REPORT OF COUNCIL  
OF THE  
ONTARIO RIFLE ASSOCIATION,  
1875.

---

Your Council herewith beg to submit their seventh Annual Report of the proceedings of the Association for the year 1875.

The Annual Match was held on the Association Ranges, Garrison Common, Toronto, on the 31st August and following days.

The attendance was smaller than in the preceding year, owing principally, your Council think, to the fact that the Prize List did not offer sufficient inducement to medium and new shots to compete with any chance of success. The subject was brought up at the Annual Meeting, held on the 1st of September, freely discussed, and a Committee of seven practical shots appointed to devise and report to the Council, at its first meeting, a scheme for a better distribution of the prizes. The report of the Committee will be laid before the Council at this meeting.

As competitors for places on the Wimbledon Team of 1876 were required to compete in Ottawa, the Wimbledon Match of last year was expunged from the Prize List, and in its place a competition for Cavalry was substituted, similar to the "Lloyd Lindsay" Match at Wimbledon. Lieut.-Col. Gzowski, with his usual generosity, contributed the sum of \$50, another gentleman in Toronto \$30, to which the Association added \$20, as prizes; but notwithstanding the inducements held out, one Corps only (the Governor-General's Body Guard) sent a representation, who, though not required to comply with the regulations of the Match, were awarded a prize of \$30 for their time and trouble. It is feared that the distance from Toronto of the various Cavalry Corps, and the time and labour entailed in preparing for such a competition will, at least for a time, prevent the successful accomplishment of this exciting and useful match.

The targets used at the Annual Match were of iron, but so much dissatisfaction invariably arises from delay consequent upon inaccurate marking, that your Council would strongly recommend, so soon as the funds of the Association will warrant, the adoption of Lieut.-Col. Brunel's Canvas Target, which has proved so satisfactory at the Dominion Rifle Association Matches in Ottawa.

No doubt the change would entail considerable expense, but the present Butts could be utilized to a great extent, and the accuracy and simplicity of its working, together with the saving of time and labour, would completely recompense the Association for the extra expenditure.

Accompanying this Report is the Balance Sheet, from which it will be seen on comparison with last year's, the saving therein anticipated has been effected; the balance on hand is, however, very little more, owing to the large liability that had accrued.

The usual bonuses to Affiliated Associations were not granted, badges only being given for the highest aggregate scores made at the Annual Matches of Affiliated Associations; nor would your Council advocate a different course until the funds of the Association are in a more flourishing condition.

The amount derived from Pasturage shows an increase over last year, but any larger increase from that source cannot be looked for until some fertilizer is used upon the Common.

Your Council would gratefully acknowledge the following donations for the past year:—
