PREFACE.

The publishers, in presenting their ELEVENTH ANNUAL EDITION of the City of Hamilton Directory, gratefully acknowledge the support awarded them, and assure their patrons, the great majority of whom they are happy to know are personal friends or acquaintances. That as in the past, so in the future, every means in their power will be exerted to make the work as thorough and reliable as it is possible for a compilation of this kind to be. Every house has been visited by our agents, and if errors are discovered we solicit a lenient criticism. The present volume contains about 12,000 names and addresses which is in excess, considering the population of the city, of the average Directory number. Wishing our patrons a favorable year we take our leave hoping in due time to request their support for the TWELFTH edition of this book.

Several of our patrons complain that certain persons are in the habit of constantly borrowing Directories, and when most needed they are not to be found. The best remedy for this evil is not to permit the book to leave your premises. Every business man requires the book and can afford to purchase it.

W. H. IRWIN & CO.

March 1st, 1884.

Directory Publishers

AND

PUBLISHERS' AGENTS.

The oldest established Directory publishing firm in Ontario, and excepting Messrs. Lovell & Son, of Montreal, in the Dominion. During our long experience we have compiled this class of work for all the cities of Ontario and Quebec with the exception of Montreal ; a large number of the counties of Ontario ; the Eastern Townships of Quebec, and compiled the Messrs. Anderson's Ontario Directory published in 1869. This experience authorizes us to state that our compilations are as complete as any publications of this kind can be. While avoiding all redundancy, cramming the book with matter foreign to the character of this class of books, nothing is omitted that should be included in the legitimate contents of the Directory. Please see list of our publications on page 361.
