UNION PUBLISHING CO'Y, OF INGERSOLL.

PREFACE.

The Publishers in presenting the Twelvth edition of their Business and Farmers' Directory of the counties of Huron, Middlesex and Perth have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information, of a nature valuable to business men of all branches, than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or village, with post office, lot and concession, a complete list of towns with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people who have given the work their support, we remain

Respectfully Yours,

UNION PUBLISHING CO., of Ingersoll,

UP-TO-DATE PEOPLE

Now-a-days with the keen competition in education and business pursuits neither children nor adults are willing to be placed at a disadvantage with their competitors through imperfect vision or such eye troubles as produce pain and tired feelings of the head and eyes, dizziness, mental confusion, etc., which may not interfere with good vision. If examination of the eye reveals that such symptoms do not arise from any trouble of the eye the true cause is more easily discovered. We have artificial eyes and spectacles made to order when required.
