Revolt Looms
Warning Given to Italy's King

Big Demonstration in Favor of War to Be Held Sunday.

MONARCHY MENACED
Germans, in Anticipation of Outbreak, Are Hastening From Italy.

ROME, April 9, 10.55 p.m., via Paris.
—Political parties favorable to Italy's immediate intervention in the war, comprising Democrats, Radicals, Reformists, Socialists and Nationalists, have arranged a great meeting, to be held Sunday throughout Italy in an endeavor to bring about the participation of the country in the conflict.
The Courriere d'Italia commenting today on the event, says that it has assumed the character of a warning to the monarchy since the National League, which arranged the meeting, adopted a resolution containing this sentence:
"It, after a long waiting, there are disillusion, no matter of what nature, a profound political upheaval is inevitable."
Prof. Mussolini, a Socialist leader, explains this section of the resolution thus:
"In other words, if the monarchy is unable to make a national war the monarchy will cease to exist in Italy, as a profound political upheaval means a change of regime."
Dealing with the recent Austro-Italian negotiations, The Messenger says today:
"The negotiations show that Austria, notwithstanding the pressure of Germany, refused to take into serious consideration the just wishes of Italy. Therefore the negotiations are destined to be interrupted the moment one side or the other believes that further delay would serve the enemy better than herself."
Germans Leave Italy.
Despatches from Switzerland have heightened the excitement here. A Geneva report via Paris today, says: "The German Government today, by withdrawing experts from German stations all empty Italian freight cars bound homeward."
Passenger trains arriving in Switzerland.

Speaker Landry on Strike
August Senate in Flutter
Question of Jurisdiction Has Created Situation Without Parallel at Ottawa—Senator Lougheed Opposes Government Appointee—Physical Force Suggested.

By a Staff Reporter.
OTTAWA, Ont., April 9.—A situation has arisen on Parliament Hill, unprecedented in Canadian parliamentary annals. The speaker of the senate has gone on strike. Yesterday the committee on internal economy in the red chamber brought in a report, and Speaker Landry moved its adoption. Speaker Landry ruled the motion out of order on the ground that all changes in connection with the internal economy of the upper house must be initiated by the speaker. Senator Power appealed from the ruling and the appeal was upheld. Senator Lougheed, the government leader, voting against the speaker. Speaker Landry is of course an appointee of the government, and the situation was thus created of the government leader opposing the government's own appointee. This happened in the morning. When the senate met in the afternoon Speaker Landry was absent, and on motion of the government leader, Senator Bolduc was elected temporary presiding officer.
Last night there were rumors in the corridors that Speaker Landry had gone on strike, refusing to act until

Revolutions Are Threatened in Both Hungary and Italy

RUSSIANS HOLD CARPATHIAN FRONT OF SEVENTY-THREE MILES

Quiet in Dardanelles
LONDON, April 9.—(2.02 a.m.)
—The allied fleet bombarded the forts in the Dardanelles all day Sunday and during part of Wednesday, but on Thursday everything was quiet in the straits, according to The Daily Telegraph Military correspondent.

Canada Next!
Banks in the United States are bulging out with money, the savings of the people since the panic of 1907. During the last eight years the Americans have curbed their expenditures and business has relaxed. Some claim that the railroads and other public utility companies have been held back in their extensions because of legislation and threatened legislation. The States have enjoyed good crops for several years, and high prices, due to the war, have brought a lot of new money into the country. Steel and other companies are filling large orders for the allies and there is a general revival in all kinds of business. Wall street financiers are wise to these events, and the boom, which has started in the New York stock market, is an evidence of this. All of which has a direct bearing on Canada. A big revival in business in the republic will help business in Canada, and money can be had there for Canadian enterprises. The crop season in the west has started out well and we should soon feel the impetus of American optimism.

OCCUPANT OF TAXI WAS FOUND DEAD
Charles McCurry Died While on Way to His Home.

When Patrol Sergeant Johnston looked inside of a taxicab early this morning to speak to Charles McCurry, 38 years, 108 Waddell avenue, who the taxi driver said was intoxicated, he found McCurry dead.
The dead man, who was brewer worker, employed by the Cooper Brewing Company, East ing street, attended a meeting in the Labor Temple last night, and about midnight called a taxi, the driver of which was a friend and told him to take him to his home. He gave his address as 109 Waddell avenue. When the driver got to that address it was found that his fare did not live there. Going to the corner of De Grassi street and First avenue the driver met the patrol sergeant.
Chief Coroner Arthur Jukes Johnston was notified and ordered the body to be removed to McCurry's home. His address was discovered by papers in his pockets.

RUSSIANS MOVE ON WIDE FRONT IN CARPATHIANS
Capture Whole of Principal Chain From Reghetov to Volosate.

TO ENTER NEW PHASE
Czar's Armies Spread Out on Stretch of Seventy-Three Miles.

Special Cable to The Toronto World.
PETROGRAD, April 9.—With the capture of the whole of the principal chain of the Carpathian mountains for a length of 73 miles, with the exception of a hill south of Voliamokova, announced tonight, the Russian campaign in this area is about to enter on a new phase. The Russian front now extends from Reghetov to Volosate. This is a gain of about twenty miles in a few days. In order to delay the Russian advance Austria and German forces delivered a number of counter-attacks, but these were repulsed and the Russians were able to occupy more territory. They took 1200 prisoners in one day.
Actions of secondary importance have taken place on the front west of the Niemen River. The rest of the operations were marked by no important events, the war office said in a communique tonight.

MORE TALK OF PEACE.
LONDON, April 9.—The Russian success in the Carpathian mountains, where the Muscovites now control virtually all the important passes and are preparing for a moment of the southern slopes upon the plains of Hungary, have revived unofficial talk of separate peace for Austria-Hungary and seemingly increasing activity on the part of the interventionists in Italy for their country to take up arms on the side of the allies and secure the territory of Hungary have failed to get in the negotiations thus Germany with Austria.
The Russian newspapers seem convinced that Hungary, if not the whole of the dual monarchy, is ready to seek peace, and it is said that Emperor Francis Joseph has requested Pope Benedict to intervene in its behalf. Except in Italy, the neutral country, most directly interested in this question, little credence is given this report, although the opinion is expressed in military circles here that if Russia succeeds in overcoming the joint resistance of the Austro-German troops in the Carpathians, as she apparently has, that of the Austro-Hungarian armies Hungary at least will be ready to bring the war to an end as far as she is concerned.

Mountains Well Fortified.
However, the Russians have some way to go as yet before they reach the plains of Hungary. The Austro-German forces are placing every obstacle in their way. The whole southern slopes of the mountains have been strongly fortified. Russian troops are being poured into the region in dispute. It is said there are now twenty-four Austrian and six German army corps facing the Russians and that more are on the way. On the other hand the Russians are still bringing up reserves, and, according to the Austrian report of tonight, the Russian army is still in the process of concentrating without any regard for the loss of human life.
Admiral for Russians.
The British military critics express the greatest admiration for the manner in which the Russians have handled the Carpathian campaign. Their advance between Pottanka and Barzfeld, they say, squeezed the Austrians out of the Dukla Pass, that from Dukla squeezed them out of Mesadobor, and from west to east the process has continued until all the passes are in the hands of the Russian emperor's troops. The critics contend that the Austro-Germans must now return from East Galicia and Bukovina, or they will find themselves cut off.

Men This is "The Day"—the Hat Day
—The Great Hat Day.
At least it is sure to be at Dineen's—140 Yonge Street—where hat values and styles are alike impressive.
The real spring weather during the week has put the question of a new hat into many a woman's head and it is anticipated that this will be a sort of climax to the good business of the last few days. Extra salesmen await the women and the store is open till 10.
Never has there been shown under one roof in Toronto such a magnificent assemblage of new hat styles.

German Reserves Called To Overawe Hungarians
Civil War Threatened Behind Armies Now Facing Russians May Force Von Hindenburg to Re-adjust Whole Plan of Campaign.

BY FREDERICK RENNET.
Special Cable to The Toronto World.
PETROGRAD, April 9.—Already there are remarkable signs that the more serious purpose of the large German reinforcements now answering the summons of the Hungarian Government is to overawe the rural population, which was beginning to threaten revolt.
Should the Hungarian crisis burst into a civil war behind the armies now facing the Russians, it is certain Von Hindenburg will immediately abandon his lines facing Narew from the north and bring the main German army into western Poland, sending Mackensen's forces south again to try to get below the Russian position in Hungary. The Germans in the north have only one officer for about 400 men.

BRITAIN HONORS DARING CAPTAIN
Green Made Gallant But Vain Effort to Escape Submarine.

CROSS IS AWARDED
Merchantmen Encouraged to Resist or Dodge German Raiders.

LONDON, April 9, 4.17 p.m.—The government's intention to encourage merchantmen to resist or dodge submarine attacks is emphasized by an official announcement today that Capt. John Richard Green, of the steamer *Vogues*, which was sunk off the Cornish coast on March 27, by the shell-firing of a German submarine, has been granted a commission as lieutenant in the royal naval reserve, and awarded the distinguished service cross.
The other officers of the steamer have been given gold watches and each member of the crew has received three pounds (\$15).

Under Fire Two Hours.
The *Vogues* was under fire for more than two hours before she was sunk. Her chief engineer being killed and two other officers and two members of the crew as well as a woman passenger being wounded. By skilful handling of his ship Capt. Green prevented the torpedoing of the steamer and the submarine opened fire on the ship with her guns. The steamer was getting away from the submarine when a shell hit her funnel and her speed was reduced. As the *Vogues* was making water the captain ordered his passengers and crew into the boats. Capt. Green stated later that the submarine kept up its fire, riddling the boat, and did not disappear until a patrol vessel came off to seek her. Soon afterwards the *Vogues* sank.

UPHOLD CAUSE OF ITALY'S NEUTRALITY
London, Paris and Petrograd Alleged to Be at Fault.

ROME, April 9, via Paris, 9.30 p.m.—That section of the Italian press favorable to making terms with Austria for the preservation of Italian neutrality lays stress on the statement that there has been a lack of negotiations on the part of London, Paris and Petrograd with a view of giving Italy concessions to which, according to this section, she is entitled by the service rendered the allies thus far not joining the central empires.
Officials say that such negotiations were not initiated by the Italian government because it was desirous that Italy should not be accused of having waited for an opportune moment to take advantage of her allies. They assert history must recognize that Italy did all possible to avoid war, which will be justified only when it is proved that it is inevitable.

GERMAN NOTE OF COMPLAINT TO U.S.
Alleges Nothing Done to Secure Foodstuffs for Civilian Population.

INFLUENCED BY ALLIES
Urges Upon the Government to Observe Spirit of Neutrality.

