400,000 BARRELS POTATOES SHIPPED

Tracey Says Even New Shed Will
Will Not Fill Warehouse
Demand

That 400,000 barrels of potatoes had
been shipped thus far this season and
that the prospects were that the Ha-
vana market would hold good until
late in the spring and shipments con-
tinue until the end of June was the
statement of R. K. Tracey, M.L.A., of
Centreville. One shipment was being
sent forward this week, he said, and
another boat would be loaded next
week. At present he said the Havana
market was a little dull due to the
fact that their own crop was just com-
ing in now.

Mr. Tracey, who has spent the
greater part of the winter in St. John
looking after the shipments of pota-
toes for Porter-Hatfield-Gallagher Ltd.,
also said that the shipments this
year exceeded by a little those of last
year up to this time. Last fall, he
said, 30,000 barrels of New Brunswick
potatoes were shipped to Havana for
seed purposes, and it was the crop
of this seed that was now being
reaped to the advantage of the ship-
pers for the present.

The new potato warehouse in West
St. John, Mr. Tracey said, would mean
a big thing for the potato shippers,
but even with the added accommo-
dation that this shed would give, it
would still not be great enough to
satisfy the demand for warehouse
space.

The average shipment of potatoes
is from 10,000 to 15,000 barrels, the
first being the minimum and the sec-
ond the maximum shipments, he said,
or roughly from 50 to 75 carloads. The
total storage capacity of the present
shed No. 14, the old shed and the new
one, when completed, Mr. Tracey said,
would be 100 carloads, or one ship-
ment and the fraction of a second.
In many cases it took over a consid-
erable time to prepare the potatoes for
shipment and the fact that there was
not storage room enough to have a
whole shipment ready all the time,
made it difficult for shippers to have
the shipment ready at any time to be
loaded, he said.

The lack of sufficient accommo-
dation during the last winter, Mr. Tracey
said, had been very inconvenient on
several occasions, when as many as
15 cars of potatoes had to stand in
the railway yard, unloaded and in
danger of freezing, and becoming un-
marketable. To save them had caused
the shippers a lot of trouble and ex-
pense, they having to keep fires going
in the cars for several days at a time.

The new shed, Mr. Tracey said, would
be ready to accommodate a shipment
of potatoes within the next couple of
weeks. It is all but enclosed and the
finishing touches will take only a
short time at the present time.

When asked regarding the move to
raise the standard of Canada Grade A
potatoes, Mr. Tracey said that it
would be disastrous to the trade in
Canada as it would make all Canadian
first grade potatoes second grade. At
the present Canada Grade A was the
same as the first American grade. No
complaints had been received about
Canada Grade A potatoes and why
the new legislation had been proposed
he could not understand. He did not
expect, however, that the bill would
be passed, as there would be strong
opposition to it from all of the potato
growers in Canada.

The shipment of potatoes through
this port, Mr. Tracey said, meant more
to the city than the actual labor con-
nected with the loading of the ship.
Although the greater part of the spuds
were shipped in bags, yet there were
a great many barrels forwarded and
this was particularly true of this
season. All the barrels manufactured
in St. John were used for potatoes, he
said, and that the city could not sup-
ply the demand. He instance the
fact that last year 10,000 barrels had
to be purchased in Nova Scotia. A
barrel costs the shipper 60 cents.
When the order amounted to hundreds
of thousands it could easily be seen
just what potatoes shipped through
St. John to Havana meant to the Har-
rel making industry.

By far the greater bulk of the Ha-
vana shipments were made by Porter-
Hatfield-Gallagher, Ltd., in their own
chartered steamers and were stored
in the warehouse which they rent
from the city and have fitted up and
kept frostproof, employing a large
force of men there all winter.

BIRTHDAY PARTIES

Mrs. Harry Lipsett was hostess at
a birthday party on Wednesday last,
given in honor of her daughter, Mona,
it being her 15th birthday. The guests
were: Anna Carpenter, Edna Harris,
Evangeline Hildes, Edith Hayden,

Elizabeth Hayward, Muriel Miller,
Laura Noyes, Mabel Noyes, Helen
Lester, Margaret Orser, Clare Kelley,
Florence Britton, Margaret DeGrass
(Waterville), Helen Dunham, Marg-
aret Belyes, Harriet Harris, Mildred
Dickinson, Annie Kinsley, Mabel Ride-
out, Helen Rideout, Allen Baker, Rus-
sel Britton, Clinton Clark, Aubrey Ba-
ker, Hazen Hayward, Dean Price, Paul
Kyle, Creighton Baker, Arden Noyes,
Glen Belyes, Claude DeGrass (Water-
ville), Fred Dickinson. The evening
was spent in games and music, Miss
Mona was presented with a camera, a
beautiful coat brush, a drinking cup
and box of chocolates. Luncheon was
served, Mrs. G. F. Bolster and Mrs.
C. R. DeWitt assisting.

A delightful surprise party was held
at the home of Mr. and Mrs. Harry
Lipsett in honor of their daughter
Pauline's thirteenth birthday. Those
present were Miss Pringle, Miss King-
ston, Misses Muriel and Minnie Cook,
Edith Dickinson, Alice Keswick, Glen-
na Rideout, Helen Bradley, Anna Or-
ser, Fernie Hovey, Myra McQuarrie,
Irene Barter, Mary Baker, David Mor-
gan, Kenneth Christian, Willie Quigg,
James McQuarrie.

The evening was spent in games,
etc. Pauline was presented with three
lovely pieces of French ivory. After
a delicious lunch the party returned
to their homes at 10:30 calling it a
"good time."

BATH BREEZES

The death of Mrs. Allan DeMerchant
occurred Saturday morning at the
Fisher Memorial Hospital at Wood-
stock. Her death came as a distinct
shock to her friends, as she had only
been admitted to the hospital preced-
ing Thursday. The heartfelt sym-
pathy of the whole community is extend-
ed to her husband and the other be-
loved members of the family.

