1819, for maintaining elementary Church Schools on the "Madras system," introduced by Dr. Bell. Its funds are not large though they have been somewhat increased by legacies and donations; but there are good schools in connection with the corporation, and one or two more maintain a precarious existence. This is the only attempt at Church day schools. There are 125 Sunday-schools, with about 5,587 children on the registers. The missionaries have to travel such great distances on Sundays, and the Church people are so scattered, that Sunday schools are a great difficulty in the country districts.

There are now in the diocese an independent Church school for Boys and Girls, founded in 1877 under the patronage of the late Metropolitan. The Rothesay College for Boys already has a staff of 7 masters, of whom two are Clergymen, together with 50 Boys. The Rothesay Collegiate School for Girls has room for 15 in residence, regular attendance about 35.

DIOCESE OF HURON.

GENERAL DESCRIPTION.—The counties now comprising this Diocese constituted originally the extreme western portion of the Diocese of Toronto. In 1857 they were separated from the parent See, and erected into a new Diocese, bearing the present title. The Diocese territorially contains thirteen counties, covering an area of 12,000 square miles, having to the North the waters of Lake Huron; to the South those of Lake Erie; to the West the River and Lake of St. Claire, and to the

East the Diocese of Niagara. The population is estimated at The lands comprising this area are, as a general over 800,000. rule, extremely rich in cereals, vegetables and fruits of every kinds pertaining to a temperate climate ; the result of which fertility is, that not only is there enough for all local wants, but every year a large amount both of grain and fruit is free for exportation. Agriculture, stock raising and the culture of fruit abound everywhere, and though many are now seeking the still more extensive fields of the West, yet it still remains true that agriculture constitutes the general industry of the district. The cities and towns in the Diocese are numerous, though none of them are large; London, in which is the Cathedral and the residence of the Bishop, has a population of 32,000, St. Thomas, 10,000, Windsor, 10,000, etc. That more enterprise and capital are needed for the development of the country is everywhere manifest, but these, we doubt not, will come in time ; suffice it to say that God has dowered the land with so many blessings that it is exceptionally favorable for all those who seek homes where patient industry and care may expect a reasonable return.

CHURCH WORK.-Clergy in active service, 132. Total number on the roll, 153. Number of church edifices, 246; value of same, \$821,465, Seating accommodation, 58.824. Number of Parsonages, 77. INSTITUTIONS.—The following Educational Institutions are under Church auspices, and are all situated in the city of London: Huron Theological College, incorporated 1863; Huron College School, opened October, 1893; and Hellmuth Ladies' College. a strong and vigorous academy.

FINANCE.—Total capital of the Diocese, including Trust Funds, April 30th, 1894, \$719,801.72. Total amount of Free-will Offerings for the year ending April 30th, 1894, \$21,397.11. Voluntary contributions for religious objects, including State pends, Parochial, Diocesan and Missionary work, \$203,419,65.

PRESSING NEEDS.-Earnest, strong, and devoted men to reap the fields that are white already to harvest. The people are able to supply all the ordinary wants of the Diocese.

DIOCESE OF MONTREAL.

GENERAL DESCRIPTION.—This Diocese was divided from that of Quebec in 1850, by Royal Letters Patent. The Diocese is bounded on the south and west by the United States and the Province of Ontario, and on the east by the eastern boundries of the counties of Berthier, Richelieu, Bagot, Shefford and Brome. Population 739,248.

CHURCH WORK.-The proportion of the Church of England to the entire population is less than seven per cent. The number of

Church members is about 49,200, of communicants about 10,200. There are eighty-nine parishes and missions, with 134 churches, and eighty other stations where services are occasionally held. The Clergy number 113, the Lay Readers thirty-one, and students of the Dio. Theol. College work in vacant missions during the summer.

NEEDS.—Owing to the Church population being scattered, and generally not well off, there is great difficulty in keeping up a supply of religious ordinances. It is chiefly from the Dio. Theol. College, Montreal, that supplies of clergymen are obtained to fill parishes as they become vacant, and to work in new missions and parishes. The College is in admirable working order, and the students are coming forward for ordination as quickly as is consistent with thorough training. There is an increasing demand for services in French, and there is ample employment for the talents of men who can officiate in both languages. The Theol. College pays attention to this requirement, as does also the Sabrevois College.

DIOCESE OF NIAGARA.

GENERAL DESCRIPTION.—The See was founded in 1875, and is the smallest of the Canadian Dioceses in point of area, although in the number of Clergy it exceeds several. The Diocese is a double triangle in shape the apex of each meeting in Hamilton—and is bounded on the west by 'the Diocese of Huron, on the south by Lake Erie, and on the east by the Dioceses of Toronto, Lake Ontario and River Niagara. It comprises six counties. The people are industrious, but very few are wealthy.

DIOCESE OF TORONTO.

GENERAL DESCRIPTION.—The See was founded in 1839. By successive subdivisions the original area now comprises five Dioceses. It is bounded on the north by the Georgian Bay and Muskoka Territory; and on the south by Lake Ontario; on the east by Diocese of Ontario; and on the west by the Diocese of Niagara and Huron. Its area is 9,261 square miles, with a population of 549,644 (the city of Toronto having a population of 200,0000).

EDUCATION.-Trinity College School, for Boys, has 150 pupils; and Bishop Strachan's School, for Girls, about eighty. There are three additional Church Schools Toronto Church School for Boys, St Hilda's College for Girls, Toronto, and Bishop Bethune's School for Girls, at Oshawa. There are 183 Sunday schools, with 2,305 teachers and officers, and 20,791 scholars. There are two training colleges-the

University of Trinity, with a Divinity Faculty and a Royal Charter. The original endowment was about £40,000 and a supplemental fund is now being raised, towards which about £12,000 has been contributed in Canada, and £9,000 in England. There are two Divinity chairs and two of classics; one of mathematics, and one of moral science; lectureships in Divinity, natural science, etc., and fellowships are being founded. Wycliffe College is supported by private subscriptions.

FINANCE.—The voluntary contributions were : For Clergy stipends, \$75,379,63; for Parochial objects, \$367.29; for extra Parochial, \$28,165.27.

DOMESTIC AND FOREIGN MISSIONS.—The contributions from the Diocese to both these funds have shared in the general falling off due to the prevailing depression.

The receipts for Domestic Missions were \$7,929.18, against \$12,066.89 last year. Of this sum \$3,744.45 came from the Woman's Auxiliary. The whole amount was appropriated to designated objects with the exception of \$1,259.72. The Asceniontide collection, \$1,222.38, was \$187 less than last year.