WASHINGTON, April 9.—Germany has sent to the U. S. Government a note complaining that the latter has accomplished nothing in its diplomatic correspondence with the allies to obtain for American exporters the right to ship foodstuffs to the civilian population of a belligerent country. The communication intimates also that the U. S. has virtually acquiesced in the British order in council prohibiting commerce with Germany.
The note calls attention to the fact that the allies are obtaining large shipments of arms and ammunition from the U. S. and declares that the American Government while insisting on its legal right to ship arms to belligerents does not pursue its right to ship foodstuffs and non-contraband articles to the civilian population of Germany. It is urged that irrespective of the formal aspects of the question of shipping arms to belligerents, the spirit of neutrality should be observed.
Officials of the state department have begun the preparation of a reply which will be delivered shortly to Count Von Bernstorff, the German ambassador here.

MONTREAL HERALD IS SUED BY MAIL
Articles on Carslake Hotel Site Purchase Deemed Libelous.

MONTREAL, April 9.—An action for alleged criminal libel was begun this afternoon by President M. E. Nichols of The Montreal Daily Mail Publishing Company, against The Herald Publishing Company, and summonses were obtained for C. Gordon-Smith, managing editor of The Herald, and Arthur Leithard, secretary-treasurer, to come before the court to answer a charge of criminal libel. In addition a search warrant was issued to enable the complainant to search the offices of The Herald Company, in order to obtain possession of the original manuscripts of the articles of which complaint is made.
Articles appeared in The Herald on April 8 and 9, entitled "Conspiracy," and dealing with the purchase of the Carslake Hotel property, Montreal, by the Dominion Government, and impugning the Daily Mail, President Nichols, Vice-President and Editor B. A. Macdonald and Directors H. A. Dorsey and Louis Henry Timmins of The Daily Mail Publishing Company, in an alleged scheme to make a big haul out of the government in connection therewith.

PRINCE BRINGS DESPATCHES
LONDON, April 10.—(2.45 a.m.)—The Prince of Wales arrived in London yesterday from the front, bearing despatches from Field Marshal Sir John French to Lord Kitchener.

AUSTRIANS MET WITH BIG CHECK FROM RUSSIANS

NO REST FOR WEARY
Defenders of Carpathian Positions Worn Out by Ceaseless Fighting.

Special Cable to The Toronto World.
BUDAPEST, April 9.—An officer who has just returned from the Carpathians and taken part in the operations there for the last three months has given the following detailed account of the desperate fighting that has been going on in the mountains:
"As I have been off color for the last fortnight, I was ordered to act as escort commander of a train of wounded and sick, many of whom had frozen feet. Our last fortnight in the Carpathians was spent in fighting continuous, frightfully fierce battles all along the line and the thunder of the guns never ceased during the day for a moment. The Russians are determined to get through this line and their waste ammunition and men on their part in incessant attacks. This points to the fact that they can afford to waste them. My brigade was holding a position at a point which we had time to fortify since the beginning of January.
"I took us two weeks to get our guns into the position that we dragged them to a fortnight ago, for they had to be drawn up a mountain slope 1000 metres high, and yet we had time no more. When news of the fall of the line reached us, we were ordered to drag our guns up the slope. We dragged them to a fortnight ago, for they had to be drawn up a mountain slope 1000 metres high, and yet we had time no more. When news of the fall of the line reached us, we were ordered to drag our guns up the slope.

EPARGES TAKEN FROM GERMANS IN HARD BATTLE
Main Objective of French Offensive in Woivre District Gained.

COMMAND ALL PLAIN
Brilliant Work of Armies in Verdun Region Secures Big Triumph.

Special Cable to The Toronto World.
PARIS, April 9.—The French armies in the Woivre district won a brilliant success in driving the Germans out of Eparges this afternoon and they now dominate the Plain of Woivre. The enemy made an obstinate defense of this position for several days. About 1600 yards of trenches at this point were captured by the attacking forces yesterday in afternoon and night engagements, and when the day dawned this morning the enemy was seen to be holding only two remaining isolated positions on the plateau. These were attacked in a brilliant manner by French infantry, supported by artillery this afternoon and carried in a rush. One hundred and fifty Germans, who survived, were taken. "We have thus attained one of the principal objectives of our operations of the last few days," says the French official communique tonight.

Fierce Forest Fighting.
Fierce fighting is reported from the Ailly forest, a short distance to the north of Eparges, the French troops repelling three strong German attacks on a front of a quarter of a mile, and retaining the ground gained, about one-eighth of a mile. Fifteen attacks were made by the Germans to regain the trenches taken from them in Montmarre forest and these were repulsed without the loss of a foot of territory. The slaughter of Germans was enormous, heaps of their bodies being left lying on the ground.
Germans Cross Year.
Near Dreux, yesterday, the Germans succeeded in occupying part of a trench on the left bank of the Yser.
(Continued on Page 3, Column 1.)

PLUCKY FIGHT OF TWO GIRLS
SAVED \$800.00 OF PAY CASH FROM THREE UNKNOWN MEN

Alice Robertson and May Hilstrop Attacked While Distributing \$2300 in Envelopes for Employees of Sterling Action and Key Company—Robbers Got Away With \$1500.

Three unknown men walked into the office of the Sterling Action and Key Company, 18 Noble street, at 4.15 yesterday afternoon, when two girls were distributing \$2300 in cash among the employees' pay envelopes, and while two of the men held up the girls, the shipper and a commercial traveler at the points of four revolvers, the third scooped \$1500 of the cash into a black suitcase. Still keeping every person covered, the three men backed out of the office and made a clean get-away.
When the men first gave the order: "Hands up," the girls refused to obey, and for five minutes fought the men around the room. Their plucky fight saved the firm \$800 in cash, for in the preliminary struggle one of the three boxes containing the envelopes fell bottom upwards on the floor and the envelopes remained inside the box. In their hurry to get away the men passed up the \$800 in cash lying at their feet.
Plucky Girls' Work.
The girls, to whom all honor is due in the occurrence, are Miss Alice Robertson, head bookkeeper, 1309 West King street, and Miss May Hilstrop, 63 Macdonell avenue. Miss Robertson broke away from the buffet of the three men, and unawed by the 45 revolver pointed at her, ran out of the office door to a telephone across the street. One of the men fired one shot at her as she went out the front door, but it went wide. Miss Robertson was telephoning No. 5 police station before the robbers were out of the office. Miss Hilstrop also jumped on one of the men as soon as they produced re-

(Continued on Page 7, Column 1.)

**HAMILTON PARADE
LIKE A FAREWELL**

Big Things Planned for Visiting Soldiers Who Go Today.

MAPS WITH DETAIL

Belgium and Northern France Will Be the More Familiar Now.

Special arrangements have been made for the conveying of about 500 men of the 19th Battalion to Hamilton today. The men are to be the guests of the city and it is expected that they will be given a big reception by the citizens when they make their parade thru the principal streets. Many of the people are looking on this as a farewell parade and will use the occasion in order to give the boys a good send-off.

They will leave Toronto by the "Macassa" at 9 o'clock and will be under the command of Lt.-Col. McLaren. Arrangements may also be made for the No. 3 Field Ambulance Corps to go to Hamilton. They however, will not go by boat but may leave by a train which will get them to their destination in time to take part in the parade.

Received Some Maps.

Lieut. W. Ford Howland yesterday received a number of new maps of Belgium and Northern France. The maps are issued by the British war office and give a great deal of detail of the difficulties surrounding the country in which the men are fighting today.

The health of the men at the Exhibition camp is reported as being splendid, the number of hospital patients being reduced every day.

Signal Instructions.

Instructions in signalling were given at Long Branch yesterday afternoon by Capt. Dunn. Capt. W. Mayall took six motor trucks from the Exhibition Park and instructed the men in the art of conveying messages from one moving car to another.

Mrs. Charles H. Alken, who has been visiting the camp, returned to the city this morning and stated that she visited the No. 2 Canadian Stationary Hospital at Le Touquet, France, which is under the charge of Major Bell. Mrs. Alken stated that the wounded were all pleased to be at that hospital and that there were 30 Germans in the place, who seemed very much exhausted with the war. One told her that they had had quite enough of it.

**FEDERAL REVENUE
STILL DECLINING**

March Decrease, However, Only Forty-Seven Thousand Dollars.

FISCAL YEAR ENDED

Decline Was Twenty-Eight Millions, Chiefly in Customs Receipts.

By a Staff Reporter.

OTTAWA, April 9.—The monthly statement of the finance department shows a revenue of \$11,641,000 in March, a decrease of \$47,000, as compared with March, 1914.

The revenue for the whole fiscal year was \$132,000,000, a drop of \$28,000,000, due to the war and the business depression.

The customs receipts for March were \$7,055,000, a decrease of \$702,000, while the receipts for the year were \$71,000,000, a decrease of \$7,000,000.

The excise receipts for March were \$1,566,000, or \$87,000 less than a year ago, and the receipts for the year were \$21,367,000, a decrease of \$700,000.

The postal revenue for last month was \$2,820,000, an increase of \$28,000, but the revenue for the year was \$21,589,000, an increase of \$211,000.

The total net debt of the Dominion is now \$408,122,214, an increase of \$4,250,508 during March.

The liabilities include \$17,023,427 of temporary loans, and \$23,269,946 of miscellaneous and banking accounts.

The expenditure for the month was \$1,732,000, a decrease of \$1,260,000, while the total for the year was forty millions, a decrease of \$12,000,000.

**TO SATISFY BRITAIN
ON GERMAN GOODS**

United States Importers Must Give Proof of Purchases Made Before March.

WASHINGTON, April 9.—American merchants and importers have been invited by the state department, in circular letter made public tonight, to send in for submission to the British embassy proofs that goods purchased in Germany and now in transit or awaiting shipment were paid for before March 1.

Assurances have been given by the British embassy that on production of such proof goods will not be interfered with by the allied warships.

Robert F. Rose and William B. Flemming, foreign trade advisers of the department, are handling this business. They are acting unofficially since they cannot commit the government to any recognition of the legality of the British blockade order in council, but their informal co-operation has been accepted by the embassy officials.

It is understood that vast quantities of merchandise, including the dyestuffs for lack of which American textile factories are on the verge of shutting down, will be released for shipment as soon as the proofs of their purchases before March 1 are submitted.

York County and Suburbs of Toronto**SAYS TAX RATE IS
HIGH BUT HONEST**

Controller Thompson Lays Heavy Burden on Former Councils.

RATEPAYERS' MEETING

Cost of Connections to New Trunk Sewers Cause of Dissatisfaction.

There was a slim attendance at last night's meeting of Ward Seven Ratepayers' Association in the Annetts street school, but an interesting discussion on civic problems peculiar to West Toronto was carried on by those present. Controller Joseph Thompson, who was the speaker of the evening, said that he was sorry to announce that this year's tax rate was indeed a heavy one. "The general rate will be 22.85 mills," said the controller, "and added to this is the war tax levied by the province, one mill, and I cannot promise you that there will be any appreciable decrease in the total rate of nearly 24 mills on the dollar."

"There are two ways of cutting down the taxes—One is for the council to cut down the rate regardless of the result at the end of the year. And this has been the policy up to the present year—the cutting down the efficiency merely to lower the tax rate."

