NEW MILL FOR LISTONVILLE.—Mr.
Shields, of the firm of Shields & Foster,
lumbermen, proposes erecting a large
flouring mill in Listonville, and has
purchased the necessary grounds.

FIRE AT BRANTON.—A Choona House
belonging to Mr. Hugh White, Brantion,
was destroyed by fire one day last week.
The dwelling which is close by was with
difficulty saved.

CALL TO A MINISTER.—The congrega-
tion of St. Andrew's Church, Galt, at a
recent meeting agreed to tender a call to
Rev. Mr. Masson of Quebec, to be their
pastor.

PROGRES.—Tenders are asked for in
Galt, for to furnish a lot on which to
build the projected sewing machine fac-
tory in that town, and also for the erec-
tion of a suitable building.

CANADA SABBATH SCHOOL CONVENTION.—
This Convention met at Brantford on
Tuesday. Delegates from all parts of
the Province were present. Mr. Daniel
McLean, President, occupied the chair.
The Rev. Wm. Millard, General Secretary,
read the annual report after which
several addresses were given.

HORSE KILLED.—The Reformer says
that on Saturday night last about nine
o'clock, as a young man from Plattville,
who had come to Galt to visit some
friends, was driving up Main St., he came
in collision with Lily & Fitzsimmon's
cylinder wagon, the shaft of the wagon
running into his horse's breast some 10
or 12 inches. The animal died in three
minutes.

THE BOW PARK STOCK SALE.—A large
company of buyers attended the sale at
Bow Park on Tuesday. Few or none of
the choice animals of the herd were in-
cluded in the sale catalogue, but those
that were offered were in splendid con-
dition. The buyers were principally far-
mers from different parts of Ontario.
The animals included were twelve
bulls and bull calves were sold for an
aggregate of \$10,000.

SAW MILL BURNED AT NEW HAMBURG.
—The saw mill belonging to Mr. Jacob
Ratz, of New Hamburg, was totally
consumed by fire on Tuesday afternoon,
together with a large quantity of lumber.
The hands employed at the mill went to
Thirty-six o'clock. The mill, which ap-
peared all right, when everything appar-
ed all right. On their return they
found the mill in flames. This is the
third time Mr. Ratz has had the misfor-
tune to have his place destroyed by fire.
The building contained a large quantity
of valuable machinery. The loss is esti-
mated at about \$10,000.

ELMA AND WALACE SHOW.—The Show
under the auspices of the Elma and Wal-
lace Agricultural Society, was held at
Listonville on the 7th and 8th insts. The
weather was favorable, and the show
turned out a decided success. Nearly
fifty hundred dollars were offered in
prizes, and the entries exceeded fourteen
thousand. There were upwards of five
thousand strangers in town during the
two days, and every one expressed him-
self highly gratified with the display, in
every class. This Society has made
great progress during the last two years,
and the support given by the community
is in its ordinary duties. It was engaged
to receive warrants the directors in offering
two thousand dollars in prizes for 1875,
and holding a three days' show.

SINGULAR ACCIDENT IN GALT.—Last
Saturday morning a very singular acci-
dent happened to a young lad in Galt,
named John Lemon, in the employ of
Mr. Pickard, brewer. While engaged
in his ordinary duties in the slaughter-
house on the morning in question, he had
occasion to stand up on a block, and ad-
just something, and that office being per-
formed, he jumped down again, inadver-
tently however, for in doing so, one of
the hanging hooks in the building caught
him under the jaw, and he fell to the
ground, when he fell, but not before a
nasty gash was torn from the neck along
the base of the jaw as far as the chin.
He was instantly taken up by some of his
comrades close by, and medical aid was
sent for, and we are happy to say that his
wound is not considered fatal.—Reformer.

CHAMPION ROAD WAGON.—Our Berlin
correspondent has recently visited the
factories of Ziegler Bros., in that
town. They carry on an extensive busi-
ness in the manufacture of buggies, car-
riages and all other sorts of vehicles.
They are also the patentees of the Cham-
pion Road Wagon, the gearing of which
is of different construction from that
of other vehicles. Instead of a reach
it has a ratchet spring which does away
with the circle in front. Combined with
this, are four springs constructed on the
platform principle, which makes it very
easy to ride in, the jarring motion of the
commonly constructed buggy being en-
tirely done away with. The other im-
provements claimed by this vehicle
are: It is cheaper, more durable, easier run,
simpler in construction, can turn shorter
is neater and is more easily kept clean.
As there is no jarring, the axles and wheels
will last much longer than in buggies
built on the old principle. Being light
and durable it will be well adapted
to heavy men, doctors &c. They build
them either with or without top and
seated for either one or two persons.
They were awarded an extra prize at the
late Provincial Exhibition Toronto and
also took several orders while there, for
buggies to be delivered next spring. So
great is the demand for this vehicle that
they are sold as soon as finished. They
intend enlarging their premises next
spring, in order to be in a better position
to meet the demands of their rapidly

Town Council.

