PORT GEORGE

On Thursday Port George was the scene of unusual activity, in the form of the annual picnic of the members of the Methodist Sunday School of Middleton. The scene of festivities taking place on the grounds adjoining the home of Mr. and Mrs. G. A. Fader, which were well suited for such an occasion. The members started to arrive in their carriages and autos early in the forenoon, and a steady stream of arrivals continued throughout the day, and by early evening the number present greatly exceeded the hundred mark.

A baseball game, together with various other games of sport featured the afternoon for the men and boys while the ladies enjoyed motor boat rides and other diversions.

A most delightful repast was served both afternoon and evening and judging from the way the many good things were disposed of everyone enjoyed it immensely. Wonderful weather conditions contributed to make the day one of perfect enjoyment.

Considerable credit is due the committee in charge for their untiring efforts in bringing this affair to such a successful conclusion, and we are sure that our friends from the Valley will realize more than ever that Port George has many attractions as a picnic resort.

Mr. and Mrs. Arthur Porter, of New York, with Mrs. Porter's parents, Mr. and Mrs. G. C. Miller, are the guests of Mr. and Mrs. G. A. Fader during August.

OLD FORT EDWARD—WINDSOR, NOVA SCOTIA

The only original blockhouse remaining in the Maritime Provinces, Fort Edward, Windsor, N. S., is to be preserved as a site of historic importance by the Canadian National Parks Branch.

Major Charles Lawrence, in 1750 and was later called Fort Edward in honor of Colonel Edward Cornwallis, Governor of Nova Scotia.

It occupies a commanding situation adjacent to the railway station and its meadows and old willow trees create a rare opportunity for a small historic park. A tablet has been placed on the wall of the blockhouse by the Nova Scotia Historical Society, but otherwise little attention so far has been given to the preservation of the site.

Mrs. Charles Sullivan, and Miss Ethel Hwey, of Milford, spent Sunday evening at the home of Mr. and Mrs. Austin Nass.

CLEMENTSPORT

An error in name appeared in last issue. The correct spelling is "Pol-haemus", and is the surname of one of the original Loyalist families who settled in this vicinity.

The Annapolis Basin, that beautiful sheet of tidal water, twenty miles in length, and with an average width of about 4 miles was in many ways different in 1694, when Dr. Monts sailed his placid bosom—than it is to-day. In the old church is a copy of a map of Les Carbot of 1609, taken from a book in the Salem, Mass., library, by Mr. L. V. Shaw. It shows guns in position on both sides of the bay and within the basin in what is now the ballast ground, is marked a fortified island, which to-day has completely disappeared—Bear Island—is much larger than to-day. While half-tide ledge west of Goat Island is all that remains of another fortified island. Goat Island was fortified and a chapel is marked on it, while the fortifications at Port Royal are shown and look much the same as the remains would indicate to-day.

Great changes have taken place in the contour of the shore in recent years. In the memory of some—are visions of extensive picnic grounds on Morton's Point, then Ray's Point. There was a lovers lane, picturesque, winding, and beautiful,—two rows of trees separated it from the bank and inland another double row. To-day the two outer rows have disappeared, also the path and all that remains of the romantic rendezvous is the innermost row of trees and many of them have toppled over and been washed away. Doubtless similar changes have taken place at other points.

Then two years ago the waters teemed with fish. Smoke houses were erected all along the shore, and "Digby Chickens". (That luscious viand which they say when roasted over a camp fire will bring hungry hunters from miles with their noses sniffing the appetizing aroma borne upon the air) were produced. Lobsters parked themselves under every convenient rock and were so numerous few people bothered with them. The fish suddenly left, for a period of some thirty years—and the smoke houses and wiers disappeared, but now for the last few years they have come again. Mackerel, herring, pollock, cod and the scallop have been discovered and fished out. The lobster, alas! hardly gets up the basin, he is captured for the factories down the shore. Weirs are to be seen like brush fences all along the basin's shores, and many have made good catches. The salmon too come up the basin to the Bear River, Lequille and Annapolis rivers—and when the nets are prevented from being placed across the Annapolis River there will be some of the finest fly fishing in the Province.