He went on to say that the amount of the building permits or to bank on something more which may come next year, and desiring ourselves as to the outcome. This year we are going to have an honest tax rate, it may appal you, but we want you to know what the end of the year comes that you owe nothing. You are paying this year 3 mills on the dollar for what should have been paid for last year. The council of previous years have not gone on the principle 'pay as you go.'"

Controller Thompson went on to say that improvements have been started this year in ward seven. He assured the west end citizens that no permanent school structure will be placed in High Park. The permanent school on Bloor street will be started within the next two weeks and sum-

ultaneously a permanent pavement will be constructed. The sewerage system will be complete before the end of the year, and these streets will be paved.

The new by-law calling for the installation of sewer connections to be paid for by the property owners was brought up by some of the ratepayers, who claimed it was most unfair to those whose property is on the streets where deep sewers run.

Heavy Extra Charge.

Ald. West expressed prices for such connections ranging from \$10.02 to \$100.02. "Where deep trunk sewers are laid on streets the property owners have to pay for the work of digging down from 20 to 50 feet below the street level, whereas connections on streets having ordinary sewers cost comparatively little," explained the alderman. "I moved that if the sewers are more than 12 feet below the street level, all extra work should be paid by the city, but Commissioner Harris reported against it, claiming that such connections are to benefit the citizens and should be paid for by them and not from the general fund."

Mr. West's motion was lost by one vote but he felt it unfair and will bring it up later.

Vertical Pipe.

Acting secretary Mott explained how it was not necessary to dig down to the sewer at the depth mentioned. A vertical pipe could be run from the street to the sewer and trunk and connection made with it.

"We will not have any more trunk sewers in West Toronto," remarked the alderman. "Hence, 'but we might protest against the by-law on the benefit of those on the north side where, I understand, three miles more of deep sewers are to be constructed.' This was left for the executive to deal with."

Methers and Teachers.

The Mothers and Teachers' Association of the Annetts street school will hold a special meeting in the kindergarten room on Monday evening, April 12th, at 8 o'clock. Miss L. Smith of the Toronto Reference Library will speak on "How to direct a child's reading."

The silver medal elocution contest, held last night in St. John's Church Sunday School, Mr. Gordon Agnew of the High Park avenue was the successful young man. He recited a temperance selection called "The Judge." The judges were Miss E. M. Moffat and S. Pearson. The president of the church was presented to the winner by Mrs. Annie J. Gray, provincial superintendent. An excellent musical program was interspersed between the elocution numbers.

The children of St. John's Sunday School were given last night, an entertainment in the parish house. The program included a Punch and Judy show and other riliquial sketches.

**DISPUTE REGARDING
BABY POINT SCHOOL**

Friction between the ratepayers and the trustees of school section No. 22 of York Township caused the adjournment of Thursday's meeting in Baby Point Methodist Church.

The plans of S. B. Coon for the erection of a permanent five-roomed school at Baby Point, Toronto have been selected by the trustees and it is said, approved by Inspector A. L. Campbell, whereas the ratepayers expressed a decided objection to the employment of one of the local men, Wright and Smith. A motion to amend the by-laws was lost, as an amendment that the trustees be left over till a future meeting.

Mr. Sims, who acted as chairman, took a strong stand against the recommendation of the trustees, and an effort will be made to have a meeting between the trustees and a committee of the ratepayers, that some agreement may be reached.

**DECIDE TO OPPOSE
LAMBTON LICENSE**

Neighborhood Workers Appear Committee to Wait on Board.

**TO REDUCE GRADE
OF GALLOW'S HILL**

Deputation Assured That Work Will Be Done This Year.

A committee was appointed at the meeting of the West York Neighborhood Workers' Association, held on Thursday night in the Runnymede Library, to attend the meeting of the West York Board of License Commissioners at the Lambton Mills Inn on Saturday April 17, at 2 p.m., for the purpose of opposing the application for a shop license at the corner of St. John's road and Drurie street, Runnymede.

A resolution opposing the granting of any licenses at Lambton was adopted, on the ground that such licenses constituted a menace to the moral welfare of the community, and the committee will also bring up this matter.

Rev. Gilbert Agar, the president, reported that a gratifying response had been made to the efforts of the association in bringing the farmers and the unemployed into town.

Men Found Work.

Altho all the cards from the four counties of Halton, York, Peel and Ontario had not been returned, many farmers had signified their willingness to give employment. The requirements were more especially for young men, some partly experienced, but many required mechanics who would be able to work partly at their trades and partly at learning farming. Not many, however, asked for married men, and few for fully experienced men, and the card was being obtained more in the country than in the city or suburbs. Mr. Agar has succeeded in placing several young men, some of them English and Scotch, who have been a year or two in this country, and as the cards of enquiry come in, the good work will be continued.

**OLD HOTEL IS NOW
METHODIST CHURCH**

Of the many landmarks of Toronto fast disappearing, one is the old Park Hotel, Yonge street, for many years a well-known hostelry, used by farmers and clerics coming from the north to Toronto, but which for some time has been closed.

The church extension committee of the Methodist Church has taken over a part of this building, and having decorated and furnished it, look forward to a growing work in the city. The opening services were held last Sunday, with Sunday school in the afternoon and preaching service at night. Rev. H. M. Manning has been appointed pastor.

NEW TORONTO

A special meeting of the New Toronto Council will be held on Monday evening, April 12, in the public school to deal with the contracts for the water supply system.

Following the recent open meeting of the council, the water supply system, which Rev. C. Coxhead has been working on, a saving of some \$30,000 would result were the water obtained from the new system instead of by separate installation, clerk A. Telfer was instructed by the council to ask for a conference between the council and the water company, and a date for the conference will be fixed at the meeting on Monday next.

Patriotic Concert.

The patriotic concert held in the New Toronto public school under the auspices of the Independent Order of Foresters realized the gratifying sum of \$85, which has now been handed over to Mr. M. Godfrey for the relief fund of the Union Jack chapter of the I.O.F.E.

BALMY BEACH

Two meetings will be held tonight in the Masonic Hall, Balsam avenue, at 8 o'clock the Balmy Beach Council will hold their regular meeting and this old school will be given hurriedly to allow the meeting of the East York Federal Conservative Association to commence at 8.15. Several matters of importance to the district will be discussed at the latter.

YORK MILLS

The Divisional Cycle Corps of the second Canadian contingent, under the command of Lieut.-Colonel Denison, are holding a church parade tomorrow, April 11, to St. John's Church, York Mills. Service at 11 a.m.

**This School Girl Had
Bad Fainting Spells**

Was Weak and Run Down, But Dr. Chase's Nerve Food Made Complete Cure.

The most critical time in a girl's life comes during the school age, when she is impelled by rivalry to put forth her best efforts in studying for examinations. At the time she should have healthful outdoor exercise and abundance of fresh air, she is confined by her studies, and any wonder that she becomes run down in health and suffers from headaches, indigestion, loss of appetite and spells of weakness or fainting?

The case described in this letter is a good illustration, and you can read the splendid results of using Dr. Chase's Nerve Food to help through this critical period.

Mrs. H. Houston, Highland Grove, Ont., writes:

"While attending school my daughter became weak and very much run down. She was frequently troubled with bad fainting spells, and nothing we tried seemed to do her any good. We were advised to try Dr. Chase's

Nerve Food, and did so with most satisfactory results. I am pleased to tell you that after using five boxes of the Nerve Food she was completely cured, and has no return of the fainting spells."

This statement is certified to by Mr. Hamilton Houston, Justice of the Peace.

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary blood-forming influence. By creating an abundance of rich, red blood it revitalizes the exhausted nerves and builds up the system in every way.

The appetite is restored, digestion improves, you rest and sleep well, and every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children whose systems have become weak and run down. 50 cents a box, 6 for \$2.50, all dealers or Edmondson, Bates & Co., Limited, Toronto.

FAIR WAGE QUESTION

North Toronto Ratepayers Will Investigate Complaints Tonight.

The promise made by Commissioner Harris yesterday to the members of the North Toronto and Centennial Ratepayers' Association, that the grade of Yonge street north of the C.P.R. tracks would be reduced before the end of the year has given general satisfaction. The matter has been before the board of control on several occasions, and delay was urged in view of the reversion of the street south of Parnham avenue to the city in June.

Commissioner Harris stated yesterday that the grade would be lowered and the surface metal dressing will later be replaced. The street will not be paved until double-tracking is completed.

The North Toronto Ratepayers' Association will tonight further discuss the rate of wages paid on the North Toronto school buildings, together with "transportation."

Old Resident Dead.

In the death of James Brown, a lifelong resident of North Toronto, which took place at his late home on Glencairn avenue on Thursday night, there passes a pioneer in the present North Toronto. Mr. Brown, who was 70 years of age, was for a long time in the employ of the old town of North Toronto, for 26 years a courier constable and for 30 years up to the time of his death, caretaker of the Eglington Methodist Church. Deceased leaves a widow, three sons and a daughter, the latter, Mrs. Ashwood, of Dundas street. The late Mr. Brown was a Conservative and a member of the Methodist Church. The funeral takes place on Saturday afternoon at Mount Pleasant Cemetery.

**HOLY NAME CHURCH
BUILDING CAMPAIGN**

A hundred ladies of the Church of the Holy Name, Danforth avenue, have undertaken to raise \$15,000 for the construction of a new presbytery, which is to be commenced on Monday. The building will be located immediately north of the proposed site for Holy Name Church, which is at the corner of Danforth and Moscow avenues.

Father A. O'Leary, D.D., of Collingwood, will formally assume the pastoral duties of St. Joseph's Church, Leslie street, tomorrow, when he will address his new congregation at all the residences of the new presbytery on Leslie street yesterday.

WOODBRIDGE

Probate is asked in the \$14,288 estate of Edmund Button, a Woodbridge farmer, who died March 26. By his will, \$10,000 is to be paid to a cousin, Mary Priscilla Harper Bowman, one year after the death of the widow. The residue of the estate is to become the property of his widow, Frances Jane Button.

The estate comprises: Mortgages, \$12,257; cash on hand, \$1,000; horses and farming implements, \$150; and household goods, \$100.

SWANSEA

As street fighting is now an accomplished fact in Swansea, the ratepayers' association at its meeting in Swansea, last night, elected a committee to ask the Ontario Hydro Commission for the schedule of rates which would be paid for house lighting in the district.

It was announced that mail delivery would probably be obtained within a few days.

A very instructive address on "Backyard Gardens" was delivered by Prof. H. L. Hutt.

THISTLETOWN

Mrs. Lewis and the daughters of the late Robert Atkinson, Thistletown, wish to convey their appreciation of the kindness and sympathy of their many friends in their recent sad bereavement.

EARLSCOURT

A concert under the auspices of the North Earlscourt and Fairbank Ratepayers' Association, will be held in the club house, 1414 Fairbank avenue, in aid of the funds of the organization. The following contributed to the program: G. Dawson, F. Burgess, F. Godfrey, F. Chaplin, A. Kelly, Miss D. Smallridge, J. Lee, Miss Thompson, R. Hardacre, F. G. Rice, W. Miller, F. B. Lovell, W. Small, Miss A. Bendon, A. Harvey, W. Clay, Miss A. Walker, Master R. Egan and Miss K. Wines.

