**A MACHINE MILITIA.**

The scheme of militia reorganization  
as announced by Sir Frederick Borden,  
makes it clear why there is no longer  
room in the militia for Lord Dundonald  
aid or any other man possessed by the  
heretical notion that the militia exists  
for the protection of the country rather  
than for the benefit of one political  
party. Henceforth the force is to be  
primarily a political organization, run  
by the machine in the interest of the  
machine.

Owing to recent declarations by gov-  
ernment journals that the spoils sys-  
tem was openly to govern the adminis-  
tration of all departments, Sir Freder-  
ick's announcement does not come as a  
surprise. Considering the frankness  
of the avowed journal, the chief cause  
for surprise is the tendency of the min-  
ister of militia to attempt to cloak the  
indecency of his scheme with the plea  
that it is copied from the new system  
adopted by the British war office. It  
would have been more in accord with  
recent developments, if not with Sir  
Frederick's personal habits, had he  
openly told the truth about the matter  
and then brazenly asked the opposi-  
tion what they were going to do about it.

It is true that the new British sys-  
tem does away with the office of com-  
mander-in-chief and vests the manage-  
ment of the army in a commission. But  
it is carefully so arranged that the  
commission is free from party control,  
while the Canadian government's plan  
contemplates exactly the opposite re-  
sult. As outlined in the amendment, the  
government's policy provides that the  
minister to Lord Dundonald shall be  
successor to Lord Dundonald shall be  
appointed. In place of the general of-  
ficer commanding it is to be a militia  
council which is to consist of the min-  
ister, four military men and two civil-  
ians. The military men are to be the  
chief of general staff, the adjutant gen-  
eral, the quartermaster general, and the  
master general of ordnance, all officers  
who will owe their positions to their  
pull with the government and their  
reputation for docility. The two civil-  
ians are to be the deputy minister of  
militia and probably the accountant gen-  
eral, the department men who have been  
appointed for political service and who  
would be as eager for party interests as  
the member himself.

How beautifully simple and handy it  
will be. No more "foreign" inter-  
ference, no more meddling by men with  
horrid independent ideas. With the  
whole thing run by the minister and six  
other faithful adherents of the ma-  
chine who will never present any nasty  
embarrassing reports, never contradict  
the minister, and knowing nothing  
about war, will not be hampered by any  
delusions regarding the defensive value  
of the force, the government will have  
the comforting assurance that, what-  
ever the re-organized militia might be  
in the face of an outside  
enemy, they will know their duty and  
be prepared to do it boldly when con-  
fronted with that enemy most feared by  
the government, the awful Tories.

Some interesting figures have recently  
been published concerning the re-  
sults of the municipal ownership and  
operation of street railways in Man-  
chester and Sheffield, England, last  
year. In Manchester, during the past  
year, the first under the municipal sys-  
tem, a clear profit of \$250,000 was made,  
all of which is to be devoted to the  
lowering of the present fares. In Shef-  
field, where the system has been longer  
in operation, the city netted a profit of  
over \$135,000, in spite of the fact that  
the prevailing rate of fare was a penny  
or less.

On the fifth of July Colonel Tucker,  
M. P. for St. John county, addressed  
the house for the first and only time  
this session. Following is the Han-  
sard report:

"Mr. Blain—My hon. friend from  
Cumberland told us we were discuss-  
ing the policy of the liberal conserva-  
tive party.

"Mr. Tucker—Loudly.

"Mr. Blain—What is that voice  
from behind the Speaker's chair? It is  
the first thing the honorable gentle-  
man has said since he came to par-  
liament. Perhaps he will be good  
enough to sit down until we get  
through."—Sun.

**THE QUEST.**

I saw the towering clouds take fire  
From the low sun, and thought them  
blot;

They neared the land of my desire,  
The splendid West.

Spring laughed in breaking bud, clean  
air,  
In skies that took the tone of rest;  
I saw, yet found them not so fair  
As in my West.

Night grew, a breathing silence fell,  
And peace, pure peace, was manifest;  
Yet loved I not quiet peace so well  
As in my West.

What balm, then, for this ancient pain,  
This torture of the baffled quest?  
Only to take the same dear road again  
That reaches West.

### ORANGEMEN CELEBRATE

Good Times All Over the Province  
in Honor of the Glorious  
Twelfth.