A special meeting of the Council, con-
voked by order of the Mayor, was held on
Tuesday evening.

Members all present except Messrs.
Raymond and Harvey.

The wealth report of the Road and
Bridge Committee, which had been discus-
sed in committee of the whole at last
meeting of Council, but had not been
passed in Council, was again taken up.

Mr. Elliott questioned whether the
Council could pass this report otherwise
than by a by-law. The amounts asked
for in the report were over and above the
usual appropriations, and according to
Rule 77 the only way in which the de-
ficiency could be made up was by a By-
Law.

Several members wished to know where
the money asked for was to be paid.
The Committee reported as to where
the expenditure was to be made,
before money be granted them.

Mr. Elliott said that the sidewalks op-
posite the new block on Upper Wyndham
street, and the covering of the
Eramosa Bridge should be looked after
immediately, as they were in a very bad
state.

Mr. Hood asked what was to be done
about the boundary roads. They were in
a bad state and required some improve-
ments to be made immediately.

Mr. Elliott thought that these roads
might be looked after some time. It would
be a useless expenditure to spend money
on them at this season of the year, when
they were broken up to a considerable
extent by recent rains. Money had been
appropriated for these roads in the be-
ginning of the year, but the Committee
had spent the money in other parts.

Mr. Hood suggested that the sidewalks
of the present Road and Bridge Commit-
tee be wound up, and that a new Com-
mittee be formed.

A motion was made by Mr. Coffee,
seconded by Mr. Mills, that the report be
adopted.

Moved in amendment by Mr. Elliott,
seconded by Mr. Robertson.—That the
report of the Road and Bridge Commit-
tee be not now adopted, but that they
report at next meeting of Council where
they require to expend the appropriation
asked; but that the said Committee are
hereby authorized to have the Eramosa
Bridge planked, and also the sidewalks
planked in front of Messrs. Hogg's and
McQuillan's new block of stores, on the
east side of Wyndham street.

The amendment was then put and
rejected. The motion was also put and
lost.

The yeas and nays on the motion were
called by Mr. Hood, as follows:—Yeas,
11; nays, 11.

Mr. Elliott called for the yeas and nays
on the amendment.

Some discussion then took place as to
whether it was in order to call the yeas
and nays on the amendment it having
been already disposed of.

A motion that the yeas and nays be
taken on the amendment made by Mr.
Elliott and seconded by Mr. Crowe was
put to the meeting and carried.

The yeas and nays on this motion being
also called for, the result was as follows:

Yeas—Howard, Davidson, McCrae,
Bruce, Elliott, Crowe, Mills, Robertson,
and the Mayor.

Nays—Hood, Coffee, Heffernan, Petrie,
Hall.

On the amendment—Yeas—Howard,
Davidson, McCrae, Elliott, Bruce, Crowe,
Robertson.

Nays—Coffee, Hood, Heffernan,
Petrie, Hall, Mills and the Mayor.

On the motion—Yeas—Hood, Coffee,
Heffernan, Petrie, Hall, Mills and the
Mayor.

Nays—Howard, Davidson, McCrae,
Elliott, Crowe, Robertson and Bruce.

On motion of Mr. Howard, seconded
by Mr. Davidson, the By-Law for defin-
ing the duties of the Chief of Police, the
members of the night police, and town
constables, was read a first and second
time.

On motion the Council went into Com-
mittee of the Whole to discuss the dif-
ferent clauses of the by-law. A few
slight alterations were made after which
the Committee rose.

The report of the Market House Com-
mittee was, in the absence of the chair-
man, presented by Mr. Petrie. It recom-
mended the payment of the following
accounts:—G. Murton, \$91.16; G. Peck,
\$15.60; J. Haley, \$20.