For Foreign Missions the receipts were \$4,685.39, a falling off of \$628. The W. A. contributed \$1,211.96. The amount appropriated was \$2,690, unappropriated \$1,163. The Epiphany appeal produced \$1,106, a little less than last year; while the Good Friday collections \$831 fell short by \$147.

The most important and interesting steps taken by the Board of Management in our foreign field during the year are the appointment of the Rev. Masaza Kakuzen as a native missionary in Japan, the acceptance of the Rev F. W. Kennedy as a missionary in the same field, and the transference of Miss Jennie C. Smith from Kobi to Nagano to labour under the Rev. J. G. Waller. Miss Patterson, the late Secretary-Treasurer of the Dorcas branch of the Toronto Woman's Auxiliary, has also nobly given herself to work in Japan, at her own charges. There will thus be a band of two ordained missionaries with their wives, one native missionary, one female medical missionary, and one lady teacher working together under the direction of the Board, while the Wycliffe College Mission has a staff of three missionaries in the more northern section of the field allotted to the Church of Canada.

The Woman's Auxiliary of the Board of Domestic and Foreign Missions have prosecuted their work during the year with undiminished energy, and extended their membership and influence with rapidly accelerated strides. The success which has attended their efforts to evoke missionary enthusiasm and elicit gifts and work for the cause must be a great encouragement to the self-devoting ladies who manage the business of the Auxiliary with such conspicuous ability.
A great deal of missionary work is being done which does not appear on our printed returns, chiefly through the agency of lay helpers and the members of St. Andrew's Brotherhood. Comparatively few missions are vacant, and in them the services are, for the most part, maintained, and with great efficiency, by Divinity students of Trinity University and Wycliffe College.

I have held three ordinations during the year in which ten were ordained Deacons and ten Priests. One of these was a native Japanese, Masazo Kakuzen, whom I ordained for missionary work among his own countrymen.

My Confirmations have numbered *eighty-four*, and the Candidates confirmed 1,773, of whom 662 were males, and 1,111 females.

I have consecrated five Churches, namely, St. Matthias', Coldwater: St. John the Evangelist, Horning's Mills; St. Thomas', Klineburg, with the Churchyard; St. James', Lisle; and St. Luke's, Creemore; and have opened two new Churches, Holy Trinity, South Burleigh, and St. Hilda's, Fairbank.

I have also baptized 3 infants and 3 adults, delivered 128 Sermons and Addresses and celebrated the Holy Communion 39 times.

I am pleased to be able to announce that, in spite of the general depression that prevails throughout the country, a comparison of the Diocesan Statistics for this year with those of last year shows an increase in almost every item except the contributions.

The principal INCREASES are: Church Population, 2,175; Communicants, 660; Sunday Services held, 378; Week-day Services held, 1,274; Average attendance Sunday morning, 887; Average attendance evening, 1,926; Holy Communion, No. of public celebrations, 330; Average attendance, 862; No. at Easter celebration, 542.

I have asked for the number of Communicants on Easter Day, now for the last seven years, with the following gratifying result: 1888, 8,303; 1889, 8,934; 1890, 9,516; 1891, 10,600; 1892, 11,076; 1893, 11,223; 1894, 11,765.

In the SUNDAY SCHOOLS there has been a very satisfactory advance. Whilst only 183 schools make a report this year against 186 last year, the figures give the following increases: No. of Teachers and Officers, 65; No. of Scholars, 1,343; Average attendance, 1,105; Contributions, \$53.

The only items which exhibit a falling off this year are : Baptisms, 36 : Marriages, 8.

In the VOLUNTARY CONTRIBUTIONS there is an improvement of \$2,780 in the amount contributed towards *Clerical Stipends*; and a falling off under the head of *Parochial* contributions of \$1,764, and of *Extra Parochial*, cf \$6.367.

Total amount raised in 1894 was \$207,912 against \$213,264 in 1893.

PROVINCE OF RUPERT'S LAND.

Comprises the Diocese of Rupert's Land, Moosonee, Athabasca, McKenzie River, Qu'Appelle, Saskatchewan, Calgary and Selkirk. *Primate*: The Archbishop of Rupert's Land. *Metropolitan*: The Most Rev. the Lord Archbishop of Rupert's Land. Secretary of the Upper House. —J. A. Machray, Esq., B.A., Barrister, Winnipeg. Prolocutor of Lower House —The Very Rev. Dean Grisdale, D.D., the Deanery, Winnipeg. Deputy Prolocutor, Rev. Canon O'Meara, M.A., St. John's College, Winnipeg. Secretaries of Lower House-Rev. Canon Matheson, B.D., Winnipeg, A. F. Eden, Esq., Winnipeg. Metropolitan. -The Most Reverend ROBERT MACHRAY,

D.D., LL.D., D.C.L. Primate of all Canada.

DIOCESE OF RUPERT'S LAND.

GENERAL DESCRIPTION.—The Diocese extends from the boundary of the United States, about 350 miles north, and is nearly 600 miles in breadth. The population probably 170,000. Manitoba and a portion of Ontario is included in it. Area 200,000 square miles.

CHURCH WORK.—The Church members form nearly on-fourth of the population, except in districts which are almost entirely settled by French Roman Catholics or German Mennonites. There are 80 licensed clergy.

There are about 80 churches, chiefly built of wood, and services are more or less regularly held in about 100 other places. There are about 60 licensed readers, of whom 20 are paid. 1,356 persons were confirmed last year.

The Church has one of the Colleges in the University of Manitoba, St. John's College. It has a Theological Faculty and tutors and lecturers for students in arts in the University.

NEEDS.—The Church has many needs. It needs money for supporting missionaries. It even still more needs effective men. But the want that for the present as regards additional and special outside help exceeds every other, is for the means of placing St. John's College in a stable and independent position. College and school buildings and residences for professors and masters have been erected on the grounds. There is a debt of \$45,000 and \$12,500 on the Ladies' College, that in the present critical state of education threaten to affect seriously the usefulness of our Church institutions. Any donations in aid of them would strengthen the Church and the cause of religious education. The increasing population calls for the sub-division of existing missions and the establishment of new missions to bring the Church's ministrations within reach of the settlers, so that the financial needs of this diocese are more pressing than ever. Grants have been voted to over forty missions, involving an expenditure of \$18,000. Several missions are vacant. To maintain existing missions in full efficiency, and supply vacant districts with resident missionaries, at least \$4,000 is needed from the Church in Eastern Canada, in addition to the funds received from local sources and Societies in England. Aid is also becoming increasingly necessary for the Indian work, from which the Church Missionary Society is annually withdrawing one-twentieth of its former grant.

DIOCESE OF ATHABASCA.