Orangemen all over the province cele-  
brated the 12th yesterday quietly,  
but in a joyous manner. The St. John  
Orangemen who went to Gaspoint did  
not get back to Indiantown till five  
o'clock this morning. Capt. Taylor,  
of the Victoria, deciding that the weath-  
er was too thick to attempt to make  
Indiantown with safety. Despite the  
night on the river, all agree that it  
was a most enjoyable excursion.

The York county Orangemen held  
their celebration at Stanley, where a  
big parade was held.

At Dorchester the Westernland Loy-  
al Orange Association held a big cele-  
bration. The weather was perfect  
and the celebration a record break-  
er.

The St. Stephen Orangemen cele-  
brated the day with their brethren in St.  
Andrews.

The Albert county Orangemen as-  
sembled at Hopewell Cape and had a  
good time generally.

The race, the Sussex drew a large  
crowd and furnished good sport. Fol-  
lowing is the summary:

**MANY PUPILS FOR KINGTON.**

The new consolidated school at  
Kington will probably have a full  
complement of pupils by the close of  
the summer holidays. Many of these  
will come from outside the seven con-  
solidated districts, as within the seven  
districts there are only about 175 pu-  
pils. Applications from intending pu-  
pils have come from distant parts of  
New Brunswick and Nova Scotia.

The great difficulty now to be over-  
come is the securing of board for all  
the pupils. Some ten in the  
neighborhood have offered accommoda-  
tion, but they ask \$3 a week, which is  
too high. Those interested in the  
school believe that the only way out of the difficulty is to erect  
a residence in which all pupils from  
distant parts may find accommodation.

A teacher for domestic science has  
not yet been secured, though applica-  
tions for the position have come from  
different persons, none of whom were  
deemed to possess sufficient qualifica-  
tions.

**EASTMAN GUILTY.**

ALFRED, Me., July 12.—Dr. Charles  
A. Eastman of Old Orchard, in Man-  
chester, was found guilty of manslaughter  
here late this afternoon in having  
caused the death of Miss Edith Mc-  
Intyre, who was 24 years of age, died  
from the effects of an illegal opera-  
tion. The case, which has been on  
trial several days in the York county  
supreme court, was given to the jury  
shortly after noon today. As soon as  
the verdict was announced counsel  
for the defense filed exceptions, and  
these will be argued before the full  
bench at a late date.

Judge Lucius J. Emery, the presid-  
ing justice, fixed Dr. Eastman's bonds  
at \$5,000.

Dr. Eastman is well known through-  
out this state and in Massachusetts  
he is the proprietor of a sanitarium at  
Old Orchard. He was arrested at  
Bedford, Mass., several months ago.

**BURPEE FIGHTS EXTRADITION.**

OTTAWA, July 12.—According to  
advice received by Lieut.-Col. Sher-  
wood C. M. G., commissioner of domi-  
nion police, the proceedings in the ex-  
tradition court at St. Louis, against  
Isaac Burpee, of St. John, N. B., who  
is wanted for alleged fraud in the  
Yukon, have sustained the charges of  
breach of trust, but dismissed those of  
stealing from his partner.

Burpee intends to fight hard for li-  
berly, for he has decided to appeal  
against the extradition decision in the  
one case, and if necessary to go to the  
supreme court at Washington.

Ungar's fancy ironing cannot be  
beaten.

**WITH ADVERTISERS.**

A great half-price sale of ladies'  
dress hats for visiting and church wear  
begins tomorrow at Moffat & Suther-  
land's. See adv. in this issue.

"Harry" told the visitor, "you  
know your letters yet?"  
"No, ma'am," replied the little fel-  
low. "I've not the mail carrier."

### LOCAL NEWS.

When a short distance below the  
Frederickton bridge on her way down  
to the city yesterday the Majestic ran  
upon a sunken log and broke one of  
the propeller blades. The accident  
caused her to be a half hour later than  
usual in arriving at Indiantown. A  
new blade was put on last night.

Angus Smith, who was recently sen-  
tenced at Yarmouth to serve two and  
a half years at Dorchester, was  
brought here by Sheriff Kelly Monday  
night. Yesterday the convict was taken  
to Dorchester by the Yarmouth of-  
ficer.

At Chubb's corner yesterday T. T.  
Lantulum offered for sale a lot of land  
50x100 feet, situate on Tower street,  
Carleton. The first bid was \$125, then  
after a few bids the property ran up  
to \$355 by \$1 bids, when it was  
knocked down to C. F. Sanford.

