THE EMPEROR AND EMPRESS OF THE FRENCH AT ORLEANS.—Address by Mgr. Dupanloup.—The Em-peror and Empress have been to Orleans and back. They were warnily welcomed by the population. They were received at the railroad station of the town, which is associated so closely with the Maid of Domreny. by the Mayor, and harningned by that functionary at the head of the Municipal Councillors. All France had been waiting with feverish anxiety for the answer of the Emperor, with a keen recollection of the speech at Auxerre on a similar occasion. There were a thousand rumors and a thousand guesses as to what that speech would be—whether it would be pacific or warlike; and though a journal eminently official had at the last mo-ment tried to reassure the public on that score, the public were not completely reassured. The speech contained in about fitteen lines, is now given to the world he. e 23rd ult. Greenwich ing of the in St. Au pridge, 74

The Pall Mall Gazete 'anys' Dr. Gumming's son --Martin Luther Cumming-applied on the 25th instant in the Coart of Bankruptey for his discharge. The oppos-ing creditor was Mr. Nesl, jeweller, of the Edgware road. It appeared that Martin Luther Cumming, who was described as formerly of Orlei College, then of High street, Oxford, afterwards of Montague place, Bussel quare, and now of Whitecross-street prison, had found the fincome allowed by his father whilst at Oxford insuf-facient to meet the expenses of the style of life he had adopted there, and that he had been introduced by an-other undergraduate named. Presout, who has since himself passed through the Bankruptey Court, to Mr. Neal, whether to purchase jewelity or to borrow honey was not stated. The Commissioners animadveried upon the facilities and temptations to extravagance afforded by our college life, and sent Martin Luther back to prison to amend his schedule of accounts. Hon. Mr. HAYTHORNE: I must say that I am a little surprised at the remarks of bis honor who has just sat down, more particularly his concluding ones, for I was not prepared to hear him oppose the bill. But considering his honoré, position —his high standing at the bar, and one of our principal lights is points of law in the hie spinion more aparticularly at I am to his opinion, more particularly as I am not very well informed upou such matters as this. I look upon this bill as merely a commencement, and as a sign of in creasing civilization. If a few men have been unfortubate in business, it is a barberous thing to keep them, as his honor from Georgetown (Mr. McDonald) said, continually in bondage. His honor who continually in bondage. His honor who spoke last referred to the experience of other Legislatures, and I believe this bill has been copied from a law which has on in Caoada, and though operati I would not pin my faith to the expe-rience of men in other countries, for we might differ in circumstances from Can-ada as much as England differs from yet the law which was found to sioner, and said he would rather see the Judges of the Supreme Court charged with the administration of this law. Well, I think his hour stated that when the bill was brought up from the House of Assembly by the Hon. Attorney General to the House of Assembly by the thendand function and Memorial. Most persons will at some period of their lives, suffer from indigestion, derangement of the liver, stomach or bowels, which if not quickly removed, frequenty settle into a dan-gerons illness. It is well known in Indus, and other tropi-cal climates, that Hollowray's Phile for the only remedy that can be relied on in such cases. Almost every soldier abroad carries a box of them in his knapsack. In England most persons know that these Fills will cure them whenever the liver, stomach or bowels are out of order, and that they need no physician.

Weakness and Debility. Such as suffer from weakness, or debility, and those who cel want of energy, should at once have reeques. to those Fills, as tacy immediately purify the blood, and acting upon the main-spring of life, give strength and vigor to the system To young persons entering into womanhood, with a derange mant of the functions, and to mothers at the turn of life these cills will be most efficacious in correcting that tide of life that may be on the turn. Young and elderly men suf-for in a similar manner at the same perioda, when there is always danger; they should therefore undergo a course of his purifying medicine, which insures lasting health. Disorders of Children. If these Fills be used according to the printed direction and the intrment rubbed over the region of the kidacys, at least once a day as salt is forced into meat, it will penetrat the kidneys and correct any derangement of their organs. Should the affliction be stone or gravel, then the Ointment should be rubbed into the neek of the bladder, and a few days will corvince the sufferer that the effect of these two rej medies is astonishing. Disorders of the Stomesch

Disorders of the Stomach

Disorders of the Stomach Are the sources of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisoned stream through all the channels of circulation. Now what is the operation of the Pills? They cleanse the bowels, re-gulate the liver, bring the relaxed or irritated atomach into a natural condition, and acting through the secretive organs upon the blood itself, change the state of the system froe sickness to health, by exercising a simultaneous and whol-some effect upon all its parts and functions Complaints of Females. The functional irregularities peculiar to the weaker sex are invariably corrected without pain or inconvenience by the use of Holloway's Pills.
