TO START FLIGHT TO IRELAND FROM NEWFOUNDLAND

Mr. Hawker Fixes Date About April 10. Confident as to Success of the Venture. Sopwith Airplane is Being Made Ready.

St. John's, Nfld., April 2.—Private Hawker, of the Sopwith airplane, with which an attempt will be made to fly from Newfoundland to Ireland, declared today he expected to start not later than April 10.

Both Hawker and his navigator are very confident, but they express absolute confidence in the success of the venture. They feel sure the Sopwith plane will be the first to fly across the Atlantic.

The machine was taken to the flying field in sections, and now awaits arrival of mechanics who are expected here, and who were expected to be on the ground some time before the pilot arrived. They are aboard the steamship Kyle, which has been jammed in the ice two miles off Low Point ever since March 24. There is no immediate indication of the vessel being released unless the wind changes, and this will delay erection of the airplane considerably, but will not cause the start of the flight to be postponed to later than April 10th, Hawker insists.

WHEN YOU HELLO! LOOK AT THE TIME

Confusion Over Different Times Results in Telephone Troubles.

In the matter of long distance telephone service, the confused situation is daylight saving offers opportunity for no end of trouble and inconvenience.

In making appointments for long distance conversations, unless the parties are clear as to what time standard or daylight saving prevails in both towns, confusion is inevitable.

The peak load of long distance telephone traffic occurs between the hours of 9 and 12 in the morning and 2 and 5 in the afternoon, the great majority of business calls being during these periods.

Suppose Brown in a standard time community calls Jones in a daylight saving city at, say 11 o'clock. He finds Jones has gone to lunch. On returning to his office, Jones learns of the call and at once tries to get Brown, but finds that it is now his lunch hour, and that he must wait for him. Before they can have their talk, two full hours have elapsed. In other words the long distance telephone-day, already short, is reduced two full hours and congestion is probable.

The Federal authorities, having decided against the adoption of daylight saving, night rates for long distance service must be based on standard time.

ARRANGEMENTS BEING MADE FOR PUBLIC MEETING

Arrangements are being completed for a most important meeting in the Grand Opera House next Sunday night to start the wheels going of the Patriotic League which is in the process of formation for this city and district. All the societies, patriotic bodies of one kind and another, are being requested to attend. The proceedings will open at 8.30 p.m., after the church services, and the Mayor is endeavoring to get Brigadier-General Gunn, officer commanding Military District Number 2, to come over and speak. He has been the dynamo that has set things in motion in Toronto so far as entertaining and repatriating returned soldiers is concerned. A short but excellent programme is being prepared which will include, after invocation, a couple of songs and two or three brief addresses. The details of the evening will be announced through The Journal later.

DAUGHTER PASSES AWAY

The sympathy of many friends of Mr. and Mrs. Jeremiah D. Deasy will go out to them on the death of their youngest daughter, Regina Theresa, aged 2 years, 4 months and 10 days, who passed away Tuesday afternoon at the family home, 38 Pelton Street. The funeral will be held Friday afternoon at Victoria Cemetery. Rev. Father Smith officiating.

We Cheered As They Went Away Let Us Welcome Them Back Again

In order to make arrangements to meet all returning soldiers and to give them a welcome back home, the Automobile Club, through an advertisement in The Journal to-day, is calling for volunteers with cars to supply help to meet the trains. At a recent public meeting Mr. A. H. Wallace was named as chairman of a reception committee, and he has been generously giving his time nearly every day since to meeting all trains. The League has a large membership, and if each one would undertake to meet the incoming trains for one or two days the task for each would be rendered very light.

Here is a work that the Club could well do, and The Journal feels that it only needs to have the facts presented to get the necessary response. In the past when occasions have arisen for the united help of the Auto Club, it has been readily given, and some times thirty or forty cars have turned out. Now the time has come when the men who have fought for us, for our homes and our families, are coming back and should be given just as cordial a reception as they were given a send-off when they went away. The difficulty is that it is not always known what trains men are coming in on, and the only way to overcome the difficulty is to arrange to meet all trains. Every citizen with an automobile who can give a few hours should show a deep patriotic interest in these returning boys and offer to go one day each week or each month to see that the incoming men are looked after. Mr. Wallace would welcome a telephone message from every member of the Club, we feel sure.