On the 12th of July the eighth  
annual cruise of the Royal Kennebec-  
cas Yacht Club will be held. About  
twenty-five boats, with probably one  
hundred and fifty yachtsmen, will start  
from Millidgeville and until the 24th  
the party is expected to have a jolly  
time. Both steam and sail yachts will  
participate in the cruise, the only out-  
side boat being the Hermes II. of Yar-  
mouth, owned by A. Lovitt.

**ALIEN LABOR BILL.**

OTTAWA, July 12.—There is trouble  
in the cabinet over Mulock's alien labor  
bill in its application to the G. T. P.  
syndicate operations, and present in-  
dications point to Sir Wilfrid having  
to take the back trail at the dictation  
of the Yankee master of the ministry.  
A little scuffle took place today, to be  
renewed on a larger scale tomorrow,  
when Fielding, Emmerson and other  
cabinet ministers will be present. This  
is no guess or inference, but comes  
direct from a leading liberal member.

The commonsense spent all day in fur-  
thering the discussion of the bill, amend-  
ing other sections and passing  
others after protracted talk. Some  
years hence the country may be  
able to understand just what the par-  
ticulars of the bill mean. There are  
sure to be some alterations next ses-  
sion, if only to make clear several of  
its sadly muddled provisions.

The government has decided to cre-  
ate a new office in connection with  
the department of trade and com-  
merce. It will be that of superintendent  
of the commercial agencies. F. C. T.  
O'Mara, the present chief clerk of  
the department, has been appointed  
to the position. He will have control  
of fourteen Canadian agencies in dif-  
ferent parts of the world. He is a  
nephew of Sir Richard Cartwright.

Private Smith, of the Marine Corps,  
who was the first to fry and Strathcona  
will hold on as long as life permits.

**CANADIANS AT BISLEY.**

LONDON, July 12.—Two Canadians  
made high scores yesterday afternoon  
at the Bisley rifle range. One of the  
men realized a possible 50 with ten  
bullet-eyes. Staff Sgt. Crowe in the  
same match put nine bulls-eyes and  
a score of 49 points.

Private Nealmith, of the 1st Regi-  
ment, of Stewart, Ont., came within  
a possible 50 in two matches,  
scoring 34 in the J. H. Stewart Chal-  
lenge Cup at 300 yards and in the  
Gregory match at 200 yards.

In the Alexander Martin Match to-  
day Sgt. G. Mortimer, of the 4th  
Regiment, Toronto, obtained a score  
of 47, which is within three points of a  
possible 50.

In the Armourers Company match,  
with service rifles at 300 yards, Major  
W. P. Moore, of the 25th Regiment of  
Georgetown, put 47 out of a possible  
50. The prices aggregate \$25 and the  
first prize is \$10. In the same  
match Private Nealmith realized 46. In  
the Gregory match Capt. R. Dillon, of

**WINNIPEG EXHIBITION, JULY**  
**25TH-26TH-27TH.**

The annual exhibition at Winnipeg  
is now coming to the front as one  
of the most attractive fairs through-  
out the Dominion. Manitoba and the  
Canadian Northwest are making won-  
derful progress in every way.

Arrangements have been made for  
special reduced rates of one first class  
fare for the round trip via the all rail  
line in each direction, tickets on sale  
to general agents, July 22nd, and re-  
turning to Winnipeg, on or after July  
24th, to return till August 20th.

However, passengers desire to travel  
both ways via the lake route, that is  
via Toronto, Owen Sound and steamer  
to Port Arthur, the rate will be \$5.00  
more than single fare, to cover cost  
of meals and berth, which are included  
in ticket on steamer.

Anyone wishing further information  
with reference to rates, etc., should  
communicate with C. B. Foster, D. P.  
A. C. P. Railway at St. John, N. B.

The M. P. A. A. has suspended pen-

the clubs of the St. John, Moncton and  
Springhill baseball leagues for playing  
with or against professionals in com-  
petition and for playing when an en-  
trance fee was charged. The suspen-  
sion does not prohibit the boys in the  
least, the majority of them never  
having heard of the M. P. A. A., and  
now, having heard of it, care less.  
The boys are happy as long as the  
suspension does not keep them from win-  
ning games.

**CAPT. PECK'S DROWNING.**

Particulars of accident by which His  
Wife and Daughter Met  
Death.