Notwithstanding the inclemency of the weather a large audience assembled in the Karsdale Baptist Church last Sabbath afternoon. Beside the regular service it was the occasion of a memorial clock presented and placed in the church by Mr. E. B. McPhinney, a former resident of this place in memory of his wife who departed this life in Lynn, Mass. After unveiling the memorial, E. H. MASONIC PICNIC AT LAWRENCETOWN

Rainy Weather Prevented Complete Success in a Well Arranged Programme

Unpropitious weather alone prevented the Masonic picnic at Lawrencetown on Thursday from being the complete success expected by its promoters. Threatening weather and heavy showers at fairly frequent intervals marred the pleasure of the occasion, but the committee in charge did all possible to render the occasion interesting.

The first event of the morning was the parade, and quite a number entered floats and decorated cars. The first prize \$15, was awarded to "A Happy Family"; the second \$10, to "Southern Merry Makers" and the third "New School Building, Lawrencetown". Among others of interest were "Halloween", "Gypsy Wagon" and "Masons". In this last a number of ladies appropriately attired illustrated with trowel and mortar some work of "Operative Masons".

On account of the wet condition of the grounds it was decided to postpone the morning ball game till afternoon and about 1.30 Bridgetown and Lawrencetown Juniors met on the diamond and treated spectators to a good game of ball. Each team secured one run in the first innings and there was no further score till the fourth when Bridgetown made a big push and ran up three runs. Lawrencetown failed to score till the eighth when they also added three to their tally contributed largely by a good hit by Palfrey. Bridgetown tallied one run in the seventh, two in the seventh and two in the eighth. Lawrencetown had good prospect of score in the third but were retired on a double play. The game was well played throughout. Hits of Longmire, three; of Morse, seven. Struck out by Longmire, six; by Morse, twelve. Two base hits: Phinney and Hoyt.

Line up: Bridgetown: Hoyt, (c.); Little, (3.b.); Troop, (c.f.); McLaughlin, (3.b.); Lockett, (r.f.); Gatti, (s.); Fay, (1.b.); Longmire, (p.); Burns, (1.f.).
Lawrencetown: Phinney, (3.b.); R. Shaffner, (r.f.); Palfrey, (s.s.); Beals, (c.); Borden, (1.b.); Morse, (p.); Y. Shaffner, (1.f.); C. Hunt, (c.f.); Ramsey, (r.f.); Brown, (r.f.).
Umpires: L. Messenger, G. Dickson.

Rain prevented finishing the ninth inning. The Lawrencetown boys are improving decidedly and Morse has developed into an excellent pitcher.

E. W. GILLET COMPANY LIMITED
WINNIPEG TORONTO MONTREAL
MADE IN CANADA

Longmire did good work for Bridgetown and the work of both teams pleased the fans.

Adjournment was made to the Demonstration Building where Mr. C. S. Bothamley presided and addresses were delivered by Dr. L. J. Lovett, M.P.; Prof. Trueman of N. S. Agricultural College, and Prof. W. S. Blair, Director of the Govt. Experimental Farm at Kentville. Premier Murray and Prof. M. Cumming, Secty. of Agriculture, were much to the general regret, unable to be present. Dr. Lovett spoke effectively on the attitude which representatives should take toward the bigger national issues while still retaining attention to matters of more local interest. He commended the movement of the Masons toward securing a suitable Lodge home and gave some historical reminiscences of interest including the finding on Goat Island of the oldest Masonic memorial in North America. This had been taken to Toronto and through some neglect this stone had been incorporated in the foundation of a building. This should be searched out and restored. Prof. Freeman gave a timely talk on farm economics and the importance of gaining a thorough knowledge of the costs involved in production and handling of products through dealers, middlemen generally. Farmers were all too willing to spend all their time working with their hands. They should also take the time for more mental work. This would mean more money for less manual labor. He recommended the keeping of more live stock and gave a number of valuable hints in connection with agriculture generally, with references to growth of sweet clover and of root crops.

Prof. Blair also gave an excellent address. In all lines of effort more failure was caused by faulty judgement than in any other way. The same applied to farming as strongly as to any occupation. He emphasized the importance of careful attention to detail in handling of apples. The necessity of keeping the boys on the farm, making homes attractive and in this connection paid a compliment to Lawrencetown. He also emphasized the need of keeping more live stock and recommended the growing of Alfalfa as a cheap and excellent food for cattle.

At the conclusion of addresses, selections were rendered by the Lawrencetown band. Dinner and supper were served by the ladies of Lawrencetown.

Wolville baseball team had had luck with blow-outs on the way down, but arrived in time to play. Game was called in the sixth innings, torrents of rain again beginning to fall. In spite of field conditions a good game was put up. Lawrencetown winning 3 to 0. Messenger pitched great ball and was well supported.