MONUMENT TO BE ERECTED IN NEW PARK

A Splendid Meeting in the Library Building at Thorold Considers the Subject—Designs Examined—The Good Work of the Band.

There was a splendid meeting of the representative people in the library building at Thorold, last night, being a joint committee, consisting of four representatives of almost every interest in the town, including ladies from the Red Cross Society, and the work of a memorial was well talked over.

Mayor Grisdale occupied the chair and James Battle was appointed secretary.

The roll was called, and all but three or four of those who had been appointed to represent the various bodies answered to their names, and at least two of these were known to be at least two of these were known to be on the sick list.

The whole situation was gone fully over, and the proposition was looked at from all sides, an dit was finally decided on motion that the monument should be erected on the newly purchased park ground, near the Welland street entrance, which is near the south-west corner of the grounds, leaving as much as possible of an open space for public and general uses.

At the same time the memorial will be so surrounded and of such a character that its prominence will not be obscured in anyway.

SALE OF BORDER RADIAL

Windsor Calls a Conference of the Neighboring Towns Interested. Windsor, April 2.—The City Council has called a conference of adjoining municipalities to discuss the Provincial Hydro Electric Power Commission's suggestion that they buy out the trolley company which operates the border town lines.

COUNCIL OF FOUR WORK ON PROBLEM

(Special To The Journal) Paris, April 2.—Consideration of the question of reparations and the disposition of the Rhine Valley was continued by the Council of Four composing the Premiers of France, Great Britain, Italy and President Wilson when the session of the Council was resumed today. It is understood to be probable that at least three more days will be occupied with these subjects.

LIBERALS MEET IN CONVENTION AT THE CAPITAL

Successor to Late Sir Wilfrid Laurier to be Selected at National Gathering in August Next.

(Special To The Journal) Ottawa, April 2.—Though the question of directorship has for the present session been agreed upon, and Chief Whip J. A. Robb and Mr. D. McKenzie have been given temporary responsibility for the welfare of the Liberal party, still speculation continues as to who may be chosen permanent leader.

The majority of guessers are looking to the extreme east and to the west for a prospective Moses, but few find any hope among the budding politicians of Ontario. It now seems certain, however, that the whole matter will be settled before the autumn comes. Yesterday a long caucus of Liberal members and senators was held. After it was over Mr. Robb issued the following statement:

"Following the announcement made by Sir Wilfrid Laurier at London, in November last and subsequently endorsed by Mr. D. D. McKenzie, the Liberal parliamentary party in caucus to-day, decided that a National Liberal convention will be held at Ottawa on Tuesday, Wednesday and Thursday, August 5, 6 and 7. Details for the holding of the convention will be announced within a few days."

WANDERS AWAY FROM HER HOME

Disappearance Last Night of Gladys Kimberley Causes Widespread Fear, and Family Distress—Search Proves Futile.

The deep sympathy of the community will be extended to Mr. and Mrs. Frank Kimberley, of Salina street, in the distressing anxiety which has fallen to them through the disappearance last night of their daughter Gladys, who passed through a severe attack of Spanish influenza some time ago and has been mentally ill since. A search was made last night and again all this afternoon, but up to press time she could not be found.

Last evening the missing girl went with her sister down to the home of Mr. George Holmes, below Yate street, for milk. While the one went inside the other disappeared, and it was thought by her sister that she had returned to her home. When it was learned that she was not there a search was begun at once, but without avail. The efforts of relatives and friends, of the police and fire department have been unsuccessful.

FOUND WEARING APPAREL

This morning Clarence Holmes went to the canal bank, near their residence and found the hat of the missing girl. Footmarks were also traced to the edge of the canal and on the thin ice, which are thought to be the girl's footsteps. Word was at once sent to Chief Early who with his men was at once on the scene. Several of the men were set to work grappling for the body but their efforts have been fruitless.