The Diocese of Athabasca is the southern portion of the original Diocese. The division was effected by resolution of the Provincial Synod of Rupert's Land, which met in 1883. It retains the title as it contains the Hudson Bay Company's fur-trading district of Athabasca as also the Provincial district of that name, the latter being marked out by the Dominion Government as a future Province.

The Diocese has an area of over 200,000 square miles, lying between Parallels 55 and 60 N. Lat. and 100 to 120 W. Long. It offers

an important field for missionary labor. Scattered over its wide area there are Indians of the Beaver, Cree, Chipewyan and Slav tribes.

The condition of these Indians at the present time calls strongly for Christian interest, prayer and effort. The Beavers are the aborigines of the central and western portions of the Diocese, the Chipewyans of the eastern, and the Slave Indians of the northern and north-easterly. The Wood Crees are gradually filling up the country vacated through the decrease in the Beavers. These are diminishing possibly because of too close intermarriage, want of cleanliness and too frequent scarcity of food.

The Peace and Athabasca rivers are the two main arteries for travel and communication. Both are noble streams, and may figure prominently in the not remote development of a valuable and important portion of the Dominion. The missions at present established are : St. Paul's Mission, Chipewyan. This is an important point, being the headquarters of H. B. Co.'s northern fur trade and on the main channel of communication with the yet further north. The Chipewyans and Crees trade at this post and hunt through the surrounding country. St. Paul's Church is a wooden structure with tower and spire. The building consists of nave and chancel. Though rather rough in outward appearance it is tastefully fitted up and furnished internally. The mission house and school are log buildings.

The elevation of Archdeacon Reeve to the Bishopric of MacKenzie River, deprives this mission of his long and varied experience. For the present he has kindly consented to retain the Archdeaconry.

the Archdeaconry. The Rev. J. R. Lucas in charge of this Mission was ordained deacon in Nov. 1892, and priest in May of 1893. Mr. A. J. Warwick, has been transferred to the charge of the Irene Training School, Vermilion.

Nearly 300 miles west of Chipewyan is St. Luke's Mission, on the Peace River. It is in charge of the Rev. M. Scott, a student of St. John's College, Winnipeg, ordained deacon by the Bishop of Rupert's Land, at St. John's Cathedral, May, 1886, and priest at St. Luke's, April, 1887.

The church, a log building consisting of chancel and nave with bell-turret, was erected by the Rev. A. C. Garrioch, during 1883-5.

The Irene Training School for Indian and half-breed children is here, Principal, Rev. A. J. Warwick, ordained deacon, July 1894. Beaver and Cree Indians trade at this post and hunt over a wide area, also Slav Indians from Hay River, a river considerably to the north of this and emptying into Great Slave Lake.

About 280 miles south and west is Christ's Church Mission, Smoky River, in charge of the Rev. J. G. Brick, ordained deacon by the Bishop of Athabasca, Dr. Bompas at Dunvegan, October, 1882, and priest by the present Bishop, August, 1886. Resigned from failing health, August, 1894. In connection with this mission a farm was commenced in 1889.

The Dominion Government made a grant of \$2,000 towards establishing the farm and towards the erection of a flour mill. The liberal response to Rev. J. G. Brick's appeal in Canada has enabled him to make a substantial commencement. Besides the mission house, the large room of which is for the present used for service on Sunday, the necessary farm buildings have been erected, and a temporary school-room fitted up.

The samples of wheat, barley, and oats sent from time to time to Manitoba and Eastern Canada are a striking evidence of the grain-producing qualities of this part of the Dominion, and tend to promote emigration. The Indians and half-breeds evince a desire for the instruction of their children. They are also ready to avail themselves of instruction and any assistance Mr. Brick can render them in farming for themselves.

Some sixty miles west of this point is St. Saviour's Mission, Dunvegan. This mission is not yet filled by a resident missionary.

At Lesser Slave Lake, some ninety miles south of the Peace River, is St. Peter's Mission, The Rev. G. Holmes is in charge. Put in charge of this mission in October, 1885, he was ordained deacon in June, 1887, and priest in July, 1888. He is laboring among a mixed population of Cree Indians and halfbreeds. The church erected in 1890, consists of nave and chancel with bell turret. There is a good mission house and school.

St. Andrew's Mission, White Fish Lake, is in charge of Mr. W. G. White, assistant to Rev. G. Holmes, from June, 1888. He was ordained deacon September, 1891. He labors among Cree Indians.

Lake Waluska, Rev. Chas. Weaver, student of Wycliffe College, Toronto, ordained deacon by Archbishop of Rupert's Land, February, 1894.

A Clergy Endowment Fund was commenced in 1886. In response to an application the S.P.C.K. Society of England has kindly set apart £500 to meet £3,500 from other sources. Towards this there has been raised £700, entitling us to the first £100 of the grant. It is hoped that partly through diocesan collections and subscriptions and partly, I may say mainly, by help from friends in Canada and England, to raise the £3,500, and thus secure an endowment of £4,000. A trust has been formed and \$6,000 is now held by them.

The missions, with the exception of Christ Church Mission, Smoky River (for which we look to Canada for maintenance), are mainly supported by the Church Missionary Society of England; but like other western, and in their beginnings missionary, dioceses, we must expect before many years the gradual withdrawal of their assistance. This renders an early formation of such a fund of vital importance.

There is good ground for believing that the growing missionary spirit of our Church in Canada will not be slow to embrace within her interest, and to hold out a generous helping hand to this "Ultima Thule" of her missionary labors. The Indians have a strong claim on her ministry, as also those who in the near future will be seeking new homes in the fertile belt of the North-West.

DIOCESAN NOTES.

Comprises the Provincial District of Athabasca and adjacent parts of the North-West Territories lying between

parallels N. latitude 56-60 and from 128 to 100, W. longitude. Population, 6,000. Square miles, 200,000.

First Bishop.—The Rt. Rev. William Carpenter Bompas. Consecrated, 1874. See divided in 1884, and Bishop Bompas elected to take Mackenzie River.

Present Bishop.—The Rt. Rev. Richard Young, D.D. (1884.) Landing, Athabasca, North-West Territory.

DIOCESE OF CALGARY.

GENERAL DESCRIPTION.—The Diocese embraces the greater part of the district of Alberta in the North-West Territories of Canada. Its area is about 100,000 square miles.