Mrs. Stammers, St. John, arrived in
town Monday to pay a visit to her
daughter, Mrs. S. MacDonald.

Thomas Keenan was a caller in
Woodstock on Monday.

Edward McSherry spent the week-
end with relatives in Woodstock and
Newburg Jet.

Rev. W. M. Donohoe, Johnville, left
Friday last for St. John to attend
the ordination to the priesthood of
Rev. Carson Keenan and Rev. Michael
Johnson of Newburg, this county.

Rev. Father Keenan is a brother of
Miss Gertrude Keenan, who last year
was principal of the Bath school.

The first consignment of young pigs,
32 in number, were shipped from this
place on Monday by Bohan & Co. They
were consigned to buyers in the North
Shore district.

Rev. G. A. Giberson was a caller in
Centreville during the past week.
Robert Ryan has gone to St. John.
He is expected to return some time
during the present week.

Charles Bohan was called to St.
John on business on Monday.

Charles F. Gallagher, President of
the Carleton Electric Co., returned on
Saturday from Fredericton, where he
had been called on business relating to
the above mentioned company.

Mrs. Coleman Bowen, Johnville,
spent Tuesday in Woodstock. She re-
turned home on Wednesday.

Harry Keenan and Mrs. Keenan re-
turned on Tuesday from Woodstock,
bringing home their six year old son,
Henry, who was operated on at the
Fisher Memorial Hospital for appendi-
citis.

B. A. Mullin, Newcastle, was in
town on Tuesday last.

Mrs. P. P. Brennan, St. John, and
formerly a resident of this town for
many years, returned to her home on
Thursday last, after a very pleasant
visit spent with friends here. Mr.
Brennan, who is ever popular with old
and young, was the guest of honor at
many small functions during her stay
here. En route home she spent a few
days in Horton, the guest of Miss
Margaret Attridge.

Forty per cent of the road taxes are
allowed to be expended on sidewalks
and less than this amount would be
required to make a vast improvement
in the sidewalks of our town. The
need is apparent to all. Skidding is
a dangerous practice and should be
avoided. The practice, however, is
becoming more prevalent every day.
An antidote should be administered as
soon as possible. The construction of
new sidewalks and the repairing of
the present ones is the only known
antidote. A fraction of the 40 per cent
of the road taxes as allowed by law for
this purpose would work wonders.
The application of yards of gravel
along the borders of our streets, would
improve the appearance of our town—
stamp out pedestrian skidding and
restore the mental equilibrium of our
citizens.

It is hoped that before the fall rains
set in the construction of these side-
walks shall have gone on out of the
dream-stage and become by then a
fully matured, non-skid reality.

ELECTRIC CAR FOR VALLEY RAILWAY

Will Run Daily Between Centreville
and Fredericton—Use More
Electricity

The report that the C.N.R. will in-
augurate an electric car service be-
tween Centreville and Fredericton
commencing May 19, has been con-
firmed. The car will leave Centreville
early in the morning and return in
the evening, running every day. This
should prove of immense satisfaction
all along the line. The electricity will
be supplied by Carleton Electric Com-
pany, Limited, at their Centreville
plant and will utilize about one-quarter
the current the line is capable of
transmitting. Besides the great con-
venience to the people the car will
prove, users of electric current will
also benefit as soon as the maximum
load is reached. They may reason-
ably hope for a general reduction of
the rate per k.w.h.

Hartland is not using the amount
of current the Company anticipated,
notwithstanding the Public Utilities
Board have fixed a rate of 11c for
house lighting, six cents for street
lighting, five cents for town pumping,
while other power is supplied at seven
cents with a minimum of \$3 per
month. At this rate for power it is
proving wonderfully economical for
the small users. One instance is in
The Observer plant where four motors
are used. These replace two gasoline
engines, which have been operating
at a cost of more than \$40 per month.
The power bill for the office for the
month of March was \$3.08, which is
a saving of more than \$400 per year.
Another small power user in town stated
that last week he had one job that
he had used his old gasoline engine
the power cost would have been \$5.
With the hydro the cost was cut down
to 60c. At the present time and at
the present rate the current is used
and price charged, the local company
can not break even. When more peo-
ple use power and light, say twice or
three times the current now used, the
rate will surely be reduced to every-
body.

The Utilities Board seem to be quite
fair to all concerned. If they find the
company making too much profit they
quickly order the rate lowered, but
there is danger that in seeking to get
lower rates the Board may discover
that a boost in rates is necessary. The
success of Carleton Electric Company,
organized by business men of the
county for the benefit of the people,
limited to a profit of 7 per cent inter-
est returns on the investment, must
have the full support of all the com-
munities it serves, and in this the
local distributing companies must re-
ceive patronage to warrant their in-
vestment.

AT THE HARTLAND UNITED BAPTIST CHURCH

The services at the Baptist church
last Sunday morning was devoted to
the young people of whom a large
number were present. The pastor,
Rev. G. F. Bolster gave a special il-
lustrated sermon on evil and its re-
moval. In connection with this ser-
vice awards were given to the mem-
bers of the morning worshippers' league.
Fifteen of these young people
received special recognition for per-
fect attendance for the last year;
while twenty had perfect attendance
for the last quarter.

Next Sunday the pastor will preach
at both the morning and evening ser-
vice. The subject of the morning will
be "Christian Liberty," and in the eve-
ning the subject will be "The Best
Advice a Woman Ever Gave to a
Man." Do you know what that advice
is? You will learn about it at the
Baptist church next Sunday night.
Special music will be provided by the
choir.

Centreville on Saturday.

On Thursday, April 3, Mr. and Mrs.
Zemro White celebrated their forty-
fourth wedding anniversary, surround-
ed by their children and grand chil-
dren. A pleasant evening was spent in
games and conversation after which
delicious refreshments were served. Mr.
and Mrs. White's many friends wish
them many more years of wedded
bliss.