H. Swabey acted as musical director, and G. Dawson, pianist. School Trustees Duncan Hood presided.

Under the auspices of the Earlscourt Civic Rifle Association a grand Ethiopian performance took place in the Earlscourt hall last evening. The North Earlscourt Minstrel Troupe rendered the following program: Duet, Mr. and Mrs. Funnimore; comic song, Mr. Funnimore; laughing song, C. Cook; songs and clog dance, H. Hilbert; ballad, H. Baulch. A special feature was the sketch, "The Black Judge," by the following artists: R. Fetherick, H. Fetherick, C. Cook, T. Searl, W. Searl and C. Searl. J. Leach, musical director, and Mrs. Funnimore accompanied on the piano.

MOUNT DENNIS

A public meeting of ratepayers has been called for Monday night, next, April 12, in the Dennis Avenue School, by the trustees of school section No. 2 of York Township to sanction the purchase of a site for a new school for the Silverthorn district.

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary blood-forming influence. By creating an abundance of rich, red blood it revitalizes the exhausted nerves and builds up the system in every way.

The appetite is restored, digestion improves, you rest and sleep well, and every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children whose systems have become weak and run down. 50 cents a box, 6 for \$2.50, all dealers or Edmondson, Bates & Co., Limited, Toronto.

A STATEMENT

"The 1915 KEETON Motor Car represents the utmost value that modern engineering skill can produce at \$1425—absolutely."

"LET KEETON OWNERS TELL YOU."

VIRTUE MOTOR SALES CO., 531 Yonge St. North 5266

**NEWMARKET STORE
RAIDED BY THIEVES**

Butcher's Stock Depleted — Farmers in District Also Lose Goods.

Thieves are operating extensively in Newmarket and up thru the northern townships these days, and numerous thefts are reported. On Thursday night the butcher store of Stoddard & Hill in Newmarket was entered and 150-pound pork was taken. At another place a lot of poultry were taken, while other small thefts were reported. Mr. Anderson, town clerk of Newmarket, yesterday received a phone message from Carl Lehman of Gwillimburgh, stating that \$75 worth of grain was taken from his granary on Thursday night. The county police are working on the case.

**NEW ORGAN WILL BE
DEDICATED TOMORROW**

Archbishop McNeil will dedicate the new \$5000 organ tomorrow, Sunday, at 7.30, in St. Cecilia's Church, Annetts street. The Knights of St. John, in uniform, will act as a body guard, and the choir, consisting of 75 male and female voices, under the leadership of Rev. Father Finn of Chicago, will render numbers selected from the great masters, Dubois and Delamarter.

Under the auspices of the young people of St. Cecilia's Church, West Toronto, an old-time country dance and supper will be held at Lambton Social Parlour, Lambton on Monday evening. The members of the committee in charge of the arrangements are: Mr. Barry, Dr. Geo. O'Leary, J. J. McCann and Graham. The proceeds will be devoted to the funds of the Vincent de Paul Society of the parish.

**POSTMORTEM POINTS
TO NATURAL DEATH**

When the adjourned inquest on the body of the unknown man who was found on the lake shore Thursday is resumed at Newton's Hotel, next Thursday the post-mortem examination will be held. It is not shown that there was any foul play connected with the man's death. The skull was not injured.

Just previous to his death the man had a large meal, and it is thought he was intoxicated and fell asleep on the sand close to the water's edge and was drowned. Judging by the condition of the body the police feel certain that death took place last fall, and as the man was a hunchback they expect to have the body identified soon.

EARLSCOURT

A concert under the auspices of the North Earlscourt and Fairbank Ratepayers' Association, will be held in the club house, 1414 Fairbank avenue, in aid of the funds of the organization. The following contributed to the program: G. Dawson, F. Burgess, F. Godfrey, F. Chaplin, A. Kelly, Miss D. Smallridge, J. Lee, Miss Thompson, R. Hardacre, F. G. Rice, W. Miller, F. B. Lovell, W. Small, Miss A. Bendon, A. Harvey, W. Clay, Miss A. Walker, Master R. Egan and Miss K. Wines.

ONLY DEATH TRAP

Just Before U. S. Craft Disappeared, Commander Reported Defects.

Expected to Blow Up

Previous to Foundering Hydrogen Explosion Occurred in Electric Battery.

LOS ANGELES, Cal., April 9.—In a letter written at Honolulu March 22, Lieut. Alfred Ede, in command of the United States submarine F-4, who was lost with his entire crew when that vessel disappeared off Honolulu harbor, March 26, told his brother that "the whole boat should vanish in smoke. I do not think I would be terribly astonished."

Allison Ede, to whom the letter was addressed, received it several days ago. He declined at first to make public the entire letter, but an excerpt given out today contained the quotation: "I am not at all surprised."

Later the letter in full was made public. It read as follows: "Honolulu, March 22, 1915: This is not a very interesting place, but enough happens to the boat to at least keep up interest. I just came back from Pearl Harbor Thursday, where I have been for ten days having a new motor put in. Previous to that we had a hydrogen explosion in the battery, engine breakdowns, etc."

"So there is something doing all the time. Take a mere trifle like today—down 50 feet and no bottom below, water trickling in thru one of the valves. That does not give us a thing any more. In fact if the whole boat should vanish in smoke, I don't think I would be terribly astonished."

U.S. OFFICERS AT BERNE.

GENEVA, Switzerland April 9.—The five American army officers who were attached to the German military force as observers and recalled by cable on April 8, arrived in Berne today on their way home.

French Victory at Eparges

(Continued From Page 1.)

Proceedings are being taken to drive them out. Vigorous local attacks by German infantry are reported from the Champagne district. The enemy tried to retake some of the trenches that he lost in the French north of Beaulieu. French machine guns and artillery, backed by infantry fire, moved at one point where they installed themselves in an advanced French position. In a counter-attack the French infantry carried this place and drove the Germans back to their point of departure. The enemy's losses were appreciable.

Attacks on British Repulsed. The Germans have made an attack on the British lines in northern France, which was repulsed and has according to Berlin, recaptured on the Belgian the village of Drel Grachten on the Yser, which changed hands several times within a few days. This evening so far as the public has been informed, there has been no fighting worth mentioning.

No official news regarding a rumored naval engagement off the Norwegian coast is forthcoming, and the news from the Dardanelles grows less as the time for the anticipated new attack there shortens. Submarines appear to have become more active. Incoming steamers report having seen some of these craft, but no vessels are reported to have been sunk by them.

An authoritative denial has been received from The Hague of the report in circulation here yesterday that the relations between Holland and Germany had reached the breaking point.

PIERCE FIGHT IN FRANCE.

LONDON, April 9.—Just as fierce a battle as in the Carpathians, but on a smaller scale, is going on in France between the Meuse and the Moselle. There the French are persisting in their offensive against the German line, according to the Paris reports, continue to make progress. The French report, however, is

that they have captured about 150 prisoners.

of Peremy reached us a brigade order was issued to fortify our positions still more, for by that time we expected a real Russian onslaught.

We did all that human force could do. Trunks of trees were brought up or rolled down from the higher points and on their branches a second and third row of wire entanglements were fixed sixty yards apart, and one would thought that no earthly power could penetrate these obstacles. Up the guns are going all day long and an occasional sight of the enemy stirred us up a little here and there. They tried a night attack, but were always easily repulsed. On another part of the line fighting had been more violent for the past week.

Russians Begin Attack.

"We only felt the push on and after the 5th. On that day it appeared the Russians, who occupied the opposite slope about half a mile distant, were strongly reinforced and we could see that they had been supplied with new guns, for the bombardment became more frequent and deadly. So our wire entanglements seemed to be disappearing now at one point, now at another.

Came in Tremendous Force.

"We knew that this meant a night attack and were not disappointed. The only thing that we did not anticipate was that it would be made in such tremendous force. That night they came along in five rows, and although we only shot them very late, not one of their men reached us. We were shelling all that night, and not a minute's rest could we get. When one of their lines was beaten back or laid

the other came on. They were not only attacking us, but they were also attacking the British on the right.

They were not only attacking us, but they were also attacking the British on the right.

STRUCK BY A CAR MAY NOT RECOVER

Man Supposed to Be Samuel Moffatt of Deseronto, Badly Hurt.

LOST HIS BALANCE

Robert Duncan Fell From Scaffold on Which He Was Painting.

A man supposed by the police to be Samuel Moffatt, of Deseronto, was struck by a west bound Bathurst street car on Front street, about 100 yards west of Simcoe street, at 8 o'clock last night and is now in the General Hospital, suffering from a fractured skull from which he is not expected to recover. He was unconscious at a late hour last night.

Motorman Thomas Smith, 72 Rosethorn avenue, who was in charge of the car, told the police that Moffatt, walked across the street in front of a car's length. The rails were wet, Moffatt was struck a glancing blow by the front of the car, and he whirled around and it is believed, recoiled back and by coming in contact with the rear portion of the street car. He was rushed by the police ambulance to the General Hospital. In his pockets there was found a letter addressed to Samuel Moffatt, Deseronto.

Fell From Scaffold. Robert Duncan, 29 Sealter street, is suffering from a severe shock in St. Michael's Hospital as a result of falling from a scaffold at the third floor of the Joseph Simpson Knitting Mills, Berkeley street, and the Esplanade, yesterday afternoon. He was painting when he lost his balance. He was removed by the police ambulance to St. Michael's Hospital.

Charges of Fraud. On three charges of fraud George Trokente was given sentences of 90 days on each charge, to run concurrently, by Magistrate Davies yesterday. One charge was that he did not pay his insurance dues, and another was that he collected money from prisoners in the jail to buy food which he failed to do.

John Hanley was committed for trial by a jury yesterday on charges of obtaining \$25 from a man named Gourley and with obtaining goods valued at \$25 from the Dale Furniture Company by the means of a worthless cheque.

Transferred the Transfer. Louis Fagan was charged before Magistrate Denison yesterday with giving a transfer he had received from a Parliament street car to a Winches car to another man who used it to pay his fare. Fagan was remanded until Monday.

Nathan Cristal was remanded for a week yesterday on a charge of stealing diamond earrings from Mrs. Gula.

Specials today—Broiled Halibut Steak, Maitre d'Hotel; our own made Corned Beef with Cabbage, and Country Sausages with mashed potato, 27-31 King street west, 28 Melinda street.

CANADIAN CASUALTIES

OTTAWA, April 9.—Casualties among the Canadian expeditionary force announced tonight are:

WHERE T. & D. TEAMS PLAY GAMES TODAY

Complete List of Grounds for All Three Divisions—Club Notices and Gossip.

The T. & D. games today are as follows:

—Division I—
Devonians v. Thistles, at Eaton's field, 2:30 p.m.
Caledonians v. Wyckwood, at Riverdale Park, 3 p.m.
Davenport v. Estons, at St. Clair and Weston road, 3 p.m.
Overseas v. Queen's Park, at Eaton's field, 4 p.m.
Manchester Unity v. Baracas, at Lappin avenue, 2:15 p.m.
Old Country v. Sunderland, at Fraser avenue, 3 p.m.