At the time of the consecration of the present Bishop, the Provincial Synod, at his instance, decided to constitute Alberta, which, up to that time, had been included in the Diocese of Saskatchewan, a separate See, giving it, in accordance with ancient usage, the name of the cathe-

dral town, Calgary. The Synod also decided that the Bishop of Saskatchewan should be Bishop of Calgary until an endowment should be raised or other adequate provision should be made for the Bishop of Calgary, when it would be his duty to resign either Calgary or Saskatchewan as he saw fit. Towards the endowment of the See, about \$25,000 has been secured; but \$50,000 is the minimum sum for such an object; and \$100,000 would not be much, as there is no house for the Bishop and rent is high. The congregations at Calgary, Lethbridge and Edmonton are self-supporting, and others are moving as fast as possible in the same direction, settlements are forming rapidly, and there can be no doubt that our resources will be taxed to their uttermost to keep pace with increasing requirements.

INDIAN WORK.—There are four Indian Missions of the Church in the diocese, viz.: St. John's Mission, among the Blackfoot; St. Paul's, among the Bloods; St. Peter's, among the Piegans; and St. Barnabas, among the Sarcee. The Indians on these four reserves aggregate nearly 4,500. The work of Christian education is going forward rapidly, and the prospect of winning all to Christ is now brighter than it has ever been.

PRESSING NEEDS.—1. The completion of the Bishopric Endowment Fund, or the necessary provision for the Bishop's support, so that the Diocese may have a Bishop to itself. 2. Increased assistance for the Stipends of Clergymen, the number of whom should be increased every year; and for the erection of inexpensive churches, parsonages, etc. 3. Funds for the

erection of suitable buildings for a Diocesan Girls' High School, an institution greatly needed in the North-West.

DIOCESE OF SASKATCHEWAN.

GENERAL DESCRIPTION.—The Diocese of Saskatchewan was formed out of Rupert's Land, in 1872. It embraces the district of Saskatchewan, together with a large extent of territory lying to the north. Its area is about 200,000 square miles. It has a large Indian population, the greater majority of whom are members of the Church. Settle-ments exist at several places, e.g., Prince Albert, Duck Lake, Saskatoon, Carrot River, Birch Hills, Stoney Creek, etc., Prince Albert was the headquarters of the first Bishop of Saskatchewan, Dr. John McLean. Em-

manuel College, founded by him in 1879, and of which, at the time of his death, he was Warden and Professor of Divinity, is situated at Prince Albert. It is now doing an excellent work, especially in the training of natives to be Catechist teachers, and so on, under its present Warden, Archdeacon J. A. McKay, D.D., who is ably assisted in the work of training pupils by Mr. G. G. Gale, lately from England.

NEEDS.-1. Increased assistance for the Stipends of Clergymen, the number of whom ought to be increased every year; and for the erection of inexpensive churches, parsonages, etc. 2. The completion of the Clergy Endowment Fund, begun in Bishop McLean's lifetime. 3. The formation of a General Endowment Fund, for carrying on and widening the influence of Emmanuel College. 4. Funds for the support of Indian Missions to supply the place of the reducing grants of C.M.S.

DIOCESE OF MACKENZIE RIVER.

GENERAL DESCRIPTION.—The Diocese of Mackenzie River was separated from the Diocese of Rupert's Land in 1865, and from Athabasca in 1874, and divided in 1891, the portion west of the Rockies forming the new Diocese of Selkirk, but it still remains one of the largest of the Colonial Dioceses. Comprises the north-western section of British America, bounded by the Diocese of Moosonee and Athabasca on the east and south, and by the Rocky Mountains and the Arctic Ocean on the west and north ; extending from Parallels of North Latitude 60 to 70

degrees, and from West Longitude 100 degrees to the Rocky Mountains. Population, 5,000. Square miles, 600,000. The Indians in Mackenzie River are few in number, and are scattered over a vast country. In spring and fall they bring their furs to the Hudson Bay forts. At such times the missionaries find opportunities of teaching, baptising, administering the Lord's Supper, and keeping up their knowledge of the people and their condition. After these gatherings the people disperse to the four winds, and some are not seen again for months

CHURCH WORK.—Twenty years ago there were only three missionaries and two stations; one at Fort Simpson, the other at Fort Youcon. Athabasca and Mackenzie River formed part of Rupert's Land. Now both have a bishop, clergy, churches and schools, and the latter diocese has again been sub-divided by the promotion of the new Diocese of Selkirk, west of the Rocky Mountains. The difficulties of the work may be summed up as follows:

(1) Language. Each tribe speaks a different dialect, which must be reduced to writing before books can be printed.

(2) The immense size of the country to be traversed. Whether in summer by boat, or in winter by dog-sleighs, or on

snowshoes, progress is very slow. Lately steamers have been placed on the Mackenzie and Lake Athabasca by the H. B. C., which will do something to mitigate this evil.

(3) Scarcity of food. It often makes it impossible to go to visit the Indians in the woods, or to stay with them even where they can be reached. For the same reason, it is hard for the Indians to stay long at H. B. C. post, where the missions are. The struggle for daily food soon drives them to the hunting grounds.

(4) The migratory habit of the people. They cannot go in large bands, or live together in any one spot, and in any case must move camp every two or three days.

(5) Lastly, there is the scarcity of laborers. Here, as elsewhere in the mission field, our stations are undermanned. Too often our substitutes in those distant fields have to labor alone amid privations for months at a time.

NEEDED.—The needs of the mission are : First, more sympathy and practical help, which true sympathy will always prompt ; second, prayer, frequent, fervent, and presevering for the workers and the people ; third, more workers. The special objects now in view are : (1) To open up fresh work where for years past the Indians have been begging for our help. (2) To provide a missionary for the Esquimaux. (3) To found and carry on a Diocesan school. (4) To establish a mission farm in the southern part of the country, at the one spot where grain can be grown, and thus make some provision against times of scarcity. (5) To add to the fund of \$5,000 now in hand for the support of Tukudh native pastors. (6) A fund for church and other buildings. (7) An Endowment Fund for the Bishopric.

DIOCESAN NOTES.

DIOCESE OF MOOSONEE.

GENERAL DESCRIPTION.—Moosonee formed part of the original Diocese of Rupert's Land, out of which it was taken in 1872, when the first Bishop was consecrated. The Diocese is the whole of the basin of Hudson's Bay, bounded on the south by the Diocese of Algoma and Ontario, and extends northward as far as human beings exists. The population may be estimated at 10,000, and consists of a small number of whites in the service of the Hudson's Bay Company, half-breeds, Eskimo, Ojibbeways, Crees and Chipewyans. Area 600,000 square miles.

CHURCH WORK.—The Church members are about 4,000, the communicants 800, and there are nine Clergy. There is a fine cathedral at Moose, and churches at eleven other places. The whole of the Crees in the Diocese have been baptized, as well as at least three-fourths of the Ojibbeways, while very great progresshas been made with the Eskimo on both sides of the bay, where two experienced Missionaries are located. The Diocese is divided into large districts over which a Clergyman is placed; he has to travel throughout his district once a year; in summer by canoe, and in winter either on snow shoes or dog-sledges. A new station. Martin's Falls, has been lately occupied.