SEARCH STILL GOES ON

The search is still being carried on this afternoon in hopes of recovering the body if it is in the canal. The young lady was highly esteemed by all who knew her. She was a twin sister and was engaged at one of the local banks. For some time she complained of her mind which was terribly weakened by the "flu." Her father, Mr. Frank Kimberley is a well known singer and popular in all circles. His many friends will extend to him and his family their sincere feelings of regret over the trouble that has come to them.

POLISH TROOPS TO USE DANZIG

Troops Returning From France May Use Danzig on Their Way Back to Poland.

(Special To The Journal) Paris, April 2.—Germany will not persist in her opposition to the use of Danzig by Polish troops on their way from France to Poland according to advices reaching Paris newspapers. Marshal Foch, who had planned to leave last night, will leave Paris today for Spa to meet the German representatives to discuss the Danzig question. The Marshal had a long conference with Premier Clemenceau.

Revolution Breaking Out Against Soviet Government

(Special To The Journal) London, April 2.—Reports that a revolution against the Soviet Government has broken out in Petrograd are supported by an official wireless despatch received here which says there is a serious food strike of railwaymen in the Petrograd region. The strike, it is said, was prompted by Menshevik and social revolutionaries.

REACTIONARY FLAME IS RISING NOW IN LITTLE SERBIA

(Special To The Journal) London, April 2.—The newspaper Vetcherin Listy, of Agram Jugo-Slavia, announces that the dynasty of Kara Georgevitch has been deposed and a republic proclaimed in Belgrade, capital of Serbia and Jugo-Slavia. Agram or Gagrab is capital of Croatia, which forms one of three parts of Jugo-Slavia, or kingdom of Serbs, Croats and Slovins. Crown Prince Alexander has been acting as regent of Serbia for several years for his father, King Peter.

NEW TIME OR OLD TIME?

People of Markham Find Much Trouble in Deciding Time. Markham, April 2.—With the high school running on summer time, the public school on standard time, and some stores keeping to one and some to the other time, people in Markham scarcely know what time they are at. The Bell Telephone Exchange, which is running on the old time, is located in a drug store that is running on the new time. Monday morning the High School opened on the old time and closed on the new time. The Council meets on Friday, and the citizens are hoping that they then will dispose of the time issue for all time.

STRIKERS AND TROOPS CLASH

Three Persons Killed, Others Wounded—General Strike Has Been Declared. Berlin, April 2.—In a collision between strikers and government troops at Stuttgart on Tuesday, three persons were killed and many others wounded. The demonstrators were eventually dispersed and order restored. The labor leaders in Stuttgart have declared a general strike there.

MEETING OF WATER COMMISSIONERS

A regular meeting of the Water Commissioners was held last evening at which were present Mr. G. Peterson, chairman and Messrs. Woodruff, Riddell and Greenlaw. Minutes of the last meeting were adopted.

Communications were received from Fire and Light committee of the City Council, requesting the placing of two new hydrants and moving of Am brose street hydrant to the intersection of Rebecca Street.

From the City Engineer desiring the names of streets to be paved and requesting the construction of necessary services thereon as soon as possible.

Mr. Woodruff presented the third report of the Finance committee, recommending payments of sundry accounts and pay roll amounting to \$889.29 and first quarter's payment of interest and sinking fund, \$14,821.08; a total of \$15,510.37.

The Extensions Committee recommended that the request of the Western Oil Refining Co., be granted. That the Supt. be authorized to proceed with the renewals of old services and installations to vacant lots in streets to be paved. That a fourth service main be laid on Calvin Street from Church to Queenston Street and a sixth main on Court Alley from Academy to Court Streets. That two fire hydrants for the protection of rear of block be placed there prior to paving the Alley.

The report of the district commission held at Welland was read and it was moved that the action of those from this commission regarding the Lake Erie conduit be confirmed. Carried.

The chairman and Supt. were instructed to act in conjunction with the adjoining municipality in connection with the construction of the proposed conduit and the chairman was ordered to draw upon the Treasurer for all expenses incurred.

