REDUCED RATES OF PREMIUM—HALF CREDIT EATES OF PREMIUM. CREDIT SATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to MEDUGE the RATES originally required in British North America, to the ordinary factors are not being the statement of the ordinary factors and the statement of the interpretary benefits to Life heartment at much lower factor of Premium than this of any other Assurance Company? anaecting dusiness in Canada.

The Directors have also resolved to extend to British North America the advantages afforded by the HADE CREDIT RATES of FREMIUM which have been so highly apprived, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their laterest in their feepective Policies.