Line-up as follows:
Wolville:—
Barteaux, (s.s.); Annis, (r.f.); Brown, (p.); Kenny, (2.b.); Eagles, (1.b.); Schurman, (3.b.); Evans, (c.f.); Langille, (c.); Mason, (1.f.).
Lawrencetown:—
Phinney, (c.); M. Saunders, (2.b.); L. Messenger, (p.); J. Hall, (r.f.); J. Saunders, (c.f.); E. Poole, (1.f.); E. Saunders, (3.b.); G. Messenger, (1.b.); W. Donat, (s.s.).
Umpires: Dr. C. S. Sims; Durzees
There were a number of spectators

features including some fine running catches. Early in the sixth rain drove the fans inside.

A splendid program was given afternoon and evening at the Gem Theatre.

A radio concert added to the evening enjoyment and there was also a splendid concert given in the Demonstration Building with program as follows:

- 1.—BLACK-FACE SKETCH—A. H. Whitman and Mr. Ringer.
- 2.—PARADISE QUARTETTE—
- 3.—SONG—GYPSY TRAIL—Miss Ethel Shaffner.
- 4.—READING—Miss Alice Fairn.
- 5.—SONG—
- 6.—PARADISE QUARTETTE—
- 7.—COMEDY SKETCH—R. Bishop and John Hall.
- 8.—SONG—Miss Jessie Bathley.
- 9.—READING—Miss Alice Fairn. God Save the King.

The day wound up with an enjoyable dance, music furnished by Kentville orchestra. It was a matter of general regret that weather conditions interfered so with attendance and financial results for the Masonic Lodge room after the excellent and detailed arrangements made for a record day's attendance.

BABY'S GREAT DANGER DURING HOT WEATHER

More little ones die during the hot weather than at any other time of the year. Diarrhoea, dysentery, cholera infantum and stomach troubles come without warning, and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in the house where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if the troubles come suddenly the prompt use of the Tablets will relieve the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

Mr. Ludlow Tooker, Brooklyn, is visiting his parents, Mr. and Mrs. Ralph Tooker, at present.

Our New Term Begins Tuesday, Sept. 5th

But it will be well to enter as soon as you are ready and get a good start before the rush begins.

We have kept open all Summer, and are ready to welcome you at any time. Send for Calendar.

BRIDGETOWN CENTENNIAL

Before another issue of The MONITOR is printed Bridgetown will have entered its celebration week and the exercises that have been arranged for that time well begun.

For some months our people have had before them in many forms this proposed Centennial Celebration. The historic articles written for The MONITOR by Dr. M. E. Armstrong, the Chairman of the Committee of Arrangements, have done much to create an interest in our history and to instruct and inform us as to 'who is who' here, in the beginning of the town.

The records of those days were never written, and only passed from parent to child, generation to generation. There were no local papers even to tell the community news of to-day, so we have meagre records and lots of most interesting details of our ancestry and grandparents are for ever gone.

We know little of their hardships and loneliness as they faithfully toiled to make this land what it is to-day, economically, socially, religiously. We have great reason to be proud of our ancestors, the men and women whom we sorely know by name even, who were in a true sense builders of Canada.

The Celebration Committee have very thoughtfully and appropriately placed at the beginning of their programme services in the churches and the various churches in town have entered into the spirit of the occasion by securing men to come and fill the pulpit with special messages for the occasion. They are sons or descendants of the pioneers English settlers of this portion of the Valley and with us had the day of these ancestors and the good foundations they laid for us.

Bridgetown is a church-going people, but let us all make a special effort on Sunday, and let it be a Sunday of—Everybody in Church, where our minds and thoughts are to be directed to our past and we have a few moments to contemplate our great blessings, in country, in religious freedom, and in wise and pure blooded ancestors, from whom we have received a rich heritage of health, dignity and love of the best.

And as we foregather at these services let us silently offer a prayer that we may do our parts to pass on to generations unborn and those who will occupy these places in the various activities of life incident to a town, in the years to come, and to those who will, perhaps, commemorate a similar occasion a century hence, the trust we have received, sacredly maintaining and defending the ideals of our revered fathers and mothers.

Let us enter into the spirit of the Celebration during the week; think of the past, talk of it, love it, as best we can, and we will get a better and broader view of life.