—Division II—
Fraserburgh v. Lancashire, at Lappin avenue, 3:45 p.m.
Orchard v. Bank of Commerce, at Willowdale Park, 3 p.m.
Sons of Scotland v. Ulster, at Harris Park, 3 p.m.
Street Railway v. Dunlops, at Scarborough Beach, 2:30 p.m.
Hearts v. Hiawatha, at Riverdale Park, 3:30 p.m.
Maple Leafs v. Don Valley, at Riverdale Park, 3 p.m.

—Division III—
Guans v. West Toronto U., at Scarlett road, 3 p.m.
Corinthians v. Swans, at "Kew Gardens."
Mount Dennis L.O.F. v. Gerrards, at Mount Dennis, 2:45 p.m.
Robertson v. Consumers' Gas, at Riverdale Park, 3 p.m.
British Imperial v. Cedarvale, at Cedarvale Park, 3 p.m.
Berkeley Mission v. Diamond E., at Bayville Park, 3:30 p.m.
City Dairy v. Polons, at Wyckwood Park, 3 p.m.
Bell v. Victor Mission, at Willowdale Park, 3 p.m.

St. Georges play Parkview juniors this afternoon on Willowdale Park, pitch No. 1; kick-off at 4:15. This game is in place of the one originally arranged with Dominion Transport.

Bell Telephone F.C. play Fred Victor Mission F.C. in their second league game at Willowdale Park, No. 1, this afternoon at 3 o'clock. All Bell players are asked to be on hand at 2:30. Bell line-up: Duncan, Morrison, Magill, Smith, Woolger, Hampton, Hamilton (capt.), Fenton, Wheelans, Newman, Fyfe and Kyle; reserves, David, Townsend and Ellis.

Consumers' Gas and Robertson meet today at Riverdale Park, No. 2 pitch, in a Third Division league game; kick-off at 3 o'clock. The following Gas Company players are asked to report at the pavilion not later than 2:30: B. Sutherland, Parker (capt.), Twist, White, Nichols, Griffiths, McLaughlin, Edmond, Williams, Smith. Those who ordered passes had better see the secretary on the grounds. The monthly meeting of the Consumers' Gas F.C. will be held on Wednesday, April 14, at 12:15 West Adelaide street (upstairs); at 8 p.m., when all interested are requested to attend. Players for the game will practice in the field every Tuesday and Thursday on Riverdale Park at 6 o'clock.

All players signed up with Linfield F.C. meet today at corner of Pape and Danforth, at 2:30. There is a friendly game with West Toronto at Earl Grey School ground, Jones avenue, kick-off at 3 p.m.

All T. & D. secretaries will please note error in annual books. The Berkeley Street Bible-Class has been entered in the books as the Berkeley Street Mission, and the telephone number as 482. The correct name should be the Berkeley Street Bible-Class F.C., and the telephone number Main 394.

Berkeley Street Bible-Class v. Diamond E., at Bayville Park, at 2:30. Berkeley Street will be represented by the following: Reeder, Stubblings, Hyde, Carwithin, Payne, Perkins, Fox, Gatenby, Drummond, Strutt and Fleming. All Berkeley players should be on hand by 3 p.m. Reserves, Atkins, Hardman and Mann.

Robertson oppose Consumers' Gas on Don Pits this afternoon in their league game, with the following team: Russell, Williams, Dobson, Dymmock, Atkins, Spokes, Young, Bedford, Wilson, Hughes, Neil, D. Drouse and Ewart. Robertson players are asked to meet at corner of River and Gerrard not later than 2:15; kick-off at 3 p.m. sharp.

Old Country play Sunderland on their ground at Fraser avenue, kick-off at 3 o'clock. The following players should be on hand not later than 2:30: Martin, Hutchinson, Colquhoun, Adams, Scott, Tait, Long, Johnston, Hunter, Ridd, Taylor; reserve, Craig.

Hiawatha team against Hearts of Midlothian this afternoon will be: Boshier, Brewer, Newman, Williams, Wilson, Law.

Canadian Henley Will Be Held Aug. 6 and 7

The Canadian Association of Amateur Oarsmen held an executive meeting at the Canadian Henley on Aug. 6 and 7. A regatta committee was decided and consists of the executive and representatives from London, Hamilton, Montreal, Ottawa and Winnipeg.

son, Fagan, Ingarfield, George, Ross, Taylor; reserves, Tipper, Nicol, Laidlaw. Game called for 2:30 sharp on No. 3 pitch, Don Pits.

A double-header by the pick of the first and second division teams will be played on the Lappin avenue ground today. Manchester Unity and Baracas kick-off at 2:15 p.m., and Fraserburgh and Lancashire come together at 3:45 p.m. Altho Fraserburgh were unfortunate to lose the services of Andy Turf, their good left half, they have got the following strong eleven to depend on to carry off a win at the expense of the clever Lancashire lads: Dwyer, Briggs, Murray, Simpson, Whiffen, Fraser, Wal-Allen (captain), Lafferty, Lloyd, Oram, Macer, reserves, Strachan, Hay. Players are asked to be on time.

Two good games are billed for today on Lappin avenue grounds, where Manchester Unity meet Baracas at 2:15, and Fraserburgh meet Lancashire at 3:45. All Manchester Unity players please be on ground at 2 o'clock.

Fred Victor play Bell Telephone at Willowdale Park, No. 1, today, kick-off at 3 p.m. Following Fred Victor players are requested to be on hand at 2:45: J. Phillips, Jr., Stone, Holdsworth, Gillespie, J. Phillips, Jr., Dutton, Slade, Dods, McMillan, Foster, A. Robinson.

Maple Leaf F.C. meet Don Valley on Saturday at Riverdale Park, No. 1 pitch. Maple Leaf will be represented by the following: H. Williams, G. Burdett, E. Russell, S. Blackwell, W. Finlay, C. Field (capt.), J. Taylor, W. Bennett, D. C. Brown, E. Nash, C. Bell, P. Gent, E. Hinkson, G. Johnston, J. Winton. Meet at pavilion at 2:30.

The following will represent Polons in their match with City Dairy on Wyckwood's ground Saturday, at 3 o'clock: Kay, Drysdale, Harrison, Ogil, Powell, Green, R. Turner, Coles, White, Bain and Clark; reserves, A. Turner, Burns, Daisell and Caterson.

The Dominion Transport and Bell Telephone met at Harbor Square Park Wednesday evening in an exhibition game. It was the first match for the Transport club. W. J. Langton, superintendent of the company, kicked off before a good attendance. Play opened out in the Transport's favor, and Little was conspicuous for a brilliant run, and Bryant missed when a goal seemed certain. The Bell Telephone then improved, but owing to the turf being in bad condition this effected the game. In the eastern goal. The Transport came again and Rose sent in a shot that gave the goalkeeper no chance. Play up to the interval was fairly even. Half time D. T. Co., 1 goal; Bell Telephone 0. The play in the second half was decidedly in favor of the visitors, and after a keen struggle Edwards was beaten, and shortly afterwards the Telephone team scored again. The latter part of the game was played in bad light, and after several corners conceded to the Transport, a penalty was awarded for handling. Little made no mistake to place his side even once again. Final: Dominion Transport F.C., 2; Bell Telephone F.C., 2. Transport team: Edwards, McNulty, Topham, Walker, Thomas, Parks, Cummings, Bittle, Rose, Bryant and Little.

Club secretaries please note that The World will gladly publish gossip notes from players, club notices, news of transfers and any soccer gossip that will interest local followers. They should be sent to this office as early in the week as possible addressed to the Soccer Editor.

The following players of West Toronto Junior Football Club are requested to turn out for game with Linfield F.C. this afternoon at 3 o'clock. Take Broadway road to Danforth and walk east to Pape avenue: Croft, McCormick, Moore, Boyce, Oake, Day, Palmer, King, Blacktopp, Miller, Brooks; reserves, Moss Dunford, Russell.

Toronto Street Railway team to play tonight today will be: Bennett, Baker, Jones, Arrowsmith, Turcott, Lewis, Cooper, Owens, Oakley, Partridge and Doyle.

FOR THE BOSTON MARATHON.
BOSTON, April 2.—The Hamilton, Ont. runners entered in the Boston Marathon race for Patriots Day, April 19, are: Arthur Jamison, Tommy Tomson and David Goldberg. A Toronto runner is also entered.

TORONTO FIGHT FANS HOME FROM HAVANA

Toronto's contingent arrived home from Havana yesterday, with the general opinion that Willard was a sure and easy winner. Sam Leonard thinks the new champion's right age is 33 years, but that he is good to hold the title for some time yet.

"Willard was Johnson's master from the first tap of the bell," said Leonard. "You could see it all the way. Johnson carried the fight to Willard, but the latter had a great defence and held him off easily. For the first 10 or 15 rounds, there was a grand battle, but at no time was there any doubt of the outcome."

"Willard is a much improved fighter, not the big, awkward boxer that has been described, but a clever boxer, with a tremendous 'kick' in either hand. He is slow on his feet, either considering his great size. He stood half a head over Johnson and dwarfed him in the ring. He fought a very heady fight and held Johnson at his mercy through."

"I saw Willard fight a year ago in Buffalo against Dan Ivey, and he didn't show much class, but he has it now, and will be very hard to beat for the next few years. I saw Johnson fight Moran two years ago in Paris, and when I reached Havana and saw the two men work out I made up my mind that Willard would win. And he did, most decisively."

"Indeed, I am of the opinion that Willard, as he is now, could beat Johnson or Jeffries when they were at their best. Willard is a real champion and showed wonderful skill, strength, and an impenetrable defence, besides tremendous hitting power."

BRITISH RUGBY.

Over 100 members of the Irish Rugby Club were present at the Carr-Rite Hotel last night on the occasion of the club's annual smoker. The secretary reported a very prosperous season during 1914, and hoped for even greater things during 1915.

FENCERS FOUGHT TO A FINISH.

The Ontario fencing team competition, postponed from last week, was fought to a finish last night at the Central Y. M. C. A., and resulted in a victory for the Canada Y.M.C.A. team, composed of Messrs. J. Jones, P. A. Moore and D. Roden.

R.C.Y.C. ANNUAL

The annual general meeting of the Royal Canadian Yacht Club will take place at St. George's Hall on Saturday evening, April 24, at 8 o'clock. Nominations for officers and committee of management must be in the hands of the secretary on or before Saturday, April 17, 1915. Notices relating to new bylaws or the alteration of existing bylaws must be forwarded in writing to the secretary at least seven days previous to the annual meeting. The financial statement of the year will be distributed at this meeting.

Olympic Games Still On Berlin's Program

Some time ago a report, apparently official, was received from Paris to the effect that the international Olympic committee, at a meeting, decided that it would be impossible to carry out the Olympic games of 1916, as previously planned for Berlin. They had decided that, on account of the disturbed conditions of all the European countries, there was no belligerent country where the games could be held with any satisfactory results. They had, therefore, decided to offer them to the United States.