CAPT. BARTLETT PLANS TO FLY TO THE POLE

Will Make His Flight in June. London, April 2.—Capt. Robert Bartlett, plans to fly to the North Pole in June, starting from a base at Cape Columbia, it was announced yesterday.

Bartlett, who is 44 years old, started his polar explorations as a member of the Perry expedition in 1897. He headed the Canadian Government expedition in 1913-14, when he crossed on the ice to Siberia.

MORTALITY RATE AMONG BABES DECLARED HIGH

Rev. Peter Bryce, of Toronto, Speaking on Work of Many Years for Child Welfare Says Large Percentage of Infants Die Under one Year.

A deep sense of responsibility for the welfare of children born in this and every other community was brought home to the minds of a representative meeting of men and women at Queen St. Baptist Church last night. The occasion was a gathering arranged by the Children's Welfare Committee of the local Council of Women to hear an address by Rev. Peter Bryce who for many years has been conducting a splendid work along this line in Toronto. As a consequence of his discourse and of the facts produced of infant mortality, etc., the Mayor, who presided, made the following statement which was received with applause.

Statement From Chair. "If the ladies who are behind this welfare movement can gather reliable statistics and information that will prove to me that the services of a social service nurse are urgently needed in St. Catharines I will bring the matter before the Council to see if some thing cannot be done to engage such a person. It seems to me that what is wanted is a practical nurse who will give advice and assistance to young mothers."

Conditions Do Exist. Mr. R. E. Boyle, agent of the Children's Aid Society said he could take ladies interested in this movement to many places in St. Catharines that would surprise them. Poor women were to be found in many places without proper food or clothing for their babies. Conditions existed in St. Catharines that untown people would scarcely admit.

Address of Mr. Bryce. Rev. Mr. Bryce, as speaker of the evening, was introduced by the Mayor as a man who had accomplished a valuable work in Toronto. In children, he said, was to be found the nation's greatest asset.

Referring to conditions he had met during his labors Rev. Mr. Bryce said through the child welfare work conducted in Toronto the mortality among infants had been cut down fifty per cent. He quoted figures to show that quite a high percentage of the babies born in Canada died under one year of age from preventable diseases. This was a heavy loss to the country. The trouble was largely found to be carelessness, ignorance and poverty in homes of the poorer class who could not afford medical and nursing assistance. Even among all classes there was great want of practical knowledge both natal and pre-natal and it had been found that a public nurse was welcomed by mothers.

The speaker mentioned one case as an example of finding a mother feeding her infant tomatoes and ice cream. Clinics, dental care, etc., had all been found to be important, in saving children and rearing them to health and strength.

The Feeble Mind. Mrs. A. H. Malcolmson asked if the speaker knew whether the Government intended to do anything for the feeble minded or backward children. Rev. Mr. Bryce replied that he thought steps along this line would be taken. Mrs. H. G. Williams said she thought a practical nurse was the type of person who could do most good. Private citizens did not have the same influence.

At the close of the evening a cordial vote of thanks to the speaker was moved by Rev. Mr. Stewart seconded by Mrs. Whitten. The gathering closed with a national song.

FOR OTTAWA TO DECIDE

Belgian and French Govts. Will Hand Over Sites for Memorials. Halifax, April 2.—Among the officers returning on the Canada was Lieutenant-Col. Beckles Wilson, of Windsor, Nova Scotia, who was attached for some time to the Imperial staff as inspector of war trophies in the east. He was in charge of the allocation of all enemy ordnance captured there. He is particularly interested in the work of building the Canadian war memorial at Ypres and Vimy. He stated that both the Belgian and French Governments had intimated that they were prepared to hand over sites to Canada at both these historic points, and it was now merely a question of how much the Dominion Government was prepared to spend in the erection of suitable buildings.

LIEUT. BEVERLEY ROBINSON

The Great War Veterans have secured the service of Lieut. Beverley Robinson to give his experience of life in a German Prison in the St. Paul St. Church, Monday night, April 7th.