Rev. K. Vallis spoke in the Baptist
church on Sunday afternoon his sub-
ject being "A Cure for Worry." He
told us not to be over anxious or wor-
ry about the things of this world, for
our Heavenly Father that clothed the
birds and the flowers of the field cared
for us; not to worry over such trivial
things as a new Easter hat or coat or
our foot but to trust in God for he
had promised to give us the things we
needed most, so why worry if we were
his children?

The Value of a Guarantee

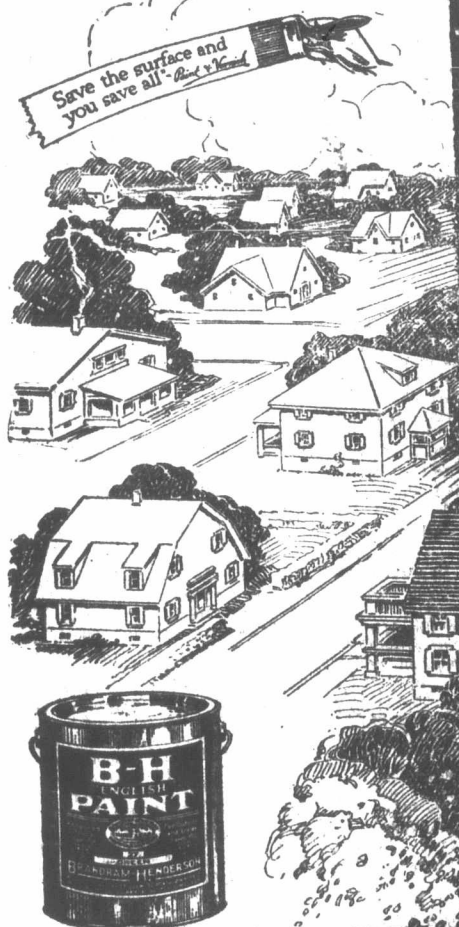

lies not so much in its protective penalty as in its satisfying assurance. No firm selling goods with a guarantee attached, expects to be called upon to pay the penalty. For it is naturally the intention to so carefully guard the quality that dissatisfaction will be impossible.

Throughout its many years of service "King Cole" Tea has consistently been sold with a guarantee—a guarantee definite and substantial. It is printed on every "King Cole" package.

It carries to the buyer an evidence of good faith—a confidence in ability to serve—a determination to serve well.

LOWER WINDSOR

Mrs. C. S. Hallett and niece, Pearl Hawkins, have spent the past week visiting friends at Centerville.

Spurgeon Craig, contracted the Detroit fever and became a victim April 2.

Douglas Hallett is wearing a broad smile—an N. B. telephone in Thursday.

Everd Craig left on Friday to attend to his farm at Jacksonville to remain indefinitely.

Pauline Belyes who is at present working at Joseph Craig's, spent Friday evening at her home where a number of the young people gathered to welcome her. A very pleasant time was spent.

George Foster who has been cooking for Smith & Foster at Oak St. returned home April 4.

Merrill Foster has been hauling lath for Fred Smith.

Mrs. Jos. Craig and Mrs. Cole Paget are on the sick list.

Roy Caldwell is getting up his next season's work.

Mrs. Sam Belyes received glad news that her daughter Lena, arrived in Detroit safely.

ohn Foster is still hauling for Fred Smith.

Arthur Foster finished working for Fred Smith March 29.

Two of Cole Paget's children have measles.

Mr. Orser is staying at the home of his daughter, Mrs. John Foster.

ANNIE EMILY ANDERSON

A gloom was cast over Upper Kent on the early hours of last Friday morning when the sad news came over the wires that Annie Anderson had died the night previous in Toronto.

where she had only gone a few days before for treatment for diabetes from which she had been ailing for some time. Her unexpected death was caused from her developing measles.

Her remains were brought home on Monday for burial.

Annie was the second daughter of the late George and Mrs. Anderson and Mrs. Anderson was of a loving and cheerful disposition, being a general favorite with all whom she came in contact with during her short life of 18 years.

The funeral service was held from her home on Tuesday afternoon and was conducted by the Rev. G. C. Pringle. There was a short service at the house, then after interment at the house, then after interment at the house, then after interment at the house.

longer service was held in the Presbyterian Kirk of which the deceased was a member.

The following hymns were beautifully rendered by the Perth choir: The Lord is My Shepherd, Sleep on Beloved and Take Thy Rest, Will the Circle Be Unbroken, Saved By Grace, Beautiful Isle of Somewhere.

Mr. Pringle spoke very feelingly and words of comfort and cheer to those bereft, for they are not as those that mourn without hope. She leaves to mourn their loss, her mother, seven brothers and three sisters. William of Saskatoon, Phyllis and Christine of Newville, Michigan, James, Alex, Beatrice, Alice, Gordon, George and Kenneth at home. The pallbearers were James and Alex Anderson, brothers of the deceased, Frank Christie, Raymond Smith, James and Lester Barclay.

HELP FOR YOUNG WOMEN

Mrs. Holmberg Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Viking, Alta.—"From the time I was 15 years old I would get such sick feelings in the lower part of my abdomen, followed by cramps and vomiting. This kept me from my work (I help my parents on the farm) as I usually had to go to bed for the rest of the day. Or at times I would have to walk the floor. I suffered in this way until a friend introduced me to try Lydia E. Pinkham's Vegetable Compound. I have had very satisfactory results so far and am recommending the Vegetable Compound to my friends. I surely am glad I tried it for I feel like a different person now that I don't have these troubles."

Letters like this establish the merits of Lydia E. Pinkham's Vegetable Compound. They tell of the relief from such pains and ailments after taking it.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy for female ailments in this country, and thousands of voluntary testimonials prove this fact.