EDUCATION.—There is a school at every mission, at which English is taught, while all Indians are instructed in their own language. Sunday Schools exist at all stations; and at some posts, where there is not a Missionary, the Hudson Bay trader conducts both service and Sunday School. Parts of the Bible, the Prayer Book, Hymn Book, and Pilgrim's Progress, have been translated into the Cree, Eskimo, and books in the Chipewyan.

NEEDS.—1. The enlargement and endowment of the college for native students. 2. The large increase of the fund for the payment of the native Clergy, catechists and schoolmasters. 3. The increase of the building fund, for the erection of churches and mission houses. 4. The increase of the fund for the education of the native Clergy's children, a matter which gives considerable anxiety.

DIOCESE OF QU'APPELLE.

GENERAL DESCRIPTION.—This Diocese was founded in 1884, and contains an area of 96,000 square miles, with a population of about 30,-000. It was formed out of the Dioceses of Rupert's Land and Saskatchewan, and is bounded on the east by Manitoba (the present Diocese of Rupert's Land), on the north and west by the Diocese of Saskatchewan, and on the south by the United States.

CHURCH WORK.—In June, 1885, there were three Priests and one Deacon; there are now eighteen Clergy and eleven Lay Readers. Of buildings, there were at the same time two

school-rooms used as Churches and two parsonages. There are now, in addition to these, twenty-six consecrated churches and four in building. The number of Church people, 6,883. Last year there were eighty-one persons confirmed, and 267 baptized; 1,174 communicants; Sunday school scholars, 416.

DIOCESAN NOTES.

Diocese of Qu'Appelle, Organized 1884. Qu'Appelle was set apart from the Dioceses of Rupert's Land and Saskatchewan in 1882, and is coterminous with the District of Assiniboia. In response to a strong appeal from the Bishops of the North-West Territories to the Church in England on behalf of the thousands of people pouring into the country, while little or no provision had been made for their spiritual welfare, the Rev. and Hon. J. R. Anson, son of the Earl of Lichfield, offered himself for three years' work in this new country. Two years later, however, the Bishop's plans were all changed, for on June 24th, 1884, he was consecrated. The Bishop's staff consisted of sixteen priests, two deacons and eleven lay readers; but the field, like others, is sadly undermanned. The number of baptisms, confirmations, Sunday-school children and communicants steadily increases, but a still larger harvest could be gathered were the ground more adequately tilled. Local resources are being developed as rapidly as circumstances will admit, the contributions for the maintenance of the Clergy being

34 per cent. in advance of any previous maximum, while those for other purposes have almost doubled. Funds are administered with most rigorous economy, the clergy exhibiting a most praiseworthy spirit of self-sacrifice, but much more liberal assistance is needed from Eastern Canada.

First Bishop.—The Rt. Rev. Adelbert J. Robert Anson, M.A., D.C.L. Consecrated, 1884. Retired, 1892. Present Bishop.—Rt. Rev. William John Burn, B.A.. M.A.,

D.C.L. (1893). Qu'Appelle. Secretary.—Rev. J. P. Sargent, B.A., Qu'Appelle St.

Treasurer.-Hon. Justice Wetmore.

Statistics.-Clergy, 18; Lay Readers, 11: Church People, 6,883; Baptisms, 264; Confirmed, 81; Communicants, 1,174; Marriages, 41; Sunday-school scholars, 416.

DIOCESE OF SELKIRK.

ORGANIZED 1891.

Comprises the extreme North-west of British America, or the whole of the North-West Territory of Canada west of the Rocky Mountains. Bounded on the east by the Rocky Mountains separating it from the Diocese of Mackenzie River, on the north by the Arctic Ocean, on the west by Alaska, and on the south by British Columbia (latitude sixty degrees). Population about 5,000; square miles,

200.000.

Evangelizing efforts were begun in this district about thirty years ago, by the Rev. (now Archdeacon) Kirkby, and the natives received the Word with all readiness of mind. The Rev. (now Archdeacon) MacDonald afterward laboured among the same natives for about ten years, and he evangelized also a large part of the natives of Alaska.

He was succeeded by the Rev. V. C. Sim, who fell a martyr to his zeal and devotion in the cause of the Gospel, and his successor, the Rev. J. W. Ellington, has also sacrificed his health in strenuous and untiring efforts for the conversion and instruction of the natives.

At present the Rev. T. H. and Mrs. Canham and the Rev. C.G. Wallis are occupied in zealous and devoted labours to the west of the mountains, and not without good fruit.

Meanwhile the American Church has been roused to put forth efforts for the conversion of the natives on the Yukon River, in Alaska. A Bishop of Alaska has been designated, and a small working staff of Clergy sent out. The Americans wisely put education in the forefront of their effort, because where the natives are wholly untutored, in order that they may

know and believe the love that God has to them, instruction must come before faith, and their minds need expansion to grasp spiritual truth.

Contributions are asked towards enlarging the Mission on the British side of the border. These natives are, in some senses, as remote and isolated as any in the British dominions, and, when they are reached, the last link may be forged in the missionary chain that girdles the world.

Donations will be received at the Church Missionary House, Salisbury Square, Fleet Street, London: and by Messrs. Lloyd & Co., bankers, Fleet Street; or by Mrs. Walter Drake, the Bishop's Commissary, 14 Lorne Avenue, Montreal; or by the Bank of British North America, Canada and San Francisco.

Present Bishop.—The Rt. Rev. Wm. Carpenter Bompas, D.D. (1874-1884-1891). Residence, Buxton Mission, Upper Yukon River, care of the Alaska Commercial Co., San Francisco, Cal., U.S.

Statistics.—Clergy, three; Catechists, ten; Mission Stations, four; Churches, one; Mission Houses, three; Schools, three; Scholars, fifty; Communicants, 150; Church Population, 3,000.

INDEPENDENT DIOCESES.

DIOCESE OF COLUMBIA.

GENERAL DESCRIPTION.—This Diocese was founded in 1859; the Diocese of Caledonia was separated from it in 1879, and in the same year the Diocese of New Westminster also was formed out of it. It now comprises Vancouver Island and the adjacent islands, and has an area of 17,000 square miles, being about 350 miles in length by from fifty to 120 in breadth. The population, including all races, is about 46,000.