Lieut. Robinson is the only Canadian officer to escape from a German camp and it was only after numerous attempts that he was successful in his efforts. He was in the famous and notorious prison camp commanded by Charlie Numever, otherwise known as "Milwaukee Bill."

His lecture will be the most interesting one ever heard in this city and the Veterans are to be congratulated upon securing such an interesting lecturer.

The seats are now on sale.

Toronto yesterday morning one of the oldest residents, Mrs. Bridget O'Reilly, who came to Toronto from Tipperary, Ireland, over 70 years ago.

During the course of a war lecture in Hamilton, Major Tolmie made the following remark on the value of rum "One day after a heavy engagement, stretcher bearers who had been carrying the wounded and dying from the trenches and battlefield, to a dressing station in the rear, came to him and almost totally exhausted and wet to the skin, begged that he do something for them. He then got a big jug of rum and lined the boys up and gave them a small drink to brace them up. "I am a temperance man myself," said Major Tolmie, "but I certainly do not think I did wrong in giving those boys a drink of rum, and I would do it again. We can get along without it in this country maybe, but the boys in the trenches needed it, but as they needed medicine."

CHIEF ENGINEER OF-CAN. NORTHERN BURIED IN SLIDE

Huge Mass of Snow Buried Him in Yellow Head Pass Portion of Rocky Mountains. (Special to the Journal)

Edmonton, Alta., April 1.—Allan T. Fraser, aged 45, Chief Engineer of the Canadian Northern Ry., was killed on Sunday by a snow slide near Mount Robson in Yellow Head Pass through the Rockies. Fraser's train was stopped by the slide and he went ahead with a section gang to make investigation, when another slide buried them all. The section men were dug out, all practically uninjured, but Mr. Fraser was dead when they reached him.

"NEVER MORE" SAYS HUGHES

Paris, April 2 - In a witty speech at a banquet given by the Peace Club at the Peace Conference delegates from the British Dominions, Premier Hughes, of Australia, criticized the slow methods of the Peace Conference. He insisted upon the necessity of making a peace which would not allow German evil again to do what she did in 1914.

CHILD HATES OIL, CALOMEL PILLS FOR LIVER AND BOWELS

Give "California Syrup of Figs" if cross, sick, feverish, constipated.

Look back at your childhood days. Remember the "dose" mother insisted on - castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicate "California Syrup of Figs," its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy...

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

NOT AN "APRIL FOOL"

Milk Price Drops to Eleven Cents in Kingston Kingston, April 2 - Some of the citizens regarded a report yesterday that milk had dropped to 11 cents as an April 1 joke. They are finding it was no joke, but the real truth. Milk has been selling here all winter at 13 and 14 cents, but today the old contract between the farmers and milk vendors expired and the price was lowered to 11 cents.

BRIDGEBURG NEWS

The Ven. Archbishop Perry of St. Catharines delivered an interesting lecture in the Crown Theatre here on Thursday evening, taking as his topic Lloyd George. He told of the rise of the strenuous Welsh statesman; how he had raised armies, settled strikes, kept munitions pouring to the front, etc. He described him as one of the greatest statesmen the war had brought out, and compared him with President Wilson and Premier Clemenceau.

SOLD TO THE SOLDIERS, SIX MONTHS IN PRISON

Halifax, April 2 - Alvis Wheeler, Hollis erect, and Alexander McLean, Granton street, civilians, were today sentenced to six months in the city prison, without the option of a fine, by a military court-martial, proceeding under the February order-in-Council, dealing with the sale of liquor to soldiers in uniform. This is the first case of its kind arising in Halifax.

Owing to vast ice flows steamers are unable to approach Newfoundland.

BARRED OUT ON TECHNICALITY

Canadian Soldier Refused Admission to the United States.

Niagara Falls, N.Y., April 2 - Henry Kastak, a member of the 114th Canadian contingent, recently discharged from service overseas, returned to his home in Chippewa, Ont. Sunday he sought to visit his sisters, of whom he has several in this city. He was refused permission to enter this country on the ground that he could neither read nor write, although the young man can read to a limited extent. The arbitrary action of the immigration inspectors aroused residents of this city to such an extent that a protest was drawn up and sent to Washington.