If you doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to the Lydia E. Pinkham Medicine Co., Lowell, Ontario, for Mrs. Pinkham's private text-book and learn more about it.

DREAD!

Don't be in dread of a daily headache. Why? In seven out of ten headaches the cause is eye strain. Some authorities say nine out of ten! Often with vision apparently normal, eyes may still greatly need the help of lenses. The remedy is clear: An eye examination and properly fitted glasses, if needed.

LOCAL AND PERSONAL ITEMS

Mr. and Mrs. E. G. Henman of Centreville, south, entertained a "sleighing" party of friends on Tuesday evening. Cards and dancing were the order of the evening. The party was comprised of Mr. and Mrs. R. Jack Lee, Mr. and Mrs. Harry Patton, Mr. and Mrs. L. London, Dr. and Mrs. E. R. McClinton, Miss Faye Burt, Miss Daisy Burt, J. E. Andrews, J. Kin-sella, Cyril Brown, Mrs. R. Riley. Refreshments were served at eleven o'clock. Mr. and Mrs. Henman are leaving in a couple of weeks for Portland, Oregon, where they will reside.

Mrs. G. F. Burpee returned from a visit to Fredericton on Thursday last. Carey Dickenson of Lakeville visited Mr. and Mrs. T. H. Jameson last week.

Arthur May of McAdam was the guest of Mr. and Mrs. John Reid on Thursday.

Miss Doris Lee entertained a large number of her young friends at a birthday party in the opera house on Thursday evening. Dancing was the order and a most pleasant evening was enjoyed by all. Refreshments were served at 11 and dancing resumed until after midnight.

The third and deciding game of a series of hotly contested basketball bouts for local supremacy was played between Woodstock High and Centreville on Friday evening. The game was full of thrills throughout, although the local boys had the game well in hand at all times. The final score stood 25 to 16 in favor of Centreville, with the line up as follows:

Woodstock Centreville
Bainman 1 White 7
Kennedy 9 A. Niles 3
Gilliland 3 Douglas 11
Smith 2 Peppers 11
Hayden 1 G. Niles 0
Clark (Spur) 0

This makes the present standing of the teams—Centreville 2 games, Woodstock 1.

MISS LOUISA KING

Lakeville met with a great loss on Wednesday, April 2, in the death of Miss Louisa King. Miss King moved to this village from Bellisle with the rest of her family, more than sixty years ago, when she was a child, and has resided here ever since. By her quiet, sympathetic life she endeared herself to all. In religion she was a Presbyterian, but loved all who were striving to make the world better. The day had to be stormy, and the roads impossible if she was not in her place at Sunday school and church, as she regularly attended both the Methodist and Baptist churches. The Bible was her book although she read a great many other things. She is survived by one sister, Mrs. Marjorie Ronald of Glasville. The late Colin and John King of this place were brothers also Dr. W. G. King of Buctouche, who died a few years ago. Senator Geo. King of Chipman is a cousin; Rev. Geo. King, a Medical Missionary in Korea, is nephew.

The funeral which was largely attended was held in the Baptist church, Rev. H. R. Bell being assisted by Rev. Hugh Miller. The many lovely flowers could only speak silently of the esteem of her many friends and neighbors. Interment was in the family lot where rest most of the large family, who moved here when this village was young and who were always alive to every good word and work.

For 14 years she had as a companion in her home Miss Dorothy Stanford to whom she was much as a mother. Miss Stanford is about to complete her course at Normal School.

SCIENCE DEMANDS UNIFORMITY

Careful research made in recent years in the study of dietetics has shown the great importance to the human system of purity and uniform

quality in foods. As is a great blessing that today so many delicious foods as well as tea and coffee can be procured in light packages.

"SALADA" Tea was one of the first pure food products to become widely popular in Canada. The aluminum package keeps the tea fresh and delicious while skillful blending maintains the quality absolutely uniform.

It looks like summer time once more to see a few automobiles around the streets, and the Standard oil smell in the atmosphere.

Mrs. Sanford Hallett and Miss Pearl Hawkins of Windsor spent all last week with relatives here.

"The Prisoner of Zenda," one of Anthony Hope's best novels, was screened here on Wednesday last. This play which has been the vehicle for great effort by many great stars of the spoken drama, lost none of its effectiveness in the pictorial version. The cast was an all star one with Lewis Stone and Alice Terry in the leads. The scenes were laid in many lands and were of a most diversified and enchanting character. Altogether it was a striking example of what a good casting director can do with a good novel. On Saturday evening "Burning Words" a tale of the Canadian West and North-west mounted police was shown. Many beautiful settings were shown and one or more bonny fights between our hero and a bad half breed, Pierre. It seemed good too to see the Union Jack much in evidence. "She's a He" a Buddy Messenger comedy helped to lighten up this bill.

News of this week's shows will be found on another page.

HARTLAND, N. B., APRIL 9, 1924.

WHY A LINE TO VANCEBORO?

Much interest is aroused over Canada by the bills being brought into parliament by the Minister of Railways for the building of branch lines as feeders to the C. N. R. A total appropriation of around \$30,000,000, or more than half the first estimated cost of the whole G. T. P. system, is asked for the purpose. Each branch line will be brought in as a separate bill, and the bill was set rolling with a Bill to Construct a Railway from Prince William to Vanceboro.

The Observer must confess to be entirely in the dark as to the necessity of such a line and the questioning of business men who are the largest patrons of the Valley Railway, from which the road is to start, has given no enlightenment. At the present the C. N. R. has outlets to New England via the C. P. R. at St. John, Westfield, Fredericton and at Woodstock, and direct connection with a New England system at St. Leonard's. The amount called for to build the 41 miles of the proposed extension is \$2,100,000—a magnificent fortune. The country the proposed line would traverse is not capable of any kind of development, but a barren waste of huge granite boulders. The proposed line will closely parallel the existing C. P. R. line which suffers for more freight to haul.