When this despatch was received in the United States, it was reported that the athletic authorities there were disinclined to undertake the responsibility. It was decided by the Canadian Olympic Association that in order to clear up the uncertainty in connection with the conflicting reports that were being received, it would be advisable to communicate direct with the president of the international Olympic committee. A communication was, therefore, addressed to him, reciting the above and asking for his confirmation or denial. Secretary Baron de Coubertin to the effect that the report is entirely false, and that no action has so far been taken with regard to awarding the games.

ROXY ROACH LEADS LEAF IN GINGER

Ex-Bison is Liveliest Player in the Squad—Bill Kelly is the Beef Artist.

DURHAM, N.C., April 9.—The trials and troubles of a spring training camp are now well under way here. The hot sun blazing down on the sandy clay soil is positively baking and the hot walk home thru the big paths and short, cuts completes each hard hour's practice—a nice refreshing shower bath in the hotel with a vigorous rub-down brings the athletes to the front like a lot of two-year-old colts.

There are sore spots in plenty. There are tired weary muscles that hate to respond to the will, but there are also driving powers within the men themselves that brook no laziness.

This Toronto team is as willing a lot of workers as any training camp ever entertained.

Roxy Roach is a terrific worker, and he tears at top speed thru every minute of the practices, dragging the rest of the infield with him. Roach is infectious. He works too hard, but that is his nature, and you might as well try to slow down a whirling dynamo.

Fishing all over the space from third to second, exhorting, talking, cheering his teammates, he is working wonders with them. It is small wonder Manager Clymer was so keen to secure him. And it took some scheming to get him, but that is another story.

Tim Jordan is as usual at the first corner without a chance of fat on him. The Bronx slugger is as kittenish as the youngest candidate for a job, and if the manager on Graham he need must put his best foot forward to keep the newcomer off the initial sack. Tim realizes that his hold on the job is precarious, and he is taking no chances.

Monday, the first day of work, was just a toying around canter, but Tuesday under a blazing sun they went at it like a lot of felines. Roxy Roach was the pivot of the hustling, and Manager Clymer directed. By noon the field had dried out, beautifully. Wednesday morning a good long session was gone thru. Neither afternoon was used.

Some of the pitchers, notably Herbert, cut loose as early as Tuesday, but kinks are the result. However, with a broiling sun to take them out, these are not altogether regrettable. Just so much pain and stiffness has to be gone thru in any case, and the sooner it is over the better.

Fitcher Blanche came to the scratch with a sore arm and he is nursing it along. Incidentally he has been working out indoors. He is tall and rangy. Hollander, also in what shape, is in his arm, but it is working out quickly. The others are all in prime shape for their hard three weeks' hustling and budding.

Bert Wilson's broken leg is in evidence in his work. He is plainly favoring it, but whether that is all or not can't be told at this stage. It certainly would be a great pity to see his splendid speed slowed down.

Tim Kelly is the fat man of the squad, but he will take off the twenty pounds or more in short order. The fans, who remember the close, but stalemate last season thru overwork, will rejoice to hear that the sterling catcher has put on plenty of weight during the winter.

There isn't another weight carrier on the team, except perhaps Bill O'Hara, who is also short and stocky built, but very French in appearance and slight. Brown is a nicely built player, and already in shape after his sick, and has a good arm. He looks fast and has a good arm. He looks fast and has a good arm. He looks fast and has a good arm.

WHERE TO LUNCH
Krausmann's Grill, King and Church streets. Music, 6 to 8 and 10 to 11:30 p.m. Sundays sacred music, 6 to 8 p.m. Private banquets catered for.

PRESTON WILL HAVE SENIOR SOCCER TEAM

PRESTON, April 9.—A well attended, football meeting was held last night in the town hall. Last year's team not only held the W.F.A. intermediate championship cup, but also the Mac and Casey Cup. A deficit of one hundred and fifteen pounds was reported. The president Campbell wiped off the books. President Campbell made a very interesting report of the annual meeting of the W.F.A. which was held at Stratford on Good Friday and to which he was a delegate. Mr. S. Law of the W.F.A. was present and outlined the workings of the W.F.A.

After a lengthy discussion it was decided to play senior and junior instead of intermediate and junior. The players, of whom there was a number present, thought it was time to take a step higher. The following officers were then elected: Honorary president, W. Stahlschmidt; secretary, W. Stahlschmidt; treasurer, R. C. Campbell; vice-president, G. George; second vice-president, E. A. M. Holden; third vice-president, G. George; secretary, W. Stahlschmidt; treasurer, R. C. Campbell; vice-president, G. George; second vice-president, E. A. M. Holden; third vice-president, G. George.

LALLY ALSO BOOSTS THE PROS.
CORNWALL, April 9.—P. J. Lally will represent the Cornwall Lacrosse Club at the meeting of the N.L.U. in Montreal tomorrow. Mr. Lally will go with a perfectly free hand and whatever action is

EATON'S

ON SALE TODAY

Opening a Special Department for Young Men's Clothing

Featuring Styles Designed Exclusively for the Older Boys and the Younger Men

THE boy who is old enough to wear long trousers, and the youth who is not old enough to wear the suit designed for a full grown man—these two important members of the community have been accorded their own particular section in the Men's Clothing Department. Here will be featured styles created exclusively for their wearing—suits, overcoats, raincoats and sports toggy, fashioned by specialists in young men's garb. Prices are strictly moderate, and the variety in all lines is immense.

All That is Natty and New in Young Men's Suits

THE high, wide lapel, the narrow shoulder, the slightly defined waistline, the straight trouser—all these style features are exemplified in this special showing of imported and domestic models. Gray and black and white mixtures take the lead in colors, with fine worsteds and soft cheviot tweeds as the fabrics of most popular use. A magnificent selection of suits of this order—EATON-made and imported—is presented in sizes 32 to 38, with a range of extraordinarily good values at \$10.00, \$12.50, \$15.00 and \$16.50.

150 High-Grade Suits for Men A Saturday Morning Special at \$12.50

THESE suits are English worsteds of fine smooth finish and rich tweeds in small checks, fancy mixtures and handsome stripes. The colorings are the newest productions for spring and include many shades of grey and brown and the selection is large, there being only a few of a color or pattern. Smart single-breasted models. A saving of many dollars on every suit at this price Saturday. Sizes 34 to 44. Come at 8.30 Saturday, \$12.50.

NEW LEADERS IN N. B. A. TOURNEY

Montreal Rollers Drop Back at New York—The Best Scores.

NEW YORK, April 9.—Numerous changes took place in the championship tournament of the N.B.A. here tonight. In every event new leaders came forward. Howard Chickering of the Saginaws of New York made 645 in the singles and went to front. Glenn Dunbar and James A. Wilson, also of New York, now top the list in the doubles with 1206. While in the five-men the Roseville A.A. of Newark went into the lead with 2350, rolling 1033 in the second game. Four out of five leaders in both doubles and singles were produced today, while in the five-men three of the leading teams are new. The five best totals in each event to date follow:

Singles: Howard Chickering, New York, 645; Frederick K. Decker, New York, 617; Earl Whitacre, New York, 591; Herbert Grinstead, Newark, 593; J. B. Pelletier, Montreal, 592.

Doubles: Dunbar and Wilson, New York, 1206; Christie and Lange, Hackensack, N.J., 1176; Cattarouch and La Belle, Montreal, 1175; Banks and Chay, Newark, 1156; Walker and Sharov, Montreal, 1147.

Five men: Roseville A.A., Newark, 2350; Canadian, Montreal, 2295; Senior Elks, Newark, 2789; Empire State, New York, 2753; National A.A., Montreal, 2753.

JACK JOHNSON IS GENUINE OUTCAST

U.S. Refuses Passport and Ex-Champion is Debarred From European Countries.

HAVANA, April 9.—The future movements of Jack Johnson, the former heavyweight champion, continue to be uncertain. There are indications that he will be compelled to remain in Cuba for an indefinite length of time on the grounds provided by the American ambassador at London last September, which had been lost or stolen since the pugilist's arrival in Cuba. The secretary of the American legation here issued the passport in the absence of William E. Connolly, U.S. minister to Cuba, who disapproved of the action.

Mr. Connolly demanded, and received from Johnson the passport in question, whereby the action of the secretary of the legation was annulled. Further, an American minister received an order from Secretary of State Bryan to refuse a passport to the pugilist on the grounds that Johnson is a fugitive from justice under the laws of the U. S. Johnson is now said to be debarred from entrance into virtually all European countries and, apparently, his only alternative is to remain here or attempt to reach some South American republic.

Playgrounds Tournament

The first annual billiard and checker tournaments were played yesterday afternoon, with the various Playground Center taking part. The checker tournament was played at Moss Park, with boys entered from East Riverdale, McCormick, Moss and Moss Park. The play was close in the junior and senior divisions, Moss Park and East Riverdale, in each case settling the championship with extra games. The scores:

School Boys	Won.	Lost.	Dr.
W. Elwood, E.R.	6	1	0
H. Harrington, M.P.	5	2	1
B. Kelly, M.C.	3	2	1
N. Robinson, L.G.	3	2	2
J. Landau, M.P.	3	4	0
C. Morley, E.R.	3	3	0
L. Talbot, L.G.	2	5	0
W. Grant, M.C.	1	6	0

Junior Night Boys—

	Won.	Lost.	Dr.
H. Cooper, E.R.....	6	1	0
F. Frechette, M.P.....	6	1	0
H. Taylor, E.R.....	6	1	0
J. Gintzier, M.P.....	3	4	0
E. Jeffrey Morse.....	3	4	0

Senior Night Boys—

W. Willen, Morse.....	1	6	0
In the play-off, Cooper of East Riverdale won.			

In the play-off, Russell of Moss Park won.

The first round of the billiard tournament was played at the McCormick Center, between Moss Park and McCormick. The boys from Moss Park carried away the honors on the first day's play, but the Moss Park boys expect to overcome their defeat on Tuesday night.

Senior Singles—

W. Wadsworth, M.C.	100	R. Finlay, M.P.	83
H. Good, M.C.	100	H. Rosenb., M.P.	75
A. McCarthy, M.C.	100	J. Bond, M.P.	48

Junior Doubles—

Victor and Good, M.P.	100	Finlay and M.C.	77
Hill and Rosenb., M.P.	100	McCarthy and M.C.	77
Finlay and M.C.	100	Boland and M.P.	53

The City Playgrounds Junior O. B. A. team got to Brantford on the 9th, and in final of O. B. A. They have a 15-point lead. The following are going with Manager R. L. Beckwith: Haidara, Crilly, Smith, Good, McCowan, Hill and Holman.

Amateur Baseball

An intermediate team is wanted to join four-team league. Write Jas. Cheatey, 145 Vaughan road, Wychwood Park, Toronto.

St. Andrews of the Toronto Senior League practice this afternoon at Dufferin Grove. Manager Barker wishes all players to be on hand as early as possible.