FISH CHEAPER HERE

Dominion Luckier Than Britain This Season.

Ottawa, April 2 - Fish prices in Canada are remarkably low at present. Cod and Pacific flat fish are especially cheap. Fresh and frozen fish, with the exception of halibut and salmon, are being sold more cheaply than during the Lenten season for the past five years. Quality and quantity on the market are both highly satisfactory, and it is remarkable that present prices in the Dominion are in some cases less than half the actual prices of corresponding fish in Great Britain.

Transforming The Prairies.

Scarcely does a settler in a new country find things exactly as he would like to find them. Take trees, as an illustration. It is true there are large stretches of country in different parts of the world where trees seem to be ideally interspersed. Large areas in the central parts of the Prairie Provinces of Canada are like this. Open spaces of forty to a hundred acres or more are almost surrounded by trees, affording excellent shelter for stock, and making a varied landscape. But such conditions are exceptional, though they serve to emphasize the rule. Mostly the new settler finds too many trees or practically none at all. In the former case considerable labor is required in clearing before the settler can hope for any crop. In the latter case, the settler has the advantage of being able to break his land immediately and if he proceeds in the right manner, soon has it in a condition for producing a remunerative crop. But if he has come from a home which was surrounded by trees, as certainly most settlers are, he is sure to miss them for a time. A large part of the Canadian prairies comes under the second category. Nearly all of the southern part of the central parts of these provinces are open prairie, ready for the plow. Except near the rivers and creeks one could motor miles and miles without seeing a tree. But a wonderful transformation is slowly taking place. If nature has left these fertile prairies practically treeless, she has not left them devoid of the elements necessary to tree growth. Trees will grow there if properly planted and cared for, just as wheat and other grains, just as alfalfa and other fodders, just as potatoes and all manner of roots and vegetables grow - wonderfully well. And they are being grown more and more extensively every year, beautifying many a farm home, and transforming the prairie landscape. In this beautifying process, farmers are greatly encouraged by the Canadian Government and the Canadian Pacific Railway. Both are taking a keen interest in the planting of trees on the prairie farms, and encourage farmers to improve their home surroundings by distributing trees free of cost to farmers. Each maintains large nurseries where trees are grown for this purpose under prairie conditions, the government at Indian Head, Saskatchewan, and the Canadian Pacific Railway at Wainwright, Saskatchewan. Up to a few years ago both nurseries were typically open prairie. Now trees are being raised from seed on the government's farm at Indian Head, Saskatchewan, which comprises 480 acres. In sufficient quantities as to permit a distribution of between six and eight million young plants to see that they are given proper attention in the matter of cultivation.

Jack Flynn, who managed the New London team and won a pennant with it, thinks he can revive baseball there, in spite of the refusal of business men to back the club, and he has announced that he will make a canvass for supporters to save the franchise in the Eastern League.

Jose Rodriguez, the Cuban infielder, who was all but landed by the Toronto Club last season, has signed with Rochester. Rodriguez was practically "sold" to the Leafs when the Giants played an exhibition game here, but though the terms offered were satisfactory and the deal was ratified by Manager McGraw, the player refused to make the jump.

PRETTY NOON WEDDING AT MERRITTON

St. James' Church, Merritton, was the scene of a pretty wedding at high noon to-day when Miss Florence Maud Criggs, of Montreal, Quebec, was united in the holy bonds of matrimony to Sergeant Clarence Milroy Hodges, of Birdsall, N. Y., formerly of Welland. Rev. H. L. A. Almon, rector of the church, officiated. The young couple were attended by Mr. and Mrs. W. R. Savings, the latter being the sister of the bride. As the bridal procession entered the church Miss Nettie Eymon, of Thorold, organist of the church, played very softly the wedding march from "Lohengrin," and while they were leaving played the wedding music from "Men delsohn." The bride looked very becoming in a wedding gown of Charmeuse satin, with hat to match, and carried bridal roses, while her attendant wore a very pretty dress of pink georgette with hat to match, and also carried bridal roses. The service over the bridal party, accompanied by their near relatives and friends, drove to the home of Mr. and Mrs. Savings, where a dainty dinner was served, the table looking very pretty with decorations of roses. The house was artistically decorated with flags and bunting in harmony with the home-coming of the bridegroom. The groom's gift to the bride was a substantial check, to the bride a small platinum pin, the organist a pearl pin, the best man receiving a pearl scarf pin.