CHURCH WORK.—In this Diocese is situated Victoria, the capital of British Columbia, three Parishes of which are self-supporting, as is also Nanaimo, the chief seat of coal mining. How encouraging it is to know that where in 1858 one clergyman alone witnessed for Christ, now there are three Bishops and over forty clergymen ambassadors for Him. Clergy, twenty-two; Parishes and Mission Stations, thirtyone; Communicants, 996; Baptisms, 191; Persons Confirmed, seventy-four; amount raised in the Diocese for Church purposes \$21,531. Two of the Gospels have been translated into the native language.

EDUCATION. - Angela College for Girls is in connection with the Church of England. There are native schools at Alert Bay for girls and boys.

NEEDS.-Aid is needed for the support of thirteen missionary clergy. In consequence of all assistance from the S. P. G. having been withdrawn, a lay committee of leading churchmen reported the necessity of retiring from several important Missions. To avoid so painful a calamity, the Bishop has for the present personally guaranteed the payment of a certain sum to enable the Mission Board to meet the reduced stipends, hoping for generous help of friends in England. Eleven churches are needed.

DIOCESAN NOTES.

The three Dioceses in British Columbia have not been as vet organized into an ecclesiastical Province, although a conference having that object in view was held in Victoria in April, in 1888, when the Bishops and delegates from the two Dioceses of Columbia and New Westminster were present. It was then suggested that the proposed Province bear the name of "Columbia," and that the Diocese of Columbia be forever the Metropolitan See. A committee was appointed to draw up a constitution to be submitted to a future conference.

First Bishop.—The Rt. Rev. George Hills, D.D. Consecrated, 1859. Retired, 1892.

Present Bishop.-Rt. Rev. William Wilcox Perrin, B.A., M.A., D.C.L. (1893).

DIOCESE OF CALEDONIA.

GENERAL DESCRIPTION.-This Diocese was founded in 1879, and comprises the whole of British Columbia north of the Salmon and Nechaco rivers, and Fort George on the Frazer. The country is mountainous and covered with timber. Excellent coal has also been discovered. The climate on the coast is remarkably mild and equable, but moist. There is a large and intelligent Indian population, which, under prudent direction, will be helpful in developing the resources of the country.

CHURCH WORK .- The work in this Diocese is entirely missionary. Three clergymen are provided Th Mi as att

by the Society for the Propagation of the Gospel in Foreign Parts, to minister to the white population, and the Church Missionary Society provides eight clergy for the Indians, and also the Bishop's income. There is no endowment. The latter Society also provides a medical missionary, four lady missionaries and eight native catechists.

NEEDS.—Another missionary is much needed for the whites; also funds for endowing the See, for erecting a training school and building several churches.

DIOCESE OF NEW WESTMINSTER.

GENERAL DESCRIPTION.—This Diocese was founded in 1879, and consists of a district lying between the forty-ninth and fifty-fourth parallels of north latitude, and bounded on the east by the Rocky Mountains, and on the west by the Strait of Georgia. The population, including Indians and Chinese, is about 80,000. Area, 160,000 square miles.

The size of the Diocese is so great, and the geographical obstacles—mountains and rapid rivers—so numerous, that missionary work is no easy task. The present staff consists of twenty Clergy and a few Lay Readers.

The Diocese is divided into eleven Parishes, and seven huge Missionary Districts. New Districts have rapidly opened, such as the Kootenay country, which, with Nelson as its centre, is attracting a large mining population.

Besides the white population, there are about 40,000 Indians and Chinese. The latter are almost wholly heathen, but of the Indians 1,400 are Christians, and the percentage of communicants among them-nearly fifty per cent.-speaks well for their sincerity.

The Bishop has begun a Mission among the Chinese, and has secured the services of a native Catechist for the work. The importance of such a Mission can best be realized when it is known that the Chinese coming to this country do not do so with the intention of remaining here. Could these people, then, be Christianized while they are here, they would go back to their own people as so many missionaries.

That the Church people in this Diocese are willing to help themselves financially, is seen from the fact that, counting every man, woman and child, Indian and white, the percentage of their offerings is over \$2 per head! All outside assistance has come from English friends, and from the Society for the Propagation of the Gospel, and the Woman's Auxiliary of Canada.

The work of the Diocese is still almost wholly missionary. There are self-supporting Parishes in the cities of New West-minster and Vancouver, but, outside of these, every Mission needs support, especially in regard to building of churches and parsonages. Moreover, nearly two-thirds of the Diocese are without any ministrations whatever, owing to the want of funds to establish Missions. In this spiritually destitute region there are no settlements or communities, and no work can be done otherwise than by itinerant Priests, ministering from house to house. The cost of such work must be defrayed, almost wholly, from outside sources.

MEETINGS OF THE BOARD.

(1). Wednesday, April 24th, 1895, in Kingston, Ont. (2). Immediately preceding meeting of Provincial Synod in September, 1895, in Montreal.

ANNUAL REPORT, 1894.

The Board of Management is obliged to report a considerable falling off in the funds of the society, compared with the previous year. The contributions to the diocese of Algoma, which amounted to \$12,853.99, were swollen (1) by the fund so cheerfully raised to assist the Bishop in his failing health, and (2) by the extra effort made to pay off the debt on the Widows and Orphans' Fund of the diocese. Thus the falling off is to be accounted for almost entirely by these large special exertions.

The contributions for Algoma for the present year are:

For the Bishop's stipend	\$2,825	00			
For General Fund					
For Indian Homes	1,185	52

Leaving a deficiency of \$5,906 70

The rest of the Bishop's stipend, viz., \$1,175, cither came too late to be included in this year's report or is included in the General Fund, or has not been reported to our society at all. These figures deal with appropriated moneys for Algoma, and a glance at them is enough to show why the receipts of the present year are considerably below those of the year preceding.

The Board regrets also to note that in some instances contributions hitherto considered its own have been diverted to diocesan purposes. The children's Lenten offerings, for instance, in one or two dioceses were devoted entirely to their own mission funds. It is hoped that, in time, all the children of the Church may be permitted to assist in the general mission work of the Church, in response to the annual appeal to them issued by the Board.

Some missionary dioceses and objects receive much larger aid through the medium of designated contributions than others; while the special canvassing by agents sent to this part of Canada for the purpose, or by missionary bishops themselves, has greatly increased the receipts of dioceses so appealed for over others. These are facts that have to be taken into consideration by the Board in making grants for missionary purposes; for the Board regards it as simple justice that those missionary dioceses and objects that have received little aid in this manner should be granted a larger allowance in their apportionment of the fund.

The Board desires to thank the Woman's Auxiliary for their continued and unwearying assistance. In addition to the work laid upon them by the Board itself, they have been able to render most substantial assistance to missions which otherwise would be but poorly aided. Their statement for 1894, just issued, shows a total amount raised by them for Domestic and Foreign Missions of \$18,993.20. The Board cannot speak too highly of the valuable aid thus rendered to it by the earnest and loyal women of the Church.