Citizens generally are putting on the finishing touches in improving the appearance of their properties throughout the town and this is well. It is important that visitors see the town at its best and this can be accomplished well with a little extra work on the part of all those who have not already attended to the matter. It is desirable also that bunting should be used as freely as possible to add to the festive appearance of the town during the Centennial Celebration and Old Home Week. It is expected that Labor Day, the general sports day, will see much done in this regard.

SENNETT WINS NEW LAURELS WITH "MOLLY O"

Mabel Normand's Return to Sennett Ranks in "Molly O" Attracts World-Wide Notice.

DRAMATIC PRODUCTION

A production which has attracted wider attention than any that has been produced in years, because it is the result of a reunion of three factors which produced the most successful picture ever released is announced as the attraction that is coming to the Primrose Theatre, beginning Monday and Tuesday.

The picture is "Molly O", produced by Mack Sennett, starring Mabel Normand, and directed by F. Richard Jones. The same three people produced "Mickey", which was shown in more theatres and to more people up to the present time. Mr. Sennett began planning the present production as soon as "Mickey" proved itself the enormous success which it became, but it was not until last year that he was able to secure the services of Miss Normand and Mr. Jones to begin "Molly O".

The story of "Molly O" is primarily strong comedy, but it has a tense dramatic background and many of the incidents in the development of the plot are sufficiently thrilling so that it might safely be classed as a melodrama. The production is the most expensive one which Mr. Sennett has ever made, but despite its great cost there was nothing wasted in it. The locale of the story runs from the slums of a great city to the grand ball room in the most fashionable hotel in the same city, and the actual requirements to cover the story resulted in the building of many lavish and exclusive sets.

LOOK FOR FACTS

To the Editor of MONITOR: The coal miners have felt for some time that the public press is in conspiracy to crush them by false representations. The mobilizing of Canada's army at No. 2 Colliery, New Aberdeen, professedly to quell riots and protect property, is taken as unquestionable proof that their suspicions were well founded. The press reports that No. 2 miners are violent and riotous, and are out to destroy the mines of Nova Scotia is the biggest piece of sensational mendacity ever imposed upon a credulous public. The local press reporters are either criminally incompetent, or wickedly false. There has not been one violent act, or attempted act, no suspicion of riot, and not a social disorder since the strike was called. The miners are not the vicious, indolent, reckless folks the press features them. Without attempting to justify, or condemn the wisdom of the strike, I am bound to comment most highly the character and morale of the miners.

herewith enclose a copy of the deliverance of the Ministers of Grace Bay in support of my statements, which I hope you will find space to publish together with this letter. C. A. MUNRO.

Porter. The funeral service was held on Sunday afternoon at her late home. It was conducted by her pastor, Rev. A. H. Whitman, assisted by Rev. Mr. Rackham, Methodist. A duet by Mrs. Edgar Shaffner and Mr. Sanford, "Going Down the Valley", was beautifully rendered. Beautiful floral offerings expressed in their silent way appreciation of the departed. MIDDLETON WINS IN BALL GAME

Defeat Local Team Here Three to One—Interesting Game Largely Attended

Wednesday afternoon's contest between Bridgetown and Middleton baseball teams drew a large attendance, one of the very best of the season. A game between the two teams is always a big drawing card.

Like many of the other games, it was a pitchers' contest. Vaughn Reagh, the Middletown twirler, was in the best of form, and Malcolm, while pitching very good ball, was not up to the usual standard in the box. Middleton had the advantage in field work, as a whole, with only one error against them, while Bridgetown had five, some of which were expensive and accounted for difference in score. The local team, however, had the honor of scoring the only earned run in the game. There was no lack of sensational plays, which kept the fans interested from start to finish.

YOUNG WOMEN WHO SUFFER

Letter Points Way Towards Relief—Lydia E. Pinkham's Vegetable Compound

Toronto, Ontario.—"I suffered from the time I was a school-girl until I had taken your medicine with pain in my left side and with cramps, growing worse each year until I was all run down. I was so bad at times that I was unfit for work. I tried several doctors and patent medicines and was only relieved for a short time. Some of the doctors wanted to have an operation but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound and how thankful I am that I tried it. I am relieved from pain and cramps and feel as if it has saved my life. You may use my letter to help other women as I am glad to recommend the medicine."—Mrs. H. A. COOZEY, 14 Rockvale Ave., Toronto, Ontario.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Mass. This book contains valuable information.