It also recommended that the Town
bell be turned in such a manner as to
allow the tongue to strike in a fresh place,
quite a change having been in the
old place of striking, thus rendering the
bell liable to crack. Also that the Grand
Trunk Railway Company be notified to
put the fence between the Fair Grounds
and the Railway track, in a proper state
of repair. A new gate on the eastern
side of the fair ground, for the use of
foot passengers, and the erection of new
platform scales in addition to those al-
ready in use, were also recommended. It
also instructed the Clerk to notify the
President of the Mechanics' Institute
that unless the arrears of rent be paid
within thirty days, notice would be given
to vacate the premises. In reference to
the Market and Hall extension, the Com-
mittee reported that they had two
rough drafts made, one for a rearward
extension and another for a southwest
extension and would recommend the
south-west extension, and that the Com-
mittee instructed to procure plans and
specifications and advertise for tenders
for the construction of such extension.

On motion the report with the excep-
tion of that portion which referred to
the Market-house extension, was adopt-
ed.

The Council then adjourned.

The Trial of Lepine.

POST OFFICE, Oct. 13.

The trial of Lepine, concerned in the
Scott Murder, commenced this morning
in the Court of Queen's Bench. Chief
Justice Wood presiding. Mr. F. A. Cor-
nish, Crown Prosecutor, and Mr. J. A.
Chapleau and Mr. Joseph Royal for the
defence.

Two hours were occupied in selecting a
jury. Sixteen were challenged by the
defence, and four by the Crown. There
are twenty-seven witnesses for the Crown
and seven for the defence.

Mr. Cornish opened the case with a
lucid statement to the jury, occupying
half an hour. The trial will occupy the
whole of the week.

Considerable interest is taken in the
trial.

Republicans Ahead in Iowa.

Democratic Majority 25,000.

Don Carlos to be Assassinated

A Republican Legislature

DES MOINES, Iowa, Oct. 13.—From re-
turns so far received, the indications are
that the Republican State ticket has
been elected by the usual large majority,
and that the entire delegation to Con-
gress is Republican.

COLEMAN, Ohio, Oct. 13.—Up to mid-
night returns of the vote on the Secre-
tary of State, have been received from
261 townships and wards, giving a net
Democratic gain of four thousand—at
this ratio the Democratic majority in
this State will be 25,000.

LONDON, Oct. 14.—A special to the
Times reports that the city of Durango is
in a state of insurrection against Don Car-
los. Other Carlist towns have hoisted the
white flag and advised the troops to lay
down their arms. It is stated that a con-
spiracy existed to murder Don Carlos and
was frustrated. Don Elio has refused
to command the Carlist troops on account
of their acts of vandalism. Gen. Moriones
has asked leave from Madrid to march
on Estella.

ONTARIO, Oct. 14.—The whole Republi-
can ticket is undoubtedly elected. The
Legislature will stand about the same
as last year, giving the Republicans a
majority of one-third of the vote which
secures the election of a Republican U. S.
Senator.

MORE NOTES FROM NASSAWAYEWA.

There has been much talk about a
Tory Pic-nic in this County, and I have
been waiting to see it come off, so as to
send you an account of it, but it has been
postponed to—well, nobody knows when.
The fact is, no speaker could be got.
John A. was so busy to leave home for
such a small place as Halton, more espe-
cially as he had heard that some of the
faithful had attended the Reform pic-nic
in June last. Now John A. must under-
stand that these loyal Conservatives did
not go to Milton on that day to attend
the pic-nic, but to get some repairs to
their reaper,—some fixings for the thresh-
ing machine,—to attend to some busi-
ness in the Registry office, etc., and that
it was purely accidental that they were
present at the pic-nic. Some of them
took a peep at the *Rads*, so that their
leaders should not think hard of them.
Then, again, John H. could not come be-
cause John A. couldn't, and as to poor
Charley, he has never fully recovered from
the dose administered by Mr. McKellar;
and Chisholm can't make such a horrid fool
of himself both at Hornby and Milton, it
would never do to ask him to