The happy couple left on the Grand Trunk train for Birdsall, N. Y., where they will spend a month honeymooning at the groom's home, after which they will make their permanent home in Hamilton.

BOWER OF BEAUTY

Of all the claims made for the Marcus Musical Comedy company which comes with Mike Sacks in the new extravaganza "Oh Baby", on Thursday, April 3, at the Grand Opera House most stress is laid on the talent and beauty of the feminine contingent. Of the big company of nearly half a hundred, fully eighty-five per cent. are members of the fair sex. There are a double dozen ensembles in the chorus alone. It is this peach-chorus that is one of the principal reasons for the being of the great revue organization. Time, care and money have all been lavished in making the galaxy of loveliness beyond compare. The young women are employed the season round with a two weeks' vacation on full salary and in addition are provided a course of voice training and dancing.

HEART FLUTTERING EASILY CORRECTED

GOOD ADVICE TO FOLKS BOTH-ERED WITH PALPITATION, WEAKNESS, ETC.

If your heart flutters, be careful. An attack is liable to come on at any time. Excitement, over-exertion or emotion may cause it.

If blood rushes to the head, if palpitation and short breath are noticeable, there's a cause for alarm.

If you want a good honest remedy try Ferrozone because we know it's just right for heart trouble. It cured A. F. Beattie, who lives at Allen Hotel, Bay City, Mich. See if your symptoms resemble these:

Some Symptoms of Weak Heart
 Nervousness, Palpitation, Trembling, Dizziness, Sinking Feeling, Heart Pant, Short Breath, Weakness.

Mr. Beattie says:
 "I was weak and miserable. I was subject to heart palpitation and dizziness.
 "As I grew worse I began to have trembling and sinking sensations.
 "Ferrozone strengthened my heart, gave vigor to my nerves, soon made me well. It's a great builder."
 By strengthening the muscles of the heart, giving proper circulation and causing a general rebuilding of the whole system, Ferrozone is bound to do grand work in heart trouble; try it, 50c per box, or six for \$2.50, at all dealers, or direct by mail from The Cattarhozone Co., Kingston, Ont.

AT GRIFFIN'S OPERA HOUSE

"Under the Top", featuring Fred Stone which will be seen at Griffin's Thursday, is a circus story, and is said to be taken from Fred Stone's early experience when as a youngster, he longed for the life "Under the Big Tops"

He plays the part of a country guy who falls in love with a circus man's daughter and so gets mixed up with the goings on in the sawdust ring, and before you know it he is showing you a bunch of tricks that make the performers themselves gape like a bunch of Hayseeds. Some of the biggest circus scenes that ever came down the line are in "Under the Top". Nothing short of the Big Tent could stage all Fred Stone's acrobatic miracles. It's a real circus. See it.

The added feature is also a very strong one, featuring Peggy Hyland in "Bonny Annie Laurie". This play involves the love of an American Lieutenant and a Scotch Captain for a girl of Scotland who meets them again, and makes her final choice, in a war hospital at the front.

Many stirring scenes of No Man's Land are shown. The Griffin British News and a Mack Sennett Comedy entitled "Cupid's Day Off", complete a very strong programme. Mr. Fletcher the manager, has also arranged to have Mr. Art Chater, the popular vocalist appear at every evening performance, making a complete change of songs every Monday and Thursday. Judging from the applause last evening this feature will no doubt be well liked by the Griffin patrons.

OFFERED 50 CENTS, BUT STRIKE

Hamilton, Ont., April 2.—Over two hundred union painters and decorators went on strike here to-day. The men originally asked for an increase from 45 to 60 cents an hour, but finally compromised on 55 cents. This demand was refused by the employers, who offered 50 cents an hour.