CANADIAN DOCTORS CHOSEN FOR SERBIA

Canadian Associated Press Cable.

LONDON, April 9.—The following doctors' services have been accepted by the Serbian Government for civilian practice in Serbia, while the ordinary doctors are with the army: Ferdinand Perce, Montreal; Irma Le Vasseur, Quebec; A. Brault, Port Daniel; J. Richardson, Quebec; Albert Patin, Winnipeg; John Hetherington, Carleton Place; P. E. Lavoie, Marcellin, Sask.; A. W. M. Lelclair, Lettist, Man.; A. Avila, Walters, Quebec.

CANADIAN IN DISGRACE.

Canadian Associated Press Cable. LONDON, April 9.—Ernest Sydney Bewden, Smart, formerly a Canadian officer who said he came with the contingent in October, was getting along splendidly until drink overtook him. He received six months at Bir-

mingham for false pretences. The prisoner is stated to have held splendid appointments in Canada.

EARL GREY CORPS WON.

A very interesting match was held at Frankland avenue school last night between the Earl Grey Corps and the Frankland Corps of the Toronto Military Training Association, each corps being represented by 14 men. Earl Grey carried off the honors with a score of 310 against 300 out of a possible 350.

ARTHUR GEORGE WILL SING.

Arthur George, the well known baritone, has been engaged as soloist in Henry Hedley's "Golden Prince" which is to be given by the Women's Musical Club at the Toronto Conservatory, April 15. He will also assist Miss Drescher in her recital April 29.

M'TAGGART JUST BEATEN IN THREE

Only One Favorite Finishes in Front at Bowie—The Summary at Juarez.

BALTIMORE, April 9.—Tommy McTaggart was just beaten out in the first three races at Bowie today by the long shots, Pione and Bob R. and the favorite, Todding. The public had a bad day. Summary:

Corner Yonge and Richmond Sts.

The International Horse Show has been added to the number of regular fixtures in London that are being abandoned on account of the war.

goalkeeper, put up a wonderful game. An attempt will be made to reorganize the National Lacrosse Union at a meeting to be held at the M. A. A. Clubhouse on Saturday. Word has been received from Cornwall, Shamrocks and Rosedale that they will send representatives. The Montreal Lacrosse Club met last night and decided to support the N. L. U. and not the proposed merger of the N. L. U. and D. L. A. If the N. L. U. is not reorganized, then the Montreal team will play exhibition games.

CANAL TO OPEN SOON.

PORT COLBORNE, Ont., April 9.—It is expected that the Welland Canal will be opened for navigation on April 15. The steamers Doric, Christian, and Iroquois are in readiness to sail soon as ice conditions are more favorable. There are large fields of ice in this harbor, with no water visible.

CONTRACTOR PAYS UNION RATE NOW

Plasterers and Their Helpers
Will Receive Regular
Wages at Orde School.

TWO STOREY SCHOOL

Trustee Noble Asks for Plans
of New Building of Special
Character.

Sup. Bishop stated to the property committee of the school board yesterday afternoon that he had been assured by Contractor Haddock that the plasterers and plasterers' helpers working on Orde street school would henceforth all be paid at union rates, and that in cases where men had not received union rates the difference in the back pay would be made up to them. This followed as a result of a complaint recently made that some of the men employed on that school were not receiving fair wages.

It was decided that the Walter S. Lee memorial tablet, which has been in the school board committee room at the city hall, would more appropriately be hung in the Walter S. Lee school on Orde street.

Trustee Noble brought forth the suggestion that the building department furnish the board with a plan of a two-storey school building with an average number of classrooms, each room to have two doorways leading direct into the school yard, with stairways from the second storey rooms, the building to have a flat roof with protective railings and playhouses upon it, and have no hallways, but instead to have sound-proof and fire-proof walls separating the rooms. The proposition to have playhouses built for the city schools was referred to the building department to submit plans and cost of such an undertaking.

RUSSIAN SUCCESSES DEPRESS AUSTRIANS

BUCHAREST, Roumania, April 9.—Despatches reaching here from the frontier of Galicia describe the Austrians as very depressed by the reported Russian successes further to the north. The Austrian attempts to cross the River Pruth near Boyan have failed and their troops are demoralized by lack of food. Arbitrary arrests of Roumanians again are being made in Bukovina.

The Best Remedy For Weak Backs

That is What James Fair Says
of Dodd's Kidney Pills.

Manitoba Man Tells Why Dodd's Kidney Pills Have Become a Household Remedy all over the Western Provinces.

Melton, Man., April 9.—(Special)—Just why Dodd's Kidney Pills are so popular on the prairies is shown by the statement of Mr. James Fair, a well known farmer living near here. "I was out in the field harrowing and when I came in to get my dinner I found the fire out and everything cold for I am batching. I had a discharging pain across my kidneys at the time, and I was so discouraged I just went and threw myself on the bed. "Then I thought of Dodd's Kidney Pills and took some and I felt better at once. "Now when I am tired out and have a pain in my back I always look for Dodd's Kidney Pills. I must say that who suffer from weak backs that Dodd's Kidney Pills are the best remedy in the world for them. "Dodd's Kidney Pills are a household remedy all over the Western prairies. They only cure sick kidneys, but many diseases come from sick kidneys. By curing the kidneys, Dodd's Kidney Pills cure Backache, Rheumatism, Sciatica, Dropsy, Bright's Disease and kindred diseases."

G. T. R. APPOINTMENT.

Geo. A. Butler has been appointed acting assistant engineer of the Belleville division, with division at Belleville, vice C. S. Ogilvie, who is transferred to active service abroad.

RUMORS OF PEACE ATTRACT ATTENTION

Report That Germany Presented Terms to Washington is Denied.

WASHINGTON, April 9.—Published reports that Germany had presented terms to the United States government today in official circles in Washington, but both Secretary Bryan and Count Von Bernstorff, the German ambassador, denied that there was any foundation for such rumors. "There is nothing definite or indiscreet," said Mr. Bryan, when asked about the peace talk, "and there has been nothing new on any phase of the subject for a considerable time."

FUNERAL OF W. J. McDONALD.

CORNWALL, Ont., April 9.—The funeral of the late Wm. J. McDonald, Canadian railway contractor, who died at St. Petersburg, Florida, where he was spending the winter, will arrive in Cornwall on Saturday morning and be conveyed to his home in Moulinville on Monday morning at 7.30 o'clock. The funeral will be held in St. James Church and interment in St. James Cemetery, Williamstown.

Pleasant Reading For Sunday

THE Sunday World's Magazine and Feature Sections will provide you with a Sunday's reading—in fact, a whole week's reading—after you have looked over the forty pictures in the two illustrated Sections.

Dr. Woods Hutchison, the most entertaining writer on medical subjects of the day, is now writing for The Sunday World. This coming issue's article is headed "Why Good Teeth Mean Long Life," and it is well worth reading.

There is a big story on the jinxes, with Lou Skuce's cartoons to decorate it; there is another story on the ingenious new device Englishmen are working on, nothing more nor less than a flying torpedo to bring down aircraft; there is a page of mighty interesting little items, some of semi-scientific nature—it runs every week under the heading of "Things You Will Be Interested to Read About." This is only a taste of the feast of good reading matter in The Sunday World reading sections. And the SPORT SECTION is the breeziest, wittiest and most informative in Canada.

The Sunday World Seven Sections Five Cents

BRITAIN'S IMPORTS STEADILY INCREASE

Germany's Submarine Blockade is Proved an Entire Failure.

LONDON, April 9.—The board of trade figures for March show another large increase in imports, amounting to \$2,643,000 (\$43,215,000), but a decrease in exports of \$14,542,000 (\$71,710,000). The increase in imports is made up largely of foodstuffs, the value of which increased \$2,500,000 (\$37,000,000). Of this amount \$2,300,000 (\$32,500,000) was accounted for by importation of grain from the United States and Argentina, these countries sharing about equally in the increase. The decrease in the value of exports was largely in manufactured articles, which fell \$1,400,000 (\$20,000,000). Of this amount \$4,250,000 (\$21,250,000) was in cotton textiles. Exports of coal decreased by \$1,000,000 (\$5,000,000).

BERLIN BOASTS OF MANY PRISONERS

AMSTERDAM, via London, April 9, 9 p.m.—A despatch received here from Berlin says that on April 1 \$12,800 prisoners of war were being held in Germany—10,175 officers and 302,623 men. The despatch gives the prisoners by nationality as follows: French, 3385 officers and 238,496 men; Russian, 1440 officers and 56,420 men; Belgians, 647 officers and 39,420 men; British, 530 officers and 20,307 men.

For Catarrhal Deafness and Head Noises

Here in America there is much suffering from catarrh and head noises. American people would do well to consider the method employed by the English to combat this insidious disease. Everyone knows how damp the English climate is, and how dampness affects those suffering from catarrh. In England they treat catarrhal deafness and head noises as a constitutional disease, and use an internal remedy for it that is really very efficacious.

Sufferers who could scarcely hear a watch tick tell how they had their hearing restored by this English treatment to such an extent that the tick of a watch was plainly audible seven and eight inches away from either ear. Therefore, if you know someone who is troubled with catarrh, catarrhal deafness or head noises, cut out this formula and hand it to them, and you will have the means of saving some poor sufferer perhaps from total deafness. The prescription can be easily prepared at home for about 75c, and is made as follows: From your druggist obtain 1 oz. of Parmitin (Double Strength), about 75c worth. Take this home, and add to it 1 pint of hot water and 4 ounces of granulated sugar; stir until dissolved. Take a tablespoonful four times a day. Parmitin is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the result gives a usually remarkably quick and effective. Every person who has catarrh in any form should give this recipe a trial, and free themselves from this destructive disease.

Help Wanted

APPLICATIONS for the position of Director of the Department of Engineering, at the Central Technical School, Toronto, will be received until May 1. Salary \$1,500 a year, increasing according to experience to \$2,000. Applicants are to be sent to W. C. Williams, Secretary-Treasurer, Board of Education, Toronto. 6252M1.

Wanted—Working foreman for machine shop; one who has had experience with pipe fittings; also machine hands. Apply Box 69, World. 456

Wanted—Married couple for small farm near Toronto. Wages \$40.00 per month. Furnished, heated and improved. Provided, besides share for own use of anything produced on the place, bonus of \$100.00 given at the end of the year and higher wages second year to satisfactory people. Applicants will please state experience in any particular line, such as vegetables, flowers or poultry. Box 71, World. 457

Situations Wanted

WANTED—Secretary, or similar position, by young lady with 3 years' experience in teaching English, business bookkeeping, shorthand, etc.; 3 years' office experience; excellent references; hand; first-class references; for further particulars apply to Box 68, Toronto World. 4567

Agents Wanted

AGENTS make \$500 per cent. profit selling "Novelty Sign Cards." Merchants buy 10 to 100 on sight; 800 varieties. Catalogue free. Sullivan Co., 1224 Van Buren St., Chicago, Ill.