Overworked Nerves

The Most Successful Treatment is Through the Blood.

The early stages of nervous debility are noted by restlessness and irritability in which the victims seem to be oppressed by their nerves. As the trouble advances, common symptoms are a tired feeling; weakness in the knees and ankles; headaches, backaches and sleeplessness. The matter requires immediate attention, for nothing but suitable treatment will prevent an complete breakdown.

The nervous system governs the whole body, controlling heart, lungs, digestion and brain, so that it is not surprising that nervous disturbances cause acute distress. For troubles of this kind Dr. Williams' Pink Pills succeed when other treatment fails, for these pills make new blood, enriched with the elements on which the nerves thrive, and in this way reach the root of the trouble.

In proof of this is the statement of Mrs. Dockerill, Stratford, Ont., who says: "My daughter, Matilda, was suffering from nervous debility, and the usual remedies did not seem to help her. I was advised by a friend to give Dr. Williams' Pink Pills a trial, and soon we found they were doing her a great deal of good. She complained of pains in the stomach, and a severe fluttering of the heart, with a general weakness. Under the use of these pills she continued to gain, and I believe they have saved her from going into a decline."

You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BRIDGETOWN CLUB BEATS KENTVILLE

Home Team Score Another Victory By Defeating Kentville By 45 Runs In Cricket Match

This League match was played on the B.A.A.A. grounds on Saturday last before a fair number of spectators.

In spite of the torrential rain on Friday evening, the ground was in good condition.

The home team batted first and ran up the respectable score of 105. The batting was good throughout, there being no "ducks". Bothamley 46 and Malcolm 18 were the chief scorers, the latter proving to be a useful man with the bat as well as the ball.

Beauchamp and Miller made a very good start for Kentville and were getting well set when a smart piece of fielding by John Roberts, a new recruit, was responsible for the dismissal of the veteran left hander, Miller. Brooks, an old Stellarton player, came next and played good cricket for his 23 runs. Beauchamp and Walker also batted well for their scores of 10 and 11 respectively.

Malcolm and W. Donat bowled unchanged for Bridgetown, the former taking 6 for 44 and the latter 3 for 16.

DR. McKENNA, INJURED IN AUTO ACCIDENT

Middleton.—A distressing automobile accident occurred Thursday at Walker's Brook a mile west of Kingston. Dr. McKenna, a retired dentist, his housekeeper, Miss Macdonald, Mr. and Mrs. Withrow, all of Wolfville, were driving west at a fast rate when they met Rev. Mr. Puddington, of Melvern Square. Turning out to pass him, Dr. McKenna, in getting the car back into the road, missed the bridge and hit the railing. The car turned completely over and landed in the shallow brook fully a car length ahead of the spot it left the road. All four of the occupants were pinned underneath but they were quickly got out by Mr. Puddington with the help of Mr. McNeil who was working near at hand. Assistance, including Dr. Devine, was sent for and soon Dr. McKenna was rescued in an unconscious condition. His injuries are feared to be serious as the whole weight of the car appeared to rest on his chest. He was rushed to Westwood Hospital, Wolfville, by car.

The other occupants being less seriously injured are being cared for at the home of Mrs. Selfridge, Kingston.

The car has the radiator driven in the top of the windshield and mudguards smashed and one wheel gone. This is the third accident the car has met with this season, all were being driven by different parties.

GRANVILLE CENTRE

Mrs. John Graham, of Carr Avenue, is entertaining her niece, Mrs. Robie Gillatt, and Mr. Gillatt, of Truro, N. S., who are on their bridal trip, a part of which will be spent in the States. Since Mr. and Mrs. Gillatt arrived in town they have been royally entertained by their host and hostess, who have spared no pains to make their stay memorable.

On Saturday last there was a family reunion at beautiful Island Park at which twenty-eight members were present. All enjoyed "a la fresco" noon dinner and as the shadows lengthened a supper no less pleasant also under the spreading trees. The day was all too short, however, for the hours passed rapidly indeed.

On Monday evening Mrs. Graham entertained her honor, and all were very merry with games and conversation. Before the company left there was ample service of refreshments both delicious and satisfactory, and the good nights were said most reluctantly. (Houlton Paper).

