#### PAYMENT OF BILLS.

Bills will be rendered Oct. 10th, Feb. 10th and May 1st, and prompt payment is expected.

The necessity for prompt payment is readily seen by every one. Large purchases have to be made from time to time; salaries have to be met, and interest on the debt on the buildings has to be paid. and prompt remittances are necessary to enable the Managing Committee to meet their engagements.

No deduction in tuition or rent bills will be made for absence during the first two or last two weeks of a Term.

Students who have paid in advance, but who may be called away Students or from the Institution by sickness or other necessary cause, will have honorable dist the money refunded to them pro rata for time of absence.

#### BUILDINGS.

The dormitory for young men was built about five years ago. advantages suc The rooms are comfortable, and the corridors are warmed by hot air any one on a l furnace. The rooms are furnished with bedstead, mattress, table, chairs, book-case, wash-stand and store. Students are expected to provide their own bedding, towels, etc., and whatever they may deem necessary to complete the furnishing of the rooms.

In its Dining Hall, board is provided for students of both the all times and i College and the Academy.

This building is supplied with water on each flat conducted each day; to r through iron pipes from a thoroughly built and well protected reserving and the B voir about half a mile distant.

The building known as the "Old Boarding House" contain and quiet about rooms for about twenty students, besides affording accommodation for faithful effort the Janitor and for an Office.

The recitation rooms for the male Academy and for some class demission is re-in Acadia Seminary are in the New College building. These room The use of in are modern in their construction and well adapted to the purpose for which they were designed.

which they were designed. The boarding departments of both Horton Academy and Acad permitting them Seminary are managed by the Executive Committee of the Goven a the vicinity of ors of Acadia College. No personal or private interests are subser The design is to keep prices as low as possible. If by prude ed.

management anything is saved, it is a gain to the Institution. Th management anything is saved, it is a gain to the Institution. It being the case, it is clearly the duty of every Baptist parent sendin A daily recor-sons or daughters to the Institution to beard them in it, and the orwarded to pa assist an enterprise in the financial prosperity of which frequently if rec participate. mentation of the grounds, the newness and completeness of the buildings-all of which have an educating and refining influence-this eat of learning is unrivalled in the Province, and cannot fail to command a larger patronage than ever before.

#### ADMISSION.

The regular time of admission to the Academy is at the beginning of each Term, and on November 1st. Students may, however. enter at any time, provided they are able to join classes already organized and at work.

Testimonials of good moral character, from some responsible person, will hereafter be required from those with whom the teachers are not personally acquainted.

Students coming from other schools must present certificates of sause, will have honorable dismissal from the same.

#### SUPERVISION.

A Teacher resides in the young men's boarding hall. Students occupying rooms there are under his care and supervision. The five years ago. advantages such enjoy over those rooming elsewhere are apparent to med by hot air any one on a little reflection.

#### REGULATIONS.

Every student is expected to be gentlemanly in his deportment at nts of both the all times and in all places; to faithfully observe the hours for study and recreation; to be prompt at the opening exercises of the school 1 flat conducted each day; to properly observe the Subbath, and attend public wor-1 protected reserving and the Bible class; to be punctual at every recitation or send

a written statement explaining why he is not there; to be orderly Iouse" contain and quiet about the buildings; to be respectful to teachers; to make commodation for faithful effort to perform every duty assigned; --such, in the main, ire the regulations of the school, and every student who at plies for for some class dimission is received only on condition of assenting to the same. In the second structure of the school, and every students who at plies for the use of intoxicating liquors is absolutely prohibited. The use of Tobacco is forbidden to all students under cighteen

tears of age, unless they present a written request from their parents demy and Acade cermiting them to use it. Smoking is not allowed on the grounds e of the Gover a the vicinity of the buildings, nor on the public streets.

#### DAILY RECORD.

A daily record of deportment and scholarship is kept, and will be m in it, and the orwarded to parents and guardians at the end of each term, or more of which imquently if required. locality, the Demerits will be given for ungentlemanly conduct, for lack of the tasteful or unctuality, for wilful violations of Academic regulations and for dis-

rests are subse If by prude Th nstitution. st parent sendi

regard of hours of study. When the demerits reach 50, they will be forwarded to the parents : when they reach 100 the student will be removed from the school.

The demerits received one term may be reduced or wholly removed by unexceptionably good deportment the subsequent term.

#### CLASSIFICATION.

Every recitation is marked on a scale of 10. Unexcused ab requestly du sences from class are reckoned as failures. The daily marks are lose of the combined with the results of frequent written examinations, and the re cordially rank list records. rank-list prepared accordingly.

There are three grades of scholarship :

| First Grade-the | ose | whose | average | is | from  | 6.5 to 10. |  |
|-----------------|-----|-------|---------|----|-------|------------|--|
| Second Grade-   | **  | "     | "       |    | "     | 4.5 "6.5.  |  |
| Third Grade-    | •6  | "     | "       |    | below | 4.5.       |  |

Students of the Junior Class who, on the year's work, have ob tained First Grade are allowed to advance to the Seujor Class: those of Second Grade are allowed to join the Senior Class on probation for one term, and in case they do not improve their standing, the are put back into the next Junior Class. Students of the Thin Grade are required to go over the year's work again.

In all cases demerits debar from promotion.

By vote of the Faculty of Acadia College, First Grade Student from Horton Collegiate Academy are admitted to College as fu Matriculants, without examination, on presentation of a certificat from the principal of the Academy. Students of the Second Grad are admitted on Probation for one term ; if during that time the improve their standing, they are then fully admitted.

Students must have been in the Academy at least three month to get the benefit of this arrangement.

#### MORAL AND RELIGIOUS INFLUENCES.

This Academy, from its foundation in 1828, has had a moral an religious record, unsurpassed by any school of like character on thi Continent.

During the past six years about four hundred different student have been enrolled. We question if any from this number, wh came here moral and well disposed, became contaminated through influences here, and left the school addicted to habits of vice. cases where students have not turned out well, they had formed vi ious habits before entering the Academy. On the other hand, man who have come here thoughtless and irreligious, have, while her met with religious influences that have changed their purposes for life.