ducted the case, in leaving the evidence before the jury on its own merits, and not pressing for a verdict against defendant. The law recognizes a man innocent until he is proved guilty, and he must not be deprived of his liberty or his good name, until the charge is substantiated. In this case we find that the defendant has served for five years in the goal here, where every sort of prisoners have been incarcerated, and he has fulfilled his duties faithfully, as Sheriff Grange has testified. He had been a long time a soldier in the service of his country, and Sheriff Grange's brother, under whom he served, was prominent in recommending him for his late position. By the favor of the Crown Counsel, I am permitted to produce Hillen's certificate of discharge from Her Majesty's service, and his position entitled to reckon for 21 years' service. He is in possession of five good conduct badges, and a medal, with a gratuity of £5 for long service and good conduct, as well as commendatory letters from his former officers, and medals for his good conduct in the battles of Alma and Inkerman. These facts should not bear unduly in your mind, gentlemen, in giving your verdict, but character is worth a good deal in a doubtful case. Sometimes a man is at the mercy of unscrupulous witnesses, and is it then to be said he is not to stand upon his former character? Shall it be said that this prisoner, who is charged at the hands of men like Blakeley, shall not have the pleasure of referring you to these medals, and to what Sheriff Grange has said? Mr. Mercer tells you that Hillen told him, ten days before the escape, that a bribe had been offered him. Would Hillen, if he was plotting for McLean's escape, give information that would be fatal to himself? Did not Hillen take the part of an honest man when he went and told, so that an extra man might be put on? It is idle to tell any one that if Hillen had entertained this offer he would have gone and told Mr. Mercer. This action of Hillen's speaks volumes in his favor. Now gentlemen, where were these keys generally kept which opened the cell door where McLean was confined? Mr. Mercer gave the greatest facility to the prisoner Blakeley and also to the night watchman Taylor, by sleeping till eight o'clock in the morning. The night watchman has access to the keys, and so had Blakeley. Shall it be said that Hillen is to be the victim of all these people's carelessness? Where is the evidence that brings the matter home to Hillen, except you take the evidence of that man Blakeley—evidence upon which I am sure none of you would hang a dog? As to Kelly, he is described in the letter in the following extract, taken from the long experience of an authority in English courts of law. Speaking of the evidence of policemen, the author says: "With respect to policemen, constables and others employed in the detection of crime, their testimony against a prisoner should be watched with care, not because they intentionally pervert the truth, but because their professional zeal, fed as it is by the contemplation of human nature in its most revolting forms, often leads them to ascribe actions to the worst motives, and to give a coloring of guilt to facts and conversations which are perhaps consistent with virtue and rectitude. That men are to be guilty until they are found innocent is the creed of the police, but it is a doctrine that finds no sympathy in a court of justice." This is just Kelly's position. He was quite sure Hillen had said "he would not do the same thing again for \$2,000," and would not allow my suggestion that it might have been "he would not allow such a thing again for \$2,000." Blakeley's evidence was further criticized, and Mr. Guilaro closed his remarks by urging the jury to consider the past character of Hillen in the light of the non-criminating evidence which had been advanced. The Judge then charged the jury briefly. He commented severely on the character of Blakeley's evidence, as it had been proved the witness was an accomplice. In accordance with the law on this point he urged the jury to pay no attention to Blakeley's evidence, because the evidence of an accomplice in a crime can not be considered unless it is corroborated, and this had not been done. After a few more remarks from his lordship, in which he took occasion to say that he had generally found that policemen gave their evidence in a straightforward and honest manner.

The jury retired at ten minutes to 4 o'clock, and after a consultation of fifteen minutes, returned with a verdict of "Not guilty."

Mr. McMahon appeared for the Crown, and Mr. Guthrie was counsel for Hillen.

THE BIGAMY CASE.
Stynoff, alias Steiner, having pleaded "guilty," when arraigned on Friday last, was sentenced to-day to two years' imprisonment in the Kingston Penitentiary, for marrying a girl named Napoletoff, aged 17, at Moorefield, when he had a wife in Bruce Co.

ERAMOSA COUNCIL.
This Council met at the Centre Inn on the 12th inst. All the members present except Mr. Harris, who was detained by sickness. The Beeve in the chair. \$20 was granted to the Eramosa Rifle Company to be distributed as prizes at their shooting match. Mr. Dunbar was authorized to settle with Mrs. Forrester for the keep of Margaret Thompson. \$15 was granted to John Hewson of Eden Village, he being in indigent circumstances. An account of \$1.50 for repairing a bridge in Eden was ordered to be paid. The Tavern Inspectors reported that they had again visited all the Taverns in the Municipality and found them provided with the necessary accommodation.