AMERICANADIAN FESTIVALS

"Cappy Ricks"

(Telephone Bell rings)

CAPPY: Hello! Yes, yes, this is Ricks. Who? Who? Oh yes, Singleton. What's that? Mr. Gordon's representative? Well why doesn't Mr. Gordon speak himself? He is laid up—sprained his ankle. No good lawyer ever sprained his ankle. As a rule he is generally too busy pulling somebody else's leg. What's that? You are to make a record and statement to him. Well are you ready? Shoot! It's about my Retriever. My Retriever. No, not a dog. Retriever. Who said anything about a dog. It's the name of a boat, you infernal idiot. Never mind begging my pardon, don't beg anything. I've nothing to give away. It's a boat—a boat—b-o-a-t—ship—a bark—entire! Know what a barkentine is? Yes I know a dog barks but this is a boat, not a dog. Square-rigged forward—schooner rigged aft. That clear? Good! Never mind sympathizing. I want to tell this in my own way and it's your business to listen. I sent that ship out of here seven months ago with a cargo for Cape Town. She had no sooner arrived than a native stuck a knife into the Captain—killed him—dealer's mackerel! Yes that's right—never mind, he is dead. Then I began to get cablegrams from the first mate—some whippersnapper by the name of Matt Peasley. Now the Retriever is a valuable boat and she was to bring back a hundred thousand dollar cargo. We couldn't trust all that with a man we know nothing about. So I wired him that I was sending out another Captain. And, do you know what that scoundreg did? I say, do you know what that scoundreg did? Wired us that he would bring the ship back himself and if we sent another Captain, he'd chuck him overboard! Yes, overboard. So we cabled Peasley he was fired! But that infernal sea-lawyer knew his rights, and answered that we could fire the Captain, but only the Captain could fire the first mate, and the Captain was dead, so he had us by the neck. But I'll tell you right now that no one ever covered Alden P. Ricks with blood and got away with it. I wanted up the biggest, toughest Captain I could find—a big, burly Swede, weighing over two hundred and fifty pounds—a man that has licked everything on the seven seas, and shipped him off to Cape Town with orders to beat Mr. Peasley to a pulp, and bring what was left of him back in the Retriever. What? Did he carry out my orders? No, just bet he did! Did I hear from him? Not a word. But I got a cable from the American consul at Cape Town that the Retriever set sail within an hour after the Swede Captain took charge. Now here's what I want to see you about; that ship will be here within a week or ten days, and the minute she comes to anchor they will bring the pieces of Mr. Matt Peasley ashore. Then what's left of him will begin to yell for the police. So what I want to know is just where I get off. Don't forget the assault took place in a foreign port, but on an American ship flying the American flag, mind. Let me know immediately. (Hang up).

No, this is not a scenario for a movie—it is just one of the amusing scenes from "Cappy Ricks", the comedy drama to be presented here on the coming Chautauqua program.

This eccentric but lovable character "Cappy" was made famous by Peter B. Kyne in the Saturday Evening Post and other periodicals and the play to be presented here weaves together many of the incidents in the series and introduces a delightful love story. The producers are said to be guaranteeing a laugh every minute—and the play runs for about two hours. Nut sed. Be there. Sept. 2nd.

ALBANY

The picnic held on Wednesday p. m. was an enjoyable occasion. The beautiful church grove presented an attractive appearance, with a very long table in the centre, draped in white, decorated with lovely flowers and laden with everything to tempt the appetite. In the rear was an ice-cream booth enclosed with green boughs interwoven with wire netting. Swinging and running races for prizes were the sports of the afternoon. A large number were present, representing nearly every family in Albany, nearly all of whom remained to the evening meeting at which Rev. M. B. Whitman, of Margareville, gave an earnest address. The music was well rendered, some of the pieces sung by a quartette being "The Little White Church on the Hill". Meeting again on Thursday evening at which the home Pastor, Rev. A. H. Whitman, presided. Several stood at the close for prayer. Much of the success of the whole was due to Mr. Clyde Whitman who was untiring in his efforts to prepare everything necessary for the occasion.