The Board is glad to be able to report good progress in the Nagano mission, Japan, under the Rev. J. G. Waller. In addition to the services of the native Japanese, Masazo Kakuzen, who, receiving holy orders at the hands of the Bishop of Toronto, joined the mission last year, Mr. Waller has received a further accession to his staff in the person of Miss L. Paterson, of Toronto, who, at her own charges, has gen-L. Faterson, of Toronto, who, at her own charges, has gene erously devoted herself to the work. The Board has great pleasure in announcing that the Rev. F. W. Kennedy and wife sailed for Japan in the early part of this month to join the Nagano mission under the auspices of our Canadian Mis-sionary Association. Mrs. Kennedy's mother, Mrs. Roe, has accompanied them. It is hoped that this reinforcement will relieve somewhat the loneliness of the work and greatly extraordise the bands of these scheady accompanied in it. strengthen the hands of those already engaged in it. Bishop Bickersteth, of Japan, recently speaks in the highest terms of the work which is being done by this mission, and expresses himself full of hope as to its future. The Board would gladly have aided in erecting suitable buildings for this mission, but Nagako, not being a treaty port, is barred to foreigners for the present as to the right to hold property. This is much to be regretted, as our missionaries are obliged to live in houses which offer but the scantiest protection in the winter season, which Mr. Waller speaks of as being sometimes as cold as it is in Ontario or Quebec. This lack of accommodation in the way of buildings has prevented Miss Smith from associating herself in her medical missionary work with Nagano, where, strictly speaking, she ought to be. She is at present, however, continuing her good work in Kobe, winning, according to the statements of Rev. H. J. Foss (who recently visited Canada), the high opinion and good will of all who meet her.

The Wycliffe Missions are extending their work.

Japan has at present Rev. J. Cooper and Mrs. Robinson. Rev. J. McQueen and Mrs. Baldwin, Rev. J. Heber and Mrs. Hamilton, and Miss Trent, a lady missionary who was added to the staff in October. There are also two native catechists and a Bible woman on the staff of workers.

Rev. Mr. Sadleir is supported and sent out by the Wycliffe Missions to Rupert's Land, and Rev. I. O. Stringer and T. J. Marsh to Mackenzie River.

During the past year a missionary was also supported in Algoma.

The publications of the society, *The Canadian Church Magazine and Mission News* and the *Canadian Church Juvenile*, continue their good work, and are meeting with a fair amount of support.

The Board expresses the hope that a healthy impetus will be given to the Domestic and Foreign Missionary Society at the triennial meeting of the General Board (the Provincial Synod) next year. Church people of Canada are earnestly asked to support it with their prayers and with their offerings, for the voices of Canadians are now being heard on behalf of the Gospel in distant lands as well as within our own Dominion.

The objects for which the Auxiliary is organized are briefly: Prayer for missions; the spread of missionary information; the increase of missionary interest; raising money for missionary objects, and sending clothing, etc., to needy missions.

The members' prayer is to be said dai y, and there are monthly subjects (covering each month a Diocese in our own country, and part of the Foreign field) for reading and prayer. The *Monthly Letter Leaflet* is edited and published by the Auxiliary in the Dioceses of Toronto, Niagara, Ontario, Huron, Quebec, and Montreal—each Diocese editing and financially managing its own pages. The *Leaflet* has a circulation of over 7,000 copies per month.

The Winchester Cross in silver (or gold for Life Members) has been adopted as the permanent badge of the Society. It bears the motto of the whole Auxiliary, "The love of Christ constraineth us," and the letters "W.A."

The following missionaries are supported by the Auxiliary: A medical missionary in Japan by all the Dioceses ; Miss Wilson at the Blood Reserve, by Huron ; Miss Garlick and Miss Alice Turner at the Blackfoot Reserve, Miss Margaret Durtnall at Lesser Slave Lake, and half of the salary of the Rev. J. Hinchcliffe at the Piegan Reserve, by Toronto; Miss Brown at the Piegan Reserve, by Ontario; A Missionary at Lake Temiscamingue, Algoma (partly) by Toronto; a Missionary at Lion's Head, by Huron; Miss Mitcheson in India (partly) by St. Peter's Branch, Toronto. And also several catechists and Biblewomen in India, Japan and Africa. Miss Paterson, a life member of the Toronto Diocese has gone out to Japan as a Missionary under the auspices of that Diocese, but at her own expense. Montreal gives \$200 a year towards the support of a teacher at the Washekada Home, Elkhorn. Niagara and Quebec support two lady missionaries at the Sarcee Reserve.

The central Board meets annually, and a Triennial meeting is also held at the same time and place as the Provincial Synod. During the year ending September, 1894, the Dioceses of Quebec, Montreal, Ontario, Toronto, Huron and Niagara reported 412 Branches, with a membership of about 10,500. The amount given in money to Domestic Foreign Missions during the year was \$18,993.00, and 626 bales of warm clothing were sent to needy Missions.

The Women's Auxiliary is also organized in the Dioceses of Algoma, Rupert's Land, Calgary, and New Westminster, Good reports of work done in all these Dioceses have been presented. The work of the junior branches throughout all the Auxiliary is most encouraging, and promises well for the missionary interests of the next generation.

DAILY PRAYERS.—1st. For the Board of Domestic and Foreign Missions. 2nd. For increased liberality of the Members of the Church. 3rd. For our Lady Missionaries.

PRAYER.—O, Lord Jesus Christ, who in the days of Thy flesh didst vouchsafe to accept the services of faithful women, we beseech Thee to grant Thy Blessing upon our endeavours to aid and encourage Missionaries. Put into our hearts the things that we should do and say to promote Thy glory, and further the object we have in hand. Grant that we may never be discouraged under difficulties, but go forth in faith and hope,—looking unto Thee. Have pity on those who know Thee not, on those who are far from the Church of their fathers in a strange land. Visit them with Thy Salvation. Hasten, we pray Thee, Thy Kingdom that all may come to the knowledge of the truth. Hear and answer us, O Lord, our Strength and our Redeemer. Amen.

LAY HELP.

DIOCESE OF HURON

HURON ANGLICAN LAY WORKERS' ASSOCIATION.

The Huron Anglican Lay Workers' Association was established in 1891 under the auspices of the Bishop and Synod of the diocese. At a conference of Lay Workers, held in London, Ont., April 23, 1891, the following resolution was agreed to :--

That the Synod be respectfully requested formally to recognize by resolution the Huron Anglican Lay Workers' Association as an important agency for promoting the spiritual and temporal work of the Church in the diocese, and to sanction the payment, from time to time, of such necessary expenses connected therewih as the Executive Committee may, on the recommendation of the Bishop, approve.