A By-Law was introduced and passed after the usual number of readings, and numbered 32, to open the allowance for road between lots 30 and 31, in the first concession, and the Clerk was directed to have the Notice respecting the opening of the road, in the said allowance of road, at the centre of said Concession, duly advertised in terms of the Statute, for the information of all concerned. The Clerk was directed to get 250 copies of the Minutes, By-Laws &c. of the current year printed and have them ready for distribution on or before the 28th day of next December, the day of the annual Nominations.

The Council then adjourned to meet again at the Centre Inn on Monday the 7th day of December next.

J. A. DAVIDSON,
Township Clerk.

Last Monday evening a boy staying in Laven's Hotel, Galt, narrowly escaped being burned to death by a fire which by some means originated in the room in which he was sleeping.

The potato crop in Blenheim for the present season will not exceed fifty bushels per acre.

The first snow of the season is reported from various points in Canada to have fallen on Tuesday.

OPEN TEMPLE AT EDEN MILLS.—An open meeting of the Reform Temple No. 627 of the order of Good Templars was held at Eden Mills on the evening of Wednesday the 7th inst. The attendance was large. Addresses, music, recitations &c., formed the programme of the entertainment, which passed off most successfully.

Guelph Evening Mercury

WEDNESDAY EVEG. OCT. 14, 1874.

It is stated that the prospects of the election of Reform candidates for North and South Renfrew are excellent at present.

At the Reform Convention for Simcoe, held at Barrie, at which about ninety delegates were present, Mr. T. D. McConkey was put in nomination to represent the North Riding of Simcoe in the Local House.

Hon. Sidney Smith, Q. C., and Inspector of Register Offices, has issued an address to the electors of West Northumberland for election to the House of Commons, rendered vacant by the decision of the Chancellor at the late electoral trial for that Riding. The Reformers hold a meeting next Saturday for the purpose of nominating a candidate to oppose him, and for other purposes. The contest has every appearance of being a very hotly contested one.

TYRCATHLEN LOTS.

The Venerable Archdeacon Palmer has placed in my hands for sale the Lots in his new survey, immediately in rear of his residence and lying on the north side of Grange street. The situation cannot be surpassed in the town—convenient to Market, Post Office, Church and Schools, commanding a magnificent view of the town and surrounding country. The lots are of different sizes, and well suited for private dwellings, with a first-class soil for gardening.

Those lots on Tyrcathlen Terrace are well adapted for genteel residences, and will only be sold to those who will bargain to put up good buildings.

Plans of the Lots can be seen at my office and particulars learned.

Terms very liberal. Purchases made this Fall, interest on balance of purchase money will not commence until 1st April, next.

If desired, the lots will be pointed out on the ground.

Also, 17 other lots lying to the north of Palmer street, in Macdonald's survey, and on Queen and Arthur streets.

An early call is solicited.

TO SPORTSMEN.—The Trout fishing season ended on the 1st inst., and will remain closed till the 1st of next May. Quail may be shot from this time up to the 1st of January.

A course of lectures is being arranged for the winter. The anniversary of the Association is appointed for Thursday evening, Nov. 12.

SUDDEN DEATH IN ENIN.—On Sunday morning last Catherine Allan, daughter of Mr. Joseph Allan living on the second line of Enin, died suddenly. She rose in her ordinary state of health, and took breakfast with the rest of the family. Soon after that she went into the room, and shortly after her father going in found her quite dead. It is supposed that the cause of her death was disease of the heart. She was 23 years of age.

UNKNOWN DEATH IN THE HAZLE CASE.—This (Wednesday) morning, one of the children of John Hazle, a boy about eight years of age, was taken suddenly ill. No hopes being entertained of his recovery, application was made to the Sheriff by night-watchman Mitchell, who has taken an unusually active interest in the family all through their trial, to have Hazle released from goal for a short time that he might see his boy before he died. On reference to Judge Galt the request was granted, and the prisoner was taken, in charge of a staff of constables, to his home near the Erasmus Bridge. The scene at the house was very affecting, especially when the father was being taken back to the prison again. The boy was alive during Hazle's stay, but about half an hour after his father had gone, and shortly after eleven o'clock, he breathed his last. We understand Hazle's eldest son intends to remove the body to Brantford, where he lives.

THE NEW STORE
WONDERFUL ATTRACTION!
TREMENDOUS RUSH
JOHN HOGG

Has now got his New Store, New Goods, and New Prices into full order, and his old Friends and Customers are pouring in to welcome him back again to serve them.