The drowning of Captain Peck, his  
wife and daughter at Dry Tortugas  
(Fla.) on Saturday last was due to the  
capsizing of a small boat in a squall.

In the sail boat with Capt. Peck and  
his family were two United States na-  
val men, Corporal Gologly and Pri-  
vate Smith, of the Marine Corps. All  
went until the outer part of Tor-  
tugas harbor was reached, when a  
sudden squall struck the boat. All  
were thrown into the water. None  
could swim but Private Smith.

Private Smith, however, swam  
back to the boat. Private Smith  
became exhausted. Capt. Peck's  
daughter was the first who sank. Capt.  
Peck went next. His wife, who had  
already sunk once, was held by Cor-  
poral Gologly.

Two marines who were fishing in  
the bay came upon the overturned boat  
some time after the accident occurred.  
Private Smith was taken aboard in an  
exhausted condition. Corporal Gologly,  
still holding the lifeless body of  
Mrs. Peck, was then rescued. The  
bodies of Capt. Peck and his daughter  
were found floating on the surface of  
the water.

The bodies are to be forwarded to  
New York for interment.

**THE TEA MEDAL AFFAIR.**

Yesterday morning Judge Barker  
granted Baird & Peters an injunction  
restraining Agricultural Society No. 34  
of Fredericton from issuing medals to  
J. J. McGarrigan or to Blue Ribbon  
Tea. Their next move, and the logical  
one, will doubtless be to obtain a  
mandamus from the court to compel  
the Fredericton exhibition directors to  
issue the medal awarded to "Van Tea"  
at the last exhibition.

First Closing Exercises of Lancaester School Tomorrow.

The Deaf and Dumb Institution at Lancaester Heights holds its closing exercises on Thursday, beginning at two o'clock in the afternoon. W. J. Stewart, principal, and his staff, have had little time to prepare for the occasion, but in the time at their disposal they hope to have a program which will afford entertainment to the visitors. The program will be intended to illustrate the methods used in the school, beginning with the junior classes and gradually running up to the higher ones. Both the sign system and the oral system taught in the school will be used in the illustrative exercises. The different stages through which the pupil advances will be shown, commencing with the alphabet and going through all the forms of speech, nouns, verbs, etc. The pupils will give examples of writing, composition, arithmetic and geography. The lower grades will give examples of language work. At the close of the exercises the hymn "Nearer My God to Thee" will be sung through in the sign language, after which the older pupils will repeat orally the Lord's Prayer. The school will be closed for two months, during which extensive repairs will be made in the building. All the

teachers and pupils will go to their homes during the vacation.

# STREET RAILWAY WORK BEGUN.

Large Gang Start Today on the Double Track to Bay Shore—Other Improvements.

The street railway company began work this afternoon on the second track to Bay Shore. There are about sixty-five men employed on the job. The company intends to employ all the help available and to push the work to completion in the shortest time possible.

As soon as the second track is completed the car service will be increased by the addition of several new cars. Chief Engineer Brown left yesterday for the United States to make arrangements with one of the leading car manufacturers there for the building of the new cars. When the new cars arrive the company will do away with the transfer system at the corner of Douglas Avenue and Main street, as a direct service from Reed's Point to the suspension bridge will be established.

Extensive improvements are soon to be made at Sea Side Park. Already the restaurant building has been improved by making the ground story into one big room. The restaurant is now lighted by electric lamps. At the rear of the building an artesian well is to be sunk.

The people of Fairville are protesting against the possible tracking of the line from the bridge to the asylum corner on account of the crowded condition of that street, where induced currents flow Lowell, Long and Gregory to take steps to prevent the laying of the second track. They urge a justification of the street railway company should extend a branch through Fairville and thus make some kind of an endeavor to give the Fairville people a better means of travelling to and from Fairville. It is not known yet what reply the company will make to this protest.

# NO MORE HORSE RACING FOR PRIESTS.

(New York Herald.)  
With the return yesterday of the priests of Archbishop Farley's diocese from their two weeks' retreat at the Dunwoody Seminary it was announced there would be a stricter interpretation of some of the rules of discipline for the clergy, particularly the one forbidding the attendance of priests at race tracks and theatres. The rule in respect to theatres has by custom come to have an exception when the performance is given for a charitable purpose. Otherwise a baseball game, or some athletic contest in all that is left for the amusement seeking cleric.
