making calls as riding tred me. I go afoot, and it is only when the weather is unusually bad, or when the weather is unusually bad, or when the streets are covered with anow, that I make use of the streetcar. Even today, on my birthday, I arose a ? o'clock and made calls until noon. Upon my return I ate some cold meat.

"Do you drink coffee?" asked the correspondent.

"That drink is my favorite," was his answer. "When I was in the colonies I drank often as many as forty cups a day. You see from this that coffee is not poisonous, as many physicians declare. I have always had an excellent apportie, and have not lost a single tooth."

"Inever was sick," came the reply, I do no not know what rheumatism, and hardly know what pain is, unless I have it to cure among my patients. Four years ago I lost an eye. It was takes from me by one of my colleagues. Agaiust my advice, he placed a leech upon it to cure a elight affectioe. Right days later I was a one-eyed mar.