The old home week in Albany was a success, beginning with an old-fashioned conference meeting, where some were present who could go back nearly seventy years, telling of the glorious meetings and conversions in the old home church, when Samuel Tutts, Henry Parker, the first David Whitman, and Ezekiel Foster's family met together for worship. Mr. and Mrs. Deeman, of Amherst, and their little daughter, accompanied by Mr. and Mrs. George Whitman, of Lawrencetown, were guests at the same home on the 23rd. Mrs. Leeman was formerly Miss Ethel Priestess. Miss Jennie Robinson was the guest of Mr. and Mrs. Chas. Whitman on the 22nd. She will teach at Bible Hill, Truro, this year. Mrs. Ingram Oakes and family, Herbert, Theodore and Betty, are the guests of Miss Mary Oakes and father. Elvin Oakes has the school in North Albany this year and Miss Sprowl in South Section. FORMER BRIDGETOWN GIRL WINS CHAMPIONSHIP IN TENNIS

Mrs. Ethel Kinney Eddy, of Fargo, N. Dakota, was the winner in Ladies Singles at the State Tournament recently staged in that city. Mrs. Eddy finished in the finals by taking from her opponent, Miss Doris Lovell, two straight sets 6-1, 6-4, and Mrs. Eddy had to compete with a large field of strong players, most of whom were college girls, and some of the events produced as good tennis as ever witnessed at the State Tournament. It was Mrs. Eddy's hard smashes and lawford return that finally brought her through a victor.

In addition to being State Tennis Champion this year, Mrs. Eddy was joint runner up in the State women's doubles with Miss Doris Lovell, two children and Robert Muir in the State mixed doubles.

Mrs. Eddy came to Fargo last year a few weeks before the city tournament and at that time entered the events and walked away with everything in sight. This year she entered the open singles of the peg tournament and at the close stood 15th among a field of seventy-five men players. It is against men players that she is really at her best.

Mrs. Eddy is now twenty-nine years old, is shown above with her four children who are keenly interested with her playing and her success.

(Mrs. Eddy is a daughter of Mrs. Watson A. Kinsey, and a sister of Mrs. Fred R. Fay and Mrs. Henry B. Hicks of this town).

BRIDGETOWN CENTRAL SUNDAY

Large Congregations From Canon Troop and Rev. E. D.

As suggested in our editorial, last week, it was eminently fitting that the Bridgetown Centennial Celebration Committee should at the beginning of their program services in the churches, and it further fitting that the first service of the day should be held in James' Church (Anglican) to commemorate Capt. John Crosskill founder of the town, beloved of the Holy Communion at 8 a.m.

Capt. Crosskill was a member of the Church of England and gave ground on which the present stands, and although he died in the first church was completed in the "twelfth Sunday after Tr" (for such was last Sunday) the same service was used in his name.

The second service in this city was at 7.30 p.m. for which the service was crowded. This was directed by the Rector (the Rev. E. Woodwood) and opened with a grand hymn—"O God our Help in Ages Past", to Crofts' stately "St. Anne", in which the congregations joined very heartily. Then followed the evening service which has come down through the centuries and is by heart, even as many of those who have been constant users. The Canticles, "Silent", and "Nunc Dimittis" to Anthem settings by the Rev. Foster.

The second hymn—"Lord, us With Thy Favor", by Canon was very appropriate, especially es 4 and 5--

"For the memories we treasure That to this our Home belong, Hours of sweet and high communion, Matins Prayers and Evensong; For the lessons Thou hast taught Taught by joy and taught by Lord, for all Thy countless blessings We uplift our festal strain."

Thankfully our hearts remember Whom our eyes no longer see, Knowing, though the veil of death,

They with us are one in Thee, One, for One our Father, One our Church, and one our God, They who worshipped here before, One with us their latest seed."

In keeping with this was the funeral memorial prayer which was shortly after:

"Almighty God, with whom the Spirits of just men made after they are delivered from earthly prisons, we give Thee for all those who have departed in place and with the seal. Especially do we commemorate day Capt. John Crosskill at who during the past hundred years have worshipped in this place were laid to rest in hope of resurrection, beseeching Thee unto them rest and refresh the place of light and life, as us who survive so to order by Thy Holy and Heavenly that in the end we may attain to Thy Everlasting through Jesus Christ our Lord. The hymn before the service the Marquis of Lorne's "Hills", sung to Purday's time "Sandon".

The special preacher for occasion was the Rev. Canon G. Troop, who, as our readers are all Bridgetown boys, here until he was seventeen years of age. We leave them, then, were unable to be present) the profound impression and appropriateness of the (Jesus) came to Nazareth. He had been brought; as tized, as His custom was, some on the Sabbath day, up to read; Luke 4 and 16.

It would be impossible in at our disposal to do just remarkable sermon which but we must mention of points: For instance, the quoted Bishop Brent's rec that in the days of His flesh Jesus Christ was a Layman an example then to laymen