This resolution was formally adopted by the Synod in June, 1891. The Association includes in its membership all laymen acting as lay readers or assisting regularly or occasionally in the services of the church; all laymen acting as Bible Class or Sunday School teachers; lay delegates to Synod; churchwardens, sidesmen and ushers; members of St. Andrew's Brotherhood, Church Guilds, or other parochial associations of young men, and, generally, any laymen actively participating in church work; the clergy of the diocese are (*ex officio*) members.

The Executive of the Association consists of a president (the Bishop), a first vice-president (the Dean), a second vicepresident, who is a layman, a chairman of committee, a secretary-treasurer, and a committee of management, thirteen in number, one from each Rural Deanery. The elective officers that is, all but the Bishop and Dean—hold office for one year, and are appointed at the annual meeting, which is held in the month of October, at such place as the Executive may appoint. The first annual meeting was held in St. Thomas, in 1891; the second, at Stratford, in 1892, the third, at Stratford, in

1893, and the fourth, at Brantford, in 1894. In connection with all these meetings, conventions have assembled of the Church workers and Sunday School teachers of the Diocese. These gatherings have become an important feature in connection with Church work in Huron. They have been largely attended by Clergy and laity, and both men and women workers. The objects to which the attention of the committee of management is more particularly directed are :—

To keep a register of members of the Association specifying the particular branch of Church work in which they are severally engaged, and indicating who of the Lay Readers are licensed by the Bishop; to encourage, by correspondence or otherwise, the more general participation of the laity in the spiritual and temporal work of the Church, and the formation of local societies having that end in view; to make a report annually to the Association; to arrange work for the Association at its annual meeting, and to present a concise report of the work of the Association to the Synod.

The officers of the Association for 1893-4 are as follows: President (ex officio).—The Lord Bishop of Huron.

First Vice-President (ex officio).-The Very Reverend the Dean.

Chairman of Committee.—A. H. Dymond, Brantford. Secretary-Treasurer.—J. M. McWhinney, B.A., London.

At the Annual Meeting in 1893, in reply to a circular issued by the Committee, the following statistics were reported :--

No. of parishes making returns	
Congregations represented by the 112 parishes 229	
Parishes in which lay readers are employed 68	
Lay readers-Licensed, 52; not yet licensed 87139	
Male lay Bible class teachers	
Male lay Sunday school superintendents	

There are something over 120 parishes in Huron in actual clerical charge. With the clergy, the muster roll of the Association numbers nearly 2,000 members.

In the annual report for 1894 an attempt has been made to exhibit the whole volume of lay work in the diocese, and including that of both sexes. The returns are necessarily and admittedly imperfect, but as an approximate statement of the activity generally prevailing in Huron among church members and congregations, they will be read with interest.

THE ESTABLISHED CHURCH IN ENGLAND.

Is governed by two Archbishops and thirty-two Bishops. The Archbishops and twenty-four of the Bishops have seats in the House of Peers. A large proportion of the episcopal preperty is managed by Commissioners, who pay fixed incomes to the prelates, ranging from £15,000 to the bishop of Canterbury, to £2,000, which last is the income of the Bishop of Sodor and Man, who, however, is not a peer of Parliament. There are also several Suffragan, or Assistant Bishops, receiving no direct payment for the office, but they are usually appointed to some living with a fair income. Much assistance is also received from retired Colonial Bishops. The inferior dignitaries of the Church are the Deans and other members of Cathedral Chapters, some of whom receive fixed incomes, others have incomes receivable from estates. Those whose incomes are derived from land are in consequence of its reduced value now receiving much less than the amounts originally intended, in some instances less than half. As assistants to the Bishops there are eighty-eight Archdeacons, who commonly hold other preferments, their archidiaconal incomes being but small. Under the Archdeacons there are 810 Rural Deans, who exercise an unpaid supervision over the parochial clergy. The number of Benefices is about 14,250; and the clergy of every class, from the Archbishops to the stipendiary Curates and clergy unattached, number above 23,000. The revenues of the Church are not accurately known. The total income from all sources -endowments, tithe, glebe, rent value of residences, pew rents. and surplice fees-may be stated at about £7,250,000; the Church population is estimated, on trustworthy data, at over 13,750,000, for whom about 6,250,000 church sittings are available.

Easter Period.

The Council of Nicea, held in the year of our Lord 325, has decided that the feast of Easter should be celebrated the first Sunday after the first moon following the 20th of March. According to that rule, Easter can be celebrated within the space of thirty-five days, from the 22nd of March to the 25th of April inclusively. That space is called the "Easter Period." Hence, if there were a full Moon on the 21st of March and the 22nd were a Sunday, Easter would be on that day. It is the earliest date for Easter. It happened in 1818. But if there were full moon on April 18th, and the 18th would fall on a Sunday, the following Sunday would be Easter, April 25. It happened in 1886.

Short and sweet

-your hours of labor when you use Pearline. Without Pearline, you may work hard and do much; with Pearline you will work less and do more.

Pearline saves your clothes in the wash, and your temper in the washing. It is the continual rub, rub, rubbingover a washboard in the old way with soap, that wears your clothes and makes hard work.

Pearline is the new way, and does away with the rubbing. It is as safe as it is sure; be sure to get *Pearline*—nothing else, and you will be safe.

Beware Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearline." TT'S FALSE—Pearline is never peddled, and if your grocer sends you something in place of Pearline, do the honest thing—send it back. JAMES PYLE New York.

SAILING BETWEEN

Montreal, Quebec and Liverpool in Summer, calling at Rimouski and Londonderry to embark and land mails and passengers ; and Portland, Me., Halifax and Liverpool in winter.

TRY THE ST. LAWRENCE ROUTE; THE SHORTEST TO EUROPE.

Embark on a Dominion Liner the evening previous to date of sailing, and spend the first day of your trip to the Old World sailing down a river along whose shores is scenery the most picturesque, and abounding in points of historical interest, yet to be increased on arrival at Quebec. Leaving this harbor, the Steamer's course for the next two days brings the tourist through the abrupt and rugged scenery of the Gulf, and the invigorating salt breeze perceptible now prepares him for the Atlantic, which is crossed in the following four or five days.

The Saloons are large, airy, and amidships; Ladies' Rooms and Smoking Rooms have been placed in the most convenient positions; Promenade Decks are very spacious, and every attention is paid to the comfort of passengers; and that the Dominion Line continues to be a favorite with the public, is shown in the many testimonials presented by passengers.