It has been contended that if the extension is built that the taking over of the Valley Railway by the C. N. R. will then be assured. But who can have the nerve to ask the Dominion People to assume the burden of this tremendous white elephant, when its millions of cost was spent to benefit hardly 20,000 in New Brunswick? Why ask the people of Vancouver Island and all the rest of Canada to share the burden? The Valley railway was New Brunswick's error, a political phantasy that no real railroad man living or dead would ever have put a dollar into as a business venture.

The awful error of the Valley railway was executed for political capital—and the Provincial People are paying through the nose.

The proposed "connecting link"—there are already five existing—to New England points has been put forth for political favor and for nothing else. For the first time The Observer has taken exception to T. W. Caldwell, M. P., who is doing his utmost for the passage of the bill. It will be really difficult for him to show the necessity of this wild spending of the people's money. Far better for him and his political career if he left every ounce of his energy to SAVING this great sum for the people who are taxed white as it is. Or, if the government wish to spend \$2,000,000 of the people's money in New Brunswick let it be done in some manner that the people will actually realize some benefit. Permanent, level highways leading to the existing railways would be far more useful and serve the people's very real needs, and at the same time give added business to the existing railways.

It is presumed that before the proposed bill passes the Senate figures will be given showing the amount of freight at present handed over to the C. P. R. at St. John, Westfield, Fredericton and Woodstock. It is safe to say that one train a week could handle it all on a yearly average. And it takes many trains a day to make a railroad pay.

Why spend \$2,000,000 on a new line to Vanceboro if the People do not want it, or ask for it, and if railway experts—not politicians—declare the line can never pay?

Mrs. Scott McCain spent a few days with Mrs. Chas. Caldwell this week.

Mr. and Mrs. Edward McCain and Miss Mildred spent Tuesday afternoon with Miss Helen Ritchie.

CONNELL

Since your Connell correspondent is not a weekly contributor of items, it may not be amiss to mention some of the incidents of the past month as well as the present.

Mrs. Jane Stickney of Florenceville who was a guest of Mrs. Ada Perry for a week returned home on Monday. During her visit she and Mrs. Perry were all day guests of Mrs. George Perley, Mrs. Henry Perley and Mrs. O. N. Miller.

George Flanagan of Dover Hill who has been spending a few days at the home of his daughter, Mrs. Henry Perley, returned home on Friday. He and Mr. and Mrs. Perley were guests of Mr. Flanagan's sister, Mrs. Tyson Nicholson, on Sunday.

On Sunday, March 9, Mr. and Mrs. J. Perry and family and Mr. and Mrs. George Perley and Master Kenneth Perry were on the ice from the mouth of the Big Praque Isle stream to Centreville, where they were guests respectively of Mr. and Mrs. Wm. Gilland and Mr. and Mrs. Charles Gardner, Mrs. Perry's parents. It was a delightful drive and probably the last time the road, made for the benefit of the lumbermen, was used as a highway, as the ice was already weakening from the rays of the warm March sun. It shortened the distance by three miles, between Centreville and Centreville, and was the main highway during the winter months.

O. N. Miller and son Norman are engaged in making maple honey and sugar. They have tapped about seven hundred trees and report a good season so far.

Mr. and Mrs. Charles McKay have returned home after spending the winter in Waterville, Me., where Mrs. McKay's parents, Mr. and Mrs. Wm. Orchard, formerly of Knoxport, moved about a year ago. Mr. and Mrs. McKay are receiving a warm welcome from their many friends.

Mr. and Mrs. Isaac Stephenson and little Jean of Middle Simonds and Mrs. Coburn Kelly and daughter Ruby of Kingsclear, were guests of Mr. and Mrs. Rex Stephenson.

The many friends of C. E. Stephenson who has been quite ill for a few days being threatened with pneumonia will be glad to know that he is rapidly recovering, under the skillful treatment of Dr. Brown.

Bertram Perry and his mother drove to Peel a week ago Sunday to visit Mrs. Perry's brother-in-law and sister, Mr. and Mrs. Joseph Grant. Mr. Grant, who has been ill a long time, is not improving in health as fast as his many friends would wish.

Mrs. Perry was glad to meet her cousin, Miss Elva Turner of Hartland and Mrs. C. E. Barnett of Somerville who with Mr. Barnett were also guests of Mr. and Mrs. Grant.

Allen Holmes, son of Mr. and Mrs. Willard Holmes, who went to Detroit nearly two years ago to work in the Ford factory, has attained a responsible and lucrative position. He is foreman of one department and is receiving \$10 per day. His friends congratulate him on his success.

Mrs. Eldon Estey and children have returned to their home in Upper Greenfield after spending the winter with Mrs. Estey's parents, Mr. and Mrs. M. M. Birmingham.

Mr. and Mrs. Clinton Trafford were business callers at Bristol on Friday.

Frank Stokney who has been in Juniper for five months in the employ of George Raymond, has returned home, much to the delight of his many friends.

Mr. and Mrs. Rex Stephenson and family and Mr. and Mrs. J. B. Perry and family were guests quite recently of Mr. and Mrs. Isaac Stephenson of Middle Simonds.

Mrs. Ellen Dooley of Moose Mountain, has returned home after spending a few days with Mrs. Annie Smith.

Mrs. Donald Holmes and son Willard Holmes are guests of Mr. and Mrs. Willard Holmes and Mr. and Mrs. Guy Holmes.

Howard Taylor while working in his woods was accidentally struck with a heavy heavy handle fracturing some of his ribs.

F. C. Squires of Woodstock who attended the funeral of his uncle, William Squires at Bath, on Tuesday, came to Connell where he was guest of his cousin, Mrs. Ada Perry, until Wednesday.

Fred T. Perry of Juniper was a guest of his brother and family from Monday until Thursday.

The many friends of James S. Turner, who is bookkeeper for Flemming & Gibson Co., will be glad to know that he is rapidly recovering from the effects of a deep cut in his instep, which he accidentally received while trying to save some parts of the Flemming mill from the ravages of the fire.