I wish it to be distinctly understood that I have no connection with any Golden Lion, in Guelph or elsewhere, as my New Store only contains New Goods fresh from the Looms. I have no old Shop-keepers' to palm off. My prices for the Best and most Stylish, fresh and New Goods are 20 per cent under the old prices charged for Stuff in the other Stores.
 "DOWN WITH HIGH PRICES."

Twenty-one years ago I commenced a War of Extermination against long prices and long profits—and I succeeded; but, alas, on my retirement from the Mercantile business four years ago, again the thirst for long prices and long profits began to show Signs of Life, and has continued up to this present time.

But, lo! what a Commotion there is now in the Camp of long prices and long profits, and well may there be that Commotion, because the WONDERFUL JOHN HOGG is up and at it again.

CLEAR THE TRACK!—Look at the immense throng about his Store. The Public appreciate an ENTERPRISING man and support him.

Call at once at the New Store, Upper Wyndham Street, Guelph. Ask for John Hogg himself, as many who would like to be John Hogg do not hesitate to deceive strangers enquiring for that Wonderful Man.

All branches of the business carried on,
 Tailoring done to order. The finest assortment of all kinds of Coatings, Vestings, and Trousers in the Dominion.
 Ready made clothing in Men's, Youths, and Boys' sizes, 25 per cent under anything in Guelph.

My general Stock of Goods is stirring up the Slow Coaches and making them open their eyes, saying "Hogg is losing Money."
REFORM, not only in the high prices charged, but in the quality of Goods offered to the Public.

The Public may at all times feel safe while I am in the business. I shall keep a watchful eye not only on the character of the Goods offered but on the prices charged.
 Yours Truly,
JOHN HOGG.

MILLS & GOODFELLOW.
 Guelph, Sept. 9, 1874.

Two weeks ago a collision occurred on the Allegheny Valley Railway in Pennsylvania, by which Mr. Richard Doyle, of Goderich, one of the passengers was killed and several others seriously hurt. The accident was caused through the carelessness of the train despatcher. Mr. John Doyle brother of the deceased, immediately telegraphed the sad news to his friends in Goderich and took the remains home, where they were buried.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of diabetic articles, at their works in the Euston Road, London.—See article in *Cassell's Household Guide*.

PAYSON'S INDELIBLE INK is indelible still; it is plainly written on the minds of the public; after forty years' test it still holds its own and is the only reliable and standard marking ink in existence. It is used with a common pen for marking linen, silk and cotton, and will not wash out.

Special Notices.

THE GREAT SUPERIORITY OF DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATE AND CALCEA consists in its being purely physiological in its action in restoring to all forms of debility by supplying the waste of tissues resulting from mental and muscular exertion, and thus preventing nervous prostration and general debility. For building up constitutions of low vitality from scrofulous, or consumptive diseases, or impaired by dissipation and bad habits, it is unequalled, as it immediately imparts energy to the digestive apparatus, and creates healthy blood, toning and vitalizing all the organs of the body in the same manner as our daily food. Phosphates are the only compounds of Phosphorus assimilated by the system, and are Nature's agents for maintaining the vital powers.

Glines' Patent

SLATE ROOFING PAINT!

AGENTS WANTED IN EVERY TOWN.

A Roof may be covered with a very cheap shingle, and by application of this slate may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slate, for ONE THIRD THE COST OF RE-SHINGLING. The expense of slating new shingles is only about the cost of simply laying them.

The Paint is Fire-Proof

against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the Same Tariff as for Slate Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and never cracks nor scales. For Fences it is particularly adapted, as it will not corrode in the most exposed places. Roofs covered with Tar Sheathing Felt can be made water-tight at a small expense. The Slate Paint is

EXTREMELY CHEAP!

Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is used in this composition, therefore, it does not effect the water from the roof, if turned off from the eisters before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years. Curled or Warped Shingles it brings to their place and keeps them there. It fills up all holes in tin or felt roofs, and STOPS THE LEAKS. The color of the slate when first applied is dark purple, changing in about a month to a light uniform slate colour, and is, to all intents and purposes, SLATE. The Paint has a very Heavy Body, but is easily put on, and, although a slow dryer, rain will not affect it in the least one hour after applying.

ROOFS EXAMINED. ESTIMATES GIVEN.

And when required will be Thoroughly Repaired.

Orders Respectfully Solicited.