High School Teachers Wanted

APPLICATIONS for the position of Director of the Department of Physics at the Central Technical School, Toronto, will be received until May 1. Salary \$1,500 a year, increasing according to experience to \$2,000. Applicants are to be sent to W. C. Williams, Secretary-Treasurer, Board of Education, Toronto. 6252M1.

Painters and Decorators

C. A. CARD, Decorator—Painting, Paper-hanging, Tinting and Hardwood Finishing. Estimates given; 3 Maitland Terrace, Toronto. ed7A15

Articles for Sale

OLD MANURE and team. J. Nelson, 515 Jarvis St. Phone Main 2510. ed7

PRINTING—Cards, envelopes, stationery, billheads, 5c. Divides, 5c. dollar. Barnard, 35 Dundas. Telephone. ed7

SPECIAL FOR FARMERS—Second hand lumber for sale on lot 24, Kingston road; good timber for barns; also wood by the load. ed7

PORCUPINE CAMP IN SPLENDID SHAPE

Big Increase in Gold Production Looked For This Year.

OPTIMISTIC FEELING

Power Trouble Cuts Down Development Work at Most Mines.

Not since the early days of the Porcupine camp has optimism been more apparent than during the last few days. With the return of the public's interest in mining, as reflected on the stock exchanges, Porcupine is preparing for what is expected to be the greatest year in its history. Producing companies, always anxious to have their stocks looked upon with favor, are making strenuous efforts to increase production and earnings in the face of a shortage of electric power. It is expected that this year's record will far exceed last year's.

An underlying feeling of confidence, that has been dampened on several occasions, is again appearing in the camp. While an element is trying to create a boom in mining stocks, in which no discrimination would be made between the good stocks and the poor, the more conservative mining men appreciate that such an attempt would be folly. It is realized that the time has passed when almost worthless stock can be sold on the public, and that the investor will demand stock in companies with a reasonable chance of winning gold in paying quantities.

During the last few days several men in control of non-producing properties have made their appearance in the camp, some after an absence of years. Many of these men contemplate investing more money in development work. Others who have not the necessary funds are working out plans for the reorganization of their companies. As a result it is expected that in a short time several additions will be made to the list of producing companies if public support is given.

One feature that has helped to create the optimistic feeling in the camp is the success of the Dome Lake mines in treating low grade ore. This has led to the belief that there will be a broadening of the camp, and that properties with large low grade ore bodies will be favorably considered by the investing public alongside others with smaller bodies of high grade ore.

Practically all mines in the camp are being affected more or less by the shortage of electric power. In some instances development work has been cut down considerably and the available power used to hoist broken ore from the mine and to run the mill. There is little working out plans for the reorganization of the mill production of any mine, but the cost in some cases will be materially increased where the power has been cut off for an extended time. It is hoped that with the spring break-up the power companies will be again able to supply the full contracted horsepower based on the one-half, as at present, and that development work will go on as before.

Hollinger Reducing Costs. Several improvements have been expected to decrease the cost of mining and milling are being installed at the Hollinger. At present eighty stamps are running at the Hollinger. Twenty of these are on ore from the Aime Gold Mines. An additional twenty stamps are being erected to treat Aime ore.

Also development work on the Hollinger is about thirty feet below the 500 foot level. The attention of the management is being paid to sinking a central shaft on Aime property to handle ore from the Hollinger. Aime and Miller Mines are now some four hundred feet to the first level. Two other levels will be made at 800 and 1200 feet.

An electric tramway system on the 425 foot level was inaugurated two weeks ago. Instead of taking ore by hand carts from the mine to the 425 foot level, this will mean a great saving in labor and should materially reduce mining costs. It is understood that electric tramways will also be installed on the 800 and 1200 foot levels when actual mining operations reach those depths.

First Aime Gold Brick. Two weeks ago the first gold brick from Aime was turned out by the Hollinger refinery. The Aime gold mine is like the Hollinger, a gold mine by the Canadian Mining and Finance Company. The Aime adjoins the Hollinger and is in the same system of veins. Work is now progressing on a new shaft house.

That the Aime will be a greater mine than the Hollinger is an opinion often expressed by mining authorities in Porcupine. The fact that the central shaft for the Hollinger, Aime and Miller Mines is being sunk to a depth of 1200 feet is said to be significant.

So far little work has been attempted by the Canadian Mining and Finance Company on the Miller Middleton property, although it is thought to have wonderful possibilities. Underground work at the Miller Middleton is reaching the Miller Middleton and it is expected that within a short time the latter will be added to the list of producers in the Porcupine camp.

Also over six million dollars of gold has been recovered by the Hollinger during its three years of operation. Only twelve or thirteen million ounces of gold have been touched by the new bodies are being found. That at least some of the properties are at a depth of nearly five hundred feet has been ascertained.

Power Trouble at Dome. Like other mines, the Big Pond has been handicapped by the lack of power. For some time the steam auxiliary power plant has been working and fears are expressed that consequently the net earnings of the mine are being reduced. On the other hand, new cost reducing machinery is being constantly installed. Two large pumps, the first of their type in Canada, will be operating shortly. These pumps will replace elevators transporting ore to different parts of the mill and it is expected they will in-

BRINGING TEARS PRICE SO ACRY

American Onions to Climb Dollar More Per Sack Soon.

THESE REMAIN QUIET

Wheat, Barley and Oats Continue at Unchanged Figures.

Altro American onions (100-lb. sacks) have already advanced to \$2.35 per sack. McWilliam & Everist yesterday informed The World that their shipment would be sold at \$2.50 per sack, and that the Egyptian onions would be between \$2 and \$2.50 per sack.

Canadian hothouse beets, radishes, cucumbers and lettuce are now coming on the market, as well as rhubarb. The World's market yesterday informed that the price of beets is \$1.25 per bushel, and that the price of radishes is \$1.25 per bushel. The price of cucumbers is \$1.25 per bushel, and the price of lettuce is \$1.25 per bushel.

Clearing operations have been started for the new ball and tube mill on the Schumacher. The mill will be capable of handling 150 tons of ore a day. It will be completed by August. Only a small force has been working lately, but development work reached a start on a third level. Some three or four thousand tons of ore have been taken out.

Depending entirely on power from the adjacent Miller Thompson plant, the air compressors the number of drills underground on the Porcupine Vison have been decreased from nine to four. Little or no work is being attempted and attention is being given to hoisting broken ore. Before the power trouble broke out, the mine was working out one vein from the 200 to the 100-foot level and plenty of ore is available for keeping the mill running full time.

At the Dome Lake mines nothing of great importance has occurred recently, the mill running as usual. It is said that the property is well and well underground work has been done in the last few weeks is encouraging.

High-Grade at Crown. Only the Porcupine Crown mill is still treating eighty tons a day instead of 125 tons. It is expected that the net result of the mine operation will be about the same in April as in previous months. Quite a large quantity of high grade ore was on hand, and this is being put thru the mill. It is estimated that over 80,000 tons of broken ore is ready for hoisting, which would keep the mill running for eight or nine months.

Practically no development work is being done except a winze from the 800 to 600 foot level. When power is again available about fifteen drills will be operated. Considerable attention has been attracted by the high grade ore body found on the 600 foot level of the Imperial property. H. L. Taylor has purchased a compressor plant for the mine and work will be started at once. If the development work is satisfactory during the summer months it is not unlikely a stamp mill will be installed. Mining men are of the opinion that the Imperial property is one of the best in the Porcupine gold production before long.

New Property Looks Good. One of the new companies in the Porcupine field to come to the front is the Pike Lake Gold Mines Limited at Pike Lake in Deloro Township. Some exceptionally high grade ore has been encountered in developing the property. The vein runs about 18 feet in width. An assay from six feet of the vein showed an average of \$68 a ton, another from 12 feet of the vein \$64.15 and a third from the surface across eight feet \$16 a ton. Eight feet of the vein in high grade assay, showing \$68 in gold and \$6 in silver. Night and day gangs are working, and ore is being hand-picked. A shipment is expected soon. Several important bodies have been discovered, and mining men are prophesying big things for the property.

WINNIPEG GRAIN MARKET. WHEAT. April 9.—Wheat opened 1/2c to 3/4c higher and closed 1/2c to 3/4c higher. Following are the closing prices for wheat: No. 1, 1.15; No. 2, 1.10; No. 3, 1.05; No. 4, 1.00; No. 5, 0.95; No. 6, 0.90; No. 7, 0.85; No. 8, 0.80; No. 9, 0.75; No. 10, 0.70; No. 11, 0.65; No. 12, 0.60; Exceptional Opportunity
TO THE INVESTOR WHO ACTS AT ONCE
With a mill capacity of 90 tons daily, Porcupine Vipond earnings in March amounted to about 8% of its market value, and within two weeks this plant will be increased to 120 tons daily, also by May 1956.

150 Tons Daily Will Be Treated
THIS ASSURING MONTHLY EARNINGS OF 15%.

Not only are earnings of this Company rapidly increasing, but also the mine ore reserves, as officially stated by General Manager Poirier: "Every round of shot in the Davidson vein on the 300-foot level puts 250 tons of high-grade ore in sight."

Not only are earnings of this Company rapidly increasing, but also the mine reserves, as officially attested by General Manager Polster: "Every ton of ore in the Davidson vein on the 200-foot level puts 250 tons of high-grade ore in sight."

THE STOCK MARKET'S ADVANCE

THE STOCK MARKET'S ADVANCE

Secretary of the Interior Lane made the statement in Washington yesterday: "My prediction at San Francisco was that in six months there will not be an idle man in this country. Everything points toward proving me a good prophet." This is coming to be the general view of the people in the United States, and presages an industrial boom. Sentiment has undergone a complete change and accounts for the present investment demand for securities. Our special letters on New York stocks can be had on request.

ERICKSON PERKINS & CO.

14 King St. West, Toronto

REASONS FOR ADVANCE

REASONS FOR ADVANCE

Stock markets are recognized as capable indicators of future events. Standard Stock Exchange has indicated improved conditions for over a month and is still dealing in anticipations. VIVOND and MCINTYRE have doubled value in a short time, and when we point out that VIVOND is turning out worth of gold a day, and MCINTYRE turned out \$46,000 last month, there is necessity to search for further reasons for the advance. A transfer of operations of the Porcupine companies are about to go into effect, and with new management and new gold reserves will be brought into the light. Some of the other stocks are attractive. We deal in all kinds of securities.

"MEN! MONEY IS AMMUNITION: DON'T SQUANDER IT, BUT WHEN OPPORTUNITY COMES--FIRE"

And here are opportunities for EVERY MAN who reads The Robert Simpson Company's Page. In it you will find something YOU need. Something you and your wife need. Is it a dish? Coat? School suit? Pair of trousers? Pound of cheese? Outing shirt? Dozen eggs? Boots? Or a cap? Every week this great business organization is able to buy things cheaply FOR YOU! Every day it tells you about them on this page! Are you missing them! Or are you making every cent—like every round of shrapnel—count a gain against our old enemy the H. C. of L?