Hon. J. K. Flemming has many friends throughout the province and elsewhere who sincerely sympathize with him in his heavy loss.

Mr. and Mrs. Clinton Trafford and children spent Sunday in Long Settlement at the home of Mrs. Trafford's mother, Mrs. Cassie Grey.

Mrs. Annie Goodwin of Hartland who has been spending some time with her daughter, Mrs. Leo Hayward, is confined to the house with a severe attack of lumbago.

Mrs. C. T. Miller who has been poorly all winter is now much improved in health. She drove to Florenceville yesterday, accompanied by Miss Eliza Flanagan, who was calling on her sister, Mrs. Jane Stickney, and nephew and family, Mr. and Mrs. Watts Stickney.

Perley Brothers are doing a thriving business sawing wood. Last week they sawed fifteen solid cords of wood for Gilbert Stephenson in a little less than ten hours.

Mrs. Scott McCain was the guest of Mrs. Charlie Caldwell several days last week.

MASTER SIX MODEL 24-45 SPECIAL

Comfort in Any Weather Safety for Emergencies

Ask us for details of the G. M. A. C. Plan of Deferred Payments — the plan that makes it easy for you to own a motor car.

SOLID COMFORT is the inevitable result of McLaughlin-Buick mechanical perfection — the comfort of a car properly balanced — the comfort of deep upholstery — genuine leather, of course. Protection against wind, rain and cold provided by the snug-fitting side curtains made with overlapping flaps to keep out the strongest breeze, giving closed car comfort in a touring model. Complete protection against the unforeseen emergency—the protection of McLaughlin-Buick tested Four-Wheel Brakes, which reduce the stopping distance by half and eliminate skidding. Such is the protection afforded by this new Master Six Touring.

In addition there is the knowledge that no detail of comfort or convenience has been overlooked in the designing of "Canada's Standard Car."

LOCAL NEWS AND PERSONAL ITEMS

The Observer asks every reader to help make this page interesting by contributing any local news or personal items they may know about. The editor must depend on the readers to supply them for this page. Don't hesitate to send personal comments, suggestions, or news items. If you have not received the paper in the past, the office will be glad to send you a copy. Anything in the nature of advertising appearing in these columns must be paid for at the rate of 1 cent a line. This applies to Cards of Thanks, Announcements of Meetings or Socials, For Sale, Wanted, Lost, Found, etc. Changed lines will be 10 cents a line. Editor sends the money with the paper, enclosing 10 cents a line. No advertisement less than 50c.

Report of the monthly meeting will be published next week.

Announce baby's arrival to your friends or congratulate the happy parents on his arrival! We have new cards for this purpose at 5c to 15c each with envelope, at The Observer office.
Hartland has the most extensive system of fine concrete sidewalks according to population of any town in the province. A lady falls down and claims injury. If carried to the courts about all that seems possible in the way of a verdict would be the familiar advice "Watch your step, madam."
The two purposes of a country newspaper is to make money and serve the community. Making money is put first for the paper that is not making money cannot serve the community; it is bound to be a poor down-at-the-heels affair. You owe it to your community to make your paper make money.
On Saturday, C. E. Hayward returned from Fredericton where he had gone to be fitted with artificial feet. It will be recalled that Mr. Hayward lost both of his feet in a terrible accident last fall. Arriving at Hartland he was able to proceed from the train under his own power, not even having to use a cane. All his friends will rejoice with him that he can once more get around.
The fact that Hartland post office is not lighted by electricity is beyond reason. When the building was constructed in 1911 it was wired throughout, but as electricity was not then available an acetylene plant was installed. The acetylene caused a lot of trouble, is dangerous, and more than half the time during the year the town clock is not lighted and the night time is when the clock is most useful. Surely if the government can expend \$2,100,000 to build a railway, for which there is no need, it can afford the very small difference between the cost of acetylene and electricity; and the difference may be in favor of the electricity.

"Winter fingers into the lap of spring."
The town is threatened with a \$20,000 suit for damages.

R. J. Potts, Mr. and Mrs. J. J. Keewick and two boys have returned from St. Paul, Minn., after a very successful lumbering operation in that locality. Their many friends are glad to have them back for the summer. Mr. Potts, although advanced in years is still going strong in the lumber game and had good health all winter, whereas last winter he suffered a most severe attack of pneumonia.
The special missionary meeting held Monday night in the Baptist church was exceptionally well attended, the congregation well nigh filling the auditorium. The service was held under the auspices of the Baptist Young People's Union. The president of the People's Union, F. W. Allan, presided and directed the opening exercises. Solos were rendered by Miss Muriel Miller and Miss Elizabeth Hayward. The latter part of the service was devoted to a stereoscopic lecture, given by the pastor. Fifty-six pictures were shown, illustrating in a general way the work of Baptist missions among the Telegus of India. This is the first of a series of such lectures which are to be given.

You can secure bran, shorts, middlings, oak meal, corn meal, cracked corn and Five Roses flour at the right price. We have just unloaded a car. Hatfield-Kyle Ltd., Juniper, N. B.
Thomas Forest was in Hartland on Monday returning from a visit to his son, W. C. Forest of Windsor and was on his way to Greenfield, where he resides with his daughter, Mrs. Archie Ritchie.
Fred. W. Foster, "the farmer evangelist," who has been engaged in revival work in Prince Edward Island, where more than 500 conversions resulted from his labor, was last week a guest of A. Plummer.
The death took place at Carleton Place, on Saturday morning last, of William Ronald Lyon, son of Mr. and Mrs. William Lyon. The deceased was about eight years of age and death was due to rheumatic fever.
Mrs. Lois Morgan has been enjoying a visit with friends and relatives at Bristol and Bath. She arrived home yesterday accompanied by Mrs. Frances McLean. Today they spent with Mrs. Martha Nevers, her 73rd anniversary.
On Feb. 13 there was born to Mr. and Mrs. Harry Richardson at Vancouver, a son—George. Mrs. Richardson was formerly Miss Mattie Barter, only daughter of Mr. and Mrs. James E. Barter. They at one time had the hotel at the Forks of the Miramichi.
Miss Joy Small, nurse-in-training, at Woodstock Hospital, spent a day last week with Mrs. J. Stirling Kinn. Miss Small graduated from High School last June, entered the hospital in September and was accepted in December. She is making good progress at a work which she finds very agreeable.
Major McDougall of Debec was in town one day last week on business in connection with the Soldiers' Settlement Board. The major has many friends here gained when in command of the platoon stationed here during the war, and also many veterans who have reason for kindly remembrance of him overseas.
Two weeks ago The Observer recorded the death of Everett D. White, who formerly lived at Hartland, and also that of his eldest son. The latter was untrue and the fact is still very much alive for there comes to the office this notice: "The engagement of Richard F. White, eldest son of Everett D. and Mary A. White formerly of Hartland to Mary A. Church of Boston, Mass., is announced, the wedding to take place some time in June."
Spring has arrived, as the flood of so-called "poetry" that flows into The Observer office attests. No poetry can be accepted for publication in this paper, as the sole purpose of The Observer is to purvey the news of the districts round about. Sometimes poems do appear, however, but they are invariably paid for at the rate of 10 cents a line—that is to say, to be sure, that the people who want the lines printed do the paying, certainly not The Observer. Always we are appreciative of the kind intentions of those who send us matter which we cannot print—and a great deal comes in every mail—but if it is not available for publication and stamps are not enclosed for its return, rejected copy goes immediately into the waste basket.
Smart boy, not afraid of work, well along in school, can get an apprenticeship at The Observer office. Should be not under 17, and his consideration should be first to serve his employer, second to learn the printing trade. Remuneration in the first year is not the point. The right young man must be four-square and no fool. He will be hard to find and we are calling for him long before we have actual need for him.

"Nerves in Bad State Could Not Sleep"

Mrs. H. N. Tardell, Harrowsmith, Ont., writes:

"My nerves were in a very bad state, and for nearly six months I did not know what it was to have a good night's rest. I could not eat, and never felt well. I heard about Dr. Chase's Nerve Food, and thought I would try it. After taking it for a few days I began to feel better, and soon was able to sleep well at night. My appetite also returned, and I felt stronger and better, and after taking three boxes of Dr. Chase's Nerve Food I was quite well. I have also given the Nerve Food to my little girl, with good results."

Dr. Chase's Nerve Food

60 cts. a box of 20 pills, Edmundson, Bates & Co., Ltd., Toronto.

were won by Miss Jackson and E. Ross, the consolation prize by Mrs. Brown and H. S. Anderson. Among those present were Mrs. M. E. Brown, Mrs. G. E. Batt, Mrs. A. A. McFadden, Mrs. E. W. Ross, Miss Faye Plimmer, Miss V. Jackson, Miss G. Dickinson, Miss F. Mann, and M. E. Brown, A. A. McFadden, H. S. Anderson, E. W. Ross, P. M. Mayon, and H. Anderson. Dainty refreshments were served at the close of the evening.

SEWING CIRCLE GOSSIP

There was some discussion at the Sewing Circle this week about the time of day when coffee tastes best. The preponderance of opinion was that coffee tasted best at breakfast time; which is probably right. A poll of the members was also taken as to which is the richest-tasting coffee on the market today. The vote was unanimously in favor of LUXOR ORIENTAL COFFEE, which is sold by all first-class grocers in half and one pound tins.

FALLS POWER IN THREE YEARS

Authority to Do Preliminary Work Reaches N. B. Commission

The New Brunswick Electric Power Commission, it was said last week, will be busy for the next six months preparing plans and specifications for the development of Grand Falls and for the distribution and sale of the current to be generated there.

The Commission will probably have to appear before the International Joint Waterways Commission, because you know that we must obtain the permission of these three authorities before we can strike one tap of real construction. These difficulties have all been brought about by what is known as the Ashburton Treaty, making St. John an international boundary between the United States and Canada, and, therefore, known as what is called the "TREATY RIVER."

We must also have permission from authorities of the Province of Quebec before we can do any work along the lines of dam construction on Temiscouata Lake, where we expect to get the largest quantity of our reserved waters for the development of Grand Falls. It may not be generally known, but it is a fact that Grand Falls by itself cannot develop any more than 12,000 to 15,000 H.P., without the construction of reserved dams in New Brunswick and the Province of Quebec as well as in the State of Maine. The Province of New Brunswick cannot develop property outside of its own boundaries without having said legislation adopted by our own legislature and sanctioned by the Governments of the Provinces and Countries interested. I am having the Hydro Act amended at this Session giving such authority to the Hydro Commission. While I do not anticipate that we will meet with any great obstacles in obtaining the authority from the Federal Government of the United States and the International Waterways Commission, yet it must not be forgotten that these bodies move slowly and it will take some time. I have been assured by the Government of the Province of Quebec, that they will do anything to facilitate any of our work that has to be done in their Province.

No stone will be left unturned from now on to have all these difficulties overcome, so that just as soon as we have reached that point the Government will be able to go on with the development of Grand Falls. In conclusion, allow me to assure you that it will be one of my great aims while Premier of this Province to see that Grand Falls will be developed for the benefit of the people of this Province.

Yours truly,
(Signed) R. J. VENIOT.

Lower Wakefield Items

The many friends of Elmer Hemphill, who died last week, will be sorry to hear of his death, which took place in Hartford, Conn., after an illness of several weeks. The remains were brought home by his father and mother and buried at Lower Wakefield. Rev. H. Y. Bragdon preached a beautiful sermon.

Mrs. Lawrence McNelly, formerly of Lower Wakefield is the proud possessor of a new baby girl.

Miss Grace Melvin has been spending the week-end in Pembroke with her sister, Mrs. Helen Grey.

Miss Inez Thompson is spending the week-end at Upper Woodstock as the guest of Mrs. Annie MacDonald.

Mrs. Allen Haley who has been spending the winter at her old home is now at it in Lower Wakefield.

Lorne Melvin has returned from the woods where he has been spending the winter.

Miss Dorothy Shaw has returned home from visiting friends in Hartland.

UPPER WICKLOW

Quite a number attended the funeral of Miss Gertrude Craine at Clearview, April 1.

The many friends of Mrs. Stephen Gee are glad to hear she is somewhat improving.

Emma Pickard is working for Mrs. Pearl Gee.

Frank Tweedie has purchased a new organ.

Mrs. C. K. Bolster of Bothell, Wash., is visiting her sister, Mrs. Johnson Smith.

Miss Vera Cowen and Miss Ada Smith was calling on Mrs. Gilbert Gee on Saturday.

Leonard Pickard is putting in a radio for Mrs. Mike Sweeney.

Balzer Gee and Turney Smith has gone west for the summer.

The funeral of William Squires of Upper Kent was held at Bath April 1.

ALBERT HENDERSON

Albert Henderson died at the home of his niece, Mrs. William Forest, aged 79 years. Mr. Henderson had been in failing health for several months and although tender nursing and care was administered, yet disease made progress until he passed away. Mr. Henderson was a man of most genial and generous disposition and many will remember him with sincere gratitude for his kind and kindly assistance in times of sorrow and need. He leaves to mourn his loss, two aged sisters, and a large circle of nieces and nephews. The funeral services were held in the Union church at Windsor, conducted by Rev. J. A. Woodworth.

GRANT-OAKES

A quiet wedding took place at the home of John Grant of Piercemont where his youngest daughter Ruby was united in marriage to Burnie Oakes of Bath, Wednesday, March 26 at 3.30 o'clock.

The single ring service was performed by Eld. Wm. Killam in the presence of the fathers and sisters with their families and a few friends. The bride was charmingly attired in white satin with a shadow lace over dress and was the recipient of many useful presents.

Card of Thanks

We wish to take this opportunity of expressing our thanks and appreciation to all our friends and neighbors who so kindly assisted us at the time of our recent and bereavement in the loss of our dear father.

Mr. and Mrs. James Billings.

A MESSAGE FROM THE PREMIER

GOVERNMENT OF THE PROVINCE OF NEW BRUNSWICK
THE PREMIER
Fredericton, March 28, 1925

My Dear Sir:

I am in receipt of yours of the 21st inst. enclosing me a copy of The Observer, containing the letter of His Honor, Percival F. Baxter, Governor in the State of Maine, with reference to the development of Grand Falls. In reply I beg to say that I have carefully read his letter and he has reached the very same conclusion as I have in so far as the development of Grand Falls is concerned. I can assure you that so long as I hold the position of Premier of this Province, no private company will be allowed to place their hands on the very valuable development that we have at Grand Falls.

I may say that the Government has reached the decision that Grand Falls must be developed, but as I stated in my speech in the house, when I laid this proposition before the Legislature, there are a great many difficulties in the way that must be cleared up before we can turn one sod. I am now in communication, through our legal department with the Federal authorities at Washington and Ottawa, and through them must reach the International Waterways Commission, because you know that we must obtain the permission of these three authorities before we can strike one tap of real construction. These difficulties have all been brought about by what is known as the Ashburton Treaty, making St. John an international boundary between the United States and Canada, and, therefore, known as what is called the "TREATY RIVER."

We must also have permission from authorities of the Province of Quebec before we can do any work along the lines of dam construction on Temiscouata Lake, where we expect to get the largest quantity of our reserved waters for the development of Grand Falls. It may not be generally known, but it is a fact that Grand Falls by itself cannot develop any more than 12,000 to 15,000 H.P., without the construction of reserved dams in New Brunswick and the Province of Quebec as well as in the State of Maine. The Province of New Brunswick cannot develop property outside of its own boundaries without having said legislation adopted by our own legislature and sanctioned by the Governments of the Provinces and Countries interested. I am having the Hydro Act amended at this Session giving such authority to the Hydro Commission. While I do not anticipate that we will meet with any great obstacles in obtaining the authority from the Federal Government of the United States and the International Waterways Commission, yet it must not be forgotten that these bodies move slowly and it will take some time. I have been assured by the Government of the Province of Quebec, that they will do anything to facilitate any of our work that has to be done in their Province.

No stone will be left unturned from now on to have all these difficulties overcome, so that just as soon as we have reached that point the Government will be able to go on with the development of Grand Falls. In conclusion, allow me to assure you that it will be one of my great aims while Premier of this Province to see that Grand Falls will be developed for the benefit of the people of this Province.

Yours truly,
(Signed) R. J. VENIOT.

Women you envy have only this secret

You, too, may employ it to keep the radiance and bloom of youthful skin

Radiant, with the charm of youth still theirs, millions of clever women are admired—and envied!—today.

Yet they have no difficult, hidden secret—no great gift.

Only this simple method—which is for you, too. To give you, as well, the charm you envy in them.

For one week do this

Cleanse the skin regularly, au-

thorities say, to keep your complexion lovely, radiant, youthful. But beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the tiny pores. Rinse — and repeat the washing. Then rinse again.

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

The simple, correct way

You cannot find a more effective beauty treatment. Because Palmolive Soap is blended of rare palm and olive oils—famous for mild but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive, so that thousands now use Palmolive for the bath.

Make sure that you get Palmolive—which is never sold unwrapped. All dealers have it. Get it, and try for one week this simplest of all treatments. See how delightfully and how quickly it benefits your skin.

Volume and efficiency produce 25c quality for 10c
